RESOLUTION NO. 80-23 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO CONTRACT FOR CONSULTANT SERVICES WITH TALBERT, COX AND ASSOCIATES, INC. FOR THE DESIGN OF IMPROVEMENTS TO THE AIRPORT TERMINAL

4. Consideration was given to a resolution authorizing the City Manager to enter into contract for consultant services with Talbert, Cox and Associates, Inc. for the design of improvements to the Airport Terminal.

The City Manager read the resolution explaining that the Asheville Regional Airport is in need of certain improvements to the airport terminal as originally proposed in the Airport Master Plan. He said this resolution will authorize consultant services for these improvements.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 80-23 was unanimously adopted.

Complete text of Resolution No. 80-23 will be found in Resolution Book No. 12 at page 22.

SCHEDULING OF PUBLIC HEARING - REZONING PROPERTY ON HAYWOOD STREET FOR NAEGELE ADVERTISING COMPANY

5. Consideration was given to a motion scheduling a public hearing relative to rezoning property on Haywood Street for Naegele Advertising Company for March 13, 1980.

The City Manager said Don Dawson, Agent for Naegele Advertising Company has requested that Lots 3, 4, 4-1/2, 5, 6, 7, 9, and 10, Sheet 3, Ward 4 (Haywood Street) be rezoned from CR Commercial Regional District to CS Commercial Service District. He said Planning and Zoning Commission, at their meeting on February 6, 1980 recommended approval of the rezoning request.

Councilman Cole moved to schedule a public hearing on the rezoning request of Naegele Advertising Company for March 13, 1980. This motion was seconded by Councilman Wilkes and carried unanimously.

REPORT FROM CORPORATION COUNSEL AND BUILDING INSPECTOR RELATIVE TO 230 MONTFORD AVENUE ORDINANCE NO. 1129

6. Corporation Counsel Moore said at the February 7, 1980 Council meeting a proposal was received by Attorney Bob Orr, representing Bruce and Betsy Roberts, to rehabilitate 230 Montford Avenue. He said Council agreed to wait until today to allow attorneys for the buyers and the seller to meet with the City Attorney to work out an agreement for rehabilitation of 230 Montford Avenue. He said during the past week he met with Mr. Orr and J. E. Johnson, Building Inspector, to outline the procedures of what would be required for rehabilitation.

Bob Orr, Attorney for Bruce and Betsy Roberts, said in the meeting with Mr. Johnson and Mr. Moore, several conditions were indicated before Council would allow the Robertses to rehabilitate the house.

- 1) Mrs. Edith Bryan, owner of 230 Montford Avenue, to release the City of any claims relative to personal property in the house.

Mr. Orr said the Robertses could not release the City of any claims Mrs. Bryan might have. He said Mrs. Bryan would have to do that.

Thursday - February 14, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, H. C. Wilkes and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland

INVOCATION

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 7, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the February 7, 1980 meeting were approved as submitted.

ORDINANCE NO. 1157 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. Consideration was given to the second reading of Ordinance No. 1157, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended. (Rezoning property at the corner of Haywood Road and Cloyes Street)

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1157 passed on second reading.

RESOLUTION NO. 80-22 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A WATER AND SEWER LINE ON LOUISIANA AVENUE

3. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water and sewer line on Louisiana Avenue.

The City Manager read the resolution explaining that this encroachment agreement with the N. C. Department of Transportation is for the water and sewer line to be constructed on Louisiana Avenue.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Morris, Resolution No. 80-22 was unanimously adopted.

Complete text of Resolution No. 80-22 will be found in Resolution Book No. 12 at page 21.

- 2) That on or before Friday, February 15, 1980 at 5:00 p. m. satisfactory releases and bonding be secured from Mrs. Edith Bryan and Bruce and Betsy Roberts.
- 3) That the lien of the City of Asheville shall be determined at the March 6, 1980 hearing.
- 4) That the removal of personal property and shoring of property to be completed in sixty (60) days.
- 5) That the Robertses secure a performance bond in the amount of \$4,000.00.
- 6) That satisfactory insurance or bond be obtained to indemnify the City against all losses, costs, and suits for personal injury from damages claimed by any person's whatsoever.
- 7) That possession and control of the property will be allowed if above conditions are complied with by Friday, February 15, 1980 at 5:00 p. m.
- 8) That if all the above conditions are not met by 5:00 p. m. on Friday, February 15, 1980 the City will proceed with the demolition of 230 Montford Avenue.

Councilwoman Price moved to accept the conditions outlined by the Corporation Counsel for the rehabilitation of the dwelling known as 230 Montford Avenue. This motion was seconded by Councilman Cole and carried unanimously.

The City Manager noted that it was the consensus of Council, that the conditions outlined for the rehabilitation of 230 Montford Avenue, were made contingent upon the Robertses beginning to bring the property up to Housing Code standards within sixty (60) days, said requirements to be met on or before December 31, 1980.

COUNCILWOMAN PRICE - MEMBER OF N.C. STATE MILK COMMISSION

Mayor Trantham commended Councilwoman Price for being sworn in as a member of the Milk Commission.

PROCLAMATION - NATIONAL SALUTE TO HOSPITALIZED VETERANS DAY - FEBRUARY 14, 1980

Mayor Trantham proclaimed February 14, 1980 as National Salute to Hospitalized Veterans Day.

CLAIMS - WENDALL BLAIR - MARVIN BREWER - BEVERLY J. ATKINS - JOHN E. WILLARD - RONALD EARL BRIDGES

The City Manager presented claims received from Wendall Blair, Marvin Brewer, Beverly J. Atkins, John E. Willard, and Ronald Earl Bridges.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

- 2) Robertses to obtain a bond in the amount of \$25,000 indemnifying the City of all liabilities.

Mr. Orr said he had checked with one insurance company and they knew of no such bonds. He said he didn't know if such a bond is available.

- 3) Robertses would be required to perform structural work pursuant to a report filed by Bernard Fienburg, P. E. relative to the structural safety of the house.

Mr. Orr said if an agreement is reached and the Robertses proceeded to rehabilitate the house they would perform this work.

He said Mr. Moore and Mr. Johnson indicated that the lien on the house, for the work already performed by the City, would be approximately \$3,000. He said the Robertses can not afford to pay the lien, meet all the conditions, and rehabilitate the house too.

A discussion followed on the clarity of the General Statutes relative to the City having the authority to waive the lien.

Donald Mayer, attorney for Mrs. Edith Bryan, said his client would like to see the house restored and is very distressed over the personal property the City took from the house. He said Mrs. Bryan could not and would not waive any claims and he concurred with her decision. He said his client feels the City doesn't have the right to hold her personal belongings. He said his client is also concerned about the personal belongings still in the house since structural damage has been done allowing the house to be open.

Bruce Roberts said it would be financially difficult for him to restore the house and meet all the conditions outlined by the Corporation Counsel. He said the house has suffered additional structural damage, since last week, possibly due to contents being removed from the house unevenly. He said this additional damage would be another expense to him. He said he is still willing to accept the responsibilities if an agreement can be resolved.

Councilman Cole then moved that Council go into executive session to discuss the agreement for the rehabilitation of 230 Montford Avenue. This motion was seconded by Councilman Brownlee and carried unanimously.

Council went into executive session at 5:15 p. m.

Council reconvened the meeting at 6:45 p. m.

Corporation Counsel Moore said during the executive session Council agreed to the following conditions relative to 230 Montford Avenue:

- 1) To set public hearing for March 6, 1980 to consider an ordinance to rescind Ordinance No. 1129, known as "An Ordinance directing the Housing Officer to proceed with the demolition and removal of 230 Montford Avenue" and to consider an ordinance to rehabilitate 230 Montford Avenue.

PUBLIC HEARING - SIXTH YEAR COMMUNITY DEVELOPMENT APPLICATION

3. A public hearing was held relative to the Sixth Year Community Development Application.

Mayor Trantham opened the public hearing at 4:17 p. m.

Logan Delany, Director of Community Development, said this public hearing is to receive public comments for the Grantee Performance Record, the Housing Assistance Plan, and the Sixth Year Community Development Application, which is required by the Department of Housing and Urban Development each year.

Marvin Vierra, of the Planning Department, presented Council members with a copy of the Grantee Performance Record and briefly reviewed its contents. He said the report contained a cumulative status report of the Community Development Block Grant since its inception in 1975. He said information on each project along with the appropriations and expenditures for each project are included in the report. He said the Housing Assistance Plan is a part of the Sixth Year Application. He said last year the City was required to submit a three year multi-year plan for housing assistance and is only required to submit the annual goal for this year in the application.

Mr. Delany said all documents relative to the Sixth Year Community Development Application are on file in the Office of Community Development on the 4th floor of the City Hall Building and are available for public inspection.

Larry Holt, Deputy Executive Director of the Housing Authority of the City of Asheville, reviewed the Sixth Year Community Development Application and the progress of the prior years.

After a brief discussion, Mayor Trantham closed the public hearing at 4:42 p. m.

Mr. Delany explained that no action was required by Council at this time, however at next week's meeting Council will be asked to consider a resolution authorizing submission of the application.

ORDINANCE NO. 1157 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. Consideration was given to the third reading of Ordinance No. 1157, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property at the corner of Haywood Road and Cloyes Street.

Mayor Trantham said the ordinance was previously read on first and second reading and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1157 passed on third and final reading.

Complete text of Ordinance No. 1157 will be found in Ordinance Book No. 9 at page 96.

INVOCATION

The invocation was given by Councilman Harold F. Brownlee.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 14, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the February 14, 1980 meeting were approved as submitted.

PUBLIC HEARING - CLOSING ALLEY OFF FAIRFAX AVENUE - FIRST UNION NATIONAL BANK OF NORTH CAROLINA AND GRACE BAPTIST CHURCH

RESOLUTION NO. 80-24 - RESOLUTION CLOSING AN ALLEY CONNECTING FAIRFAX AVENUE WITH THE PROPERTY OF THE TRUSTEES OF GRACE BAPTIST CHURCH OF WEST ASHEVILLE

2. A public hearing was held relative to closing an alley connecting Fairfax Avenue with the property of the Trustees of Grace Baptist Church of West Asheville.

Mayor Trantham opened the public hearing at 4:10 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Doug Thigpen, attorney for First Union National Bank of North Carolina, said the adjoining property owners of the alley proposed to be closed, being the First Union National Bank of North Carolina and the Trustees of Grace Baptist Church, are the only property owners adjoining the alleyway. He said both property owners are petitioning the City to close the alley which has never been opened or used as an alley. He said they plan to develop the property for parking for the church and the bank.

Mayor Trantham closed the public hearing at 4:15 p. m.

The City Manager read the resolution closing the alley as requested.

Upon motion of Vice-Mayor Morris, seconded by Councilman Wilkes, Resolution No. 80-24 was unanimously adopted.

Complete text of Resolution No. 80-24 will be found in Resolution Book No. 12 at page 23.

Dear Members of Council:

Following up on your request after your meeting of January 31, I met informally with Verl Enrick and Richard Thornton last week and discussed with them the existing Terminal Facility Needs Study dated October 1979.

While a facility of this type is undoubtedly a good thing for Asheville, it seems to me, based on my knowledge of the real estate market in downtown Asheville, that such a facility is far in the future. However, I have discussed this situation with representatives of Greyhound and it would be agreeable to both of us that our lease contain a release clause allowing Greyhound to be a part of the Regional Transportation Center.

This will serve the immediate needs, with the door left open for the participation by Greyhound in a regional transportation center.

As I have formerly stated, if and when this happens I can modify the building as needed to suit a tenant compatible with the then-existing situation in the area.

Very truly yours,

Harold A. Talbert Jr.

ORDINANCE NO. 1152 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property at the corner of Patton Avenue and Pearl Street)

5. Reconsideration was given to the second reading of Ordinance No. 1152, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property at the corner of Patton and Pearl Streets.

Mayor Trantham said the ordinance passed on first reading on January 17, 1980 and was defeated on second reading on January 24, 1980. However, on January 31, 1980 a motion was made to reconsider the second reading of the ordinance on February 21, 1980. He said the ordinance would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, said his staff met with interstate carriers relative to pursuing a central mass transit facility.

Richard Thornton, of the Asheville Revitalization Commission, presented members of Council with a report compiled for a downtown mass transportation center. He said the staff examined what other cities were doing in regard to central mass transit centers. He said during the meeting with the interstate carriers considerable interest was shown toward constructing a downtown transit center. However, concern was expressed relative to the time factor involved. He said it would be at least three to five years before a center could be constructed. He said they are convinced that such a facility would attract more carriers. He said the facility would be built close to downtown.

A discussion was held relative to the financing of such a center.

Upon inquiry of Councilwoman Price, Mr. Thornton said the construction of a mass transit center would not be the solution to Greyhound's present need for a new facility.

David Hillier, attorney for Greyhound Bus Company, spoke in support of the rezoning. He reiterated previous statements relative to Greyhound's need for a new facility. He said they had investigated alternate sites for the station but could not find another suitable site.

Mr. Randall Upchurch, District Manager for the Greyhound Bus Company from Knoxville, Tennessee, answered questions from members of Council relative to the construction of the facility and the parking which would be available for the use of the bus station.

Mrs. Pat McAfee of 56 Sheridan Road spoke relative to the rezoning of the property for Greyhound Bus Company.

Ralph Bishop spoke in support of the construction of a new Greyhound Bus Station. He said, due to the increase in gasoline prices, a new bus station will be an indispensable asset to the City.

At the request of Councilman Wilkes, the City Manager read the following letter.

The City Manager read the resolution explaining that the North Carolina Clean Water Bond Act of 1971 has authorized the making of grants to aid eligible units of government in financing the cost of construction of wastewater treatment works, wastewater collection systems, and water supply systems. The City has need for and intends to construct an improvement in the existing water system, a project described as the French Broad River Water Line. This grant will fund construction of approximately 800 feet of 24 inch water line to run under the bed of the French Broad River.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 80-26 was unanimously adopted.

Complete text of Resolution No. 80-26 will be found in Resolution Book No. 9 at page 26.

RESOLUTION NO. 80-27 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE CHAMBER OF COMMERCE FOR AN OFFICE/CORPORATE FEASIBILITY STUDY

8. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Chamber of Commerce for an office/corporate feasibility study.

The City Manager read the resolution explaining that this study, to be conducted by Fantus Company, will be jointly funded by the City and the County, in the amount of \$20,000. It will provide a comparative study to be used for potential clients in locating their office/corporate headquarters in the Asheville area.

Upon motion of Councilman Wilkes, seconded by Councilman Brownlee, Resolution No. 80-27 was unanimously adopted.

Complete text of Resolution No. 80-27 will be found in Resolution Book No. 12 at page 28.

Vice-Mayor Morris noted that this project is another 50/50 jointly funded project by the City and the County whereby the taxpayer residing in the City will be paying \$14,000 of the total amount where the taxpayer in the County will only be required to finance \$6,000 of the project. He said he is opposed to the project from the tax ratio basis, however this particular study will probably be worth more to the City than it would be countywide.

Ralph Bishop spoke in opposition to Resolution No. 80-27, particularly for the City spending funds for such a project.

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

On a roll call vote of 7-0, Ordinance No. 1152 passed on second reading.

David Hillier, attorney for Greyhound Bus Company, requested that Ordinance No. 1152 be read on third reading at today's meeting due to the time limit involved to build a new facility for Greyhound Bus Company.

Councilman Cole moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1152. This motion was seconded by Councilman Brownlee, which motion passed on a voice vote of 6-1, with Councilwoman Price voting "no."

On a roll call vote of 7-0, Ordinance No. 1152 passed on third and final reading.

Complete text of Ordinance No. 1152 will be found in Ordinance Book No. 9 at page 89.

Councilman Boland moved that Council urge the Planning Department, Greyhound Bus Company and the Trailways Bus Company to continue their negotiations and meetings relative to a future mass transit center and to pursue the construction of the center as expeditiously as possible. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 80-25 - RESOLUTION ACCEPTING GRANT OFFER FOR STATE WATER BOND FUNDS AND MAKE THE ASSURANCES CONTAINED THEREIN (Pine Street Improvements)

6. Consideration was given to a resolution accepting grant offer for State Water Bond Funds and make the assurances contained therein relative to the Pine Street improvements.

The City Manager read the resolution explaining that the City has made application for a grant through the N. C. Clean Water Bond Act of 1971 to construct improvements to the existing water and sewer lines in the Pine Street area. The City has received grant offers from N. C. Dept. of Natural Resources and Community Development in the amount of \$12,135 and N. C. Dept. of Human Resources in the amount of \$22,628 of State Water Bond funds to construct said water and sewer improvements. This resolution will accept said funds and make those assurances as contained in the grant offers for the Pine Street Water and Sewer Improvements.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-25 was unanimously adopted.

Complete text of Resolution No. 80-25 will be found in Resolution Book No. 12 at page 25.

RESOLUTION NO. 80-26 - RESOLUTION AUTHORIZING APPLICATION FOR STATE WATER BOND FUNDS (French Broad River Water Line)

7. Consideration was given to a resolution authorizing application for State Water Bond Funds for the French Broad River Water Line.

opposition was received relative to the inclusion of "Family Care Homes" as Conditional Uses. It was decided, by Council that the two issues should be separated to consider the issue on "Family Care Homes." The public hearing and first reading of the ordinance was held on December 6, 1979. On December 13, 1979, Council tabled the second reading of the ordinance until Council members had an opportunity to tour the Family Care Homes in the area. This tour has been completed and Council will consider the second reading of the ordinance on February 28, 1980.

Ralph Bishop said he was opposed to Item A on the consent agenda.

Vice-Mayor Morris explained Item A to Mr. Ralph Bishop.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

SCHEDULING OF THIRD READING OF ORDINANCE NO. 1084 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (rezoning property on South Bear Creek Road and N. C. 191 Connector)

10. The City Manager said a request was received to schedule the third reading of Ordinance No. 1084, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property on South Bear Creek Road and N. C. 191 Connector, as early as possible. He suggested that the third reading of Ordinance No. 1084 be scheduled for March 13, 1980 and to advertise the scheduling the same as a rezoning request.

Councilman Cole moved to schedule the third reading of Ordinance No. 1084 for March 13, 1980 and that notice be given, through advertisement, the same as a rezoning request. This motion was seconded by Councilman Boland and carried unanimously.

Verl Emrick, Planning Director, said his staff has prepared a three page summary of the proposed mall, to be constructed on the property requested to be rezoned, and is available to anyone interested in the construction of the proposed Westland Mall. He said the summary would be sent to anyone interested in receiving the information.

It was requested that the summary be sent to the members of all downtown merchants associations.

Mr. Emrick said the Transportation Committee report relative to the Westland Mall will be completed by next week.

Councilman Boland moved that the Asheville City Council request an impact study in tune with the President's Urban Conservation Program for the Westland Mall. He said this falls under the President's Executive Order Number 12074. He said such a study would take 45 days after requested and would be carried out by the federal government. He said this information would be useful for the City Council in deliberating the group development evaluation of the Westland Mall, if such information is needed. He said the impact study would in no way affect the third reading of Ordinance No. 1084, rezoning the property, scheduled for March 13, 1980, but would be used in evaluating the group development plan for the Westland Mall. This motion was seconded by Councilwoman Price and carried unanimously.

- A. Resolution No. 80-28 - Resolution authorizing the Mayor to enter into an agreement with the North Carolina Department of Commerce relative to the enforcement of the Federal Emergency Building Temperature Restriction Program.

HIGHLIGHTS: The City of Asheville, upon request of the North Carolina Department of Commerce, has agreed to complete twenty-five (25) inspections of public buildings to assure compliance of the Federal Emergency Building Temperature Restrictions for a fee of twenty dollars (\$20.00) for every inspection completed.

Resolution Book No. 12 Page 29.

- B. Resolution No. 80-29 - Resolution calling for a public hearing for the adoption of an ordinance relating to amendments of Chapter 25 of the Code of Ordinances entitled "Streets and Sidewalks" for March 20, 1980.

HIGHLIGHTS: This amendment will prohibit the issuance of demolition permits in Fire District No. 1 (Downtown) between the week before Thanksgiving through the first week in January.

Resolution Book No. 12 Page 30.

- C. Scheduling of a public hearing relative to the group development plan of the Summit Complex for February 28, 1980.

HIGHLIGHTS: The Planning and Zoning Commission has recommended approval of the group development plan of the Summit Complex. This retirement center complex, consisting of 370 units, will be constructed on a portion of the old VA Hospital facilities. This project will be privately funded.

- D. Scheduling of the second reading of Ordinance No. 1146, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, including Family Care Homes as Conditional Uses in all residential districts and in the Office Institutional District, for February 28, 1980.

HIGHLIGHTS: The Planning and Zoning Commission at its meeting on September 5, 1979, considered the request of Mrs. Mildred Graham by Attorney John Powell that "Family Care Homes" be allowed in any and all residential zoning districts of the City of Asheville. The Commission voted to recommend that "Family Care Homes" as well as "Group Homes for the Developmentally Disabled Adults" be allowed as Conditional Uses in all residential zoning districts and in the Office Institutional District. A public hearing was held on the matter on October 18, 1979, and again on November 15, 1979, at which time opposition was received relative to the amendment to include "Group Homes for the Developmentally Disabled Adults." No

The City Manager suggested that Council discuss during a Pre-Council meeting the petition received from the taxicab companies in terms of scheduling consideration of an ordinance granting a rate increase for the taxicab companies.

PROGRESS REPORT - DEMOLITION OF 230 MONTFORD AVENUE

Upon inquiry of Council, the City Manager said an agreement was signed on Friday, February 15, 1980 by the City of Asheville. Mrs. Edith Metcalf Bryan and Bruce and Betsy Roberts as outlined in the Council meeting on February 14, 1980. He said the keys to 230 Montford Avenue were given to Mrs. Bryan after the agreement was executed.

REZONING PROPERTY FOR THE CONSTRUCTION OF WESTLAND MALL

Mr. Herman Medler asked if Council could not put off the third reading of the ordinance to rezone the property for the construction of the Westland Mall until the impact study, requested by Councilman Boland, is received.

Vice-Mayor Morris informed Mr. Medler that the City cannot, by law, rezone property for a specific use. He said Council considers the best use of the land in rezoning deliberations.

ADJOURNMENT

Councilman Cole moved that the meeting be adjourned. This motion was seconded by Councilman Wilkes and carried unanimously.

Adjourned.

CLAIMS - THOMAS C. LOGAN- MABELINE HAGAN- LENORA FIELDS - DAVID A GUTHRIE-
MARY K. ARAKAS - C. D. HAMILTON - RALPH UZZELL

11. The City Manager presented claims received from Thomas C. Logan, Mabeline Hagan, Lenora Fields, David A. Guthrie, Mary K. Arakas, C. D. Hamilton, and Ralph Uzzell.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PETITION - REQUESTING RATE INCREASE BY THE TAXICAB COMPANIES

12. The City Manager presented the following petition received from the taxicab companies:

PETITION

TO THE HONORABLE MAYOR AND COUNCIL OF THE CITY OF ASHEVILLE:-

The undersigned owners and operators of the Asheville taxicab companies, hereinafter set forth, respectfully petition the City Council to amend applicable sections of Chapter 27 of the City of Asheville Code relating to taxicabs in the following respects:

1. That a fare increase is hereby requested in the rates by amending Sub-sections (a) and (b) of Section 27-8 to read as follows:

(a) For the first one-tenth (1/10) of a mile or fraction thereof

----\$ 1.05.

(b) For each succeeding one-tenth (1/10) mile ----\$.10

2. That applicable sections of Chapter 27 of the City of Asheville Code be amended to allow taxis to park when vacant in designated "Taxi Spaces" to be located in the business district at locations convenient to public access.

Respectfully submitted, this the ___ day of February, 1980.

PUBLIC HEARING - GROUP DEVELOPMENT PLAN - "THE SUMMIT"

4. A public hearing was held relative to the group development plan of the Summit Complex.

Mayor Trantham opened the public hearing at 4:13 p. m.

The Assistant City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, reviewed the group development plan of the Summit Complex at a special meeting on February 18, 1980. He said after reviewing the plan, the Commission voted that Phase I and Phase II of the site development be approved contingent upon the submission of working drawings for review by the staff and noting that Phase II indicates an ability to place one parking space per unit, plus employee and visitor parking if the need develops. He said the complex would be constructed on a fourteen acre tract on a portion of the old VA Hospital property. He said the site is zoned Office Institutional which allows the construction of apartment units. He said the project will be a retirement center consisting of 370 units and will be privately funded. He said it is outside the city limits but within the City's zoning jurisdiction.

Mr. Bob Bain, architect with the firm Sherertz, Franklin and Shaffner, reviewed the phases proposed for the complex. He presented a model of the complex for viewing by the public and Council members. He said the project would be constructed on the northern portion of the old VA Hospital property. In Phase I three (3) existing buildings will be converted to apartments, with the first occupancy anticipated to be in late July or August of 1980. He said the development of Phase II scheduled for construction in early 1981, would depend on the market in the area, and would consist of the renovation of one (1) existing building and the construction of a high rise unit. He said Phase II will have 276 units and 47 health care beds. He said the project would contain recreational facilities with arts, crafts, shop areas, and swimming.

Mr. Bain said every effort is being made to preserve the landscaping of the area, including the majority of the trees. He said there would be a perimeter road system around the project, with an access road proposed for residents for emergency traffic. He said a bus access from the site to the City is being developed through the Asheville Transit Authority.

Upon inquiry of Council, Mr. Bain said there would be four apartment sizes, an efficiency or studio apartments, an alcove or L shaped apartment, one and two bedroom apartments, and terraces in the high rise unit. He said all spaces would be developed for the handicapped. He said the access to the facility will be by way of Riceville Road. He said significant responses to the project have been received from out-of-towners.

Thursday - February 28, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, H. C. Wilkes, Walter R. Boland, and Harold F. Brownlee, Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager K. M. Michalove

INVOCATION

The invocation was given by Councilman Walter R. Boland.

Mayor Trantham announced that the City Manager, Ken Michalove, is out of the office today due to the death of his aunt, Mrs. Gertrude Shain, and that Mr. Wolcott would be acting as City Manager.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 28, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the February 21, 1980 meeting were approved as submitted.

RESOLUTION NO. 80-30 - RESOLUTION IN MEMORY OF FORMER CHIEF OF POLICE A. R. "PITT" SLUDER

2. Councilman Brownlee introduced a resolution in memory of former Chief of Police A. R. "Pitt" Sluder who passed away on February 27, 1980.

Upon motion of Councilman Brownlee, seconded by Vice-Mayor Morris, Resolution No. 80-30 was unanimously adopted.

Complete text of Resolution No. 80-30 will be found in Resolution Book No. 12 at page 31.

PUBLIC HEARING - CLOSING OF AN UNNAMED ALLEY LOCATED OFF BILTMORE AVENUE

3. A public hearing was held relative to closing an unnamed alley located off Biltmore Avenue.

Mayor Trantham opened the public hearing at 4:12 p. m.

The Assistant City Manager presented the notice to the public setting the time and date of the public hearing.

The Assistant City Manager read a letter from R. B. Watson, Vice-President of St. Joseph's Hospital requesting that the hearing be postponed until March 6, 1980 because he would be out of town this week.

- (2) Amend Section (C) (3) to read as follows: "(3) Adequate off-street parking shall be provided."
- (3) Add Section (c) (6) to read as follows: "(6) Minimum spacing between structures which house a Family Care facility shall be no less than 1,000 feet."

This motion was seconded by Councilman Wilkes and carried unanimously.

Upon inquiry of Councilman Boland, Mr. Nick Rose answered questions relative to the charges for the care in the Family Care Homes for non-state supported residents.

On a roll call vote of 7-0, Ordinance No. 1146, as amended, passed on second reading.

RESOLUTION NO. 80-31 - RESOLUTION SUPPORTING GENERAL REVENUE SHARING PROGRAM

4. Consideration was given to a resolution supporting General Revenue Sharing Program.

The Assistant City Manager said in this resolution Council will endorse the reenactment of General Revenue Sharing and encourages the United States Congress to act immediately to continue this vital program which is presently scheduled to expire on September 30, 1980 unless reauthorized by Congress.

Councilman Cole said one of the greatest causes for inflation is government spending, therefore, he would cast a negative vote for Resolution No. 80-31.

Mayor Trantham said counties all over the state are concerned about the possible elimination of general revenue sharing.

Vice-Mayor Morris said Council should discuss with the state legislature the possibility of giving local governments more authority to collect revenues other than from ad valorem taxes. He said government spending should be curtailed but not in the form of general revenue sharing.

Mr. Ralph Bishop spoke in opposition to Resolution No. 80-31.

Upon motion of Vice-Mayor Morris, seconded by Councilman Wilkes, Resolution No. 80-31 was adopted on a voice vote of 6-1, with Councilman Cole voting "no."

Complete text of Resolution No. 80-31 will be found in Resolution Book No. 12 at page 32.

RESOLUTION NO. 80-32 - RESOLUTION ADOPTING A PROGRAM OF WORK FOR THE CITY COUNCIL

7. Consideration was given to a resolution adopting a program of work for the City Council.

The Assistant City Manager read the resolution explaining that this resolution will be approving the City Council Work Program for the next two fiscal years. The items to be major things that Council will be active in during their term of office.

A discussion was held relative to the cost of the apartments to the residents.

Wilfred Fuqua, of American Retirement Corporation, said the majority of residents would be from North Carolina. He said his company presently owns one retirement complex and is presently constructing seven other such projects in the southern states.

Mayor Trantham closed the public hearing at 4:37 p. m.

Councilman Boland moved to approve the group development plan of Phase I and Phase II for the Summit Complex. This motion was seconded by Vice-Mayor Morris and carried unanimously.

ORDINANCE NO. 1146 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Including Family Care Homes as Conditional Uses in all residential districts and in the Office Institutional District)

5. Consideration was given to the second reading of Ordinance No. 1146, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, including Family Care Homes as Conditional Uses in all residential districts and in the Office Institutional District.

Mayor Trantham said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

Verl Emrick, Planning Director, reviewed the background of the ordinance. He said, on December 13, 1979, Council tabled the second reading of the ordinance until Council members had an opportunity to tour the Family Care Homes in the area. He said Mr. Nick Rose of the Buncombe County Department of Social Services, who is in charge of the inspections of the Family Care Homes in this area, conducted a tour of the homes with several members of Council.

Mr. Emrick reviewed the details of the proposed ordinance.

Council discussed the parking needs for such homes, the minimum lot sizes to be required, and minimum spacing between structures housing Family Care Homes.

Mr. Emrick said these homes would be **Conditional Uses** which requires the approval of the Zoning Board of Adjustment. He said the Board would consider each home on its own merits and would have the authority to deviate from the development standards outlined in the ordinance.

Mr. John Powell, attorney for Mrs. Mildred Graham, requested that the requirements for parking, minimum lot sizes and minimum spacing be left to the discretion of the Zoning Board of Adjustment.

After discussion, Vice-Mayor Morris moved that Ordinance No. 1146 be amended as follows:

- (1) Amend Section (C) (2) to read as follows : "(2) The minimum site size shall be no less than 15,000 square feet."

- D. Resolution No. 80-36 - Resolution authorizing the City Manager to accept a right-of-way from the Northwestern Bank in order to widen Lexington Avenue from College Street to Patton Avenue.

HIGHLIGHTS: The City of Asheville desires to widen Lexington Avenue from College Street to Patton Avenue and the Northwestern Bank desires to transfer a right-of-way on the east side of Lexington Avenue between Patton Avenue and College Street to the City for this purpose.

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, H. C. Wilkes, Walter R. Boland, and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 28, 1980 meeting.

Councilman Cole noted that he cast a negative vote for Resolution No. 80-31 during the meeting of February 28, 1980 but the minutes were written that the resolution was unanimously adopted. He requested that the minutes be amended to reflect his negative vote on Resolution No. 80-31.

The City Clerk advised Councilman Cole that the error had been corrected in the original minutes.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the February 28, 1980 meeting were approved as amended.

PUBLIC HEARING - ADOPTION OF AN ORDINANCE RESCINDING ORDINANCE NO. 1129, KNOWN AS "AN ORDINANCE DIRECTING THE HOUSING OFFICER TO PROCEED WITH THE DEMOLITION AND REMOVAL OF 230 MONTFORD AVENUE" AND CONCERNING THE ADOPTION OF AN ORDINANCE TO REHABILITATE THE DWELLING KNOWN AS 230 MONTFORD AVENUE AND OTHERWISE COMPLY WITH THE PROVISIONS OF THE HOUSING CODE OF THE CITY OF ASHEVILLE

ORDINANCE NO. 1158 - AN ORDINANCE RESCINDING ORDINANCE NO. 1129, KNOWN AS "AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE"

ORDINANCE NO. 1159 - AN ORDINANCE TO REHABILITATE OR DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE

2. A public hearing was held relative to the adoption of an ordinance rescinding Ordinance No. 1129, known as "AN ORDINANCE DIRECTING THE HOUSING OFFICER TO PROCEED WITH THE DEMOLITION AND REMOVAL OF 230 MONTFORD AVENUE" and concerning the adoption of an ordinance to rehabilitate the dwelling known as 230 Montford Avenue and otherwise comply with the provisions of the Housing Code of the City of Asheville.

Mayor Trantham opened the public hearing at 4:12 p. m.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

CLAIMS - ARCHIE SMITH, JR. - CHRISTINE COURTRIGHT - RUTH ROTOWITZ - BROWNLOE W. REEVES - ROY R. DICKERSON, III

The Assistant City Manager presented claims received from Mr. Archie Smith, Jr., Christine Courtright, Ruth Rotowitz, Brownloe W. Reeves, Roy R. Dickerson, III.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - NATIONAL NUTRITION MONTH - MARCH, 1980

Mayor Trantham proclaimed the month of March, 1980 as National Nutrition Month.

RALPH BISHOP - CORRUPT POLICE DEPARTMENT - LOTTERY SALES

Mr. Ralph Bishop spoke to Council relative to the lottery sales being wide-open in Asheville.

ADJOURNMENT

Upon motion of Councilwoman Price, seconded by Councilman Cole, the meeting adjourned.

Adjournment.

MAYOR

CITY CLERK

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1159. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1159 passed on third and final reading.

Complete text of Ordinance No. 1159 will be found in Ordinance Book No. 9 at page 99.

It was noted that Mr. Robert Orr, Attorney for Mr. Bruce Roberts and wife, Betsy Roberts would deposit with the City Clerk a \$4,000 performance bond as specified in Ordinance No. 1159 on March 7, 1980.

A discussion was held relative to the omission of language in N.C.G.S. 160A-443(6) concerning the right of the City to confiscate personal property from a dwelling ordered to be demolished by Council. It was noted that the statute is clear in specifying procedures for real property but is silent in dealing with personal property in demolishing dwellings containing personal property.

Councilman Boland moved that Council include in their "legislative package" for discussion with the state legislators, the possibility of clarifying the language in N.C.G.S. 160A-443(6) relative to personal property in demolishing dwellings ordered to be demolished. This motion was seconded by Vice-Mayor Morris and carried unanimously.

CONTINUATION OF PUBLIC HEARING - CLOSING AN UNNAMED ALLEY LOCATED OFF BILTMORE AVENUE

3. The public hearing relative to closing an unnamed alley located off Biltmore Avenue was continued.

Mayor Trantham said the public hearing was continued from the meeting on February 28, 1980.

Mr. R. B. Watson of St. Joseph's Hospital requested that a portion of an alley located off Biltmore Avenue be permanently closed. He said the alley has never been opened, accepted by a public authority, developed or used for street purposes and serves no purpose for street or roadway. He said St. Joseph's Hospital property adjoins the alley on three sides. He said St. Joseph's Hospital does not propose to construct a building over the portion of the alley proposed to be closed.

It was noted that the City of Asheville owns and maintains a sewer line that lies within the portion of alley proposed to be closed. A discussion was held relative to St. Joseph's Hospital furnishing the City with a permanent utility easement on that portion of the alley requested to be closed.

Mayor Trantham closed the public hearing at 5:06 p. m.

It was the consensus of Council that Mr. Watson, the Corporation Counsel, and the Director of Water and Sewer Services work out a suitable agreement relative to the sewer line running over the alley proposed to be closed before the the resolution to close is presented to Council for adoption.

The City Manager advised that Mr. Bob Orr, attorney for Mr. Bruce Roberts and wife, Betsy Roberts, produced a copy of a deed, transferring ownership of 230 Montford Avenue from Mrs. Edith Metcalf Bryan to Mr. Bruce R. Roberts and wife, Betsy Roberts as stipulated in an agreement dated February 15, 1980 between the City of Asheville, Mrs. Edith Metcalf Bryan and Mr. Bruce Roberts, and wife, Betsy Roberts.

Mayor Trantham closed the public hearing at 4:18 p. m.

The City Manager read an ordinance rescinding Ordinance No. 1129.

Councilwoman Price moved for the adoption of Ordinance No. 1158, an ordinance rescinding Ordinance No. 1129, known as "AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 230 MONTFORD AVENUE." This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1158 passed on first reading.

Councilman Cole moved to suspend the rules and proceed to the second reading of Ordinance No. 1158. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1158 passed on second reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1158. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1158 passed on third and final reading.

Complete text of Ordinance No. 1158 will be found in Ordinance Book No. 9 at page 97.

The City Manager then read an ordinance to rehabilitate or demolish the dwelling house known as 230 Montford Avenue.

Councilwoman Price moved for the adoption of Ordinance No. 1159, "An ordinance to rehabilitate or demolish the dwelling house known as 230 Montford Avenue." This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1159 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1159. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1159 passed on second reading.

- A. Resolution No. 80-39 - Resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 48 Blalock Avenue, 53 Blalock Avenue, 278 Hillside Avenue and 90 Indiana Avenue for April 3, 1980.

HIGHLIGHTS: It has been found that the above houses have been found to be unfit for human habitation, unsafe, and dangerous to life. Pursuant to N.C.G.S. 160A-364 a public hearing is required to adopt an ordinance to demolish the houses.

Resolution Book No. 12 at page 41 - 42.

- B. Resolution No. 80-40 - Resolution authorizing application for Appalachian Regional Commission funds in support of Pine Street Water and Sewer Improvements.

HIGHLIGHTS: The City deems it necessary to upgrade certain water and sanitary lines in the Pine Street area, the total cost of which is estimated to be \$347,627 and Community Development Block Grant funds in the amount of \$86,376 have been appropriated for this project. Local funds in the amount of \$34,763 are available to provide the local match. State Clean Water Bond funds in the amount of \$34,763 have been approved for this project. This grant application to the Appalachian Regional Commission in the amount of \$191,725 will provide the remainder of the funds needed for the project.

Resolution Book No. 12 page 43.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

RALPH BISHOP - POLICE DEPARTMENT - LOTTERY SALES

Mr. Ralph Bishop again spoke to Council about the Asheville Police Department being corrupt and the lottery sales being allowed to operate and his disapproval of the appointment of Fred Hensley as Chief of Police.

ADJOURNMENT

Upon motion of Councilwoman Price, seconded by Councilman Cole the meeting adjourned.

Adjournment.

MAYOR

CITY CLERK

ORDINANCE NO. 1146 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Including Family Care Homes as Conditional Uses in all residential districts and in the Office Institutional District)

4. Consideration was given the third reading of Ordinance No. 1146, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, including Family Care Homes as Conditional Uses in all residential districts and in the Office Institutional District.

Mayor Trantham said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1146, as amended passed on third and final reading.

Complete text of Ordinance No. 1146 will be found in Ordinance Book No. 9 at page 80.

BUDGET AMENDMENT - CITY OF ASHEVILLE, FIRST, SECOND, THIRD, FOURTH, AND FIFTH YEAR COMMUNITY DEVELOPMENT FUND BUDGETS

7. Consideration was given to a motion amending the City of Asheville First, Second, Third, Fourth, and Fifth Year Community Development fund budgets.

The City Manager presented the budget amendment reviewing the specific project budgets to be amended.

Logan Delany, Director of Community Development, said the budget amendment would provide for the closing out of completed projects and appropriate funds to complete other projects.

After discussion, Councilman Wilkes moved to approve the budget amendment amending the City of Asheville First, Second, Third, Fourth and Fifth Year Community Development fund budgets as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

ORDINANCE NO. 1084 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property on South Bear Creek Road and N. C. 191 Connector) -

3. Consideration was given to the third reading of Ordinance No. 1084, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on South Bear Creek Road and N. C. 191 Connector.

Due to the large number of people wishing to voice their opinion on this rezoning, the City Manager explained the procedure that would be followed in considering the third reading of Ordinance No. 1084. He said the Planning Director would give a status report on the rezoning matter; the Corporation Counsel would give a report on what Council is legally considering; principle speakers for and against the rezoning would be given as much time as needed to voice comments; other speakers for and against the rezoning would be given an opportunity to voice their comments, with a three (3) minute time limit; and after all presentations, the Council members would be given an opportunity to voice any comments they wished to make before the vote on the third reading of the ordinance.

The City Manager presented the notice to the public setting the time and the date for the third reading of Ordinance No. 1084 and the affidavit of publication.

Verl Emrick, Planning Director, in explaining the background of the rezoning request said the Planning and Zoning Commission reviewed the request in November, 1978, and recommended that the property be rezoned as requested, to rezone the property from R-3 Residential District to CH Commercial Highway District. He said the proposed use of the property will be the construction of the Westland Mall. He said a public hearing was held on the rezoning request on November 30, 1978. On December 7, 1978, the ordinance passed on second reading and a motion was made to table the third reading of Ordinance No. 1084 until Council passes a motion to bring it back to Council for consideration of the third reading. He said during the discussion of the rezoning, several issues were discussed, particularly the traffic impact of the area and erosion problems of the creek if the proposed mall is constructed. He said these problems were to be addressed before the third reading of the ordinance. He said during the first reading of the ordinance a motion was also made that the third reading of the ordinance be withheld until a report was received from the transportation committees on the traffic problems. He said the City Council had passed a motion at the February 21, 1980 Council Meeting to consider the third reading of Ordinance No. 1084 on March 13, 1980. He said the Transportation Advisory Committee, after reviewing the issue on several occasions, presented Council with a "Transportation Analysis for Proposed Westland Mall" report on February 28, 1980.

Mr. Emrick said on March 10, 1980, additional petitions protesting the rezoning were received which brought the protest up to 18% of property owners protesting within 100 feet of the property proposed to be rezoned. He said according to the Zoning Ordinance, if 20% of the property owners within 100 feet of the property proposed to be rezoned protests the rezoning, Council must pass the Ordinance by a three-quarter (3/4) favorable vote or six (6) affirmative votes. He noted, however, that the validity of the protest petitions are contingent upon both husband and wife signing the protest petitions whereby the property is in joint ownership.

Mr. Emrick read the following letter received from Richard A. Wood, Attorney for the developers:

Thursday - March 13, 1980 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, H. C. Wilkes, Walter R. Boland, and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 6, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the March 6, 1980 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY ON HAYWOOD STREET FOR NAEGELE ADVERTISING COMPANY

ORDINANCE NO. 1160 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE." AS AMENDED

2. A public hearing was held relative to rezoning property on Haywood Street for Naegele Advertising Company.

Mayor Trantham opened the public hearing at 4:07 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission at their meeting of February 6, 1980, recommended that the property be rezoned as requested, Ward 4, Sheet 3, Lots 3, 4, 4-1/2, 5, 6, 7, 9 and 10 rezoned from CR Commercial Regional District to CS Commercial Service District. He said the rezoning is requested in order for the Naegele Advertising Company to comply with the Zoning Ordinance in fabricating signs at their new location on Haywood Street.

Don Dawson, of Naegele Advertising Company, said the construction of the new building on Haywood Street complies with the present zoning but the zoning will not permit the fabrication of the signs in the basement portion of the building. He requested Council's approval of the rezoning request.

Mayor Trantham closed the public hearing at 4:08 p. m.

Verl Emrick, Planning Director, read the ordinance rezoning the property as petitioned.

Councilwoman Price moved for the adoption of Ordinance No. 1160. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1160 passed on first reading.

Mr. Emrick said this amendment would bring the protest petition down to 5% of the property owners within 100 feet of the property proposed to be rezoned.

William C. Moore, Corporation Counsel, said that the City Council would make no decision as to whether or not the Westland Mall would be constructed on the property proposed to be rezoned. He said that Council would only be considering the third reading of an ordinance to rezone the property. He said Council will consider the approval of the group development plan for the construction of the Westland Mall at a later date.

At the request of a member of the audience, Verl Emrick read the "uses permitted" in the Commercial Highway District.

Richard A. Wood, Jr., Attorney for the developers, introduced Mr. Seby B. Jones of Davidson and Jones Company, Mr. Henry Faison of Faison Associates, Mr. Joe Hagan of Hagan and Corley Associates, and Mr. Don Ingold of Wilbur Smith and Associates, all of whom are involved in the Westland Mall project.

Mr. Wood opened his remarks in support of the rezoning, by stating that the City has an opportunity, through this project, to substantiate the industry in the City. He said Mr. Seby Jones has committed, by a letter to the Mayor, to make this area a part of the City. He said this project would create 1,800 new jobs, increase the tax revenue by \$600,000, & increase sales tax by \$200,000. In supporting the approval of the rezoning, Mr. Wood said such a project should be encouraged and welcomed by the City.

Mr. Seby B. Jones, developer, said his company has followed through on all the requests of Council since the inception of the ordinance. He said the traffic proposal has been submitted and approved by the Transportation Advisory Committee. He requested a favorable vote on the rezoning. He said due to the time limits on several options, a final decision on the rezoning is needed today. He said the developers have already spent several hundred thousand dollars as a result of the proposed project.

Henry Faison of Faison Associates, a partner in the development, said his company would perform the entire development of the project. He said the complex would be comparable to the Eastvale Mall in Charlotte. He said the developers have a competitive site in the County to pursue if this property is not rezoned to accommodate the project.

Donald Ingold of Wilbur Smith and Associates, consulting engineer for the developers, said his company addressed the problem of traffic in the proposed project. He said the site is well positioned for a mall with the freeway system around the property being capable of absorbing the majority of the traffic.

Mr. Ingold reviewed the traffic proposal as outlined in the transportation report, explaining what road improvements would be necessary for the normal operation of the Westland Mall.

Joe Hagan of Hagan and Corley Associates, architects for the developers, said the lowest level of construction would be 15 feet above the 100-year flood plain level as indicated on maps submitted by TVA. He said another problem addressed during the first and second readings of the ordinance was the disturbance to Hominy Creek. He said Hominy Creek will not be disturbed in any way by the construction of the mall. He said the design is such that no additional drainage will go into Hominy Creek than is presently going into the Creek.

Mr. William F. Wolcott, Jr.
 City Clerk, City of Asheville
 Asheville City Hall
 Asheville, N. C.

Dear Billy:

As attorney for the petitioners in the rezoning petition presently pending before Asheville City Council with reference to the following properties, to wit:

Ward 5, Sheet 16, Lot 1
 Ward 15, Sheet 16, Lots 1, 2, 6 and 11; and
 Ward 15, Sheet 17, Lot 6 1/2

I wish to hereby advise the City Council that the petitioners hereby amend said rezoning petition to retain an R-3 buffer zone of 101 foot width from the rear lot lines of all adjacent properties fronting on Shelbourne Road, to wit, lots 64, 61-1/2, 2-1/2, 3-1/2, 4-3/4, 4-1/4, 4-1/2, 5; 6-1/2, 6 and 7, Sheet 16, Ward 5.

Please advise Council of this amendment.

Very truly yours,

MCGUIRE, WOOD, WORLEY, BISSETTE & WOLCOTT, P.A.

Upon inquiry of Councilwoman Price, Mr. Ingold and Mr. Faison answered questions relative to the transportation report and the percentage of fringe growth the mall might generate.

Mr. Wood noted that as indicated in the transportation report, the developer is going to pay a portion of the expense for the highway improvements. He also noted that the mass transit system presently travels to the property with very few passengers at the present.

A discussion was held relative to the increased tax the shopping center would bring into the City of Asheville. Mr. Wood furnished members of Council with a report entitled "Westland Mall Tax Revenue Impact."

Councilman Cole spoke in favor of the rezoning and the construction of the mall stating that he believed in the "free enterprise system."

Vice Mayor Morris spoke in favor of the rezoning stating that the increased tax to be generated from the construction of the mall would equal ten cents on the tax rate. He said he felt the minor inconveniences, such as increased traffic, would be worth the return. He said a site plan for the Westland Mall would require Council's approval and he would not vote for the approval without an access to the property from the Interstate.

Councilman Wilkes spoke in favor of the rezoning stating that the project would generate more tax revenue and an opportunity to increase employment.

Councilman Brownlee said he would render a judgement on the rezoning request according to his conscience.

Councilman Boland said he was concerned about the general welfare of the residents in Malvern Hills and the negative impact the construction of the mall would have on their community. He said he was also concerned about the fringe growth the mall would generate in the community. He said he did not feel the road improvements were dealt with properly. He said the construction of the mall would have a negative economic impact on the downtown area and to vote for the rezoning would be violating the Downtown Revitalization Plan. He said he feels there is a need for an Urban Development Strategy and Policy between the City of Asheville and the County of Buncombe.

Councilwoman Price thanked the developers for their interest as well as the citizens for their input into the rezoning request. She read several sentences from a Raleigh Editorial relative to the Crabtree Mall in Raleigh creating problems which was said to have been created through poor City planning and the lack of planning. She spoke in opposition to the rezoning.

Councilman Cole moved to call for the question on the third reading of Ordinance No. 1084. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 5-2, Ordinance No. 1084 passed on third and final reading, with Councilwoman Price and Councilman Boland voting "no."

Complete text of Ordinance No. 1084 will be found in Ordinance Book No. 8 at page 299.

Jim Daniels, Chairman of the Asheville Revitalization Commission, said even though the Commission announced on March 12, 1980, a proposed Regional Shopping Mall for the downtown area, he would request that Council approve the rezoning of the property for the construction of the Westland Mall.

The following individuals spoke in support of the rezoning:

- Kenneth Pankow - 15 Cedarcliff Road
- Eddie Sisson - Manager of Bear Creek Apartments
- Wayne Cooper - Representing the West Asheville Businessmen's Assoc.
- Sybil Hamilton - 1526 Patton Avenue
- Julian Brookshire - 239 Bear Creek Road
- Rob Waller - Malvern Hills
- Gerald Green - Sardis Road
- Harold Sloan - Southern Pump & Tank Company
- Robert Green - Hominy Valley

Herbert Hyde, attorney, said he represented taxpayers and homeowners in Malvern Hills. He presented a petition containing some 237 signatures protesting the rezoning of the property in question. He said the residents in Malvern Hills do not oppose the construction of the Westland Mall or the rezoning, but oppose the increased traffic in the area that would be generated by the construction of the mall. He said Council must protect the health, welfare, and public safety of the residents in Malvern Hills.

Mr. Hyde said the rezoning, if approved, may be in danger of being contested as "contract zoning." He also pointed out that, in his opinion, the ordinance, because of the statutes, would have to revert back to the first reading because three of the Council members, now serving on Council, did not vote on the rezoning on first and second readings in 1978. He said in his opinion an issue can not be carried over from one Council to another.

The following individuals spoke in opposition to the rezoning:

- Dr. Alan Haney - Mountain Chapter, Conservation Council of North Carolina
- Carroll Hughes - Representing the local AIA Organization
- Evelyn Block - Sierra Club
- Kenneth Richards - Montford Community Club
- Mrs. C. M. Morgan - Zephyr Hills
- Lloyd Locke - Malvern Hills Community Club
- Bruce Hart - 70 Arlington Street
- Tom Wernicke - 203 Westwood, Swannanoa, NC
- Jim Novat
- Joe Hoffman - 30 Zephyr Drive
- Norma Anderson - 147 Shelburne Road
- Cecil Roberson - 181 Bear Creek Road
- Yvonne Roberson - 181 Bear Creek Road
- Veronica Fisher
- Mel Thomason - 89 N. Liberty Street
- Jim Samsel
- Carolyn Tingle - 270 Edgewood Road
- Chad Gordon
- Lillian Alexander - Shelburne Road
- Helen Reed
- F. A. Simmons - Sand Hill Road
- Herman Medler - 42 Cranford Road, Malvern Hills
- Betty Lawrence - 362 Cumberland Avenue
- Ann Anderson - 147 Shelburne Road

Present: Acting Mayor Norma T. Price, Presiding; Councilmen F. Jack Cole, H. C. Wilkes, Walter R. Boland, and Harold F. Brownlee; Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham (due to illness) and Vice-Mayor Ralph D. Morris, Jr. (due to engagement out of town).

INVOCATION

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 13, 1980 meeting.

Councilman Cole moved, due to Council's inadvertent failure to amend Ordinance No. 1084 on Thursday, March 13, 1980, to retain an R-3 Residential Classification as to a portion of said property, as withdrawn by Petitioners prior to said reading, to reconsider the third reading of Ordinance No. 1084 on Thursday, March 27, 1980, and that the Council instruct the City Clerk to publish notice of Council's intention to reconsider the third reading of said Ordinance, as amended, at said meeting. This motion was seconded by Councilman Brownlee and carried unanimously.

Upon motion of Councilman Cole, seconded by Councilman Boland, the minutes of the March 13, 1980 meeting were approved as submitted.

RESOLUTION NO. 80-44 - RESOLUTION OF APPRECIATION AND COMMENDATION TO PHILLIP FULLER

2. Consideration was given to a resolution of appreciation and commendation to Phillip Fuller.

The City Manager read the resolution.

Upon motion of Councilman Wilkes, seconded by Councilman Boland, Resolution No. 80-44 was unanimously adopted.

Complete text of Resolution No. 80-44 will be found in Resolution Book No. 12 at page 48.

RESOLUTION NO. 80-45 - RESOLUTION OF APPRECIATION AND COMMENDATION TO FAYNE W. BRADLEY

3. Consideration was given to a resolution of appreciation and commendation to Fayne W. Bradley.

Councilman Brownlee read the resolution.

Upon motion of Councilman Brownlee, seconded by Councilman Cole, Resolution No. 80-45 was unanimously adopted.

Larry Holt, Deputy Executive Director of the Housing Authority, reviewed the locations of the parcels and the proposed use of the property.

In reply to Councilman Wilkes' inquiry, Mr. Holt explained the housing incentive payment on the purchase of lots in the East Riverside Renewal Area.

Councilman Wilkes moved to approve the sale of the disposal parcels in the East Riverside Renewal Project as recommended by the Housing Authority. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN EXTENSION OF CONTRACT WITH THE LAND-OF-SKY REGIONAL COUNCIL FOR THE CONTINUATION OF THE ASHEVILLE RIVERFRONT REVITALIZATION PROGRAM

8. At the request of the Land-of-Sky Regional Council, this item was removed from the agenda until next week.

RESOLUTION NO. 80-46 - RESOLUTION AUTHORIZING EXPENDITURE OF FUNDS TO CONDUCT FEASIBILITY STUDIES RELATIVE TO THE STROUSE-GREENBERG AND COMPANY PROPOSAL

9. Consideration was given to a resolution authorizing expenditure of funds to conduct feasibility studies relative to the Strouse-Greenberg and Company proposal.

The City Manager read the resolution.

Councilman Wilkes supported the spending of these funds for the feasibility study because he felt it would inform them of what is really going on in that area and Council would be in a better position to make a decision.

Michael Blankenship, resident of the City, spoke in opposition of the spending of these funds. He felt that the money should be given to local merchants.

Wayne Caldwell, Chairman of Save Downtown Asheville, said that he did not object to the study but he did oppose the study being done by the City Planning Department. He felt that an outside firm should do the study.

Ralph Bishop, resident of the City, spoke in opposition of the spending of these funds.

Verl Emrick explained that the funds are Community Development funds and that no local tax funds are involved in this. He also indicated that if outside expertise was needed they certainly would be employed.

Councilman Boland commented that Council was not endorsing the downtown mall at this time but is only seeking more information.

PUBLIC HEARING - AN ORDINANCE AMENDING CHAPTER 25 OF THE CODE OF ORDINANCES ENTITLED, "STREETS AND SIDEWALKS"

4. Due to advertising problems, a motion was made by Councilman Boland to reschedule this public hearing for April 17, 1980. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1160 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (rezoning property on Haywood Street for Naegele Advertising Company)

5. Consideration was given to the second reading of Ordinance No. 1160, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property on Haywood Street for Naegele Advertising Company.

Acting Mayor Price said the ordinance was previously read on first reading and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1160 passed on second reading.

PROGRESS REPORT ON CLEAN COMMUNITY SYSTEM

6. A progress report was given by Mrs. Jean Webb of Quality Forward and Mrs. Bess Baird, Project Pride Coordinator.

Mrs. Webb passed out a progress report on Quality Forward's activities from July 1, 1979 through January, 1980. She updated Council on all the projects in progress.

Mrs. Baird passed out weekly litter lesson packages that are currently being used in the schools and explained that the lessons are written in a simple language that school children can relate to.

Councilman Boland stated that there was some fear and concern in some of the poor segments of the community relative to the marking of trash cans. Mrs. Webb explained that the majority of the trash cans that are being marked have rusted out bottoms. She said that the cans were checked first by a Sanitation worker and then by a Code Enforcement Officer to make sure that the can was truly unsafe, unsanitary and not useable.

Councilman Boland suggested that in the near future the Council be given a status report on these trash can markings.

APPROVAL OF THE SALE OF DISPOSAL PARCELS IN THE EAST RIVERSIDE RENEWAL PROJECT

7. Consideration was given to a motion approving the sale of disposal parcels in the East Riverside Renewal Project.

The City Manager said the Housing Authority has received the following bids for disposal parcels in the East Riverside Renewal Project.

<u>PARCEL</u>	<u>REUSE</u>	<u>PRICE</u>	<u>BID</u>	<u>REDEVELOPER</u>
3	Commercial	20,000	20,000	Hayes & Lunfords Electric Co.
13	Residential	2,000	2,555	W. D. Metcalf Building & Realty Corp.

- (2). That the increase in the tax valuation will substantially increase the city's tax base, including the peripheral area around the center.
- (3). That the increase in the sales tax collections will substantially increase the proportion of the sales tax in Buncombe for the city use, as well as the total dollars in taxes.
- (4). That benefit will accrue to the city, not only in the increase in retail business, but in the development of adjacent apartment buildings, desirable entertainment and dining establishments. The Hotel Complex will insure a greater number of out of town visitors and result in increased sales revenues from visitors who would not be in Asheville on any other occasion.
- (5). That mass transportation would be readily available and more easily used in this development than in one developed outside the Mid-City area. This could have a very beneficial effect in alleviating some of the deficits now present in the Transportation Authority. The energy savings will be significant.
- (6). That intensive efforts be made to include in the planning process the businesses which will be temporarily displaced to assure their continued business success.

To this end, the Mid-City Merchants Council stands ready to assist in whatever way it can, and has formed an ad-hoc Committee for that purpose.

Sincerely,

James M. Pressley
President

Larry Gordon, Gordon's Jewelers, said that he wanted to see that a portion of the funds be directed toward the people or merchants who will have to move due to the construction of the proposed mall.

Upon motion of Councilman Boland, seconded by Councilman Wilkes, Resolution No. 80-46 was unanimously adopted.

Complete text of Resolution No. 80-46 will be found in Resolution Book No. 12 at page 50.

APPROVAL OF THE CONSENT AGENDA

Mrs. Lucy Young, resident of the City, questioned that if the Council decided to endorse the downtown mall, would the citizens have an opportunity to voice their concerns and vote on the matter. Councilman Cole explained that a public hearing would be held and the citizens would be given several opportunities to express their opinion.

Ms. Jan Schochet, resident of the City, did not object to the study being done but suggested that an outside firm do it.

Mr. Richard Rosen, a downtown merchant, endorsed the spending of these funds.

Ms. Katheryn Long, a downtown merchant, said that a timetable she found in the Planning Department on the proposed downtown development did not show a public hearing date. Acting Mayor Price stated that the City Council would set the public hearing date, not the staff.

The City Manager read the following letter from the Mid-City Merchants Council:

The Mid-City Merchants Council Board of Directors at its regular meeting on Tuesday, March 18th voted overwhelmingly as follows:

"The Mid-City Merchants Council heartily endorses, assures its cooperation, and encourages a positive approach by the Asheville City Council, and Committee of 25, for the proposed downtown shopping Center, for the purpose of making the plan become a reality."

The positive action approach recommended by members of the Mid-City Merchants Council is to make the taxpayers aware of the following points:

- (1). That there will be no cost to the city. Under contractual agreement with the developer the city will be reimbursed for the full cost of the investment of the city - plus interest by the developer.

D. Approval of a budget amendment amending the Water and Sewer Capital Construction Fund Budget.

HIGHLIGHTS: This amendment, in the amount of \$11,850 is to fund easement and right-of-way research in conjunction with the 208 Areawide Water Quality Management Plan and to fund the W. T. Weaver Boulevard Water Line Extension.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, the consent agenda was unanimously approved.

DEMONSTRATION PARKING PROGRAM EXTENDED

Consideration was given to a motion extending the demonstration parking program through June 30, 1980.

Upon motion of Councilman Wilkes, seconded by Councilman Boland, the demonstration parking program was extended through June 30, 1980. This motion was carried unanimously.

RESOLUTION NO. 80-49 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH BUCHANAN CONCRETE CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS WALNUT STREETSCAPE

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Buchanan Concrete Construction Company for the project known as Walnut Streetscape.

The City Manager read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 80-49 was unanimously adopted.

Complete text of Resolution No. 80-49 will be found in Resolution Book No. 12 at page 54.

- A. Resolution No. 80-47 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville Change Order No. 7 with Southworth Construction Company, Inc. for the project known as Renovation of Valley Street Maintenance Facility.

HIGHLIGHTS: The City wishes to add recommended entrance and exit changes as required by the North Carolina Building Code to the contract currently in progress with Southworth Construction Company, Inc. and called Renovation of Valley Street Maintenance Facility. This change order is in the amount of \$1,930.00 and sufficient funds for this change order is provided for in the Operations Complex Capital Project.

Resolution Book No. 12 at page 52.

- B. Resolution No. 80-48 - Resolution authorizing the Mayor to execute right-of-way encroachment agreement with Debra Ruth Perry regarding a portion of Hiwassee Street.

HIGHLIGHTS: The City has a right-of-way on Hiwassee Street, adjoining the property of Debra Ruth Perry, owner of Civic Center Motel. Debra Perry has requested permission to encroach on the right-of-way for the purpose of removing the existing drive ramps along a portion of the north margin of Hiwassee Street, installing concrete curb and undertaking landscaping improvements. The portion of right-of-way requested to be used is not currently being used by the City and the improvements will benefit the citizens of Asheville and will not impair the use of Hiwassee Street for travel.

Resolution Book No. 12 at page 53.

- C. Approval of bids received March 14, 1980 for water meter rims and lids for the City of Asheville Water Department.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of lowest bid submitted by South-eastern Distributors in the amount of \$10,670.00. Funding: Water and Sewer Operations - Warehouse Inventory - Account Code 30-140.

ORDINANCE NO. 1160 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (re-zoning property on Haywood Street for Naegele Advertising Company)

3. Consideration was given to the third and final reading of Ordinance No. 1160, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property on Haywood Street for Naegele Advertising Company.

Mayor Trantham said that the ordinance was previously read on the first reading and members of Council have received copies of the ordinance, so it will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1160 passed on its third and final reading.

Complete text of Ordinance No. 1160 will be found in Ordinance Book No. 9 at page 104.

ORDINANCE NO. 1161 - AN ORDINANCE AMENDING SECTIONS 28-48 (DRIVING WITHIN SIDEWALK AREA) AND 28-95 (PARKING PROHIBITED IN SPECIFIED PLACES) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO FURTHER RESTRICT THE PARKING OF VEHICLES

4. Consideration was given to an ordinance amending Sections 28-48 (Driving within sidewalk area) and 28-95 (Parking prohibited in specified places) of the Code of Ordinances of the City of Asheville to further restrict the parking of vehicles.

The City Manager read the ordinance explaining that this would add curbs, median strips and planted areas to the list of prohibited parking places and would also prohibit driving over curbs.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1161. This motion was seconded by Councilwoman Price.

Councilwoman Price requested that parking vehicles within a few feet of an intersection also be prohibited. City Manager Michalove said that he believed there was already a section in the Code of Ordinances dealing with this and he would research it and report his findings to Council.

On a roll call vote of 6-0, Ordinance No. 1161 passed on its first reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1161. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1161 passed on its second reading.

ORDINANCE NO. 1162 - AN ORDINANCE AMENDING SECTION 27-8 OF THE ASHEVILLE CODE OF ORDINANCES TO INCREASE THE FARES PRESCRIBED FOR TAXICAB SERVICE

5. Consideration was given to an ordinance amending Section 27-8 of the Asheville Code of Ordinances to increase the fares prescribed for taxicab service.

Thursday, March 27, 1980 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr.; Councilwoman Norma T. Price, Councilmen F. Jack Cole, B. C. Wilkes, Harold F. Brownlee; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland (due to engagement out of town).

INVOCATION

The invocation was given by Reverend James Tucker of Morningside Baptist Church.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 20, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the March 20, 1980 meeting were approved as submitted.

ORDINANCE NO. 1084 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (rezoning property on South Bear Creek Road and N. C. 191 Connector)

2. Reconsideration was given to the third reading of Ordinance No. 1084, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property on South Bear Creek Road and N. C. 191 Connector.

Councilwoman Price said that the ordinance was passed two weeks ago on the third reading. However, at the beginning of the meeting on the third reading, the developers presented a petition for an amendment to the rezoning request for a portion of a lot along one side of Hominy Creek Road and Shelburne Road area be removed from the rezoning request. City Council failed to act on the amendment to the ordinance, and at the March 20, 1980 meeting, the Council voted to reconsider the third reading of the rezoning request at the March 27, 1980 Council meeting.

Councilman Cole moved that the Council reconsider the third reading of Ordinance No. 1084 for the purpose of amending said ordinance to exclude any portions of said Lots within 101 feet from the rear lot lines of Lots 64, 61½, 2½, 3½, 4-3/4, 4½, 4½, 5, 6½, 6 and 7, Sheet 16, Ward 5, which shall remain zoned as R-3 Residential District. This motion was seconded by Vice-Mayor Morris and carried unanimously.

The City Manager read Ordinance No. 1084 as amended.

On a roll call vote of 5-1, Ordinance No. 1084, as amended, was passed on its third and final reading, with Councilwoman Price voting "no."

Councilman Wilkes said that he was not voting for the mall but only on the question of whether or not to rezone the property.

Mr. Herman Medler, 42 Cranford Road, read a prepared statement opposing the Westland Mall. A copy of Mr. Medler's statement is available in the Office of the City Clerk.

Complete text of Ordinance No. 1084 will be found in Ordinance Book No. 8 at page 299.

Complete text of Resolution No. 80-50 will be found in Resolution Book No. 12 at page 55.

BUDGET AMENDMENT - AMENDING THE CITY OF ASHEVILLE FISCAL 1979-80 OPERATING BUDGET AND FEDERAL CAPITAL PROJECTS FUND

7. Consideration was given to an approval of a budget amendment amending the City of Asheville Fiscal 1979-80 Operating Budget and Federal Capital Projects Fund.

The City Manager presented the budget amendment and stated that the purpose of this amendment is to budget two LEAA grants, Mobile Unit and Portable Alarms, in the Federal Capital Projects Fund. He said that more specifically, the amendment would transfer Mobile Unit budget from General Fund Police Department Budget to the Federal Capital Projects Fund, to budget a cash match for Mobile Unit and Portable Alarm grants in the Federal Capital Projects Fund, and to budget revenue and expenditures for Portable Alarm Grant in the Federal Capital Projects Fund. This budget amendment decreases the revenues and expenditures in the Operating Budget by \$9,585 and increases the revenues and expenditures in the Federal Capital Projects Fund Budget by \$13,490.

Councilwoman Price moved for the adoption of the budget amendment as presented by the City Manager. This motion was seconded by Vice-Mayor Morris and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-51 - Resolution directing the Clerk to investigate a petition received under G. S. 160A-31.

HIGHLIGHTS: The City Council has received a petition from the owners of a portion of Regent Park requesting annexation into the corporate limits. The property is approximately 153 feet by 365 feet and is presently occupied by the existing buildings of the Fiesta Cantina (in operation) and the proposed establishment of the Happy Flounder Fish House (now vacant).

Resolution No. 80-51 will be found in Resolution Book No. 12 at page 56.

- B. Resolution No. 80-52 - Resolution authorizing the Mayor to execute a right-of-way encroachment with Charles and Jeanne Cummings for the purpose of constructing a sewer line.

The City Manager explained that a petition was received from taxicab owners on February 21, 1980, requesting an increase in fares and also an opportunity to have some designated taxicab spaces on the street. He said the City Council will be acting on the portion of the petitioners' request dealing with the increase of fares, since the City Manager is empowered to designate on-street parking. In order to meet this portion of the petitioners' request, he said he would meet with the Traffic Engineer and make a decision as to whether or not the spaces can be designated.

The City Manager read the ordinance.

Mr. Carl Ownbey, Planner, said that the Transportation Committee did review this petition and it was their recommendation that the increase in fares be approved.

Mr. Ed Worley, American Cab Company, said that the rate increase was requested due to the increase of gasoline, which has almost doubled since their last rate increase, the ever-rising cost of parts and service to automobiles and the cost of insurance.

Mr. Worley said that the on-street parking taxicab spaces were being requested in an attempt to cut down on fuel consumption by eliminating runs back and forth to the company headquarters and remaining in the business district instead. He said that this request was in line with the federal and state energy guidelines.

Upon inquiry Councilman Wilkes, it was determined that an average 2.8 mile trip would cost approximately \$5.00 (\$1.95 for one mile).

Councilwoman Price moved for the adoption of Ordinance No. 1162. This motion was seconded by Vice-Mayor Morris.

On a roll call vote of 6-0, Ordinance No. 1162 passed on its first reading.

RESOLUTION NO. 80-50 - RESOLUTION AUTHORIZING THE SOLICITATION OF UPSET BIDS FOR LEASE OF PROPERTY NEAR THE ASHEVILLE REGIONAL AIRPORT.

6. Consideration was given to a resolution authorizing the solicitation of upset bids for lease of property near the Asheville Regional Airport.

The City Manager read the resolution.

Mr. Bob Wurst, Budget Director, said that the resolution would authorize the City to solicit upset bids for a proposed lease of some property near the Asheville Regional Airport. He said the offer for upset bids would be open for a 10-day period, beginning March 28, 1980. If no upset bids were received by the end of the 10-day period, the Council would consider, at their April 10, 1980, meeting, authorizing the Mayor to enter into a contract to lease the property.

Upon inquiry of Councilman Wilkes relative to the percentage needed to upset the present bid, Mr. Wurst said that the City would just have to wait to see if an upset bid was received and then go from there since the process involved was so technical and difficult to compute.

Upon motion of Councilman Wilkes, seconded by Councilman Brownlee, Resolution No. 80-50 was unanimously adopted.

amount of \$3,730.96. Funding: LEAA Grant, Account Code 67-35-918.0074. Sufficient funds are available for this purchase.

In response to Vice-Mayor Morris' inquiry relative to this only being a portion of the owners of Regent Park requesting annexation, Mr. Emrick explained that it was his understanding that this is just the first step to get the full annexation of Regent Park. He said that this would start the procedures of investigating the sufficiency of the lot description and answer several other questions. He said that a resolution setting a public hearing on this matter will be forthcoming.

Ms. Rachel Stein, 305 Westover Drive, requested some information on the details of the budget amendment relative to amending the second, fourth and fifth year Community Development funds. Mr. Emrick explained that this budget amendment is only redistributing money already budgeted in the Planning Department.

In reply to Ms. Stein's question relative to the City appropriating funds to the group called "Committee of 36," Vice-Mayor Morris made it clear that the Council did not appoint nor did it have anything to do with appointing this Committee. He said that it was just a group of interested citizens that have no connection with the City or the County. He said that the Committee is asking Council to accept money they raised to help defray costs associated with the feasibility study regarding the proposed downtown complex.

Councilman Wilkes noted that the public would be well aware of any of Council's decisions regarding the proposed downtown complex.

Mr. Gerald Brown, 17 Carolina Lane, questioned Council's authority to act as real estate brokers in relation to the proposed downtown complex. Councilwoman Price said that this question, along with many others, will be answered when the feasibility study is completed.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously adopted.

SIGNS WHEN WORK IS BEING DONE ON THE STREETS

Councilwoman Price inquired about the signs that were to be put up identifying the company doing work on various streets within the City. The City Manager said various utility companies, as well as the City, had ordered the signs, but they had not been delivered yet.

COMMENDATION TO DEPARTMENTS OF THE CITY

Mayor Trantham commended the Street Department for their work in cleaning several streets in the area.

Councilwoman Price commended the employees of the City of Asheville who keep the City Hall Building clean.

RESOLUTION FROM THE CENTRAL ASHEVILLE ASSOCIATION

The City Manager read the following resolution from the Central Asheville Association. They had requested that this resolution be entered into the minutes.

HIGHLIGHTS: This right-of-way encroachment is for the construction of a sewer line to be constructed on Brooklet Street. Because this line will encroach on property belonging to Charles and Jeanne Cummings, this agreement is necessary.

Resolution No. 80-52 will be found in Resolution Book No. 12 at page 57.

- C. Approval of a budget amendment amending the City of Asheville Fiscal 1979-80 Operating Budget.

HIGHLIGHTS: To transfer money from Collections Division of the Finance Department to the Accounting Division of the Finance Department and to the Customer Services Division of the Water Department in order to reallocate funds pursuant to reorganization of those three divisions.

- D. Approval of a budget amendment amending the City of Asheville Second, Fourth and Fifth Year Community Development funds.

HIGHLIGHTS: To provide funds for additional planning costs necessitated by recent newly developed activities for the Planning Department in relation to economic development and comprehensive planning strategies.

To reprogram available funds for the completion of Chestnut Street Fire Line.

- E. Approval of bids received March 12, 1980, for portable air compressors for Water Maintenance and Construction Division.

HIGHLIGHTS: Three (3) bids were received. Recommendation of acceptance of the second low bid submitted by Mitchell Distributing Company in the amount of \$19,143 due to best delivery. Their delivery is 6-8 weeks compared to 100 days offered by North Carolina Equipment Company (lowest bid). The \$203.00 difference in the two bids will be more than offset by the better delivery. Rental of equipment of this type is \$42.00 per day and the equipment is needed as soon as possible. Funding: Water and Sewer Services, Capital Outlay Equipment. Sufficient funds are available for this expenditure.

- F. Approval of bids received March 25, 1980, for photographic equipment for use in the Police Department Identification Program.

HIGHLIGHTS: Ball Photo Supply of North Carolina, Inc. submitted the only fully responsive bid in the

ORDINANCE NO. 1163 - ORDINANCE DESIGNATING CERTAIN FUNCTIONS AND RESPONSIBILITIES TO THE DIRECTOR OF FINANCE

Consideration was given to an ordinance designating certain functions and responsibilities to the Director of Finance.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1163. This motion was seconded by Vice-Mayor Morris.

On a roll call vote of 6-0, Ordinance No. 1163 passed on its first reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1163. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1163 passed on its second reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1163. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1163 passed on its third and final reading.

Complete text of Ordinance No. 1163 will be found in Ordinance Book No. 9 at page 108.

RESOLUTION NO. 80-53 - RESOLUTION AUTHORIZING THE MAYOR AND THE CITY MANAGER TO EXECUTE AGREEMENTS TO REPLACE THE THIRTY INCH TUNNEL ROAD WATER LINE

Consideration was given to a resolution authorizing the Mayor and the City Manager to execute agreements to replace the thirty inch Tunnel Road Water Line.

The City Manager read the resolution and explained that this resolution would enable the City to use emergency purchasing procedures in order to relocate and replace the line.

Upon motion of Vice-Mayor Morris, seconded by Councilman Cole, Resolution No. 80-53 was unanimously adopted.

Complete text of Resolution No. 80-53 will be found in Resolution Book No. 12 at page 58.

CLAIMS - COLENE ROOKARD - CHARLES A. HENSLEY, JR. - DOROTHY DEAN - ARCHIE SMITH - T. L. GRAGG - W. M. NEWTON

The City Manager presented claims received from Colene Rookard, Charles A. Hensley, Jr., Dorothy Dean, Archie Smith, T. L. Gragg and W. M. Newton.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

CENTRAL ASHEVILLE ASSOCIATION, INC.
P. O. BOX 225
ASHEVILLE, NORTH CAROLINA 28802

March 24, 1980

TO: The Asheville City Council
and Other Appropriate Authorities

FROM: The Board of Directors of
Central Asheville Association, Inc.

RESOLUTION

Today, by unanimous vote, the Board of Directors of Central Asheville Association has endorsed the concept of the downtown development project as described by Strouse, Greenberg Co. in a recent public announcement.

The Central Asheville Association has for many years represented a substantial proportion of the property owners and businesses in the Downtown area.

It is our strong conviction that the project as proposed offers a unique opportunity for a remarkable and prompt revitalization to this whole section of the city which, in turn, will have an enormous impact on the future progress of our entire region. In short, this concept is in line with our hopes and efforts for the past many years.

Among the very important advantages of the proposal is the fact that it can be done without cost to the city of Asheville.

In addition, it is our belief that there will be substantial eventual increase in the amount of retail sales for the whole city, and an increased city and county tax base, the development of desirable nearby living facilities, entertainment, and a hotel complex almost adjacent to the Civic Center.

It is our belief that the long run effect on existing businesses will be beneficial and would urge that special efforts be included in the planning stage so as to assure those temporarily displaced will be given the strongest cooperation.

We, therefore, urge favorable support by the City Government and other agencies which might be involved in furthering the success of this proposition which could conceivably mean new life to the heart of the city and this whole area.

Respectfully submitted,
Central Asheville Association

REPLACEMENT OF THIRTY INCH TUNNEL ROAD WATER LINE

Mrs. Margaret Stewart, 80 Cumberland Avenue, questioned why the City of Asheville's taxpayer's money is responsible for the thirty inch water line break. Corporation Counsel Moore said that the City is looking into the matter of whose responsibility it is.

ADJOURNMENT

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, the meeting adjourned at 5:28 p.m.

MAYOR

CITY CLERK

On a roll call vote of 7-0, Ordinance No. 1161 passed on its third and final reading.

Complete text of Ordinance No. 1161 will be found in Ordinance Book No. 9 at page 105.

ORDINANCE NO. 1162 - AN ORDINANCE AMENDING SECTION 27-8 OF THE ASHEVILLE CODE OF ORDINANCES TO INCREASE THE FARES PRESCRIBED FOR TAXICAB SERVICE

6. Consideration was given to the second reading of Ordinance No. 1162, an ordinance amending Section 27-8 of the Asheville Code of Ordinances to increase the fares prescribed for taxicab service.

Mavor Trantham said the ordinance was previously read on its first reading and would not be re-read in its entirety unless there was a specific request to do so.

In response to Councilman Boland's question about a rate structure chart for cities our size, Ed Worley from the American Cab Company, said that our rates might be a little higher than in the flat cities.

On a roll call vote of 7-0, Ordinance No. 1162 passed on its second reading.

APPROVAL OF THE CONSENT AGENDA

7. The City Clerk said that the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Approval of bids received March 28, 1980, corrugated steel pipe for the Parks and Recreation Department.

HIGHLIGHTS: Five (5) bids were received. Recommend low bid submitted by Silverman Company in the amount of \$5,062.20. Funding: Carry-over Model Cities funds allocation for Riverside Park, Parks and Recreation Department, Capital Outlay - Other Improvements. Account Code 16-526.0073. Sufficient uncommitted funds are available for the above expenditure.

- B. Approval of bids received March 31, 1980, for 2 ½-ton pick-up trucks for the Motor Transport Department; 1 ½-ton pick-up truck, 1 4-wheel drive utility truck, and 3 subcompact 2-door sedans for the Water Maintenance and Construction Division.

HIGHLIGHTS: Four (4) bids were received. Recommend low bid submitted by Apple Tree Chevrolet in the amount of \$33,785.37. Sufficient funding available in all divisions.

4. A public hearing was held relative to the adoption of an ordinance directing the Housing Office to proceed with the demolition and removal of 48 Blalock Avenue, 53 Blalock Avenue, 278 Hillside Avenue and 90 Indiana Avenue.

Mayor Trantham opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Johnson, Chief Building Inspector, said that originally four houses had been included in the advertisement for demolition. However, the owners of the homes at 278 Hillside Avenue and 90 Indiana Avenue had secured building permits for substantial repairs.

Upon inquiry of Councilwoman Price, Mr. Johnson said that the two houses scheduled for demolition are unoccupied and have been for a long time.

Mr. Ted Freck, owner of 48 and 53 Blalock Avenue, said that he did get a permit to repair these homes last fall and he had begun some repairs on the homes. However, he said he could not make all of the repairs in such a short period of time. Mr. Freck said he hoped to have both the homes in livable condition and occupied by this summer.

Mr. Johnson said that there is no substantial work being done on these homes and the Inspections Division is still received complaints from the neighbors relative to the health hazard and overall appearance of the homes.

The public hearing closed at 4:30 p.m.

It was the consensus of the Council to have the Inspections Division contact Mr. Freck before the second and third reading of this ordinance to find out if the work is progressing and what else he proposes to do on the homes.

The City Clerk read the ordinance.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1164. This motion was seconded by Councilwoman Price.

In response to Councilman Boland's inquiry about the City's authority to get involved in the selling of personal property, Vice-Mayor Morris asked that the Corporation Counsel look into this section of the ordinance dealing with the selling of furnishings.

On a roll call vote of 7-0, Ordinance No. 1164 passed on its first reading.

ORDINANCE NO. 1161 - AN ORDINANCE AMENDING SECTIONS 28-48 (DRIVING WITHIN SIDEWALK AREA) AND 28-95 (PARKING PROHIBITED IN SPECIFIED PLACES) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO FURTHER RESTRICT THE PARKING OF VEHICLES

5. Consideration was given to the third and final reading of an ordinance amending Sections 28-48 (driving within sidewalk area) and 28-95 (parking prohibited in specified places) of the Code of Ordinances of the City of Asheville to further restrict the parking of vehicles.

Mayor Trantham said the ordinance was previously read on its first reading and members of Council have been furnished with copies, so it would not be re-read in its entirety unless there was a specific request to do so.

with Judge Thornberg to reconsider his decision of March 27, 1980 on the case entitled Carmelite Sisters vs. the City of Asheville. This would enable the Beverly Hills Homeowners Association to file a motion to officially intervene in that lawsuit and would allow the group to have a standing to follow through with an appeal if they care to do so.

A motion was made by Vice-Mayor Morris to instruct Corporation Counsel to file a motion with Judge Thornberg to reconsider his decision of March 27, 1980 on the case entitled Carmelite Sisters vs. the City of Asheville. This motion was seconded by Councilman Cole and carried unanimously.

ATTORNEY JOHN SHACKELFORD'S STATEMENTS RELATIVE TO MARVIN BREWER, RALPH UZELL AND WENDELL BLAIR

Mr. John Shackelford, Attorney representing Marvin Brewer, Ralph Uzell and Wendell Blair, former Water Department employees who were discharged because of misconduct, gave Council detailed background information relative to their discharge and reviewed the personal status of each former employee.

In summary, Mr. Shackelford appealed to the City Council to instruct the City Manager to drop the appeal to the Courts and abide by the Civil Service Board's unanimous ruling to reinstate these employees. In making this request, Mr. Shackelford cited the fact that each time these employees have been heard on the various issues, the decision has been in their favor.

Mr. Ray Stepp, member of the Civil Service Board, said it was the Board's feeling that there was not enough evidence presented to allow them to deprive the employees their means of living. He said that the appeal is nothing more than a face-saving measure and would be a waste of the City's money. In addition, he also stated that the appeal process would be a slap in the Civil Service Board's face and makes the Board look incompetent. Mr. Stepp said it was his opinion that the City should reinstate the employees to their respective positions and if sufficient evidence was gathered in the future to prove them guilty of wrongdoing, then that should be dealt with at that time.

Mr. Stepp pleaded with the Council to use fair and honest judgement in his request that the Council instruct the City Manager to put the employees back to work and to drop the appeal of the Board's decision to the courts.

Vice-Mayor Morris assured Mr. Stepp that the appeal was not meant to be a slap in the Board's face and that the Civil Service Board should not feel incompetent. He said that the Council often overrules the decisions of the Planning and Zoning Commission.

Mr. Osborne Hart, Chairman of the Civil Service Board, answered several questions from members of City Council. He also stated that there was not enough evidence presented to keep these employees from being reinstated.

Mayor Trantham said that this request would be taken into consideration.

SAMUEL E. BUCKNER - COMPLAINT

Mr. Samuel E. Buckner complained about the picking up of unsafe and unsanitary trash cans. He also commented on the rough way the Sanitation employees handle the cans.

- C. Approval of a budget amendment amending the Revenue Trust Fund Operating Budget.

HIGHLIGHTS: To provide funding in the amount of \$10,000 for air conditioning repair in the Civic Center Art Museum.

- D. Resolution No. 80-55 - Resolution fixing date of public hearing on question of annexation pursuant to G. S. 160A-31, as amended.

HIGHLIGHTS: Public hearing date set on April 24, 1980, regarding petition received from the owners of a portion of Regent Park requesting annexation into the corporate limits.

Resolution No. 80-55 will be found in Resolution Book No. 12 at page 60.

- E. Resolution No. 80-56 - Resolution authorizing the Mayor to sign an agreement with Six Associates, Inc. for professional services.

HIGHLIGHTS: Agreement for professional services with Six Associates, Inc.

Resolution No. 80-56 will be found in Resolution Book No. 12 at page 61.

- F. Resolution No. 80-57 - Resolution authorizing the Mayor to execute a temporary right-of-way encroachment agreement with Arbys regarding a portion of Florida Avenue.

HIGHLIGHTS: This is a temporary right-of-way encroachment for the purpose of placing a retaining wall along a portion of the east margin of Florida Avenue and undertaking landscaping improvements.

Resolution No. 80-57 will be found in Resolution Book No. 12 at page 64.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously adopted.

CLAIMS - RICKEY D. BUCKNER AND COLENE ROOKARD

The City Clerk presented claims received from Rickey D. Buckner and Colene Rookard.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

ATTORNEY KEITH SNYDER - BEVERLY HILLS REZONING

Mr. Keith Snyder, Attorney representing the Beverly Hills Homeowners Association, requested the City Council to instruct Corporation Counsel to file a motion

- A. Resolution No. 80-59 - Resolution authorizing the City Manager to accept a proposal from Hutchison-Biggs, Inc. to correct the survey of Asheville Regional Airport property.

HIGHLIGHTS: This proposal would correct the legal description of aviation property conveyed to the Airport Authority. Adequate surplus funding is available in the Aviation budget.

Complete text of Resolution No. 80-59 will be found in Resolution Book No. 12 at page 66.

- B. Scheduling of a public hearing for the rezoning of property at the corner of Yorkshire and Reed Streets from R-3 Medium Density Residential District to CS Commercial Service District for May 1, 1980.

HIGHLIGHTS: The Planning and Zoning Commission, at their April 2, 1980 meeting, recommended approval of this rezoning request as requested by the owners of the property, Mr. and Mrs. Rush Jolly.

Upon motion of Councilman Brownlee, seconded by Councilman Cole, the consent agenda was unanimously adopted.

PROCLAMATION - NATIONAL SECRETARIES WEEK

Mayor Trantham proclaimed the week of April 14-19, 1980 as "National Secretaries Week."

PROCLAMATION - PRIVATE PROPERTY WEEK

Mayor Trantham proclaimed the week of April 13-19, 1980 as "Private Property Week."

PROCLAMATION - DAYS OF REMEMBRANCE OF VICTIMS OF THE HOLOCAUST

Mayor Trantham proclaimed the days of April 13-19, 1980, as "Days of Remembrance of Victims of the Holocaust."

SAMUEL E. BUCKNER - COMPLAINT

Mr. Samuel E. Buckner asked the Council if they had an opportunity to investigate the manner in which Sanitation workers handle the trash cans. City Manager Michalove said that he would contact Mr. Buckner and try to resolve any problems that Mr. Buckner was having relative to trash pick-up.

WAYNE CALDWELL - QUESTIONS RELATIVE TO STROUSE-GREENBERG FEASIBILITY STUDY IN PROGRESS BY THE PLANNING DEPARTMENT

Mr. Wayne Caldwell asked that a statement from the Council be forthcoming that the money received from the "Committee of 36" be for an impartial study of the Strouse-Greenberg proposal.

ORDINANCE NO. 1164 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSES KNOWN AS 48 BLALOCK AVENUE AND 53 BLALOCK AVENUE

6. Consideration was given to the second reading of Ordinance No. 1164, an ordinance directing the Housing Officer to demolish the dwelling houses known as 48 Blalock Avenue and 53 Blalock Avenue.

Mayor Trantham said the ordinance was previously read on its first reading and would not be re-read in its entirety unless there was a specific request to do so.

Mr. J. E. Johnson, Chief Building Inspector, said that these houses were inspected on this date and no repairs or improvements were noted. He said that the Inspections Division would inspect these houses again before the third reading of this ordinance.

Mr. Johnson noted that he was looking into Councilman Boland's inquiry about the City's authority to get involved in the selling of personal property.

On a roll call vote of 5-0, Ordinance No. 1164 passed on its second reading.

RESOLUTION NO. 80-58 - RESOLUTION ACCEPTING OFFER FOR LEASE OF PROPERTY NEAR THE ASHEVILLE REGIONAL AIRPORT AND AUTHORIZING THE MAYOR TO EXECUTE SAID LEASE.

7. Consideration was given to a resolution accepting offer for lease of property near the Asheville Regional Airport and authorizing the Mayor to execute said lease.

Mr. Bob Wurst, Budget Director, read the resolution and explained that the City received an offer to lease 10.363 acres near the Asheville Regional Airport for a proposed hotel/motel complex with restaurant facilities. He said that the City has solicited for upset bids for said property and none have been received. He then reviewed the terms of the lease and presented the Council with a schedule of projected rental income.

In response to Mayor Trantham's inquiry about water and sewer, Mr. Wurst said that the only hold up is getting the sewer line up Cane Creek to the Airport.

Upon motion of Vice-Mayor Morris, seconded by Councilman Boland, Resolution No. 80-58 was unanimously adopted.

Complete text of Resolution No. 80-58 will be found in Resolution Book No. 12 at page 65.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said that the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Thursday, April 17, 1980 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Ralph D. Morris, Jr., Presiding; Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes, Harold F. Brownlee; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham - Mayor Trantham was attending a function with Mrs. Joan Mondale.

INVOCATION

The invocation was given by Councilman Walter R. Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 10, 1980 meeting.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, the minutes of the April 10, 1980 were approved as submitted.

PUBLIC HEARING - AMENDMENT OF CHAPTER 25 OF THE CODE OF ORDINANCES ENTITLED "STREETS AND SIDEWALKS"ORDINANCE NO. 1165 - AN ORDINANCE AMENDING CHAPTER 25 OF THE CODE OF ORDINANCES ENTITLED "STREETS AND SIDEWALKS"

2. A public hearing was held relative to amending Chapter 25 of the Code of Ordinances entitled "Streets and Sidewalks."

The public hearing was opened at 4:10 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager read the ordinance.

Mr. J. E. Johnson, Chief Building Inspector, explained that this will give the Inspections Division the authority not to issue demolition permits in Fire District No. 1 (Downtown) between the week of Thanksgiving and the first week in January. He further explained the reason for the ordinance was to alleviate traffic problems in the downtown area during the Thanksgiving/Christmas shopping season.

The Council requested that the Building Inspector amend the ordinance to ensure that demolition work would not be in progress during the holiday season.

The public hearing was closed at 4:17 p.m.

Councilwoman Price moved for the adoption of Ordinance No. 1165. This motion was seconded by Councilman Brownlee.

Councilman Cole said he had some reservations and said he felt this was a nuisance ordinance.

On a roll call vote of 5-1, Ordinance No. 1164 passed on its first reading, with Councilman Cole voting "no."

Vice-Mayor Morris and Councilman Boland said they felt sure that all staff reports would be impartial and unbiased.

RALPH BISHOP

Mr. Ralph Bishop commented on the lottery sales still going on in the City of Asheville.

ADJOURNMENT

Upon motion of Vice-Mayor Morris, seconded by Councilman Brownlee, the meeting adjourned at 4:45 p.m.

Raymond L. Harrison
MAYOR

Harmon Z. Holcomb
CITY CLERK

The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project:

<u>PARCEL</u>	<u>REUSE</u>	<u>PRICE</u>	<u>BID</u>	<u>REDEVELOPER</u>
26	Residential	2,700	2,900	Dave Massey, et ux
47-48	Residential	3,500	3,650	Alonzo Smith, et ux
58	Commercial	50,000	50,000	B. Marshall Fall
63	Residential	2,000	2,125	James Shepherd, et ux

Mr. Larry Holt, Deputy Executive Director of the Housing Authority, reviewed the locations of the parcels and the proposed use of the property.

Councilman Boland suggested that Council look into the availability of local capital for the purpose of developing minority enterprises.

Councilman Wilkes said that groundwork on Councilman Boland's suggestion has already been started and that they will continue to pursue this aspect.

Upon Councilman Boland's suggestion to form a committee to address this subject, the City Manager said this would be a function of the Community Development/Housing Authority Liaison Committee.

Councilwoman Price invited Councilman Boland to attend the Community Development/Housing Authority Liaison Committee meetings.

Councilman Wilkes moved to approve the sale of the disposal parcels in the East Riverside Renewal Project as recommended by the Housing Authority. This motion was seconded by Councilman Cole and carried unanimously.

Consideration was given to a resolution indicating the willingness, potential and capacity to support additional growth through the State-Wide Balanced Growth Policy.

The City Manager read the resolution.

Mr. Marvin Vierra, Planner, reported the status of the Balanced Growth Policy.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 80-61 was unanimously adopted.

Complete text of Resolution No. 80-61 will be found in Resolution Book No. 12 at page 69.

PUBLIC HEARING - CLOSING A PORTION OF SOUTH GROVE STREET AND AN UN-NAMED ALLEY

RESOLUTION NO. 80-60 - RESOLUTION TO CLOSE A PORTION OF SOUTH GROVE STREET AND AN UN-NAMED ALLEY

3. A public hearing was held relative to closing a portion of South Grove Street and an un-named alley.

Vice-Mayor Morris opened the public hearing at 4:20 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Holt explained that the southern portion of South Grove Street and the un-named alley are requested to be closed in order to complete the East Riverside Redevelopment Plan which is scheduled to be closed out in June, 1980, and in order that Disposal Parcel 3 of the East Riverside Redevelopment Project can be developed. He said the only privately owned property fronting on that portion of South Grove Street is owned by Mr. Ralph Presley of Hays and Lunsford and he has no objections to the closing.

Mr. Holt answered questions from members of Council.

Vice-Mayor Morris closed the public hearing at 4:30 p.m.

Corporation Counsel Moore read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-60 was unanimously adopted.

Complete text of Resolution No. 80-60 will be found in Resolution Book No. 12 at page 67.

ORDINANCE NO. 1164 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSES KNOWN AS 48 BLALOCK AVENUE AND 53 BLALOCK AVENUE

4. Consideration was given to the third and final reading of Ordinance No. 1164, an ordinance directing the Housing Officer to demolish the dwelling houses known as 48 Blalock Avenue and 53 Blalock Avenue.

Vice-Mayor Morris said the ordinance was previously read on its first reading and members of Council have been furnished with copies, so it would not be re-read in its entirety unless there was a specific request to do so.

Mr. J. E. Johnson said that work is now in progress on one of the houses and requested that Council table this demolition ordinance for the time being. He said that he would continue to check each week to see how the work was progressing.

Councilwoman Price moved that this ordinance be tabled until there is a request from Mr. Johnson for it to be considered again. This motion was seconded by Councilman Wilkes and carried unanimously.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 17, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the April 17, 1980 meeting were approved as submitted.

PRESENTATION OF CERTIFICATES FOR ASHEVILLE FIRE DEPARTMENT EMPLOYEES

Mayor Trantham presented Firefighter Steven Brown and Fire Driver Charles T. Parker with Certificates of Merit. He also presented their supervisor, Captain G. W. Sams, with a Certificate of Appreciation.

PUBLIC HEARING - PETITION FROM OWNERS OF A PORTION OF REGENT PARK REQUESTING ANNEXATION INTO THE CORPORATE LIMITS**ORDINANCE NO. 1166 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA**

2. A public hearing was held relative to annexing a portion of Regent Park into the Corporate Limits.

Mayor Trantham opened the public hearing at 4:15 p.m.

Associate City Manager Wolcott presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick, Director of Planning, gave Council background information relative to this request. He said that annexing this portion of Regent Park is just the first step to get the full annexation of Regent Park into the corporate limits by September 30, 1980.

Mr. Talmage Penland, Attorney representing Universal Investment Corporation, which is the owner of Regent Park, said that they hoped to have Regent Park in its entirety annexed into the corporate limits by 9-30-80.

Vice-Mayor Morris felt reluctant to annex just a portion of Regent Park without some written agreement or firm commitment that the rest would be annexed by 9-30-80.

Mr. Penland said his client was not present at the meeting and that he did not have the authority to enter into such an agreement. He suggested that

The City Manager read the following report relative to the complaint received from Mr. Samuel E. Buckner, 111 Reed Street:

1. Request for free setout/setback services. On July 7, 1979, Johnny Goggans, Sanitation Area Supervisor, investigated the request and based on his findings that there were four (4) ablebodied persons living in the home, the request for free service was denied on September 13, 1979.
2. Three (3) cans were removed from the residence of Mr. Buckner on March 12, 1980. Clarence Nearer, Area Inspector, tagged and marked the cans with a red (X), because the bottoms of the cans were rusted and rotted out. In addition, Mr. Nearer also left a tag on the door of the residence. On March 19th or March 26th, when the cans were set out again, the Sanitation Crew removed them in accordance with the code enforcement of the new regulations.

The City Manager said that they have tried to contact Mr. Buckner on several occasions and have not succeeded.

PROCLAMATION - VOLUNTEER RECOGNITION WEEK

Vice-Mayor Morris proclaimed the week of April 20-26, 1980, as "Volunteer Recognition Week."

PROCLAMATION - EARTH DAY

WAYNE CALDWELL - SAVE DOWNTOWN ASHEVILLE

Mr. Wayne Caldwell said that the Save Downtown Asheville Committee is ready to report formally to Council their compiled statistics, economic data and concrete plans, as an alternative to the Strouse-Greenberg proposal.

The City Manager said that he would contact Mr. Caldwell and set up a date when this could be presented in a Council worksession.

RALPH BISHOP

Mr. Ralph Bishop made comments relative to the Asheville Police Department.

ADJOURNMENT

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, the meeting adjourned at 5:20 p.m.

 MAYOR  CITY CLERK

to a week before Thanksgiving shall be scheduled by the Building Inspector to maintain traffic safety."

Mr. J. E. Johnson said that if any type of demolition permit, whether it was for tearing down a whole building or just a small shed in back of one of the stores, was requested during the Thanksgiving/Christmas season, the request would be denied. He said that the scheduling mentioned in the amendment meant that the Inspections Division would schedule the actual hours that work would be permitted on those permits which had been obtained prior to Thanksgiving week.

Vice-Mayor Morris moved for the adoption of the amendment as read by Corporation Counsel. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-1, Ordinance No. 1165, as amended, passed on its second reading, with Councilman Cole voting "no."

Councilman Cole felt this was a nuisance ordinance.

RESOLUTION NO. 80-65 - RESOLUTION ENDORSING HIGHWAY, TRANSIT AND AVIATION IMPROVEMENTS FOR THE ASHEVILLE URBAN AREA

4. Consideration was given to a resolution endorsing highway, transit and aviation improvements for the Asheville Urban Area.

Mr. Emrick read the resolution and by use of a map pointed out the proposed highway improvements to be submitted to the North Carolina Department of Transportation. He said that the City of Asheville will participate in the process by submitting projects which will be part of the Thoroughfare Plan for the City of Asheville which will be in three parts - immediate, five year and ten year needs. He said that these projects had been previously reviewed by the Transportation Advisory Committee and the Technical Coordinating Committee and that they recommend that the following list be submitted to the North Carolina Department of Transportation:

PRIORITY HIGHWAY PROJECTS FOR INCLUSION IN THE NORTH CAROLINA 1981-1987 TRANSPORTATION IMPROVEMENT PROGRAM

URBAN SYSTEM PROJECTS

1. Valley Street Connector - Reprogram construction funding in Fiscal Year 1981.

Council table action on the issue until he could contact his client by telephone concerning the written agreement.

At 4:38 p.m., Councilwoman Price moved to continue the public hearing later in the meeting so that Mr. Penland would have an opportunity to consult with his client. This motion was seconded by Councilman Boland and carried unanimously.

At 4:43 p.m., Mayor Trantham said that the public hearing on the issue would continue at this time.

Mr. Penland said that he contacted Mr. Atkinson, President of Universal Investment Corporation, who said that he would be delighted to enter into an agreement to petition for the annexation of the remainder of the property of Regent Park to become effective 9-30-80.

Mayor Trantham closed the public hearing at 4:45 p.m.

Mr. Emrick read the ordinance.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1166. This motion was seconded by Councilman Brownlee.

On a roll call vote of 6-0, Ordinance No. 1166 passed on its first reading.

Vice-Mayor Morris moved to suspend the rules and proceed with the second reading of Ordinance No. 1166. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1166 passed on its second reading.

Vice-Mayor Morris moved to suspend the rules and proceed with the third and final reading of Ordinance No. 1166. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1166 passed on its third and final reading.

Councilwoman Price moved that the staff proceed with the preparation of a petition for the annexation of the remainder of the property of Regent Park to be effective by September 30, 1980. This motion was seconded by Councilman Boland and carried unanimously.

Complete text of Ordinance No. 1166 will be found in Ordinance Book No. 9 at page 117.

8. The Associate City Manager said that the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-68 - Resolution authorizing Director of Finance to sell surplus property.

HIGHLIGHTS: The City Charter provides that no sale or other disposition of surplus personal property of the City of Asheville having a replacement cost in excess of \$100.00 shall be made by the Director of Finance unless direction be made by the Council by resolution. The Department of Public Works has a Model 12-G A.C. Front End Tractor which is obsolete and beyond repair and has been inoperable for some time. This resolution will authorize the Director of Finance to sell the aforementioned A.C. Front End Tractor, including all attachments, to the highest bidder.

Resolution No. 80-68 will be found in Resolution Book No. 12 at page 82.

- B. Resolution No. 80-69 - Resolution authorizing the Mayor to notify the N. C. Department of Transportation of the City's approval of installation of crossing signals and gates at the intersection of Fairview Road and Southern Railway.

HIGHLIGHTS: Resolution 78-80 dated 4-13-78, authorized the Mayor to enter into an agreement with the N. C. Department of Transportation for a railroad crossing signal installation at the Southern Railway crossing on Fairview Road. Since that time, Federal and State policies have changed and the N. C. Department is now required to install gates as well as flashers with vehicular and train volume as high as this location. The N. C. Department of Transportation has asked that Southern Railway include gates in their design. The municipal share of annual maintenance cost for this type of design is \$490. This resolution notifies the N. C. Department of Transportation of the City's approval of these plans.

Resolution No. 80-69 will be found in Resolution Book No. 12 at page 83.

RESOLUTION NO. 80-66 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A LEASE AGREEMENT FOR THE CITY FOR USE OF THE ST. EUGENE SCHOOL ATHLETIC FIELD AND PLAYGROUND

6. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into a lease agreement for the City for use of the St. Eugene School Athletic Field and Playground.

Associate City Manager Wolcott read the resolution.

Mr. Ray Kisiah, Director of Parks and Recreation, explained that the City of Asheville would like to lease the St. Eugene School Athletic Field and Playground for one year to use for the North Asheville Little League Baseball Program.

Councilman Boland said that North Asheville was in need of adequate Babe Ruth and Little League Ball Fields. He suggested that the City look into the availability of alternate sites in North Asheville for ballfields, in particular the old landfill.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, Resolution No. 80-66 was unanimously adopted.

Mr. Kisiah invited the Asheville City Council to a reception honoring the Asheville Parks and Recreation Department's volunteers on Thursday, April 24, 1980, at 7:30 p.m. at the Senior Opportunity Center.

Mr. Kisiah also invited the Asheville City Council to the dedication ceremonies of the Shiloh Recreation Center on Sunday, May 4, 1980, at 2:00 p.m. at the Shiloh Center.

Complete text of Resolution No. 80-66 will be found in Resolution Book No. 12 at page 80.

RESOLUTION NO. 80-67 - RESOLUTION OF SUPPORT FOR THE BUNCOMBE COUNTY GOVERNOR'S CONFERENCE ON LEADERSHIP DEVELOPMENT FOR WOMEN

7. At the request of Mayor Trantham, Resolution No. 80-67 was pulled from the consent agenda.

Consideration was given to a resolution of support for the Buncombe County Governor's Conference on Leadership Development for Women.

Ms. Jeanie Hyder, Field Coordinator, invited all Council members to the Buncombe County Governor's Conference on Leadership Development for Women on Wednesday, April 30, 1980, at 9:00 a.m. at the Asheville Civic Center.

Councilwoman Price read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 80-67 was unanimously adopted.

Complete text of Resolution No. 80-67 will be found in Resolution Book No. 12 at page 81.

APPROVAL OF THE CONSENT AGENDA

CLAIMS - F.B. & H. COMPANY, BARBARA O. HATCHETT, FRANCIS G. JUSTUS, GEORGE HOLMES, AND JOHN JAMES DAWES

Associate City Manager Wolcott presented claims received from F. B. & H Company, Barbara O. Hatchett, Francis G. Justus, George Holmes and John James Dawes.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

GERALD BROWN - 17 CAROLINA LANE

Mr. Brown inquired why the City was planting trees on Rankin Street when they were in the process of doing a feasibility study which if approved, would result in the trees being removed. It was his opinion that this was not good use of City funds since the City's personnel were being used to plant the trees.

RALPH BISHOP

Mr. Ralph Bishop made comments relative to the invocation being given at the beginning of Council meetings.

ADJOURNMENT

Upon motion of Vice-Mayor Morris, seconded by Councilman Cole, the meeting adjourned at 6:50 p.m.

Raymond Trantham MAYOR *William A. Wolcott* CITY CLERK

- C. Approval of a budget amendment amending the City of Asheville Fiscal 1979-80 Operating Budget.

HIGHLIGHTS: The purpose of this budget amendment is to amend budget to recognize revenue from the Committee of 36 for Downtown Mall Feasibility Study in the amount of \$9,100.

- D. Approval of a budget amendment amending the General Capital Project Fund Budget.

HIGHLIGHTS: The purpose of this budget amendment is to establish a capital project to fund street paving for 1980 in the amount of \$329,125.

- E. Scheduling of a public hearing relative to considering a project for which federal operating assistance is provided under Section 5 of the Urban Mass Transportation Act of 1964, as amended, is being sought, for May 22, 1980.

HIGHLIGHTS: The project will be for the period of July 1, 1979 until June 30, 1980. The grant application will be applied for by the City of Asheville for the purpose of assisting the operational cost of the Asheville Transit Authority. The net project cost is estimated at \$664,059. The Federal share is estimated at \$332,029. The local share is estimated at \$332,030, and is anticipated to be derived from the general operating budget of the City of Asheville.

Councilwoman Price reminded the City staff of the agreement made with Mr. Coleman that there was a time limit on paving Balsam Avenue and asked City staff to be sure that they complied with that time limit.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously adopted.

RESOLUTION NO. 80-70 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT WITH UTILITIES LOCATING COMPANY OF GREENSBORO

Consideration was given to a resolution authorizing the Mayor to sign a contract with Utilities Locating Company of Greensboro.

Associate City Manager Wolcott read the resolution.

Complete text of Resolution No. 80-70 will be found in Resolution Book No. 12 at page 84.

PROCLAMATION - HEALTH OCCUPATIONS STUDENTS OF AMERICA - HEALTH CAREER WEEK

Mayor Trantham proclaimed the week of April 27 - May 3, 1980, as "Health Occupations Students of America - Health Career Week."

Councilwoman Price moved to adopt the ordinance with the amendment as follows:

"That the following property be rezoned from R-3 Medium Density Residential District to R-4 High Density Residential District:

Ward 7, Sheet 10, Lots 131 and 131½"

This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1167, as amended, was passed on its first reading.

Mayor Trantham excused himself at 4:30 p.m. and turned the chair over to Vice-Mayor Morris.

ORDINANCE NO. 1165, AS AMENDED - AN ORDINANCE AMENDING CHAPTER 25 OF THE CODE OF ORDINANCES ENTITLED "STREETS AND SIDEWALKS"

3. Consideration was given to the third and final reading of Ordinance No. 1165, as amended, an ordinance amending Chapter 25 of the Code of Ordinances entitled "Streets and Sidewalks."

Vice-Mayor Morris said that the ordinance was previously read on its first reading and members of Council have been furnished with copies, so it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1165, as amended, was passed on its third and final reading.

Complete text of Ordinance No. 1165, as amended, will be found in Ordinance Book No. 9 at page 112.

APPROVAL OF THE CONSENT AGENDA

4. The City Manager said that the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr.; Councilwoman Norma T. Price, Councilmen Walter R. Boland, Harold F. Brownlee, F. Jack Cole, H. C. Wilkes; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 24, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the April 24, 1980 meeting were approved as submitted.

PUBLIC HEARING - REZONING PROPERTY AT THE CORNER OF YORKSHIRE AND REED STREETS

ORDINANCE NO. 1167 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing was held relative to rezoning property at the corner of Yorkshire and Reed Streets from R-3 Medium Density Residential District to CS Commercial Service District.

Mayor Trantham opened the public hearing at 4:07 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission, at their April 2, 1980 meeting, considered the petition of Mr. and Mrs. Rush Jolly that certain lots at the corner of Yorkshire and Reed Streets be rezoned from R-3 Medium Density Residential District to CS Commercial Service District. He said the Planning and Zoning Commission recommended that the property be rezoned as petitioned.

Mr. Emrick said that the only objection to the rezoning voiced at the Planning and Zoning Commission meeting was from the Biltmore Methodist Church. He said that they did not object to offices or the placement of commercial establishments of that nature, but did object to some of the heavier commercial uses allowed in the Commercial Service District.

Mr. John Mathison, adjoining property owner, expressed the same concerns as did the Biltmore Methodist Church.

Mr. Emrick pointed out that most of the uses requested by Mr. and Mrs. Jolly, in their petition, could be accommodated in the R-4 High Density Residential District. He said this would eliminate the worry of heavier commercial uses.

Mayor Trantham closed the public hearing at 4:28 p.m.

Mr. Emrick read the ordinance.

Mr. Wayne Caldwell, Chairman of Save Downtown Asheville, Inc., read the following letter:

"April 29, 1980

"To Mayor and City Council of Asheville:

"Save Downtown Asheville has been asked by Council to assist them in the feasibility study of the Strouse, Greenberg proposal. To that end, we have been compiling facts and figures, drawing plans, and we have our attorneys researching the legal implications involved. All this has cost many man-hours away from our businesses and a great deal of money. We therefore ask that Council consider a request from us on the agenda Thursday for funding our part of the study in the amount of \$5600.00.

Legal fees	\$2,000.00
Financial consultant	1,000.00
Telephone/postage	500.00
Books, etc.	100.00
Architectural consultant	2,000.00
Study costs of street improvements, etc.	
	<u>\$5,600.00</u>

Very truly yours,

s/ Wayne Caldwell
Chairman"

Councilman Wilkes asked Mr. Caldwell when Council had requested Save Downtown Asheville, Inc. to get this information together.

Vice-Mayor Morris said that it was his understanding that Save Downtown Asheville, Inc. had some alternative proposals and plans for the downtown area which had nothing to do with the Strouse-Greenberg proposal.

Councilwoman Price said it would be improper for Council to authorize payment to Save Downtown Asheville, Inc., Strouse-Greenberg, or Lantzius for a feasibility study concerning the proposed downtown mall.

Councilman Boland said that plans had been made and a meeting date set for Council to hear from various groups concerning alternate proposals and plans for the downtown area.

After further discussion, it was the decision of Council to deny Save Downtown Asheville, Inc.'s request for funds.

RALPH BISHOP

Mr. Ralph Bishop commented on lottery sales being allowed to continue in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price, the meeting adjourned at 4:55 p.m.

MAYOR

CITY CLERK

- B. Resolution 80-72 - Resolution authorizing the Mayor to execute right-of-way encroachment agreement with Morris, Golding, Blue and Phillips, P.A. regarding a portion of South Pack Square.

HIGHLIGHTS: Morris, Golding, Blue and Phillips, P.A. have requested permission to encroach on the City's right-of-way for South Pack Square for the purpose of installing a Handicapped ramp, steps and rails for the entrance of their office building located at the old Pack Memorial Library. The improvements will not impair the use of the South Pack Square side-walk for pedestrian travel.

Resolution No. 80-72 will be found in Resolution Book No. 12 at page 86.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously adopted.

Consideration was given to a resolution authorizing the filing of an application with the North Carolina Department of Transportation, Public Transportation Division, for state financial assistance in the form of a transit development grant.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-74 was unanimously adopted.

Complete text of Resolution No. 80-74 will be found in Resolution Book No. 12 at page 88.

WAYNE CALDWELL - SAVE DOWNTOWN ASHEVILLE

3. Consideration was given to a motion to concur in the submittal of a preliminary request for financial settlement of the East Riverside Urban Renewal Project (NC R-48).

Mr. David Jones, Jr., Executive Director of the Asheville Housing Authority, gave a brief history of the East Riverside Urban Renewal Project stating that it was originally conceived in 1966 and is the largest single project in the Southeast.

Mr. Larry Holt, Deputy Executive Director of the Asheville Housing Authority, explained the procedures the Asheville Housing Authority would need to follow in order to close out the East Riverside Urban Renewal Project. He reviewed a letter asking the City to concur in the submittal of a preliminary request for financial settlement of the East Riverside Urban Renewal Project.

Councilwoman Price moved to authorize the Mayor to sign the letter concurring in the submittal of a preliminary request for financial settlement of the East Riverside Urban Renewal Project (NC R-48) upon staff review. This motion was seconded by Councilman Cole and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

4. The City Manager said that the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-75 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Asheville Paving Company for the project known as 1979-80 Paving Contract.

HIGHLIGHTS: On Tuesday, April 29, 1980, bids were opened and three (3) bids were received. Recommend low bid submitted by Asheville Paving Company in the amount of \$273,913.50.

Complete text of Resolution No. 80-75 will be found in Resolution Book No. 12 at page 89.

- B. Resolution No. 80-76 - Resolution of intent to close an un-named city street in West Asheville and calling a public hearing on the question for June 12, 1980.

HIGHLIGHTS: Ronald D. Brondyke, Attorney for the petitioner, Wachovia Bank & Trust Company, N.A., Executor under the Will of G. E. Crouch, deceased, is requesting that an un-named city street in West Asheville be closed. This street has never been opened and the estate of G. E. Crouch owns all the property on both sides of the street dead ending into the I-26 Connector right-of-way.

Complete text of Resolution No. 80-76 will be found in Resolution Book No. 12 at page 90.

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 1, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, the minutes of the May 1, 1980 meeting were approved as submitted.

ORDINANCE NO. 1167, AS AMENDED - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. Consideration was given to the second reading of Ordinance No. 1167, as amended, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, rezoning property at the corner of Yorkshire and Reed Streets.

The City Manager read the following letter:

"May 7, 1980

Asheville City Council
Asheville, North Carolina

Dear Sirs:

We, the members of Biltmore United Methodist Church, respectfully request that you postpone the second reading concerning the re-zoning of the property on Reed Street which is directly behind our church. We were unaware that a second reading was scheduled and that the original proposal had been amended. We need some more time to consider this matter. If you would postpone the second reading for one week, it would give us some opportunity to discuss this more thoroughly.

Respectfully,

s/ Henry C. Thompson
Minister

s/ W. A. Bostic, Jr.
Chairperson of Trustees"

Councilwoman Price moved to postpone the second reading of Ordinance No. 1167, as amended, for one week. This motion was seconded by Councilman Boland and carried unanimously.

CITY COUNCIL'S CONCURRENCE IN THE SUBMITTAL OF A PRELIMINARY REQUEST FOR FINANCIAL SETTLEMENT OF THE EAST RIVERSIDE URBAN RENEWAL PROJECT (NC R-48)

MR. ROBERTS - BEVERLY HILLS REZONING

Mr. Roberts inquired if Council was aware that Judge Thornberg had reconsidered his decision of March 27, 1980, on the case entitled Carmelite Sisters vs. the City of Asheville.

The Council stated that they were aware that Judge Thornberg did reconsider his decision on this date and that he made no change in his original ruling.

RALPH BISHOP

Mr. Ralph Bishop made comments about the Asheville Police Department and also about lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, the meeting was adjourned at 4:35 p.m.

MAYOR

CITY CLERK

- C. Budget amendment amending the City of Asheville Second and Fourth Year Community Development Budgets.

HIGHLIGHTS: This budget amendment would reprogram available funds for the completion of engineering costs of Chestnut Street Fire Line and close-out the Fourth Year Community Development Administration Project (\$10,723).

Mr. Michalove said in the future no budget amendments would be on the consent agenda as requested by Councilman Wilkes.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the items on the consent agenda were unanimously adopted.

PROGRESS REPORT ON DEMOLITION OF 48 BLALOCK AVENUE AND 53 BLALOCK AVENUE

Councilman Wilkes asked for a progress report relative to the demolition of 48 Blalock Avenue and 53 Blalock Avenue.

Mr. J. E. Johnson, Chief Building Inspector, reported that three weeks ago Mr. Ted Freck, owner of 48 and 53 Blalock Avenue, had made considerable repairs on these homes. He said that last week Mr. Freck had an accident and had been unable to make any repairs this week. Mr. Johnson said that he would inspect these houses again next week and report back to Council on the progress being made.

PROGRESS REPORT RELATIVE TO THE CITY'S INVOLVEMENT IN THE SELLING OF PERSONAL PROPERTY

Councilman Boland asked for a progress report relative to the City's involvement in the selling of personal property.

Corporate Counsel William C. Moore said that a letter was written last week to the Attorney General questioning the City's authority and he said as soon as a reply was received, he would report to Council.

CLAIMS - W. F. KRICKHAN, DONALD GREEN, AND JUDY S. HUMMEL

The City Manager presented claims received from W. F. Krickhan, Donald Green and Judy S. Hummel.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - NURSING HOME WEEK

Mayor Trantham proclaimed the week of May 11-18, 1980 as "Nursing Home Week in the City of Asheville."

PROCLAMATION - SMALL BUSINESS WEEK

Mayor Trantham proclaimed the week of May 11-17, 1980 as "Small Business Week."

PROCLAMATION - SENIOR CENTER WEEK

Mayor Trantham proclaimed the week of May 11-17, 1980 as "Senior Center Week."

RESOLUTION ENDORSING THE AREAWIDE ACTION PROGRAM UPDATE FOR FISCAL YEAR 1980-81

3. Vice-Mayor Morris stated that since Council had not had an opportunity to review these plans thoroughly, he asked that this resolution be placed on the agenda for next week.

RESOLUTION NO. 80-77 - RESOLUTION RELATING TO THE ADJUSTMENT IN THE RENTAL RATE STRUCTURE FOR THE ASHEVILLE CIVIC CENTER COMPLEX

4. Consideration was given to a resolution relating to the adjustment in the rental rate structure for the Asheville Civic Center.

The City Manager read the resolution.

Mr. Barry Ogrin, Civic Center Director, explained that this resolution would basically move the rates up on Fridays, Saturdays, Sundays and Holidays to try and encourage more local activities through the week days, thus freeing up dates on weekends for commercial activity. He said that this adjustment is anticipated to generate an additional \$42,000 in revenue for the Civic Center if they continue the same amount of activity as in their previous year. He said that these rates would become effective 7-1-80.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-77 was unanimously adopted.

Complete text of Resolution No. 80-77 will be found in Resolution Book No. 12 at page 91.

RESOLUTION NO. 80-78 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH BURMEISTER, WRIGHT AND ASSOCIATES, P.A. TO CONDUCT TWO ENGINEERING STUDIES AT BEE TREE LAKE

5. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Burmeister, Wright and Associates, P.A. to conduct two engineering studies at Bee Tree Lake.

The City Manager read the resolution and explained that this is a contract for an engineering study on ways to widen the spillway at the Bee Tree Lake Dam and to study the feasibility of using the Bee Tree Lake Reservoir as an additional water source for the City of Asheville Water System.

Upon motion of Councilman Boland, seconded by Councilwoman Price, Resolution No. 80-78 was unanimously adopted.

Complete text of Resolution No. 80-78 will be found in Resolution Book No. 12 at page 93.

BUDGET AMENDMENT AMENDING THE WATER AND SEWER CAPITAL CONSTRUCTION BUDGET

6. Consideration was given to a budget amendment amending the Water and Sewer Capital Construction Budget.

Mr. Dean Yancey, Assistant Director of the Water & Sewer Services Department, explained that this budget amendment would upgrade the Oak Crest Sewer Line and the Ravenna Street Sewer Line. He said that both of these projects were on the list to upgrade, but because surplus funding was available, the Water & Sewer Services Department decided to do the upgrading at this time.

Thursday, May 15, 1980 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Ralph D. Morris, Presiding; Councilwoman Norma T. Price; Councilmen Walter R. Boland, Harold F. Brownlee, F. Jack Cole, H. C. Wilkes; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 8, 1980 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, the minutes of the May 8, 1980 meeting were approved as submitted.

ORDINANCE NO. 1167, AS AMENDED - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. Consideration was given to the second reading of Ordinance No. 1167, as amended, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, rezoning property at the corner of Yorkshire and Reed Streets.

The City Manager read the following letter:

"May 14, 1980

Asheville City Council
Asheville, North Carolina

Dear Sirs:

We, the members of Biltmore United Methodist Church, wish to thank you for your kind and thoughtful consideration dealing with the re-zoning of the property directly behind our church. After reflecting upon the matter, we have no objection to its being re-zoned to R-4.

Once again we wish to thank you for amending this proposal. We want you to know that if we can be of any help to you as you proceed with your fine work, we are available.

Respectfully,

s/ W. A. Bostic, Jr.
Chairperson of Trustees

s/ Henry C. Thompson
Minister"

Vice-Mayor Morris said that the ordinance was previously read on its first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1167, as amended, was passed on its second reading.

William D. Britt
 William D. Britt, Chairman
 Buncombe County Board of Election

Sworn to and subscribed before
 me this 12 day of May, 1980.

Ruth E. Austin
 Notary *Expire 3-8-1983*

Corporation Counsel Moore advised Council that they had the following two alternatives:

- 1) Repeal Ordinance No. 1084, at the next regular Council meeting on May 22, 1980.
- 2) Call for a special election for the purpose of allowing the electorate to decide whether or not Ordinance No. 1084 should be repealed.

Corporation Counsel Moore advised Council that in either case, they should at this time take the following action:

- 1) By resolution, suspend operation of Ordinance No. 1084 until Council has an opportunity for reconsideration.
- 2) By motion, set a public hearing for May 22, 1980 at 4:00 p.m. for the purpose of Council to either consider the repeal of Ordinance No. 1084 or the calling of a special election for the purpose of allowing the electorate to make this decision.

The City Manager read the resolution.

Mr. Dick Wood, attorney for the developer, requested Council to inquire as to whether the Board of Elections used the registration books as of the last municipal election as opposed to the date of the certification, in order to ascertain whether or not the petition was signed by the registered number of voters.

Vice-Mayor Morris stated that the Council would contact the Board of Elections by May 22, 1980, and inquire about Mr. Wood's request.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-79 was unanimously adopted.

Councilman Wilkes moved to set a public hearing for May 22, 1980, at 4:00 p.m. for the purpose of considering the repeal of Ordinance No. 1084 or for the calling of a special election for the purpose of allowing the electorate to decide whether or not to repeal Ordinance No. 1084. This motion was seconded by Councilman Brownlee and carried unanimously.

Complete text of Resolution No. 80-79 will be found in Resolution Book No. 12 at page 94.

Councilman Wilkes moved to approve the budget amendment as presented by Mr. Yancey. This motion was seconded by Councilman Brownlee and carried unanimously.

REPORT TO CITY COUNCIL ON INFORMATION RECEIVED FROM THE CHAIRMAN OF THE BUNCOMBE COUNTY BOARD OF ELECTIONS RELATIVE TO THE RESULTS OF A PETITION PROTESTING THE PASSAGE OF ORDINANCE NO. 1084, AN ORDINANCE REZONING THE PROPERTY NEAR THE INTERSECTION OF N. C. 191 AND BEAR CREEK ROAD FOR A PROPOSED MALL

7. Vice-Mayor Morris asked the City Clerk to read the following report:

BUNCOMBE COUNTY BOARD OF ELECTIONS

William D. Britt, Chairman
 Rupert L. Dillingham, Secretary
 Jane E. Youngblood, Republican Member
 Sonja E. Friedrich, Supervisor of Elections

P.O. Box 7632
 Asheville, N.C.
 28807
 Courthouse Annex
 Phone 255-5123

I, William D. Britt, Chairman of the Buncombe County Board of Elections, do hereby certify that the amended Petition submitted to this Board by Chandler Gordon on May 1, 1980 which states, "We, the undersigned, being registered voters of the City of Asheville, protest against the passage of the ordinance rezoning the property near the intersection of N.C. 191 and Bear Creek Road for a proposed Westland Mall." was examined and the Board has determined that there were 4,320 signatures of registered voters of the City of Asheville. In as much as Chapter 313 of the Session Laws of 1969 amendment to the Chapter 121, Private Laws of 1931 requires that such a petition must be signed by fifteen percent (15%) of the number of registered voters of the City of Asheville and that on May 1, 1980 there were Twenty-six thousand, seven hundred and sixty-eight (26,768) registered voters in the City of Asheville, I hereby deem the above cited Petition to be sufficient.

- D. Approval of bids received April 25, 1980, for one industrial type rubber tired tractor/loader with "4 in 1" bucket to be used in Sanitation Division.

HIGHLIGHTS: Two (2) bids were received. Director of Public Works and Purchasing Agent recommend the low bid submitted by Arden Equipment Company in the amount of \$19,550. Account Code 50-428.0074.

- E. Approval of bids received March 28, 1980, for lawn and weed mowers for Park Maintenance, Malvern Hills and Walton Street Pools, and Riverside Cemetery.

HIGHLIGHTS: Four (4) bids were received. Superintendent of Parks and Recreation Department and Purchasing Agent recommend bid be awarded to the lowest bidders on a per-item basis: Porter Brothers for 1 Flair Mower in the amount of \$1,219 and E. J. Smith & Sons for 9 Weedeaters and 4 Commercial Mowers in a total amount of \$3,069.64. Sufficient funding is available in the General Revenue Sharing Trust Fund, Parks and Recreation Department, Capital Outlay Equipment.

Upon motion of Councilman Boland, seconded by Councilwoman Price, the items on the consent agenda were unanimously adopted.

PROCLAMATION - NATIONAL PUBLIC WORKS WEEK

Vice-Mayor Morris proclaimed the week of May 18-24, 1980 as "National Public Works Week."

PUBLIC HEARING - GENERAL REVENUE SHARING FUNDS

City Manager Michalove stated the the City Council will hold a public hearing on May 22, 1980, at 3:45 p.m. in the Council Chambers, for the purpose of discussing the proposed uses of General Revenue Sharing Funds for Fiscal Year 1980-81. He said the City of Asheville will receive approximately \$1,329,498 in General Revenue Sharing Funds and has \$240,000 in unappropriated General Revenue Sharing funds.

RESOLUTION NO. 80-80 - RESOLUTION AUTHORIZING THE MAYOR TO ASSURE THE STATE OF NORTH CAROLINA THAT PRESENT SCHEDULES OF RATES AND FEES ARE ADEQUATE AND WILL BE MAINTAINED FOR THE OPERATION, MAINTENANCE AND ADMINISTRATION OF WATER SUPPLY SYSTEM IMPROVEMENTS TO BE MADE IN THE AVERY CREEK SANITARY DISTRICT UNDER THE SUBJECT PROJECT

Consideration was given to a resolution authorizing the Mayor to assure the State of North Carolina that present schedules of rates and fees are adequate and will be maintained for the operation, maintenance and administration of water supply system improvements to be made in the Avery Creek Sanitary District under the subject project.

Upon request of Vice-Mayor Morris, the City Manager said the following statement would be included in the resolution:

Councilwoman Price asked Mr. Wood if he would notify Council in the event the developer was no longer interested in this property at a later date, prior to the time Council will make a decision concerning this matter.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said that the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve those items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Approval of bids received May 5, 1980, for ductile iron pipe for the Water Maintenance and Construction Division.

HIGHLIGHTS: Four (4) responsive bids were received. A fifth bid was received, but disqualified due to improper bid deposit. Assistant Superintendent of Water Maintenance and Construction Division and Purchasing Agent recommend the fully responsive second low bid submitted by Municipal & Utility Supply at \$4.10 per ft., totaling \$4,428. Sufficient funding is available from the Water & Sewer Department Operations Warehouse Inventory, Account No. 30-140.

- B. Approval of bids received April 25, 1980, to furnish and install full circulating book detection system, Pack Memorial Library, 67 Haywood Street.

HIGHLIGHTS: Three (3) bids were received; however, only one of the three is fully responsive to bid specifications. Director of Libraries and Purchasing Agent recommend the fully responsive bid submitted by Minnesota Mining and Manufacturing Company in the amount of \$12,799. Source of funding for this purchase is Library generated revenues from sale of fixed assets. Capital Outlay Equipment, Account Code 51-30-450.0074.

- C. Approval of bids received April 25, 1980, for Solid Waste Collection System, Swacar or Equal, for Sanitation Division.

HIGHLIGHTS: This Solid Waste Collection System includes a towing vehicle, lift and dumping mechanism and trailer. Western Carolina Tractor Company, Swacar Dealer in this area, submitted the only bid. The bid was quoted F.O.B. Asheville, \$21,818 or F.O.B. factory, Valdosta, Georgia, \$21,318. Director of Public Works and Purchasing Agent recommend acceptance of the lower factory price at \$21,318, our pick-up at Valdosta, Georgia. Sufficient funds are available for the above expenditure (50-15-428.0074).

Vice-Mayor Morris referred the claims to the Corporation Counsel for investigation and recommendation.

DON ROBERTS - CHAIRMAN OF THE BEVERLY HILLS HOMEOWNERS ASSOCIATION - BEVERLY HILLS REZONING

Mr. Don Roberts, Chairman of the Beverly Hills Homeowners Association, requested that the Beverly Hills Homeowners Association be permitted to represent the City on an appeal of Judge Thornberg's recent ruling of the case entitled Carmelite Sisters vs. the City of Asheville and that the property owners furnish the lawyer and pay his fee.

Councilman Wilkes said that he would not support an appeal due to legal advice by Corporation Counsel.

Vice-Mayor Morris asked for a motion and not receiving one, declared that the request was denied.

RALPH BISHOP

Mr. Ralph Bishop made comments relative to the Chief of Police.

ADJOURNMENT

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, the meeting adjourned at 5:08 p.m.

ORDINANCE NO. 1168 - AN ORDINANCE REPEALING ORDINANCE NO. 1084, AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. A public hearing was held relative to considering the repeal of Ordinance No. 1084, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property near the intersection of N. C. 191 and Bear Creek Road or the calling of a special election for the purpose of allowing the electorate to decide whether or not to repeal Ordinance No. 1084.

Mayor Trantham opened the public hearing at 4:08 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Thursday - May 22, 1980 - 3:45 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, H. C. Wilkes, and Harold F. Brownlee, Acting Corporation Counsel Robert J. Robinson, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William C. Moore (out-of-town on vacation)

INVOCATION

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 15, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the May 15, 1980 meeting were approved as submitted.

PUBLIC HEARING - GENERAL REVENUE SHARING FUNDS FOR FISCAL YEAR 1980-81

2. A public hearing was held relative to discussing the proposed uses of General Revenue Sharing Funds for Fiscal Year 1980-81.

Mayor Trantham opened the public hearing at 3:54 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Bob Wurst, Budget Director, explained that the General Revenue Sharing guidelines require that a public hearing be held to discuss proposed uses of the funds anticipated for Fiscal Year 1980-81. He said the present Revenue Sharing budget includes only two quarters of Revenue Sharing funds for 1980-81 due to the uncertainty of the continuation of funding. He said the total Revenue Sharing budget is currently anticipated at \$969,498 which includes \$240,000 of prior year's carry over. He said the funds would be used for Police Pensions in the amount of \$722,450; Contingency, \$180,000; and Capital Outlay in the amount of \$249,426. He highlighted the uses for Capital Outlay.

Councilman Cole said he did not like the idea of using Revenue Sharing funds to fund the Police Pensions. He said the pensions should be funded from a more secure source.

Mayor Trantham closed the public hearing at 4:00 p. m.

RECOGNITION OF CHARLOTTE HUTCHISON AND BETH MYERS - GRADUATING FROM MUNICIPAL ADMINISTRATION COURSE AT THE INSTITUTE OF GOVERNMENT

3. The City Manager recognized Charlotte Hutchison and Beth Myers for graduating from the Municipal Administration Course at the Institute of Government. Beth Myers is the Assistant Director of Parks and Recreation and Charlotte Hutchison is a Research Analyst.

Attorney Richard Wood: "Should for any reason circumstances change and should my clients be able to renew their options, they would hope at some future appropriate date, as permitted by our Zoning Ordinance, to ask City Council to again consider this matter, because of their faith in the future of this community and the benefits which Westland Mall would bring to the City of Asheville and all of Western North Carolina."

(Continued)

(END OF VERBATIM TEXT BY RICHARD WOOD)

Chandler Gordon, spokesman for the petitioners protesting the passage of Ordinance No. 1084, suggested that the City Attorney be instructed to investigate the possibility of rewriting the sections of the City Charter dealing with the procedures to be taken for citizen action in obtaining protest petitions. He said the procedures as they are now written are confusing and should be written in "plain English."

Herman Medler said Council should have better news coverage of their actions and Council should encourage more citizen input before making decisions. He said the news media did not cover the "Westland Mall issue" as accurately as they should have.

(VERBATIM TEXT)

Councilman Boland: "Mr. Mayor, I think that Mr. Jones and certainly Mr. Wood should be commended for the position they have taken. I opposed, as you know, the rezoning decision, but I am certainly happy that you made this decision, decided not to oppose the repeal. I think to go ahead with this would cause substantial conflict in the community. I think Dick mentioned also substantial cost with regard to a referendum. I would like to commend you for your thoughtfulness and consideration."

Mayor Trantham: "I concur with that Walt, I have never had the experience of working with two nicer people as I have had with Mr. Jones and Mr. Wood. They have been very fair and very considerate and we appreciate it."

(END OF VERBATIM TEXT)

Mayor Trantham closed the public hearing at 4:16 P.M.

(VERBATIM TEXT)

Vice Mayor Morris: "In light of the fact that the petitioners seem to have no objection, certainly the folks who fought this thing so hard will have no objection, I would like to make a motion to repeal Ordinance No. 1084 which reads as follows:"

Vice Mayor Morris then read Ordinance No. 1168, an Ordinance repealing Ordinance No. 1084, an Ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended.

Vice Mayor Morris: "I move the adoption of this Ordinance."

In reviewing the background of Ordinance No. 1084, the City Manager said on March 27, 1980, Council adopted Ordinance No. 1084, an ordinance rezoning property at the intersection of N. C. 191 and Bear Creek Road from R-3 Residential District to CH Commercial Highway District. The property was requested to be rezoned for the purpose of constructing the Westland Mall. On May 15, 1980, the City Council received, in accordance with Section 84 of Chapter 121 of the Private Laws of 1931, as amended by Chapter 313 of the Session Laws, of 1969, a petition protesting the passage of Ordinance No. 1084 and William D. Britt, Chairman of the Buncombe County Board of Elections, certified, by written communication, that said petition was signed by 4,320 registered voters and satisfies the requirements of the aforesaid laws. He said Council must now decide whether to repeal Ordinance No. 1084 or call for a special election for the purpose of allowing the electorate to decide whether or not to repeal Ordinance No. 1084.

(V REBATE TEXT)

Attorney Richard Wood: "Mr. Mayor and Members of the City Council, one of my clients, Mr. Seby Jones is present today but does not anticipate making a statement. Mr. Jones and Mr. Henry Faison have requested that I make the following statement on their behalf.

"First, Mr. Jones and Mr. Faison have asked that I express to you their appreciation for the courtesy and cooperation which has been given to them by the Council and the City's professional staff over the last almost two years.

"My clients recognize the difficulties which they would face in a referendum election on the rezoning of the Westland Mall property in light of developments in Asheville during recent weeks and what they frankly feel has been a substantial amount of misinformation circulated in our community concerning the Westland Mall. Moreover, they have no desire to impose on the taxpayers of Asheville the cost of such an election, estimated at \$10,000.00 to \$15,000.00. For these reasons, they are prepared to abide by any decision the City Council sees fit to make today concerning the repeal of Ordinance No. 1084.

"I would like to add that Mr. Jones and Mr. Faison are experts in this business of shopping center development and make no apology to anyone for that fact.

"It is their frank opinion that a major regional mall will be built in or near the City of Asheville in the next several years. The desires of major national and regional tenants determine to a large extent the location of such a shopping center. Knowing these major tenants as they do, they sincerely believe that it is most likely that this regional mall will now be built outside the city limits of Asheville, which they and I regret very much because they have looked forward to being substantial tax-paying members of our business community and providing some 1,800 jobs for the Asheville area.

Vice Mayor Morris:
(Continued)

"having a park in a certain neighborhood. What I am saying is that this Council has gone through an extremely discouraging period. We have had this group of people opposed to the Westland Mall. We have, almost on a regular basis, I assume people here today, opposed to a mall downtown. We have a group of people that were here with us within the last two weeks that was opposed to an apartment development in the Beverly Hills area or on the fringe of it. These people work extremely hard. The thing that is so discouraging, as we sit in the Council Chambers and sit on this Board and have to make decisions, is that we do not see any group of people that are working nearly so hard for anything as we do people who are working against things. I think if the same effort was made to work for something that has been put into this effort to work against something that Asheville is going to be a wonderful place to live."

Councilman Cole:

"Mr. Mayor, I would just like to make a comment following Vice Mayor Morris' remarks in a sense that I had thought perhaps if the citizens did come up with a petition to hold a referendum to vote relative to the Westland Mall, it would perhaps have been wise at that same time to put on the same ballot a vote for downtown, that the citizens of Asheville would support pledging the good faith and tax of the City of Asheville to support the Downtown Mall. My great regret is that we probably would lose both of them and that is the problem I think we have at this time. It seems that the "againers" are the majority at this time. In many cases, I just feel that the City of Asheville, the Council particularly, needs some encouragement because we sit up here week after week and listen to opposition to this, opposition to that, and it is rather trying. As a matter of fact, I guess after this Council goes through the procedure of annexing some additional citizens to become part of our City, we can look forward not to be re-elected next time. I would say to the members of Council, let's have courage and do the work that must be done to put this City on the path that it needs to go in the future generations down the road."

Councilman Wilkes:

"Mr. Mayor, can I make just one comment. I am just burning up. I have to make one comment. A young person came before this microphone a few days ago and that person said he loved Asheville and he could think of no other place to live, but he would like to see Asheville stay just as it is. That is utterly impossible. In order to love, one must be willing to give. Now, people come up and tell me they love Asheville, but they are not willing to give anything for Asheville. Some concessions have to be made in order that Asheville might grow. You can give without loving, but it is impossible to love without giving. I think the planners of this City, I think the City Councilpersons have done a lot of giving. We have been called names when it was unnecessary to be called names because we are doing what we feel is for the best interest of the City that it might grow, that it might be this lovely

Councilman Cole:

"Mr. Mayor, I would like to second this motion and in seconding the motion, I would like to make a comment to the effect that I regret, in a sense, that we have come to this point of having to rescind this. Earlier we have looked at the necessity of using Revenue Sharing funds to pay for Police Pension, something that should not be done, which emphasizes clearly the great need that we have for increased tax base for the City of Asheville and reaffirms the strength and the effect that Council is taking here lately to extend the City Limits of the City of Asheville to take in additional area in order to increase our tax base that we can really provide the services to the public which we need. Now we are, by the withdrawal of this Westland Mall, we are losing 1800 jobs and a tax base that the City of Asheville badly needs and there will be a shopping center built somewhere in the vicinity of Asheville, but it may not be within the City. So this emphasizes the problem that we, as a Council, have in trying to come up with money to provide the services to the citizens of Asheville we, as members of Council, know that over the next weeks we will be hearing from quite a number of people who we are going to invite to become citizens of our City and they are going to have some objections to this naturally, but this Council must have courage to carry out the convictions so I will second this motion Mr. Mayor and suggest we proceed."

On a roll call vote of 7-0, Ordinance No. 1168 passed on first reading.

Vice Mayor Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1168. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1168 passed on second reading.

Vice Mayor Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1168. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1168 passed on third and final reading.

Complete text of Ordinance No. 1168 will be found in Ordinance Book No. 9 at page 120.

Betty Lawrence spoke relative to a mall being built in the City of Asheville stating that a thorough study needs to be made of any proposed project for the City of Asheville.

(VERBATIM TEXT)

Vice Mayor Morris:

"Let me make a statement, if I may, within this last month, we have had a group of property owners, very irate property owners, complaining because someone has suggested that there be an apartment complex built. We have a group opposed to

RESOLUTION NO. 80-83 - RESOLUTION ENDORSING THE AREA WIDE ACTION PROGRAM UPDATE FOR FISCAL YEAR 1980-81

6. Consideration was given to a resolution endorsing the Areawide Action Program Update for Fiscal Year 1980-81.

The City Manager read the resolution and said this is a plan for long-range capital improvement projects.

Upon motion of Councilman Boland, seconded by Councilwoman Price, Resolution No. 80-83 was unanimously adopted.

Complete text of Resolution No. 80-83 will be found in Resolution Book No. 12 at page 99.

ORDINANCE NO. 1167 - AS AMENDED - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property at the corner of Yorkshire and Reed Streets)

7. Consideration was given to the third and final reading of Ordinance No. 1167, as amended, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning proeprty on the corner of Yorkshire and Reed Streets.

"place that you want to live. We can't ~~sell~~ these leaves, they bring in no revenue. They are beautiful and we want to retain as much of our natural estate as we possibly can, but we also want to build for Asheville a good relationship between its people and its governing body; therefore, it must be a two-way street. Thank you, Mr. Mayor."

Mayor Trantham:

"I would like to close out by making a statement I made this morning to 'Cool Green Asheville.' Last week I went to a National Conference in San Diego, California, and I had the pleasure of visiting the downtown - what there was of it. I visited a leather shop in old San Diego. You talk about deterioration and run down, there is nothing there but crime. The owner of this shop asked me where we were from - he knew we were country boys. I told him and went on to tell him that the population of Asheville was about 60,000. I told him about the beauty we have here and what we have to offer people and he said 'My God, man is there a place up there I can move to?' I said 'Well, certainly' and he said 'I'd give anything in the world to get out of this place.' The hotel we stayed in was quite a few miles outside the City and there is nowhere to go when you attend a conference in one of those cities. You talk about Asheville deteriorating and being run down. Asheville is in good shape ~~in comparison to some of these~~ in comparison to some of these other cities. We have three shopping centers floating around wanting to come to the City of Asheville. We should feel proud of that and the fact they are that much interested in the City of Asheville. I concur with Vice Mayor Morris that we should have something good that people like. It is discouraging to come to Council time and time again and run into opposition on everything that comes up that would increase the tax base, provide service, and accumulate a good tourist town like the City of Asheville is, always has been and always will be. But we have to have things to attract people. We have to have good housing. We have to have good shopping areas. But when everything is turned down that we try to do, it is discouraging as the devil. I just wanted to brief you on the good shape Asheville is in. If you visit some of these other cities, you will appreciate what we do have here. Thank you."

CERTIFICATE OF APPOINTMENT OF COMMISSIONER - HOUSING AUTHORITY OF THE CITY OF ASHEVILLE (Reappointment of Mrs. Earl Shook, Jr.)

10. Mayor Trantham presented a Certificate of Appointment reappointing Mrs. Earl Shook, Jr. as a Commissioner of the Housing Authority of the City of Asheville to serve for a term of five (5) years, ending June 16, 1985.

Certificate of Appointment will be found in Resolution Book No. 12 at page 103.

REQUEST FROM THE BUNCOMBE COUNTY JAYCEE FAIR ASSOCIATION - PERMISSION TO CONDUCT FAIR AT THE NEW ASHEVILLE SPEEDWAY ON AMBOY ROAD.

11. The City Manager read a letter from Mr. Larry Wright, President of the Buncombe County Jaycee Council, requesting permission to conduct a "County Fair" at the New Asheville Speedway on Amboy Road from July 23 - July 27, 1980. He said the Jaycee's will comply with all requirements of the Revenue Ordinance governing such fairs.

After discussion, Vice-Mayor Morris moved to grant the Buncombe County Jaycee Fair Association permission to conduct a "county fair" at the New Asheville Speedway on Amboy Road from July 23 - July 27, 1980. This motion was seconded by Councilman Cole and carried unanimously.

CLAIM OF MRS. RAMSEY - INQUIRY OF COUNCILWOMAN PRICE

Councilwoman Price said she had received an inquiry from a Mrs. Ramsey relative to the City's procedure in reimbursing someone for damages. She said Mrs. Ramsey received damages to her automobile by hitting an unprotected manhole.

The City Manager said he would investigate the claim and report back to Council within two weeks. He said he would also have the city staff contact Mrs. Ramsey relative to her claim.

PROPOSED ANNEXATIONS- BUS SERVICE TO INDUSTRIES

Councilman Boland requested, in light of several proposed annexations and due to the energy shortage, that the City staff explore the possibility of contractual agreements between the Asheville Transit Authority and the major industries in the areas proposed to be annexed, providing transit services for the employees in these areas. He said the study could be carried out on a tentative basis.

CLAIMS - JACKIE PRAYTOR - JOE ANTHONY WYNN - JOHN D. DAVIS, JR. - CLAUDE HAYDEN

The City Manager presented claims for damages from Jackie Praytor, Joe Anthony Wynn, John D. Davis, Jr. and Claude Hayden.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

Mayor Trantham said the ordinance was previously read on first and second readings and will not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1167, as amended, passed on third and final reading.

Complete text of Ordinance No. 1167, as amended, will be found in Ordinance Book No. 9 at page 119.

RESOLUTION NO. 80-84 - RESOLUTION AUTHORIZING THE CITY MANAGER OF THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACTUAL AGREEMENT WITH THE BLUE RIDGE COMMUNITY MENTAL HEALTH CENTER TO PROVIDE A WIDE RANGE OF MENTAL HEALTH AND RELATED SERVICES TO EMPLOYEES WHO ARE MEMBERS OF THE CLASSIFIED AND ADMINISTRATIVE SERVICES OF THE CITY OF ASHEVILLE

8. Consideration was given to a resolution authorizing the City Manager of the City of Asheville to enter into a contractual agreement with the Blue Ridge Community Mental Health Center to provide a wide range of mental health and related services to employees who are members of the classified and administrative services of the City of Asheville.

The City Manager read the resolution.

Sam Graves, Director of Employee Services, highlighted the agreement stating that the agreement would provide professional psychological and psychiatric mental health services to be administered in conjunction with the Asheville Police Department employment selection and screening procedures and on-going personnel support services.

Upon motion of Councilman Wilkes, seconded by Councilman Cole, Resolution No. 80-84 was unanimously adopted.

Complete text of Resolution No. 80-84 will be found in Resolution Book No. 12 at page 100.

RESOLUTION NO. 80-85 - RESOLUTION AUTHORIZING NOTICE OF INTENT TO LEASE THE PAVILION AT THE ASHEVILLE RECREATION PARK TO JACK AND MITZI TESSIER

9. Consideration was given to a resolution authorizing notice of intent to lease the Pavilion at the Asheville Recreation Park to Jack and Mitzi Tessier.

The City Manager read the resolution.

Ray Kisiah, Director of Parks and Recreation, said this lease agreement would allow the Tessiers' to operate "Mama T's in the Park" from May 31, 1980 through October 25, 1980. He said the Tessiers' used the pavilion at the park last year on a trial basis and this lease agreement would satisfy the legal requirements of the City Charter and State Statutes in leasing city property.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-85 was unanimously adopted.

Complete text of Resolution No. 80-85 will be found in Resolution Book No. 12 at page 102.

PROCLAMATION - NATIONAL INSURANCE WOMEN'S WEEK - MAY 18-24, 1980

Mayor Trantham proclaimed the week of May 18-24, 1980 as National Insurance Women's Week.

PROCLAMATION - RESCUE MISSION WEEK - MAY 25 - 31, 1980

Mayor Trantham proclaimed the week of May 25-31, 1980 as "Rescue Mission Week."

Councilman Cole said perhaps the Rescue Mission could help to solve the problem of those people who continuously loiter around Pritchard Park.

After discussion, the City Manager said he would explore several alternatives to deal with the people loitering around Pritchard Park and report his alternatives to Council. He said from his past investigations the Asheville Police Department is doing everything they legally can to correct the situation.

DISCUSSION RELATIVE TO PROPOSED ANNEXATIONS - MR. MILES BOSWORTH

Mr. Miles Bosworth, Chief of the Haw Creek Fire Department, spoke briefly relative to the proposed annexation of property in the Haw Creek area. He said he would attend the public hearings relative to the annexations and let his thoughts be known.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again spoke to Council relative to the lottery peddlers running wide-open in the City of Asheville.

ADJOURNMENT

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, the meeting adjourned at 5:30 p. m.

RESOLUTION NO. 80-86 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH BURMEISTER, WRIGHT AND ASSOCIATES, P. A., TO CONDUCT AN ENGINEERING STUDY AT BEE TREE LAKE

Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Burmeister, Wright and Associates, P. A., to conduct an engineering study at Bee Tree Lake.

The City Manager read the resolution explaining that there is a need to conduct a study to make recommendations to correct the current deficiencies on the Bee Tree Lake spillway.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-86 was unanimously adopted.

Complete text of Resolution No. 80-86 will be found in Resolution Book No. 12 at page 104.

LETTER TO MR. AND MRS. WILLIAM JONES - THANKING THEM FOR DONATING PIANO TO THE SHILOH RECREATION CENTER

The City Manager read the following letter to Mr. and Mrs. William Jones from Ray L. Kisiah, Director of Parks and Recreation:

May 20, 1980

Mr. and Mrs. William Jones
72 Jeffries Avenue
Asheville, North Carolina 28803

Dear Mr. and Mrs. Jones:

It has come to my attention that you have donated a piano for use at the Shiloh Recreation Center. On behalf of the people who use the Shiloh Recreation Center, the City of Asheville and myself personally, I would like very much to express our appreciation to you for your generosity. Many people do not realize we do not have sufficient funds to purchase all the materials necessary for our Recreation Centers and it is only through donations such as yours that many recreation experiences can be realized by the people of this community.

Again, I would like very much to thank you for the donation of this piano and assure you that it will be used a great deal by the residents of the Shiloh area.

Sincerely yours,

Ray L. Kisiah, Director
Parks and Recreation

RLK:js

The City Manager said he wanted to share the letter with members of Council and publicly thank Mr. and Mrs. Jones for their donation.

Councilman Wilkes requested that the Mayor send a similar letter to Mr. and Mrs. Jones on behalf of the City Council.

RESOLUTION NO. 80-89 - RESOLUTION OF APPRECIATION AND COMMENDATION TO RALPH H. BISHOP

4. Consideration was given to a resolution of appreciation and commendation to Ralph H. Bishop, who retired from the City of Asheville after 32 years of service to the City.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Brownlee, Resolution No. 80-89 was unanimously adopted.

Complete text of Resolution No. 80-89 will be found in Resolution Book No. 12 at page 107.

PRESENTATION OF CITY OF ASHEVILLE BUDGET FOR 1980-81- SCHEDULING A PUBLIC HEARING ON THE BUDGET

5. The City Manager presented the City of Asheville Budget for Fiscal Year 1980-81 and requested that a public hearing be scheduled on the budget for June 12, 1980.

The City Manager highlighted the following budget message accompanying the budget for the City of Asheville for Fiscal Year 1980-81:

OFFICE OF
CITY MANAGER

May 29, 1980

The Honorable Mayor and
Members of City Council
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mayor and Members of Council:

Submitted herewith are the budget estimates for Fiscal Year 1980-81, which begins July 1, 1980. The budget was prepared according to the provisions of the Local Government Budget and Fiscal Control Act, as amended.

In accordance with this act, a copy of the budget will be filed in the office of the City Clerk, "where it shall remain available for public inspection until the budget ordinance is adopted." The act also requires that the City Clerk publish a statement that the budget has been submitted to the governing board and is available for public inspection in his office. The statement shall also give notice of the time and place of a required public hearing. As a matter of local practice, the budget ordinance requires three readings before adoption. The law requires that it be adopted "not earlier than ten days after the budget is presented to the board and not later than July 1, 1980." Changes may be made in the budget at any of the three readings.

In order to give you and the public a mental image of the size and complexity of our operations, the following is a brief summary:

The Asheville city government is a large diversified enterprise that provides services not only to residents of the City of Asheville, but to all of Western North Carolina. Major services which extend beyond the city limits include: the Water Department, serving 33,000 customers and several municipalities with an average of over 20 million gallons of water a day; the Civic Center, serving over 500,000 patrons annually; the Parks and Recreation Department, with facilities such as Bee Tree Lake, Municipal Golf Course, Aston Park Tennis Courts, and Recreation Park; Asheville Transit Authority bus service, which served 1,764,331 passengers and traveled 746,055 miles in 1979; and Planning, which includes zoning in the one mile perimeter.

In addition to the fact that City services spill over into areas outside the city limits, there are some other significant

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, and Harold F. Brownlee, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman H. C. Wilkes (out-of-town)

INVOCATION

The invocation was given by Councilman Harold F. Brownlee.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 22, 1980 meeting.

Upon motion of Councilman Cole, seconded by Councilman Boland, the minutes of the May 22, 1980 meeting were approved as submitted.

RESOLUTION NO. 80-87 - RESOLUTION OF APPRECIATION AND COMMENDATION TO S. L. "BUD" McHONE, JR.

2. Consideration was given to a resolution of appreciation and commendation to S. L. "Bud" McHone, Jr., who is retiring from the City of Asheville after 34 years of service to the City.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Morris, Resolution No. 80-87 was unanimously adopted.

Complete text of Resolution No. 80-87 will be found in Resolution Book No. 12 at page 105.

RESOLUTION NO. 80-88 - RESOLUTION OF APPRECIATION AND COMMENDATION TO CHARLES G. BUCKNER

3. Consideration was given to a resolution of appreciation and commendation to Charles G. Buckner, who retired from the City of Asheville after 28 years of service to the City.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 80-88 was unanimously adopted.

Complete text of Resolution No. 80-88 will be found in Resolution Book No. 12 at page 106.

However, I have been able to balance the budget without a tax increase, since both the City Council and I firmly believe that ad valorem taxes should be raised only as a last resort. The following guidelines were followed in balancing this year's budget:

- 1) That the City has a right to a fair return on investment for the ownership and operation responsibilities associated with its countywide water system;
- 2) That the City Council work program be considered in the budget preparation. The complete program is contained on page 16, exhibit A;
- 3) That the City Council decisions in response to a list of questions displayed on page 19, exhibit B, be followed in balancing the budget;
- 4) That the City Manager's service delivery philosophy statement listed on page 21, exhibit C, be followed in balancing the budget. Some of the more important elements of this philosophy are:
 - a) The City should first provide direct public services to City residents, in the most efficient and effective manner possible.
 - b) Since we are a labor-intensive service organization, we should expect high employee performance standards and our pay and benefits should be competitive with those of local private industry and comparably-sized cities in North Carolina so that we can attract and retain the best qualified employees.
 - c) In making decisions regarding the provision and consolidation of governmental services, we should strive to protect property values and the investments of Asheville's residents and businesses.
 - d) Asheville is the county seat of Buncombe County, the seventh largest city in North Carolina, known worldwide as a tourist/convention center, the largest North Carolina city west of Charlotte, a leader in the growth of Western North Carolina and a progressive city. We should maintain that image and role.
 - e) We should either pay the cost of countywide services with revenues other than property taxes or else we should seek to transfer this burden

- 2 -

facts about the internal makeup and organization of the City of Asheville that are important to budgetary considerations. These are:

- 1) Our municipal services area is approximately 25 square miles;
- 2) We have over 400 miles of streets;
- 3) We serve over 60,000 people in over 20,000 dwellings and businesses, 24 hours a day, 7 days a week;
- 4) We have in excess of 1,000 full- and part-time employees in 13 major departments.
- 5) We support approximately 20 different boards and commissions;
- 6) We have a total annual budget of almost \$26 million, of which only \$6.8 million comes from ad valorem tax, based on a tax base of approximately \$774 million;
- 7) We have over 750 miles of water transmission lines — probably the largest such system in the state; and
- 8) The ad valorem property tax barely pays for police protection, fire protection and garbage collection.

In late January of each year we begin the formal process of preparing the City budget for the twelve-month period beginning July 1 and ending June 30. Thus we are forecasting the amount of money we will receive and spend some twelve to eighteen months into the future. In prior years the first estimate of the budget, completed around the end of April, contained all of the operating and capital costs that would be incurred if we were to provide all of the goods and services proposed by the department heads. However, I have implemented a major reorganization program this year and have placed direct financial and program responsibility on the department heads, setting target figures for each department to meet. While this restricted their freedom to ask for everything that they might consider desirable, it made their budget requests more realistic relative to available projected revenues. This is an important factor since, unlike the federal government, we must have a balanced budget each year.

Typically, what we would like to have in the way of services, equipment and employee benefits far exceeds the amount of money we can expect to receive. Even with the management changes mentioned above, this year was no exception. As of May 6, when we first discussed the budget, we were approximately \$1.4 million out of balance. An ad valorem property tax increase of 19.9¢ would have been required to raise this amount.

- 5 -

- b) The definitions of "disability" and "retirement age" in the 1939 Police Plan were changed by the 1979 General Assembly.
- c) The active and retired members of the 1939 Police Pension Plan voted in 1978 not to transfer their membership to LGERS or the Law Enforcement Officers Benefit and Retirement Fund (LEOBRF). However, the City Council will again sponsor seminars on the benefits of these plans during the month of June, 1980, in order for the active and retired members to vote on such a proposed transfer and in order for the City Council to consider how to fund the retired employees' request for a way of dealing with hardship cases and the effects of inflation on their set retirement incomes.
- d) The Fiscal 1980-81 actuarial funding requirement of the 1939 Plan is \$700,000 for about 107 active employees, which works out to a cost per employee of \$6,542, while the pension cost for all other city employees is \$890,860, which works out to approximately \$1,115 per employee.

In addition, the 1939 Police Pension Plan is funded under the federal General Revenue Sharing program, a source of funds which in itself is not guaranteed. By continuing this funding under the federal General Revenue Sharing program rather than funding the entire plan with local General Fund revenues, we have affected the fiscal policy of this and future City Councils.

- 2) Federal Program Capital Funds - (Model Cities, Community Development, Bureau of Outdoor Recreation, Urban Renewal, etc.) These funds have improved materially the quality of life in our City and slowed considerably the physical decay in numerous blighted areas that we would probably never have been able to improve otherwise. However, in the area of recreation projects alone, we will add \$300,000 to \$500,000 in continuing annual operational expense to support the facilities constructed with these funds. Examples are the Senior Opportunity Center, Shiloh Recreation Center, Montford Recreation Center, Burton Street Recreation Center and Livingston Street Recreation Center. These improvements brought about an important change in our recreational services philosophy. Now, in addition to our seasonal outdoor recreation programs, we have a new emphasis on large and expensive indoor recreation centers.

to appropriate governing bodies so that City property owners will no longer have to pay more than their fair share.

However, as worthy as these goals may be, there are certain realities over which we have no control. The budget process for Fiscal Year 1980-81 really began years ago with the decisions made then. Our status at this point in time reflects the policy and administrative decisions of this and previous City Councils and City Managers, and the attitudes and desires of the general public. This simply means that there are numerous activities in which we are now involved which we had no say in establishing but which we now have an obligation to continue. To dwell on whether those past decisions were good or bad would not be fruitful, but we should be aware of these decisions and their impact when making future fiscal and management plans. Remember, this budget generally reflects a time span of twelve months, but the final decisions we make this year will again perpetuate policy and administrative direction far into the future.

SOME MAJOR EXAMPLES OF BUDGETARY MATTERS AFFECTED BY PREVIOUS
MANAGEMENT/COUNCIL DECISIONS

- 1) 1939 Police/Fire Pension Plans - In Fiscal Year 1976-77, the City Council took a giant step forward by freezing these plans to current membership and beginning actuarial funding of the Police/Fire Pension Plans started in 1939. Up to this time, the funding has been on a "pay-as-you-go" basis, which did not materially affect the budget while employees were young and able. However, we were arriving at a point when the employees were reaching retirement age and disabilities were increasing, and the "pay-as-you-go" system would soon have put the City into a position of using very large amounts of operating money to fund the retirement benefits. It was a courageous and fiscally responsible action that City Council took in recognizing the need to provide actuarial funding for these retirement programs, to assure the employees of their benefits, and to save future administrations the disproportionate costs inherent in "pay-as-you-go" funding.

The status of these plans at this time is:

- a) Effective January 1, 1979, the employees and beneficiaries of the Fire Plan voted to change their retirement program to the North Carolina Local Governmental Employees Retirement System (LGERS).

- 6) Civic Center - The Civic Center has been and continues to be an excellent entertainment, cultural, and convention resource for all of Western North Carolina. However, the net operational and debt service cost borne directly by the City of Asheville for Fiscal Year 1979-80 amounted to over \$813,000, or 12¢ on the tax rate. Furthermore, the Civic Center supports about \$166,000 in costs directly associated with the Asheville Art Museum, the Colburn Mineral Museum, and the Asheville Symphony.
- 7) Property Tax, Water Rates, and Tax Base
- a) Our property tax rate is 97¢ per \$100 valuation. The Buncombe County tax rate is 83¢ per \$100 valuation. We have one of the highest city tax rates in the State of North Carolina. The difference in the two rates is equivalent to the cost of the countywide services and programs for which the City resident pays. A 1¢ increase in County taxes yields approximately \$200,000. A 1¢ increase in City taxes yields only \$70,473. The City tax base has not grown significantly in comparison with that of the County. (See exhibits D & E for a comparison of City and County tax rates and bases.)
- b) Our City water rate is one of the highest in the State of North Carolina. The rate outside the City is one of the lowest. This situation is not by City choice, but is mandated by a local act of the General Assembly, the Sullivan Act, which is the only such legislation in the State. This legislation requires the City to sell water outside the city limits at the same rate as inside the city limits. The practice in other city-owned water systems is to charge non-city customers two to three times the rate charged to city customers.

These are just a few of the inherited obligations that this City Council has assumed and with which it must contend.

SIGNIFICANT MATTERS PERTAINING TO REVENUES

The General Fund operates on revenues from fees and charges, ad valorem (property) taxes, local, state and federal grants, and state shared taxes.

The General Fund has been balanced showing no increase in the ad valorem (property) tax rate. The following information is a summary of significant matters pertaining to revenues that I feel the City Council should take into consideration:

- 1) The budget includes a payment of \$733,150 from the Water Fund to the General Fund. This represents approximately 10% of estimated Water Fund revenues.

- 6 -

- 3) Asheville Transit Authority (ATA) - The City of Asheville assumed the operation of the city bus system in 1967. Through federal grants and a bond issue, we gained a new building and new buses. From 1967 to 1970 our losses were zero. In 1979-80 our gross loss is estimated to be \$651,427, and our only salvation is the fact that in 1975 the federal government authorized a program to subsidize one-half of our operating loss.

For Fiscal Year 1980-81, the total operating loss is projected to be \$811,519 with the City's cost being \$486,519. This operating loss is growing every year with no realistic way to cut costs except to reduce service and/or increase fares.

We submitted an application to the federal government for a grant almost seven years ago to begin replacing our old buses. However, our request has not yet been granted. In the meantime, the price of a bus has increased from \$41,233 in 1974 to over \$120,000 today and there is an 18-month to 2-year delivery time. We have budgeted \$65,000 this year for matching the grant.

- 4) Governmental and Nonprofit Organizations - Many governmental and nonprofit organizations have chosen to locate inside Asheville city limits because of the services that the City provides. Unfortunately, these agencies do not pay any taxes which pay for these City services. On the other hand, tax-paying residential and business development is primarily taking place outside the city limits. This shows up in the rapid growth in the County's tax base as displayed in exhibit D.
- 5) Annexation Moratorium and Proposed Annexation - For more than four years, the City was under a local annexation moratorium imposed by the General Assembly. This moratorium denied the City the opportunity to annex urbanized unincorporated areas of the County which were developed and have prospered due in large part to their proximity to the City of Asheville and their access to needed City services.

This artificial restriction of Asheville's natural growth affects not only ad valorem tax receipts but also many state and federal shared revenues, since the allocation of such revenues is based on population growth, local tax effort, and the relative size and growth of our City compared to other cities and to the County. The annexation moratorium ended July 1, 1979. A plan to consider annexation of certain areas was presented at the staff/council budget work session on May 20, although the budget for 1980-81 is not dependent on annexation as a source of revenue.

- 1) An 8% pay schedule adjustment, effective July 1, 1980;
- 2) Individual position reallocations, where needed;
- 3) Individual pay grade adjustments, where needed;
- 4) An increase in the City's contribution to Social Security from 6.13% of salary to 6.65%, effective January 1, 1980;
- 5) Continuation of the following pay and fringe benefit programs: pay/performance evaluation plan, longevity pay, group life insurance, group hospitalization insurance (free to employee, special group rate for family), state pension plans, holidays (New Year's Day, Easter Monday, July 4, Labor Day, Thanksgiving Day and 3 days at Christmas), sick leave (12 working days for the first 5 years; 15 days thereafter), and annual leave (same number of days as for sick leave); and
- 6) Reimbursement at a standard rate of 21¢ per mile, effective July 1, 1980, for use of personal car for City business.

Other Recommendations

I have made the following recommendations, listed according to major function:

<u>Department</u>	<u>Description</u>
Council/Manager	Increase council members' and vice mayor's compensation to conform more closely with those of other cities.
Nondepartmental	Set contingency at \$200,000.
Public Works	Add a service for sidewalk paving, with administrative details to be decided by City Council. Budget for attrition occurring in the Sanitation Division.
Police	Consider some reorganization of patrol function, Interagency Narcotics Squad and administration.

- 8 -

- 2) A fund balance of \$2,089,823 will be used to balance the budget.
- 3) The Library and the Airport will be funded entirely by the County.
- 4) While negotiations are still going on with the County regarding water, sewer and other service agreements, the possible effect of these agreements has not been considered in this year's budget. When negotiations are complete the budget can be amended.
- 5) We have assumed that the County will pay the entire cost of County water maintenance.
- 6) We are entering the 1980-81 Fiscal Year with the concept of retaining approximately \$1,000,000 of fund balance for City functions during slow revenue periods. This amounts to less than one month's operating costs. The philosophy of not appropriating these funds to operations is a sound fiscal policy for several reasons: interest earned adds to the revenues and further reduces the need for a tax increase; the policy is favorably considered on the bond market; and we are less likely to have to borrow money during slow periods of cash flow.
- 7) We are assuming an increase in tax base greater than in previous years.

SIGNIFICANT MATTERS PERTAINING TO EXPENDITURES

As previously mentioned, the original budget estimates presented May 6 indicated that we needed an additional \$1.4 million in revenues to offset the projected expenditures. This \$1.4 million did not include additional needs in such areas as personnel, capital improvements and operating equipment. Based on the decisions that have been made to date by the City Council, City Manager and the department heads, the following are major recommendations and are included in the current budget estimates:

Personnel - Salaries and Fringe Benefits

As I said before, since we are a labor-intensive service organization, we should expect high employee performance standards and our pay and benefits should be competitive with those of local private industry and comparably-sized cities in North Carolina so that we can attract and retain the best qualified employees. We should adhere to the President's Voluntary Wage Control Program and we should not become dependent upon federally funded positions to support basic City services. The following recommendations adhere to the goals just stated:

- 11 -

- 8) No funds are provided for improving seating facilities for the handicapped at the Civic Center.

CAPITAL RESERVES

Over the past several years, the City Council has set aside appropriations for capital improvement projects. These monies include revenues received from the Sinking Fund Commission and Revenue Sharing. We estimate that the following amounts will be available for programming as of July 1, 1980:

Capital Reserves Available

Sinking Fund Refund	\$2,000,000
Pension Reserve	209,000
Operations Complex	<u>154,981</u>
Total	<u>\$2,363,981</u>

Recommended Expenditures

Loan to General Revenue Sharing Trust Fund	\$ 182,378
Street Paving	250,000
Pension Reserve	209,000
Economic Development	40,000
Pack Square Project	70,503
Baker Drive	35,000
Sidewalk Program	200,000
Motor Transport Facility	500,000
Operations Complex	154,981
Valley Street	100,000
Motor Pool	<u>54,575</u>
Total	<u>\$1,796,437</u>
Balance Uncommitted	<u>\$ 567,444</u>

Note: A complete list of Revenue Sharing needs is contained on page 25, exhibit F.

- 10 -

<u>Department</u>	<u>Description</u>
Parks and Recreation	Fund Bee Tree Lake through the water budget. Budget attrition of employees.
Civic Center	Add funds for promotion or co-promotion of activities Reflect increased revenues from expected change in rate structure.
Library	Expense deleted entirely.
Airport	Expense deleted entirely.

Recommended New Programs

Motor pool/parking area will be set up on the area bordered by Valley, Marjorie, Spruce and Eagle streets.

An economic development activity designed to "sell the City of Asheville" will be funded. The details of the program will be developed by the City Council, the City Manager and other appropriate individuals.

Items Not Budgeted or Under-Budgeted

- 1) No funds are included for the Asheville-Buncombe Preservation Society.
- 2) No funds are included for major repairs to bridges or viaducts.
- 3) Insufficient funds are budgeted for renovation of the City Building and Municipal Building.
- 4) Insufficient funds are budgeted for street paving and resurfacing. Current resurfacing needs are in the \$2 million range. We have budgeted only \$450,000.
- 5) No funds are budgeted for a possible change in the City's responsibility for drainage problems. However, we will initiate a study of the problem.
- 6) No changes are budgeted for the on- and off-street parking programs.
- 7) No funds are budgeted for major improvements to Trinity Chapel Road.

- 13 -

to purchase these items. In the event the Revenue Sharing program is extended as expected, we can then replace these loaned funds and we can purchase the many needed items that had to be delayed.

For any other unallocated capital funds, I recommend that the following guidelines be continued by the City Council:

- a) If at all possible, funds will not be used for general operating costs;
- b) Funds will be used for items and programs that result in reductions of general operating costs;
- c) Funds will not be used to purchase routine capital equipment;
- d) Funds will be used to match federal grants whenever possible; and
- e) Future funds from the sale of real property will be placed into the Asheville-Buncombe Revitalization Fund.

WATER FUND

The Water Fund operates on revenues from fees and charges related to the sale of water, contributions from the County for some maintenance and capital improvements, federal and state grants and water bond funds approved by the residents of the City of Asheville.

The Water Fund is the largest city departmental budget and its services extend to more customers than any other direct service.

For Fiscal Year 1979-80 we are projecting a surplus of operating funds in the amount of approximately \$300,000 after \$670,197 has been paid to the City as a return on investment. This is based on the assumption that the County will pay at least \$400,000 toward maintenance of water lines (although our realistic estimate of County maintenance is at least \$800,000). My recommendation is that all excess operating funds for 1979-80 be held for capital improvements for water and sewer projects needed in newly annexed areas. Furthermore, any additional funds paid to the City by the County for water maintenance over and above \$400,000 for Fiscal Year 1979-80 should be allocated to the same type projects. It is recommended that after all operational expenses are met for 1980-81 any such surplus funds shall be allocated to capital improvements for water and sewer project needs in newly annexed areas.

Major budget highlights are:

- 1) That the City will be paid \$733,150 or approximately 10% of estimated revenues of the water system.

- 12 -

Since the establishment of the federal Revenue Sharing program, we have used those funds primarily for capital equipment and capital expense. However, each year we have used too much of the General Revenue Sharing funds for general operating expenses instead of using the funds for one-time capital equipment and expense. The federal Revenue Sharing law is scheduled to expire September 30, 1980; however, if the program is continued, we can expect a total of \$1,569,498.

I am recommending that we take the conservative route and budget to spend only the actual amount we expect to have available through September 30. The following is a schedule of the proposed uses of General Revenue Sharing funds for Fiscal Year 1980-81:

CITY OF ASHEVILLE
GENERAL CAPITAL OUTLAY ITEMS FOR FISCAL YEAR 1980-81

PRIORITY 1 ITEMS
(cost by division & item)

FINANCE DEPARTMENT

Facility Services	Replace City Hall windows	\$ 3,000
-------------------	---------------------------	----------

EMPLOYEE SERVICES

Administration	Memory typewriter	2,400
Civil Service Admin.	Programmable calculator	650

PLANNING

ATA buses	65,000
-----------	--------

POLICE

Patrol vehicles (10)	65,000
----------------------	--------

FIRE

1000 gpm pumper	95,000
-----------------	--------

CIVIC CENTER

Wheels for arena staging	1,450
--------------------------	-------

PARKS AND RECREATION

Park Maintenance	72" flail mower	3,000
	72" rotary mower	1,300
	Chain saw	292
Golf Course	Thatching machine	7,034
Stadium & McCormick Field	Line marker	1,200
	Back-pack blowers	700
Cemetery	Lawn mower (40" cut)	3,400

Total	<u>\$249,426</u>
-------	------------------

I have determined with the department heads the capital equipment needed between July 1 and September 30. Our estimate is \$249,426. Since this is \$182,378 more than the amount of Revenue Sharing funds that will be available for capital expenditures between now and September 30, I recommend that we use \$182,378 from capital reserves

neighborhood disputes and the Police Department to settle family arguments. I sincerely hope that we can reverse this trend in the coming years.

No budget is easy, and no budget should be final. It should be viewed as the general plan of activity for the year indicated, capable of being adjusted to the unexpected. The management goal for the year should be to keep expenses within the budgeted limits and to insure that revenues are at least as high as the budget anticipates.

Our department and division heads deserve particular recognition for their efforts and cooperation in preparing their respective elements of this budget. I firmly believe that this, and greater overall efficiency and effectiveness in delivering municipal services, are positive results from my emphasis on decentralized management accountability and responsibility. Special recognition for direct assistance in preparation and production of the budget is given to the Employee Services Department, Data Processing Division, Accounting Division, the Finance Department, Print Shop personnel, the Department of Administration, and to the City Council for their long hours of deliberation over this budget.

Respectfully submitted,

K. M. Michalove
City Manager

- 3) That Bee Tree Lake will be financed out of the Water Department budget due to the potential use of the facility as a water source.

SUMMARY

The job of proposing a budget is the most difficult one the City Manager has. This is because the actions he must recommend to the City Council cannot possibly please everyone. The decisions he must make are not choices between "good" and "bad" activities, but rather they are determinations of what we can afford and what we should finance as governmental services.

The budget is balanced, but all of our problems have not been solved:

- 1) We are still too dependent upon federal funds to support basic functions:

- a) Revenue Sharing

Police Pension	\$722,450
Basic equipment replacement	\$249,426

- b) Community Development

Senior Opportunity Center	\$ 72,000
---------------------------	-----------

(We have already been notified that this will be the last year we can expect full funding of this activity from Community Development.)

- 2) We are retaining a low cash flow amount.
- 3) We are using \$2,089,823 of fund balance from Fiscal Year 1979-80 to balance the General Fund budget. This surplus has been built up over several years, and its use for general operating expense is deficit spending.
- 4) We are not dealing adequately with our capital needs such as building additions, maintenance and repair and major equipment purchases and replacements.

I frankly feel that we have too much government-paid service and not enough individual neighborhood and community volunteer spirit. People do not know their neighbors. Neighborhood and citywide pride are dwindling. People call the Inspections Division to settle

Program of Work 1980-81

5. The City Council will continuously examine ways to increase efficiency and productivity in service operations.
6. The City Council will adopt a legislative package to pursue for local, state, and federal legislation to include, but not be limited to:
 - A. The Civil Service Law;
 - B. General Revenue Sharing;
 - C. Requiring tax exempt organizations pay their fair share for City services;
 - D. A hotel/motel room tax; and
 - E. Increasing revenues from other than ad valorem taxes.
7. The City Council will be very cautious in creating additional committees, boards, and commissions, but will likely take the approach, as the need arises, of adding additional responsibilities to committees, boards, and commissions that already exist. The Council will also work toward a better means of coordinating existing committee, board, and commission work.
8. Review and analyze City services and the City Budget for Fiscal Years 1980-81 and 1981-82. The Council will be taking a particular look at the following:
 - A. Evaluate the need for walking police officers in the downtown area;

ASHEVILLE CITY COUNCIL - PROGRAM OF WORK 1980-81

The following is a statement of the major work that the Asheville City Council expects to be active in during their term of office. This plan will also serve as a means of measuring the success or failure of this City Council.

1. Continuation of discussion with the Buncombe County Commissioners regarding a new water source, administration of the water system, and funding and consolidating mutually beneficial services.
2. The City Council will adopt a policy of doing what is in the best interest of all of the citizens of Asheville in matters on zoning, capital improvements, expanding and/or reducing City services and/or expanding the City Limits; and the City Council will ask the Planning and Zoning Board and City staff to begin placing more emphasis on planning for the future by updating and developing recommendations for City Council's consideration.
3. The City Council will place special emphasis on improving its tax base through encouraging economic development; revitalization of downtown and other areas which need upgrading both commercial and residential by working closely with various local and regional institutions.
4. The City Council will take appropriate steps to implement energy conservation, specifically as it relates to gasoline, natural gas, electricity, and water, and generally as it relates to mass transit and general planning.

DECISIONS NEEDED FROM CITY COUNCIL IN ORDER TO BALANCE THE BUDGET FOR FISCAL YEAR 1980-81

1. Water agreement and other service considerations for FY 79-80, FY 80-81 such as:

Funding of Recreation Park, McCormick Field, and Memorial Stadium.
2. School Board assuming the responsibility for:
 - a) Paying school crossing guards;
 - b) Paying for space in City Building when lease runs out;
 - c) City continue paying for school crossing guards and the Asheville City Schools administer; and
 - d) School give up space in Municipal Building.
3. Sheriff provide school crossing guards.
4. Should we consider an ad valorem tax increase?
 - Each penny on the tax rate would increase revenues by \$69,789.
 - Current City tax rate 97¢/\$100 valuation for \$50,000 \$ 485
 - 5¢ increase in rate \$1.02/\$100 valuation for \$50,000 \$ 510
5. Should we consider these fringe benefits?
 - a) Annual evaluation/performance pay system and position reallocation;
 - b) 5 % salary scale adjustment July 1;
 - c) Longevity Pay;
 - d) Hospitalization;
 - e) Social Security;
 - f) State Pension;
 - g) Holidays, Sick Leave, and Annual Leave as in 79-80;
6. Should we continue funding Police Pension out of the General Revenue Sharing Fund? Should we proceed with the proposal made by the Mayor and City Manager?
7. Should we continue to maintain at least \$1 million in the cash flow fund?
8. Should we establish a standard Street Lighting Program and eliminate all excessive lighting?

Asheville City Council
Program of Work 1980-81
Page Three

- C. Evaluate the location of existing and future street lighting;
- D. Evaluate the various recreation activities in which we are now involved;
- E. Evaluate brush and leaf collection, sidewalk construction and maintenance, road construction and maintenance, drainage problems;
- F. Evaluate tree planing and maintenance, weed control, roadside cleanup and other environmental concerns;
- G. Evaluate and implement a downtown parking program.

CITY MANAGER'S PHILOSOPHY IN APPROACHING THE BUDGET
FOR 1980-81

1. Direct services to the City of Asheville residents, in the order of priority they feel most important and provided in an efficient manner, are the first and most important consideration.
2. Since we are a labor intensive service organization, we should expect high employee performance standards and we should be competitive with local private industry and comparable cities in North Carolina in pay and benefits so that we attract and retain the best qualified employees.
3. We should protect the property values and the investment of Asheville's residents and businesses in the services we provide and in the decisions we make toward the consolidation of governmental services and in providing governmental services.
4. Asheville is the county seat, the seventh largest city in North Carolina, known worldwide as a tourist/convention center, the largest North Carolina city west of Charlotte, a leader in the growth of Western North Carolina and a progressive city, and we should maintain that image and role.
5. We should seek the transfer of the expense burden of county-wide activities to appropriate governing bodies on an equitable basis to the City of Asheville property owner or we should pay for those services from sources other than property tax.
6. If at all possible, we should not cut basic services.
7. Emphasize providing management tools and improving general administration.
8. Use federal funding for one-time capital expense items to the extent allowable.
9. Move to rid ourselves of the dependency on Revenue Sharing Funds for supporting General Fund operations.
10. Not fund any new outside programs or increase the funding for any existing outside programs.
11. Re-analysis of personnel needs:
 - A. Eliminate unnecessary positions
 - B. Shift labor to meet peak demands
 - C. Change some permanent positions to part-time
 - D. Consolidate some functions
12. Maintain a Capital Reserve Fund.
13. Emphasize service to the public and to the employees.
14. Reduce the cost of on and off-street equipment operations.

9. Should we hold the funding of non-profit organizations to the previous fiscal year level and not fund any new organizations?
10. Should we adhere to the President's voluntary wage control program?
11. What programs shall we pursue for downtown parking?
12. Should we reconsider pay for any board or commission members?
13. Review decisions to be made with reference to County funding of various activities - not a part of the water and other service agreements.
 - a) One million dollar development fund.
 - b) Infirmary.
14. Should we consider special funding for drainage problems?
15. Fees and charges (part of MICA study).
 - a) Zoning
 - b) Service charges - for water - need to consider increasing.
 - c) Small fees - tennis court rates; council granting some fee authority to boards and commissions.
16. Maintenance policy on trees.
17. City staff recommend that we go back into the sidewalk business; City provide labor and equipment - property owner provide payment for materials.
18. What programs of economic development shall we pursue? Shall we provide incentives such as lease of land, purchase of land, or contract with the Chamber of Commerce?
19. Analysis of corporate boundary as per Council Work Program.
20. Consideration of a policy on assessing for water and sewer improvements, sidewalk, street improvements, etc.
21. Review requirement on maintenance and continued operating expense for any new activities to be considered.
22. Encouragement of contributions to the City.

15. Use Revenue Sharing Funds only for capital expenses one-time items - same with any other windfall funds.
16. Include for future City Council decisions that resolutions be accompanied by a statement of future estimated operational cost.
17. Emphasize training at all levels.
18. Emphasize inspections, audit and evaluation of City work.
19. Work toward increased County funding of programs and services which are funded wholly or in part by the City, but are County-wide in scope.
20. Eliminate or charge for unequal services being provided.
21. Comply with the President's Wage Control Program.

2. Consideration was given to a resolution of appreciation to Fire Department employees for obtaining EMT training.

The City Manager read the resolution.

Chief Ball of the Fire Department said approximately fifty-five (55) employees of the Asheville Fire Department have been certified as Emergency Medical Technicians through an in-service training course.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 80-97 was unanimously adopted.

Complete text of Resolution No. 80-97 will be found in Resolution Book No. 12 at page 115.

RESOLUTION NO. 80-98 - RESOLUTION OF COMMENDATION OF HERBERT C. ALLEN, RETIRING EMPLOYEE OF THE CITY OF ASHEVILLE

3. Consideration was given to a resolution of commendation of Herbert C. Allen, retiring employee of the City of Asheville.

The City Manager read the resolution stating that Mr. Allen has been employed by the City of Asheville for over 18 years at McCormick Field and will soon be retiring from service.

Upon motion of Councilman Wilkes, seconded by Councilman Cole, Resolution No. 80-98 was unanimously adopted.

Complete text of Resolution No. 80-98 will be found in Resolution Book No. 12 at page 116.

DISCUSSION - PROPOSED ANNEXATIONS

Mr. Miles Bosworth, Chief of the Haw Creek Volunteer Fire Department, spoke in opposition to the proposed annexation of Haw Creek into the City Limits. He said, if annexed, 90 to 95 percent of the fire district tax base would be eliminated and there would be no need for the volunteer fire department.

Edwin Burke, Jr. of Crowfields, spoke relative to Council's intentions for annexing property into the City. He asked what procedure would be followed in taking this action.

Mr. Bruce Miller, Keasler Road; Mr. Harry Burdette, and Mrs. Barbara Capps of Haw Creek, all spoke in opposition to the proposed annexation of Haw Creek.

Mr. Frank Ward, of Haw Creek, spoke relative to the proposed annexations.

Mr. Herman Medler said communication is a problem in the world, particularly in the City of Asheville, with the news media inaccurately reporting issues taken by the Council. He said apparently the news media inaccurately reported Council's intentions relative to proposed annexations by stating that Council intended to annex five new areas into the City by July 1, 1980.

Mayor Trantham said when the studies on annexation are complete the citizens of the areas affected will have an opportunity to express their views.

Vice-Mayor Morris suggested that anyone having information which they feel would be helpful relative to the annexations, report the information to the Planning Department to be included in the full service study reports in order that Council might have all the information together in the report from the Planning Department.

RALPH BISHOP - COMMENTS RELATIVE TO ANNEXATION

Mr. Ralph Bishop spoke in opposition to annexations. He said the City would be bankrupt by building such buildings as the Civic Center, etc.

ADJOURNMENT

Upon motion of Vice-Mayor Morris, seconded by Councilman Boland, the meeting adjourned at 6:05 p. m.

Raym. Trantham
MAYOR

William S. Anderson
CITY CLERK

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - FISCAL 1979-80 PARKS AND RECREATION DEPARTMENT BUDGET

7. Consideration was given to a budget amendment amending the Parks and Recreation Department Budget for Fiscal Year 1979-80.

The City Manager presented the budget amendment amending the Parks and Recreation Department Budget in the amount of \$2,500 to provide for additional funds to be received which will be used to complete the current enrichment program for the youth and parents of the Hillcrest Community Center neighborhood and to sponsor an Awards Day program of recognition for participants of the center.

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 80-99 - Resolution authorizing the Mayor to execute contract with the Department of Transportation of the State of North Carolina for the maintenance of traffic control devices on the State Highway System Streets within the City of Asheville.

HIGHLIGHTS: The City of Asheville enters into an agreement with the North Carolina Department of Transportation for the City to maintain traffic control devices on the State Highway System streets within the City of Asheville. The new agreement updates the reimbursement schedule, which has not been revised since 1970.

Resolution Book No. 12 Page 117

- B. Resolution No. 80-100 - Resolution authorizing the Mayor to execute a lease agreement with Jack and Mitzi Tessier for the lease of the pavilion at the Recreation Park.

HIGHLIGHTS: The City has received a proposal to lease the pavilion at the Recreation Park to Jack and Mitzi Tessier for the operation of "Mama T's in the Park." Notice has been provided in accordance with N.C.G.S. 160A-272 relative to the intent to lease and this resolution will authorize the execution of the lease agreement.

ORDINANCE NO. 1169 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1979-80

4. Consideration was given to an ordinance amending the operating and capital budget for the City of Asheville for Fiscal Year 1979-80.

The City Manager read the ordinance explaining that the ordinance will summarize and ratify budget amendments approved through March 31, 1980.

Councilwoman Price moved for the adoption of Ordinance No. 1169. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1169 passed on first reading.

Councilman Cole moved to suspend the rules and proceed to the second reading of Ordinance No. 1169. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1169 passed on second reading.

Councilman Cole moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1169. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1169 passed on third and final reading.

Complete text of Ordinance No. 1169 will be found in Ordinance Book No. 9 at page 121.

BUDGET AMENDMENT - FISCAL 1979-80 OPERATING BUDGET - RE: LIBRARY FUNDS

5. Consideration was given to a budget amendment amending the City of Asheville Fiscal 1979-80 Annual Operating Budget.

The City Manager presented the budget amendment amending the City of Asheville Fiscal 1979-80 Annual Operating Budget in the amount of \$7,560 to provide for supplemental federal monies received by the Library and recorded in their revenue account for federal grant receipts.

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - FISCAL 1979-80 OPERATING BUDGET - RE: PLANNING DEPARTMENT

6. Consideration was given to a budget amendment amending the City of Asheville Revenue Sharing Fund Budget for Fiscal Year 1979-80.

The City Manager presented the budget amendment amending the City of Asheville Revenue Sharing Fund Budget in the amount of \$9,900 to provide funding for aerial photographs authorized and funded by City Council in the previous fiscal year (Resolution No. 79-62, March 8, 1979) but which must be paid for in the current fiscal year because the work was completed and billed in the current fiscal year.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously adopted.

RESOLUTION NO. 80-103 - RESOLUTION APPOINTING MEMBERS TO THE ZONING BOARD OF ADJUSTMENTS

9. Note: At the request of Councilman Boland this item was deleted from the above consent agenda to be considered separately.

Consideration was given to a resolution appointing members to the Zoning Board of Adjustments.

The City Manager read the resolution reappointing Mr. John Abbott, Mr. Jack Baber, Mr. Graham Price, and Mr. Richard F. Webster as members of the Zoning Board of Adjustments.

Councilman Boland questioned the representativeness of the members of the Board of Adjustment. He said the Board members are mainly from North Asheville and in the upper income bracket. He said his concern is having a board made up of members who have knowledge and wisdom, but who do not come exclusively from upper income backgrounds. He said the membership should include women, blacks, people of different socio-economic backgrounds and from all parts of the City. He said a large majority of these people are often excluded from these board.

After considerable discussion, Councilwoman Price moved for the adoption of Resolution No. 80-103, which motion was seconded by Councilman Cole and carried on a roll call vote of 4-2, with Councilman Boland and Councilman Wilkes voting "no."

Complete text of Resolution No. 80-103 will be found in Resolution Book No. 12 at page 121.

RESOLUTION NO. 80-104 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE BOUNDARY LINE AGREEMENT WITH THE COUNTY OF BUNCOMBE

10. Consideration was given to a resolution authorizing the Mayor to execute boundary line agreement with the County of Buncombe.

The City Manager read the resolution explaining that the City of Asheville and Buncombe County own real estate found in Deed Book 1082, at page 243 and Deed Book 1082 at page 260 and the real estate has been leased to the State of North Carolina for a period of 99 years and is currently being used by the State Highway Patrol for offices and garage and it has become necessary to repair the damage to a retaining wall which is located on or near the property line. It is necessary to execute a boundary line agreement with the adjoining land owner before the aforementioned Lessee can repair the said retaining wall. This resolution will authorize the Mayor to execute the boundary line agreement in conjunction with the County of Buncombe with the adjacent land owner.

Upon motion of Councilman Wilkes, seconded by Councilman Cole, Resolution No. 80-104 was unanimously adopted.

Complete text of Resolution No. 80-104 will be found in Resolution Book No. 12 at page 122.

right of way, utilities, and construction at the Merrimon Avenue and Broadway interchange; and examination of right of way, utilities and construction for a proposed interchange in the Montford Avenue-Haywood Street vicinity. He said the submission of the applications will in no way be an endorsement or commitment to any proposal that has been presented to Council.

PUBLIC HEARING SCHEDULED - EXTENSION OF MORATORIUM ON MULTI-FAMILY FACILITIES IN THE BEAVERDAM VALLEY AREA

Councilman Boland moved to schedule a public hearing, for June 26, 1980, to consider an ordinance extending a moratorium on zoning permits for multi-family facilities in the Beaverdam Valley area. This motion was seconded by Councilman Cole and carried unanimously.

BUDGET AMENDMENT - WATER AND SEWER CAPITAL CONSTRUCTION FUND

The City Manager presented a budget amendment amending the Water and Sewer Capital Construction Fund budget in the amount of \$20,810 to increase funding of Sunset Mountain activity to include the Old Toll Road sewer project by transferring unexpended funds from the Lower Water Lines activity.

Councilman Wilkes moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

'PUBLIC DRUNKS - PRITCHARD PARK AREA - DISCUSSION

The City Manager said several weeks ago Council discussed the problem of public drunks loitering in the Pritchard Park area. He said since that discussion he personally observed the problem and three people were arrested on June 4, 1980 at Pritchard Park relative to this problem. He said the problem in dealing with the public drunks is the manner in which the state law controls such situations. He said the law is very restrictive on police officers. He said this subject will be a topic at the Chief of Police's meeting in July. He said the new social service facility on Patton Avenue can be helpful in the problem but a person has to have the desire to be rehabilitated before they can help them.

The City Manager said the Police Department will step up the "Operation Contact" program in the Pritchard Park and Lexington Avenue area in an effort to control the situation.

Councilman Brownlee said the problem with public drunks will not stop until the state legislators and the court system give the local police more authority.

RALPH BISHOP - REQUESTS FOR CITY RECORDS

Ralph Bishop again spoke to Council relative to the lottery peddlers operating in the City of Asheville. He also requested a copy of the bill of sale or agreement when the City sold the old Library building to the law firm of Morris, Golding, Blue and Phillips. He also requested a copy of the contract between the City of Asheville and the Blue Ridge Community Mental Health Center relative to providing mental health and related services to City employees.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price, the meeting adjourned at 5:20 p. m.

Ray M. Landon MAYOR *William J. Moloney* CITY CLERK

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT - "445 BILTMORE CENTER"

The City Manager said the Planning and Zoning Commission, at its meeting on June 4, 1980, reviewed and recommended approval of a site plan of a proposed office building to be located at the corner of Victoria Road and Biltmore Avenue. The plan was prepared by Brice-Morris Associates, Inc., Charlotte, N. C., Architects, for James W. Cogdell, Charlotte, N. C., developers.

Councilwoman Price moved to schedule a public hearing on the site plan of the proposed office building to be located at the corner of Victoria Road and Biltmore Avenue for June 19, 1980. This motion was seconded by Councilman Cole and carried unanimously.

CLAIMS - ROSA LEE BAILEY - DONALD GREEN - SHELIA TEAGUE - J. O. THOMPSON - RICHARD A. BARCELOU - MEMORIAL MISSION HOSPITAL

The City Manager presented claims received from Rosa Lee Bailey, Donald Green, Shelia Teague, J. O. Thompson, Richard A. Barcelou, and Memorial Mission Hospital.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PUBLIC HEARING SCHEDULED - FLOOD PLAIN REGULATIONS

The City Manager advised that the City is required to adopt an ordinance establishing flood plain regulations for the City. He said the Planning and Zoning Commission reviewed the proposed flood plain regulations at its meeting on June 4, 1980. He said all interested parties should become aware of the plan for flood plain regulations prior to adoption of the ordinance.

Councilwoman Price moved to schedule a public hearing, for July 10, 1980, to consider the adoption of an ordinance establishing flood plain regulations for the City of Asheville. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING SCHEDULED - ORDINANCE ESTABLISHING STANDARDS FOR GROUP HOMES FOR DEVELOPMENTALLY DISABLED ADULTS

Councilman Boland moved to schedule a public hearing, for June 26, 1980, to consider an ordinance amending the Zoning Ordinance, being Ordinance No. 322, as amended establishing standards for Group Homes for the Developmentally Disabled Adults. This motion was seconded by Councilman Cole and carried unanimously.

INTENT TO APPLY FOR GRANT FROM APPALACHIAN REGIONAL COMMISSION - RE: DOWNTOWN AREA

The City Manager said the planning staff has been working with ideas surrounding the downtown area in regard to a downtown revitalization plan. He said two specific development proposals have been presented to Council, the Strous-Greenberg Plan and the plan presented by John Lantzus. He said regardless of what proposals are initiated certain improvements need to be made in the downtown area. He said the Planning Department will be submitting three applications, for an A-95 Review by the Land-of-Sky Regional Council, for a grant from the Appalachian Regional Council for water and sewer and drainage improvements in the downtown area; examination of

8. Consideration was given to a resolution establishing and designating the Department of Economic Development as required by the City Charter.

The City Manager read the resolution explaining that Section 26 of the Asheville City Charter, as enacted by Section 1, Chapter 27, Session Laws of 1981 provided that the City Council after hearing recommendations by the City Manager shall by resolution establish and designate departments of the City. The City Council has heard recommendations from the City Manager to establish the Department of Economic Development. The City Council now wishes to establish and designate the Department of Economic Development. This resolution will establish said department.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 81-89 was unanimously adopted.

Councilman Wilkes noted that the department would be staffed by contract for the present time.

Complete text of Resolution 81-89 will be found in Resolution Book No. 12 at page _____.

RESOLUTION NO. 81-90 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACT WITH CARTER/GOBLE ASSOCIATES FOR PROFESSIONAL CONSULTING SERVICES RELATED TO THE PROPOSED REGIONAL TRANSPORTATION CENTER IN DOWNTOWN ASHEVILLE

9. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter in a contract with Carter/Goble Associates for professional consulting services related to the proposed Regional Transportation Center in downtown Asheville.

The City Manager read the resolution explaining that the City of Asheville desires to develop a multi model transportation facility in downtown to improve the capacity, efficiency and comfort of mass transportation in this area. The City of Asheville will receive federal and state grant funds matched with local in-kind services for the purpose of retaining professional consultants. The proposed Asheville Regional Transportation Center would link several forms of transportation including inter-city buses, the Asheville Transit System, Charter Buses, Taxis and limousines into a single, modern, efficient and comfortable facility. Carter/Goble Associates was selected as being the most qualified consultant from an original list of over thirty firms. Work will begin immediately upon signing of the contracts. This resolution will authorize the Mayor to execute said contract. The total compensation shall not exceed \$20,000, nor the provisional overhead rate 107.9%.

The City Manager read the ordinance explaining that this ordinance changes the definition classification of a "condominium" from a commercial classification to a "residence" classification in order to provide the same service to "condominium" that are now given to "residence." The ordinance also amends Section 13-23(g) by providing that tree and shrubbery branches, limbs and trimmings cut by persons engaged in landscaping or tree service enterprises or by other commercial or "for hire" persons or those accumulations resulting from land clearing operations shall not be collected by the City, but shall be collected and removed by the commercial or for hire person doing the cutting or trimming. Thorny vegetation, if placed at curbside for collection, shall be cut in lengths not to exceed two (2) feet and placed in separate piles from other tree and shrubbery trimmings or loose leaves. Stumps weighing more than fifty (50) pounds shall not be collected by the City.

Councilman Cole moved for the adoption of Ordinance No. 1210. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1210 passed on first reading.

Councilman Cole moved to suspend the rules and proceed to the second reading of Ordinance No. 1210. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1210 passed second reading.

Councilman Cole moved to suspend the rules and proceed to the third reading of Ordinance No. 1210. This motion was seconded by Councilman Boland.

Councilman Wilkes stated that he felt Council needed to wait until next week to have the third reading of Ordinance No. 1210 in the event that anyone has any questions relative to the ordinance.

On a voice vote of 4-3, the motion to have the third reading failed, with Mayor Trantham, Vice-Mayor Morris, Councilman Brownlee and Councilman Wilkes voting "no."

ORDINANCE NO. 1209 - AN ORDINANCE AMENDING ORDINANCE 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (PROPERTY EAST OF ROBERTS STREET)

7. Consideration was given to the third reading of Ordinance No. 1209, "AN ORDINANCE AMENDING ORDINANCE 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended. (property east of Roberts Street)

Mayor Trantham said the ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1209 passed on third and final reading.

sewer line across the southwest corner of said lot. The City of Asheville desires to have a permanent easement for maintenance of the sewer line. The owner of said lot is willing to enter into an easement agreement with the City of Asheville and said easement has been properly executed by the owner. This resolution will authorize the Mayor to execute said easement agreement.

- C) Rescheduling of a hearing to an appeal of the decision of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund for W. B. Allison for May 28, 1981.

HIGHLIGHTS: W. B. Allison retired from the Asheville Police Department under normal retirement in 1977. In December of 1978, Mr. Allison requested a change of status from normal retirement to disability retirement in the line of duty. After reviewing evidence presented by Mr. Allison, the Board of Trustees denied Mr. Allison's request. Mr. Allison is appealing the decision of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund to the Asheville City Council. This hearing was scheduled for consideration on April 2, 1981, however, due to conflict with attorneys, the hearing must be rescheduled for May 28, 1981.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

REPORT FROM COUNCILMAN BROWNLEE - PENSION SUBSIDIES FOR RETIRED POLICE OFFICERS AND THEIR BENEFICIARIES

11. Councilman Brownlee said that he had received a report from the City Manager that nine persons were now receiving a small sum as the result of an ordinance adopted by Council for pension subsidies. He said only two widows were receiving small sums.

He said that out of all the widows of the retired police officers he felt this was very little in his opinion.

CLAIMS - BRENDA FORESTER - RICHARD C. GREEN - VERA BRADLEY

The City Manager presented claims received from Brenda Forester, Richard C. Green and Vera Bradley.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

Verl Emrick, Director of Planning, said this resolution was a result of a grant applied for several months ago for consultant work for the Regional Transportation Center. He said Carter/Goble is affiliated with Six Associates, Inc. He said this would be an architectural and marketing study to determine if the transportation center can become a reality.

Upon inquiry of Councilman Boland, Mr. Emrick said the City staff has never dealt with such a project and felt it would be best to contract for a consultant with expertise in this area.

Upon motion of Councilman Boland, seconded by Councilman Wilkes, Resolution No. 81-90 was unanimously adopted.

Complete text of Resolution No. 81-90 will be found in Resolution Book No. 12 at page 373.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A) Resolution No. 81-91 - Resolution authorizing the disposition of municipal records.

HIGHLIGHTS: The City of Asheville Finance Department, Accounting Division has adopted a policy for the disposition of certain public records in their custody which have reached the end of their statutory retention period. The destruction of such records is in compliance with N. C. G. S. 121-5 and the stipulations set forth in the municipal records manual. A listing will be maintained of those records, including inclusive dates and their quantity which are to be destroyed. This resolution will authorize the Finance Director of the City of Asheville to dispose of such records.

RALPH BISHOP - LOTTERY SALES - REQUEST FOR RECORDS - J. C. HALL'S PENSION

Mr. Ralph Bishop said there was a lottery operation that had opened up on Banks Avenue but did not last very long. He said the operation on Riverside Drive is still in operation.

Mr. Bishop also requested information on how much the city paid Mr. Harold Bennett to seek relief of the Sullivan Act, how much was paid to Richard A. Wood to get the water deal together, and how much Herbert L. Hyde is being paid relative to the proposed annexations.

Councilman Brownlee informed Mr. Bishop that he had checked into his request relative to former Police Chief J. C. Hall's police pension. He said Chief Hall's pension went into effect in 1977 and it was his understanding that the medical doctor, which is on the board, must review evidence that a person is disabled before they can receive disability pensions. He said that it was also his understanding that at the request of the Board an individual receiving the pension can be called in for reexamination.

Councilman Brownlee also informed Mr. Bishop that he recently saw Chief Hall and was informed that he had a serious heart attack and was not able to do anything whatsoever.

Mr. Bishop said that he appreciated Councilman Brownlee's investigation. He also requested information as to what police officer took former Chief J. C. Hall to the hospital when he had his heart attack. He asked if a private citizen could pay for a requested examination of a certain person receiving pension.

ORDINANCE NO. 1211 - AN ORDINANCE AMENDING SECTION 28-81.6 AND SECTION 28-81.7 OF ARTICLE IV (SPEED REGULATIONS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

7. Consideration was given to an ordinance amending Section 28-81.6 and Section 28-81.7 of Article IV (Speed Regulations) of the Code of Ordinances of the City of Asheville.

The City Manager read the ordinance explaining that this ordinance would not change the speed limits on these roads but would merely change the road numbers to conform with state road numbers. He said this ordinance was requested by the North Carolina Department of Transportation.

The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in East Riverside Renewal Area.

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
8A	Assemblage	740	740	Beulah Chapel Holiness Church
33	Residential	3,100	3,500	Mr. & Mrs. Harold Taylor
159	Residential	750	750	Mr. & Mrs. Jerry Harper

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, answered questions from members of Council relative to the location and the proposed use of the property in question.

Vice-Mayor Morris moved to approve the sale of parcels 8A, 33, and 159 in the East Riverside Renewal Area as tentatively accepted by the Housing Authority. This motion was seconded by Councilman Boland and carried unanimously.

Mayor Trantham proclaimed the week of April 26 - May 2, 1981 as National Days of Remembrance of the Victims of the Holocaust.

2. Verl Emrick, Director of Planning, gave a presentation updating the process status of the annexation under consideration by the Asheville City Council.

Mr. Emrick said that during the budget process in July, 1980, the Planning staff presented a plan proposing that thirteen areas surrounding the City limits of Asheville be annexed. He said Council at that time suggested that the Planning staff review the proposed plan and bring another recommendation back to Council. He said this had been done and the final recommendation included the four areas considered for annexation which meet statutory requirements.

Mr. Emrick said the Western North Carolina area is a mountainous area and all the growth that has occurred in Western North Carolina has occurred in the valleys where developable land is involved. He said the Buncombe County Water System has also followed the developable land. He said questions had been raised as to why the proposed annexation was so spread out and random. He said statutorily the City cannot do a symmetrical annexation. He said the high ridges in the mountains restrict this type of annexation and still meet the requirements. By the use of a map, Mr. Emrick showed the annexation history of the City of Asheville. He said annexation has been studied for quite some time, with the Metropolitan Planning Board, in 1971, presenting a study entitled "Program for the Orderly Extension of Urban Services." He said the last annexation of the City of Asheville was completed in 1974, being the Shiloh and Oteen areas. He said studies were also made through the Asheville/Buncombe County Local Government Study Commission relative to annexation. He said a long-range planning process for annexation has been going on for a long time.

Mr. Emrick explained the methods of annexation pursuant to North Carolina General Statute 160A-45-46 Part (3). He said the City of Asheville has been under a moratorium for annexation for several years which has provided for a decline in the population for the City of Asheville. He presented a draft which showed the increase and decrease of population for the City of Asheville compared with the County of Buncombe. He said the City has been holding a steady line on population and the County of Buncombe has been picking up the percentages lost by the City. He said in 1960 the City of Asheville population was 60,000, in 1970 it was 57,000 and in the 1980 census it was 53,700. If the City of Asheville's population falls below 50,000, many federal funds would be lost. He said several questions were raised at the community meetings held by the Planning Division. In answering some of those questions, Mr. Emrick said questions were raised relative to police coverage, how long it would be before services would be available to the annexed areas and whether their children would be required to change school districts. He said the areas would receive the same police coverage as current city residents, and services would be provided on the effective date of the ordinance. He said their children would not be required to change school districts. He said the residents in the proposed area would also have a reduction in their fire insurance rate and they will no longer have to pay the fire district tax.

Mr. Emrick said the annexation would have little impact geographically or monetary. He said he had been asked to address the issue of extra-territorial zoning powers. He said Council is not, at this time, considering

INVOCATION

The invocation was given by Councilman Walter R. Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 23, 1981, meeting.

Upon motion of Councilman Cole, seconded by Councilman Brownlee, the minutes of the April 23, 1981, meeting were approved as submitted.

GROUND RULES FOR CONDUCTING PUBLIC HEARING

At this time Mayor Trantham explained that "persons who are residents or property owners are invited to present their views. This is a time for people to express themselves to members of City Council on how they feel about the proposed annexation. It is not a time for members of Council to try to respond to any questions that might be raised. Council will take all the information under consideration and make proposals at a later date."

Mayor Trantham then went over the ground rules for conducting a public hearing which the Asheville City Council has had in effect for some time. He said "we would like to conduct these public hearing in an orderly manner and to do so we feel that it is necessary to establish a few simple ground rules. When you entered the meeting all those who wish to speak for or against the annexation were asked to register. Individuals who signed up representing a group or organization in favor of annexation will be given the first opportunity to speak and will be allotted ten minutes. Those who have signed up and are speaking in their own behalf for annexation will then be called on and allotted three minutes. Individuals who signed up representing a group or organization in opposition of the annexation will then be called on and will be allotted ten minutes. Those speaking in opposition of annexation on their own behalf will be allotted three minutes. I will ask that when you have been recognized, that you come to one of the microphones, state your name and address and the group or organization you represent and that you limit your comments to the particular area being discussed."

more feasible way of consolidating several services provide by the City and County. He said the Board of County Commissioners feel that would be the best route to take. He said the County Commissioners are interested in the City residents as well as the County residents and it was their intention to provide service to the City residents as well as County residents.

PUBLIC HEARING - PROPOSED ANNEXATION - GENERALLY KNOWN AS THE CHUNNS COVE AREA

3. A public hearing was held relative to the proposed annexation of a portion of an area lying in Buncombe County, North Carolina, generally known as the Chunn's Cove Area.

Mayor Trantham opened a public hearing at 6:50 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, described the location of the proposed annexation and highlighted the service plan proposed for the Chunn's Cove area, which was approved and adopted by Council at the April 9, 1981, meeting.

The following individuals spoke in favor of the proposed annexation in general:

Mr. Wayne Stanko, 25 Greenleaf Circle
Mrs. Florence F. Ryan, 74 Wembly Road

The following individuals spoke in opposition to the proposed annexation of the Chunn's Cove area:

Attorney Bob Long, representing Glenwood Associates, owners of Ridge Townhouse Apartments
Mr. John Burnhardt

Mayor Trantham closed the public hearing at 7:10 p.m.

PUBLIC HEARING - PROPOSED ANNEXATION - SWEETEN CREEK ROAD AREA

4. A public hearing was held relative to the proposed annexation of a portion of an area lying in Buncombe County, North Carolina, generally known as the Sweeten Creek Road Area.

Mayor Trantham opened the public hearing at 7:12 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, described the location of the area proposed annexation and highlighted the service plan proposed for the Sweeten Creek Road area, which was approved and adopted by Council at the April 9, 1981, meeting.

The following individuals spoke in opposition to the proposed annexation of the Sweeten Creek Road area:

extending the extraterritorial zoning jurisdiction one mile beyond the proposed annexed areas. He said if Council decides to extend their zoning jurisdiction, the City only enforces the zoning ordinance issuing "zoning permits." He said other permits such as building, housing, certificates of occupancy, etc. are issued by the County. He said Council is not now discussing or considering extraterritorial zoning.

At this time Mayor Trantham recognized Buncombe County Commission Chairman Curtis R. Ratcliff.

Chairman Ratcliff said the Buncombe County Board of Commissioners are united in their position to oppose the City of Asheville's annexation process. He said relationships between the City and County in the past have developed mutual respect and he felt the proposed annexation issue would damage that relationship. He said the County Commissioners recognize the City's position but hoped that Council would consider the County agreements that have been worked out between the City and County in the past such as the Airport Authority, the construction of the Library along with the transition of the administrative operations, and the proposed water agreement that is now pending. He said the County has developed extensive services for the County of Buncombe including recreation, ambulance service, and volunteer fire departments. He said the annexation would also effect the water and sewer districts and would be detrimental to the Hominy Valley-Candler area in their proposal for a new sanitary sewer district. He said the project was financed by the Farmers Home Administration they will not finance projects that are inside the City limits of Asheville.

Mr. Ratcliff said that they feel that annexation is not the answer and the proposed annexation, if approved, might drive new industries into other states or adjoining counties. He said that it is their feeling that annexation should not take place by the City of Asheville unless it is by petition of the property owners being annexed.

Mr. Ratcliff said he felt a need to explain how the newspaper advertisement in today's paper was paid for. He said he had reviewed this matter with the County attorney today and felt a need to explain where the funds come from. He said no tax money was used for the paid advertisement in the Asheville Citizen Times paper on April 30, 1981, opposing the proposed annexation by the City of Asheville. He said the Courthouse has vending machines and all the vending machine money goes into a discretionary fund from which flowers, contributions, etc., are paid. He said the revenue in the discretionary fund, since last July amounted to \$1,005. He said the advertisement in today's paper cost the Buncombe County Commissioners \$688.00 and that money came from the vending machine discretionary fund.

Chairman Ratcliff said he did not feel their positions had been adequately reviewed so they felt they needed to bring this matter to the attention of the residents affected by the proposed annexations. He said that he had heard that comments were made that the paid advertisement might affect the water agreement. He said he would like it to go on record that the City officials said that, but the County officials did not.

Chairman Ratcliff said there was a provision in the proposed water agreement that the City and County services would be studied to determine a

public hearing.

The following individuals spoke in opposition to the proposed annexation of the Patton Avenue area:

Mr. Tom Penland representing the Montgomery Street Homeowners
Phylliss Martin of 140 Smokey Park Highway, Secretary/Treasurer of
COTA-West (presented petitions)
Mr. Ben Pace of the Enka/Candler Businessmen Association
Mr. Wayne Cooper

PUBLIC HEARING - GROUP DEVELOPMENT - APARTMENT COMPLEX KNOWN AS "WILLIAMSBURG OAKS" - OVERBROOK DRIVE

2. A public hearing was held relative to a site plan of a proposed apartment complex known as "Williamsburg Oaks" to be constructed on Overbrook Drive.

Acting Mayor Price opened the public hearing at 4:03 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at its meeting on April 1, 1981, considered the site plan of a proposed apartment complex known as "Williamsburg Oaks" to be constructed on Overbrook Drive. The plan was prepared by Spaceplan, Inc., Architects for Mark Carlson, Corbin-Carlson, Developer. After discussion, the Commission voted to recommend approval of the site plan subject to the following: 1) Erosion control ordinance; 2) Approval by Department of Human Resources and 3) Show proposed buffering, grading plan, and parking for the handicapped on the final plan.

Mr. Emrick said the proposed apartment complex would consist of thirteen (13) units, with two new structures and one existing structure being modified for the handicapped. He said all buffering and landscaping in the proposed project meets the requirements of the zoning ordinance. He said a natural buffer surrounds the property in question.

PUBLIC HEARING - DESIGNATING THE "YMI BUILDING," "RICHMOND HILL HOUSE," "RAVENSCROFT," AND "SMITH-MCDOWELL HOUSE" AS HISTORIC PROPERTIES

4. A public hearing was held relative to designating the "YMI Building," "Richmond Hill House," "Ravenscroft," and "Smith-McDowell House" as historic properties.

Acting Mayor Price opened the public hearing at 4:24 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mrs. Grace Pless, Chairman of the Historic Resources Commission, introduced members of the Historic Resources Commission present at the meeting and said they recommended that three of the properties be designated as local historic properties. She said the Historic Resources Commission feels that preservation of property improves the quality of life as well as provides for economic benefits. She said the North Carolina General Statutes require a clear chain of title and ownership for all designated historic properties. She said there is still some question about these requirements as they apply to the "Richmond Hill House" and they would request that consideration of the "Richmond Hill House" as a historic property be removed from today's public hearing.

Councilman Boland moved that the "Richmond Hill House" not be considered as part of the public hearing today. This motion was seconded by Councilman Cole and carried unanimously.

Mr. Richard Thornton, of the Planning Division, said the North Carolina General Statutes require that the Historic Resources Commission first review the significance of a particular property for its historical character or cultural contribution to the community before proceeding with the procedure to designate it as a historic property. He said this has occurred by the Historic Resources Commission and the property owners and the adjacent property owners were notified and the Commission received no opposition at their meeting. He said the North Carolina General Statutes require that a joint public hearing be held between the local governing body, being the Asheville City Council and the Historic Resources Commission in order to give property owners an opportunity to voice their opinions. He said this is a state in enabling designation which allows property owners 50% reduction in property tax assessment. He said if the owner desires in the future to demolish or substantially alter the building; three years of the reduced taxation must be paid back with interest. He said the properties would come under the jurisdiction of the Historic Resources Commission and any improve-

Mr. Burick said at the Planning and Zoning Commission meeting a petition was presented, with twenty-three (23) signatures, stating their opposition to the proposed apartment complex primarily due to traffic congestion in the area. He said the petition stated that Overbrook Drive is a main thoroughfare that serves eighty-five (85) residents. He said only one individual, representing a church in the area, was present at the Planning and Zoning meeting and he only sought information relative to the proposed complex.

Mr. Mark Carlson, of Corbin-Carlson, said the proposed apartment complex would be an asset to the community and would be a small residential development.

Acting Mayor Price closed the public hearing at 4:13 p.m.

Councilman Boland moved to approve the site plan of the proposed apartment complex known as "Williamsburgs Oaks" to be constructed on Overbrook Drive subject to the conditions set forth by the Planning and Zoning Commission. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING - CLOSING ALL OF SHORT GRANADA AND WELLINGTON STREETS AND PORTIONS OF CORDOVA STREET, GRANADA STREET, GRANADA CIRCLE, PARKWAY DRIVE AND SWANNANOVA DRIVE

RESOLUTION NO. 81-96 - RESOLUTION TO CLOSE ALL OF SHORT GRANADA AND WELLINGTON STREETS AND PORTIONS OF CORDOVA STREET, GRANADA STREET, GRANADA CIRCLE, PARKWAY DRIVE AND SWANNANOVA DRIVE

3. A public hearing was held relative to closing all of Short Granada and Wellington Streets and portions of Cordova Street, Granada Street, Granada Circle, Parkway Drive, and Swannanova Drive.

Acting Mayor Price opened the public hearing at 4:14 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Attorney Bill Slauter, representing Builders Savings and Loan Association, developers of the property, said the streets proposed to be closed are identified on a plat known as "Sky Harbor" recorded in the office of Register of Deeds for Buncombe County, North Carolina in November, 1946, in Plat Book 21 at page 43. He said the streets referred to have never been developed, used or maintained by the City of Asheville or by anyone. He said the petitioner is the owner of all property included within the boundaries of the area encompassing said streets except for several lots which the petitioner has the option to purchase. He said the closing of these streets would not be detrimental to or contrary to the public interest or the property rights of any individual since no individual owning property in the vicinity of said streets would by the permanent closing of said streets be deprived of reasonable means of ingress or egress to his property. He said the closing of these streets is in connection with the development of the Sky Harbor Factory Outlet Mall to be located on State Street and Amboy Road which recently received approval by the Asheville City Council under the Group Development Section of the Zoning Ordinance. He said the developer has been careful to close streets only necessary for the development of the project.

PROCEDURE FOR ADOPTION OF RESOLUTIONS AMENDING THE PLANS FOR EXTENSION OF CITY SERVICES INTO THE AREAS KNOWN AS CHUNNS COVE AREA, SWEETEN CREEK AREA, PATTON AVENUE AREA, AND BINGHAM ROAD AREA

2. Attorney Herbert Hyde said "Attorney Jack Stevens and I have advised the Council with respect to the statutory requirements having to do with ordinances of annexation. You have followed those steps required by statute up through and including a public hearing. The purpose of a public hearing is to give the public the opportunity to question and comment, which has been done. It is contemplated by the statute, of course, that City Council would listen to such public comments and then if it found it necessary to make such amendments to its plans or plan that it felt necessary. (Council could) After that public hearing it became necessary, in the view of your attorneys to make certain technical amendments. Some of those to follow the exact wording of the statute, even though you had substantially followed it in the plans to begin with, but your attorneys thought it best that certain amendments be made so that there could be no question but that your intent and purpose was to follow the statutes in those regards and that is a part of the amendments set forth in the resolutions as to each of the four separate areas. In addition to that, there was the necessity of an amendment for the description of the Chunns Cove area. Your attorneys felt it necessary to define and to make some changes in that description to meet the statutory requirements. It does not go beyond the area that was defined - you can't do that - you must stay within the area you started out with - you can have any lesser amount. But that amendment was put into a resolution and now those four resolutions, including those amendments, are before this Council for discussion and for whatever vote the Council takes on it - up or down -

RESOLUTION NO. 81-103 - RESOLUTION AMENDING THE PLAN FOR EXTENSION OF CITY SERVICES INTO THE AREA PROPOSED FOR ANNEXATION GENERALLY DESCRIBED AS THE PATTON AVENUE AREA

5. Consideration was given to a resolution amending the Plan for Extension of City Services into the area proposed for annexation generally described as the Patton Avenue area.

Verl Emrick, Director of Planning, said the amendment would include additional wording required by the North Carolina General Statutes dealing with declaration of assurance for fire protection and financing of water and sewer improvements.

Verl Emrick read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-103 was unanimously adopted.

Complete text of Resolution No. 81-103 will be found in Resolution Book No. 12 at page 393.

RESOLUTION NO. 81-104 - RESOLUTION AMENDING THE PLAN FOR EXTENSION OF CITY SERVICES INTO THE AREA PROPOSED FOR ANNEXATION GENERALLY DESCRIBED AS THE BINGHAM ROAD AREA

6. Consideration was given to a resolution amending the Plan for Extension of City Services into the area proposed for annexation generally described as the Bingham Road area.

Verl Emrick, Director of Planning, said the amendment would include additional wording required by the North Carolina General Statutes dealing with declaration of assurance for fire protection and financing of water and sewer improvements.

Verl Emrick read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 81-104 was unanimously adopted.

Complete text of Resolution No. 81-104 will be found in Resolution Book No. 12 at page 395.

Upon inquiry of Councilman Cole, Attorney Hyde and Stevens said in their opinion all the amendments necessary to the service plan had been made.

VERL EMRICK - DIRECTOR OF PLANNING - ADDITIONAL INFORMATION
RELATIVE TO ANNEXATION - ANSWERS/STATEMENTS RELATED TO QUESTIONS
WHICH HAVE ARISEN RELATIVE TO ANNEXATION

that's entirely up to you. But from a legal standpoint, your attorneys believe that those amendments should be considered to the plan. There is no statutory requirement nor is it usually the custom when those amendments are offered for there to be any further public hearing. The public is entitled to hear your discussion and to know what you are doing, but the statutes prescribe that after the public hearing you will contemplate such amendments without further public hearing. Those are now before you. Mr. Mayor does anyone have any questions from Council." He said the amendments would not change the substance of the plans but sets out specifically what the City will do with respect to services.

RESOLUTION NO. 81-101 - RESOLUTION AMENDING THE PLAN FOR EXTENSION OF CITY SERVICES INTO THE AREA PROPOSED FOR ANNEXATION GENERALLY DESCRIBED AS THE CHUNNS COVE AREA

3. Consideration was given to a resolution amending the Plan for Extension of City Services into the area proposed for annexation generally described as the Chunns Cove area.

Verl Emrick, Director of Planning, said the amendments deals with corrections in errors in distances and percentages described in the contiguity requirement of Chunns Cove area. He said the amendment does not reduce or expand the proposed area. He said the amendment also deals with declaration of assurance of fire protection and financing of water and sewer improvements.

Verl Emrick read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-101 was unanimously adopted.

Complete text of Resolution No. 81-101 can be found in Resolution Book No. 12 at page 389.

RESOLUTION NO. 81-102 - RESOLUTION AMENDING THE PLAN FOR EXTENSION OF CITY SERVICES INTO THE AREA PROPOSED FOR ANNEXATION GENERALLY DESCRIBED AS THE SWEETEN CREEK AREA

4. Consideration was given to a resolution amending the Plan for Extension of City Services into the area proposed for annexation generally described as the Sweeten Creek area.

Verl Emrick, Director of Planning, said the amendment would include additional wording required by the North Carolina General Statutes dealing with declaration of assurance for fire protection and financing the water and sewer improvements.

Verl Emrick read the resolution.

Upon inquiry of Attorney Jerry Crow, Mayor Trantham said public comments would not be received during the consideration of the resolution to amend the service plans. He said the City's attorneys will explain the procedure Council will follow in considering the annexation ordinances.

Fire Department responding on an as needed basis according to the existing mutual aid agreement.

Status of Mr. Ben Pace's signs at his business location

The provisions of Article 9 of the Asheville Zoning Ordinance (Ordinance No. 322, as amended) provide that all pertinent signs within the city's jurisdiction would be grandfathered and no changes required. All temporary signs within the jurisdiction would; however, be required to conform to the time restrictions governing the placement of such signs. Finally, if any of the signs within the city's jurisdiction do not conform to location, size, height or numbers of signs and Mr. Pace wishes to replace or modify the sign, all provisions of the ordinance would be complied with.

State maintained roads - Ballantree

Staff is advised that as of this date a portion of Ballantree Drive (approximately 2,500'), Braddock Way and North Braddock Way are state maintained. The remaining portions of the street system have not been submitted to NCDOT for consideration for dedication.

Areas excluded - Crowfield and Ballantree

- (a) Areas in Ballantree which were excluded were not developed for "Urban purposes" as defined by the General Statutes at the time the boundaries were established. It is true that development has occurred since that time, but staff recommends that enlargement of the boundaries not occur at this time.
- (b) The boundary in Crowfields follows Dingle Creek a natural boundary and required by the General Statutes. Development is also occurring on a portion of the area excluded, but again staff does not recommend expansion of the boundary.

Vice-Mayor Morris noted that anyone being excluded from annexation could petition the City to annex any particular parcel or parcels.

Garbage - Free Setout and Setback

In order to receive the free setout and setback for hardship cases, such as age, disability or infirmity, the persons who wish this service should obtain a medical statement to the effect of their disability or infirmity and submit the statement along with their request for service to Alfred Hagan, Superintendent of Sanitation Division, Department of Public Works, P. O. Box 7148, Asheville, North Carolina, 28807.

Upon receipt of the request for service, a representative of the Sanitation Division, Department of Public Works will call upon the person requesting the service to confirm the disability or infirmity and if confirmed, schedule the person for the service.

Persons wishing this service may also call the Service and Information Desk at 255-5405 and request the service. After receipt of the request, a representative will call upon the person requesting the service and confirm the disability or infirmity and if confirmed, schedule the person for the service.

7. At the request of Mayor Trantham, Verl Emrick highlighted the following answers or statements relative to questions which have arisen during the time in which annexation has been discussed:

Comparison of Police Services

Information given to staff by the City and County Departments indicate the following:

City of Asheville-County of Buncombe Law Enforcement Comparison

<u>Patrol</u>	<u>Average No. Of Patrol Personnel per Shift</u>	<u>Patrolmen Per Capita</u>	<u>Square Miles of Service Responsibility for each Officer</u>
City	15-30	1 per each 2,387	1.2
County	5-7	1 per each 17,760	103.5

This in staff's opinion indicates that the city can provide better service coverage for its jurisdiction.

Impact upon voluntary spirit

Throughout the City's and County's development, there has never been any indication of an unwillingness to assist the city or county governments in performing its function. Even when annexations have occurred, there has been no evidence of a breakdown of "Community Spirit." Mere lines do not/should not break the strong homogeneity of a community if there is a true spirit of community.

Effect of annexation on industrial growth

In a research effort to determine what effect annexation has had on the industrial location decision process the Planning Department contacted the Cities of Winston-Salem, Charlotte, and Raleigh, who have aggressive annexation policies. All reported that there was first, no out-migration of existing industries due to annexation and second, that no measurable loss of new industrial development could be felt although it is difficult to determine this effect.

In addition, there have been national surveys conducted by Business Week and Fortune magazines on the importance of various factors affecting the choice of plant location. In summary, the surveys showed that the availability of water and sewer services, the availability of empty buildings and the accessibility of skilled labor or of facilities to train the labor force are at the top of the list of considerations for future industrial plant locations. Also, near the top are trucking facilities, good transportation access, and availability of energy. Local taxes appear to have little to do with the decision making process.

cerning plans for services, and you have done that. Now, the order of business is consideration of the ordinances. The question of whether or not, Mr. Mayor, the Council allows further discussion is a matter of policy for the Council. I would point out, however, that this is a specialized proceeding. That it does lay down a time limit that is between seven (7) and sixty (60) days after the public hearing when you may consider an ordinance. If you kept on hearing the matter beyond sixty (60) days, then you could not pass a valid ordinance. If you acted before the seven (7) days, you could not pass a valid ordinance. Now, with respect to the ordinance itself, this Council may consider on first reading each ordinance and, of course, your regular City Council could advise you with respect to the General Statutes - Chapter 160A, not dealing with annexation particularly, but generally, that if more than one reading were considered that a two-thirds (2/3) vote is required. Your City Charter as I recall it - somewhere in it - has the same requirement, that if you read it more than one time on the same day, it requires a two-thirds (2/3) vote. That is a matter for this Council to determine. I merely advise you with respect to the law in that regard, Mr. Mayor. Now, as to the ordinance, the ordinance requires certain specific findings, again set forth in 160A-49(e) and the subsections thereunder. There are four particular things that it requires, specific findings showing that the area to be annexed meets the requirements of the statutes and then you must also find, and have in the ordinance, a statement of intent on the part of the City Council or the City government to provide services in an area being annexed, as set forth in your plan, which you have just amended in each instance. Then you must have a specific finding in the ordinance that on the effective date of the ordinance, you will have appropriated sufficient money to provide those services which you set out, with the exception of sewer and water lines, you must give those services immediately and as to those you must let the contracts within twelve (12) months from the effective date of the ordinance. It further provides that you will fix the effective date of the ordinance which shall be some day within twelve (12) months from the date you pass the ordinance. It could be the next day or it could be as far away as twelve (12) months, but not beyond that. Mr. Mayor that is briefly the way the situation is from the standpoint of the law. Council have looked at the ordinance. Mr. Stevens and I are of the opinion that from a purely legal standpoint each of the four ordinances comply with the requirements of the statutes. You have stated those things the statute requires, you now have amended the plan so that they comply, it is now a matter for City Council to consider. I may add, Mr. Mayor, and maybe I'm going beyond my function in advising legally, but I do know that my friend and fellow lawyer, Jerry Crow, had risen to speak and I've talked with him. I've seen in the audience some acquaintances and at one time, friends of mine who have spoken or did speak at the public hearing on behalf of groups. I know they are present. I don't know whether they desire to speak or not and you have a fairly large crowd present, some of whom if allowed to, may wish to speak. It is a matter for this Council to determine. You are governed and you are proceeding under a specialized statute touching annexation only. If you desire to allow people to speak, I've spoken to Mr. Crow, and I point this out - if you do - then if you allow one to speak for a group, then I think you should probably allow everybody who wants to speak just to be fair. And, then I also point this out to you, if you allow those who are here to speak without public notice that they would be allowed to there may have been others who would have desired to speak, had they known they could, but that in the end is a policy decision, Mr. Mayor, for this Council. Are there any questions?"

Keeping of Livestock - Commercial farmlands

There are permits required by the City of Asheville, Inspection Division for the keeping of livestock. However, if an individual operates a bona fide commercial farm there is a state law (G. S. 106.701) which indicates that local governing bodies must exempt those requirements. If the individual stops the operation of the commercial farmland then they would be required to meet the requirements of the City of Asheville pertaining to the livestock.

Will there be a change in fire insurance rates on mobile homes if annexation takes place?

There would be a decrease in the insurance rates based upon the higher underwriter's grading. The ratings would be the same as those given any residential structure based upon the cost/valuation of the structure itself.

Apparently there is some question as to whether property fire insurance rates in the City of Asheville are lower than those in surrounding towns and rural fire protection districts. Please be assured that rates are lower in the city limits of Asheville than in any of the adjacent towns or rural fire protection districts.

The National Board of Fire Underwriters gradings of Asheville and other protected districts in this area are as follows:

Asheville	NB Class 4
Biltmore Forest	NB Class 7
Woodfin	NB Class 8
Skyland, Reynolds, North Buncombe, etc.	NB Class 9AA

The lower the National Board rating, the lower the fire insurance rate, everything else being equal.

At this time Mayor Trantham called on Attorney Herbert Hyde to explain the general procedure to follow relative to considering the ordinance for annexation.

Attorney Hyde said "pursuant to the statute and particularly 160A-49(e) the Council is now at the point where consideration of passage of an ordinance of annexation is the next order of business. The statute provides that the Council will have a public hearing and notice must be given of that public hearing so that all interested parties may be heard. That notice was given and a public hearing was held. The statute then provides and it lays down a specific timetable, that no sooner than seven (7) days and no later than sixty (60) days thereafter the City Council shall have the power and authority to consider and to pass an annexation ordinance. It has been, according to my recollection, fourteen (14) days so that you are within the seven (7) to sixty (60) days since the public hearing. Since that public hearing, of course, you have not given notice of any further public hearing to my knowledge. The statute does not require it and requires no further public hearing. It does require City Council, as I mentioned a little while ago, to consider those facts presented at the public hearing and authorizes the Council to amend, as you have amended, each of the resolutions con-

Councilman Cole: "Mr. Mayor, today is a day that I will long remember. Today in Asheville is a day of decision. Today is the day and now is the time all of the chips are down and to be counted. My response on this vote today is one I do not take at all lightly. First some 53,708 citizens living in Asheville, according to the 1980 census count, are looking to me to represent them. True they did not all vote for me in the last City election. However, as I was elected, I have solemnly sworn to represent them and their interests to the best of my ability, "so help me God." We are considering an action today that may make more people new citizens of Asheville. Asheville is the HUB of Western North Carolina. Over many years, Asheville has promoted the general welfare of all of Western North Carolina and especially the development of Buncombe County. When people are sick or injured they come to our Regional Health Centers in Asheville of Memorial Mission Hospital/St Joseph's Hospital. People from everywhere come to the many medical practioners of doctors, medical specialist for medical and mental treatments. People come to Asheville to shop for goods and services, clothes, food, lumber materials, furniture, you name it. Most people in Western North Carolina read our daily newspapers "The Asheville Citizen" in the morning and "The Asheville Times" in the afternoon. Many years ago the Asheville City Council, while Mr. Weldon Weir was our City Manager, ran water lines into South Buncombe and into the Hominy up to Youngs Cove. The purpose was to encourage development of and/in Buncombe County. New industry was encouraged like the fine Gerber Plant that needed lots of water, also needed the fruits and vegetables grown by our farmers, and has provided employment for many people. With the coming of Gerber, many other plants as Ball Brothers came to Buncombe and others too numerous to name. The citizens of Asheville proposed a new airport and asked the Buncombe County residents to support for the airport. The Buncombe County vote was negative so Asheville citizens built the airport at a cost of millions of Asheville tax dollars. A new and larger water supply was needed so the citizens of Asheville financed the building of the North Fork Reservoir. Water has always been provided by the City for our citizens and also citizens in Buncombe County. But the City has not been able to charge more for the City's water to Buncombe County residents as is done in most every major city in North Carolina, where in most cases the rate the County is double that of City users. Why not in Asheville? An act of the North Carolina legislature submitted by late Billy Sullivan, he is dead, but certainly not forgotten because of his Sullivan Act, is still with us. With the repeal of prohibition as a progressive City, Asheville asked Buncombe County citizens to join in voting for alcohol beverages stores. You already know the answer Buncombe County citizens also rejected this. So Asheville voted in the A.B.C. stores. Downtown Asheville for many years has been the largest tax base of Buncombe County. However, in 1972 with the development of the Asheville Mall, our downtown central City Shopping area has deteriorated with the loss of the large department stores. Also, the reduction by the Buncombe County Tax Department of the taxable value of downtown property so that this major Buncombe County tax base has disappeared. During the four years I have been on City Council, we have made, every effort to contain operating costs and reduce cost of governmental services. So that we are down now to the time of put up or shut up.

I would like to read you from Luke, the 16th Chapter.

The Parable of the Shrewd Manager.

ORDINANCE NO. 1217 - ORDINANCE EXTENDING THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE INTO THE CHUNNS COVE AREA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA

8. Consideration was given to an ordinance extending the corporate limits of the City of Asheville into the Chunns Cove Area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Verl Emrick, Director of Planning, read the ordinance. He said the ordinance includes all the amendments made in the service plan by Resolution No. 81-101.

Councilwoman Price noted that the "Club House" has been excluded. She said water and sewer can not be provided above certain topographic areas. She said the owner could petition the City for annexation but it would have to be with the understanding that water and sewer services could not be provided. Mr. Emrick agreed with Councilwoman Price's notation.

Councilwoman Price moved for the adoption of Ordinance No. 1217. This motion was seconded by Councilman Cole.

On a roll call vote of 5-2, Ordinance No. 1217 passed on first reading, with Councilmen Boland and Brownlee voting "no."

The following is a verbatim text of statements made during Council members votes:

Councilman Boland: "I have to vote "no" on this particular ordinance. I think it interferes with our movement toward metropolitan government and the consolidation of services. It is poorly timed. I don't think it is the proper vehicle to solve the City's current fiscal problems."

Attorney Jerry Crow: "Excuse me, Mayor Trantham, is it the decision of Council, you will not allow public comment at this time? I know it's been the pleasure of the Bar and the public, probably on all other ordinances, that the City has considered over the history I've been in this community where you have allowed public comment. I would ask you to consider it with reference to each ordinance. I'm not here with reference to Chunns Cove, I am in reference to the South end of the County and the proposed extension of municipal boundaries to that area. I didn't know whether it was your decision or Council's decision as to whether public comment would be received."

Mayor Trantham: "Mr. Crow, the procedure of the Council in the past, if something comes up, that takes time - a public hearing or explanation of an ordinance that we have given the public the right to make comments and general procedure in the past. This has been going on for over a year now and has had public hearings. We've had Mr. Emrick go out in the four areas and explain the procedures. If you have something that hasn't been said, that is new, then we might consider that fact - if it is something that has not been said - there is no use to rehash the thing over and over again."

"Mr. Mayor, there is an old World War II saying that comes to my mind. "Pass the ammunition, damn the torpedos, and full speed ahead."

"Today, I cast my vote for the 53,708 citizens of Asheville and annexation.

"My vote is "Aye."

Councilwoman Price: "Aye"

Vice-Mayor Morris: "I'm not going to make a speech as long as Mr. Cole. I do have a few comments that I'd like to make. I'm sorry that the differential in taxes that one pays if he lives in the City are as large as they are. We have worked and plead with the County Commissioners to remove some of these. The problem is not the cost of City services. The problem is the fact that when you become a resident of the City, you'll continue to pay for County services that you no longer receive. I am sorry that you are not happy with annexation. I do believe that the City must grow and I must support this. I promise you that I will ask you to pay no tax that I don't pay. I'll not ask you to pay tax at a higher level than those I pay and I'll promise you that you will receive no less services than I receive from the City. So I'm only asking you to join me as an equal. We're not doing something to you that is not being done to us at the same time. 'Aye'."

Councilman Wilkes: "Mr. Mayor, I have a little prepared statement I'd like to read. I had to sit in the public hearing up until 11:00 o'clock being lambasted, but I have a statement I'd like to make at this time. Mr. Mayor and members of this Council and to the assembled citizens, after much duress and meditation I have denoted some of the following points. I have noticed that many of our more affluent people have moved to the periphery of the City, but yet continue to enjoy all the privileges of the City. When our people move out of the City, it leaves vacancies within the City that becomes occupied by those less likely to maintain the property and creates another blighted area within our City. In a personal survey, I found in many of our businesses that 6 out of 10 employees were not citizens of Asheville. The Sullivan Act has hampered the growth of this City for many years and many industries have ventured to this area because of our water which the City has provided. The tax base has many elements of inequity which must be addressed. The City of Asheville must maintain and retain a population of 50,000 or more. In 1960 the U. S. Census showed more than 60,000 citizens in Asheville, yet in 1980 the census reports less than 54,000. These people have not gone anywhere. Early morning Patton Avenue indicates that they are still here. Out of the long illustrious history that has been enjoyed by Asheville, it should not be tarnished by reverting to township, but should continue to grow and develop all of its resources. God has blessed us within the confines of these mountains. He has caused them to echo with laughter and joy, pure water and a moderate temperature, beautiful scenery and beautiful harvest, friendly neighbors, and overall viable City. I feel that anyone that has seen all the aforementioned properties and enjoyed the majestic beauty of this City called Asheville cannot in good conscience deny the City its legislative rights to annex. Mr. Mayor, I vote 'yes'."

Councilman Brownlee: "Before I vote on the four sections of Buncombe County to be brought into the City by annexation, I have a few remarks I'd

Luke 16:6

Jesus told his disciples: "There was a rich man whose manager was accused of wasting his possessions. So he called him in and asked him, 'What is this I hear about you? Give an account of your management, because you cannot be manager any longer.'

"The manager said to himself, 'What shall I do now? My master is taking away my job. I'm not strong enough to dig, and I'm ashamed to beg- I know what I'll do so that, when I lose my job here, people will welcome me into their houses.'

"So he called in each one his master's debtors. He asked the first, 'How much do you owe my master?'

"Eight hundred gallons of olive oil, he replied.

"The Manager told him 'Take your bill, sit down quickly, and make it four hundred.'

Luke 16:7

"Then he asked the second, 'And how much do you owe?'

"A thousand bushels of wheat, he replied.

"He told him, 'Take your bill and make it eight hundred.'

"The master commended the dishonest manager because he had acted shrewdly. For the people of this world are more shrewd in dealing with their own kind than are the people of the light. I tell you, use worldly wealth to gain friends for yourselves, so that when it is gone, you will be welcomed into eternal dwellings.

"Whoever can be trusted with very little can also be trusted with much, and whoever is dishonest with very little will also be dishonest with much. So if you have not been trustworthy in handling worldly wealth, who will trust you with true riches? And if you have not been trustworthy with someone else's property, who will give you property of your own.

"No servant can serve two masters. Either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve both God and money."

"Mr. Mayor, as I have said, this has weighed on me very heavily. I have a number of friends out there - I had a number of friends out there - But this is not a light step for me to cast this ballot. But the time is to cast the vote - the chips are down. I know we have talked and come up with the theory of a consolidated municipal City and County government. I look out there and I don't see the white horse with the rider coming across the hill at this time. So Mr. Mayor I think the buck stops right here. I think today, May 14, I must be counted. Annexation by the City will start the ball rolling to provide the proper growth for our City and services to our citizens.

Mayor Trantham: "Mr. Crow, I think that this thing has been discussed enough. We have followed all the rules and regulations. I think that everyone at the public hearing was given a right to speak. I see no use of any further discussion at this time. I asked if you had something new that has not been asked, I will recognize you to do that."

Attorney Jerry Crow: "Mr Mayor and members of Council, I do not know whether members of Council took part in it or not, but I do know since the public hearing an ad was run in the paper as to "Asheville needs annexation - please read this - Facts and why" and I believe your name was at the bottom of that ad. It appears that members of Council or you, on your own, have elected to discuss it more beyond the public hearing by going to the public with an ad of this nature. As a result, I feel like the public should be able to reply and respond. Frankly, I am shocked and I'm disappointed."

Mayor Trantham: "The fact is that, this has been discussed, we had a public hearing. You have had plenty of time to discuss this matter and address this Council and I had a perfect right to express my felling. Therefore, I don't see any use of going back into this thing and discuss it time and time again since everyone has had a chance to discuss it."

Attorney Crow: "Only pulling out, Mr. Mayor, that in the history of appearing before this fine Council, you have always taken public comment at the time of adoption of ordinances. Why you have elected to waive it this time, why you have elected to accelerate the reading on this particular occasion, I am frankly shocked and its unexplainable to me."

Mayor Trantham: "Mr. Crow, did we not give you that privilege at the public hearing. Did you not have the privilege of addressing Council."

Attorney Crow: "Sir, the privilege was there and we appreciate you granting it, but I just don't understand the concern of trying to stifle opinions at this point and time when you never have before in the history of the Council."

Mayor Trantham: "Thank you, Mr. Crow, we appreciate it."

Vice-Mayor Morris moved for the adoption of Ordinance No. 1218. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-2, Ordinance No. 1218 passed on first reading with Councilmen Boland and Brownlee voting "no."

Councilwoman Price moved to suspend the rules and proceed to the second of Ordinance No. 1218. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 5-2, Ordinance No. 1218 passed on second reading with Councilmen Boland and Brownlee voting "no."

Councilwoman Price moved to suspend the rules and proceed to the third of Ordinance No. 1218. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 5-2, Ordinance 1218 passed on third and final reading, with Councilmen Boland and Brownlee voting "no."

like to make. Mr. Mayor and members of the Council, I have no hard feelings against any member of the Council or any member of our administrative force of the City of Asheville. I have several reservations with this matter I'd like to make. In the first place, I do not agree with the Planning Division of the City of Asheville with some of these areas. I do not agree with taking into the City some of the farm areas and skipping some of the property adjoining these areas such as the Racquet Club and other areas. When annexation was first brought to the Asheville City Council, I was told that some areas in the Patton Avenue section would not be considered for annexation and I made myself very clear in this matter. I told some of the residents that contacted me that this area was not going to be annexed. The next time I was contacted by the residents of this area, I was advised that the people were told that this area was to be annexed. They received this information from the man that was picking up their garbage. The City Administration had not advised me on this change and it was rather embarrassing to me. I have not been contacted by any group of citizens of the City or County residents or any individual as to how I would vote on this issue. I made up my own mind and that is the way I will vote on this matter. When I sit on this Council, I forget about politics. I vote my conscience and I ask the good Lord to tell me how I should vote and I hope that I'm voting right. I know that the City has to grow, but I think the time and the way this thing was drawn up is wrong. So, my vote would be 'no'."

Mayor Trantham: "Aye."

Vice-Mayor Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1217. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 5-2, Ordinance No. 1217 passed on second reading with Councilmen Boland and Brownlee voting "no."

Councilman Wilkes moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1217. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 5-2, Ordinance No. 1217 passed on third and final reading with Councilmen Boland and Brownlee voting "no."

Absent: Corporation Counsel William C. Moore (vacation).

INVOCATION

Councilman H. C. Wilkes introduced Dr. W. A. (Bill) Jones, President of the National Black Pastors Association and Pastor of the Bethea Baptist Church in New York, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 14, 1981, meeting.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, the minutes of the May 14, 1981, meeting were approved as submitted.

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGET

2. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

The City Manager presented the budget amendment in the amount of \$44,064 to provide additional funds to complete an extension of the Haywood Road Sewer Line project in the West Asheville Community Development area.

Councilwoman Price moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT

3. Consideration was given to a motion approving the sale of disposal parcels in the East Riverside Renewal Project.

The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project:

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
136	Residential	2,700	3,305	Mr. & Mrs. Curtis Shade
142	Residential	2,000	2,452	Ms. Vera B. Crenshaw

Councilman Wilkes moved to approve the sale of the disposal parcels in the East Riverside Renewal Project as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

- C. Approval of bids received March 13, 1981, for one Sewer Maintenance Machine.

HIGHLIGHTS: Two (2) bids were received. Recommendation of acceptance of low bid submitted by Public Works Equipment and Supply, Inc., in the amount of \$89,367.00. Funding: Water and Sewer Department - Maintenance and Repair Sewer Activity - Account Code 30-50-730-734.0074.

Upon motion of Councilman Brownlee, seconded by Councilman Cole, the consent agenda was unanimously approved.

REQUEST BY COUNCILMAN WILKES - CHANGING NAME OF STREET - TOLULA LANE TO OLD "ASHLAND AVENUE"

13. Councilman Wilkes said that Council recently adopted a resolution changing the name Tolula Lane to "Old Ashland Avenue." He suggested that a sign be erected on the street stating that the name of the street is "Old Ashland Avenue" as soon as possible.

CLAIMS - ANNETTE OGLE - TED HAMMOND - PATRICIA WOOD - HAL CUMBOUGH

The City Manager presented claims received from Annette Ogle, Ted Hammond, Patricia Wood, and Hal Cumbough.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Brownlee, seconded by Councilman Cole, the meeting adjourned at 6:15 p.m.

MAYOR

CITY CLERK

7. The City Manager said a hearing had been scheduled relative to the appeal of W. B. Allison from the Board of Trustees of the Asheville Policemen's Pension and Disability Fund for May 28, 1981. He said Mr. Allison's attorney has contacted the City of Asheville and due to set trial obligations he could not be present at the May 28, 1981, meeting. He said Mr. Allison's attorney has requested that the hearing be rescheduled to June 25, 1981.

Councilman Cole moved to reschedule the hearing for W. B. Allison relative to an appeal of the decision of the Board of Trustees for the Asheville Policemen's Pension and Disability Fund for June 25, 1981. This motion was seconded by Councilwoman Price and carried unanimously.

PUBLIC HEARING SCHEDULED - AMENDMENT TO ORDINANCE NO. 1208 - REZONING PROPERTY ON LEICESTER HIGHWAY

8. The City Manager said a typographical error was made in Ordinance No. 1208, rezoning property on Leicester Highway to Commercial Service District. The typographical error was made only in the ordinance, not in the staff report from Planning and Zoning or the Notice to the Public. A lot number was typed 56 and should have been typed 46. Therefore, a public hearing is needed before the City can adopt an ordinance amending Ordinance No. 1208 to correct the error.

Councilman Boland moved to schedule a public hearing relative to amending Ordinance No. 1208 by deleting Hazel 13, Lot 56 and inserting in lieu thereof Hazel 13, Lot 46 to correct an error made in the ordinance. This motion was seconded by Councilman Cole and carried unanimously.

CLAIMS - CATHERINE HILZ - MARGARET MESSER - JAY COOPER

The City Manager presented claims received from Catherine Hilz, Margaret Messer, and Jay Cooper.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - MAY 28, 1981 - "AMNESTY INTERNATIONAL DAY"

Mayor Trantham proclaimed May 28, 1981, as "Amnesty International Day."

RESOLUTION NO. 81-107 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN A LEASE TERMINATION AGREEMENT WITH THE HERTZ CORPORATION

Consideration was given to a resolution authorizing the City Manager to sign a lease termination agreement with the Hertz Corporation.

The City Manager read the resolution stating that the City of Asheville and the Hertz Corporation are parties to a lease agreement entitled "Airport Services Facility Lease" dated May 31, 1979, and the term of the lease extends through May 31, 1999. The Hertz Corporation has requested that the City of Asheville consent to the immediate termination of the lease and the City of Asheville is willing to so consent upon the meeting of certain

RESOLUTION NO. 81-105 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A BLANKET RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE PURPOSE OF ELIMINATING THE NECESSITY OF ENTERING INTO SEPARATE ENCROACHMENT AGREEMENTS

4. Consideration was given to a resolution authorizing the Mayor to execute a blanket right-of-way encroachment agreement with the North Carolina Department of Transportation for the purpose of eliminating the necessity of entering into separate encroachment agreements.

The City Manager read the resolution explaining that this resolution will permit a blanket encroachment with the North Carolina Department of Transportation for the purpose of eliminating the necessity of having to enter into separate encroachment agreements in order to make water and sewer taps. These taps will be made in compliance with City specifications.

Upon motion of Councilman Boland, seconded by Councilman Wilkes, Resolution No. 81-105 was unanimously adopted.

Complete text of Resolution No. 81-105 will be found in Resolution Book No. 12 at page 397.

RESOLUTION NO. 81-106 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HUNTLEY CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS OLD HAW CREEK ROAD SIX INCH FIRELINE

5. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Huntley Construction Company for the project known as Old Haw Creek Road Six Inch Fireline.

The City Manager read the resolution stating that on Tuesday, April 28, 1981, bids were opened on the "Old Haw Creek Road Six Inch Fireline." Huntley Construction Company is the apparent low bidder for this contract in the amount of \$40,015.00. This resolution will authorize a contract with Huntley Construction Company for said project.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-106 was unanimously adopted.

Complete text of Resolution No. 81-106 will be found in Resolution Book No. 12 at page 398.

ANNOUNCEMENT OF PUBLIC HEARING - GENERAL REVENUE SHARING FUND

6. The City Manager said a public hearing will be held on May 28, 1981, at 4:00 P.M. in the Council Chambers for the purpose of discussing the proposed uses of General Revenue Sharing Funds for the remainder of FY 1980-81 and for FY 1981-82. The City of Asheville will receive approximately \$1,394,000 in General Revenue Sharing Funds in FY 1981-82 and has \$804,851 in unappropriated General Revenue Sharing Funds. He said at this public hearing citizens are invited to offer oral or written comments.

LETTER TO R. CURTIS RATCLIFF - BUNCOMBE COUNTY COMMISSIONER
-RELATIVE TO WATER AGREEMENT

Mayor Trantham read the following letter which was delivered to R. Curtis Ratcliff, Chairman of the Buncombe County Commissioners:

The Honorable R. Curtis Ratcliff
Chairman, Buncombe County Commissioners
Post Office Box 7435
Asheville, North Carolina 28817

Dear Curt:

Enclosed herewith are signed copies of the letters you had prepared for the General Assembly Delegation pertaining to repealing a section of House Bill 794 having to do with a legal matter pertaining to the water agreement. As I understand it, the Board of Commissioners want to avoid a public hearing on this matter and a potential risk of a called referendum by 25 voters by this particular section of the law being repealed by the General Assembly. Since this really only involves the County's legal responsibility and does not have anything to do with the City, I do not feel I should object if this is the way you prefer to handle this business.

On another matter and considerably more important than this legal technicality, is the water agreement itself. On behalf of the City Council, I want to say that we are solidly behind the concept of the City/County Water Agreement and we would like to proceed with the signing of an agreement as soon as practical.

conditions. The Hertz Corporation has agreed to the conditions set forth by the City of Asheville and this resolution will authorize the execution of the lease termination agreement.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-107 was unanimously adopted.

Complete text of Resolution No. 81-107 will be found in Resolution Book No. 12 at page 399.

ANDREA AUSTIN - COMMENTS RELATIVE TO SIDEWALKS DOWNTOWN

Andrea Austin commended Council for the work done on the brick sidewalks downtown.

RALPH BISHOP - COMMENTS RELATIVE TO THE RECENT ANNEXATION

Ralph Bishop spoke to Council in opposition to the recent annexation ordinances adopted by the City Council.

ADJOURNMENT

Upon motion of Councilman Cole, seconded by Councilwoman Price, the meeting adjourned at 4:35 p.m.

MAYOR

CITY CLERK

The Honorable James McClure Clarke
Senator
The State Senate
Legislative Building
Raleigh, North Carolina 27611

Dear Senator Swain:

As you know, we are anxious to finalize the water agreement reached between our entities. The bond attorneys have directed our attention to House Bill 794, Chapter 618 of the 1951 Session Laws. This Bill in part provides that before the Commissioners of Buncombe County may enter into a contract for the sale of water in a water district . . . they shall cause a written notice to be published in Buncombe County and to have a meeting to consider suggestions with respect to such contract and objections to the execution thereof of not less than 30 nor more than 40 days after the first publication of the notice. The Bill further provides that if at the hearing written objection to the execution of the contracts is filed by 25 qualified voters of the district affected, then the Commissioners shall be without power to execute the contract unless and until it has been approved by the qualified voters of the water district so affected.

The Board of Commissioners has not begun publishing of a notice to comply with this provision of the law believing that perhaps the more prudent approach would be to simply repeal this Bill to avoid the requirements set forth therein.

We, the Board of Commissioners and the City Council, believe that the interest of the City and County would be served by an expeditious execution of the water agreement and that this legal impediment to the execution of the same should be removed and we herewith join in requesting the legislature to take such action as may be appropriate as to eliminate the same.

Sincerely,

R. Curtis Ratcliff
Chairman, Board of
Commissioners for the
County of Buncombe

Roy M. Trantham, Mayor
City of Asheville

However, in the past few weeks, there are several matters that have come up that we should resolve in order for us to move ahead with the signing. Briefly, these matters are as follows:

- 1) A final draft of the Agreement should be developed as soon as possible taking into consideration the final option of the bond attorney and the Local Government Commission.
- 2) That as a result of matters beyond our control pertaining to the need for the City to proceed with natural growth under routine state annexation law, we feel that some language should be added, in an appropriate section of the Agreement, that in the event we are denied normal growth, that would affect the condition of the Agreement.
- 3) That as a result of matters beyond our control pertaining to special local legislation being considered by the General Assembly Delegation dealing with Metropolitan Government, we feel that some language should be added, in an appropriate section of the Agreement, that in the event we are required to submit to special local legislation along these lines, that would affect the conditions of the Agreement. The Council believes as do the County Commissioners, that Metropolitan Government, is a local matter not one to be mandated by special local legislation by the General Assembly. We have come up with a practical way to handle this and we should pursue it.
- 4) This week the Council informally acted to consider a 30% water rate increase effective July 1, 1981. Our reasons for doing this were that the proposed water budget for 1981-82 showed a deficit balance, no funds for capital expense were available, and too little money was left in unappropriated fund balance. In the absence of having received a budget recommendation from the Water Authority, we feel that this preliminary step is necessary to proceed with normal budget functions of operations City departments.

We look forward to getting together soon to discuss these in detail.

Very truly yours,

Roy M. Trantham
Mayor

CC: Asheville City Council
Buncombe County Commissioners

Enclosure

Letter to James M. Clark dated 5/12/81 from R. Curtis Ratcliff and Roy M. Trantham

Corporation Counsel William C. Moore read the resolution.

Attorney Jan Grimes said it was his understanding that the Water and Sewer Department has requested a permanent easement for water lines on the streets proposed to be closed. He said the easement has not, as of this date, been executed by all parties but he did not anticipated any problems with the execution of the easement.

The City Clerk, William F. Wolcott, Jr., suggested that Council continue the public hearing until such time as Attorney Grimes has the deed of easement on the water lines executed.

Councilman Wilkes moved to continue the public hearing until the deed of easement has been executed. This motion was seconded by Councilman Boland and carried unanimously.

PRESENTATION OF THE 1981-82 BUDGET FOR THE CITY OF ASHEVILLE

5. Presentation of the 1981-82 Budget for the City of Asheville.

The City Manager highlighted the following budget message and attachments thereto:

May 28, 1981

The Honorable Mayor and
Members of City Council
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mayor and Members of Council:

Submitted herewith are the budget estimates for Fiscal Year 1981-82, which begins July 1, 1981. The budget was prepared according to the provisions of the Local Government Budget and Fiscal Control Act, as amended.

In accordance with this act, a copy of the budget will be filed in the office of the City Clerk, "where it shall remain available for public inspection until the budget ordinance is adopted." The act also requires that the City Clerk publish a statement that the budget has been submitted to the governing board and is available for public inspection in his office. The statement shall also give notice of the time and place of a required public hearing. As a matter of local practice, the budget ordinance requires three readings before adoption. The law requires that it be adopted "not earlier than ten days after the budget is presented to the board and not later than July 1, 1981." Changes may be made in the budget at any of the three readings.

**PUBLIC HEARING - PROPOSED USES OF GENERAL REVENUE SHARING FUNDS
- REMAINDER FY 1980-81 AND FY 1981-82**

3. A public hearing was held relative to the proposed uses of General Revenue Sharing Funds for the remainder of FY 1980-81 and for FY 1981-82.

Mayor Trantham opened the public hearing at 4:11 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Robert Wurst, Audit and Budget Director, said the General Revenue Sharing guidelines require that a public hearing be held relative to the proposed uses of General Revenue Sharing Funds before the presentation of the annual budget for the City. He said the purpose of the public hearing is to present staff proposals for uses of the General Revenue Sharing Funds and to hear comments relative to the proposed uses. He said the actual budget hearing on the City of Asheville 1981-82 Budget is anticipated for June 11, 1981.

Mr. Wurst said there is a budget amendment on today's agenda appropriating Federal Revenue Sharing Funds in the amount \$682,814 for additional capital outlay items requested by the City departments. He said this amendment is due to action taken by Congress to continue General Revenue Sharing funding. He said capital outlay items have been re-prioritized and items that were not funded in the regular budget will be funded under the additional General Revenue Sharing funding. He said the City of Asheville will receive approximately \$1,324,000 in General Revenue Sharing Funds in Fiscal Year 1981-82.

A discussion was held relative to the proposed uses of the General Revenue Sharing Funds as to whether they would be used for capital outlay equipment or the general operations of the City. Mr. Wurst said that part of the General Revenue Sharing Funds will be used for basic replacement of equipment for on-going needs.

Ralph Bishop spoke in opposition to using Federal Government Funds to subsidize a "corrupt" police department.

Mayor Trantham closed the public hearing at 4:23 P.M.

**PUBLIC HEARING - CLOSING A PORTION OF ELMWOOD (ALSO KNOWN AS
ELWOOD STREET), JACKSON AVENUE AND SHARON ROAD**

4. A public hearing was held relative to closing a portion of Elmwood (also known as Elwood Street), Jackson Avenue and Sharon Road.

Mayor Trantham opened the public hearing at 4:24 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

1. We are still planning to use approximately \$473,000 of reserves that will not be available next year. Therefore, our goal should be to balance the next fiscal year's operating expenses with the next fiscal year's revenue receipts. To meet that goal we need an additional \$1,426,000 of revenues in fiscal year 1981-82. (See Attachment II, 5 Year Projection of General Fund.)
2. The budget is still too dependent on federal funds, principally revenue sharing, for routine equipment and maintenance.
3. Because of limited capital reserves we cannot do an adequate job of maintenance to streets, sidewalks, buildings, etc. In fact, at this point in the budget there is no appropriation for street resurfacing in fiscal year 1981-82. (See Attachment IV, Capital Needs Expected Over the Next Years, Attachment IX, General Revenue Sharing 1981-82, Attachment X, Sinking Fund Balance 1981-82.)
4. The budget plan does not adequately fund a number of known contingencies such as:
 - a) a potential law suit dealing with annexation and a consequent delay in receiving ad valorem tax revenues from newly annexed areas,
 - b) the settlement of the Cauble suit which may require Council to decide whether approximately \$400,000 of the \$1 million fund balance will be used for that purpose or whether we must set that amount aside as a budget item,
 - c) finalizing the water agreement,
 - d) providing funds for the Downtown Commercial Complex beyond the study phase should the Council decide to proceed further with implementation, and
 - e) a potential bill in the General Assembly that could delay the effective dates of annexation.
5. Some of the unknown contingencies could be:
 - a) a legal action by a utility company as happened in 1978-79 which held up tax payments of \$310,000,
 - b) inflation - particularly if fuel and utility prices go beyond our estimates, and
 - c) severe weather conditions.
6. Our General Fund contingency is only \$100,000.

Our approach to this budget has been a team effort of employees and council working together. The budget reflects the following decisions regarding the general fund and water fund:

1. We retained \$1 million in cash flow (unappropriated fund balance - an amount equal to about two weeks operations).
2. There are no layoffs and no major service cuts.
3. We transferred the 1939 Police Pension obligation from Revenue Sharing to the General Fund.
4. Based on an informal council decision May 26, 1981, a 10¢/\$100 valuation ad valorem tax increase has been budgeted as a revenue. This would amount to \$854,159 to offset money that would have been taken from capital fund savings to pay for operations. It is noteworthy that the last ad valorem tax increase was July 1, 1977, and that increase was 5¢. (See Attachment VII, City of Asheville Comparative, and Attachment VIII, Tax Burden and Sample City Residents - Tax Increase Effects.)
5. Based on an informal council decision May 26, 1981, water rates will be increased 30% to create a realistic water/sewer capital fund. The last water rate increase was July 1, 1979, and that was a 40% increase. (See Attachment VI, Five Year Projection of the Water Fund.)
6. There is a 5% salary scale adjustment planned for July 1, 1981, and a continuation of current fringe benefits for employees.
7. The budget reflects the decision to annex effective June 30, 1981, areas commonly known as Bingham Road, Chunns Cove, Sweeten Creek Road and Patton Avenue.
8. Several fees and charges recommendations, principally part of a study done by the Management Improvement Corporation of America (MICA) are budgeted. These are listed in Attachment I. These changes are planned to be enacted by separate resolution or ordinance action by the Council.
9. The budget assumes that the City/County Water Agreement will be put into effect.
10. The water fund permits completion of the water and sewer annexation obligation to the four areas listed in item 7 above. The water fund also permits starting construction of a new operations facility on Valley Street and funds for renovation of the Bee Tree Dam to meet the federal dam standards.

While the overall budget reflects some very positive things there are still several matters that we need to consider further.

termine if we can fill it by transferring the work to an existing, a lower, or a part-time position.

- A freeze has been placed on further hiring and promotions in the Fire Department until we complete a major study being made by MICA.
- Two operations are on a 4-day work week in order to save energy during daylight savings time.
- The Police Department uses an expeditor approach to cut down on unnecessary travel.

8. State budget decisions may affect roads, public works, etc.

10. We will no longer have the use of fund balance, pension reserves and capital fund savings which in the past have produced investment earnings in excess of \$355,000 per year - more than 4% on the tax rate.

Some facts about the 1981-82 budget

- More than \$90,472 has been absorbed for operating the Senior Opportunity Center (since this was the last year for funding that program under Community Development) and for some other community center operations not fully staffed last year.
- A 3-year program has been put into effect to reduce the Inspection Division staff from 28 to 23 and to cross train inspectors.
- In several divisions, we are budgeting vacancies that we assume will occur for the length of time it takes to fill those jobs.
- The City will settle a majority of outstanding worker's compensation claims.
- Labor needs have been shifted to hiring for peak demands, eliminating full-time positions when vacancies occur and using part-time employees when possible.
- Several functions have been consolidated.
- \$102,584 has been absorbed into the General Fund for new engineering costs as a result of the water agreement.
- The ad valorem tax barely pays for police, fire and garbage collection.

Conclusion

No budget is easy, and no budget should be final. It should be viewed as the general plan of activity for the year indicated, capable of being adjusted to the unexpected. The management goal for the year will be to cut an additional 2.5% (\$422,000) out of expenses between July 1, 1981, and June 30, 1982, and to insure that revenues are at least as high as the budget anticipates.

Our department and division heads deserve particular recognition for their efforts and cooperation in preparing their respective elements of this budget. I firmly believe that this and greater overall efficiency in delivering municipal services are positive results of my emphasis on decentralized management accountability and responsibility. Special recognition for direct assistance in preparation and production of the budget is given to the Employee Services Department, Data Processing Division, Accounting Division, the Finance Department, Print Shop personnel, the Department of Administration, and to the City Council for their long hours of deliberation over this budget.

Respectfully submitted,

K. M. Michalove

right of way acquisition cost to the State in the 1981-82 budget, most of which are continuing commitments, is \$222,000.

Vice-Mayor Morris said it was beyond him why the City taxpayer must pick up part of the cost of the right of way for the major roads that go through the City and the County taxpayer does not have to pay any of the cost. He said the State pick ups the County's share for right of way cost. He said the Council should talk to the legislators about this problem. He said there is no reasonable reason for the city taxpayer to pay for right-of-way acquisition cost when the County taxpayer does not.

Upon inquiry of Mayor Trantham, Corporation Counsel Moore said he hoped the Cauble suit would be settled within the next three to four months.

Councilman Wilkes said for some time the downtown property has been lying dormant and wanted to know what the City was doing, at this point, about the Downtown Commercial Complex.

In response to Councilman Wilkes, the City Manager said the City is still working with the Strouse-Greenberg Company. He said the main reason the Council decided to move the date of the decision up was because the Federal Government has not decided on how much money they are going to put into the program such as UDAG and the State government has not made their decision about the funding of highway projects.

Upon inquiry of the City Manager, the Finance Director and the City auditor said a contingency fund of \$100,000 in the budget is not adequate.

Councilwoman Price asked the City Manager what he anticipated on the percentage of collection of ad valorem taxes.

In response to Councilwoman Price, the City Manager said the percentage is estimated at 93%.

Vice-Mayor Morris said, in his opinion, it would help to increase the percentage of collection if the State legislature would impose a higher penalty for non payment of taxes.

Councilman Boland asked if MICA is studying the feasibility of providing some City services by private concerns.

In response to Councilman Boland, the City Manager said some types of services, particularly the patch work on streets for water cuts has been implemented.

Councilman Boland said in his opinion there may be some significant savings to this type of approach.

Councilman Brownlee asked the City Manager what he meant in the budget message by consolidating several functions.

After discussion, Councilman Boland moved that the City Council not change the proposed 5% salary scale adjustment proposed in the 1981-82 budget for City employees. This motion was seconded by Councilwoman Price and carried unanimously. This action was taken in order for City employees to be notified of the proposed salary scale adjustment.

During the presentation of the budget message the following questions and/or notations were made:

Upon inquiry of Councilman Wilkes as to what the five percent salary adjustment would come to in monies for all employees, the City Manager said the total of \$800,000 would include the total package being the five percent salary adjustment increase July 1st across the board, performance pay increases, hospitalization increases, social security increases, and longevity.

In response to Councilman Boland relative to the amount of monies involved in performance pay, the City Manager said that he would do an analysis of what the breakdown would be on the total package.

Councilman Wilkes said the total amount of \$800,000 which included everything in the city employee package and not just the five percent salary increase is misleading to the public. He said he would like to know the exact amount of the five percent salary adjustment increase, excluding the fringe benefits.

In response to Councilman Wilkes, Richard Kendrick of the Budget and Audit Staff said the five percent increase would amount to \$480,000 and the performance pay increase would amount to \$251,000.

Councilwoman Price noted that this is the second year the City of Asheville has been involved in the Management Improvement Program and the City is taking MICA's recommendations and continuing with efforts to insure that the operations of the City are carried out as efficient as possible.

Councilman Wilkes asked how much the Management Improvement Corporation of America recommended that the City keep in reserve. He said he felt the amount of \$1,000,000 which would be an estimated operating cost of two weeks is very little.

In response to Councilman Wilkes, Mr. Larry Fisher, Director of Finance and Mr. Bob Wurst, Budget & Audit Director, said that the recommended amount to be retained in the fund balance should be at least \$2,000,000 or one month's operating cost.

Councilman Wilkes noted that the City is on "unsafe ground" with \$1,000,000 retained in the fund balance.

Vice-Mayor Morris asked how much the City would pay to the State for various right-of-way acquisitions for the expressway, etc. over the course of the 1981-82 year.

In response to Vice-Mayor Morris' question, Mr. Wurst said the

equipment as it relates to the evaluation of using old equipment in other divisions.

Mr. Wurst summarized the capital outlay items requested by the City departments.

Councilman Wilkes moved to approve the budget amendment as presented by the Budget and Audit Director. This motion was seconded by Vice-Mayor Morris and carried on a voice vote of 6-1 with Councilman Brownlee voting "no."

Councilman Brownlee said that he had received a lot of telephone calls relative to all the increases proposed by the City administration. He said he felt the citizens had not been informed of the proposed increases by the City administration and they were very much upset. He said a lot of the citizens are on fixed incomes and the increases would bring about a hardship for them.

BUDGET AMENDMENT - ANNUAL OPERATING BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1980-81 (ANNEXATION COST)

7. Consideration was given to a budget amendment amending the Annual Operating Budget for the City of Asheville for fiscal year 1980-81.

Bob Wurst, Budget and Audit Director, said this budget amendment in the amount of \$160,486 from the General Fund Contingency is to meet additional needs of the City's operating departments for the period April 30, 1981, to June 30, 1981. This amendment is being made to gear up for the newly annexed areas and in particular provides for the hiring/ training of new police and fire employees.

Councilwoman Price moved to approve the budget amendment as presented by the Budget and Audit Director. This motion was seconded by Councilman Boland and carried unanimously.

BUDGET AMENDMENT - ANNUAL OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1980-81 (SIX ASSOCIATES - REVISED CONTRACT)

8. Consideration was given to a budget amendment amending the Annual Operating Budget of the City of Asheville for fiscal year 1980-81.

Bob Wurst, Budget and Audit Director, said this budget amendment in the amount of \$30,000 is to budget for the revised contract with Six Associates, Inc., for the Economic Development Department. The cost of the contract is expected to be \$70,000 and funding will come from a reduction in the General Fund's contribution to debt service.

The City Manager in response to Councilman Wilkes said the original contract with Six Associates was for a six months period and the revised contract will extend the contract period until June 30, 1982.

Vice-Mayor Morris moved to approve the budget amendment as

In response to Councilman Brownlee, the City Manager said several divisions were put under one central director such as the Street Department, Sanitation Department, Inspections Department and Traffic Engineering Department being placed under the Public Works Director. He said this cuts down on misunderstandings and also cuts down on the number of people reporting to him directly. He said in the past he had 35 to 40 employees reporting to him and now he has about 15.

Councilman Brownlee said he did not feel the consolidation of functions has cut down on the number of employees.

The City Manager responded that in 1976, the City had 936 permanent positions and in 1980, there are 885 permanent positions. He said he felt that was a pretty significant cut in employees.

Councilman Brownlee asked how these figures compared with 1968. He said he felt there would be quite a bit of difference in comparison.

The City Manager responded that he did not have those figures, but he would be willing to obtain a comparison of this year's budget with 1968.

Councilman Brownlee responded that that would not be necessary that he was just curious.

Councilman Wilkes said that it was his understanding that the City has a contract with Carolina Power & Light Company whereby the City pays for the street lights whether they are turned on or not. He asked when that contract would expire.

In response to Councilman Wilkes, the City Manager said each system of lights is on a different contract. He said part of the lights are on contract and part of them are not. He said the City is working on taking some lights down in order to cut costs, however, if the City took down some of the lights it would not represent a savings.

BUDGET AMENDMENT - ANNUAL OPERATING BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1980-81 (REVENUE SHARING FUNDS)

6. Consideration was given to a budget amendment amending the Annual Operating Budget for the City of Asheville for fiscal year 1980-81.

Bob Wurst, Budget & Audit Director, presented the budget amendment in the \$682,814 to budget Federal Revenue Sharing Funds for additional capital outlay items requested by the City's departments.

Councilman Wilkes said as critical as the budget is this year, he would like to make sure that all items requested are necessary and a must.

The City Manager responded to Councilman Wilkes that he was confident that all items requested were necessary.

A discussion was held relative to the process of purchasing new

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, reviewed the location of the right-of-way parcels for members of Council.

Councilman Wilkes moved to approve the sale of the right-of-way parcels as tentatively accepted by the Housing Authority. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 81-109 - RESOLUTION ESTABLISHING FILING FEE FOR THE 1981 ASHEVILLE MUNICIPAL PRIMARY AND ELECTION

12. Consideration was given to a resolution establishing filing fee for 1981 Asheville Municipal Primary and Election.

The City Manager read the resolution stating that the North Carolina General Statute 163-291(3) provides that filing fees for municipal and district primaries shall be fixed by the Municipal Governing Body and the statute prescribes that the filing fee shall be not less than \$5.00 nor more than one percent (1%) of the annual salary of the office sought. This resolution will set the filing fee for candidates seeking party nomination for municipal office in the City of Asheville at \$25.00.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 81-109 was unanimously adopted.

Complete text of Resolution No. 81-109 will be found in Resolution Book No. 12 at page 401.

RESOLUTION NO. 81-110 - RESOLUTION PROCLAIMING THE MONTH OF JUNE, 1981, AS BURGULARY PREVENTION MONTHS

13. Consideration was given to a resolution proclaiming the month of June, 1981, as Burglary Prevention Month.

The City Manager read the resolution stating that the Council joins with the International Association of Chiefs of Police in its designation of June, 1981, as Burglary Prevention Month and calls upon all citizens of the City of Asheville to assist their Police Department and to do all else possible, to prevent, detect and report the crime of Burglary.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 81-110 was unanimously adopted.

Complete text of Resolution No. 81-110 will be found in Resolution Book No. 12 at page 402.

APPROVAL OF THE CONSENT AGENDA

14. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or

presented by the Budget and Audit Director. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - WATER AND SEWER OPERATING FUND AND WATER AND SEWER CAPITAL CONSTRUCTION FUND FOR FISCAL YEAR FOR 1980-81

9. Consideration was given to a budget amendment amending the Water and Sewer Operating Fund and Water and Sewer Capital Construction Fund for Fiscal Year 1980-81.

Bob Wurst, Budget and Audit Director, said this budget amendment in the amount of \$876,819 is to appropriate funding for sewer improvements. He said this budget amendment would provide for the water and sewer improvements in the newly annexed areas.

Councilwoman Price moved to approve the budget amendment as presented by the Budget and Audit Director. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 81-108 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A REVISED CONTRACT WITH SIX ASSOCIATES, INC., FOR STAFFING SERVICES TO THE CITY OF ASHEVILLE AND THE ASHEVILLE REVITALIZATION AND ECONOMIC COMMISSION

10. Consideration was given to a resolution authorizing the City Manager to enter into a revised contract with Six Associates, Inc., for staffing services to the City of Asheville and the Asheville Revitalization and Economic Commission.

The City Manager read the resolution explaining that this resolution will authorize an extension of the contract from September 30, 1981, until June 30, 1982.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 81-108 was unanimously adopted.

Complete text of Resolution No. 81-108 will be found in Resolution Book No. 12 at page 400.

SALE OF RIGHT-OF-WAY PARCELS - EAST RIVERSIDE RENEWAL PROJECT

11. Consideration was given to a motion approving the sale of right-of-way parcels in the East Riverside Renewal Project.

The City Manager said the Housing Authority has tentatively accepted offers from the North Carolina Department of Transportation to purchase the following right-of-way parcels in the East Riverside Renewal Project:

Parcel	Area	Price
N, O, P, & R	1.87 Acres	\$133,300.00
Ash/So/McD	1.15 Acres	106,700.00
Totals	3.02 Acres	\$240,000.00

- E. Approval of bids received April 24, 1981, for "Two Air-Powered Underground Piercing Tools."

HIGHLIGHTS: One bid was received. Recommendation of acceptance of the bid of Allied Industrial Engineering in the amount of \$5,682.30. Sufficient funds for this purchase are available in the Water & Sewer Operations - Maintenance and Repair Activities.

Upon motion of Councilman Cole, seconded by Councilman Boland, the consent agenda was unanimously approved.

REQUEST BY COUNCILMAN WILKES - TRIMMING OF TREES - ASHELAND AND PHIFER STREET

Councilman Wilkes requested that the trees at the corner of Asheland and Phifer Street be trimmed.

RECOGNITION OF LARRY FISHER, DIRECTOR OF FINANCE, CHARLES KILLIAN OF PATTON & HUNTER - ATTAINMENT OF CERTIFICATE OF CONFORMANCE IN FINANCIAL REPORTING

The City Manager recognized Larry Fisher, Director of Finance and Charles Killian of Patton and Hunter, for their efforts in the City of Asheville receiving a Certificate of Conformance in Financial Reporting. He said the Certificate of Conformance is the highest form of recognition in governmental accounting and financial reporting and its attainment represents a significance of accomplishment by the Director of Finance.

RESOLUTION NO. 81-113 - RESOLUTION OF INTENT SIGNIFYING THE INTEREST OF THE CITY OF ASHEVILLE AND WILLINGNESS OF THE CITY COUNCIL TO PURSUE EXPLORING THE FEASIBILITY OF A METROPOLITAN GOVERNMENT FOR OUR COMMUNITY

Consideration was given to a resolution signifying the interest of the City of Asheville and willingness of the City Council to pursue exploring the feasibility of a metropolitan government for our community.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, Resolution No. 81-113 was unanimously adopted.

Complete text of Resolution No. 81-113 will be found in Resolution Book No. 12 at page 405.

CLAIMS - A. G. CARVER - EDISON HILL - T. C. COLE

The City Manager presented claims received from A. G. Carver, Edison Hill, and T. C. Cole.

Mayor Trantham referred the claims to the Corporation Counsel for

separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-111 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Sears Contract Sales for the project known as the North Fork Reservoir - East Boundary Fence Line.

HIGHLIGHTS: On Tuesday, May 19, 1981, bids were opened on the North Fork Reservoir - East Boundary Line Fence Project. Sears Contract Sales is the apparent low bidder for this contract in the amount of \$14,528.25. This resolution will authorize the Mayor to enter into a contract with Sears Contract Sales for said project.

INVOCATION

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES - MAY 28, 1981 MEETING- AMENDMENTS TO MINUTES OF MARCH 26, 1981 AND MAY 14, 1981

1. Approval of the minutes of the May 28, 1981 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Brownlee, the minutes of the May 28, 1981 meeting were approved as submitted.

The City Clerk said he had received a recommendation from Attorneys Jack Stevens and Herbert Hyde, representing the City of Asheville relative to legal procedures on annexation, that the minutes of the March 26, 1981 and May 14, 1981 be amended.

Verl Emrick, Director of Planning, read the following proposed amendments to be made in the minutes of the March 26, 1981 meeting:

Page 453, Last Paragraph, and continued to Page 454, First Paragraph, be amended to read as follows:

"Mr. Emrick remarked that at his presentation to Council on March 17, 1981, a proposed timetable was presented. He said the first step in the process is to prepare a plan for annexation on which the Planning Department has been working. He said the second step is the adoption, by Council, of Resolutions of Intent to annex and the scheduling of public hearings relative to the annexation. He said before the public hearings Council must adopt Plans of annexation, which he proposed could be scheduled for consideration on April 9, 1981. He said the full Plan would need to be considered at a public hearing which could be held on April 30, 1981. He said after the public hearing, Council could consider the adoption of annexation ordinances and the ordinances could be considered on May 14, May 21 and May 28, 1981. He recommended that the effective date of the annexation ordinances, if adopted, be June 30, 1981."

Page 454, Second Paragraph under Item 4 be amended to read as follows:

"Verl Emrick, Director of Planning, described the Chunns Cove area and its boundaries which is being considered for annexation."

investigation and recommendation.

RESOLUTION NO. 81-114 - RESOLUTION REQUESTING THE BUNCOMBE COUNTY DELEGATION TO THE NORTH CAROLINA GENERAL ASSEMBLY TO SUPPORT HOUSE BILL 839, WHICH DEALS WITH ADDITIONAL SALES TAX REVENUE FOR LOCAL GOVERNMENTS IN NORTH CAROLINA

Consideration was given to a resolution requesting the Buncombe County delegation to the North Carolina General Assembly to support House Bill 839, which deals with additional sales tax revenue for local governments in North Carolina.

The City Manager read the resolution.

Upon motion of Vice-Mayor Morris, seconded by Councilman Cole, Resolution No. 81-114 was unanimously adopted.

Complete text of Resolution No. 81-114 will be found in Resolution Book No. 12 at page 406.

RALPH BISHOP - COMMENTS RELATIVE TO PROPOSED INCREASES

Ralph Bishop spoke to Council relative to his opposition to proposed increases. He said this Council has "bankrupt" the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Cole, the meeting adjourned at 6:05 p.m.

MAYOR

CITY CLERK

Page 31, Fourth Paragraph under Item 4 be amended to read as follows:

"Upon inquiry of Attorney Jerry Crow, Mayor Trantham said public comments would not be received during the consideration of the resolution to amend the service plans such plans having previously been the subject of exhaustive public comment at public hearings held on April 30, 1981."

Page 32, Second Paragraph under Item 5 be amended to read as follows:

"Verl Emrick, Director of Planning, said the amendment would include additional wording which would more clearly reflect the intent of the North Carolina General Statutes dealing with declaration of assurance for fire protection and financing of water and sewer improvements."

Page 32, Second Paragraph under Item 6 be amended to read as follows:

"Verl Emrick, Director of Planning, said the amendment would include additional wording which would more clearly reflect the intent of the North Carolina General Statutes dealing with declaration of assurance for fire protection and financing of water and sewer improvements."

Page 34, Second Paragraph, Last Sentence be amended to read as follows:

"Finally, if any of the signs within the city's jurisdiction do not conform to location, size, height or number of signs and Mr. Pace wishes to replace or modify the sign, all provisions of the ordinance would have to be complied with."

Page 35, First Paragraph be amended to read as follows:

"There are permits required by the City of Asheville, Inspection Division for the keeping of livestock. However, if an individual operates a bona fide commercial farm there is a state law (G. S. 106.701) which indicates that local governing bodies must exempt those activities. If the individual stops the operation of the commercial farmland then that person would be required to meet the requirements of the City of Asheville pertaining to livestock."

Page 35, Last Paragraph, Third Sentence be amended to read as follows:

"That notice was given and public hearings were held."

Page 36, 11th line be amended by correcting the spelling of "Council" to "Counsel."

Page 41, First Paragraph under Item 9 be amended to read as follows:

"9. Consideration was given to an ordinance extending the corporate limits of the City of Asheville into the Sweeten Creek Road Area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina."

Councilman Boland moved to amend the minutes of the May 14, 1981 meeting as read by Verl Emrick, Director of Planning. This motion was seconded by Councilwoman Price and carried unanimously.

Page 454, Fourth Paragraph under Item 5 be amended by adding the word "adopted" at the end of the sentence to read as follows:

Page 456, Fifth Paragraph which reads as follows be deleted in its entirety:

"Upon inquiry of Mrs. Martha Weir, Mr. Hyde said the Racquet Club was excluded from the annexation area, due to the fact that including the Racquet Club would have reduced the population level area and the population test as required by the North Carolina General Statutes could not be met."

Page 457, Second Paragraph, First Sentence, the name "Marion Hanover" should be corrected to read, "Marion Case Havener."

Councilwoman Price moved to amend the minutes of the March 26, 1981 Council meeting as read by Verl Emrick, Director of Planning. This motion was seconded by Councilman Cole and carried unanimously.

Verl Emrick, Director of Planning, read the following proposed amendments to be made in the minutes of the May 14, 1981 meeting:

Page 31, Second Paragraph under Item 4 be amended to read as follows:

"Verl Emrick, Director of Planning, said the amendment would include additional wording which would more clearly reflect the intent of the North Carolina General Statutes dealing with declaration of assurance for fire protection and financing the water and sewer improvements."

A discussion was held relative to the Biltmore Dairy Farms and others being in a special category due to the fact that they use water in their product and can not recycle water if they wanted to. It was the consensus of Council to ask staff to obtain information relative to the possibility of industries in special categories being given some special consideration, such as bottling companies that use water in their products and cannot conserve as easily as others.

At the request of Vice-Mayor Morris, Mr. Carson said he would obtain information for Council as to the percentage of water that is consumed and goes into a product and the amount that goes into the sewer line.

Vice-Mayor Morris said he would support the ordinance on the first reading but would like to have a Council work session on the proposed rate increases before the second reading of the ordinance. He said he did not like the way the rate increase is structured for the larger consumer.

Councilwoman Price said she would like to see an amendment made to the ordinance before the second reading of the ordinance implementing a special category for industries that use water in their product.

Ralph Bishop spoke in opposition to the ordinance.

Councilman Boland moved for the adoption of Ordinance No. 1221. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-1, Ordinance No. 1221 passed on first reading with Councilman Brownlee voting "no."

ORDINANCE NO. 1222 - AN ORDINANCE AMENDING ORDINANCE NO. 814 RELATING TO PARKING LOTS OF THE CITY OF ASHEVILLE

4. Consideration was given to an ordinance amending Ordinance No. 814 relating to Parking Lots of the City of Asheville.

The Assistant City Manager read the ordinance.

Michael Smith, Director of Administration, said the ordinance increases parking lot fees to 25¢ per hour with a daily maximum of \$2.25 and monthly rates would be \$15.00 per month. He said the increases were based on recommendations in the MICA Fees and Charges Study.

Ralph Bishop spoke in opposition to the ordinance.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1222. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1222 passed on first reading.

DISCUSSION RELATIVE TO RENAMING TOLULA LANE TO OLD ASHELAND AVENUE

2. A discussion was held relative to the action taken by Council, by Resolution No. 81-83 renaming Tolula Lane to Old Asheland Avenue.

The City Manager reviewed the background of naming the above referred to street. He said on February 1, 1979 Council named a new street (3), created by the realignment of streets by the Urban Renewal Project, Tolula Lane and on July 12, 1979 Council, by motion, renamed a portion of Tolula Lane to Old Asheland Avenue and upon petition of the residents of Tolula Lane, on April 9, 1981, Council renamed Tolula Lane to Old Asheland Avenue.

Mrs. Tolula Rogers, for whom the street was originally named, told Council she was very upset over Council's action changing the name of the street back to Old Asheland Avenue without first consulting her. She said she did not ask Council to name the street after her in the beginning, however she has received many letters from officials recognizing her since the street was named after her and she did not feel it was right for Council to change it.

Mr. Carl Johnson of Hillcrest Apartments said Council should have talked with Mrs. Rogers before changing the street and perhaps a compromise could have been worked out.

Mr. Jack R. Steel, a resident of Old Asheland Avenue, spoke in favor of Council's action to rename the street to Old Asheland Avenue. He said no one could find them with the street being named Tolula Lane.

Myra Dickson, also a resident of Old Asheland Avenue, spoke in favor of Council's action to rename the street to Old Asheland Avenue. She said it has always been named Asheland Avenue and she wanted it to stay that way.

Mayor Trantham said Council would take all the comments under observation and make a decision relative to the matter. He apologized to Mrs. Rogers for not informing her before the street was renamed.

ORDINANCE NO. 1221 - AN ORDINANCE PROVIDING FOR REVISIONS TO THE WATER RATES AND CHARGES

3. Consideration was given to an ordinance providing for revisions to the water rates and charges.

The City Manager read the ordinance explaining that this ordinance provides for the proposed rate increases reflected in the 1981-82 annual budget.

Attorney Phil Carson, representing Biltmore Dairy Farms, said his client is one of the city's largest water users and the proposed rates are unfair to large consumers of water and that the increases should be dispersed more equitably among all water customers. He said the proposed rate scale presents increases from 0% to 60% with the larger consumer having to pay the highest percentage. He said it was extremely unfair to place the burden of inflationary costs on the larger consumers.

ORDINANCE NO. 1223 - AN ORDINANCE AMENDING ORDINANCE NO. 914 RELATING TO THE SCHEDULE OF PENALTIES FOR PARKING VIOLATIONS

5. Consideration was given to an ordinance amending Ordinance No. 914 relating to the schedule of penalties for parking violations.

The Assistant City Manager read the ordinance.

Michael Smith, Director of Administration, said the ordinance would increase parking violation fees and the increases were based on recommendations in the MICA Fees and Charges Study.

Councilwoman Price said there should be some publicity about the increases before the actual enforcement of the ordinance.

Upon inquiry of Councilman Boland, Mr. Smith said the violation fees are lower than other cities.

Councilman Brownlee said he felt when Council passes an ordinance it should be enforced. He said the Police Department does not always enforce the laws. He said one afternoon twenty-five cars ran the stop sign on his street.

Councilwoman Price moved for the adoption of Ordinance No. 1223. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1223 passed on first reading.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT - INCENTIVE HOUSING PROGRAM PROJECT

6. Consideration was given to a budget amendment amending the Community Development budget.

The Assistant City Manager presented the budget amendment.

Logan Delany, Director of Community Development, said this budget amendment in the amount of \$32,000 is to reprogram Community Development income from land sales in the Urban Renewal Area to the Incentive Housing Program Project.

Councilwoman Price moved to approve the budget amendment as presented by the Assistant City Manager. This motion was seconded by Vice-Mayor Morris and carried unanimously.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT - LOT RESTORATION PROJECT

7. Consideration was given to a budget amendment amending the City of Asheville Community Development Fund Budget.

The Assistant City Manager presented the budget amendment.

RESOLUTION NO. 81-117 - RESOLUTION ESTABLISHING A STANDARD SCHEDULE OF PRICES FOR GRAVESITE SALES AT RIVERSIDE CEMETERY

11. Consideration was given to a resolution establishing a standard schedule of prices for gravesite sales at Riverside Cemetery.

The Assistant City Manager read the resolution.

Michael Smith, Director of Administration, said this resolution establishes a schedule of prices for gravesite sales at Riverside Cemetery. He said this schedule of prices is based on recommendations in the MICA Fees and Charges Study.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 81-117 was unanimously adopted.

Complete text of Resolution No. 81-117 will be found in Resolution Book No. 12 at page 409.

RESOLUTION NO. 81-118 - RESOLUTION ESTABLISHING A STANDARD FLOOR SPACE RENTAL RATE FOR NON-CITY GOVERNMENT TENANTS OF THE CITY BUILDING

12. Consideration was given to a resolution establishing a standard floor space rental rate for non-city government tenants of the City Building.

The Assistant City Manager read the resolution.

Michael Smith, Director of Administration, said this resolution establishes a standard floor space rental rate for the City Building at \$4.65 per square foot. He said this rental rate is based on recommendations in the MICA Fees and Charges Study. He said the increase is necessary due to the increased cost in energy and employee costs.

Upon inquiry of Councilman Wilkes, Mr. Bill Swearngan, Facility Services Division, reviewed how many square feet of building space is used by non-city government tenants in the City Building.

Councilman Brownlee commented that he felt the increase in rates is too much.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-118 carried on a voice vote of 6-1 with Councilman Brownlee voting "no."

Complete text of Resolution No. 81-118 will be found in Resolution Book No. 12 at page 410.

RESOLUTION NO. 81-119 - RESOLUTION AUTHORIZING AN INCREASE IN SANITATION SET-OUT FEES

13. Consideration was given to a resolution authorizing an increase in Sanitation Set-Out fees.

The Assistant City Manager read the resolution.

Michael Smith, Director of Administration, said this resolution will increase the sanitation set-out fees from \$48.00 to \$60.00. He said this increase is based on recommendations in the MICA Fees and Charges Study.

We, therefore, certify that pursuant to such tabulation we have judicially determined that:

FOR MEMBERS OF CIVIL SERVICE BOARD

Dawn R. Wilkie, having received 236 votes

Raymond E. Stepp, having received 247 votes

and being the two highest and being qualified voters of the City of Asheville, not employed by the City, and have been duly elected members of the Civil Service Board by employees in the Classified Service, in accordance with House Bill 835 of the General Assembly of North Carolina at its 1953 Session and Ordinance

356 of the City of Asheville, for a term of two years.

BOARD OF CANVASSERS

RESOLUTION NO. 81-115 - RESOLUTION REAPPOINTING MEMBERS AND CHAIRMAN TO THE CIVIL SERVICE BOARD (Thomas C. Posey and Osborne M. Hart, Chairman)

9. Consideration was given to a resolution reappointing members and chairman to the Civil Service Board.

The Assistant City Manager read the resolution reappointing Mr. Thomas C. Posey as a member of the Civil Service Board and Mr. Osborne M. Hart as Chairman of the Civil Service Board.

Upon motion of Councilman Wilkes, seconded by Vice-Mayor Morris, Resolution No. 81-115 was unanimously adopted.

Complete text of Resolution No. 81-115 will be found in Resolution Book No. 12 at Page 407.

RESOLUTION NO. 81-116 - RESOLUTION AUTHORIZING INCREASES IN THE DAILY AND HOURLY PARKING RATES AT THE CITY OF ASHEVILLE DOWNTOWN PARKING GARAGE

10. Consideration was given to a resolution authorizing increases in the daily and hourly parking rates at the City of Asheville Downtown Parking Garage.

The Assistant City Manager read the resolution.

Michael Smith, Director of Administration, said this resolution increases the parking rates at the Parking Garage, to 25¢ per hour up to a daily maximum of \$2.00. He said these increases are based on recommendations in the MICA Fees and Charges Study.

Upon motion of Councilman Boland, seconded by Vice-Mayor Morris, Resolution No. 81-116 was unanimously adopted.

- C. Resolution No. 81-122 - Resolution authorizing Vanderbilt Apartments to encroach upon the right-of-way of the sidewalk at 75 Haywood Street.

HIGHLIGHTS: The manager of the Vanderbilt Apartments has requested permission to encroach upon the right-of-way of the sidewalk located in front of said apartments at 75 Haywood Street for the purpose of placing a bench. The request for encroachment has been investigated by the City's Department of Public Works and, in its opinion, would not hinder the safe movement of pedestrian traffic along said sidewalk, if placed in the proper manner. The bench will benefit the citizens of Asheville. This resolution will authorize the execution of an encroachment agreement for said bench.

Ralph Bishop requested that Item D be taken off the consent agenda and considered separately.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

RESOLUTION NO. 81-123 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH SUTTON-KENNERLY, ASSOCIATES, FOR ENGINEERING SERVICES FOR THE CITY HALL RAMP RENOVATION PROJECT

15. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Sutton-Kennerly, Associates, for engineering services for the City Hall Ramp Renovation Project.

The City Manager read the resolution.

Ralph Bishop said he did not know why the city staff could not repair the ramp without obtaining engineering services. He said it seemed to him that the City had to get someone else to do everything for them.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-123 was unanimously adopted.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-119 was unanimously adopted.

Complete text of Resolution No. 81-119 will be found in Resolution Book No. 12 at page 411.

APPROVAL OF THE CONSENT AGENDA

14. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-120 - Resolution authorizing the name "Angus Lane" to be assigned to an unnamed street.

HIGHLIGHTS: The City of Asheville has been petitioned by the majority of property owners along an unnamed street to allow the street to be named. It is in the best interest of the City to name the street for the purpose of street identification. The name "Angus Lane" is not contradictory to other street names in the City. This resolution will authorize the street which intersects Marlborough Drive and parallels East Hawthorne and which serves the rear property of several lots and the front property of two lots to be named as "Angus Lane."

Resolution Book No. 12 page 412.

- B. Resolution No. 81-121 - Resolution authorizing the Purchasing Director to dispose of property by private sale.

HIGHLIGHTS: Article 12 of Chapter 160A of North Carolina General Statutes provides that a municipality may dispose of personal property valued at less than \$5,000 for any one item or group of similar items through private negotiation and sale. The Fire Department of the City has one 1954 surplus truck "army weapon carrier" for which it has no use. The continued operation of this truck is not feasible due to high maintenance cost and unavailability of parts. This resolution will authorize the Purchasing Director to dispose of the property through private sale.

3. A public hearing was held relative to the 1981-82 City of Asheville Budget.

Mayor Trantham opened the public hearing at 4:17 p.m.

Bob Wurst, Budget and Audit Director, presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Wurst said as required by the North Carolina Local Government Budget and Fiscal Control Act the budget for 1981-82 was presented to the

RESOLUTION NO. _____ - RESOLUTION ESTABLISHING A STANDARD MAINTENANCE CHARGE FOR
FIRE ALARM BOXES AT BUSINESS AND INSTITUTIONAL LOCATIONS

17. Consideration was given to a resolution establishing a standard maintenance charge for fire alarm boxes at business and institutional locations.

The City Manager read the resolution explaining that the City of Asheville maintains fire alarm boxes at approximately seventy (70) business and institutional locations and up until the present time no charge has been made to these businesses and institutions for maintenance of these fire alarms. He said the city desires to recover the cost of this fire alarm box maintenance from these business and institutional users and by this resolution will establish a standardized maintenance charge for these fire alarms at private locations. He said this resolution will authorize a standard maintenance charge of \$368 per year per box for all business and institutional connections to the City's fire alarm system.

After discussion, Councilman Wilkes moved to table the resolution until all businesses and institutions using the fire alarm boxes are notified that the City intends to charge for this service. This motion was seconded by Councilman Brownlee and carried unanimously.

RESOLUTION NO. 81-124 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE
TO ENTER INTO AN AGREEMENT WITH THE JAMES H. DREW AMUSEMENT COMPANY FOR THE PROVISION
OF AMUSEMENT RIDES AT WESTGATE SHOPPING CENTER IN CONJUNCTION WITH THE ASHEVILLE-
BUNCOMBE COUNTY YOUTH COUNCIL

18. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into an agreement with the James H. Drew Amusement Company for the provision of amusement rides at Westgate Shopping Center in conjunction with the Asheville-Buncombe County Youth Council.

The City Manager read the resolution.

David Roberts, Chairman of the Youth Council, told members of Council that the Youth Council is sponsoring the amusement rides at Westgate Shopping Center in order to raise funds to re-establish the chimes in the City Hall Building.

Upon motion of Councilwoman Price, seconded by Councilman Wilkes, Resolution No. 81-124 was unanimously adopted.

PUBLIC HEARING - AMENDING ORDINANCE NO. 1208 - REZONING PROPERTY ON LEICESTER HIGHWAY

ORDINANCE NO. 1225 - AN ORDINANCE AMENDING NO. 1208, AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," (REZONING PROPERTY ON LEICESTER HIGHWAY FROM R-3 RESIDENTIAL DISTRICT AND OFFICE INSTITUTIONAL DISTRICT TO CS COMMERCIAL SERVICE DISTRICT)

4. A public hearing was held relative to amending Ordinance No. 1208, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," (rezoning property on Leicester Highway from R-3 Residential District and Office Institutional District to CS Commercial Service District).

Mayor Trantham opened the public hearing at 5:05 p.m.

Verl Emrick, Director of Planning, presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Emrick said this amendment will correct a typographical error and delete Hazel 13, Lot 56 and insert in lieu thereof Hazel 13, Lot 46.

Mayor Trantham closed the public hearing at 5:08 p.m.

Mr. Emrick read the ordinance.

Councilman Boland moved for the adoption of Ordinance No. 1225. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1225 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1225. This motion was seconded by Councilman Cole and carried unanimously.

Council prior to June 1, 1981. He said the budget would be considered over the next three weeks.

Mr. Wurst said the proposed budget reflects funding for the outside agencies at the current level. However, the outside agencies have submitted their requested budgets for the 1981-82 fiscal year. He presented a summary of the funding request for the outside agencies.

Mr. George Gragg, Director of the Asheville Buncombe Community Relations Council, spoke on behalf of the requested increase of \$1,842 to the Community Relations Council budget for 1981-82. He said the increase is necessary to provide a salary increase of 7% to the staff.

Mr. Bernard Manley, speaking on behalf of the Chamber of Commerce, said the Chamber is requesting a 15% increase in their budget, a total increase of \$4,485. He gave a breakdown of funding for the Chamber of Commerce by the City of Asheville and the County of Buncombe. He said the Chamber did not feel they could increase membership fees this year since they had increased last year. He said the City funds would be used to promote the City and the County funds would be used to promote industrial growth for the County.

Upon inquiry of Councilwoman Price, Mr. Richard Trammell of the Chamber of Commerce said the hotel/motel tax bill is in Raleigh and has been approved by the committee. He said he hoped the bill would be introduced in the short session of the General Assembly in October. He said he felt the bill would receive support.

Mr. Dave Bossard, of the Buncombe County Rescue Squad, spoke on behalf of the increase requested by the Buncombe County Rescue Squad in the amount of \$5,000. He said in prior years the funding for the Buncombe County Rescue Squad had been 50% County and 50% City, however, he had been instructed to submit his total budget of \$33,150 to the City of Asheville assuming the Water Agreement would be adopted. He said his budget does not include salaries as all of his employees are volunteers. However, the Buncombe County Rescue Squad must provide insurance, worker's compensation, and liability insurance for vehicles plus the purchase of gasoline for the vehicles.

Councilwoman Price asked if the City could carry the vehicles and volunteers of the Buncombe County Rescue Squad under the City's group insurance policy. She said perhaps the requested increase of \$5,000 could be a part of the insurance program.

Mr. Ronald Boone, Director of the Western North Carolina Regional Air Pollution Control Agency spoke on behalf of the requested increase of \$2,000 to the agency. He said up until this year the agency had operated on a deficit.

Ralph Bishop spoke in opposition to the proposed budget for 1981-82.

Mayor Trantham closed the public hearing at 4:58 p.m.

CITY OF ASHEVILLE

DEPARTMENT OF ADMINISTRATION

MEMORANDUM TO: Ken Michalove, City Manager
FROM: Charlotte Hutchison, Research Analyst *ch*
DATE: June 11, 1981
SUBJECT: Water Rate Classifications

In answer to your question regarding the legality of establishing a new water rate classification for industries such as Coca Cola which use water as a part of their product and therefore cannot cut their consumption, my research indicates that such a classification would probably be considered arbitrary and unreasonable and would not hold up if challenged.

This conclusion is based on three types of information: (1) §19.07 of Antieau's Municipal Corporation Law, dealing with utilities in general and rate discriminations in particular; (2) several court cases, including the 1979 decision of the N.C. Court of Appeals in the case of Wall v City of Durham; and (3) David Lawrence's opinion.

All three tie in with the principle that the city as a supplier of water is in the position of a public utility. As such it can establish classifications, but only if they bear some meaningful relationship to the cost of providing the service. I haven't seen many cases in which cities tried to classify water users according to the way in which they used the water, but the few I've seen have ruled that water use is not an acceptable basis for classification.

That summarizes my findings. In case you need any supporting information, I'm including the following details.

Antieau says in §19.07 of Municipal Corporation Law, "A prime principle of utility law, applicable to utilities operated by local governments, is that the utility can impose no unjust discrimination among customers served, in view of their situation and classification. The Kentucky court has aptly remarked: 'Discrimination in rates or service is not permitted by municipalities any more than private utilities.' The Alabama court is typical when it states: 'The law will not and cannot tolerate discrimination in the charges of a water works company. There must be equality of rights and special privileges to none; and if this is violated or unreasonable rates are charged, the humblest citizen has a right to invoke the protection of the laws equally with another.' The rule expressed is a mandate of the common law, and is also deemed to follow from the wording of many state constitutional provisions. The rule equally follows from

On a roll call vote of 7-0, Ordinance No. 1225 passed on third and final reading.

ORDINANCE NO. 1221 - AN ORDINANCE PROVIDING FOR REVISIONS TO THE WATER RATES AND CHARGES

5. Consideration was given to the second reading of Ordinance No. 1221, an ordinance providing for revisions to the water rates and charges.

Mayor Trantham said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

The City Manager said at the June 4, 1981, Council meeting in discussing the ordinance relative to the water rates and charges, Council had asked the staff to obtain information relative to the possibility of industries in special categories being given some special consideration such as bottling companies that use water in their products and cannot conserve as easily as others. He presented the following reports relative to that request:

XXX

The Durham situation involved a procedure known as "decapping," whereby the water consumption of apartment houses served by a single meter was divided by the number of apartments, thus making it impossible for apartment owners to take advantage of the lower rates available to other high-volume water users. The court said, "Thus, the effect of 'decapping' is to subject the plaintiffs to a different, and greater, rate schedule than is applied to other customers of the defendant who consume an identical quantity of the same service. There are no findings of fact in this record to justify the different treatment accorded the plaintiffs by the defendant. Indeed, the only finding made by the trial judge pertaining to the cost and conditions of service was that 'the delivery of water to a meter serving a number of apartment units costs the city of Durham no more than delivery of this same quantity of water to a meter serving a different user.'"

So the city of Durham lost the case. The court concluded that the decapping procedure "unreasonably discriminates against the owners of such apartment complexes, since this procedure subjects those owners to a greater rate under the city's graduated rate schedule than is applied to other customers who consume an identical quantity of the same service, and there is no justification for such discrimination between customers."

A similar case that makes this point even more clearly is the 1959 Oregon case of Kliks v Dalles City (335 P. 2d 366). Basing its decision on the 14th Amendment, the court said, "Where municipality makes differentiations in rate to be charged for water service or other service rendered by municipal utilities, but differences in conditions cannot be shown between customers entitled to different rates, all customers are entitled to receive the service on an equal basis and at uniform rate." It went on to say, "Where municipality makes differentiations in rate charged for water, differences upon which the classification is predicated must have reasonable relationship to purpose for which classification is made, and this means that a difference in rates must find justification in a difference in conditions of service." And it said, "Use to which city water is put by various consumers is not, by itself, sufficient to justify a difference in city water rates to be paid by such consumers."

The Oregon court quoted from an Arkansas case in which the court ruled that "...when various patrons or classes of patrons demand a commodity in equal amounts and of the same quality and under the same rules and regulations as to furnishing, delivering and supplying the same, then the charge for such commodity should be the same to all purchasers."

Like the Durham case, this Oregon case involved the establishment of different water rates for apartment houses. In determining whether or not the differential rates were justified, the court said, "It is not enough simply to point to a difference of any kind between apartment houses and hotels; the dissimilarities must be those which will justify a difference in the charge for the water supplied..."

many statutes imposing upon local governments the duty of fixing 'just and reasonable' rates."

(This is consistent with our G.S. 160A-314(a), which says, "A city may establish and revise from time to time schedules of rents, rates, fees, charges, and penalties for the use of or the services furnished by any public enterprise. Schedules of rents, rates, fees, charges, and penalties may vary according to classes of service, and different schedules may be adopted for services provided outside the corporate limits of the city.")

Antieau goes on to say, "The rule against unreasonable discriminations and classifications of customers has invalidated municipal preference to industries invited to locate in the city... All classifications must be reasonably related to the cost of providing the service. A number of courts have ruled that the use to which water is put by the different consumers is not, standing by itself, sufficient to justify a difference in rates." (Emphasis added.)

This prohibition against setting up preferential arrangements with certain customers applies to contractual arrangements (e.g., Gerber) as well as ordinances. Antieau says, "The fixing of municipal utility rates is a 'legislative' or 'governmental' power that cannot be bargained away, restricted by contract, or dealt with in any way so as to curtail the power of future governing bodies to determine and fix reasonable utility rates. The Georgia court is typical in stating: 'The fixing of water rates, from time to time, by a municipality, is a legislative or governmental power, and one council may not, by contract or ordinance, deprive succeeding councils of this legislative or governmental power.'"

What Antieau says, of course, applies in general throughout the various states. There isn't anything in that particular section that applies specifically to North Carolina.

The Durham case (41 NCApp 649) brings all this home to North Carolina. This was the case that David Lawrence called to my attention when I asked him about the legality of creating this type of rate classification. The North Carolina court said in this case, "A public utility, whether publicly or privately owned, may not unreasonably discriminate in the distribution of its services or the establishment of rates. (Citations omitted.) Numerous cases have recognized the rule that the statutory authority of a city to fix and enforce rates for public services furnished by it and to classify its customers is not a license to discriminate among customers of essentially the same character and services. In State ex rel Utilities Commission v. Mead Corp. 238 N.C. 451, 462, 78 S.E. 2d 290, 298 (1953), our Supreme Court stated: 'There must be substantial differences in service or conditions to justify difference in rates. There must be no unreasonable discrimination between those receiving the same kind and degree of service.'"

MEMORANDUM

TO: Mike Holcombe, Planning, Research &
Development Director
FROM: Deborah Plemmons, Supervisor of Collections
DATE: June 11, 1981
SUBJECT: SPECIAL RATE SURVEY

Per your request, on June 10, I conducted a survey of ten North Carolina cities to determine if they allowed a discount or special rate for commercial establishments or industries that use water in their product. The results of that survey indicates only Charlotte has a special rate for such uses. I was informed that they have separate meters to measure the amount of water not returned to the sewer system and those accounts are billed accordingly. Also, they have some "special" accounts that are based on the results of a water use survey and will send us a copy of said survey. High Point does not have a special water rate, but does allow a lower sewer charge based on the amount of water turned into the sewer system. Burlington, Chapel Hill, Durham, Fayetteville, Greensboro, Raleigh, Wilmington and Winston-Salem do not currently have, and have never had special rates or discounts for establishments using water in their products.

Let me know, if I can be of further assistance with this project.

"How, then, can the plaintiffs' apartment house be distinguished from a hotel, a motel and other commercial enterprises which are favored with a lower rate? It has been noted that '...distinctions based upon the amount of patronage, distance, location, the expense of delivery, etc., have many times been sustained.' Antieau Municipal Corporation Law, §19.03. But the use to which the water is put by the various consumers is not, standing by itself, sufficient to justify a difference in rates. 1 Pond Public Utilities §295."

Quoting from three different cases, the Oregon court summarized, "This same idea has been expressed frequently in cases before public utility commissions. '...the present rates are indefensible in that they are based on varying prices according to the use made of the current which costs the company the same whether the electricity is used for light, power or heat.' (Citations omitted.) '...If distinctions are to be made which result in different charges for a commodity, such distinction or difference should be based upon the quality of article demanded and the amount of service necessary to supply the same, rather than upon the profession or occupation of the purchaser.' (Citations omitted.) '...Unless it costs a utility less to serve a given class of customers, it does not seem proper to us that they should be given any special rate treatment based simply on character of use.'" (Citations omitted.)

The City Manager said these reports indicate what the Sullivan Act does to the City of Asheville. He said other cities can double the rates of county users and have the incentive for residents being inside the city limits.

The City Manager said that he had received a request from Mr. Phillip Carson, representing the Biltmore Dairy Farms, who could not attend the Council meeting today to share a copy of these reports with him.

Mr. George Saegner, speaking on behalf of Phil Carson and Biltmore Dairy Farms, said that they would review the reports given by the City Manager. He reiterated comments made by Mr. Carson during the June 4, 1981, meeting.

The City Manager read the following letter received from the Coca Cola Bottling Company:

June 10, 1981

(2)

Mr. Ken Michalove
City Manager
City Hall
Asheville, N. C.

Dear Mr. Michalove:

I have been following the water issue with great interest and would like to share with you my thoughts on the matter.

Our last water rate increase was in August, 1979, in the amount of 44%. From June, 1980 to May, 1981, our cost for water was \$15,068.04. Based on information obtained from the Water Department, with the proposed rate increase our water cost would have been \$22,830.36, which is an increase of \$7,762.32 or 52% higher.

The water used in the manufacturing of our product constitutes 12% of our total consumption. Our product is manufactured by formulas set by The Coca-Cola Company and we are legally bound to produce our products according to their specifications. We can not alter the formulas in any way. Therefore, decreasing our water use in our production process is virtually impossible.

We ask that Council give this special consideration when setting rates. We think that a 52% increase is not equitable based on the fact that other consumers would have an average increase of 35% or less. If the water rates as currently proposed are approved we would need to look for a more economically feasible alternative which would probably be to do more of our product manufacturing at our Morganton plant.

Any assistance you can provide in this situation will be greatly appreciated.

Sincerely,

George Renfro

SUBJECT: Special Rate Survey

DATE: June 11, 1981

Attached please find a report on a statewide survey on whether or not cities which have water systems allow discounts or credits to commercial establishments or industries that use water in their product. Of the ten cities survey, none used their water rate structure in such a manner. The cities of Charlotte and High Point utilize their sewer rate schedules to achieve a discount effect by metering the amount of water which enters the sewerage system.

Please call me if I can be of further assistance.

She said she did not think Council should take such action and then change it.

BUDGET AMENDMENT - GENERAL CAPITAL PROJECTS - MOTOR TRANSPORT FACILITY

8. Consideration was given to a budget amendment amending the General Capital Projects Budget of the City of Asheville.

The City Manager said this budget amendment is to budget only \$22,000 for planning and site preparation costs incurred to date for the motor transport facility. \$500,000 was appropriated for this project. \$478,000 will be returned to the General Debt Service Fund in accordance with the preliminary fiscal year 1981-82 budget presented to Council on May 28, 1981.

Councilwoman Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Cole and carried unanimously.

BUDGET AMENDMENT - FEDERAL CAPITAL PROJECTS - NORTH ASHEVILLE PARK

9. Consideration was given to a budget amendment amending the Federal Capital Projects Budget of the City of Asheville.

The City Manager said this budget amendment is to delete city share of funding for North Asheville Park. \$35,000 will be returned to the General Revenue Sharing unappropriated fund balance in accordance with City Council's decision made during the budget meeting of April 21, 1981.

Councilman Cole moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

BUDGET AMENDMENT - ANNUAL OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1980-81 - RIGHT-OF-WAY PURCHASES ON VALLEY STREET - OPERATIONS COMPLEX

10. Consideration was given to a budget amendment amending the Annual Operating Budget of the City of Asheville for Fiscal Year 1980-81.

The City Manager said this budget amendment is to appropriate \$100,000 for right-of-way purchases on Valley Street for the site of an Operations Complex.

Councilman Cole moved for the approval of the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BUDGET AMENDMENT - CITY OF ASHEVILLE COMMUNITY DEVELOPMENT FUND BUDGET

Vice-Mayor Morris said that he would support the ordinance on the second reading but he was not happy with the rate increase as it is structured for the large consumer. He said he would like to review the rate in an effort not to increase rates for the large consumer as much as they are.

Councilman Boland and Councilman Wilkes both said they would also like to review the rate structure in order to provide a more equitable rate increase.

Councilman Brownlee said that he had received a number of calls from residents on Social Security relative to all the increases proposed by the City. He said he did not feel that the people on Social Security could afford to pay a 10% increase in taxes and a 30% increase in the water rates with the county also proposing a rate increase in taxes.

On a roll call vote of 6-1, Ordinance No. 1221 passed on second reading, with Councilman Brownlee voting "no."

ORDINANCE NO. 1222 - AN ORDINANCE AMENDING ORDINANCE NO. 814 RELATING TO PARKING LOTS OF THE CITY OF ASHEVILLE

6. Consideration was given to the second reading of Ordinance No. 1222, an ordinance amending Ordinance No. 814 relating to parking lots of the City of Asheville.

Mayor Trantham said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1222 passed on second reading.

ORDINANCE NO. 1223 - AN ORDINANCE AMENDING ORDINANCE NO. 914 RELATING TO THE SCHEDULE OF PENALTIES FOR PARKING VIOLATIONS

7. Consideration was given to the second reading of Ordinance No. 1223, an ordinance amending Ordinance No. 914 relating to the schedule of penalties for parking violations.

Mayor Trantham said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1223 passed on second reading.

WATER PRODUCTION & QUALITY CONTROL DIVISION

MEMORANDUM TO: Bill Debruhl, Director
Water and Sewer Services

FROM: Bob Brown, Superintendent *EB*
Water Production & Quality Control

DATE: June 9, 1981

SUBJECT: Status report of Burnett Lake drawdown and effect of supplemental supply from Bee Tree

According to the National Weather Service office at Asheville Regional Airport, rainfall was reported to be 7.5 inches during the month of May. The recorded rainfall at the North Fork Plant was only 4.94 inches or 34.13% less than that recorded at the Airport.

The five month total for 1981 was 18.06 inches for the Asheville area which was 0.43 inch below normal for the period. Our total at the North Fork Plant was only 14.13 inches or 27.81% less than the Asheville area and 35.5% less than that recorded at the water plant the same period in 1980.

Bill, all of the above information is to point out that from all indications we are in for another dry year.

The lake today is still 4.70 feet below full level. On June 6, 1980 the lake receded below spilling level and only recovered the last week in the month before starting down again on July 2, 1980. Unless we have above normal rainfall this summer, the lake is not likely to overflow before going down again.

Assuming that we receive the same rainfall that fell last year, and the lake did fill the 4.7 feet by July, and our daily demand holds at 24 MGD, the lake would be down to 15 feet below spillway level by September 24, 1981. Keep in mind that Raw Water diesel-pumping is required at the 8.5 feet level in order to meet a 24 MGD demand -- this would occur about the middle of August. Two pumps would be required by the first of November when the lake would be about 25 feet down.

All of the above estimates would be generally true if we were not able to get a part of our water from the Bee Tree Supply, but everything changes drastically when this supply is utilized. Following are some facts that I have taken from existing records:

with simple interest closed-in contract. The monthly charge from Municipal Financing Associates, Inc., in the amount of \$162.69 is the lowest price quoted by four financial institutions. He said this resolution will authorize the Mayor to enter into a contract with Municipal Financing Associates, Inc., for said equipment.

Councilwoman Price moved for the adoption of Resolution No. 81-132. This motion was seconded by Councilman Boland and carried unanimously.

Complete text of Resolution No. 81-132 will be found in Resolution Book No. 12 at page 424.

CLAIMS - BERTHA SIMMONS - MRS. RUTH HOWARD - MRS. J. NETHERTON

The City Manager presented claims received from Bertha Simmons, Mrs. Ruth Howard, and Mrs. J. Netherton.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - "HONOR AMERICA DAYS" - JUNE 14-JULY 4, 1981

Mayor Trantham proclaimed June 14 - July 4, 1981, as "Honor America Days."

REQUEST OF HELEN GRAY - OPENING OF BEE TREE LAKE FOR RECREATIONAL USE

Helen Gray spoke to Council relative to opening Bee Tree Lake this summer for recreational use. She said grant funds were used to construct the Bee Tree Lake facility for recreational use and if it is not used for recreational facilities then the city must furnish a like facility. She said the Bee Tree Lake facility should be reopened now. She said signs are still on the highway for the use of Bee Tree for recreational purposes. She said water for the trout is being siphoned from the lake over the dam and she was afraid that the city was going to lose the trout in the lake. She suggested that the City reopen the facility for recreational facilities and also suggested that the city install a filter sytem in order that it could be used for the use of water and recreational facilities. She also suggested that the City begin using water from the French Broad as a water supply.

The City Manager said he had met with Bill DeBruhl, Director of Water and Sewer Services and Ray Kisiah, Director of Parks and Recreation relative to the reopening of Bee Tree Lake. He read the following report:

The City Manager said if the Bee Tree Lake facility was opened for recreational use and then there was a need to use the facility for water use the City would have to wait sixty (60) days before reopening the facility for water use. He said to install a filtration system at Bee Tree Lake would cost in excess of \$1,000,000. He said in addition there is a need for a \$1,000,000 dam project at Bee Tree.

The City Manager said it was his recommendation that Bee Tree Lake not be opened this summer for recreational use but reopen the facility on March 1, 1982, for recreational use. He said recreation is very important but the water supply for the citizens of Asheville has priority. He said as far as Mrs. Gray's comments relative to the stipulation in the grant that the facility be used for recreational purposes he said the City was still on an emergency type situation relative to water supply and did not feel that the City would be made, at this time to open the facility for recreational use.

RALPH BISHOP - COMMENTS RELATIVE TO ESTABLISHING A SCHEDULE OF PRICES FOR GRAVESIDE SITES AT RIVERSIDE CEMETERY

Mr. Ralph Bishop spoke in opposition to a resolution adopted by Council on June 4, 1981, relative to establishing rates for graveside sites at Riverside Cemetery.

ADJOURNMENT

Upon motion of Councilman Brownlee, seconded by Councilman Boland, the meeting adjourned at 6:00 p.m.

103

1. To date 234 million gallons of water has been taken from the Bee Tree Lake. This amounts to 22.83% of our total output since April 21, 1981.
2. Bee Tree usage has saved 2.6 feet of storage in the North Fork Reservoir.
3. Every three weeks operation at Bee Tree will save one foot draw-down at North Fork if the present 5 MGD flow is maintained. If the flow at Bee Tree is increased to 7 MGD, one foot in storage at North Fork would be gained every two weeks.
4. If 7 MGD or 30% of our demand is met by the Bee Tree supply, the North Fork Lake would not be at the 15 foot level until late in October. By cutting the daily filter demand at North Fork back to 17 MGD, it is doubtful that pumping would be required until the lake got down to about 25 feet which might not occur this year with 7 MGD coming from Bee Tree.
5. Diesel fuel expenses so far this fiscal year have been in excess of \$40,000. Only \$15,000 has been budgeted for Fiscal 1981-1982. This does not include additional costly equipment maintenance expenses that are incurred by 24 hour pumping by equipment that has no standby or backup capabilities when both pumps are required.
6. It would be impossible to meet the 24 MGD demand on the system if the lake got much below 30 feet, and if one of the two diesels pumping raw water to the filters were shut down for major repairs.

I have given you the facts as I see them. They are based on our records and past operating experience. I think that Bee Tree as a source of emergency water supply should be kept under the full control of the Water Department, and the Watershed should be retained as a class A-1 water supply source with no recreational activity being permitted anywhere on the property.

ORDINANCE NO. 1224 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1981-82

4. Consideration was given to the second reading of Ordinance No. 1224, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1981-82.

Mayor Trantham said this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Mrs. Jean Webb, Executive Director of Quality Forward, spoke on behalf of the requested increase to the Quality Forward budget for 1981-82. She requested that the City of Asheville fund Quality Forward 31% of their requested budget of \$56,000 as in the past. She said the increase in the budget was due to funding for a full time secretary, funding to attend a work shop in Washington for Keep America Beautiful, funding for the expansion of the April Clean Sweep Program and the Cultural Division of Quality Forward.

Morris McGough, Director of the Western North Carolina Development Association, spoke on behalf of the requested increase proposed for the 1981-82 budget for the Western North Carolina Development Association. He presented to Council copies of the proposed 1981-82 budget.

Ralph Bishop spoke in opposition to the proposed budget and his difficulty in obtaining an itemized budget for 1981-82.

On a roll call vote of 6-0, Ordinance No. 1224 passed on second reading.

ORDINANCE NO. 1221 - AN ORDINANCE PROVIDING FOR REVISIONS TO THE WATER RATES AND CHARGES

5. Consideration was given to the third reading of Ordinance No. 1221, an ordinance providing for revisions to the water rates and charges.

Mayor Trantham said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Councilman Wilkes moved to postpone the third reading of Ordinance No. 1221 until June 25, 1981, giving Council an opportunity to review the rate structure and provide for more equitable increases. This motion was seconded by Councilwoman Price and carried unanimously.

Michael Holcombe, of the Water and Sewer Department, presented Council with several proposed rate increase structures.

It was the consensus of Council to have a work session on Tuesday, June 23, 1981, at 8:00 A.M., to review the rate structures presented by Mr. Holcombe.

Thursday - June 18, 1981 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Walter R. Boland, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Harold F. Brownlee.

INVOCATION

The invocation was given by Councilman Walter R. Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 11, 1981, meeting.

Upon motion of Councilman Cole, seconded by Councilman Boland, the minutes of the June 11, 1981, meeting were approved as submitted.

RESOLUTION NO. 81-132 - RESOLUTION OF APPRECIATION OF MR. JOHN BEST FOR HIS SERVICE AS A MEMBER OF THE CITY OF ASHEVILLE CIVIL SERVICE BOARD

2. Consideration was given to a resolution of appreciation to Mr. John Best for his service as a member of the City of Asheville Civil Service Board.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, Resolution No. 81-132 was unanimously adopted.

Complete text of Resolution No. 81-132 will be found in Resolution Book No. 12 at page 424.

RESOLUTION NO. 81-133 - RESOLUTION OF APPRECIATION TO SISTER MARY VERONICA SCHUMACHER FOR HER SERVICE AS A MEMBER OF THE CITY OF ASHEVILLE CIVIL SERVICE BOARD

3. Consideration was given to a resolution of appreciation to Sister Mary Veronica Schumacher for her service as a member of the City of Asheville Civil Service Board.

The City Manager read the resolution.

Upon motion Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-133 was unanimously adopted.

ORDINANCE NO. 1223 - ORDINANCE AMENDING ORDINANCE NO. 914 RELATING TO THE SCHEDULE OF PENALTIES FOR PARKING VIOLATION

7. Consideration was given to the third reading of Ordinance No. 1223, an ordinance amending Ordinance No. 914 relating to the schedule of penalties for parking violation.

Mayor Trantham said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Upon inquiry of Councilman Wilkes, the City Manager said the City would be following the advice of the City attorney and City auditor relative to funding in the Cauble Suit. He said if necessary the funds would be taken from the fund balance.

Ralph Bishop spoke in oppositon to this ordinance.

On a roll call vote of 6-0, Ordinance No. 1223 passed on third and final reading.

Complete text of Ordinance 1223 will be found in Ordinance Book No. 9 at page 237-238.

ORDINANCE NO. 1226 - ORDINANCE REMOVING THE DOG LICENSE TAX FROM THE REVENUE ORDINANCE (ORDINANCE NO. 1027) AND SETTING UP SAID TAX ON A CALENDAR YEAR BASIS

8. Consideration was given to an ordinance removing the dog license tax from the revenue ordinance (Ordinance No. 1027) and setting up said tax on a calendar year basis.

The City Manager read the ordinance stating that this ordinance will change the dog license tax from a fiscal year basis to calendar year basis.

The City Manager said an arrangement had been worked out with the Buncombe County Board of Tax Supervision who will be sending out statements for dog license tax along with the tax listings in December.

Councilwoman Price moved for the adoption of Ordinance No. 1226. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1226 passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1226. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1226 passed on second reading.

ORDINANCE NO. 1222 - ORDINANCE AMENDING ORDINANCE NO. 814 RELATING TO PARKING LOTS OF THE CITY OF ASHEVILLE

6. Consideration was given to the third reading of Ordinance No. 1222, an ordinance amending Ordinance No. 814 relating to parking lots of the City of Asheville.

Mayor Trantham said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

Vice-Mayor Morris said the City staff had requested an amendment to this ordinance and therefore moved that Ordinance No. 1222 be amended by adding the following at the end of Section 1-(a) ",except for Parking Lot No. 1 located at the corner of Rankin Avenue and College Street which shall be 40¢ for the first hour, 25¢ for each additional hour up to a daily maximum of \$2.40, and Parking Lot No. 35 located at the corner of Otis Street and Post Street which shall be 40¢ for the first hour, 25¢ for each additional hour up to a daily maximum of \$1.00." This motion was seconded by Councilwoman Price and carried unanimously.

Upon inquiry of Councilman Wilkes relative to the daily maximum of \$1.00 proposed for Parking Lot No. 35, Michael Smith, Director of Administration said the maximum of \$1.00 was recommended by Noel Calloway, Parking Lot Supervisor, due to the fact that a lot of all-day parkers use Lot No. 35 and this would provide for a more equitable rate for the all day parkers.

Andrea Austin suggested that since the City is charging the same parking rate for automobiles with City stickers and without stickers that the City provide a few more free parking days for those with stickers.

Councilman Wilkes said he would like to see Ms. Austin's suggestion considered.

Larry Ward of the Public Works Department said a survey would have to be made relative to the number of cars with City stickers using the parking lots to determine the loss of revenue if such a suggestion is implemented.

After discussion, the City Manager said the City staff would study the suggestion and a recommendation given back to Council in thirty (30) to sixty (60) days.

Ralph Bishop spoke in opposition to the suggestion offered by Ms. Austin.

On a roll call vote of 6-0, Ordinance No. 1222 passed on third and final reading.

Complete text of Ordinance No. 1222 will be found in Ordinance Book No. 9 at page 236.

A discussion was held relative to Vice-Mayor Morris' comments.

Councilwoman Price said the way the voting is set up it would make the referendum more difficult to pass but it would be more workable if it passed in this manner.

Complete text of Resolution No. 81-134 will be found in Resolution Book No. 12 at page 426.

APPROVAL OF THE CONSENT AGENDA

11. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-135 - Resolution authorizing adopting, approving, accepting, and ratifying the execution of Amendment No. 1 to grant agreement for project No. 6-37-0005-06 between the United States of America and the City of Asheville, North Carolina.

HIGHLIGHTS: This amendment to the grant agreement will provide for the installation of two (2) automatic security gates at the Asheville Regional Airport. The City of Asheville originally applied for this grant agreement and therefore must sign the amendment.

Resolution Book No. 12 at page 427.

- B. Scheduling of a public hearing relative to rezoning property located on Mt. Clare and Woodrow Avenue area for July 9, 1981.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held June 3, 1981, considered a petition that Ward 2, Sheet 5, Lots 37½, 37½, 41, 138, 139, 140, and 141½ be rezoned from R-3 Residential District to CS Commercial Service District. After discussing the issues of the request, the Commission voted to recommend denial of this petition to City Council. The petitioner has appealed the decision of the Planning and Zoning Commission and Council must schedule a public hearing on the rezoning request.

Upon motion of Councilman Boland, seconded by Councilwoman Price, the consent agenda was unanimously approved.

Councilman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1226. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1226 passed on third and final reading.

Complete text of Ordinance No. 1226 will be found in Ordinance Book No. 9 at page 242-243.

BUDGET AMENDMENT - 1980-81 OPERATING BUDGET AND COMMUNITY DEVELOPMENT FUND BUDGET

9. Consideration was given to a budget amendment amending the 1980-81 Annual Operating Budget and Community Development Fund Budget of the City of Asheville.

The City Manager presented the budget amendment stating that this budget amendment in the amount of \$20,000 is to appropriate contributions from Buncombe County and Community Development for the Historical Resources Commission. \$10,000 has been budgeted by the County and \$10,000 has been budgeted by Community Development for a \$20,000 Historical Resources Commission budget.

Councilman Boland moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

RESOLUTION NO. 81-134 - RESOLUTION REQUESTING LEGISLATIVE ACTION CREATING A CHARTER COMMISSION FOR THE PURPOSE OF PROVIDING FOR AN ELECTION ON THE CONSOLIDATION OF THE GOVERNMENTS OF THE MUNICIPALITIES WITHIN AND THE COUNTY OF BUNCOMBE

10. Consideration was given to a resolution requesting legislative action creating a charter commission for the purpose of providing for an election on the consolidation of the governments of the municipalities within and the County of Buncombe.

The City Manager read the resolution stating that the City Council is requesting legislative action creating a charter commission for the purpose of providing for an election on the consolidation of the governments of the municipalities within and the County of Buncombe.

The City Manager noted that the attachment as stated in the resolution is a draft and contains "R1 - 6/15/81" on the draft.

Upon motion of Councilman Wilkes, seconded by Councilman Boland, Resolution No. 81-134 was unanimously adopted.

Vice-Mayor Morris said that he did not particularly like the provision in the draft, that allowed him to vote just as a City resident, that when and if a referendum on metropolitan government is held, that he being a City resident and paying City taxes he should have a vote on the issue and being a part of the County and paying County taxes he should also be allowed to vote as a County resident.

Consideration was given to a resolution establishing heating inspection fees pursuant to Section 8-61 (c) of the City of Asheville Code of Ordinances.

The City Manager read the resolution.

J. E. Johnson, Director of the Inspections Division, said these fees would be uniform with the County of Buncombe.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 81-137 was unanimously adopted.

Complete text of Resolution No. 81-137 will be found in Resolution Book No. 12 at page 429.

RESOLUTION NO. 81-138 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO AMEND A CONTRACT WITH CARTER-GOBLE ASSOCIATES FOR PROFESSIONAL CONSULTANT SERVICES RELATED TO THE PROPOSED REGIONAL TRANSPORTATION CENTER IN DOWNTOWN ASHEVILLE

Consideration was given to a resolution authorizing the Mayor of the City of Asheville to amend a contract with Carter-Goble Associates for professional consultant services related to the proposed regional transportation center in downtown Asheville.

The City Manager read the resolution stating that the City of Asheville entered into a contract with Carter-Goble Associates in April 1981 with one of the conditions being that the provisional overhead rate was not to exceed 107.9% and after examining audits of Carter-Goble Associates the North Carolina Department of Transportation has stated in writing that it will except the provisional rate of 122.6%. This resolution will authorize the Mayor to amend the contract to change the maximum provisional overhead from 107.9% to 122.6%.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 81-138 was unanimously adopted.

Complete text of Resolution No. 81-138 will be found in Resolution Book No. 12 at page 429.

RESOLUTION 81-139 - RESOLUTION REQUESTING THAT THE ALLEN CENTER BOARD AUTHORIZE THE CONTINUITIES OF THE ALLEN CENTER FACILITIES FOR THE ASHEVILLE CITY SCHOOLS OPTIONAL PROGRAM

Consideration was given to a resolution requesting that the Allen Center Board authorize the continued use of the Allen Center facilities for the Asheville City Schools optional program.

The City Manager read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 81-139 was unanimously adopted.

CLAIMS - RICHARD MADISON - AGNES OMESA DUNN - JOSEPH D. CHAMBERS
CYNTHIA BROWN JOHNSON - GENEVA FATE

The City Manager presented claims received from Richard Madison, Agnes Omesa Dunn, Joseph D. Chambers, Cynthia Brown Johnson and Geneva Fate.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 81-136 - RESOLUTION AUTHORIZING THE DIRECTOR OF
PUBLIC WORKS TO ENTER INTO AN AGREEMENT WITH PERRY M. ALEXANDER
CONSTRUCTION COMPANY

13. Consideration was given to a resolution authorizing the Director of Public Works to enter into an agreement with Perry M. Alexander Construction Company.

The City Manager read the resolution stating that the City of Asheville leases a certain tract of land for the purpose of the landfill site and in accordance with the provisions of the lease agreement the City of Asheville is required to change the channel of Beaverdam Creek prior to termination of the lease agreement. In order to make the required change it is necessary that an area of rock be blasted away in order to complete the channel change as required by the lease agreement. Perry M. Alexander Construction Company was the only company interested in performing the work and this resolution will authorize the Director of Public Works to enter into such an agreement with Perry M. Alexander Construction Company, Inc.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 81-136 was unanimously adopted.

Complete text of Resolution No. 81-136 will be found in Resolution Book No. 12 at page 428.

COMMENTS BY KENNETH McDANIELS - RELATIVE TO MRS. TOLULA ROGERS'
STATEMENT AT THE COUNCIL MEETING OF JUNE 11, 1981

Kenneth McDaniels, said he was a member of the Brown Temple CME Church of which he is a Trustee and further a member of the Judiciary Council for the entire Methodist Episcopal Church of the United States. He said at last week's council meeting an old member of their church talked to council about the renaming of Tolula Lane to Old Asheland Avenue. He said she eluded to the fact that their minister of Brown Temple Church, being Councilman H. C. Wilkes, stole \$6,200 from the poor black folks of that church. He said that was a defamatory and untrue remark. He said she only made these comments due to the fact that she was mad at Council for changing the name of the street from Tolula Lane to Old Asheland Avenue.

The City Manager presented a plaque to these officers to be placed in the Police Department.

PRESENTATION BY MR. PETER WINSLOW - PETITION TO REZONE KENILWORTH AREA

2. Mr. Peter Winslow, President of the Kenilworth Residents' Association introduced Dr. Jesse Chapman who said that Ordinance No. 1137, Section 3-A, provides a mechanism whereby individual property owners in an area may petition City Council to consider initiating a special zoning study to determine if a change in the development plan for the area is warranted. He said he represented the residents of the Kenilworth area which has 657 property owners. He presented a petition with 479 signatures or 73% of the property owners in the area. He said the area in the petition contains 448 acres of privately owned land and the signers of the petition own 256 acres or 57% of the land. He said, therefore, they feel they conform to the requirements of Ordinance 1137 in that a minimum of 51% of the property owners of the area, who own at least 51% of the property located in the area, are of the opinion that the character of the area has significantly changed and request that City Council initiate such a special zoning study. Dr. Chapman

The City Manager read the resolution.

Ray Kisiah, Director of Parks and Recreation, said there was a great possibility of the City obtaining revenue from this type facility.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, Resolution No. 81-140 was unanimously adopted.

Complete text of Resolution No. 81-140 will be found in Resolution Book No. 12 at page 431.

RALPH BISHOP - COMMENTS RELATIVE TO HIS RESIDENCE

Ralph Bishop spoke to Council relative to his place of residence.

ADJOURNMENT

Mayor Trantham adjourned the meeting at 5:40 P.M.

MAYOR

CITY CLERK

Mayor Trantham opened the public hearing at 4:27 P.M.

Attorney Robert J. Robinson, representing the City of Asheville, said Mr. Allison, the appellant in the matter, has recently employed Attorney O. Max Gardner, III, of Shelby to represent him on this appeal. He said he had met with Mr. Gardner on several occasions relative to this appeal. He said last week Mr. Gardner had presented to him some information, which would appear from a review of the pension board files, was not made available to the Board of Examiners at the time this matter was originally heard. He said for that reason he had agreed with Mr. Gardner that the proper remedy at this time would be to remand this matter to the Board of Examiners for further consideration. He said Mr. Gardner had also agreed that he would stipulate to the fact that the sole purpose of the hearing before the Board of Examiners would be a determination as to whether Mr. Allison should be retired under normal retirement or whether he should be entitled to disability not in the line of duty which would make a difference. He said there would be a substantial difference from the original application which was for retirement due to disability in line of duty.

Attorney Robinson recommended that the appeal be remanded to the Board of Examiners of the Asheville Policemen's Pension and Disability Fund.

Mayor Trantham closed the public hearing at 4:29 P.M.

Vice-Mayor Morris moved to remand the appeal of W. B. Allison to the Board of Examiners of the Asheville Policemen's Pension and Disability Fund. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1224 - ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1981-82

4. Consideration was given to the third reading of Ordinance No. 1224, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1981-82.

Mayor Trantham said this ordinance was previously read on first and second readings and would not be reread in its entirety unless there was a specific request to do so.

Mr. Bob Wurst, Director of Budget and Audit, summarized the following changes in Ordinance No. 1224 as requested by Council.

That Ordinance No. 1224 adopting the Fiscal 1981-82 Operating Budget be amended on third reading as follows:

said the Kenilworth area is an older area with meandering streets. He said under the present zoning the R-3 Residential area is very vulnerable to serious problems with rapid increases in population density. He said an increase in population density would overload the capacity of the streets, sewers, storm drains, and water. He said such a project is proposed for the Kenilworth area known as "Sugar Tree Project" which proposes 151 apartment units. He said this would increase the Kenilworth population by 23%. He said such a population increase would wreck the way of life currently enjoyed by the Kenilworth residents. He said it would also require widening of streets and improvements to the sewer and water system, which demands would have to be met with City funds. He said 80% of the Kenilworth area conforms to the R-1 requirements of four units per acre. He said the average density in Kenilworth is two units per acre. He said the residents of Kenilworth are concerned about maintaining low density requirements. Therefore, the residents of Kenilworth are asking that Council direct that a study be made and that Kenilworth be rezoned from R-3 to R-1; and, further, that Council pass a moratorium on building until such a study is complete and a decision reached. He said building should not be allowed to proceed in the Kenilworth area at the present rate.

Verl Emrick, Director of Planning, said the procedure for Council to follow is adoption of a motion to formally accept the petition presented by the Kenilworth Residents' Association and remand the petition to the Planning and Zoning Commission. He said as far as the moratorium is concerned all legal processes would have to be gone through, such as the public hearing and the adoption of an ordinance imposing such a moratorium.

Councilman Boland moved to accept the petition presented by the Kenilworth Residents Association and to remand the petition to the Planning and Zoning Commission for further study and recommendation. This motion was seconded by Councilman Wilkes and carried unanimously.

Mayor Trantham informed Dr. Chapman that Council had discussed this issue and would have a work session on Tuesday, June 30, 1981, at 3:00 P.M. to discuss the Kenilworth Residents' Association's request relative to a moratorium.

PUBLIC HEARING - APPEAL DECISION OF THE BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND - W. B. ALLISON

3. A public hearing was held relative to an appeal of the decision of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund for W. B. Allison.

NOTE: W. B. Allison retired from the Asheville Police Department under normal retirement in 1977. In December of 1978, Mr. Allison requested a change of status from normal retirement to disability retirement in the line of duty. After reviewing evidence presented by Mr. Allison, the Board of Trustees denied Mr. Allison's request. Mr. Allison is appealing the decision of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund to the Asheville City Council. This hearing is being held pursuant to the North Carolina General Statutes.

ORDINANCE NO. 1221 - ORDINANCE PROVIDING FOR REVISIONS TO THE WATER RATES AND CHARGES

5. Consideration was given to the third reading of Ordinance No. 1221, an ordinance providing for revisions to the water rates and charges.

Mayor Trantham said this ordinance was previously read on first and second readings and would not be reread in its entirety unless there was a specific request to do so.

The City Manager presented the following proposed amendment to Ordinance No. 1221:

A motion that Ordinance No. 1221, Section 1(A) be amended to read as follows:

- 1) Part A of the said Section is amended to read as follows:

Section A. That on and after the 1st day of July, 1981, the rates and charges for water delivered directly to consumers or for resale to consumers from the municipal water supply shall be as follows:

The first 300 cu. ft. or fraction thereof used per month	\$1.86 per 100 cu. ft.
The next 3700 cu. ft. or fraction thereof used per month	\$1.49 per 100 cu. ft.
The next 22,700 cu. ft. or fraction thereof used per month	\$1.22 per 100 cu. ft.
The next 40,000 cu. ft. or fraction thereof used per month	\$0.96 per 100 cu. ft.
The next 333,000 cu. ft. or fraction thereof used per month	\$0.76 per 100 cu. ft.
All over 400,000 cu. ft. or fraction thereof used per month	\$0.53 per 100 cu. ft.

Councilman Wilkes moved to amend Ordinance No. 1221 as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

Ralph Bishop opposed Ordinance No. 1221.

On a roll call vote of 5-1, Ordinance No. 1221 passed on third and final reading with Councilman Brownlee voting "no."

Complete text of Ordinance No. 1221 will be found in Ordinance Book No. 9 at page 235.

RESOLUTION No. 81-141 - RESOLUTION CONCERNING THE RESPONSIBILITIES OF THE METROPOLITAN SEWERAGE DISTRICT OF BUNCOMBE COUNTY UNDER THE 208 AREA-WIDE WATER QUALITY MANAGEMENT PLAN WITH RESPECT TO SEWERAGE COLLECTOR AND INTERCEPTOR LINES

8. Consideration was given to a resolution concerning the responsibilities of the Metropolitan Sewerage District of Buncombe County under the 208 Area-wide Water Quality Management Plan with respect to sewerage collector and interceptor lines.

The City Manager read the resolution stating that the Asheville City Council had previously indicated an interest in the Metropolitan Sewerage District of Buncombe County assuming responsibility for sewerage collector and interceptor lines. The Metropolitan Sewerage District Board on April 21, 1981, adopted a resolution entitled "Resolution concerning the responsibilities of the Metropolitan Sewerage District of Buncombe County under the 208 Area-wide Water Quality Management Plan with respect to sewerage collector and interceptor lines." This resolution will approve the resolution adopted by the Metropolitan Sewerage District Board. However, prior to the implementation of this resolution, the City Council would like responses to a list of detailed questions which is attached and made a part of the resolution.

Upon motion of Councilman Wilkes, seconded by Vice-Mayor Morris, Resolution No. 81-141 was unanimously adopted.

Complete text of Resolution No. 81-141 will be found in Resolution Book No. 12 at page 432.

AUTOHAUS OF ASHEVILLE - APPROVAL OF SIGN PERMITS

9. Consideration was given to the approval of a sign permit for Autohaus of Asheville.

Mr. J. E. Johnson, Director of Inspections, explained that Autohaus of Asheville has applied for a sign permit to erect a roof sign, wall sign and two (2) freestanding signs to be located at 2 Kenilworth Knoll. These signs will be situated closer than 600' from a limited access highway which requires approval of Council pursuant to Zoning Ordinance No. 322. The signs have been approved by the Zoning Board of Adjustment.

Councilman Brownlee moved to approve the sign permit for Autohaus of Asheville as presented by Mr. Johnson. This motion was seconded by Vice-Mayor Morris and carried unanimously.

APPROVAL OF CONSENT AGENDA

10. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen,

BUDGET AMENDMENT - 1980-81 OPERATING BUDGET AND GENERAL CAPITAL PROJECTS BUDGET - CITY OF ASHEVILLE

6. Consideration was given to a budget amendment amending the 1980-81 Operating Budget and General Capital Projects Budget for the City of Asheville.

The City Manager presented the budget amendment stating that this budget amendment in the amount of \$40,750 is to appropriate funds for right-of-way acquisition and improvements to the intersection of Middlebrook and Old Haw Creek Road for the Cinnamon Ridge Apartment Complex per City Council's decision on January 8, 1981. \$20,500 of the project cost will be contributed by Cinnamon Ridge, Ltd., and \$20,250 will come from City funds.

Vice-Mayor Morris moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

BUDGET AMENDMENT - 1980-81 ANNUAL OPERATING BUDGET - CITY OF ASHEVILLE

7. Consideration was given to a budget amendment amending the 1980-81 Annual Operating Budget of the City of Asheville.

The City Manager presented the budget amendment stating that this budget amendment in the amount of \$3,000 is to transfer money from the Civic Center budget to the Traffic Engineering budget to pay half of the \$6,000 cost of providing traffic signals and traffic islands in front of the Civic Center.

Councilman Brownlee moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

Vice-Mayor Morris said that he had received a call from a person with a visual handicap that rides the bus concerning the new islands being installed in the front of the Asheville Civic Center. He said upon visiting the area, he found there were 3 or 4 wheelchair ramps going off the islands to permit access to and from the buses and in between the ramps, benches had been placed which were a definite hazard to anyone with a visual handicap. Vice-Mayor Morris said he felt the ramps were too narrow and suggested that the number of ramps be decreased, the cut-outs in the ramps filled in and the ramps painted a distinctive color, and the benches either removed or turned around backwards.

The City Manager said the State law requires a certain number of ramps, but that he would visit the area and report to Council what could be done regarding their concerns and if the State law required all of the ramps being installed.

ADJOURNMENT

Mayor Trantham adjourned the meeting at 5:00 P.M.

PUBLIC HEARING - REZONING PROPERTY AT #8 TEMPLE AVENUE FOR MR. JOHN C. DAVIES

ORDINANCE NO. 1231 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

8. A public hearing was held relative to rezoning property at #8 Temple Avenue for Mr. John C. Davies.

Mayor Trantham opened the public hearing at 4:43 P.M.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held June 3, 1981, considered a petition that Ward 9, Sheet 6, Lot 504 be rezoned from R-3 Residential District to CH Commercial Highway District. The Commission voted to recommend to City Council that the lower .30 of an acre of Lot 504 be rezoned to CH Commercial Highway and leave the remaining .17 of an acre R-3 Residential District as a buffer zone. The petitioner, in accordance with Zoning Ordinance #322, has requested that the City Council hold a public hearing on their entire request that Ward 9, Sheet 6, Lot 504 be rezoned as petitioned.

By the use of a map, Mr. Emrick reviewed the location of the property in question. He said the owners are asking for the rezoning of their property for the purpose of allowing construction of a professional office building which will house two physicians.

Juanita Wright, of Preferred Properties, agent for the owners, spoke in favor of the rezoning.

Dr. Michael Zboyouski also spoke in favor of the rezoning. He said the office building will be used for chiropractor's offices.

Vice-Mayor Morris opened the public hearing at 4:07 P.M.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

The City Manager read a memorandum to Members of Council from Attorney Cecil Jackson, representing Paul Davis, requesting that the public hearing be continued to July 23, 1981.

Attorney Jackson personally reiterated his request to Council to continue the public hearing until July 23, 1981. He said he had been contacted just this morning by Mr. Davis about representing him and that he needed the additional time to properly represent Mr. Davis in his request.

Upon inquiry, Attorney Jackson said he represents only Mr. Davis in the matter and that Attorney Shelby Horton represented Mr. Mann and Dr. Kodack.

Upon inquiry from Vice-Mayor Morris, Verl Emrick, Planning Director, said that an appeal on the matter was filed in early June and that notices of the hearing were mailed on June 4, 1981, to those concerned.

Corporation Counsel Willima C. Moore advised Council that it was his ipinion that this was spot zoning and they could not legally rezone the property as requested. Attorney William Moore requested a continuance of the public hearing in order to give him time for consultation with the attorneys involved. He said he thought he might be able to resolve the problem.

Councilwoman Price moved to continue the public hearing until the attorneys reported back. This motion was seconded by Councilman Cole and carried unanimously.

The public hearing was reconvened at 4:37 P.M.

Verl Emrick, Planning Director, reiterated that the Planning and Zoning Commission had reviewed the petitioners' request and denied it because it involved spot zoing. He then read the legal description of "Spot Zoning" as defined in Blade vs. City of Raleigh (court decision). He said the amount of land or area doesn't matter, but how the zoning ordinance is applied to the specific area.

Upon inquiry of Council, Mr. Emrick said the area is presently being used as a commercial function, which is a non-conforming use, but that the owner may continue to function as such under the "grandfather clause" of the Zoning Ordinance adopted in 1975.

Attorney Jackson again requested that Council continue the public hearing to allow him time to review the 1975 ordinance and other facts related to the matter.

Corporation Counsel William C. Moore advised Council of their options - to continue the public hearing as requested or to proceed with the public hearing and make a decision on the rezoning request.

Mr. Robert Boone Moody, Mr. Clayton Parris and Mr. John G. Kleibor were in attendance at the Council meeting. The City Manager personally thanked these employees for their years of service to the City and congratulated them upon their retirement.

The City Manager said all of the eight employees retiring were employees of the Public Works Department and their total years of service to the City totalled 175 years. He said there was one employee with 35 years of service, four employees with 25 years of service and one employee with 30 years of service.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT MOUNT CLARE AND WOODROW AVENUE

ORDINANCE NO. 1235 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

10. A public hearing was held relative to rezoning property located at Mount Clare and Woodrow Avenue.

1227, an ordinance relating to amendments to Chapter 8, Section 8-1, entitled "State Building Code adopted" and Section 8-12, entitled "Permit Fees."

Vice-Mayor Morris said the ordinance had previously been read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1227 passed on third and final reading.

Complete text of Ordinance No. 1227 will be found in Ordinance Book No. 9 at page 244-246.

ORDINANCE NO. 1228 - AN ORDINANCE AMENDING CHAPTER 11 OF THE CITY OF ASHEVILLE CODE OF ORDINANCE TO ADOPT THE NORTH CAROLINA ELECTRICAL CODE AND ESTABLISHING ELECTRICAL INSPECTION FEES

12. Consideration was given to the third reading of Ordinance No. 1228, an ordinance relative to amendments to Chapter 11, Section 11-1, entitled "Short Title" and Section 11-54, entitled "Inspections Fees - Generally."

Vice-Mayor Morris said the ordinance had previously been read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1228 passed on third and final reading.

Complete text of Ordinance No. 1228 will be found in Ordinance Book No. 9 at page 247-250.

ORDINANCE NO. 1229 - AN ORDINANCE AMENDING CHAPTER 20 OF THE CITY OF ASHEVILLE CODE OF ORDINANCES TO ADOPT THE NORTH CAROLINA PLUMBING CODE AND ESTABLISHING PLUMBING INSPECTION FEES

13. Consideration was given to the third reading of Ordinance No. 1229, an ordinance relative to amendments to Chapter 20, Section 20-1, entitled "Plumbing Code Adopted" and Section 20-2 entitled "Plumbing Permits - Inspections, fees."

Vice-Mayor Morris said the ordinance had previously been read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1229 passed on third and final reading.

Complete text of Ordinance No. 1229 will be found in Ordinance Book No. 9 at page 251-252.

ORDINANCE NO. 1230 - AN ORDINANCE REPEALING ARTICLE IV, ENTITLED "HEATING CODE" OF CHAPTER 8 OF THE CODE OF ORDINANCES AND ADOPTING A NEW HEATING CODE FOR THE CITY OF ASHEVILLE

George H. Johnson, Jr., Attorney representing the property owners opposing the rezoning request, objected the continuation of the public hearing as requested by Attorney Jackson.

Attorney Shelby Horton said he had prepared a petition for about 40 people and one of the signers (Paul Davis) saw fit to employ Attorney Jackson. He said he felt Attorney Jackson was entitled to time to delve into the situation and that the two of them should have an opportunity to consult on the problem.

Attorney Michael Miller said he represented his wife and himself, who are property owners in the area, and they both objected to the continuation of the hearing and also, there was no basis to continue the hearing because sufficient notice had been given of the hearing date.

For lack of a motion to continue the public hearing to July 23, 1981, as requested by Attorneys Jackson and Horton, Vice-Mayor Morris said the public hearing on the rezoning request would proceed at this time.

Thomas West, owner of the property on Mount Clare and Woodrow Avenue, said Mr. Davis' business had been a public nuisance to the neighborhood for years in that the residents were constantly disturbed by wreckers, chains, watch dogs barking, etc. He described the property as a junkyard and said that Mr. Davis currently has 7 to 8 watchdogs, which he feels are a potential danger to the school children, the elderly, or anyone who might be walking in the area because there is only a 4-foot fence keeping the dogs in.

Vice-Mayor Morris said it would be fruitless to go on with the public hearing because of the advice Council had received from Corporation Counsel that Council could not legally rezone the property. He asked if there was anyone present in the Chambers to speak in favor of the rezoning.

Upon inquiry from Vice-Mayor Morris as to what recourse the petitioners, requesting the rezoning, had if Council declined to rezone the property, Mr. Emrick said the matter would go before the Superior Court. However, he said if the petitioners choose, they might withdraw their petition and resubmit it in the same or an amended form for consideration one (1) year from today.

Councilman Boland moved to close the public hearing at 5:05 P.M. This motion was seconded by Councilwoman Price and carried unanimously.

Verl Emrick, Planning Director, read the ordinance.

For lack of a motion, the ordinance failed on first reading.

ORDINANCE NO. 1227 - AN ORDINANCE AMENDING SECTIONS 8-1, 8-3, 8-6, 8-7, AND 8-12 OF CHAPTER 8 OF THE CODE OF ORDINANCES TO ADOPT THE NORTH CAROLINA STATE BUILDING CODE, THE STATE UNIFORM RESIDENTIAL CODE, AMENDING REQUIREMENTS FOR PLANS AND SPECIFICATIONS AND LIMITATIONS ON ISSUANCE OF PERMITS, AND ESTABLISHING BUILDING INSPECTIONS PERMIT FEES

RESOLUTION NO. 81-160 - RESOLUTION AUTHORIZING THE CITY MANAGER TO DISPOSE OF SURPLUS PROPERTY

18. Consideration was given to a resolution authorizing the City to dispose of surplus property.

The City Manager read the resolution and said the City owns a house, located at the North Fork Watershed, formerly the residence of the Watershed Supervisor and the existing structure has no further beneficial use to the City. North Carolina General Statutes 160A-266, Article 12 provides for the disposal of such property. This resolution will authorize the City Manager to dispose of the surplus property according to said statutes.

Upon motion of Councilman Brownlee, seconded by Councilwoman Price, Resolution No. 81-160 was unanimously adopted.

Complete text of Resolution No. 81-160 will be found in Resolution Book No. 12 at page 454.

Complete text of Resolution No. 81-164 will be found in Resolution Book No. 12 at page 458.

The City Manager said this agreement is similar to last year's agreement with the Skyland Volunteer Fire Department, Inc., and since the agreement is on a one-year basis, it must be renegotiated annually.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 81-162 was unanimously adopted.

Complete text of Resolution No. 81-162 will be found in Resolution Book No. 12 at page 456.

PETITION - RESIDENTS OF MONTVIEW DRIVE - OPPOSITON TO PLANNED DEVELOPMENT OF BLUE RIDGE MENTAL HEALTH

The City Manager presented a petition received from residents of Montview Drive requesting the designation of an abandoned, unpaved, and unused street be changed to an alleyway. The petition states that "Carolina Avenue" has not been used for the past forty years and has returned to woodland growth. It appears to be only fifteen feet inside, too narrow for modern street use and has no definite end or outlet. Its beginning is on Mount Clare, an old and narrow Asheville Street."

A letter was attached to the petition addressed to the Asheville City Council dated July 1, 1981, from Martha C. Walz, for the neighborhood of Montview Drive, state that "it is on this inadequate road that the Blue Ridge Mental Health, using funds from HUD and ARC (handicapped housing) has plans to build an eleven unit apartment house (cost 1.5 million)"

The City Manager said he would forward the petition to the Planning and Zoning Commission for the Commission's consideration in making their decision relative to the proposed development of apartments by Blue Ridge Mental Health.

Upon inquiry of Councilwoman Price, the City Manager said that Mrs. Waltz, spokesman for the residents, would be notified of the fact that the petition had been forwarded to the Planning and Zoning Board for their consideration.

CLAIMS - MRS. JAMES GIBSON - MAXINE KRAUSE - CHARLOTTE CLARK - ROY P. LATHROP, JR.

sideration given to the provision relative to the character of the neighborhood which is included in the Group Development Section of the Zoning Ordinance, and if the Sugartree Development is approved, it will definitely change the character of the neighborhood. He said Council should not fear the possibility of a lawsuit, because anytime the Council makes a decision on something that should be done, it incurs the possibility of a lawsuit.

Wesley J. Potter of 329 Kenilworth Road spoke in support of the moratorium in development of the Kenilworth area and requested that Council delete the language in the ordinance excluding the Sugartree Apartments Complex from the moratorium.

John McAfee of Sheridan Road said Council needs to consider the future growth of Kenilworth area.

Forest Hardy of 6 Thurland Avenue, said it was his understanding that the developer of the Sugartree Apartments Complex was going through the Kenilworth Cemetery to get to their proposed site.

Mr. Emrick informed Mr. Hardy that the plans submitted by the developer did not show an access to the property through Kenilworth Cemetery.

Mayor Trantham asked Mr. Emrick to look into the problems of encroaching upon the cemetery property with the developers of the Sugartree Apartment Complex.

David Nash, 36 Chiles Avenue, said that the Sugartree Apartment Complex would be a threat to the Kenilworth community.

Vice-Mayor Morris said that the Kenilworth area is different from the other areas in the City in that it is one of the few sections of town that has large parcels of land left for development. He said he did not want the Kenilworth Residents' Association to think that Council is not concerned about the impact of population in the area.

Mayor Trantham closed the public hearing at 4:50 P.M.

Mr. Emrick said the timing of the reviews of the Kenilworth Zoning Petition and the Sugartree Apartment Complex are going to be simultaneous, but that Council has the option to schedule the public hearings where one would be heard before the other. He said both will be heard by the Planning and Zoning Commission on August 5, 1981, but that it could not be known at this time, whether both or only one would be referred to Council.

Verl Emrick read the ordinance imposing a moratorium on development in the Kenilworth area.

Councilwoman Price moved for the adoption of Ordinance No. 1236. This motion was seconded by Vice-Mayor Morris.

On a roll call vote of 5-0, Ordinance No. 1236 passed on first reading.

Verl Emrick, Director of Planning, said at the June 25, 1981, meeting of the Asheville City Council, the Kenilworth Residents' Association presented a petition requesting that the City Council initiate a study relative to the rezoning of property in Kenilworth. They further requested that a moratorium be placed on building permits while said study was being conducted. City Council forwarded the petition to the Planning and Zoning Commission. This public hearing will address the second part of the request of the Kenilworth Residents' Association to issue a moratorium on zoning and building permits during the time of the study.

Charles Bent of 18 Chateau Place, spoke in favor of the ordinance imposing a moratorium on development of the Kenilworth area. He said the ordinance in its present form is an exercise of futility in that the ordinance states that the moratorium shall not extend to individuals having valid permits on the effective date of this ordinance or for those projects submitted to the Asheville City Council or the Asheville Planning and Zoning Commission for review under Article VI of Ordinance No. 322, as amended, prior to July 1, 1981. He said the Kenilworth Residents' Association in their petition wanted the moratorium to include all group developments presently under consideration by the Planning and Zoning Commission until the rezoning of the Kenilworth could be acted upon. He said the main purpose of the Kenilworth Residents' Association in requesting the moratorium is to stop the proposed Sugartree Apartments Complex now under consideration by the Planning and Zoning Commission. He said the way the ordinance is now proposed the Sugartree Apartments would be excluded from the moratorium.

Mayor Trantham said that upon the advice of the Corporation Counsel the wording excluding Sugartree Apartments is necessary due to the fact that if Council included Sugartree Apartments, Council would be open for a lawsuit and the Corporation Counsel had advised that Council would probably lose the lawsuit. He said the Sugartree Apartments Complex has not been approved and has soil erosion and sewer troubles that still must be cleared up by the developers before approval can be given.

Vice-Mayor Morris said this ordinance imposing the moratorium would not include Sugartree Apartments but it would help the citizens of Kenilworth in the future from being overly populated.

Verl Emrick told members of Council that they would have the prerogative of setting the density requirements and improving the group development plan of the Sugartree Apartment Complex. He said that Council could impose various specifications upon the developer of Sugartree, but the conditions would have to be reasonable and justifiable.

Steve Kropelnicki, an attorney living in the Kenilworth area, spoke in favor of the moratorium. He requested that Council delete wording in the ordinance excluding the Sugartree Apartments Complex. He said the Kenilworth residents are only asking for the same consideration as was given to the Beaverdam residents when Council adopted Ordinance No. 1171 on June 26, 1980, which imposed a moratorium on the issuance of building permits for multi-family residential purposes and excluded only those persons who had valid permits as of the date of the ordinance. He said the Sugar Tree Development did not have a permit at this time and therefore, the ordinance should not include that development. He said there hasn't been any con-

PROCLAMATION - BELE CHERE 1981

6. Mayor Trantham proclaimed the days of August 13, 14, 15, and 16, 1981, as the "Bele Chere Festival."

RESOLUTION NO. 81-172 - RESOLUTION AUTHORIZING CERTAIN OFFICIAL ACTION RELATIVE TO THE BELE CHERE FESTIVAL

7. Consideration was given to a resolution authorizing certain official action relative to the Bele Chere Festival.

Steve Metcalf, coordinator of the Bele Chere Festival introduced Mr. Sam Easterby, Chairman of the Bele Chere Festival who presented Council with Bele Chere tee shirts.

Mr. Steve Metcalf read the resolution stating that in order to facilitate the success of the "Bele Chere Festival 1981" certain actions must be taken by Council such as the authorization to close certain streets, waiving of requirements of Section 25-5, selling on streets and sidewalks, and Section 25-6, use of streets and sidewalks for demonstrations, and the waiving of parking fees at certain parking lots.

Upon motion of Vice-Mayor Morris, seconded by Councilwoman Price, Resolution No. 81-172 was unanimously adopted.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 81-173 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO RENTAL AGREEMENTS WITH TENANTS OCCUPYING OFFICE SPACE IN THE CITY BUILDING

9. Consideration was given to a resolution authorizing the City Manager to enter into rental agreements with tenants occupying office space in the City Building.

The Assistant City Manager read the resolution stating that the City of Asheville has leased an area of the City Building on the Sixth Floor to Dr. E. R. S. Witten and Dr. W. H. McCall and area on the Fourth Floor to Western North Carolina Development Association. This resolution will authorize the City Manager to enter into lease agreements with said tenants.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 81-173 was unanimously adopted.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1236.

This motion was seconded by Vice-Mayor Morris and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1236 passed on second reading.

Augusta Young, Chairman of the Ad Hoc Committee of the Kenilworth Residents' Association, requested that the City Council schedule consideration of rezoning the Kenilworth area before the hearing on the Sugartree development.

RESOLUTION NO. 81-171 - RESOLUTION ESTABLISHING A STANDARD MAINTENANCE CHARGE FOR FIRE ALARM BOXES AT BUSINESS AND INSTITUTIONAL LOCATIONS

4. Consideration was given to a resolution establishing a standard maintenance charge for fire alarm boxes at business and institutional locations.

The Assistant City Manager read the resolution.

Chief Ball said the maintenance charge of \$368 per year per box is a recommendation of the MICA study. He said letters were sent to all individuals having fire alarm systems informing them of those charges. He said he had received a few calls from the individuals but no significant opposition.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 81-171 was unanimously adopted.

Complete text of Resolution No. 81-171 will be found Resolution Book No. 13 at page 2.

BUDGET AMENDMENT - GRANT PROGRAMS FUND BUDGET FOR 1981-82 (HILLCREST COMMUNITY CENTER PARENTING PROGRAM ENRICHMENT PROJECT)

5. Consideration was given to a budget amendment amending the Grant Programs Fund Budget for 1981-82.

The Assistant City Manager presented the budget amendment stating that this budget amendment in the amount of \$3,575.00 is to provide funding for the continuation of the Hillcrest Community Center Parenting Program Enrichment Project. This projects' goal is to improve the parenting skills of the parents involved in the Hillcrest Enrichment Program in order to reduce the rate of juvenile crime in the Hillcrest area.

Councilwoman Price moved to approve the budget amendment as presented by the Assistant City Manager. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING - AMENDING ZONING ORDINANCE, ORDINANCE NO. 322 - INCREASING
MEMBERSHIP ON THE BOARD OF ADJUSTMENT

ORDINANCE NO. 1237 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN
ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing was held relative to amending Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville," as amended, Article 8, entitled Board of Adjustment, to permit the City Council to appoint more than nine members to the Board of Adjustment.

Mayor Trantham opened the public hearing at 4:16 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Zoning Administrator, requested that Article 8, Board of Adjustment, be amended to permit the City Council to appoint more than nine members to the Board of Adjustment. The Planning and Zoning Commission, at its July 8, 1981 meeting, voted unanimously to recommend approval of this amendment. He said this amendment would help the Zoning Administrator to obtain a quorum for the meeting on a regular basis. He said a quorum is difficult due to the frequency of the meetings of the Board of Adjustment.

Mayor Trantham closed the public hearing at 4:19 p. m.

Verl Emrick, Planning Director, read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1237. This motion was seconded by Councilman Boland.

Vice-Mayor Morris suggested that the Planning Director contact the Buncombe County Commissioners to see if they have any problems relative to this amendment prior to the third reading of the ordinance. He said this should be done due to the fact that the ordinance requires that the Buncombe County Commissioners appoint two (2) members to the Board of Adjustment.

On a roll call vote of 5-0, Ordinance No. 1237 passed on first reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1237. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1237 passed on second reading.

Mr. Emrick, Planning Director, told members of Council that he would contact the Buncombe County Commissioners relative to this amendment prior to the third reading.

The invocation was given by Vice-Mayor Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 6, 1981 meeting.

Upon motion of Councilman Cole, seconded by Councilman Boland, the minutes of the August 6, 1981 meeting were approved as submitted.

ORDINANCE NO. 1237 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Increasing membership to the Board of Adjustment)

2. Consideration was given to the third reading of Ordinance No. 1237, an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville," as amended increasing membership on the Board of Adjustment.

Vice-Mayor Morris said the ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

The City Manager said, at the direction of Council on August 6, 1981, Mr. Emrick, Planning Director, contacted the Buncombe County Commissioners to determine if they wanted to increase their powers on appointing members to the Board of Adjustment. He said as a result it has been recommended that Ordinance No. 1237 Section (1) be amended to read as follows:

"The Board shall consist of nine (9) or more members appointed by the City Council for a term of three (3) years and two (2) or more members, not to exceed four (4) members who are residents of the extraterritorial area appointed by the County Commissioners for a term of three (3) years."

ANNOUNCEMENT OF APPOINTMENT - WILLIAM MURPHY - CIVIC CENTER DIRECTOR

The City Manager announced the appointment of William Murphy as Civic Center Director.

The City Manager read the resolution stating that the City of Asheville has approximately 7,000 fingerling trout ranging in size from 2 inches to 7 inches in the hatchery at Bee Tree Lake and has decided that it is necessary to keep the fishing operations closed at Bee Tree Lake this year. The use of Bee Tree Lake as a water supply source is creating difficulties in maintaining the trout hatchery operations and this resolution will authorize the Parks and Recreation Director to dispose of the trout in the raceways at Bee Tree Lake on a negotiated sale basis with the State of North Carolina Wildlife Commission.

Several members of Council said, in the future when the City can again open Bee Tree Lake for fishing, they hoped the North Carolina Wildlife Commission would reciprocate.

Upon motion of Councilman Cole, seconded by Councilman Boland, Resolution No. 81-184 was unanimously adopted.

Complete text of Resolution No. 81-184 will be found in Resolution Book No. 13 at page 17.

RESOLUTION NO. 81-185 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

5. Consideration was given to a resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

The City Manager read the resolution stating that this is an application for an annual grant from the Department of Transportation to aid in the financing of a technical study grant to implement specific items of the 1981-82 Asheville Urban Area Unified Work Program. The total project budget is \$27,750 with the federal sharing being 80% or \$22,200.

Upon motion of Councilman Cole, seconded by Councilman Wilkes, Resolution No. 81-185 was unanimously adopted.

Complete text of Resolution No. 81-185 will be found in Resolution Book No. 13 at page 18.

APPROVAL OF THE CONSENT AGENDA

6. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

The City Manager presented members of Council copies of the following documents: PRESS RELEASE

FOR IMMEDIATE RELEASE - 2:00 P.M.
TUESDAY, AUGUST 25, 1981
BY: KEN MICHALOVE, CITY MANAGER OF ASHEVILLE, NC
FOR FURTHER INFORMATION: - KEN MICHALOVE
255-5462

APPROXIMATELY TWO YEARS AGO, STROUSE-GREENBERG AND COMPANY, ONE OF THE LARGEST DEVELOPERS IN THE NATION, PROPOSED A MAJOR DOWNTOWN REVITALIZATION PROJECT FOR OUR CENTRAL CITY. TO DATE, CONSIDERABLE STUDY OF THIS PROJECT HAS BEEN DONE IN AN EFFORT TO DETERMINE THE FINANCIAL AND PRACTICAL FEASIBILITY OF THE PROJECT. OUR STAFF REPORT TO THE PUBLIC TODAY IS THAT IN OUR STUDY OF THIS PROJECT, IT IS FEASIBLE AND PRACTICAL AT THIS POINT IN TIME. THE RENTS THE CITY WILL RECEIVE FROM THE PROJECT ARE DESIGNED TO PAY CITY DEBT SERVICE ON BONDS AND PROVIDE GUARANTEES FOR COMPLETION OF THE PROJECT, IN ADDITION TO SUBSTANTIALLY INCREASING AD VALOREM TAX REVENUES FOR THE CITY AND COUNTY AND PROVIDING NEW JOBS.

THE MAJOR POINTS THAT MUST BE MADE TO THE CITIZENS ARE AS FOLLOWS:

1. "THIS IS A POINT-IN-TIME REPORT" - THE ANNOUNCEMENT TODAY IS A REPORT OF OUR STUDIES, PERHAPS BETTER EXPLAINED - IF COMPARED TO THE COUNTDOWN OF A SPACE MISSION BLASTOFF - WE ARE AT STEP 1 AND COUNTING. HOWEVER, AT ANY TIME UNTIL WE GET TO "ZERO" OR "GO" WE ARE NOT REQUIRED TO GO FURTHER. THE NEXT MAJOR STEP IS FOR THE TAXPAYERS TO CONSIDER A VOTE FOR BONDS - ASSUMING THAT IS FAVORABLE, THAT MOVES US TO STEP 2, BUT DOES NOT THROW THE SWITCH TO "GO." ONLY AFTER ALL FURTHER FEASIBILITY, LEGAL, AND PRACTICAL STEPS ARE FAVORABLY COMPLETED, CAN IT GO.

SOME OF THE PROPOSED PROTECTIONS FOR THE CITY OF ASHEVILLE AND OTHER
RELATED MATTERS THAT MUST TAKE PLACE IN THE FUTURE AS IT RELATES TO
PROCEEDING WITH THE DOWNTOWN COMMERCIAL COMPLEX

1. Fact Finding Committee has been appointed to go to other cities the size of Asheville and examine the success and failure of this type project. Members - Maurice Winger, Robert Turner, J.D. Jackson, and Verl Emrick.
2. We will meet the requirements of the North Carolina Historic Preservation Organization.
3. We will meet the requirements of the North Carolina Local Government Commission.
4. Our financial consultant - Price, Waterhouse and Company and our bond counsel, Brown, Wood, Ivey, Mitchell and Petty will continue to be involved in the developmental monitoring of the project.
5. Provision will be made for outside financial auditing and permanent staff to monitor the project once underway.
6. A performance and payment bond is required during the project construction.
7. Strouse-Greenberg is to guarantee specific performance of the lease agreement through a pledge of personal assets of the partners.
8. A security deposit will be required during the period of operation of the facility.
9. Rents the City shall receive monthly will pay grant and bond obligations.
10. Assignment of sub-leases will be made to the City.
11. Commitments from anchor stores and a certain amount of other floor space will be definitely signed by a pre-agreed-to date.
12. Inflation factors are built into the current cost estimate and interest rates are set at a reasonable level.
13. Requirements of all grants will have to be met.
14. We are investigating a third party feasibility review by a private bank and the feasibility of catastrophic insurance.
15. Grants will have to be forthcoming in sufficient amount to offset certain expenses.
16. A favorable vote on the bond referendum will have to take place.
17. Obtaining a favorable opinion from the Department of Transportation regarding a Thoroughfare Plan.
18. City approval of the architect's plan.
19. City approval of the relocation and land acquisition plan.

The City Manager said in effect the resolution under consideration by Council, will also set an amount of money, not more than \$40,000,000 in general obligation bonds and the intention is to place this issue before the voters on the November 3rd ballot in order for the voters of the City of Asheville to make the decision about the importance of having this type complex for the City of Asheville.

The City Manager reviewed the documents presented to Council being the "press release- 8/25/81," "fact sheet - Asheville Downtown Commercial Complex," "list of 19 items - related matters," and "general financing sheet - proposed Asheville Downtown Commercial Complex."

In referring to the list of 19 items, the City Manager said there are many more matters to be taken care of in the project, however this list includes more significant things that the City will be dealing with in this process.

The City Manager noted that out of all the publicity that the City has received on this issue, he had only received one call from a property owner in the affected area who understood that the property owners in the affected area would be moved out without compensation. He said it was his hope that whether the citizens of Asheville are for or against the project that they would receive all the facts accurately and not get the facts distorted. He said if the project goes, the City and the Housing Authority will have to meet the federal requirements under the "Uniform Relocation Assistance Act" to compensate the property owners and to meet all the guidelines of that Act.

At this point, Councilwoman Price said members of Council had set the fact mentioned by the City Manager as criteria for the proposed project and that there would be a favorable relocation plan for the property owners in the affected area.

The City Manager said all the information and documents should be treated as a "point-in-time report" and is subject to change.

In reviewing the general financing sheet - proposed Asheville Downtown Commercial Complex, the City Manager pointed out that if the complex were built at 1981 cost it would be projected to cost \$92,792,000. However, it will take time to process all the documents for bond consideration and arrange for federal grants. He said it would take 2 to 2½ years for construction, so built into the project is \$23,300,000 of inflation and contingency costs. He said if inflation doesn't increase as fast as projected, obviously the project will be built for less.

The City Manager said the project should not be considered a non-profit venture for the City or the developer. The developer is going to make money or he would not develop here. The City's expense for operation of the parking facility and payment of the debt service comes off the top. He said it is projected that the City would have an estimated annual increase just in real property tax revenues, based on the current tax rate, of \$782,931. He said this project doesn't really add to the service cost that the City now has in terms of police, fire, and garbage collection so the City is adding to the budget from a revenue standpoint.

The City Manager said from the city staff's point of view there are not any negative fiscal reasons why the City should not proceed and they would recommend that Council adopt the resolution under consideration.

The City Manager read the resolution.

Mayor Trantham opened the discussion to those in the audience and requested that any individual speaking for a group or organization speak first and those individuals speaking for themselves limit their comments to three (3) minutes.

Upon inquiry of Councilman Wilkes, a discussion was held relative to how a "satisfied interest rate" would be determined. Councilman Cole said he felt the rate would have to be sufficient to entice an investor to purchase the local general obligation bonds. The City Manager said the projected figures are based on a 10-1/2% interest rate and any amount higher than that would cause the projected figures to change. He said Council would have one (1) year, after a favorable vote on the issuance of the bonds, to issue the bonds which would give time to consider the market. It was noted that the City Council, at the time of the issuance of the bonds, would determine the "satisfied interest rates." Councilwoman Price said if it was determined that a "satisfied interest rate" could not be obtained then the project would not be feasible.

Wayne Caldwell, representing Save Downtown Asheville, said since members of Council already know how he feels about the project he would not elaborate on his feelings. He pointed out that Councilwoman Price had questioned whether any other developers had come forth during this period and the answer was "no." He said the resolution states that there are no other viable proposals which have made for the redevelopment of the area. He said he must remind Council of John Lantzius. He said he attended a Council meeting when John Lantzius explained his ideas for downtown and he also attended a meeting of Council when they entered into a memorandum of understanding with Strouse-Greenberg and he had commented during that meeting "that will effectively shut out any developers from coming in and offering proposals." He said it was not a question on John Lantzius' part of not wanting to redevelop the area. He said Council should be aware of that point.

Mr. Caldwell said, especially during an election year, Council should find it scary to ask the voters to approve the issuance of general obligation bonds. He said the city taxpayer would be obligated to finance the bonds in the last resort if everybody goes broke. He said in order for the public (the City of Asheville) to make an intelligent decision about that they will need to have a good deal more financial facts about this project than they now have. He requested that his organization, or anybody that wants it, be furnished a copy of the "Price Waterhouse report," that some individuals in town have. He said he would like a copy of the full financial feasibility study of the project at this point.

The City Manager said he would have the City Attorney review the document and if it can be released it will be released.

Mr. Caldwell said it was his understanding that this report was largely funded through Community Development funds and that it should be public property.

The City Manager said if that turns out to be the case he would make the report available.

Ralph Bishop spoke in opposition to the resolution stating that the City taxpayer should not be asked to finance anything.

Joe Lowrance, representing Strouse Greenberg and Company reviewed a rendering and model of the proposed complex. He said his company was very excited about the way the complex is developing. He said certainly the need and demand for a retail complex of this size in the Asheville trade area has been evident by interests of developers and the market studies. He said the complex has the potential of being a success for Asheville and offers a tremendous retail/commercial potential in the downtown area.

Upon inquiry of Councilwoman Price, Mr. Lowrance said an office building is not included in the proposed figures. He said this could be added later.

Upon inquiry of Councilwoman Price, whether any consideration had been given to the present property owners in the area of having an opportunity to become part of the complex at a reduction or some consideration, Mr. Lowrance said no discussion had been made of this, however, this could be worked out with the Housing Authority's relocation plan.

Councilwoman Price noted that Council would have the opportunity of approving the final plans of the complex since the developers would be required to go through the Group Development process with the Planning and Zoning Commission reviewing the plans and rendering a recommendation.

Councilwoman Price said about two (2) years ago it was said that the City staff would be available to work with any developer who might have plans for downtown. She asked the City Manager if any other developer had come forward with any plans, indepth studies for parking garages, hotels or any other kind of shopping other than Strouse Greenberg Company.

In answer to Councilwoman Price, the City Manager said to his knowledge, other than the presentations that were made generally to Council, in November, there have not been any other developers presenting proposals.

The City Manager assured Councilman Cole that his assumption that this proposal, until recently, was proposed to be funded by revenue bonds, which at the current market is almost prohibitive to municipalities, and that the most favorable route would be through general obligation bonds. The City Manager said the current interest rate for the general obligation bonds is at 10.5% for 20 years.

Councilman Cole asked the City Manager if he was correct in saying that to this time the Council has continuously insisted that this project be built without cost to the taxpayers. However, in going with this new type bond, that is guaranteed by the taxpayers, should the project, after it is entered into successfully and everything is complete; find that the development is not successful then the taxpayers must understand that if there is no income from the project the taxpayers would have to pay these bonds out of ad valorem taxes.

The City Manager said Councilman Cole's statement is true. However, many protections have been put into the agreement. He said he could not tell the taxpayers that there is no risk involved, but the City, to the best of their ability, tried to cover that (risk) through security deposits, performance bonds, etc. He said the City would have to prove to the Local Government Commission that there is a revenue source through rents to meet the bond obligation.

RESOLUTION NO. 81-198- RESOLUTION ESTABLISHING A STANDARD FIRE CONTRACT FEE STRUCTURE

RESOLUTION NO. 81-199 - RESOLUTION APPROVING A BASIC FIRE CONTRACT RATE

5. Consideration was given to resolutions establishing a standard fire contract fee structure and approving a basic fire contract rate.

The City Manager read the resolutions stating that the City of Asheville is requested from time to time by individuals, companies and organizations who reside or are located outside the corporate limits of the City to enter into a contractual agreement which calls for the immediate assistance of the Asheville Fire Department in extinguishing fires which occur outside the corporate limits. The cost to the City to maintain a prompt and efficient Fire Department is very substantial and the City deems it fair and prudent that those individuals, companies, or organizations receiving benefit of the protection offered by the Fire Department share in the cost of providing this protection. These resolutions will establish a standard fire contract fee structure and approve a basic fire contract rate. He said he felt this would be a much better way to proceed in the future with fire contracts.

At the request of Councilman Wilkes, Mr. Larry Fisher, Director of Finance, explained the basic rate plus surcharges proposed for different risk grades. He said the risk grade would determine the amount of the surcharge that would be charged.

Councilwoman Price said anyone having a fire contract would receive service from the Asheville Fire Department on a first call responsibility. She said it would not be like assistance to mutual aid. She said this would possibly provide them with a cheaper fire insurance rate.

Chief Ball said a very extensive study was conducted by the Department of Finance and the administration of the Fire Department in establishing the standard fire contract fee structure and the basic fire contract fee. He said this would provide the Fire Department with good guidelines for future fire contracts.

Upon inquiry of Councilman Wilkes as to what criteria was used to determine the risk grade and rate, Larry Fisher, Director of Finance, said the Fire Department would have twenty-one different items to check in a structure requesting a fire contract, using national standards, in determining the Risk Grade. He said the Fire Department staff would make a field evaluation and the Fire Chief would assign a risk grade. He said a fire contract rate of twenty-five cents per one hundred dollar valuation has been recommended. He said he conducted a study of the budget for the Fire Department and the cost of maintaining and operating the Fire Department in recommending the fire contract rate.

Chief Ball said all requests for fire contract would be investigated before being entered into.

Vice-Mayor Morris moved for the adoption of Resolution No. 81-198 and Resolution No. 81-199. This motion was seconded by Councilwoman Price.

Complete text of Resolution No. 81-198 will be found in Resolution Book No. 13 at page 32-33.

Complete text of Resolution No. 81-199 will be found in Resolution Book No. 13 at page 34.

Sarah Long, a property holder in the affected area, asked if the City would receive any tax revenues during construction of the project.

The City Manager responded to Sarah Long that that question is being discussed in the agreement.

Councilwoman Price said that the agreement was to state that there would be income coming to the City during this time (construction time).

Councilwoman Price said, in response to Wayne Caldwell's statement about other developers presenting proposals for revitalizing downtown, it was her understanding that it was left open that the City staff was to work with anyone who came in.

The City Manager responded that he did not think that the memorandum of understanding with Strouse Greenberg contained that statement but he would check into this. He said as he recalled the Council made opportunities for any developer that wanted to come in with a plan for this area. He said there were three or four that came in and those developers were contacted during the time the City was dealing with Strouse-Greenberg. He said he was not aware that any developer pursued any more staff time or anything else.

Councilwoman Price moved for the adoption of Resolution No. 81-196. This motion was seconded by Councilman Wilkes.

Councilman Cole commented that up until this time, the development of the Strouse Greenberg project has been on the "backs" of the Asheville City Council. He said in essence what this resolution will do is lift the burden of responsibility from the Asheville City Council and place it to the taxpayers of the City as to whether Strouse Greenberg should develop this property. He said if the vote is negative then the Strouse Greenberg project would not be developed.

Vice-Mayor Morris commented that if the vote is negative the proposed method of financing the project would be dead.

Councilman Brownlee said it was his understanding, all along, that this project would not cost the city taxpayer a penny. He said it has already cost the taxpayers a lot. He said he was in great sympathy with the people who are in business in the Lexington Avenue area and they are entitled to be paid for their property and business if the project is developed. He said he was in favor of letting the general public vote on the issue and let them decide what they want to be done with this area.

On a voice vote of 6-0, Resolution No. 81-196 was unanimously adopted.

Complete text of Resolution No. 81-196 will be found in Resolution Book No. 13 at page 29-30.

RESOLUTION NO. 81-200 - RESOLUTION APPROVING LEASE AGREEMENT WITH ASHEVILLE REGIONAL AIRPORT AUTHORITY AND AUTHORIZING THE MAYOR TO EXECUTE SAID AGREEMENT ON BEHALF OF THE CITY

6. Consideration was given to a resolution authorizing the Mayor to enter into a lease agreement with the Asheville Regional Airport Authority for certain property at the Asheville Regional Airport.

The City Manager read the resolution stating that in the Airport Agreement between the City of Asheville and the County of Buncombe that created the Asheville Regional Airport Authority, it was stipulated that following the execution of that agreement, certain airport property belonging to the City of Asheville, would be leased to the Airport Authority. The resolution under consideration is in conformance with that section of the agreement.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-200 was unanimously adopted.

Complete text of Resolution No. 81-200 will be found in Resolution Book No. 13 at page 35.

RESOLUTION NO. 81-201 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A DEED OF EASEMENT BETWEEN THE CITY OF ASHEVILLE THE ASHEVILLE REGIONAL AIRPORT AUTHORITY AND THE METROPOLITAN SEWERAGE DISTRICT OF BUNCOMBE COUNTY FOR A SEWER LINE AT THE ASHEVILLE AIRPORT

7. Consideration was given to a resolution authorizing the Mayor to enter into a deed of easement between the City of Asheville, the Asheville Regional Airport Authority and the Metropolitan Sewerage District of Buncombe County for a sewer line at the Asheville Airport.

The City Manager read the resolution stating that this resolution covers a request by the Metropolitan Sewerage District of Buncombe County for easement of right-of-way over certain airport property for the proposed construction of the South Buncombe Interceptor sewer.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 81-201 was unanimously adopted.

Complete text of Resolution No. 81-201 will be found in Resolution Book No. 13 at page 36.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING BUDGET- ASHEVILLE-BUNCOMBE 1982 WORLD'S FAIR PROMOTION FUND

8. Consideration was given to a budget amendment amending the City of Asheville Annual Operating budget to appropriate \$20,000 from the General Fund Contingencies to the Asheville-Buncombe 1982 World's Fair Promotion Fund.

The City Manager presented the budget amendment stating that Council had attended a session on Tuesday, August 25, 1981 to hear a presentation on the World's Fair Promotion. He said Asheville and Buncombe County needed to ~~raise~~ \$70,000 to make the World's Fair a success. He said the Chairman of the County Commissioners and the Mayor in a prior meeting had agreed on an equitable share of \$20,000 for the City to appropriate and the County to appropriate \$50,000. He said Mayor Trantham had written the following letter to the Chairman of the County Commissioners indicating that the City would take action on the appropriation with the assumption that the County would appropriate \$50,000.

- E. Approval of bids received July 24, 1981 for water treatment chemicals.

HIGHLIGHTS: Seven bidders submitted proposals to furnish a six month term contract to supply the Water and Sewer Department with water treatment chemicals. Recommendation of acceptance of low bids submitted by Jones Chemicals in the amount of \$9,230.00, Holtrachem, Inc., \$28,000.00, Chemtech Industries, \$7,574.40 and McKesson Chemical Company, \$3,363.75. Sufficient funds are available in the Water and Sewer Department Water Production activity.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

CLAIMS - GARY McDANIELS- CHARLES COXIE- VAUGHN PAYNE - CARL RHINEHARDT

The City Manager presented claims received from Gary McDaniels, Charles Coxie, Vaughn Payne and Carl Rhinehardt.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - CONSTITUTION WEEK - SEPTEMBER 17 - 23, 1981

Mayor Trantham proclaimed the week of September 17 - 23, 1981 as Constitution Week.

RESOLUTION NO. 81-203 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE REVITALIZATION AND ECONOMIC DEVELOPMENT COMMISSION (Thomas F. Dabney, Mrs. Robert N. Bailey, Mr. Walter St. G. Gladding, Leon Rocamora)

Consideration was given to a resolution appointing members to the Asheville Revitalization and Economic Development Commission.

The City Manager read the resolution appointing Mr. Thomas F. Dabney, Mrs. Robert N. Bailey, Mr. Walter St. G. Gladding and Leon Rocamora as members of the Asheville Revitalization and Economic Development Commission.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-203 was unanimously adopted.

Complete text of Resolution No. 81-203 will be found in Resolution Book No. 13 at page 38.

Councilman Wilkes moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Scheduling of a public hearing relative to the adoption of an ordinance designating the "Richmond Hill House" as historic property for September 10, 1981.

HIGHLIGHTS: The City Council will consider an ordinance designating the "Richmond Hill House" as historic property. This building is now on the National Register of Historic Places and this ordinance will provide for local designation, from which the property owner may derive tax benefits through maintenance and improvements to the property.

- B. Resolution No. 81-202 - Resolution authorizing the Mayor to sign a consent judgement in the case of the North Carolina Department of Transportation vs. Benny F. Byrd and wife Louella M. Byrd, et al.

HIGHLIGHTS: This is a condemnation by the N. C. Dept. of Transportation for a drainage easement on McDowell Street to which the City is a party and it is in the best interest of the City to approve and consent to the agreement.

Resolution Book No. 13 at page 37

- C. Approval of bids received July 29, 1981, for fencing at various parks.

HIGHLIGHTS: Three bids were received. Recommendation of acceptance of low bid submitted by Hendersonville Fence Company in the amount of \$24,110. Sufficient funds are available under Deaverview Park; Kenilworth Park; Murphy-Oakley Park; Walton Street Park; Shiloh Park; and Montford Park.

- D. Approval of bids received July 29, 1981 for asphalt tennis courts at Kenilworth Park and Aston Park.

HIGHLIGHTS: Four bids were received. Recommendation of acceptance of low bid submitted by Pace Brothers Construction Company, Inc. in the amount of \$18,880. This is for the construction of two tennis courts at Kenilworth Park and a tennis practice backboard area at Aston Park. Sufficient funds are available under Kenilworth Park and Aston Park.

letter from Chancellor Highsmith indicated that construction of these projects are proposed by 1986. He said although UNC-A is tax exempt, they do bring people to the City and produce development. He said Micro Computers Industries have also indicated an interest in this particular area. He said he felt the City should upgrade utilities to produce development whenever they can.

RALPH BISHOP - SEEKING REDRESS

Mr. Ralph Bishop spoke to Council relative to his right to seek redress from the Council members.

ADJOURNMENT

Upon motion of Vice-Mayor Morris, seconded by Councilman Cole, the meeting adjourned at 6:15 p. m.

PUBLIC HEARING SCHEDULED - AMENDMENT TO ZONING ORDINANCE - REDUCTION IN FILING
FEE FOR APPEALS TO THE BOARD OF ADJUSTMENT

The City Manager said the staff had conducted a study relative to the elimination or reduction of the \$50.00 filing fee required to bring matters before the Board of Adjustment. He said the fee was originally established to curtail the number and type of appeals brought before the board and was never intended to be a revenue producing source. He said it was conceded that the fee did pose a hardship on some individuals who had legitimate appeals but could not afford the \$50.00. However, some fee should be charged to discourage appeals that obviously would be disapproved and the recommendation was to reduce the fee to \$25.00 to cover the actual cost of advertising the meeting, postage, cost of tapes for recording, xeroxing and secretarial services. He said in order to reduce the fee to \$25.00 the Zoning Ordinance would have to be amended which would require a public hearing and an ordinance.

Councilwoman Price moved to schedule a public hearing for the consideration of an ordinance amending the Zoning Ordinance, Ordinance No. 322, as amended, reducing the filing fee for appeals to the Board of Adjustment to \$25.00 for September 17, 1981. This motion was seconded by Vice-Mayor Morris and carried unanimously.

BUDGET APPROPRIATIONS - SEWER LINE ON WEAVER BLVD. - REED CREEK

The City Manager said in the pre-council meeting he brought to Council's attention a problem with a sewer line on Weaver Boulevard that parallels in Reed Creek. He said there are a number of developers interested in developing land in and around this area. He said the land contains about 75 to 100 acres of potential development. He said it has been determined there is a potential for a \$200,000 Appalachian Regional Commission grant, \$100,000 in Clean Water Bonds, and \$119,000 of Community Development funds which Council has earmarked \$100,000 and the Asheville Revitalization and Economic Development Commission have requested the County of Buncombe to appropriate \$45,000 for this project. He said this will leave the City with a direct outlay of \$50,000 which staff has recommended be appropriated for this project through the Water and Sewer Services Department. He said as much as possible of this amount could be provided through in-kind contributions through engineering services. He said he felt a motion was needed to indicate to the other participants that the City will appropriate \$119,000 in Community Development funds and \$55,000 of city funds, based on the County's funding of \$45,000 and the other funding for this project.

Councilwoman Price moved to appropriate \$119,000 of Community Development funds and \$55,000 of city funds for the Reed Creek project, provided that all other financial resources are available. This motion was seconded by Councilman Wilkes and carried unanimously.

Upon inquiry of Councilman Wilkes, the City Manager said he had letters indicating development of a 65 acre tract programmed for 506 condominium units, adding a maximum of \$50,600,000 to the tax base for the City and County; developer proposing to construct a medical office building on a one and one-half acre tract at a cost of \$300,000; two developers propose a 40 to 50 apartment complex on a four acre tract at a cost of \$1,000,000; developer proposing to construct 85 dwelling units on a 5 acre tract and a letter from UNC-A, Chancellor Highsmith, indicating a new residence hall for 300 students costing \$4,300,000, a new science building at a cost of \$4,000,000 and an administration building at a cost of \$2,000,000. He said the

PUBLIC HEARING - DESIGNATING THE "RICHMOND HILL HOUSE" AS HISTORIC PROPERTY

ORDINANCE NO. 1240 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS "RICHMOND HILL HOUSE" LOCATED AT 45 RICHMOND HILL ROAD IN BUNCOMBE COUNTY AS HISTORIC PROPERTY

4. A public hearing was held relative to the adoption of an ordinance designating the "Richmond Hill House" as historic property.

Mayor Trantham opened the public hearing at 4:20 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mrs. Grace Pless, Chairman of the Historic Resources Commission, said the commission would like for the Richmond Hill House to be designated as national historic property.

Richard Thornton, of the Planning Division, read the ordinance and requested that the ordinance be read on three readings today.

Mayor Trantham closed the public hearing at 4:36 p. m.

Councilwoman Price moved for the adoption of Ordinance No. 1240. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1240 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1240. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1240 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1240. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1240 passed on third and final reading.

Complete text of Ordinance No. 1240 will be found in Ordinance Book No. 9 at page 268.

BUDGET AMENDMENT - ANNUAL OPERATING OR CAPITAL PROJECT BUDGET 1981-82 - GENERAL FUND-
FIRE DEPARTMENT - GENERAL REVENUE SHARING - PUBLIC WORKS DEPARTMENT

5. Consideration was given to a budget amendment amending the City of Asheville Annual Operating or Capital Projects budgets as follows:

Thursday - September 10, 1981 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen Walter R. Boland, F. Jack Cole, Harold F. Brownlee, and H. C. Wilkes; Corporation Counsel William C. Moore; City Manager K. M. Michalove; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Harold F. Brownlee.

APPROVAL OF THE MINUTES

I. Approval of the minutes of the August 27, 1981 meeting.

Upon motion of Councilman Boland, seconded by Councilman Wilkes, the minutes of the August 27, 1981 meeting were approved as submitted.

REPORT BY CORPORATION COUNSEL - OFFICER HERBERT J. WATTS CASE

2. At the request of Mayor Trantham, the Corporation Counsel reported action taken in the Executive Session of Pre-Council. The Corporation Counsel said "prior to this last week, there was no procedure on appeals for the City Council to follow or the City Manager to follow. The Council has now adopted a procedure in regard to this and under the laws, the Council has the right to make those decisions. These guidelines have been developed and they will be followed in the future and it's the decision of the Council not to appeal the Watt's case. The majority decision."

RESOLUTION NO. 81-204 - RESOLUTION OF APPRECIATION TO WILLIAM E. NORWOOD FOR SERVICES AS A MEMBER AND OFFICER OF THE ASHEVILLE AREA CIVIC CENTER COMMISSION

3. Consideration was given to a resolution of appreciation to William E. Norwood for services as a member and officer of the Asheville Area Civic Center Commission.

The City Manager read the resolution which stated that Mr. William E. Norwood has served on the Asheville Area Civic Center Commission since February, 1977, and held office as Commission Chairman from July, 1979 through June, 1980. He has resigned from the Commission effective September 1, 1981.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-204 was unanimously adopted.

Complete text of Resolution No. 81-204 will be found in Resolution Book No. 13 at page 39.

bid and the medium duty truck the alternate. He said Matthews Motors, Inc. made a legitimate bid on what the City has primarily requested.

Upon inquiry of Vice-Mayor Morris, Mr. David said Matthews Motors would not have bid on the heavy duty truck if it were the primary bid or the alternate,

Upon inquiry of Councilman Wilkes, Mr. Brown said the two bid specifications were in the bid package to obtain a comparison in cost, etc. between the lighter duty and heavier duty trucks.

Upon inquiry of Council, Mr. Brown said the life span of both pieces of equipment would be the same but the maintenance cost would be higher and this is a direct justification for recommending the acceptance of the alternate bid for the heavy duty truck.

David Pruett, Motor Transport Superintendent, discussed the warranties and differences of both the light and heavy duty trucks.

Councilman Wilkes moved to table action on the bids and review the bids during a Council work session. This motion was seconded by Councilman Brownlee.

Mr. David, of Matthews Motors, Inc. said if action is tabled he would withdraw his bid due to time constraints from the factory that would expire prior to the next Council meeting.

Upon inquiry of Mr. David, Mr. Brown said the equipment specified in the primary bid would do the job required but the heavier duty truck would do a better job.

Vice-Mayor Morris said he felt the bid process should have been reversed and the heavy duty equipment put out as a primary bid and the light duty truck as an alternate. He asked Mr. David if Matthews Motors, Inc. could extend their bid for another week.

At this time the bidders present at the meeting were asked to determine how long the bid prices would be available.

Later during the meeting, the City Manager read a note from Mr. Charlie David of Matthews Motors, Inc. indicating that the Ford District Sales office would extend the bid prices through September 17, 1981.

Maxwell Taylor of Sanco Corporation of Winston Salem, N. C., low bidder for the alternate bid of the heavy duty truck, said he was unsuccessful in contacting his factory to determine how long the bid prices could be extended. He said effective Tuesday, September 15, 1981, there would be a nine (9%) percent increase on the truck bodies. He said Sanco Corporation has done business with the City of Asheville for a number of years. He said the City staff has done an extensive research on the comparison of the trucks in question and have found that the difference in the trucks would more than substantiate the difference in the cost. He compared the difference in the trucks. He said more municipalities and companies are going toward fleet standardization. He said a garbage truck used in the mountains needs an engine with a lot of pulling power.

- a) General Fund - Fire Department - To provide funding for contract with Skyland Volunteer Fire Department for fire protection at the Asheville Regional Airport.
- b) General Revenue Sharing - Public Works Department - To reappropriate funds for items approved in the Fiscal Year 1980-81 Budget but not purchased as of June 30, 1981, for the Street and Sanitation Divisions of the Public Works Department.

The City Manager presented the budget amendments.

Vice-Mayor Morris moved to approve the budget amendments as presented by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

BIDS - REFUSE COLLECTION EQUIPMENT - PUBLIC WORKS DEPARTMENT

6. Consideration was given to the approval of bids submitted on July 20, 1981, for refuse collection equipment.

At the request of the City Manager, Mr. Clark Brown, Director of Public Works, reviewed the particulars of this bid. He said the bid was a dual bid with two sets of specifications. He said this was the second time the bid process has been handled in this manner. He said about two (2) years ago the Department of Public Works was realizing a lot of down time and maintenance on the refuse collection equipment. He said at that time it was decided to take a closer look at the bid specifications. He said this bid is for three (3) trucks. He said there is a difference in the cost of the equipment bid but he felt the savings on the recommended bid would be more than enough to make up the difference in the cost of the equipment. He said the difference between the heavy duty truck and the light duty truck is \$24,000. Therefore, the staff in evaluating the bids did recommend the low alternate bid of Sanco Corporation for the heavy duty truck. He said this is a more costly piece of equipment but more efficient over the life of the equipment.

The City Manager said he had met with Mr. David and representatives of Matthews Motors, Inc. five or six weeks ago. He said a couple of concerns were expressed during the meeting. He said one had to do with businesses that operate in the corporate limits of the City. He said they feel that since they make a contribution to the City through taxes, etc. they should be considered. He said these local businesses a number of times have difficulty in competing with the out of town businesses. He said, on the other hand, the City is in the market of goods and services, and is required by state law to treat everyone equal whether they have a business inside or outside the City Limits. He said his direction to staff, is that whenever the City can do business within the City to do so, but to follow state laws. He said state law also requires the City to do business with the lowest responsive bidder.

Mr. Charlie David of Matthews Motors, Inc. said it upset him as a local businessman, and as an individual, for the City to go out of town to buy anything that can be bought locally, provided the product is competitive and the price is competitive. He said he felt it is an obligation of the City Council to make every effort to do business with local businesses. He said if preference is shown, the local businesses should receive it. He said on this particular bid the City requested bids on a primary bid (medium duty truck) and Matthews Motors, Inc. was the low bidder on the primary bid. He said his contention would be that if the City knew they wanted a heavy duty truck why was it not the primary

Thereupon Councilman H. C. Wilkes introduced in written form the following order authorizing bonds which was read:

ORDINANCE NO. 1242 - ORDER AUTHORIZING \$18,000,000 REDEVELOPMENT BONDS
ORDER AUTHORIZING \$18,000,000
REDEVELOPMENT BONDS

BE IT ORDERED by the Council of the City of Asheville:

1. That, pursuant to The Local Government Bond Act, as amended, the City of Asheville, North Carolina, is hereby authorized to contract a debt, in addition to any and all other debt which said City may now or hereafter have power or authority to contract, and in evidence thereof to issue Redevelopment Bonds in an aggregate principal amount not exceeding \$18,000,000 for the purpose of providing funds, with any other available funds, to assist the Asheville Housing Authority in the acquisition of land and the improvement thereof in the carrying out by said Authority of the lawful functions and powers of a redevelopment commission of said City.

2. That taxes shall be levied in an amount sufficient to pay the principal of and the interest on said bonds.

3. That a sworn statement of the debt of said City has been filed with the City Clerk and is open to public inspection.

4. That this order shall take effect when approved by the voters of said City at a referendum as provided in said Act.

Thereupon, upon motion of Councilman H. C. Wilkes, seconded by Councilman Walter R. Boland, the order entitled: "ORDER AUTHORIZING \$18,000,000 REDEVELOPMENT BONDS", as hereinabove set forth, was passed upon its first reading by the following vote:

Yeas: Councilmen Walter R. Boland, F. Jack Cole, Harold F. Brownlee, H. C. Wilkes, Councilwoman Norma T. Price, Vice-Mayor Ralph D. Morris, Jr., Mayor Roy M. Trantham.

Nays: None

Thereupon Councilman F. Jack Cole introduced in written form the following resolution which was read:

RESOLUTION NO. 81-205-RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO
PREPARE AND FILE THE SWORN STATEMENT OF DEBT

BE IT RESOLVED by the Council of the City of Asheville:

Section 1. That the Director of Finance be and he is hereby designated as the officer who shall prepare and file with the City Clerk the sworn statement of debt of the City of Asheville which is required by The Local Government Bond Act, as amended, to be filed after a bond order has been introduced and before the public hearing thereon.

The City Manager said the alternatives Council would be to have a special Council meeting on Tuesday, September 15, 1981 to consider the bids or to rebid the entire bid, or to go ahead and accept, as he would recommend, the staff's recommendation of the low alternate bid of Sanco Corporation for the heavy duty truck.

Councilman Wilkes moved to schedule a special Council meeting on Tuesday, September 15, 1981 at 3: p. m. to consider the approval of bids submitted on July 20, 1981 for refuse collection equipment. This motion was seconded by Councilman Boland and carried unanimously.

ORDINANCE NO. 1241 - ORDER AUTHORIZING \$22,000,000 PARKING FACILITIES BONDS

6. Consideration was given to an order authorizing \$22,000,000 Parking Facilities Bonds.

Councilwoman Norma T. Price introduced in written form the following order authorizing bonds which was read:

ORDER AUTHORIZING \$22,000,000 PARKING
FACILITIES BONDS

BE IT ORDERED by the Council of the City of Asheville:

1. That, pursuant to The Local Government Bond Act, as amended, the City of Asheville, North Carolina, is hereby authorized to contract a debt, in addition to any and all other debt which said City may nor or hereafter have power or authority to contract, and in evidence thereof to issue Parking Facilities Bonds in an aggregate principal amount not exceeding \$22,000,000 for the purpose of providing funds, with any other available funds, for the construction of additional parking facilities of said City, including the construction of an off-street parking garage, the construction, reconstruction, or installation of related approaches, driveways, sidewalks and utilities and the acquisition of any necessary equipment.

2. That taxes shall be levied in an amount sufficient to pay the principal of and the interest on said bonds.

3. That a sworn statement of the debt of said City has been filed with the City Clerk and is open to public inspection.

4. That this order shall take effect when approved by the voters of said City at a referendum as provided in said Act.

Thereupon, upon motion of Councilwoman Norma T. Price, seconded by Vice-Mayor Ralph D. Morris, Jr., the order entitled: "ORDER AUTHORIZING \$22,000,000 PARKING FACILITIES BONDS", as hereinabove set forth, was passed upon its first reading by the following vote:

Yeas: Councilmen Walter R. Boland, F. Jack Cole, Harold F. Brownlee, and H. C. Wilkes, Councilwoman Norma T. Price, Vice-Mayor Ralph D. Morris, Jr. and Mayor Roy M. Trantham.

Nays: None

Section 3. That the City Clerk be and he is hereby directed to publish each of said orders, together with the appended statement giving notice of said hearing as required by The Local Government Bond Act, as amended, once in The Asheville Citizen-Times not later than the sixth day before the date of said public hearing.

Section 4. That this resolution, being a resolution directing administrative action, shall take effect immediately.

Roy M. Trantham

Mayor

William F. Wolcott, Jr.

City Clerk

Approved as to form:

William C. Moore
Corporation Counsel

Upon motion of Councilman Walter R. Boland, seconded Councilman F. Jack Cole, the foregoing resolution entitled: "RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING \$22,000,000 PARKING FACILITIES BONDS AND AN ORDER AUTHORIZING \$18,000,000 REDEVELOPMENT BONDS AND DIRECTING THE CITY CLERK TO PUBLISH EACH OF SAID ORDERS TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING" was passed by the following vote:

Yeas: Councilmen Walter R. Boland, F. Jack Cole, Harold F. Brownlee, H. C. Wilkes, Councilwoman Norma T. Price, Vice-Mayor Ralph D. Morris, Jr., and Mayor Roy M. Trantham.

Nays: None

Thereupon the resolution entitled: "RESOLUTION DESIGNATING THE DIRECTOR OF FINANCE TO PREPARE AND FILE THE SWORN STATEMENT OF DEBT" and the resolution entitled: "RESOLUTION PROVIDING FOR A PUBLIC HEARING UPON AN ORDER AUTHORIZING \$22,000,000 PARKING FACILITIES BONDS AND AN ORDER AUTHORIZING \$18,000,000 REDEVELOPMENT BONDS AND DIRECTING THE CITY CLERK TO PUBLISH EACH OF SAID ORDERS TOGETHER WITH A STATEMENT GIVING NOTICE OF SAID HEARING" were authenticated by the signatures of the Mayor and the City Clerk, and the Corporation Counsel endorsed upon said resolutions his approval of the forms thereof.

Thereupon, upon motion of Councilman Walter R. Boland, seconded by Councilwoman Norma T. Price, the requirement of the Charter of the City of Asheville that ordinances be read on three separate days was dispensed with the following vote, being not less than two-thirds of the members of the Council:

Yeas: Councilmen Walter R. Boland, F. Jack Cole, Harold F. Brownlee, H. C. Wilkes, Councilwoman Norma T. Price, Vice-Mayor Ralph D. Morris, Jr., and Mayor Roy M. Trantham.

Notary Public

My commission expires May 6, 1986.

I, William F. Wolcott, Jr., City Clerk of the City of
Asheville, North Carolina, DO HEREBY CERTIFY that the
foregoing is a true copy of a statement which the Director
of Finance filed with me at a meeting of the Council of said
City on September 10, 1981, after the introduction of and
before the public hearing on two orders authorizing bonds of
said City, and that said statement is open to public inspec-
tion in my office.

WITNESS my hand and the corporate seal of said City,
this 12 day of September 1981.

William F. Wolcott Jr.
City Clerk

Verl Emrick, Director of Planning, said he had some severe reservations as to Council's authority to approve the sign permits without amending the Zoning Ordinance. He said these signs, consisting of 640 sq. ft., are only permitted in the Commercial Highway and Commercial Service along certain thoroughfares. He said I-240 is not included in the list of thoroughfares. He said he also questioned whether these signs could comply with the spacing requirements of 1,500 feet in any direction. He said in his opinion the signs would have to be oriented toward the driver on US 70 and not I-240. He said the Board of Adjustment has the authority to grant variances on spacing but has no jurisdiction in waiving the area of thoroughfares.

Don Dawson, of Naegele Outdoor Advertising Company, said it was his company's understanding that when the City of Asheville passed the present zoning ordinance, that when I-240 was opened the Council would consider whether signs would be allowed to be built along I-240. He said he felt his company has a right to request permission to erect the signs on I-240. He said his company has done many promotions for the City and has always been willing to help anyone. He said he felt the signs would provide a service to the citizens of Asheville in a more effective way and the signs will direct people to businesses. He said his company has done much to improve the image of outdoor advertising in the City of Asheville.

Upon inquiry of Councilman Brownlee, Mr. Dawson said the signs will advertise downtown businesses.

Corporation Counsel William C. Moore said he felt he did not have enough information on the signs to make a legal decision on the matter and requested that the matter be postponed a week.

Councilwoman Price said she felt the public should be made aware of the request so comments could be received from the public.

George Gontaro, President of Naegele Outdoor Advertising Company, disagreed with Councilwoman Price, stating that he felt the Council has the right to make the decision on such matters. He said Naegele had made many promises to clean up the City of Asheville, replacing old signs, etc. and has carried out their promises. He said he feels his company is justified in requesting the Council's approval for the signs.

After a brief discussion, Councilman Wilkes moved to continue action on the sign permit requests until September 17, 1981. This motion was seconded by Councilwoman Price and carried unanimously.

Vice-Mayor Morris commented that if the zoning ordinance had to be changed to permit the erection of the signs Council would have to go through the legal process of changing the zoning ordinance and that could not be done next week.

Don Dawson of Naegele Outdoor Advertising Company requested that they be notified of any legal decision made relative to the signs.

Thereupon, upon motion of Councilman F. Jack Cole, seconded by Councilwoman Norma T. Price, the order entitled: "ORDER AUTHORIZING \$22,000,000 PARKING FACILITIES BONDS", as hereinabove set forth, was read a second time and was passed upon its second reading by the following vote:

Yeas: Councilman Walter R. Boland, F. Jack Cole, Harold F. Brownlee, H. C. Wilkes, Councilwoman Norma T. Price, Vice-Mayor Ralph D. Morris, Jr., and Mayor Roy M. Trantham

SIGN PERMITS - NAEGELE OUTDOOR ADVERTISING COMPANY - SIGNS ON I-240

10. Consideration was given to the approval of two sign permits for Naegele Outdoor Advertising Company of Spartanburg to be erected on I-240.

The City Manager read the following letter received from Don K. Dawson of Naegele Outdoor Advertising Company:

September 8, 1981

Mr. Ken Michalove
City Manager
City of Asheville
Asheville, N. C.

Re: Sign Permits I-240

Dear Mr. Michalove:

Back in October of 1980, Naegele came before a private meeting with City Council to talk about two sign permits for I-240. It was decided in the work session that the Council would like to look at the locations and consider them at a later date. As of this date, the Council has all looked at the locations and we would like to get these two permits on the agenda on Thursday, September 10, if possible.

Sincerely,

NAEGELE OUTDOOR ADVERTISING
COMPANY OF SPARTANBURG

- E. Approval of bids received Monday, August 31, 1981 for one gasoline powered floor scrubber for the Civic Center.

HIGHLIGHTS: One bid was received. Recommendation of the acceptance of the only bid received by Tennant Company in the amount of \$16,512.00. Sufficient funding is available in the General Revenue Sharing Fund, Civic Center Account Code.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

RESOLUTION NO. 81-207 - RESOLUTION AUTHORIZING THE CITY MANAGER OF THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACTUARL AGREEMENT WITH THE BLUE RIDGE COMMUNITY MENTAL HEALTH CENTER TO PROVIDE A WIDE RANGE OF MENTAL HEALTH AND RELATED SERVICES TO MEMBERS OF THE ADMINISTRATIVE AND CLASSIFIED SERVICE OF THE CITY OF ASHEVILLE

Consideration was given to a resolution authorizing the City Manager of the City of Asheville to enter into a contractual agreement with the Blue Ridge Community Mental Health Center to provide a wide range of mental health and related services to members of the administrative and classified service of the City of Asheville.

The City Manager read the resolution.

Ralph Bishop requested a copy of the cost of the program for last year.

Larry Thompson, Area Director for the Blue Ridge Community Mental Health Center, gave a brief resume of the program in the past and how it was used by the employees of the City of Asheville.

PUBLIC HEARING SCHEDULED - UDAG NEEDS ASSESSMENT HEARING

The City Manager said he had received a request of the Council from Verl Emrick, Planning Director, to schedule a public hearing regarding the UDAG Needs Assessment Hearing for September 24, 1981. In a memorandum from Mr. Emrick to the City Manager, Mr. Emrick said given the proposal for the Downtown Commercial Project, the Redevelopment Plan which the City Council is to consider, and the financing package, he suggested that City Council hold its series of UDAG application hearings as soon as possible, the first step being the Needs Assessment Hearing.

Councilman Cole moved to schedule a public hearing on the UDAG Needs Assessment Hearing for September 24, 1981. This motion was seconded by Councilwoman Price and carried unanimously.

APPROVAL OF A CONSENT AGENDA

11. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

Ralph Bishop requested that Item A on the consent agenda be considered separately.

- B. Resolution No. 81-208 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the construction of 1825 ± L. F. of six (6) inch ductile iron water line and appurtenances located on Holcombe Cove Road.

HIGHLIGHTS: This right-of-way encroachment agreement with the North Carolina Department of Transportation is for a six-inch ductile iron water line to be constructed on Holcombe Cove Road. Because this line will encroach on the State right-of-way, this agreement is necessary.

PUBLIC HEARING SCHEDULED - REDEVELOPMENT PLAN - ASHEVILLE DOWNTOWN COMMERCIAL COMPLEX

The City Manager said the Planning and Zoning Commission, at its meeting of September 9, 1981, reviewed the Redevelopment Plan for the Asheville Downtown Commercial Complex at the request of the Housing Authority of the City of Asheville. After reviewing the plan and listening to public comments on the plan, the Commission voted to recommend approval of the plan to City Council. In keeping with state law on urban renewal projects, the City Council must now hold one formal public hearing on the plan before taking action to approve, amend, or reject the Redevelopment Plan.

Councilman Cole moved to schedule a public hearing relative to the Redevelopment Plan for the Asheville Downtown Commercial Complex for October 1, 1981. This motion was seconded by Councilman Boland and carried unanimously.

The City Manager read the following letter from Larry Holt, Deputy Director of the Housing Authority:

September 10, 1981

City Council
City of Asheville
P. O. Box 7148
Asheville, N. C. 28807

Re: Asheville Downtown Commercial Complex
Redevelopment Plan

Dear Mayor Trantham and Councilpersons:

On September 8, 1981, the Housing Authority of the City of Asheville adopted and approved a redevelopment plan for the Asheville Downtown Commercial Complex Redevelopment Area. The Housing Authority has submitted the redevelopment plan to the Planning and Zoning Commission of the City of Asheville for review.

The Planning and Zoning Commission has certified its recommendation on the redevelopment plan to the Housing Authority, and the Planning and Zoning Commission has recommended approval of the plan and has approved the plan.

The Housing Authority hereby submits the Asheville Downtown Commercial Complex Redevelopment Plan, a copy of which is enclosed, together with the recommendation of the Planning and Zoning Commission of the City of Asheville, to the City Council of the City of Asheville. The Housing Authority recommends approval of the redevelopment plan to the City Council.

Very truly yours,

HOUSING AUTHORITY OF THE CITY
OF ASHEVILLE

APPROVAL OF BIDS - SUBMITTED JULY 20, 1981 - REFUSE COLLECTION EQUIPMENT

The City Manager presented a notice stating that the Asheville City Council would hold a special meeting on September 15, 1981 at 3:00 p. m. to consider the approval of bids submitted on July 20, 1981 for refuse collection equipment. No other subject or subjects may be considered. He said all requirements of holding a special meeting have been met.

This matter was carried over from the September 10, 1981 meeting.

The City Manager presented members of Council with copies of the following letter:

MEMORANDUM TO: Ken Michalove
City Manager

FROM: T. Clark Brown *TCB*
Director of Public Works

DATE: September 11, 1981

Ken, as you are aware, I will not be able to attend the City Council Meeting on September 15, 1981 to further discuss the refuse collection equipment bids of July 20, 1981 due to a prior commitment. However, I believe the other members of staff who worked with me on the evaluation of this bid can supply Council with the information they require to make their decision.

However, as the department head responsible for making the decision for recommendation from the input and information of the other members of staff, I would like to take this opportunity to share with you my views and philosophy for this bid and any other bids in which the Department of Public Works is involved.

As I stated in the Council meeting yesterday, there is a precedent for the way this bid was put together.

Approximately two years ago, we were experiencing downtime and maintenance costs for our sanitation refuse collection equipment at a rate we considered far too great. Analysis of the problem showed us weaknesses in our preventative maintenance and major maintenance programs. More important, however, it also showed us that we were also building problems into our equipment in two different areas by the way we wrote our specifications.

The first area was the truck chassis we were specifying:

1. High cost of engine maintenance. The engines written into the specifications were those that could not be rebuilt by our forces but were manufacturer's exchange engines which approximately doubled the cost of engine replacement. The engines specified did not have the reserve (power to the transmission and drive train) reserve for the steep terrain these large volume packer trucks encountered everyday on their collection routes.

STORM DRAINAGE ON McDOWELL STREET - AUTHORITY FOR CITY MANAGER TO NEGOTIATE WITH STATE DEPARTMENT OF TRANSPORTATION

At the request of the City Manager, Councilman Wilkes moved to authorize the City Manager to negotiate with the State Department of Transportation for storm drainage work that needs to be done on McDowell Street in connection with a larger state project being conducted in that area. This motion was seconded by Councilman Cole and carried unanimously.

PROCLAMATION - VICE-MAYOR MORRIS' 32ND WEDDING ANNIVERSARY - SEPTEMBER 10, 1981

Mayor Trantham proclaimed September 10, 1981 as Vice-Mayor Morris' 32nd Wedding Anniversary.

REPORT FROM CITY MANAGER - BROKEN GAS LINE IN OAKLEY AREA

The City Manager said he had received a number of calls relative to the recent broken gas line in Oakley which resulted in evacuation of residents and the Oakley School. He said he has requested that the Chief of Police look into the situation and report his findings back. He said it was his understanding that the Gas Company is also looking into this situation.

FALSE FIRE ALARMS - COMMENTS

Councilwoman Price said she felt like someone should check into the reason for so many false fire alarms.

DOUBLE PARKING - AYCOCK SCHOOL - COMMENTS BY COUNCILWOMAN PRICE

Councilwoman Price requested that the Police Department look into the situation of double parking around Aycock School. She suggested that warning tickets be issued and that the Police Department talk with the PTA of the school to see if something could be worked out to eliminate the danger caused by the double parking around the school. She said the parents are making it dangerous for the children by double parking.

RALPH BISHOP - COMMENTS RELATIVE TO SEEKING REDRESS

MEMO: Ken Michalove
City Manager

DATED: September 11, 1981

In closing, I want to compliment the members of staff that worked with me on the evaluation of these bids. Their work was thorough and complete and enabled me to arrive at the decision I did in a logical manner. Speaking for myself, it would have been very easy to have simply recommended the low bid. This would have satisfied the bidding procedure and eliminated any controversy. However, I would have been remiss in my duties and responsibilities if I had not considered all of the information regarding the bids and made my decision based upon what I considered to be in the best interests of the City.

MEMO: Ken Michalove
City Manager

DATED: September 11, 1981

2. High cost of transmission maintenance. The transmissions written into the specifications were those recommended to match the engines. These transmissions were overheating on a regular basis. Again the steep terrain encountered was the major contributing factor.

The specifications developed for the heavier duty truck chassis specified engines with a higher torque reserve and engines that could be rebuilt by City forces. These specifications also included a heavier type transmission with an external oil cooler to eliminate the overheating and resulting failure of the transmissions.

The truck chassis that met the engine and transmission specifications was a heavier chassis than those previously purchased in that they were assembled with heavier axles, springs, etc.

The other change we are making in our purchasing of this type of equipment is to standardize as much as possible between two packer bodies. This assists the Motor Transport personnel so that they have to become familiar with only a limited number of complex hydraulic/mechanical systems so that they can be more proficient in the preventative and major maintenance of the equipment. By standardization we are also able to reduce parts inventories in that one part can fit one of several packer units.

The first purchase we made for heavier duty type of equipment was in June, 1980. We advertised using dual specifications. We did this to enable us to make a comparison of the cost of the equipment of the type we had in our fleet at the time with that of the equipment meeting the new specifications.

This same procedure was used again in the bid letting of July 20, 1981 to again enable us to make these cost comparisons.

I agree that in order to reduce the chance of misunderstanding, the heavier equipment could have been listed as the primary bid with the lighter equipment as the alternate. However, the "preferred" bid could not be determined until after the evaluation and cost comparisons were made.

The Staff will provide you and Council with tangible comparisons such as costs but there is an intangible but equally important aspect that must be considered and that is downtime and the effect that rescheduling because of it has on the level of service we provide our residents.

Councilman Cole called for a voice vote on his motion. The vote passed on a 4-2 vote with Councilwoman Price and Vice-Mayor Morris voting "no."

ADJOURNMENT

Upon motion of Councilman Wilkes, seconded by Councilman Cole, the meeting adjourned at 4:30 p. m.

Larry Ward of the Public Works Department, reviewed a chart showing a series of comparisons between the light and heavy duty refuse equipment justifying the Public Works Department's recommendation to accept the low alternate bid for the heavy duty refuse equipment. He said in the life span of the equipment, being ten years, the City would have a savings of \$75,900. He said the low alternate bid for the heavy duty refuse equipment is approximately \$24,000 more than the low primary bid for the light duty refuse truck.

Several members of Council expressed concern about the bid process. They indicated that the primary bid should have been for the heavy duty truck and the alternate bid for the light duty truck as the bid process was misleading to the bidders. They indicated that the bid process should follow that the primary bid should be for what the City really wants to purchase and the alternate bid for what they could afford if they could not afford the primary bid price.

Ted Grable, Purchasing Agent, upon inquiry of the City Manager, said the bid process is not unusual and is an acceptable legal process followed by other purchasing agents in other municipalities. He said no objections or questions relative to the bid process or specifications were received two weeks prior to the bid opening.

A lengthy discussion was held relative to the concerns of Council relative to the manner in which the bid process was handled.

Mr. David, of Matthews Motors, Inc., the low bidder for the primary bid, reiterated comments made during the September 10, 1981 discussion of the awarding of the bids. He said he felt that the staff should have made their extensive research on the equipment prior to letting the bids. He said he felt the research was conducted after he voiced his objections. He said local businesses could assist the Purchasing Agent in making decisions on bid specifications.

After discussion, the City Manager said the policy in the future for letting bids would be that the primary bid would consist of exactly what the City would like to purchase and the alternate bid would consist of what the City can afford to purchase.

Upon inquiry of the City Manager, the Corporation Counsel said in his opinion the City could not limit who they send out bid invitations to and must meet the state statute in accepting the lowest responsive bidder.

Mr. David said the comparisons made by Mr. Ward do not satisfy him as the City has been using the lighter duty truck for years and the equipment has been doing the job required.

After discussion, Councilman Cole moved to award the bid of the refuse collection equipment, received on July 20, 1981, to the low bidder for the primary bid, being Matthews Motors, Inc. This motion was seconded by Councilman Wilkes.

The City Manager noted that regardless of when the comparison was made it would be his recommendation to Council, based on the statistics, to either accept the staff's recommendation of accepting the low bid on the alternate bid for the heavy duty truck or rebid the entire bid, even though there will be a price increase in the equipment.

Section 1. The City of Asheville, North Carolina (the "City") is considering a proposal for the redevelopment of a portion of the downtown area of said City (the "project").

Section 2. In accordance with said proposal, the City is in the process of authorizing \$22,000,000 Parking Facilities Bonds and \$18,000,000 Redevelopment Bonds. If said bonds are approved by the voters of the City at a referendum thereon and issued, then said bonds would constitute general obligations of the City, the faith and credit of the City would be pledged to the payment of the principal of and the interest on said bonds and taxes would be levied in an amount sufficient to pay said principal and interest.

Section 3. Pursuant to said proposal, it is expected that the City would acquire land and construct thereon additional parking facilities of the City. If the City is selected as the redeveloper of the remaining part of the project pursuant to said proposal, then it is expected that the City would also acquire land for redevelopment purposes, and, as a part of such redevelopment, lease such land to a developer pursuant to a lease agreement.

Section 4. The Council expects that any non-tax revenues that would be realized by the City from the project and that would be deemed to constitute revenues of said parking facilities will be applied, in accordance with G. S. 159-47(a), as follows before they are applied to any other purpose; firstly, to pay the operating, maintenance and capital outlay expenses of said parking facilities, secondly, to pay when due the principal of and the interest on said Parking Facilities Bonds, and, thirdly, to pay when due the principal of and the interest on said Redevelopment Bonds. The Council also expects that any non-tax revenues that would be realized by the City from the project but that would not be deemed to constitute revenues of said parking facilities will be applied to pay when due the principal of and the interest on said Parking Facilities Bonds and said Redevelopment Bonds before they are applied to any other purpose. To the extent that such revenues are realized by the City in excess of the parking, maintenance and capital outlay expenses of said parking facilities and are so applied by the City, the amounts of tax revenues or other revenues that the City would be required to apply to pay the principal of and the interest on said bonds would be decreased.

Section 5. This resolution is not to be deemed to create any pledge of or lien on any revenues realized by the City from the project.

Section 6. This resolution shall take effect 15 days from the date of passage hereof.

PUBLIC HEARING ON "SUGARTREE DEVELOPMENT" IN KENILWORTH NOT TO BE SCHEDULED- ANNOUNCEMENT

Vice-Mayor Morris announced that Council would not, at today's meeting, schedule a public hearing relative to the "Sugartree" apartment complex in Kenilworth. He said the agenda calls for the scheduling of the hearing, however, Council members prefer to delay action on the Sugartree project until Council receives a report from the Planning and Zoning Commission relative to the request to rezone property in Kenilworth. He said the rezoning matter is still pending in the Planning and Zoning Commission.

RESOLUTION NO. 81-212 - RESOLUTION AS TO APPLICATION OF ANY NON-TAX REVENUES DERIVED BY THE CITY OF ASHEVILLE FROM THE PROPOSED REDEVELOPMENT OF A PORTION OF THE DOWNTOWN AREA OF SAID CITY

3. Councilman H. C. Wilkes introduced in written form the following resolution which was read:

RESOLUTION AS TO APPLICATION OF ANY NON-TAX
REVENUES DERIVED BY THE CITY OF ASHEVILLE
FROM THE PROPOSED REDEVELOPMENT OF A PORTION
OF THE DOWNTOWN AREA OF SAID CITY

BE IT RESOLVED by the Council of the City of Asheville as follows:

Janet Splitzer, residing on Cumberland Circle, who appeared in person, stated that UDAG funds could be used to improve the existing businesses downtown.

The City Manager responded that the City of Asheville needs an economic stimuli and the proposed project anticipates an additional \$782,000 in ad valorem taxes alone. He noted in the event the City needs additional bonds for utilities or general obligation bonds in the future, the City is still in a position to obtain the bonds, in addition to the proposed general obligation bonds.

Malcombe McLearn, residing on Hendersonville Road, who appeared in person and asked if the City has an amortization schedule for the general obligation bonds for the taxpayers including principal and interest.

The City Manager responded that the Local Government Commission has an amortization schedule for the bonds for twenty years at ten or ten and one-half (10-10½%) percent interest, however, the Council's intent is not to have the taxpayer's pay anything.

James Hunter, residing at 8 Maplewood Road, who appeared in person and spoke in favor of the project. He said UDAG funds could be used to further the development of downtown in addition to the proposed project. He said UDAG funds have already been used for downtown improvements.

Don Mayer, residing at 61 N. Liberty Street, who appeared in person, asked what source of information would be furnished to the citizens to show that the project would be an economic stimuli to the City.

The City Manager said the main source of information is the size and value of the proposed project. He said retail market studies have been and will be done. He reiterated a portion of the "safeguards" mentioned earlier in the meeting.

Vice-Mayor Morris also commented that the developer would not be interested in constructing the project if it is not viable.

Don Mayer said he feels there is a native distrust in the proposed developer.

Ralph Bishop, residing in the City of Asheville, who appeared in person stated his objection to the proposed bond issue. He said he did not feel the citizens of Asheville have enough information about the project to make a decision on the issue.

Margaret Muller said the project is also setting up an incredible electricity demand upon the City for the future and there is presently an energy shortage. She said the City is not making use of their present resources by going ahead with the project.

Vice-Mayor Morris closed the public hearing at 5:55 p. m.

All of the foregoing statements were duly considered by the Council.

079

Upon motion of Councilman H. C. Wilkes, seconded by Councilman Walter R. Boland, the foregoing resolution entitled: "RESOLUTION AS TO APPLICATION OF ANY NON-TAX REVENUES DERIVED BY THE CITY OF ASHEVILLE FROM THE PROPOSED REDEVELOPMENT OF A PORTION OF THE DOWNTOWN AREA OF SAID CITY" was passed by the following vote:

Yeas: Councilman Walter R. Boland, F. Jack Cole, Harold F. Brownlee, H. C. Wilkes, Councilwoman Norma T. Price, and Vice-Mayor Ralph D. Morris, Jr.

Nays: None

Thereupon the resolution entitled: "RESOLUTION AS TO APPLICATION OF ANY NON-TAX REVENUES DERIVED BY THE CITY OF ASHEVILLE FROM THE PROPOSED REDEVELOPMENT OF A PORTION OF THE DOWNTOWN AREA OF SAID CITY" was authenticated by the signatures of the Vice-Mayor and the City Clerk, and the Corporation Counsel endorsed upon said resolution his approval of the form thereof.

PUBLIC HEARING - ORDER AUTHORIZING \$22,000,000 PARKING FACILITIES BONDS AND AN ORDER AUTHORIZING \$18,000,000 REDEVELOPMENT BONDS

4. The Vice-Mayor announced that this was the date and hour fixed by the Council for the public hearing upon the orders entitled: ORDER AUTHORIZING \$22,000,000 PARKING FACILITIES BONDS" and "ORDER AUTHORIZING \$18,000,000 REDEVELOPMENT BONDS" and that the Council would immediately hear anyone who might wish to be heard on the questions of the validity of said orders or the advisability of issuing said bonds.

Vice-Mayor Morris opened the public hearing at 4:35 p. m.

The City Manager presented the notice to the public setting the time and date for the hearing and the affidavit of publication.

No one appeared, either in person or by attorney, to be heard on the questions of the validity of said orders or the advisability of issuing said bonds and the City Clerk announced that no written statement relating to said questions had been received.

EXCEPT:

Margaret Muller, residing at 63 Cumberland Avenue, who appeared in person to question what "safeguards" the City is taking to protect the taxpayer's of the City in the event the proposed project fails.

The City Manager responded to Ms. Muller by reading a list of 19 proposed protections and other related matters which was released by the City at the August 27, 1981 City Council meeting. He also stated more information relative to the project would become available and released to the citizens for their information.

Ms. Muller stated that since Council members are representatives of the City they should make sound decisions and decide whether the project is worthwhile. She said the legal process that Council is taking appears that Council is endorsing the project and not letting the citizens fully decide the issue.

Upon inquiry of Ms. Muller as to whether the City would pursue the proposed project if the referendum fails, Councilman Cole responded that that decision would have to be made depending upon a number of circumstances.

4. That this order shall take effect when approved by the voters of said City at a referendum as provided in said Act.

Brownlee, and Councilwoman Norma T. Price, and Vice-Mayor Ralph D. Morris, Jr.

Noes: NONE

The Vice-Mayor then announced that the order entitled: "ORDER AUTHORIZING \$18,000,000 REDEVELOPMENT BONDS" had been adopted.

2.

Shall the order adopted on September 17, 1981, authorizing not exceeding \$18,000,000 Redevelopment Bonds of the City of Asheville, North Carolina, for the purpose of providing funds, with any other available funds, to assist the Asheville Housing Authority in the acquisition of land and the improvement thereof in the carrying out by said Authority of the lawful functions and powers of a redevelopment commission of said City, and authorizing the levy of taxes in an amount sufficient to pay the principal of and the interest on said bonds, be approved?

Each of the questions hereinabove set forth contains a statement of the purpose for which the bonds are authorized by the order referred to in such question.

If said bonds are issued, taxes in an amount sufficient to pay the principal and interest thereof will be levied upon all taxable property in the City of Asheville.

For said referendum the regular registration books for elections in the County of Buncombe will be used and the registration books, process or records will continue to be open for the acceptance of registration applications and the registration of qualified persons from 8:30 A.M. until 5:00 P.M. on Monday to Friday, inclusive, of each week at the office of the County Board of Elections located in the County Courthouse Annex at 189 College Street in Asheville, North Carolina.

Registration applications will also be accepted by and qualified persons may also register with the registrars and the judges of elections designated by the County Board of Elections for the several precincts in the City by appointment at their residences.

County Board of Elections of Buncombe County as provided in said notice set forth in Section 3 of this resolution, subject to change as provided by law. The County Board of Elections of Buncombe County is hereby requested to conduct said referendum and to take all necessary steps to that end in accordance with the provisions of this section.

Section 3. The City Clerk shall cause a notice to be published in The Asheville Citizen-Times once at least fourteen days before October 5, 1981 (being the last day on which persons may register for said referendum except as otherwise provided in said notice set forth in Section 3 of this resolution) and once again not less than seven days before said day, such notice to read substantially as follows:

NOTICE OF SPECIAL BOND REFERENDUM
in the
CITY OF ASHEVILLE, NORTH CAROLINA

A special bond referendum will be held between 6:30 A.M. and 7:30 P.M., on Tuesday, November 3, 1981, at which there will be submitted to the qualified voters of the City of Asheville the following questions:

1.

Shall the order adopted on September 17, 1981, authorizing not exceeding \$22,000,000 Parking Facilities Bonds of the City of Asheville, North Carolina, for the purpose of providing funds, with any other available funds, for the construction of additional parking facilities of said City, including the construction of an off-street parking garage, the construction, reconstruction or installation of related approaches, driveways, sidewalks and utilities and the acquisition of any necessary equipment, and authorizing the levy of taxes in an amount sufficient to pay the principal of and the interest on said bonds, be approved?

Any qualified voter of the City who is qualified to vote by absentee ballot in said special bond referendum may apply to the County Board of Elections for an absentee ballot. Any qualified voter who is qualified to vote by military absentee ballot pursuant to Section 163-245 of the General Statutes of North Carolina may also apply for an absentee ballot as provided by Section 163-247 of the General Statutes of North Carolina.

Persons who are not certain whether they are registered to vote or qualified to vote by absentee ballot should contact the County Board of Elections of Buncombe County at the office of said Board mentioned above.

The registration books for elections in Buncombe County will be open to inspection by any registered voter of the City during the normal business hours of the County Board of Elections on the days when the office of said Board is open prior to the close of the registration books, and such days are challenge days.

The registrars, judges and other officers of elections appointed by the County Board of Elections of Buncombe County will serve as the election officers for said referendum.

The County Board of Elections of Buncombe County will conduct said referendum.

The precincts and the voting places for said referendum, subject to change as provided by law, are as follows:

201

In addition, registration applications will be accepted by and qualified persons may register with two special registration commissioners designated by the County Board of Elections at such times and places as may be agreed upon with said commissioners.

Furthermore, certain persons in the armed forces and their spouses, certain veterans, certain civilians working with the armed forces, and members of the Peace Corps may register by mail at any time prior to said referendum in the manner provided in Article 21 of Chapter 163 of the General Statutes of North Carolina and in person at any time, including the day of said referendum.

Those residents of the City who have not voted in either of one of the two most recent successive presidential elections or in any other election conducted in the period between said two elections will not be considered to be registered under Buncombe County's permanent registration system.

Those residents of the City who are presently registered under Buncombe County's permanent registration system and who have not changed residence from one precinct to another since their registration will be permitted to vote in the special bond referendum, provided that removal from one precinct to another shall not deprive any person of the right to vote in the precinct from which he has removed until 30 days after his removal.

The last day for new registration of those not now registered under Buncombe County's permanent registration system is Monday, October 5, 1981.

The last day on which registered voters who have changed residence from one precinct to another may transfer registration is Monday, October 5, 1981.

- B. Scheduling of a public hearing relative to rezoning property located at 22 Broad Street at the request of Ronald S. Butler for October 15, 1981.

HIGHLIGHTS: The Planning and Zoning Commission, at its meeting held on September 9, 1981, reviewed a request of Ronald S. Butler that Ward 2, Sheet 4, Lot 13-1/2 (property located at 22 Broad Street) be rezoned from R-3 Medium Density Residential District to CH Commercial Highway District. The Commission recommended that the request be approved by the City Council.

- C. Scheduling of a public hearing relative to an ordinance providing for the temporary suspension of the extraterritorial jurisdiction in the area generally known as Beaverdam Valley for October 8, 1981.

HIGHLIGHTS: The City of Asheville by the authority granted in G. S. 160A-360 is exercising its extraterritorial zoning power in a large portion of the Beaverdam Valley in order to provide an orderly growth pattern for the area. The Buncombe County Board of Commissioners has caused the creation of the Beaverdam Community Council for the express purpose of developing a compatible comprehensive plan for the entirety of the Beaverdam Valley. The Beaverdam Community Council has adopted a zoning ordinance and presented same to the Buncombe County Board of Commissioners, the Asheville City Council, and the Asheville Planning and Zoning Commission along with a request that the Asheville City Council consider relinquishing its extraterritorial jurisdiction in Beaverdam Valley. The Planning and Zoning Commission has reviewed the zoning proposal and submitted its recommendations to the Asheville City Council. The proposed ordinance will declare that for a period not to exceed eighteen (18) months from the effective date of the adoption of an ordinance providing for the zoning of the Beaverdam Valley by the Buncombe County Board of Commissioners, the City of Asheville will for said period of time temporarily suspend the enforcement of the zoning ordinance in the area generally described as the Beaverdam Valley. Further that the temporary suspension of the zoning ordinance is conditioned upon the following: 1) the passage of an ordinance providing for the zoning controls by the Buncombe County Board of Commissioners for the Beaverdam Valley, 2) that a member of the Planning and Zoning Commission and a member of its staff be appointed by City Council to the Beaverdam Community Council as liaison for the City of Asheville to report to City Council monthly the overall effectiveness of the Beaverdam Ordinance in promoting the orderly growth of the valley. The ordinance further proposes that at the end of the eighteen (18) month period, the Planning and Zoning Commission will make a final report to City Council as to the advisability of permanently suspending the City's extraterritorial jurisdiction within the area. The City Council may at any time during the eighteen (18) month period reinstate its extraterritorial jurisdiction if it finds that the Beaverdam zoning is not functional and protecting the interest of the Beaverdam Community and the City of Asheville. The effective date of the proposed ordinance will be upon the date the Buncombe County Commissioners passes and effectuates an ordinance providing for the zoning of the Beaverdam Valley.

Thursday, September 24, 1981 - 4:00 p.m.

PUBLIC HEARING - URBAN DEVELOPMENT ACTION GRANTS

2. A public hearing was held to receive public comments and suggestions of project proposals for the preparation of a Urban Development Action Grant.

Mayor Trantham opened the public hearing at 4:04 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication. He also noted that HUD regulations require the legal notice to be published in a non-legal section of the paper and he presented that affidavit as well.

Mr. Verl Emrick, Director of Planning, said that this particular hearing is to accept proposals for Council's consideration of specific projects for consideration of applying for UDAG funds. He said the only application received to date has been Strouse-Greenberg in the amount of \$15,000,000. He said that applications will be taken between now and October 8, 1981 (the date Council can authorize the Mayor to submit specific applications).

Mr. Ralph Bishop spoke in opposition of the proposed Strouse-Greenberg mall.

Mayor Trantham closed the public hearing at 4:11 p.m.

Mr. Emrick advised the Council that a motion was needed to set a public hearing authorizing the Mayor to cause to be prepared a full application to the Department of Housing and Urban Development for a UDAG grant as per previously agreed schedule.

Councilman Cole moved to schedule a public hearing on October 8, 1981, to receive public comment on the UDAG application and to consider a resolution authorizing the Mayor to cause to be prepared a full application to the Depart-

Consideration was given to the approval of two sign permits for Naegele Outdoor Advertising Company of Saprtanburg to be erected on U S Highway 74 and I-240.

Mr. Lem Moore, Assistant Director of Inspections, said one of the signs is to be erected behind K-Mart, zoned CH being a 672 square foot sign, and one sign is to be erected on the knoll beyond Old Fairview Road, zoned Industrial. This zone allows two 300' sign panels, however, the company indicated that they desired a 672 square foot single panel sign and would go to the Board of Adjustments for approval of same. He said the signs are within 600 feet of a limited access highway requiring the approval of Council.

Councilman Wilkes moved to approve the sign permits for Naegele Outdoor Advertising Company. This motion was seconded by Councilman Brownlee.

Vice-Mayor Morris moved to amend the motion to approve the sign permits for Naegele Outdoor Advertising Company clarifying the fact that both signs would be 672 square foot single panel signs. This motion was seconded by Councilman Wilkes and carried on a 5-2 vote, with Councilman Boland and Councilwoman Price voting "no."

Councilman Wilkes then moved to approve the sign permits for Naegele Outdoor Advertising Company on US Highway 74 and I-240, as amended. This motion was seconded by Councilman Brownlee and carried on a 5-2 vote, with Councilman Boland and Councilwoman Price voting "no."

RESOLUTION NO. 81-220 - RESOLUTION AUTHORIZING QUITCLAIM DEED OF UTILITY RIGHT OF WAY ON PLAT BOOK 38 AT PAGE 20, BUNCOMBE COUNTY REGISTRY

Consideration was given to a resolution authorizing quitclaim deed of utility right of way on Plat Book 38 at Page 20, Buncombe County Registry.

The City Manager read the resolution explaining that this resolution would authorize a quitclaim deed conveying all right, title and interest the City may have in and to a 10-foot utility right of way to developer Mark A. Carlson.

Upon motion of Councilman Boland, seconded by Councilwoman Price, Resolution No. 81-220 was unanimously adopted.

Upon inquiry of Councilman Brownlee, a discussion was held relative to the need for the adoption of the Redevelopment Plan. It was noted that the citizens of Asheville, on November 3, 1981, would actually vote on this plan and they needed a plan to vote upon.

Councilman Wilkes noted that Council, after approval of the plan and the referendum, would still have to make a decision of whether or not to issue the \$40,000,000 in bonds.

Councilman Cole said approval of the Redevelopment Plan is a formality and does not indicate Council's approval or endorsement of the proposed project.

Larry Holt said there is a state requirement that the Redevelopment Plan be approved prior to the referendum. He said the plan can be amended in the future.

Sarah Long spoke in opposition to the proposed project of Strouse-Greenberg.

John Burnham, of Melrose Avenue, asked at what point in time could the City not pull out of the project.

In answer to Mr. Burnham, the City Manager responded at any time prior to the issuance of the bonds, the City could not go through with the project, if City Council is not completely satisfied with all the arrangements. He said a decision will be made by Council prior to acquisition, demolition or relocation of existing businesses.

Mr. Burnham said he was not opposed to the referendum but was opposed to the mall project. He cited such reasons as, twenty-four residents would have to be removed from the area, the City needs to conserve energy, and water problems, for his opposition to the project. He said he felt the project would be "downtown destruction" rather than "downtown revitalization."

Margaret Muller, of 63 Cumberland Circle, said she felt Council was endorsing the project by approving all the matters relative to the proposed project. She said a copy of all plans and reports relative to the project should be placed in the Library for public review. She said the area of electricity consumption for the proposed project should be addressed. She said the heart of Asheville's business district is being destroyed by an out-of-town business.

Jim Hunter of 8 Maplewood Road, a member of the "Committee of 36" endorsing the proposed project said the Committee has set up a series of debates for both sides of the bond issue. He said he would encourage all citizens to listen to the debates as he felt they would be very informative.

Ralph Bishop spoke in opposition to the proposed project.

Robert Carr of 47 Greenleaf Circle said he also feels Council is endorsing the project by its actions. He said Council may find in the future that their present actions will get the City of Asheville in trouble.

Upon inquiry of Mr. Carr, the City Manager said there were many protections for the City of Asheville being built into the project, but the "bottom line", if everything fails, would be that the taxpayers would have to pay the bond debt, because the tax base must be used as security. He said there is no financial obligation to the proposed developer, at this time, if the City decides not to pursue the issue. He said there was originally a "memorandum of understanding" with Strouse

APPROVAL OF THE MINUTES

1. Consideration was given to the approval of the minutes of the September 24, 1981 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the September 24, 1981 meeting were approved as submitted.

PUBLIC HEARING - REDEVELOPMENT PLAN FOR THE ASHEVILLE DOWNTOWN COMMERCIAL COMPLEX

RESOLUTION NO. 81-221 - RESOLUTION CONSIDERING THE ADOPTION OF THE REDEVELOPMENT PLAN FOR THE ASHEVILLE DOWNTOWN COMMERCIAL PROJECT AND THE AMENDMENT OF THE CONCEPTUAL PLAN FOR THE DOWNTOWN IMPROVEMENT DISTRICT

2. A public hearing was held relative to the Redevelopment Plan for the Asheville Downtown Commercial Complex.

Mayor Trantham opened the public hearing at 4:05 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and two affidavits of publication.

Verl Emrick, Planning Director, presented the City Clerk with letters from the Housing Authority, indicating that the Redevelopment Plan had been available for public review in their office since August 28, 1981; the Planning and Zoning Commission and Asheville Revitalization, indicating that the Plan had been available for public review in their office since August 31, 1981; and a letter from the City Clerk indicating that the Plan had been available for public review in that office since September 10, 1981.

Larry Holt, Deputy Executive Director of the Housing Authority, presented members of Council with copies of the Redevelopment Plan for the Asheville Downtown Commercial Complex. He reviewed the contents of the plan which had been approved by the Asheville Housing Authority and the Planning and Zoning Commission.

John Reid, a member of the Asheville Tree Commission, spoke in support of the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-223 was unanimously adopted.

Complete text of Resolution No. 81-223 will be found in Resolution Book No. 13 at page 67-68.

RESOLUTION NO. 81-224 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A QUITCLAIM DEED FOR PROPERTY ON PATTON AVENUE TO DAVID J. YOUNG

5. Consideration was given to a resolution authorizing the Mayor to execute a quitclaim deed for property on Patton Avenue to David J. Young.

The City Manager read the resolution stating that David J. Young, through his attorney, Alfred G. Adams, has requested that the City of Asheville execute a quitclaim deed for property on Patton Avenue, known as Lot 8 as shown on plat recorded in Plat Book 1, at Page 24, of the Buncombe County, N. C. Register's Office which is located north of the right of way of Patton Avenue as relocated. The City of Asheville has no interest in this property and this resolution will authorize the Mayor to execute a quitclaim deed to David J. Young.

Upon motion of Councilman Boland, seconded by Councilman Wilkes, Resolution No. 81-224 was unanimously adopted.

Complete text of Resolution No. 81-224 will be found in Resolution Book No. 13 at page 69.

APPROVAL OF THE CONSENT AGENDA

6. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City Staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-225 - Resolution appointing member to the Asheville Area Civic Center Commission.

HIGHLIGHTS: Mr. Bill Norwood has resigned as a member of the Asheville Area Civic Center Commission. This resolution will appoint Dr. Walter R. Boland as a member of the Commission effective December 4, 1981 to serve the unexpired term of Mr. Bill Norwood, which term expires June 30, 1982.

Greenberg relative to financial obligations but that agreement is no longer in effect.

The City Manager noted that long term leases, enough to cover the bond debt, would be signed with anchor stores prior to the issuance of the bonds.

Mayor Trantham closed the public hearing at 6:05 p. m.

Verl Emrick, Director of Planning, read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-221 passed on a voice vote of 5-1, with Councilman Brownlee voting "no."

Complete text of Resolution No. 81-221 will be found in Resolution Book No. 13 at page 64-65.

RESOLUTION NO. 81-222 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE CARROLL AVENUE ACQUISITION

3. Consideration was given to a resolution authorizing condemnation of property in the Carroll Avenue acquisition.

The City Manager read the resolution stating that the City of Asheville has executed a contract with the Housing Authority of the City which requires the Housing Authority to provide acquisition and relocation services to the City. The Housing Authority has caused all properties in the Carroll Avenue Acquisition Project to be appraised by a competent real estate appraiser. It is necessary for the Housing Authority to condemn the properties in the Carroll Avenue Project due to disagreement on price on Parcels 1 and 4 and title problems on Parcels 2 and 3.

Larry Holt, Deputy Executive Director of the Housing Authority, reviewed the locations of the parcels in question and said the Housing Authority had offered a fair market value for the parcels based on independent appraisers.

Upon motion of Councilman Boland, seconded by Councilman Cole, Resolution No. 81-222 was unanimously adopted.

Complete text of Resolution No. 81-222 will be found in Resolution Book No. 13 at page 66.

RESOLUTION NO. 81-223 - RESOLUTION CONCERNING THE ADOPTION OF THE TREE PLAN FOR THE CITY OF ASHEVILLE

4. Consideration was given to a resolution concerning the adoption of the tree plan for the City of Asheville.

The City Manager read the resolution stating that the Asheville City Council established the Asheville Tree Commission as an advisory commission to Asheville Parks and Recreation Department and charged it with the responsibility of developing a systematic tree planting and maintenance program for the City of Asheville. The Asheville Tree Commission has for the past three years been evolving a street tree program for the downtown area. The tree plan has been reviewed by the local public utilities and they have approved the plan. This resolution will adopt the tree plan and reaffirm a commitment to the importance of trees in the City of Asheville.

PROCLAMATION - OCTOBER 4-10, 1981 - "HIRE THE HANDICAPPED"

Mayor Trantham proclaimed the week of October 4-10, 1981 as "Hire the Handicapped Week."

CLAIMS - MARY MORGAN - JULIA GARREN

The City Manager presented claims received from Mary Morgan and Julia Garren.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - OCTOBER 5-11, 1981 - "PRODUCTIVITY IMPROVEMENT WEEK"

Mayor Trantham proclaimed the week of October 5 - 11, 1981 as "Productivity Improvement Week."

AUTHORIZATION TO BID ON HOUSE IN OPEN CUT (I-240) AREA

The City Manager said the North Carolina Department of Transportation is now finalizing work on the Open-Cut (I-240). He said the N. C. DOT has been using a house in the area for an office building and the City of Asheville has water lines in that area. He said N.C. DOT proposes to dispose of the house and he requested authority to bid \$1.00 to the N.C. DOT for the house to be disposed of to protect the city's water lines.

Councilman Cole moved to authorize the City Manager to bid \$1.00 for the house used by N.C. DOT as an office during construction of the Open Cut. This motion was seconded by Councilwoman Price and carried unanimously.

REPORT - ABSTRACT OF VOTES CAST AT THE DEMOCRATIC PRIMARY - SEPTEMBER 22, 1981

The City Manager presented a report from the Buncombe County Board of Elections consisting of an abstract of votes cast at the Democratic Primary on September 22, 1981. The abstract of votes will be on file in the Office of the City Clerk.

Resolution Book No. 13 at page 72.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

RESOLUTION NO. 81-228 - RESOLUTION APPROVING ECONOMIC DEVELOPMENT STRATEGY AND IMPROVEMENTS FOR THE DEPOT STREET AREA, PURSUANT TO ORDINANCE 1207 AS AMENDED AND RESOLUTION 81-193 APPROVING THE ECONOMIC DEVELOPMENT PROGRAM FOR THE CITY OF ASHEVILLE FOR 1981-82

Consideration was given to a resolution approving economic development strategy and improvements for the Depot Street Area, pursuant to Ordinance 1207 as amended and Resolution 81-193 approving the Economic Development Program for the City of Asheville for 1981-82.

The City Manager read the resolution.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, Resolution No. 81-228 was unanimously adopted.

Complete text of Resolution No. 81-228 will be found in Resolution Book No. 13 at page 73.

Mayor Trantham requested that the residents of Depot Street be informed of action taken by Council and what action will be taken in the Depot Street area.

LETTERS RELATIVE TO BILLBOARDS IN OPEN-CUT (I-240)-SIXTH GRADE OF ST. GENEVIES/GIBBONS HALL SCHOOL

The City Manager presented thirty-one (31) letters received from students in the Sixth Grade at St. Genevies/Gibbons Hall School relative to billboards being placed in the Open-Cut (I-240) area. A majority of the letters opposed billboards being placed in this location.

Councilman Wilkes then moved to approve the sign permits for Naegele Outdoor Advertising Company on US Highway 74 and I-240, as amended. This motion was seconded by Councilman Brownlee and carried on a 5-2 vote, with Councilman Boland and Councilwoman Price voting "no."

This motion was seconded by Councilman Wilkes and carried unanimously.

RECOGNITION OF CHIEF BALL AND BILL DEBRUHL - FIRE RATING FOR THE CITY OF ASHEVILLE

The City Manager read a letter from the Insurance Services Offices of North Carolina indicating that the City of Asheville has achieved a Class 3 fire rating. He said formally the City of Asheville had a class 4 rating and the new classification will result in a decrease in fire insurance rates for many insured commercial properties within the City. These rates will go into effect on November 1, 1981. He recognized Chief Ball and Mr. DeBruhl for their efforts in the City of Asheville obtaining the class 3 rating.

Chief Ball noted that the City of Asheville has had a class 4 rating for over thirty years and it was significant that the rating has been changed to a class 3.

PUBLIC HEARING SCHEDULED - REZONING OF KENILWORTH AREA

Councilman Cole moved to schedule a public hearing relative to rezoning property in the Kenilworth area for November 5, 1981. This motion was seconded by Councilwoman Price and carried unanimously.

PUBLIC HEARING SCHEDULED - SITE PLAN OF "SUGARTREE" APARTMENTS

Councilman Wilkes moved to scheduled a public hearing relative to a site plan of the proposed "SugarTree" Apartment Complex to be located west of Kenilworth Road and south of Diggs Road for November 5, 1981. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING - UDAG APPLICATION

RESOLUTION NO. 81-229 - RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT THROUGH THE URBAN DEVELOPMENT ACTION GRANT PROGRAM

2. A public hearing was held relative to a UDAG application and to consider a resolution authorizing the Mayor to cause to be prepared a full application to the Department of Housing and Urban Development for a UDAG grant.

Mayor Trantham opened the public hearing at 4:27 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Department of Housing and Urban Development also requires that the notice be published as a non-legal advertisement. He said this requirement was met.

Thursday - October 8, 1981 - 4:00 P.M.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Walter R. Boland, Harold F. Brownlee, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Vice-Mayor Ralph D. Morris, Jr.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 1, 1981, meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the October 1, 1981, meeting were approved as submitted.

AMENDMENTS TO MINUTES OF SEPTEMBER 24, 1981, COUNCIL MEETING

In order to clarify the minutes of the September 24, 1981, meeting, Councilman Boland moved to amend page 234 of the minutes of the September 24, 1981, meeting relative to sign permits for Naegele Outdoor Advertising Company to be located on US 74- 1-240 as follows:

SIGN PERMITS - NAEGELE OUTDOOR ADVERTISING COMPANY - SIGNS ON U S HIGHWAY 74- 1-240

Consideration was given to the approval of two sign permits for Naegele Outdoor Advertising Company of Spartanburg to be erected on U S Highway 74 and 1-240.

Mr. Lem Moore, Assistant Director of Inspections, said one sign is to be erected behind K-Mart, zoned CH being a 672 square foot sign, and one sign is to be erected on the knoll beyond Old Fairview Road, zoned Industrial. This zone allows two 300' sign panels, however, the company indicated that they desired a 672 square foot single panel sign and would go to the Board of Adjustments for approval of same. He said the signs are within 600 feet of a limited access highway requiring the approval of Council.

Councilman Wilkes moved to approve the sign permits for Naegele Outdoor Advertising Company. This motion was seconded by Councilman Brownlee.

Vice-Mayor Morris moved to amend the motion to approve the sign permits for Naegele Outdoor Advertising Company clarifying the fact that both signs would be 672 square foot single panel signs. This motion was seconded by Councilman Wilkes and carried on a 5-2 vote, with Councilman Boland and Councilwoman Price voting "no."

Peter Winslow of 288 Kenilworth Road questioned whether or not the UDAG funds will be approved.

In response to Mr. Winslow Vice-Mayor Morris said if the UDAG funds are not approved by the Department of Housing and Urban Development a decision will have to be made by the City Council at that time as to whether or not to continue with the project.

Mr. Winslow said that he felt the voters should be educated about the proposed issue.

Andrea Austin spoke in opposition to the proposed Asheville Downtown Commercial Complex.

Mr. Bruce Hart asked Council if they were studying an alternative if the referendum fails on November 3, 1981. He asked if Council would be willing to work with several local businesses for a project rather than a large corporation such as Strouse-Greenberg.

The City Manager said the Council has in the past three years worked with local businesses in obtaining UDAG grants in improvements to downtown. He said five business locations had been improved with UDAG funding.

It was noted that Council would be willing to work with local businesses for UDAG grants. It was also indicated that the Economic Development Department is now working with local businesses for improvements to downtown.

Wayne Caldwell with the Save Downtown Asheville group asked if Council had contacted HUD relative to using UDAG funds for the \$40,000,000 needed rather than issuing bonds.

Mayor Trantham closed the public hearing at 5:15 P.M.

Verl Emrick read the resolution.

Upon motion of Councilman Cole, seconded by Vice-Mayor Morris, Resolution No. 81-229 was unanimously adopted.

Complete text of Resolution No. 81-229 will be found in Resolution Book No. 13 at page 74 and 75.

Councilman Wilkes said that he would like to meet with the local downtown business groups to discuss the possibilities of redeveloping areas in the downtown.

Councilman Boland said that Council should consider alternatives if the Strouse-Greenberg project fails.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON LOUISIANA AVENUE AT THE REQUEST OF HAROLD TALBERT, AGENT FOR PROPERTY OWNERS

3. A public hearing was held relative to rezoning property located on Louisiana Avenue at the request of Harold Talbert, agent for property owners, from R-3 Medium Density Residential District to CH Commercial Highway District.

Mr. Emrick gave a general description of the grant application. He said the UDAG application is designed to provide leverage in financing of private dollars in investment. He said the grant funds are non returnable to the federal government. He said all funds would come back to the City of Asheville for future developments.

Councilman Cole said this action is a formality that Council must take in order to provide for the referendum on November 3, 1981, relative to the issuing of the bonds. He said this action does not indicate Council's approval or disapproval of the bond issue.

Mr. Emrick said the UDAG grant is an intergral part of the financing package. He said the application to the Department of Housing and Urban Development will not be submitted until after the November 3, 1981, referendum.

Upon inquiry of Councilman Wilkes, Mr. Emrick said if the referendum fails Council will have to make a decision whether or not to proceed with the proposed project. He said that he personally did not feel that the project could go through without the UDAG grant.

Mr. Joe Lowrance, with Strouse-Greenberg Company, developer of the project, reviewed the location of the proposed project. He said the project includes three department stores, 100 to 115 speciality shops, and a convention hotel. He said the complex has the potential for an office building. He said the Strouse-Greenberg Company has been working with the City of Asheville for a long time and has progressed very well with the project. He said he felt the proposed project offers an opportunity for the City of Asheville to redevelop the area. He requested favorable action by the Council on the UDAG grant.

Mr. Emrick said the Planning Department and the Community Development Department will be preparing the application for the UDAG grant through the Department of Housing and Urban Development.

Wesley Potter of Kenilworth Road questioned whether the UDAG grant was contingent upon the bond issue.

Upon inquiry of Councilman Cole, Mr. Delany said that \$175,000,000 will be cut from the UDAG funds. He said it is very important that the City of Asheville get a workable program to submit for a grant application and it was also important to submit the application as soon as possible as projects from all across the country will be submitting their proposed projects. He said he felt the Strouse-Greenberg project is a very competitive project.

Upon inquiry of Councilman Boland, Mr. Emrick said if the referendum fails the UDAG funds could be applied to the Strouse-Greenberg project.

In response to Councilman Cole, Mr. Lowrance said that revenue bonds are not feasible at this time.

Ralph Bishop spoke in opposition to the approval of the UDAG application.

Planning and Zoning Commission and a member of its Community Council as liaison for the City of Asheville to report to City Council monthly the overall effectiveness of the Beaverdam Ordinance in promoting the orderly growth of the valley. The ordinance further proposes that at the end of the eighteen (18) month period, the Planning and Zoning Commission will make a final report to City Council as to the advisability of permanently suspending the City's extraterritorial jurisdiction within the area. The City Council may at any time during the eighteen (18) month period reinstate its extraterritorial jurisdiction if it finds that the Beaverdam zoning is not functional and protecting the interest of the Beaverdam Community and the City of Asheville. The effective date of the proposed ordinance will be upon the date the Buncombe County Commissioners passes and effectuates an ordinance providing for the zoning of the Beaverdam Valley.

Mr. Emrick said the Buncombe County Commissioners and the Beaverdam Planning Council has agreed with the Planning and Zoning Commission's recommendation.

George Hyler, Chairman of the Beaverdam Planning Council said that he felt the ordinance was a very workable compromise with the Planning and Zoning Commission.

Mayor Trantham closed the public hearing at 5:35 P.M.

Mr. Emrick read the ordinance.

Councilman Boland moved for the adoption of Ordinance No. 1244. This motion was seconded by Councilman Wilkes.

On a roll call vote of 7-0, Ordinance No. 1244 passed on first reading.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING OR CAPITAL PROJECTS BUDGET

5. Consideration was given to budget amendments amending the City of Asheville Annual Operating or Capital Projects Budget as follows:

- A. Water Fund - This budget amendment in the amount of \$63,070 is to reappropriate funding from the fiscal 1980-81 budget to fiscal 1981-82 for the Water and Sewer Operating Department Radio Replacement Program.
- B. General Fund - This budget amendment in the amount of \$4,000 is to provide funding for professional services for clear proceeds litigation.
- C. Revenue Sharing Trust Fund - Facility Services Division - This budget amendment in the amount of \$3,000 is to increase appropriation for 7th floor window replacement program which was previously approved by budget amendment 9-8.
- D. General Fund - Police Department - This budget amendment in the amount of \$18,150 is to reinstate a police sergeant position not budgeted for 1981-82.

Mayor Trantham opened the public hearing at 5:25 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the petitioner Mr. Harold Talbert was not in attendance at the Council meeting and since Council had questions relative to his petition he would recommend that the public hearing be continued until October 15, 1981.

Councilman Boland moved to continue the public hearing until October 15, 1981, without further advertisement. This motion was seconded by Councilman Wilkes and carried unanimously.

PUBLIC HEARING - ORDINANCE PROVIDING FOR THE TEMPORARY SUSPENSION OF THE EXTRATERRITORIAL JURISDICTION IN THE AREA GENERALLY KNOWN AS BEAVERDAM VALLEY

ORDINANCE NO. 1244 - AN ORDINANCE PROVIDING FOR THE TEMPORARY SUSPENSION OF THE EXTRATERRITORIAL JURISDICTION IN THE AREA GENERALLY KNOWN AS THE BEAVERDAM VALLEY

4. A public hearing was held relative to an ordinance providing for the temporary suspension of the extraterritorial jurisdiction in the area generally known as Beaverdam Valley.

Mayor Trantham opened the public hearing at 5:28 P.M.

Verl Emrick, Director of Planning, presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Emrick said the City of Asheville by the authority granted in G. S. 160A-360 is exercising its extraterritorial zoning power in a large portion of the Beaverdam Valley in order to provide an orderly growth pattern for the area. The Buncombe County Board of Commissioners has caused the creation of the Beaverdam Community Council for the express purpose of developing a compatible comprehensive plan for the entirety of the Beaverdam Valley. The Beaverdam Community Council has adopted a zoning ordinance and presented same to the Buncombe County Board of Commissioners, the Asheville City Council, and the Asheville Planning and Zoning Commission along with a request that the Asheville City Council consider relinquishing its extraterritorial jurisdiction in Beaverdam Valley. The Planning and Zoning Commission has reviewed the zoning proposal and submitted its recommendations to the Asheville City Council. The proposed ordinance will declare that for a period not to exceed eighteen (18) months from the effective date of the adoption of an ordinance providing for the zoning of the Beaverdam Valley by the Buncombe County Board of Commissioners, the City of Asheville will for said period of time temporarily suspend the enforcement of the zoning ordinance in the area generally described as the Beaverdam Valley. Further that the temporary suspension of the zoning ordinance is conditioned upon the following: 1) the passage of an ordinance providing for the zoning controls by the Buncombe County Board of Commissioners for the Beaverdam Valley, 2) that a member of the

relative to the drought conditions. He said the committee had requested that the entire Council consider this resolution.

A discussion was held relative to item no. 1 in the resolution which stated that "the Director of Water and Sewer Services upon approval by the City Council shall have the authority to either reduce said water flow or completely stop the same to any water customer based on the availability of water." Vice-Mayor Morris suggested that the resolution be tabled for one week giving the public an opportunity to review the resolution.

Councilwoman Price moved to table the resolution until October 15, 1981, and requested that the public be notified of the resolution. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1245 - AN ORDINANCE REVISING REGULATIONS OF WATER USE DURING DROUGHT OR EMERGENCY CONDITIONS

9. Consideration was given to revising ordinance provision regarding regulations of water use during drought or emergency conditions.

The City Manager read the ordinance. He noted the main revisions being made to the original ordinance. He said one of the main revisions would be that Bee Tree Lake would be used when the North Fork Reservoir reaches a level of 20' below spillway instead of 30'. He said under phase 3 of the ordinance Bee Tree Lake is also being added.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1245. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1245 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to second reading of Ordinance No. 1245. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1245 passed on second reading.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-231 - Scheduling of a public hearing relative to amending Section 8-29 (B) 7 of Chapter 8 of the Code of

The City Manager presented the budget amendments.

Vice-Mayor Morris moved to approve the budget amendments as presented by the City Manager. This motion was seconded by Councilman Brownlee and carried unanimously.

SIGN PERMIT - DAVID WEST - 29 MONTFORD AVENUE

6. Consideration was given to a sign permit for David West to be located at 29 Montford Avenue.

David West a candidate for City Council said he has applied for a temporary wall sign permit to be located at 29 Montford Avenue for political purposes. The sign must be removed within ten (10) days after November 3, 1981. The sign will be located within 600 ft. of a limited access highway which requires approval of Council.

A discussion was held relative to additional political signs being requested and the waiving of the provision in the zoning ordinance whereby Council must approve all signs located within 600' of a limited access highway. The Corporation Counsel said that he did not think that Council has the legal authority to waive that provision and all requested signs should be considered on an individual basis.

Councilman Brownlee moved to approve the sign permit for David West at 29 Montford Avenue. This motion was seconded by Councilman Boland and carried unanimously.

RESOLUTION NO. 81-230 - RESOLUTION FOR A MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF ASHEVILLE AND SROUSE-GREENBERG

7. Consideration was given to a resolution for a memorandum of understanding between the City of Asheville and Strouse-Greenberg.

The City Manager read the resolution stating that the memorandum of understanding with Strouse-Greenberg is similar to the original agreement. He outlined the details of the agreement.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-230 was unanimously adopted.

Complete text of Resolution No. 81-230 will be found in Resolution Book No. 13 at page 76.

RESOLUTION NO. _____ - RESOLUTION DECLARING THAT THE CITY OF ASHEVILLE HAS NO SURPLUS WATER AND ESTABLISHING A POLICY ON ISSUING PERMITS

8. Consideration was given to a resolution declaring that the City of Asheville has no surplus water and establishing a policy on issuing permits.

The City Manager read the resolution stating that the Water Committee had met on Tuesday, October 6, 1981, and received information

Resolution Book No. 13 at page 79.

- D. Resolution No. 81-234 - Resolution authorizing the Mayor to execute a right-of-way agreement with the Southern Railway Company concerning an 8" sewer pipe line.

HIGHLIGHTS: This encroachment agreement with Southern Railway Company is for the sewer line which will be constructed on the Emma Road sewer line construction which is in the new annexation area. This construction has made it necessary for the sewer line to encroach on Southern Railway property.

Resolution Book No. 13 at page 80.

- E. Resolution No. 81-235 - Resolution authorizing the Motor Transport Superintendent to dispose of property by private sale at a negotiated price.

HIGHLIGHTS: The Motor Transport Division of the City of Asheville has approximately 150 used tires for which the City has no use. Article 12 of Chapter 160A of North Carolina General Statute provides that a municipality may dispose of personal property valued at less than \$5,000 for any one item or group of similar items through private negotiation and sale. This resolution will authorize the Motor Transport Superintendent to dispose of the property identified by private sale at a negotiated price.

Resolution Book No. 13 at page 81.

- F. Resolution No. 81-236 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Buncombe Construction Company for the project known 7th Floor Replacement Window Replacement City Hall Building.

HIGHLIGHTS: The City Council has established a capital project to replace certain windows on the 7th floor of the City Hall Building. Buncombe Construction Company is the lowest qualified bidder for this project. This resolution will authorize the Mayor to enter into an agreement with Buncombe Construction Company for this project.

Resolution Book No. 13 at page 82.

- G. Resolution No. 81-237 - Resolution authorizing the Director of Parks and Recreation to enter into an agreement with the Buncombe County Council on Aging for transportation services for the elderly.

Ordinances entitled "enforcement, powers of code enforcement officer" for October 29, 1981.

HIGHLIGHTS: It has been determined that Greensboro found that it would cost more than 60% of the fair market value to bring one of their houses into conformity with the housing code. That being so, they said it could not be repaired and must be demolished. The owner appealed. An opinion was rendered by Justice I. Beverly Lake who said "provided a house can be repaired, the owner must be given a reasonable opportunity to repair it no matter how much it cost to do the work." It has been recommended that our housing code be amended to comply with this decision. The proposed amendment would be inserted in Section 8-29 (B) 7 of the housing code: "No such ordinance shall be adopted to require demolition of a dwelling after the owner has first been given a reasonable opportunity to bring it into conformity with the standards of fitness set forth herein in Section 8-22, provided the dwelling can be repaired so as to comply with said standards of fitness."

Resolution Book No. 13 at page 77.

- B. Resolution No. 81-232 - Scheduling of a public hearing relative to amending Ordinance No. 1227, Section 8-7 and 8-12 for October 29, 1981.

HIGHLIGHTS: The City of Asheville's fee schedule for building permits in Ordinance No. 1227, is inaccurate. This ordinance was written with the intent of reflecting a change in procedure that was recommended in the recent MICA study. This change should have reflected a general permit fee of 9¢ per square foot for new residential construction. However, inadvertently the ordinance was written to cover commercial as well as residential new construction. This ordinance change is being prepared to correct that inaccuracy.

Resolution Book No. 13 at page 78.

- C. Resolution No. 81-233 - Resolution accepting a deed of easement for the purpose of constructing a sewer line on Forestdale Drive.

HIGHLIGHTS: This easement agreement with Daisy Lee Gray of 43 Rock Hill Road, Asheville, North Carolina is for a 6" sewer line to be constructed on Forestdale Drive. Because this line will encroach on property belonging to Daisy Lee Gray, this agreement is necessary.

RESOLUTION NO. 81-239 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION RELATIVE TO PROJECT 9.5130201 - IMPROVEMENTS TO U S 25 (McDOWELL STREET)

Consideration was given to a resolution authorizing the Mayor to enter into a municipal agreement with the North Carolina Department of Transportation relative to project no. 9.5130201 - improvements to U S 25 (McDowell Street).

The City Manager read the resolution stating that this municipal agreement will allow for improvements on McDowell Street for storm drainage.

Upon motion of Councilman Wilkes, seconded by Councilman Cole, Resolution No. 81-239 was unanimously adopted.

Complete text of Resolution No. 81-239 will be found in Resolution Book No. 13 at page 85.

PROCLAMATION - CREDIT UNION WEEK -OCTOBER 11-17, -1981

Mayor Trantham proclaimed the week of October 11-17, 1981, as Credit Union Week and Thursday, October 15, 1981 as Credit Union Day.

CLAIMS/LOSSES REPORT - MELISSA RICKMAN - CHERIE KRYSPOSEK - MICHAEL KITCHEN

The City Manager presented claims received from Melissa Rickman, Cherie Krysposek, and Michael Kitchen.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

REQUEST OF WAYNE CALDWELL, CHAIRMAN OF SAVE DOWNTOWN ASHEVILLE, INC. - REQUEST FOR DOCUMENTS, RE: ASHEVILLE DOWNTOWN COMMERCIAL COMPLEX

The City Manager presented a letter received from Wayne Caldwell, Chairman of the Save Downtown Asheville which reads as follows:

Mayor Roy M. Trantham
City of Asheville
P. O. Box 7148
Asheville, N. C. 28807

Dear Mayor Trantham

This letter is a request to you and the Council for information. Our organization would like to have a complete accounting of federal, state, and local funds spent to date on the following projects:

1. Preparation, printing, and implementation of the 3-volume Asheville Revitalization Plan adopted by Council in 1978, and the one-volume Citizen's Summary of the Plan.

HIGHLIGHTS: This is an annual contract with the Buncombe County Council on Aging. This resolution will extend the contract for one (1) year.

Resolution Book No. 13 at page 83.

Councilwoman Price moved to approve the consent agenda. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 81-238 - RESOLUTION AUTHORIZING THE CLOSING OF WALNUT STREET BETWEEN BROADWAY AND NORTH LEXINGTON ON SATURDAY, OCTOBER 10, 1981, FROM 10:00 A.M. UNTIL 10:00 P.M.

Consideration was given to a resolution authorizing the closing of Walnut Street between Broadway and North Lexington on Saturday, October 10, 1981, from 10:00 A.M. until 10:00 P.M.

The City Manager read the resolution stating that the merchants of Walnut Street, being members of Lexington Park Association, wish to close Walnut Street between Broadway and North Lexington on Saturday, October 10, 1981, from 10:00 A.M. until 10:00 P.M. for the purpose of a fall festival in conjunction with the Asheville Parks and Recreation Department.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-238 was unanimously adopted.

Complete text of Resolution No. 81-238 will be found in Resolution Book No. 13 at page 84.

PUBLIC HEARING SCHEDULED - AMENDING ZONING ORDINANCE TO INCLUDE "ARCHITECTURAL CONSERVATION DISTRICT"

Councilwoman Price moved to schedule a public hearing for October 22, 1981, to consider an ordinance amending the zoning ordinance to include an "architectural conservation district." This motion was seconded by Councilman Wilkes and carried unanimously.

PUBLIC HEARING SCHEDULED - SITE PLAN FOR "RIVER RIDGE SHOPPING MALL"

Councilman Boland moved to schedule a public hearing for October 29, 1981, relative to the site plan for the proposed River Ridge Shopping Mall to be located at I-240 and U S 74. This motion was seconded by Councilwoman Price and carried unanimously.

PROCLAMATION - ALPHA DELTA KAPPA - OCTOBER 11-17, 1981

Mayor Trantham proclaimed the week of October 11-17, 1981, as Alpha Delta Kappa week in Asheville.

RALPH BISHOP - REQUEST FOR RECORDS

Ralph Bishop questioned the budget amendment on the agenda for \$18,150 for the police sargeant position.

Upon inquiry of Mr. Bishop, Mr. Michalove said the budget amendment is to provide funding for a police sergeant position. He said this would cover Sergeant Watts' back pay in order to comply with a court order.

Mr. Bishop requested a copy of the bill from Mr. Harold Bennett relative to defending the City of Asheville on the Sullivan Act.

DISCUSSION OF THE CITY/COUNTY WATER AGREEMENT

A discussion was held relative to the City of Asheville coming up with a formal City/County Water Agreement that could be signed and presented to the County Commissioners for execution. After discussion Councilwoman Price moved to postpone action on the issue until October 15, 1981. This motion was seconded by Councilman Boland and carried unanimously.

ADJOURNMENT

Upon motion of Councilman Wilkes, seconded by Councilman Cole, the meeting adjourned at 6:55 P.M.

Ralph M. Hamilton
MAYOR

William F. Holcomb

ANNOUNCEMENT BY COUNCILMAN WILKES - MEMORIAL SERVICE FOR ANWAR SADAT OF EGYPT

Councilman Wilkes said the Jewish Community is having a memorial service for Anwar Sadat of Egypt at 12:30 P.M. on Monday, October 12, 1981, at the Jewish Community Center on Charlotte Street.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission at its meeting held on September 9, 1981, reviewed a request of Ronald S. Butler that Ward 2, Sheet 4, Lot 13½, located at 22 Broad Street, be rezoned from R-3 Medium Density Residential District to CH Commercial Highway District. He said the planning staff had recommended two alternatives to the Planning and Zoning Commission, those alternatives being: 1) that Lot 13½ be rezoned to Commercial Highway District or 2) that Lot 13½, 13 and 14 be rezoned to R-4 High Density Residential District which permits apartments and offices but does not permit commercial establishments. He said after review and discussion the Commission voted to recommend to City Council that Ward 2, Sheet 4, Lot 13½ be rezoned from R-3 Medium Density Residential District to CH Commercial Highway District.

Mr. Emrick said he had received a letter from Ronald S. Butler indicating he had discussed the rezoning with the neighbors at 22 Broad Street and would request that City Council consider rezoning 22 Broad Street to R-4 High Density Residential District. He said the owner is requesting the property be rezoned from R-3 Medium Density Residential District to allow for renovation of an office building.

Mr. Emrick said he had notified the adjoining property owner, Mr. Williard Swilling, owner of Lot 13 that Council could possibly consider rezoning his property to R-4 High Density Residential District. He said Mr. Swilling was notified on September 25, 1981, and to date no response has been received from Mr. Swilling.

After discussion, it was the consensus of Council to rezone the property to R-4 Residential District and include Lot 13½ and 13 in the rezoning.

The City Manager read the ordinance rezoning the property to R-4 Residential District.

Mayor Trantham closed the public hearing at 4:16 P.M.

Councilman Boland moved for the adoption of Ordinance No. 1246. This motion was seconded by Councilman Cole.

On a roll call vote of 7-0, Ordinance No. 1246 passed on first reading.

PUBLIC HEARING CONTINUED - REZONING PROPERTY LOCATED ON LOUISIANA AVENUE - REQUEST OF HAROLD TALBERT

ORDINANCE NO. _____ - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

4. A public hearing relative to rezoning property located on Louisiana Avenue at the request of Harold Talbert, agent for property owners from R-3 Medium Density Residential District to CH Commercial Highway District was continued from the October 18, 1981, meeting.

Thursday - October 15, 1981 - 4:00 P.M.

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Walter R. Boland, Harold F. Brownlee, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 8, 1981, meeting.

Upon motion of Councilman Boland, seconded by Councilman Brownlee, the minutes of the October 8, 1981, meeting were approved as submitted.

RESOLUTION NO. 81-240 - RESOLUTION IN MEMORY OF CECIL F. MARSHALL

2. Consideration was given to a resolution in memory of Cecil F. Marshall.

The City Manager read the resolution indicating that Cecil F. Marshall was an employee of the Sanitation Division of the City of Asheville and this resolution will extend to his family the Council's sincere sympathy upon his passing.

Upon motion of Vice-Mayor Morris, seconded by Councilwoman Price, Resolution No. 81-240 was unanimously adopted.

Complete text of Resolution No. 81-240 will be found in Resolution Book No. 13 at page 86.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 22 BROAD STREET - RONALD S. BUTLER

ORDINANCE NO. 1246 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

3. A public hearing was held relative to rezoning property located at 22 Broad Street at the request of Ronald S. Butler.

Mayor Trantham opened the public hearing at 4:10 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

**APPROVAL OF WATER SERVICE APPLICATIONS - LYNX CONDOMINIUM PROJECT
- MARK A. CARLSON DEVELOPMENT - KENNETH A. PARTIN DEVELOPMENT
- PINE RIDGE APARTMENTS**

6. The City Manager, in view of actions to be taken later on in the Council meeting, presented a letter from William DeBruhl, Director of Water and Sewer Services recommending that the following list of previously approved water service applications be approved by the City Council at today's meeting: 1) The Lynx Condominium Project - Black Mountain, North Carolina, Arnold Jones and Son, Inc., 2) Mark A. Carlson Development, Fenner Avenue, North Asheville, Corbin-Carlson Developer, 3) Kenneth A. Partin Development, Louisiana Avenue, Asheville, Landmark Enterprises Incorporation, 4) Pine Ridge Apartments, 42 unit apartment complex on Mills Gap Road. He said these water service applications had been reviewed and were now being recommended for approval by Council.

Upon inquiry of Councilman Wilkes Mr. DeBruhl stated that there are approximately 33 service applications on file in the Water Department. He said the other developments will not be done in the near future. However, the above projects need a letter of approval from the City before they can completely put their project together.

Councilwoman Price moved to approve the four water service applications as recommended by the Water and Sewer Director. This motion was seconded by Councilman Cole and carried unanimously.

**WATER AGREEMENT BETWEEN CITY OF ASHEVILLE AND BUNCOMBE COUNTY
- INTENT OF CITY COUNCIL TO SIGN WATER AGREEMENT**

Councilman Cole requested that Council consider a vote on the proposed Water Agreement between the City of Asheville and the County of Buncombe as discussed at last week's Council meeting. Councilwoman Price moved that Council accept the proposed Water Agreement provided page 25, line 7 be amended by adding the words "joint or county bonds." She further moved that the Mayor or Vice-Mayor be authorized to send a letter to the County Commissioners indicating Council's intent to sign the water agreement with said amendment. This motion was seconded by Councilman Cole.

Mayor Trantham said that two weeks ago he presented members of Council with a proposed water agreement to sign and deliver to the County of Buncombe. He said every item was agreed upon but two, being the amount of revenue the City could use from the water revenues and the matter of the County interfering with future city annexations. He said his proposal was to negotiate with the County Commissioners on those two items. However, Council members did not agree with his proposal. He said he felt Council has the right to present their needs. He said he could not in good conscience sign the proposed agreement.

After discussion, Mayor Trantham called for a roll call vote on Councilwoman Price's motion. Councilwoman Price's motion then carried on a roll call vote of 4-3, with Mayor Trantham, Vice-Mayor Morris, and Councilman Brownlee voting "no." After which, Vice-Mayor Morris changed his vote to "aye" stating that he did not think the citizens of the City are getting a full, fair share, but it is so much better than anything in the past that has been proposed. Therefore, Councilwoman Price's motion carried on a roll call vote of 5-2, with Mayor Trantham and Councilman Brownlee voting "no."

Mayor Trantham stated that this public hearing was continued from the October 8, 1981, meeting.

Verl Emrick said the Planning and Zoning Commission, at its meeting held on September 9, 1981, reviewed a request of Harold Talbert, Agent for property owners, that Ward 6, Sheet 17, Lots 84, 70-3/4, 70 and 86 (property located on Louisiana Avenue) be rezoned from R-3 Medium Density Residential District to CH Commercial Highway District. The Commission recommended that the request be approved by the City Council. He said it was his understanding that the Council had questions relative to the request of Mr. Harold Talbert to rezone this property. He said Louisiana Avenue is scheduled to be four lanes and construction scheduled for 1986.

Harold Talbert said the owners are requesting the zoning change from R-3 Medium Density Residential District to CH Commercial Highway District to allow for expansion of the existing small business and for future development of their lots. He said the property is no longer feasible for residential use. He said his clients have no proposed use for the property at this particular time.

After discussion Councilman Wilkes suggested that the Council look at the total area before rezoning this property. He said the zoning should be contiguous.

Mr. Emrick suggested that Council remand the request to the Planning and Zoning Commission instead of denying the request. He said if Council denied the request the matter could not be brought back before the Planning and Zoning Commission or Council for one year.

After discussion, Councilwoman Price moved to remand the request to the Planning and Zoning Commission for further study. She also requested that the Planning and Zoning Commission determine the status of the Louisiana Avenue widening. This motion was seconded by Councilman Wilkes and carried unanimously.

ORDINANCE NO. 1244 - AN ORDINANCE PROVIDING FOR THE TEMPORARY SUSPENSION OF THE EXTRATERRITORIAL JURISDICTION IN THE AREA GENERALLY KNOWN AS BEAVERDAM VALLEY

5. Consideration was given to the second reading of Ordinance No. 1244, an ordinance providing for the temporary suspension of the extraterritorial jurisdiction in the area generally known as Beaverdam Valley.

Mayor Trantham stated that this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1244 passed on second reading.

BIDS - BODY ARMOR FOR THE ASHEVILLE POLICE DEPARTMENT

9. Consideration was given to bids received September 15, 1981, for body armor for the Asheville Police Department.

The City Manager presented the following letter from the Purchasing Director recommending acceptance of the low bid submitted by Davidson Law Enforcement Division in the amount of \$20,541.

MEMO TO: Ken Michalove
City Manager

FROM: Ted Grable *TG*
Purchasing Director

DATE: October 12, 1981

SUBJECT: Award of Bid Request No. 148-82, Body Armor for Asheville Police Department

Sealed bids were received and opened Tuesday, September 15, 1981 to furnish body armor. Five (5) bidders submitted proposals as shown on the attached bid tabulation.

Four bidders proposed garments which met or exceeded the specifications of the Police Department. The lowest bid was submitted by Davidson's Law Enforcement Division of Greensboro, N.C. at \$167.00 per vest as specified. The next lowest bid was from Stinnette Uniform Sales in Asheville at a per vest cost of \$168.00. Police Chief Hensley reviewed the bids and expressed his concern that the closeness of these bids may be offset by possible increases in cost and inconvenience occasioned by contracting with a vendor in Greensboro rather than Asheville. Inquiries were made to each vendor to document the vendor's proposed services and previous experience in implementing contracts for this type of item.

Both vendors submitted responses which indicated they are able to fully implement the requirements of this bid request and fully meet all specifications. In addition, both vendors demonstrated comparable experience and expertise in this area. Both vendors have also conducted business with the City on previous occasions and have satisfactory histories. Analysis of the bids and the vendors' responses to the service inquiry does not show any significant or tangible difference in these two proposals, other than the bid price.

I have reviewed these results with Police Chief Hensley. Pursuant to the requirements of the General Statutes, I recommend that the City Council make an award to the low bidder, Davidson's Law Enforcement Division for 123 pieces of body armor in the amount of \$20,541.00.

Sufficient funds are available for this purchase in the Police Department appropriation, Account Code 10-460-037.

Councilwoman Price instructed that the City and County attorneys assist in the finalization of the proposed agreement.

ORDINANCE NO. 1245 - AN ORDINANCE REVISING PROVISIONS REGARDING REGULATIONS OF WATER USE DURING DROUGHT OR EMERGENCY CONDITIONS

7. Consideration was given to the third reading of Ordinance No. 1245, an ordinance revising provisions regarding regulations of water use during drought or emergency conditions.

Mayor Trantham stated that this ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

Vice-Mayor Morris moved to amend Ordinance No. 1245, Section 1, phase III (A) (2) to read "that the use of water for residential, commercial and industrial users shall be restricted to sixty percent (60%) of their average water consumption, over and above the minimum charge based on their respective meter size." This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1245 passed on third reading as amended.

Complete text of Ordinance No. 1245 will be found in Ordinance Book No. 9 at page 276-278.

ORDINANCE NO. 1247 - AN ORDINANCE ESTABLISHING A WATER CONSUMPTION EXPANSION CONTROL POLICY FOR THE ASHEVILLE MUNICIPAL WATER SYSTEM

8. Consideration was given to an ordinance establishing a water consumption expansion control policy for the Asheville Municipal Water System.

The City Manager said this ordinance would replace the resolution that Council considered last week and deals with how the water drought ordinance will be enforced.

The City Manager read the ordinance.

Councilman Wilkes moved for the adoption of Ordinance No. 1247. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1247 passed on first reading.

Councilman Cole moved to suspend the rules and proceed to the second reading of Ordinance No. 1247. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1247 passed on second reading.

C. Davidson's employee's that do vest measurement have been trained by Tony Bourgesse at Point Blank in practical conditions so that all areas of measurement have been covered in depth. Davidson's Law Enforcement Equipment is the only vendor in North Carolina that has received the above training.

D. Logistics of measurement of all personnell at the Department.

1. Members of our trained staff will be available at the Asheville Police Department by appointment and/or at the shift change to make measurements.
2. When officers are measured as they leave their shift the following factors should be considered. (A) Officers are not leaving duty assignment areas, this leaving a segment of the populus without protection. (B) City equipwnt is not used to travel to and from the local vendor resulting in savings to the taxpayer. (C) Officers are in Uniform so that a proper fit can be obtained.
3. It has been our past experience to set up two measuring schedules on separate weeks. This insures fitting the majority of the officers. Any officers not fitted in this time frame will be scheduled on an individual basis.

A representative of Stinnette Uniform Sales in Asheville appeared before Council and said he felt it would be advantageous to the City to award the bid to Stinnette Uniform Sales in Asheville. He said the difference in his bid and the low bid is \$123, however he felt his company could give extra service by fitting the police officers locally. He felt it would be a quicker, smoother and faster procedure to have the officers be fitted by a local business. He showed members of Council a sample of the body armor proposed in his bid.

The City Manager presented the following letters from Stinnette Uniform and Davidson Law Enforcement Division indicating there was no difference in the two bids submitted.

Dear Mr. Grable:

I am writing in response to your letter of September 25, 1981 regarding (Bid Request No. 148-82). We were pleased to be advised that we were low bid on the above mentioned proposal and feel that our company can provide prompt and professional service in outfitting your department with ballistic vest.

By your letter and bid result information, I surmise that price is not only the question but also service and the possibility that a local vendor may be able to better serve you. As you have requested I will supply you with the following information:

1. Details necessary to measure and fit body armour:

- A. Tape Measure - Initial measurement and final measurement are made with tape measure, Basic measuring procedures are as follows
Front: Measurement at upper Torso Chest and Waist
Measurement from clavical to belt line.

Back measurement - Base of neck to belt line

- B. We maintain a complete set of samples (Class IIA Side Panel) in all available sizes. It has been our experience and advice by the factory that this is the only way to insure a proper fit. With the sample vest on and the officer in uniform he can experience the wearability of the vest both standing and sitting (simulating vehicular patrol). Final measurement is made at this point with tape measure to remove or add coverage at the beltline area. Currently we are the only Point Blank vendor in North Carolina that maintains the above mentioned measuring samples.

Ref: Your Letter, September 25, 1981
Body Armor Bid #148-87

Dear Mr. Grable:

The easiest and most efficient way for the Asheville Police Department to get five shifts of men processed for body armor measurements is to have them come by our store on Haywood Road. The officers may stop by to be measured on their off-duty periods, which will provide the least possible interruptions to normal shift schedules. It is the best way to handle the officers who may be on vacation, at training schools, or absent for some reason. We can also provide expert alterations at our store for properly fitting the body armor.

Trained representatives of Stinnette Uniform will measure and fit each individual member of the Asheville Police Department as follows:

- A. We will take measurements of the individual's upper torso to determine proper fit.
- B. We will then have the individual try on the size body armor measured to insure a perfect fit. There are many instances where an individual will measure one size, yet his body posture will dictate a different fit than measured. For this purpose we will have on hand at measuring times, a sample of each standard size.
- C. If an individual experiences some later difficulty in wearing the armor (not uncommon due to the weight) we will adjust or exchange his body armor to give a more comfortable fit. This is assuming that the exchange is made within a reasonable time period and that the original garment is returned to us in good enough condition to issue to another officer at the bid price.

Stinnette's has been fitting and selling body armor to police officers in Western North Carolina for many years. Hickory and Lincolnton Police Departments may be used as references.

In closing I would like to make several general comments which I feel will be of interest.

Davidson's Law Enforcement Equipment has supplied more Point Blank vests than any other Point Blank Distributor in the state of North Carolina. Our company is 100% law enforcement equipment oriented. Equipment sales is not a side line as is with many uniform houses.

We maintain a professional staff considered as experts in the field of law enforcement equipment, we continually strive to stay abreast of developments and keep our customers informed of vital information they need.

If further information is needed regarding this matter, please feel free to contact me.

I will be glad to come to Asheville and discuss this with you personally or your city council if need be.

Sincerely,

A handwritten signature in cursive script, appearing to read "Al Sutton".

Mayor Trantham noted that if the bid was awarded to a local business the police officers would have the opportunity to have their uniforms adjusted from time to time according to their weight.

The City Manager suggested that, if Council would like to review the two letters they postpone action on the bids until next week.

Councilman Boland and Councilman Wilkes indicated that Council might be violating statutes if they did not accept the low bid. Ted Grable, Purchase Director, said the two bids were very competitive bids and the City of Asheville was fortunate in receiving competitive bids. He said competitive bids provide the City with lower bids. After discussion, Councilman Wilkes noted that if Council awards bids to local businesses even though they are higher, the out of town businesses might not bid on future items.

Councilman Boland moved to postpone action on the approval of the bids until October 22, 1981. This motion was seconded by Councilman Cole and carried on a voice vote of 5-2 with Councilman Wilkes and Councilwoman Price voting "no."

Mayor Trantham requested that the City Attorney investigate the legality of Council awarding bids to the second low bidder.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Scheduling of a public hearing relative to the site plan of a proposed apartment complex to be located on Nantahala Street (previously known as the Carolina Avenue Apartments) for November 12, 1981.

HIGHLIGHTS: The Planning and Zoning Commission at a meeting held October 7, 1981, reviewed the site plan of a proposed apartment complex to be located on Nantahala Street (previously known as the Carolina Avenue Apartments). After review and discussion of the plan the commission voted to recommend approval to City Council subject to the following: 1) compliance with the City's Erosion Control Ordinance and 2) showing 16 additional spaces on the site that could be used for future parking as required.

- B. Scheduling of a public hearing relative to the site plan of a proposed "Bi-Lo Shopping Center" to be located on Leicester Highway for November 12, 1981.

Mr. Ted Cable
City of Asheville

October 7, 1981

(PAGE TWO)

In summary, we again stress the convenience to the City of our store on Haywood Road. We can take a significant time-load off the Police Department by having the officers come by the store to be measured. We will keep detailed records of the men and their sizes, and do the necessary follow up to insure that everyone is properly processed for body armor. However, if the Police Department elects to be measured during on-duty shift periods, we will have representatives readily available at any time convenient to the department. We are always locally available to be of service.

Sincerely,

Darrell E. Redmond
President

DBR/et

of the financial accounts and records of the City of Asheville for the fiscal year ending June 30, 1982.

Upon motion of Councilman Wilkes, seconded by Councilman Boland, Resolution No. 81-242 was unanimously adopted.

Complete text of Resoluition No. 81-242 will be found in Resolution Book No. 13 at page 88.

RALPH BISHOP - REQUEST FOR RECORDS

Ralph Bishop requested a copy of the check the State of North Carolina paid to the City of Asheville for inspecting thermostats last winter. He also requested a copy of the cancelled check for money paid to Harold Bennett regarding the Sullivan Act.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Wilkes, the meeting adjourned at 5:45 P.M.

MAYOR

CITY CLERK

989

HIGHLIGHTS: The Planning and Zoning Commission at a meeting held on October 7, 1981, reviewed the site plan of a proposed Bi-Lo Shopping Center to be located on Leicester Highway. After review and discussion of the plan the commission voted to recommend the approval to City Council subject to compliance with the City's Erosion Control Ordinance.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

RESOLUTION NO. 81-241 - RESOLUTION ACCEPTING A DEED OF EASEMENT FOR THE PURPOSE OF CONSTRUCTING A SEWER LINE ON FORESTDALE DRIVE - FRANK N. JAMISON AND WIFE, MARTHA C. JAMISON

Consideration was given to a resolution accepting a deed of easement for the purpose of constructing a sewer line on Forestdale Drive - Frank N. Jamison and wife, Martha C. Jamison.

The City Manager read the resolution.

Upon motion of Vice-Mayor Morris, seconded by Councilwoman Price, Resolution No. 81-241 was unanimously adopted.

Complete text of Resolution No. 81-241 will be found in Resolution Book No. 13 at page 87.

CLAIMS - CEDRIC PORTER - RONALD MOYER - CARVEL TAYLOR - NC DEPT. OF NATURAL RESOURCES - JOHN HARPER

The City Manager presented claims received from Cedric Porter, Ronald Moyer, Carvel Taylor, NC Dept. of Natural Resources and John Harper and indicated that the City was served with summonses in connection with the following lawsuits:

Asheville Housing Authority - Condemnation of Miller E. Brown property
Asheville Housing Authority - Condemnation of Thomas Orr property
Asheville Housing Authority - Condemnation of Marie Cox property

Mayor Trantham referred the claims and the lawsuits to the Corporation Counsel for investigation and recommendation.

The City Manager read the resolution.

Upon motion of Councilman Wilkes, seconded by Councilman Boland, Resolution No. 81-243 was unanimously adopted.

Complete text of Resolution No. 81-243 will be found in Resolution Book No. 13 page 90.

PUBLIC HEARING - AMENDING ZONING ORDINANCE - NEW DISTRICT ENTITLED "ARCHITECTURAL CONSERVATION DISTRICT"

4. A public hearing was held relative to amending the Asheville Zoning Ordinance to include a new district entitled "architectural conservation district."

Mayor Trantham opened the public hearing at 4:13 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said that Mr. Emrick, Director of Planning, was to present the recommendation of the Planning and Zoning Commission establishing a new district to be entitled "architectural conservation district." However, Mr. Emrick was called out of town and requested that the public hearing be continued until October 29, 1981.

Councilman Boland moved to continue the public hearing until October 29, 1981, without further advertisement. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1244 - AN ORDINANCE PROVIDING FOR THE TEMPORARY SUSPENSION OF EXTRATERRITORIAL JURISDICTION IN THE AREA GENERALLY KNOWN AS THE BEAVERDAM VALLEY

4. Consideration was given to the third reading of Ordinance No. 1244, an ordinance providing for the temporary suspension of extraterritorial jurisdiction in the area generally known as the Beaverdam Valley.

Mayor Trantham stated that this ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

Thursday - October 22, 1981 - 4:00 P.M.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Walter R. Boland, Harold F. Brownlee, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Harold F. Brownlee.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 15, 1981, meeting.

Upon motion of Councilwoman Price, seconded by Councilman Boland, the minutes of the October 15, 1981, meeting were approved as submitted.

ORDINANCE NO. 1248 - AN ORDINANCE AMENDING SECTION 23-7 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO CHANGE THE SPEED LIMIT FOR TRAINS FROM FIFTEEN (15) MILES PER HOUR TO TWENTY (20) MILES PER HOUR

2. Consideration was given to an ordinance amending Section 23-7 of the Code of Ordinances of the City of Asheville to change the speed limit for trains from fifteen (15) miles per hour to twenty (20) miles per hour.

The City Manager read the ordinance. He said this ordinance was prepared at the request of Larry Wetsel from the Southern Railway System.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1248. This motion was seconded by Councilman Brownlee.

On a roll call vote of 7-0, Ordinance No. 1248 passed on first reading.

Councilman Wilkes moved to suspend the rules and proceed to the second reading of Ordinance No. 1248. This motion was seconded by Councilman Brownlee and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1248 passed on second reading.

Councilman Wilkes moved to suspend the rules and proceed to the third reading of Ordinance No. 1248. This motion was seconded by Councilman Brownlee and carried unanimously.

ments amending the City of Asheville Operating or Capital Projects Budget as follows:

- A. Community Development - This budget amendment in the amount of \$15,000 is to set up a project known as Depot Street Plan implementation using these funds for engineering, design and preliminary planning.
- B. General Revenue Sharing - Civic Center - This budget amendment in the amount of \$11,500 is to carry over federal revenue sharing capital outlay appropriations into the 1981-82 fiscal budget.

The City Manager presented the budget amendments.

Councilman Wilkes moved to approve the budget amendments as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

BIDS - BODY ARMOR FOR THE ASHEVILLE POLICE DEPARTMENT

9. Further consideration was given to bids received September 15, 1981, for body armor for the Asheville Police Department.

The Corporation Counsel read a memorandum from Ted Grable, Purchasing Director, stating "the original staff recommendations of October 12, 1981, referencing the bid award of Bid Request No. 148-82 for providing 123 units of body armor to Davidson's Law Enforcement Equipment Division of Greensboro was based on a legal assessment. Under current purchasing procedures and the North Carolina State Statutes, no other recommendations can be made."

The Corporation Counsel said that he had met with Ted Grable and Police Chief, Fred Hensley relative to this matter. He said under the North Carolina General Statutes, Council must accept the low bid, all factors being equal.

Councilwoman Price moved to accept the recommendations of the Purchasing Director and award the bid to the low bidder, Davidson's Law Enforcement Division, for 123 pieces of body armor in the amount of \$20,541. This motion was seconded by Councilman Boland.

Councilman Wilkes stated that he felt Council had done a good job in trying to award bids to local businesses; however, the Council is held to a state law and cannot accept a high bid. He said the City Council needs more local businesses bidding on items.

Jerry Brown, General Manager of Stinnette Uniform Sales in Asheville, said his company feels it will cost the City more in the long run to award the bid to an outside business. He said his company could furnish the body armor at a cheaper rate due to the fact, that being a local business the police officers would have the convenience of being fitted for the armor either on or off duty. He said he feels that Council and the City of Asheville has an obligation to support local businesses. He said his company deals with bids across the state and is involved in matters such as this very often. He

On a roll call vote of 7-0, Ordinance No. 1244 passed on third and final reading.

Complete text of Ordinance No. 1244 will be found in Ordinance Book No. 9 at page 274 and 275.

ORDINANCE NO. 1246 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (PROPERTY KNOWN AS 22 BROAD STREET)

6. Consideration was given to the second reading of Ordinance No. 1246, an ordinance amending Ordinance No. 322 known as "an ordinance providing for the zoning of the City of Asheville" as amended (property known as 22 Broad Street).

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1246 passed on second reading.

ORDINANCE NO. 1247 - AN ORDINANCE ESTABLISHING A WATER CONSUMPTION EXPANSION CONTROL POLICY FOR THE ASHEVILLE WATER SYSTEM

7. Consideration was given to the third reading of Ordinance No. 1247, an ordinance establishing a water consumption expansion control policy for the Asheville Water System.

Mayor Trantham stated this ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

Vice-Mayor Morris said the Water Committee had met on Tuesday, October 20, 1981, and has recommended that the ordinance be amended.

The City Manager read the ordinance as recommended to be amended by the Water Committee.

Vice-Mayor Morris moved to amend Ordinance No. 1247 as read by the City Manager. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1247 passed on third and final reading, as amended.

Complete text of Ordinance No. 1247 will be found in Ordinance No. 9 at page 280 and 281.

BUDGET AMENDMENTS - CITY OF ASHEVILLE OPERATING OR CAPITAL PROJECTS BUDGET (COMMUNITY DEVELOPMENT AND GENERAL REVENUE SHARING - CIVIC CENTER)

8. Consideration was given to a motion approving budget amend-

REQUEST OF RICHARD C. NAILLING AND GROVER REDMON - RELOCATION OF TWO ABANDONED GRAVES LOCATED ON THEIR PROPERTY IN THE KENILWORTH AREA

11. Consideration was given to a request of Richard C. Nailling and Grover Redmon to relocate two abandoned graves located on their property in the Kenilworth area.

Gary Rowe, attorney representing Dr. Richard C. Nailling and Grover Redmon, said pursuant to applicable provisions of the Asheville City Code and State Statutory requirements, Dr. Nailling and Mr. Redmon have published notice in The Asheville Citizen-Times of their intention to apply for permission to remove and relocate two abandoned graves on their property located in the Kenilworth section of Asheville. He said these notices were given pursuant to Section 251 (B) of the Related Laws of the Asheville City Code and State Statutory requirements of G. S. 65-13. He said the notice was published in The Asheville Citizen-Times on September 29, October 6, October 13, and October 20, 1981. He said the next requirement of the state statute is to receive permission from the City Council to remove and relocate the remains of the two abandoned graves located on their property. He said after permission is granted from the City Council notice must be published in The Asheville Citizen-Times indicating their intent to remove and relocate the said abandoned graves. He said this matter should not be construed to be a part of the consideration of rezoning property in the Kenilworth area or the consideration of a proposed project known as "Sugartree" Development in the Kenilworth area. He said this is a completely different matter in that his clients will move the abandoned graves regardless of the outcome of the "Sugartree" Development or the Kenilworth rezoning.

Mr. Rowe said he had met with the South Asheville Cemetery Association relative to the relocation of the graves and they have specified a place for the graves.

After discussion Councilman Boland moved to grant permission to Richard C. Nailling and Grover Redmon to remove and relocate the remains of two abandoned graves located on their property in the Kenilworth area. This motion was seconded by Councilwoman Price.

Councilman Wilkes moved to amend Councilman Boland's motion to include a statement that approval to remove and relocate the remains of the two abandoned graves is not to be construed as approval or disapproval of the "Sugartree" Development or the rezoning matter in Kenilworth. This motion was seconded by Councilman Brownlee and carried unanimously.

Councilman Boland's motion, as amended by Councilman Wilkes carried unanimously.

COMMENTS BY COUNCILMAN WILKES - ALLEYWAY OFF CONGRESS STREET BEING BLOCKED

At the request of Councilman Wilkes, the City Manager said that he had the Corporation Counsel investigate the matter of an alleyway off of Congress Street being blocked.

said other cities in the State of North Carolina have accepted higher bids in order to support a local business. He cited a recent example of this in a Gastonia bid. He said all factors being equal in the bids, he felt Council still had an obligation to support the local businesses.

Vice-Mayor Morris said he personally felt the City would be better off to award the bid to the local business due to the fact that there was only \$123 difference in the bids. He said he felt there would be \$123 worth of convenience to award the bid to a local business.

The City Manager told members of Council they have three alternatives, those being: 1) To accept the low bid of Davidson's Law Enforcement Division; 2) Disregard all bids and rebid the armor; or 3) Award the bid to the second low bidder, Stinnette Uniform Sales and take the risk of a lawsuit.

Councilman Wilkes said if Council awarded the bids to the second low bidder he felt they would be setting a precedent of bending the North Carolina State Law.

Jerry Brown of Stinnette Uniform Sales responded to Councilman Wilkes by saying that other cities in North Carolina have already set a precedent such as this.

Allan Arrington, Sales Manager for Davidson's Law Enforcement Division, spoke in support of his bid. He said he had furnished other cities in North Carolina the same equipment and everything has always went very quickly and efficiently. He said his company has worked out schedules with the departments at their convenience for the fittings. He said his company is fully capable of handling the bids.

After discussion, Councilwoman Price's motion carried on a voice vote of 6-1 with Vice-Mayor Morris voting "no."

RESOLUTION NO. 81-244 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT FOR FIRE PROTECTION SERVICES WITH THE VETERANS ADMINISTRATION HOSPITAL

10. Consideration was given to a resolution authorizing the Mayor to sign a contract for fire protection services with the Veterans Administration Hospital.

The City Manager read the resolution stating that the City staff and staff of the VA Hospital have negotiated a new agreement for the period November 1, 1981, through September 30, 1982, to provide certain fire protection services to the Veterans Administration Hospital facilities at Oteen, North Carolina.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 81-244 was unanimously adopted.

Complete text of Resolution No. 81-244 will be found in Resolution Book No. 13 at page 91.

PETITION - DESIGNATION OF ALLEY FROM SPRUCE STREET TO MARKET STREET TO BE RENAMED "LAWYERS WALK"

The City Manager presented a petition received from property owners requesting that the alley from Spruce Street to Market Street (currently known as Smith Alley) to be renamed "Lawyers Walk." The petition stated that this designation compliments the current improvements made to the alley by property owners and gives the alley an identity for the businesses being established there.

The City Manager said the petition would be researched and a recommendation given to Council relative to the renaming of the alley.

PUBLIC HEARING - IMPOSING MORATORIUM ON REZONING REQUESTS AND ZONING PERMITS IN THE KENILWORTH AREA

The City Manager stated that the ordinance imposing a limited moratorium on development in the Kenilworth area will expire on October 28, 1981. He said if Council wishes to continue the moratorium, a public hearing needs to be held relative to extending the moratorium date on rezoning requests and zoning permits in the Kenilworth area.

Councilwoman Price moved to schedule a public hearing relative to the adoption of an ordinance imposing a moratorium on consideration of any rezoning requests and issuance of zoning permits for multi-family residential use in the Kenilworth area for November 5, 1981. This motion was seconded by Vice-Mayor Morris and carried unanimously.

CLAIMS - JACK ARROWOOD - CAROLYN MARTIN

The City Manager presented claims received from Jack Arrowood, and Carolyn Martin.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PUBLIC HEARING - REZONING CERTAIN LOTS IN THE EAST END VALLEY STREET PROJECT AREA

At the request of the City Manager, Councilman Boland moved to schedule a public hearing relative to rezoning certain lots in the East End/Valley Street Project Area to conform with the adopted plan, for November 12, 1981. This motion was seconded by Councilwoman Price and carried unanimously.

PROCLAMATION - DICK CLARK'S AMERICAN BANDSTAND DAY - OCTOBER 30, 1981

Mayor Trantham proclaimed Friday, October 30, 1981, as Dick Clark's American Bandstand Day.

PROCLAMATION - OCTOBER 25-31, 1981, - FARM CITY WEEK

Mayor Trantham proclaimed the week of October 25-31, 1981, as Farm-City Week.

The Corporation Counsel stated that the alleyway is not a City street and the City has no legal authority to act upon this matter.

The City Manager then stated he had asked the Director of Public Works to look into the matter.

COMMENTS BY DICK COVINGTON - WATER AGREEMENT

Mr. Dick Covington of 2 Graystone Road spoke to Council relative to the finalization of the Water Agreement. He said he had wanted to speak to Council relative to this matter before Council finalized the Water Agreement. However, he did not arrive at the Council meeting before the agreement was acted upon.

Mr. Covington said he was concerned that the agreement provides that the City will convey recreational property to the County, an issue which has not been made public.

The Corporation Counsel informed Mr. Covington that the North Carolina General Statutes gives the City ample statutory authority to convey property to other governmental agencies. He said a provision in the agreement states that the property must be used for recreational facilities or the property would revert back to the City.

Mr. Covington stated that the County could financially contribute to the recreational facilities without the City conveying the property. He said he was concerned that the City was turning a lot of appraised value over to the County.

He said the City Parks and Recreation Department has been in existence for over eighty years and the County Recreation Department has just been in existence for about four years. He said he did not feel that the County of Buncombe has the ability to operate the Parks and Recreation facilities as efficiently as the City of Asheville.

PROCLAMATION - 100 ANNIVERSARY - AFL-CIO

Mayor Trantham proclaimed November 15, 1981, as the 100th anniversary of the AFL-CIO.

RESOLUTION NO. 81-245 - RESOLUTION APPOINTING CHAIRMAN TO THE CITY OF ASHEVILLE BOARD OF ALCOHOLIC CONTROL

Consideration was given to a resolution reappointing Osborne M. Hart as chairman of the City of Asheville Board of Alcoholic Control to serve a three-year term, term expiring November 13, 1984.

The City Manager read the resolution.

Upon motion of Councilman Wilkes, seconded by Vice-Mayor Morris, Resolution No. 81-245 was unanimously adopted.

Complete text of Resolution No. 81-245 will be found in Resolution Book No. 13 at page 92.

Thursday - October 29, 1981 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Walter R. Boland, Harold P. Brownlee, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Walter R. Boland.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 22, 1981 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Brownlee, the minutes of the October 22, 1981 meeting were approved as submitted.

PUBLIC HEARING - AMENDING SECTION 8-29 (B) (7) OF CHAPTER 8 OF CODE OF ORDINANCES "ENFORCEMENT, POWERS OF CODE ENFORCEMENT OFFICER"

ORDINANCE NO. 1249 - AN ORDINANCE AMENDING SECTION 8-29 (B) 7 OF CHAPTER 8 OF THE CODE OF ORDINANCES ENTITLED, "ENFORCEMENT, POWERS OF CODE ENFORCEMENT OFFICER"

2. A public hearing was held relative to amending Section 8-29 (B) 7 of Chapter 8 of the Code of Ordinances entitled "Enforcement, powers of code enforcement officer."

Mayor Trantham opened the public hearing at 4:15 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Lem Moore, Assistant Director of Inspections, said it has been determined that Greensboro found that it would cost more than 60% of the fair market value to bring one of their houses into conformity with the housing code. That being so, they said it could not be repaired and must be demolished. The owner appealed. An opinion was rendered by Justice I. Beverly Lake who said "provided a house can be repaired, the owner must be given a reasonable opportunity to repair it no matter how much it cost to do the work." It has been recommended that our housing code be amended to comply with this decision. The proposed amendment would be inserted in Section 8-29 (B) 7 of the Housing Code: "No such ordinance shall be adopted to require demolition of a dwelling until after the owner has first been given a reasonable opportunity to bring it into conformity with the standards of fitness set forth in Section 8-22, provided the dwelling can be repaired so as to comply with said standards of fitness." He said the policy of the City of Asheville has always been to afford the owner a reasonable opportunity to repair a dwelling prior to demolition. He said a number of hearings are held prior to presenting the matter to Council. However, it was determined that from a legal standpoint the Housing Code should be amended to reflect Justice I. Beverly Lake's opinion.

Mayor Trantham closed the public hearing at 4:23 p. m.

PUBLIC HEARING - AMENDMENT TO THE SEVENTH YEAR COMMUNITY
DEVELOPMENT BLOCK GRANT APPLICATION

At the request of the City Manager, Councilwoman Price moved to schedule a public hearing relative to the submission of an amendment to the Seventh Year Community Development Block Grant Application for November 12, 1981. This motion was seconded by Councilman Wilkes and carried unanimously.

RALPH BISHOP - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Wilkes, seconded by Councilman Cole, the meeting adjourned at 5:40 P.M.

MAYOR

CITY CLERK

Councilwoman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1250. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1250 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1250. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1250 passed on third and final reading.

Complete text of Ordinance No. 1250 will be found in Ordinance Book No. 9 at page 285, 286, 287.

PUBLIC HEARING - SITE PLAN FOR "RIVER-RIDGE SHOPPING MALL"

4. A public hearing was held relative to the site plan of a proposed "River-Ridge Shopping Mall."

Mayor Trantham opened the public hearing at 4:35 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission at a meeting held October 7, 1981, reviewed the site plan of "River-Ridge Shopping Mall" to be located at I-240 and U.S. 74. He said the site plan was prepared by Butler Associates, Engineers, for Bob Hughes and Associates, Inc., Raleigh, N. C., Developer, and was submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. He said after review and discussion of the plan, the Commission voted to recommend approval to City Council, subject to the following requirements: 1) Compliance with the City of Asheville's Erosion Control Ordinance; and 2) Approval from the North Carolina Department of Transportation allowing the developer to tie his proposed storm drain system into their existing system on Fairview Road. He said the developers have tentative approval from the N. C. Department of Transportation for tying the system into the Fairview Road system.

By the use of a map, Mr. Emrick reviewed the location of the proposed mall. He said the project will be constructed in phases on a 73 acre tract. He said water and sewer are available for the project. He said because federal funds are being used for the project, the developer had to receive approval from the U. S. Department of Transportation. He said Phase I of the project consists of construction of 205,000 square foot building with 1300-1400 parking spaces. He said the complex will be serviced by a circular road all around the project.

Upon inquiry of Councilman Boland, Mr. Bob Hughes, Developer, said the first phase will consist of an \$8,000,000 project which would be a substantial tax return to the City of Asheville. He said the project will begin with the construction of two department stores, three restaurants, a grocery store, a bank, shops, a drug store, and a fast food outlet.

Mayor Trantham closed the public hearing at 4:48 p. m.

The Assistant City Manager read the ordinance.

Councilman Boland moved for the adoption of Ordinance No. 1249. This motion was seconded by Councilwoman Price.

On a roll call vote of 7-0, Ordinance No. 1249 passed on first reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1249. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1249 passed on second reading.

Vice-Mayor Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1249. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1249 passed on third and final reading.

Complete text of Ordinance No. 1249 will be found in Ordinance Book No. 9 at page 283-284.

PUBLIC HEARING - AMENDING ORDINANCE NO. 1227 - SECTION 8-7 AND 8-12 - BUILDING INSPECTION PERMIT FEES

ORDINANCE NO. 1250 - AN ORDINANCE AMENDING SECTION 8-12 OF CHAPTER 8 OF THE CODE OF ORDINANCES ESTABLISHING BUILDING INSPECTION PERMIT FEES

3. A public hearing was held relative to amending Ordinance No. 1227, Section 8-7 and 8-12 relative to Building Inspection Permit Fees.

Mayor Trantham opened the public hearing at 4:27 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Lem Moore, Assistant Director of Inspections, said it was brought to the City's attention that the City of Asheville's fee schedule for building permits in Ordinance No. 1227 is inaccurate and not comparable to the County of Buncombe's fee schedule. He said Ordinance No. 1227 was written with the intent of reflecting a change in procedure that was recommended in the recent MICA study. This change should have reflected a general permit fee of 9¢ per square foot for new residential construction. However, inadvertently the ordinance was written to cover commercial as well as residential new construction. He said the proposed ordinance change will correct the inaccuracy and bring the fee schedule in comparison with the County of Buncombe.

Mayor Trantham closed the public hearing at 4:30 p. m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1250. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1250 passed on first reading.

Verl Emrick, Planning Director, read the following sections of the proposed ordinance which have been amended since the publication for the public hearing:

"Section 30-5-14 - AC Architectural Conservation District

- A. Purpose. The General Assembly of North Carolina has enacted N.C.G.S. 160A-395 to enable municipalities to enact ordinances to enhance the preservation and restoration of buildings of historic significance within their zoning jurisdiction. In furtherance of this purpose, the City of Asheville has created by Ordinance No. 1109 dated the 14th day of June, 1979, a Historic Resources Commission. From time to time it is anticipated that various properties and districts of historic significance in the City of Asheville will be designated as such by the Historic Resources Commission. Therefore, in order to enhance the preservation and restoration of such properties and in order to conserve the value of such buildings and to encourage the most appropriate use of such buildings in a manner consistent with public health and safety, this Ordinance is enacted."
- C. Property Subject to this Ordinance. Only properties that have been or hereafter are designated as historic properties by the Asheville-Buncombe Historic Resources Commission and the Asheville City Council in accordance with N.C.G.S. 160A-399.4 are subject to this Ordinance."

Vice-Mayor Morris moved for the adoption of Ordinance No. 1251, as amended and read by Mr. Emrick. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1251 passed on first reading.

ORDINANCE NO. 1246 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Property located at 22 Broad Street)

6. Consideration was given to the third reading of Ordinance No. 1246, an ordinance amending Ordinance No. 322 known as "An Ordinance providing for the Zoning of the City of Asheville", as amended, rezoning property located at 22 Broad Street.

Mayor Trantham said this ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1246 passed on third and final reading.

Complete text of Ordinance No. 1246 will be found in Ordinance Book No. 9 at page 279.

Vice-Mayor Morris moved to approve the site plan of the proposed "River Ridge Shopping Mall" to be located at I-240 and U S 74 subject to the requirements specified by the Planning and Zoning Commission. This motion was seconded by Councilman Wilkes and carried unanimously.

PUBLIC HEARING - CONTINUED - AMENDING ZONING ORDINANCE TO INCLUDE "ARCHITECTURAL CONSERVATION DISTRICT"

ORDINANCE NO. 1251 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Architectural Conservation District)

5. A public hearing relative to amending the Asheville Zoning Ordinance to include a new district entitled "Architectural Conservation District" continued.

Mayor Trantham said this public hearing was continued from the October 22, 1981 meeting.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission at its meeting on October 7, 1981, considered an amendment to the Asheville Zoning Ordinance which would create a new district to be entitled "architectural conservation district." After review and discussion, the commission voted unanimously to recommend to City Council that the Asheville Zoning Ordinance be amended to include the "architectural conservation district." In order to enhance the preservation and restoration of historic properties and in order to conserve the value of such buildings and to encourage the most appropriate use of such buildings in a manner consistent with public health and safety this ordinance is proposed.

Mr. Emrick, in outlining the details of the ordinance said only properties that have been or hereafter designated as historic properties by the Asheville-Buncombe Historic Resources Commission and the City Council in accordance with N.C.G.S. 160A-399.4 are subject to this ordinance. The boundaries of the Architectural Conservation District shall be coextensive with the jurisdiction of the Zoning Ordinance. Because the designation of historic properties may create economic hardships for the owners of historic properties without special relief, conditional uses may be permitted as detailed in the ordinance. Any landowner, owning property which has been designated as a historical property by the Historic Resources Commission, may make application to the Planning and Zoning Commission for a permit to allow conditional uses in accordance with the ordinance. The Planning and Zoning Commission, at a public hearing duly advertised, shall consider the petition of the landowner and the Planning and Zoning Commission shall make its written recommendations as to the disposition of the petition to the City Council. The City Council, at a regularly scheduled public meeting, shall consider the petition and the recommendation of the Planning and Zoning Commission. Such action as the Council takes with respect to the petition shall be taken in the form of an ordinance duly advertised and enacted.

Mayor Trantham closed the public hearing at 5:03 p. m.

The Corporation Counsel ruled that since members of Council were furnished copies of the proposed ordinance, the ordinance would not have to be read in its entirety.

RESOLUTION NO. 81-246 - RESOLUTION IN MEMORY OF PHILIP N. SALES

Consideration was given to a resolution in memory of Philip N. Sales.

The City Manager read the resolution.

Upon motion of Vice-Mayor Morris, seconded by Councilwoman Price, Resolution No. 81-246 was unanimously adopted.

Complete text of Resolution No. 81-246 will be found in Resolution Book No. 13 at page 93.

RALPH BISHOP - COMMENTS RE: WATER AGREEMENT AND LOTTERY SALES IN ASHEVILLE

Ralph Bishop asked whether or not the members of the Asheville-Buncombe Water Authority would be paid for their services.

Vice-Mayor Morris informed Mr. Bishop that that issue had not been determined.

Mr. Bishop also made comments relative to J. V. Plemmons selling lottery tickets in the City of Asheville and Mr. Plemmons also having something to do with former Police Chief J. C. Hall receiving a pension.

ADJOURNMENT

Upon motion of Vice-Mayor Morris, seconded by Councilman Wilkes, the meeting adjourned at 5:25 p. m.

CITY CLERK

BUDGET AMENDMENTS - OPERATING AND CAPITAL PROJECTS BUDGETS - COMMUNITY DEVELOPMENT-
LEGAL SERVICES

7. Consideration was given to a motion approving budget amendments amending the City of Asheville Operating and Capital Projects Budgets as follows:

- A. Community Development - This budget amendment in the amount of \$28,000 is to set up a new project to be known as the YMI Building renovation. The YMI preservation project is an eligible activity as cited in the Federal Register entitled Administrative Regulations for CDBG funding, Section 570.202 Eligible Rehabilitation and Preservation activities part (f).
- B. Legal Services- This budget amendment in the amount of \$1,164.00 is to adjust legal services budgets for the recent change in the legal services program which established office hours for Corporate Counsel in the Department of Administration. There is no net affect on the City's budget as a result of this change.

The City Manager presented the budget amendments.

Councilman Wilkes moved to approve the budget amendments as presented by the City Manager. This motion was seconded by Councilman Boland and carried unanimously.

INVITATION TO HILLCREST FOOTBALL TEAM AND PARADE HOMECOMING - OCTOBER 31, 1981

John Hayes, on behalf of the Hillcrest Youth invited members of Council to the Hillcrest Football Team and Parade Homecoming on October 31, 1981. He said this would be their Fourth Annual Homecoming Event and the parade would begin at 11:30 a. m. and the football game is scheduled at 1:00 p. m. at the Memorial Stadium.

CLAIMS - DEWEY MINYARD

The City Manager presented a claim received from Dewey Minyard.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

"HALLOWEEN HAUNTED HOUSES" - REPORT

The City Manager informed members of Council that all the discrepancies had been corrected at all three haunted houses being conducted in the City of Asheville and the houses are back in operation.

PETITION - RE: LIVINGSTON STREET DAY CARE CENTER

The City Manager presented a petition relative to the staffing at the Livingston Street Day Care Center. He informed Council that since this a County of Buncombe matter the petition would be forwarded to them.

units per acre); 2) Requested the staff to provide a report to the Commission by the November meeting on the effect of decreasing the density level (dwelling units per acre) to the recommended 6-8 units/acre for the R-2 District; 3) By consensus of the Commission a request to consider an additional petition containing approximately 37 acres of contiguous property was delayed until the November meeting.

Mr. Emrick said protest petitions against the rezoning of Kenilworth have been filed by Attorney James Gary Rowe on behalf of Richard C. Nailling, Grover Redmon, and Katherine H. Jarrett and by Attorney Harold K. Bennett on behalf of Alexander Investment Company, and several other property owners in the area. He said the Planning Staff's investigation of the protest petitions indicate that the petitions meet the requirements of Section 30-11-3 of the Asheville Zoning Ordinance and the applicability of the "3/4 rule". i.e., 20% valid protest indicate said rule does apply in this rezoning matter and in order for the rezoning petition as submitted or as modified by the Planning and Zoning Commission's recommendation to pass, six positive votes by City Council would be required.

Mr. Emrick said the area involved was developed under R-3 standards in 1948 when the zoning ordinance was established. He said the Planning Staff has determined that if the property is rezoned to R-1, approximately 62% of the lots would be in nonconformity. He said if the property is rezoned to R-2, as recommended by the Planning and Zoning Commission 26% of the lots would be in nonconformity.

Mr. Emrick said the residents of Kenilworth are not opposed to the R-2 zoning but are opposed to the density level requirements. He said it was indicated that a R-2 zoning with a lower density level of 4 units per acre would be an acceptable and reasonable compromise.

Mr. Emrick said in his opinion Council has the option of: 1) accepting the Planning and Zoning Commission's recommendation; 2) modifying the R-2 District by reducing the density level; 3) take action on the original petition and rezone the property to R-1; or 4) take no action and leave the property zoned as it is presently zoned.

A discussion was held relative to creating a "Mountainside Subdivision Ordinance" to apply to Asheville's hilly terrain and unique topography. It was the consensus of Council that staff present a draft of such an ordinance within the next two weeks. Such an ordinance could apply to the area in question in Kenilworth.

Upon inquiry of Council, Mr. Emrick said in his opinion, if Council rezoned the Kenilworth property to R-1 and denied the proposed "Sugartree" development, Council would be open for a law suit.

Augusta Young, Chairman of the Ad Hoc Committee of the Kenilworth Residents Association said the Kenilworth residents is not seeking the R-1 zoning district but the R-1 density level requirements. She said R-2 zoning with 10 units per acre would be suitable. She said the Kenilworth Residents Association is in favor of a "Mountainside Subdivision Ordinance" being established for the Kenilworth area. She said a density range of 4-8 units per acre would be more practical.

Thursday - November 5, 1981 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilwoman Norma T. Price, Councilmen F. Jack Cole, Walter R. Boland, Harold F. Brownlee, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 29, 1981 meeting.

Upon motion of Councilman Boland, seconded by Councilman Cole, the minutes of the October 29, 1981 meeting were approved as submitted.

RESOLUTION NO. 81-247 - RESOLUTION NOMINATING AND ENDORSING MAYOR ROY M. TRANTHAM FOR THE OFFICE OF THIRD VICE PRESIDENT OF THE NORTH CAROLINA LEAGUE OF MUNICIPALITIES

2. Consideration was given to a resolution nominating and endorsing Mayor Roy M. Trantham for the office of Third Vice President of the North Carolina League of Municipalities.

The City Manager read the resolution.

Upon motion of Councilman Wilkes, seconded by Councilman Cole, Resolution No. 81-247 was unanimously adopted.

Complete text of Resolution No. 81-247 will be found in Resolution Book No. 13 at page 94.

PUBLIC HEARING - REZONING PROPERTY IN THE KENILWORTH AREA

3. A public hearing was held relative to rezoning property in the Kenilworth area from R-3 to R-1 Residential District.

Mayor Trantham opened the public hearing at 4:12 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said on June 29, 1981, the City Council was presented a petition by the residents of Kenilworth on the matter of rezoning their property from R-3 Medium Density Residential District to R-1 Single Family Residential District. The petition was referred to the Planning and Zoning Commission for review and recommendation. The Asheville Planning and Zoning Commission at a meeting held on October 7, 1981, took the following action: 1) The Commission voted unanimously that the original petition be recommended to City Council for rezoning from R-3 Medium Density Residential District to R-2 Low Density Residential District at the density level permitted in the ordinance (10 dwelling

and suitable provision made for its continued maintenance and that any removal of graves within the property itself be at the developer's expense or the owners expense and that any removal be done pursuant to N.C.G.S. 65-13 or any other applicable ordinance or law. 2) Obtaining a maintenance easement for the small stream under the access road and 3) Compliance with the City's Erosion Control Ordinance.

Mr. Emrick said he had received a letter from Charles R. Craig with the Joseph Griggs Associates, Inc., Architects for the project, indicating that they have agreed to all the provisions specified by the Planning and Zoning Commission. He said the property is being proposed for the construction of a 152 unit apartment complex on 15.8 acres. He said water and sewer are available for the property.

A discussion was held relative to sewer back-up problems in Kenilworth. Tom Tarrant with the Water and Sewer Department said Mr. Charles Jones, Superintendent of Water Maintenance indicated, through a memorandum dated October 7, 1981, that the Water and Sewer Maintenance Division has received one sewer back-up problem in the last two years.

A further discussion was held between the residents of Kenilworth, the developers of the project, and Council members relative to the sewer lines proposed for the complex.

Mr. Emrick said the Planning staff had received traffic counts on Kenilworth Road and estimates indicate that the road has the capacity for handling the additional traffic from the proposed apartment complex.

Councilman Boland requested that Mr. Emrick obtain traffic counts on Kenilworth Road during peak periods, particularly between 7 and 9 a. m. and 4 to 6 p. m.

Jim Erwin with The Mark Companies of America, Inc. presented the site plan for the proposed "Sugartree" Apartment Complex. He said the project would be a \$6,000,000 project exclusive of the land. He said the project would be a valuable project for the community as well as the City. He said the project would add tax base to the City of Asheville.

Upon inquiry of Councilwoman Price, Mr. Craig said there would be an elevation buffer with the apartment buildings being higher.

Mr. Craig in reviewing the storm drainage system proposed for the apartment complex said the system would be entirely adequate. He said after the project is developed there will be 5% less drainage under Kenilworth Road than currently.

A discussion was held relative to the "detention ponds" proposed for the apartment complex.

Upon inquiry of Council, Mr. Craig said the streets in the project would be dedicated to the City. He said all factors being considered, in addition to grading lines, dictated where the buildings would be placed on the property.

Vice-Mayor Morris and Councilman Brownlee was excused from the meeting at 6:00 p. m.

Jim Erwin with The Mark Companies, developer of the proposed "Sugartree" apartment complex in Kenilworth, said they would concur with the R-2 zoning district which would be appropriate.

Ward Hendon, attorney representing Dr. Richard Nailling and Grover Redmon, spoke in opposition to rezoning Dr. Nailling and Mr. Redmon's property. He said assuming the "Sugartree" development is approved, his clients would still have 60 acres of unimproved land which would be restricted if rezoned. He said his clients, at the present time, do not have definite plans for development of the 60 acres. He said his clients object to having their property rezoned. He said, in his opinion, the Kenilworth community has shown no trend toward single family residences but rather to the contrary. He said the present zoning ordinance has many safeguards if and when plans are developed to improve the property. He said he was also concerned that the Planning and Zoning Commission is considering lowering the density level for the R-2 district. He said if the property is rezoned he would request that his client's property be excluded from the rezoning.

Harold Bennett, attorney representing Alexander Investment Company, spoke in opposition to the rezoning. He said in his opinion, which has proven to be true in the courts, that it is improper and illegal for Council to rezone someone's property without their permission. He said, on behalf of his client, he would protest and oppose any rezoning of the Alexander Investment Company property in Kenilworth. He also pointed out that in his opinion, Ordinance No. 1137, by which the Kenilworth rezoning petition was presented, would not allow or permit the Planning and Zoning Commission to modify the petition by changing the zoning requested. He said the law does not provide for the Planning and Zoning Commission to change the petition and in his opinion it can not be done.

Mayor Trantham closed the public hearing at 4:50 p. m.

Mayor Trantham advised that Council would take no action on the rezoning at today's meeting.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED "SUGARTREE" APARTMENT COMPLEX

4. A public hearing was held relative to the site plan of the proposed "Sugartree" Apartment Complex.

Mayor Trantham opened the public hearing at 4:50 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Ver Emrick, Planning Director, said the Asheville Planning and Zoning Commission at a meeting held on September 9, 1981, reviewed the site plan of the proposed "Sugartree" Apartment Complex to be located west of Kenilworth and south of Digges Road. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions:

- i) That the grave sites as located and discovered on the property will at all times during construction be adequately protected and at the initial phase of construction a suitable fence 6' in height be constructed along the boundary of the historical easement as shown on the revised plat and submitted to the Commission. That further the maintenance of the fence be and remain with the owner of the property at all times

Verl Emrick, Planning Director, said the present moratorium on development in the Kenilworth area expired October 28, 1981. He said the proposed ordinance will allow for the extension of the moratorium on development in the Kenilworth area for 90 days.

Mayor Trantham closed the public hearing at 7:02 p. m.

Verl Emrick read the ordinance.

Councilman Wilkes moved for the adoption of Ordinance No. 1252. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-0, Ordinance No. 1252 passed on first reading.

Councilman Wilkes moved to suspend the rules and proceed to the second reading of Ordinance No. 1252. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1252 passed on second reading.

Councilman Wilkes moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1252. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1252 passed on third and final reading.

Complete text of Ordinance No. 1252 will be found in Ordinance Book No. 9 at page 291-292

ORDINANCE NO. 1251 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Creation of Architectural Conservation District)

6. Consideration was given to the second reading of Ordinance No. 1251, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville" as amended, creating the Architectural Conservation District.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, said he had sent copies of the proposed ordinance to Mack Day with the Grove Park Citizens Association and Kenneth Richards with the Historic Montford District and everyone seems to be in agreement with the proposed ordinance.

On a roll call vote of 5-0, Ordinance No. 1251 passed on first reading.

Councilwoman Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1251. This motion was seconded by Councilman Boland and carried unanimously.

Attorney Ward Hendon, speaking on behalf of the developers, spoke in support of the "Sugartree" apartment complex. He said Asheville needs the \$6,000,000 project, the housing which it would provide, as well as the tax base it would bring to the City. He said the developers have met all requirements including stipulations from the Planning and Zoning Commission and the residents of Kenilworth. He presented a letter from the pastor and trustee of St. John A Baptist Church which indicated no objections to the building being built in the Kenilworth area.

Mr. George Gibson, a member of the St. John Baptist Church, indicated that the letter presented by Mr. Hendon was signed with the assumption that there would be 6 units per acre.

Mr. Kenneth Pankow, Engineer, said he was obtained by the Ad Hoc Committee of the Kenilworth Residents Association to do an indepth engineering evaluation of the "Sugartree" development. He presented and reviewed a lengthy document covering such areas as erosion control, traffic problems, project access, site suitability, and a summary of problems that need to be considered before approval of the site plan.

Mr. Charles Dent, a Kenilworth resident and civil engineer, spoke relative to the sewer problems anticipated with the "Sugartree" development.

Mr. Steve Kropelnicki, a resident of Kenilworth, said the proposed apartment complex is not in keeping with the character of the neighborhood. He said an 18% density increase in the neighborhood will affect the character of the neighborhood and this fact should not be ignored.

Councilman Cole moved to continue the public hearing until November 19, 1981, without further advertisement. This motion was seconded by Councilwoman Price and carried unanimously.

Councilman Cole said he felt it was imperative that the newly elected Council members attend the Council meetings relative to the Kenilworth issues since the issue may not be acted upon before they take office in December.

PUBLIC HEARING - ADOPTION OF ORDINANCE IMPOSING A MORATORIUM ON CONSIDERATION OF ANY REZONING REQUESTS AND ISSUANCE OF ZONING PERMITS FOR MULTI-FAMILY RESIDENTIAL USES IN THE KENILWORTH AREA

ORDINANCE NO. 1252 - AN ORDINANCE IMPOSING A LIMITED MORATORIUM ON DEVELOPMENT IN THE KENILWORTH AREA

5. A public hearing was held relative to the adoption of an ordinance imposing a moratorium on consideration of any rezoning requests and issuance of zoning permits for multi-family residential uses in the Kenilworth area.

Mayor Trantham opened the public hearing at 6:59 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

At said referendum 4,627 votes were cast for the order adopted on September 17, 1981, authorizing not exceeding \$18,000,000 Redevelopment Bonds of the City of Asheville, North Carolina, for the purpose of providing funds, with any other available funds, to assist the Asheville Housing Authority in the acquisition of land and the improvement thereof in the carrying out by said Authority of the lawful functions and powers of a redevelopment commission of said City, and authorizing the levy of taxes in an amount sufficient to pay the principal of and the interest on said bonds and 7,925 votes were cast against said order, and, a majority of the qualified voters of said City who voted thereon at said referendum having voted against the approval of said order, said order was thereby not approved and is not in force and affect.

RESOLUTION NO. 81-248 - RESOLUTION DECLARING THE RESULTS OF THE SPECIAL BOND REFERENDUM HELD IN THE CITY OF ASHEVILLE ON NOVEMBER 3, 1981 UPON THE QUESTIONS OF APPROVING \$40,000,000 BONDS

The Council received from the County Board of Elections of Buncombe County a copy of the certified abstract of votes evidencing said Board's determination of the results of the canvass of the returns of the special bond referendum held in the City of Asheville on November 3, 1981 upon the questions of approving an order authorizing \$22,000,000 Parking Facilities Bonds and an order authorizing \$18,000,000 Redevelopment Bonds of said City.

After said abstract had been considered and reviewed by the Council, Councilman Boland introduced the following resolution which was read:

RESOLUTION DECLARING THE RESULTS OF THE SPECIAL BOND REFERENDUM HELD IN THE CITY OF ASHEVILLE ON November 3, 1981 UPON THE QUESTIONS OF APPROVING \$40,000,000 BONDS

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ASHEVILLE:

Section 1. The Council of the City of Asheville, having received from the County Board of Elections a copy of the certified abstract of votes evidencing said Board's determination of the results of the canvass of the returns of the special bond referendum held in the City of Asheville on November 3, 1981 upon the questions of approving an order authorizing \$22,000,000 Parking Facilities Bonds and an order authorizing \$18,000,000 Redevelopment Bonds of said City, does hereby declare and certify the results of said referendum to be the results which are set forth in the following statement of the results of said referendum which statement has been prepared by said Council:

STATEMENT OF THE RESULTS
of the
SPECIAL BOND REFERENDUM
held in the
CITY OF ASHEVILLE, NORTH CAROLINA
on November 3, 1981
UPON THE QUESTIONS OF APPROVING \$40,000,000 BONDS

At a special bond referendum held in the City of Asheville on November 3, 1981 25,067 voters were registered and qualified to vote.

At said referendum 4,584 votes were cast for the order adopted on September 17, 1981, authorizing not exceeding \$22,000,000 Parking Facilities Bonds of the City of Asheville, North Carolina, for the purpose of providing funds, with any other available funds, for the construction of additional parking facilities of said City, including the construction of an off-street parking garage, the construction, reconstruction, or installation of related approaches, driveways, sidewalks, and utilities and the acquisition of any necessary equipment, and authorizing the levy of taxes in an amount sufficient to pay the principal of and the interest on said bonds, and 8,161 votes were cast against said order, and, a majority of the qualified voters of said City who voted thereon at said referendum having voted against the approval of said order, said order was thereby not approved and is not in force and affect.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, the consent agenda was unanimously approved.

RESOLUTION NO. 81-251 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH PRICE, WATERHOUSE & COMPANY TO CONTINUE SERVICES IN PROVIDING FINANCIAL ANALYSIS OF THE ASHEVILLE DOWNTOWN COMMERCIAL COMPLEX

Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Price, Waterhouse and Company to continue services in providing financial analysis of the Asheville Downtown Commercial Complex.

The City Manager read the resolution explaining that the original contract with Price, Waterhouse and Company expired on April 1, 1981 and this resolution will authorize the extension of the agreement through the time Price Waterhouse has been providing services.

Upon motion of Councilwoman Price, seconded by Councilman Boland, Resolution No. 81-251 was unanimously adopted.

Complete text of Resolution No. 81-251 will be found in Resolution Book No. 13 at page 99.

CLAIMS - JOHN SHORT - DOROTHY MAE ALLEN - LAWSUIT - VIOLA McKINNEY WARD

The City Manager presented claims received from John Short and Dorothy Mae Allen and a summons in connection with the Viola McKinney Ward lawsuit.

Mayor Trantham referred the claims and the summons to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - MARINE CORPS WEEK - NOVEMBER 8 - 14, 1981

Mayor Trantham proclaimed the week of November 8 - 14, 1981 as "Marine Corps Week."

Councilwoman Price said the Asheville High ROTC ~~should~~ be recognized as they have again received awards for being the top in the region and second in the nation.

PUBLIC HEARING SCHEDULED - GRANT APPLICATION - UMTA - OPERATING ASSISTANCE

Councilwoman Price moved to schedule a public hearing for November 19, 1981 relative to the adoption of a resolution authorizing the City of Asheville to file a grant application with the Urban Mass Transportation Administration for Operating Assistance funds for the Transit Authority. The total amount of the application will be \$986,192 of which local share will be \$493,096 and federal share will be \$493,096. This motion was seconded by Councilman Wilkes and carried unanimously.

PROCLAMATION - FAMILY WEEK - NOVEMBER 22 - 28, 1981

Mayor Trantham proclaimed the week of November 22-28, 1981 as "Family Week."

Thereupon the resolution entitled: "RESOLUTION DECLARING THE RESULTS OF THE SPECIAL BOND REFERENDUM HELD IN THE CITY OF ASHEVILLE ON NOVEMBER 3, 1981 UPON THE QUESTIONS OF APPROVING \$40,000,000 BONDS" was authenticated by the signing thereof of the Mayor and the City Clerk, and the Corporation Counsel endorsed upon said resolution his approval of the form thereof.

APPROVAL OF THE CONSENT AGENDA

9. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 81-249 - Resolution renaming "Smith Alley" to "Lawyer's Walk."

	<u>\$18,561.10</u>

DISCUSSION - ACTIONS TO BE TAKEN RELATIVE TO WATER DROUGHT CONDITIONS

The City Manager said the City staff feels there should be one or two phases implemented in dealing with the water drought conditions. He said a suggestion was introduced to Council in pre-council meeting of increasing water rates on a phase basis rather than going to a drastic reduction of sixty (60%) per cent of water consumption. He said he would like the suggestion circulated for about a week prior to Council considering adopting an ordinance relative to the suggestion.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Wilkes, the meeting adjourned at 7:35 p. m.

Raymond S. Sullivan *William J. Maricetta*
MAYOR

PROCLAMATION - YOUTH APPRECIATION WEEK - SECOND WEEK IN NOVEMBER, 1981

Mayor Trantham proclaimed the second week in November, 1981 as "Youth Appreciation Week."

DISCUSSION - STROUSE-GREENBERG COMPANY - MEMORANDUM OF UNDERSTANDING

The City Manager said there was a discussion in the pre-council meeting relative to the Memorandum of Understanding between the City of Asheville and Strouse-Greenberg Company. He said the Memorandum of Understanding described mutual services by both organizations. He said in previous Memorandum of Understandings the City has agreed to share certain costs up to a maximum of \$50,000. He said in the Memorandum of Understanding that was agreed to recently, that requirement was deleted as far as the City is concerned and a requirement was placed on Strouse-Greenberg to agree to the Memorandum of Understanding by November 2, 1981. He said Strouse-Greenberg did agree and sent a copy of the agreement back, however they have asked that the City reinstate the paragraph that dealt with the City's obligation to share in certain costs. He said he had agreed to submit their request to the Council, however, he would not recommend Council reinstating the paragraph as far as the City is concerned. He submitted the following request from Strouse-Greenberg, to be made a part of the record.

It was the consensus of Council to accept the recommendation of the City Manager relative to the Memorandum of Understanding with Strouse-Greenberg Company.

RE: MEMORANDUM OF UNDERSTANDING

Dear Ken:

I herewith enclose three (3) copies of the new Memorandum of Understanding all copies of which have been executed on behalf of Strouse, Greenberg-Asheville Associates and have been acknowledged. Please note that Strouse, Greenberg-Asheville Associates is now the party to the document. The signed Memorandum of Understanding is being delivered to you with the express understanding that you will approach City Council next week to reinstate the provision contained in the previously executed Memoranda of Understanding regarding the City's obligation to share in certain costs up to a maximum of \$50,000 exposure to the City in the event that the City determines that the project should not proceed.

I further understand, that you will cause the documents to be executed on behalf of the City on November 2nd, and will then send a fully executed copy to me.

If City Council approves the conditions aforesaid, we can draft an appropriate addendum.

Sincerely,

STROUSE, GREENBERG AND COMPANY

EXPRESS MAIL

Vice-Mayor Morris closed the public hearing at 4:27 p. m.

Councilman Cole moved to approve the site plan of the proposed "Bi-Lo Shopping Center" subject to the stipulations by the Planning and Zoning Commission. This motion was seconded by Councilman Wilkes and carried unanimously.

PUBLIC HEARING - GROUP DEVELOPMENT - APARTMENT COMPLEX ON NANTAHALA STREET

3. A public hearing was held relative to the site plan of a proposed apartment complex to be located on Nantahala Street (previously known as the Carolina Avenue Apartments).

Vice-Mayor Morris opened the public hearing at 4:29 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission at a meeting held on October 7, 1981, reviewed the site plan of a proposed apartment complex to be located on Nantahala Street (previously known as the Carolina Avenue Apartments). The complex is being developed by Western Carolina Housing, Inc., in concert with Blue Ridge Mental Health. Project is designed to provide residential facilities for handicapped individuals within a community setting. After review and discussion of the plan, the Commission voted to recommend approval to City Council subject to the following: (1) Compliance with the City's Erosion Control Ordinance; (2) Showing 16 additional spaces on the site that could be used for future parking if required.

By the use of a map, Mr. Emrick reviewed the location and description of the proposed project.

Larry Thompson, with the Blue Ridge Mental Health, said the WNC Housing Inc. will be managing the overall project. He said there would be eleven (11) units with 16 individuals in the apartment complex.

Mayor Trantham returned to the meeting and closed the public hearing at 4:32 p.m.

Mayor Trantham recognized the newly elected members of Council in attendance at the meeting, those being Mary Lloyd Frank, Joe Pless, and Gordon Myers.

Councilman Wilkes moved to approve the site plan of a proposed apartment complex to be located on Nantahala Street subject to the stipulations by the Planning and Zoning Commission. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY IN THE EAST END/VALLEY STREET PROJECT AREA

ORDINANCE NO. 1253 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing was held relative to rezoning certain lots in the East End/Valley Street Project area.

Mayor Trantham opened the public hearing at 4:46 p. m.

001

Thursday - November 12, 1981 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Ralph D. Morris, Jr., Councilmen F. Jack Cole, Harold F. Brownlee, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman Norma T. Price and Councilman Walter R. Boland.

INVOCATION

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 5, 1981 meeting.

Upon motion of Councilman Wilkes, seconded by Councilman Cole, the minutes of the November 5, 1981 meeting were approved as submitted.

RECOGNITION OF POLICE CADETS

The City Manager recognized a group of police cadets in attendance at the Council meeting.

PUBLIC HEARING - BI-LO SHOPPING CENTER - GROUP DEVELOPMENT

2. A public hearing was held relative to the site plan of a proposed "Bi-Lo Shopping Center."

Mayor Trantham opened the public hearing at 4:20 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Trantham temporarily turned the meeting over to Vice-Mayor Morris.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission at a meeting held October 7, 1981, reviewed the site plan of a proposed "Bi-Lo Shopping Center" to be located on Leicester Highway. The site plan was prepared by Ralph J. Sherer and Associates, Tryon, N. C., Architects, for Bi-Lo, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. He said after review and discussion of the plan, the Commission voted to recommend approval to City Council subject to compliance with the City's Erosion Control Ordinance. He said the project will consist of a 25,000 sq. ft. store, 10,500 sq. ft. drug store, and a 45,000 sq. ft. variety store. He said water and sewer are available to the site. He said there was only one concern expressed at the Planning and Zoning meeting, that being the runoff of water onto an adjoining property owner. He said the parking lot of the project is being designed to hold water in small portions allowing runoff to be slow.

Bill Ashley, with the project, said the sedimentation will be taken care of during construction and then the vegetation will take care of sedimentation.

Upon motion of Councilman Wilkes, seconded by Vice-Mayor Morris, Resolution No. 81-252 was unanimously adopted.

Complete text of Resolution No. 81-252 will be found in Resolution Book No. 13 at page 100 - 101.

ORDINANCE NO. _____ AN ORDINANCE REVISING REGULATIONS OF WATER USE DURING DROUGHT OR EMERGENCY CONDITIONS

6. Consideration was given to an ordinance revising regulations of water use during drought or emergency conditions.

The City Manager read the ordinance stating that the amendment would change the process for phasing in requirements during drought conditions to placing one or more rate increases into effect as the lake level drops, prior to implementing a percent cut back in water consumption on all customers.

The City Manager said phase 3 of the proposed ordinance was recommended by a subcommittee of the Water Authority and phase 4 is a staff recommendation. He said it has been the consensus to increase rates rather than have a drastic cut back in water consumption on all customers.

The City Manager compared the rates of residential users and industrial users with the proposed phases in the ordinance.

Councilman Wilkes said he felt phase 4, section 2 of the proposed ordinance ~~could be handled~~ better by the Water Authority. The City Manager responded that the reason the language was included in that section was due to the fact that the Water Authority does not actually take office until January 1, 1982 pursuant to the City/County Water Agreement.

It was the consensus of Council that the proposed ordinance should be publicized throughout the community and the Water Authority should review the ordinance before action is taken on the ordinance.

After discussion, Councilman Wilkes moved to table the ordinance for one week. This motion was seconded by Vice-Mayor Morris and carried unanimously.

BUDGET AMENDMENT - AMENDING CITY OF ASHEVILLE OPERATING BUDGET - CIVIC CENTER AND PARKS AND RECREATION

7. Consideration was given to a motion approving a budget amendment amending the City of Asheville Operating Budget as follows:

- A. General Fund - Civic Center - Parks and Recreation - This budget amendment in the amount of \$2,336 is to correct an error made on budget amendment no. 10-9 passed by City Council on October 29, 1981. The purpose of the amendment is to reallocate legal services budget in view of the change in the legal services program which established regular office hours for the Corporate Counsel. Budget motion 10-9 is hereby repealed.

The City Manager presented the budget amendments.

200

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said this was a housekeeping chore. He said this ordinance will rezone the lots in the East End/Valley Street Project area to conform with the redevelopment plan adopted by Council on May 25, 1978 when the site plan was adopted.

Mr. Emrick said he received a letter from Sue Evans, a property owner in the area, requesting that her lot, lot 12, remain zoned as it is currently zoned. He said all the property owners in the area have been notified of this rezoning consideration.

Mrs. Bowman, owner of Lot 94 on Hildebran Street, said she did not feel it would be desirable to rezone her property. She requested that her property remain zoned Commercial.

Mayor Trantham closed the public hearing at 4:53 p. m.

It was the consensus of Council to grant the request of Mrs. Evans and exclude Lot 12 from the rezoning.

Verl Emrick read the ordinance.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1253. This motion was seconded by Councilman Wilkes.

On a roll call vote of 5-0, Ordinance No. 1253 passed on first reading.

PUBLIC HEARING - AMENDMENT TO THE SEVENTH YEAR COMMUNITY DEVELOPMENT BLOCK GRANT APPLICATION

5. A public hearing was held relative to the submission of an amendment to the Seventh Year Community Development Block Grant Application.

Mayor Trantham opened the public hearing at 5:02 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said on August 13, 1981, City Council approved a budget amendment amending the Community Development Budget reprogramming surplus funds in the amount of \$401,155. It was determined that the funds exceeded the amount City Council could reprogram without first amending the Seventh Year Community Development Block Grant Application.

Mayor Trantham closed the public hearing at 5:03 p. m.

RESOLUTION NO. 81-252 - RESOLUTION AMENDING THE CITY OF ASHEVILLE'S SEVENTH YEAR ENTITLEMENT APPLICATION FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

Consideration was given to a resolution amending the City of Asheville's Seventh Year Entitlement Application for the Community Development Block Grant Program.

Verl Emrick read the resolution.

- A. Resolution No. 81-255 - Resolution authorizing the execution of a contract with the United States Department of Transportation for a grant under the Urban Mass Transportation Act of 1964, as amended.

HIGHLIGHTS: This is an annual grant to aid in financing various technical studies to implement specific work elements of the 1981-82 Asheville Urban Unified Work Program. The application has been approved in the maximum amount of Twenty-one Thousand Dollars (\$21,000).

Resolution Book No. 13 Page 106

- B. Resolution No. 81-256 - Resolution authorizing the Mayor to enter into a contract with the North Carolina Department of Transportation in support of Project No. 82-P-01.

HIGHLIGHTS: The Planning Department of the City of Asheville has requested the North Carolina Department of Transportation to provide 50 percent of the non-Federal costs of implementing specific items of the 1981-82 Asheville Urban Area Unified Work Program, UMTA Grant Number NC-09-0066 at a total cost of Twenty-Six Thousand, Two Hundred and Fifty Dollars (\$26,250.00) of which the non-Federal cost amounts to Five Thousand, Two Hundred and Fifty Dollars (\$5,250.00). The City of Asheville desires to provide the remaining 50 percent of the non-Federal cost in the form of in-kind services for the above Mass Transportation Project.

Resolution Book No. 13 Page 107

Upon motion of Councilman Cole, seconded by Councilman Brownlee, the consent agenda was unanimously approved.

DISCUSSION- RE: NORTH ASHEVILLE PARK FUNDS - COUNCILMAN BROWNLEE

Upon inquiry of Councilman Brownlee, the City Manager said the grant funds received for the construction of the North Asheville Park have been returned to the federal government.

CLAIMS - RUBY HAYES - WATER DEPT. EMPLOYEES - RUBY STYLES

The City Manager presented claims received from Ruby Hayes, Water Department Employees, and Ruby Styles.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO COUNCILMAN BROWNLEE AND POLICE DEPARTMENT

Ralph Bishop commented on the loss to the City of Councilman Brownlee as a Councilman and also commented on the operation of the Asheville Police Department.

ADJOURNMENT

Upon motion of Councilman Wilkes, seconded by Councilman Cole, the meeting adjourned at 5:45 p.m. *City Manager* Mayor *Trantham* Clerk *Wright*

Councilman Cole moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

RESOLUTION NO. 81-253 - RESOLUTION ESTABLISHING A POLICY FOR COLLECTION OF DEMOLITION LIENS

8. Consideration was given to a resolution establishing a policy for collection of demolition liens.

The City Manager read the resolution explaining that Section 443 of Chapter 160A of the North Carolina General Statutes allows the City of Asheville to demolish structures which are substandard and beyond repair. The statute allows the cost of such demolition work to be assessed against the property upon which the structure is located. The proposed policy reflects an 8% per annum interest rate on uncollected charges and changes the time at which the lien is placed from the time of completion of the work to the end of the 90 day period allowed for payment.

Upon motion of Vice-Mayor Morris, seconded by Councilman Wilkes, Resolution No. 81-253 was unanimously adopted.

Complete text of Resolution No. 81-253 will be found in Resolution Book No. 13 at page 102 - 104.

RESOLUTION NO. 81-254 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE BUNCOMBE WATER AUTHORITY (Ralph D. Morris, Jr., Wilhelmenia Bratton, Charles Mills)

9. Consideration was given to a resolution appointing members to the Asheville-Buncombe Water Authority.

The City Manager read the resolution appointing Mr. Ralph D. Morris, Jr., Wilhelmenia Bratton and Charles Mills as members of the Asheville-Buncombe Water Authority.

Upon motion of Councilman Wilkes, seconded by Councilman Brownlee, Resolution No. 81-254 was unanimously adopted, with Vice-Mayor Morris abstaining.

Complete text of Resolution No. 81-254 will be found in Resolution Book No. 13 at page 105.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

ORDINANCE NO. _____ - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS
"AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED
(Property located in Kenilworth Area)

3. Consideration was given to an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" as amended, rezoning property located in Kenilworth area.

Note: A public hearing was held on this matter on November 5, 1981.

Attorney Ward Hendon, representing The Mark Companies, Developers of the proposed "Sugartree" apartment complex in Kenilworth, said it is his understanding that the developers of the Sugartree project presented members of Council with detailed information relative to the project on Tuesday, November 17, 1981. He said the developers of the project were unable to attend today's Council meeting. He said the opposing property owners of the rezoning request have no objections to the postponing of the rezoning of Kenilworth.

Augusta Young, Chairman of the Ad Hoc Committee of the Kenilworth Residents Association said this issue has been going on a long time. She said the residents of Kenilworth would like for the property to be rezoned to R-2 with a density requirement of 10 units per acre and would like to see Sugartree built at 6 units per acre. She requested a decision of Council relative to rezoning the property at this meeting.

Jim Erwin with The Mark Company said the developers would be happy to furnish members of Council with additional information relative to the Sugartree project if Council so desired.

After discussion, Councilman Boland moved to table this ordinance. This motion was seconded by Councilwoman Price and carried on a voice vote of 6-1, with Councilman Cole voting "no."

CONTINUATION OF PUBLIC HEARING - SITE PLAN OF THE PROPOSED "SUGARTREE" APARTMENT COMPLEX

4. A public hearing relative to the site plan of the proposed "Sugartree" Apartment Complex was continued.

After a brief discussion, Councilman Boland moved to continue the public hearing, without further advertisement. This motion was seconded by Councilman Wilkes and carried on a voice vote of 6-1, with Councilman Cole voting "no."

ORDINANCE NO. 1253 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (property in the East End/Valley Street Project area)

5. Consideration was given to the second reading of Ordinance No. 1253, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property in the East End/Valley Street Project area.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 12, 1981 meeting.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the November 12, 1981 meeting were approved as submitted.

PUBLIC HEARING - GRANT APPLICATION WITH THE URBAN MASS TRANSPORTATION ADMINISTRATION - OPERATING ASSISTANCE FUNDS FOR ASHEVILLE TRANSIT AUTHORITY

RESOLUTION NO. 81-257 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

2. A public hearing was held relative to the adoption of a resolution authorizing the City of Asheville to file a grant application with the Urban Mass Transportation Administration.

Mayor Trantham opened the public hearing at 4:04 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carl Ownbey of the Planning Staff, said this annual grant is for operating assistance funds for the Asheville Transit Authority. The total amount of the application will be \$986,192 of which local share will be \$493,096 and federal share will be \$493,096.

Mayor Trantham closed the public hearing at 4:07 p. m.

The City Manager read the resolution.

Upon motion of Vice-Mayor Morris, seconded by Councilwoman Price, Resolution No. 81-257 was unanimously adopted.

Complete text of Resolution No. 81-257 will be found in Resolution Book No. 13 at page 108-109.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1254. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-2, Ordinance No. 1254 passed on first reading with Councilman Wilkes and Councilman Brownlee voting "no."

Councilman Wilkes said he would be in favor of the Water Authority reviewing the ordinance again and receive a recommendation relative to the residential users.

Vice-Mayor Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1254. This motion was seconded by Councilwoman Price and carried on a voice vote of 5-2, with Councilman Wilkes and Councilman Brownlee voting "no."

On a roll call vote of 5-2, Ordinance No. 1254 passed on second reading with Councilman Wilkes and Councilman Brownlee voting "no."

Vice-Mayor Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1254. This motion was seconded by Councilman Boland and carried on a voice vote of 5-2, with Councilman Wilkes and Councilman Brownlee voting "no."

On a roll call vote of 5-2, Ordinance No. 1254 passed on third and final reading with Councilman Wilkes and Councilman Brownlee voting "no."

Complete text of Ordinance No. 1254 will be found in Ordinance Book No. 9 at page 295-297.

Councilwoman Price requested that the Water Authority consider an amendment to the ordinance and make a recommendation to Council relative to the minimum and residential users.

BIDS - REHABILITATION OF CHUNNS COVE BRIDGE OVER ROSS CREEK

RESOLUTION NO. 81-258

7. Consideration was given to bids received November 13, 1981 for rehabilitation of Chunns Cove Bridge over Ross Creek.

The City Manager presented the bids stating that three (3) bids were received. Recommendation of acceptance of the low bid submitted by Mountain Shore Construction Company in the amount of \$26,686.50.

The City Manager read a resolution awarding the contract to Mountain Shore Construction Company.

Upon motion of Councilman Wilkes, seconded by Councilwoman Price, Resolution No. 81-258 was unanimously adopted.

Complete text of Resolution No. 81-258 will be found in Resolution Book No. 13 at page 110.

VICE-MAYOR MORRIS - COUNCILMAN COLE - COMMENTS OF APPRECIATION

Vice-Mayor Morris and Councilman Cole expressed their appreciation for having served the City of Asheville and for the cooperative spirits of members of Council.

On a roll call vote of 7-0, Ordinance No. 1253 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1253. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1253 passed on third reading.

Complete text of Ordinance No. 1253 will be found in Ordinance Book No. 9 at page 293-294.

ORDINANCE NO. 1254 - AN ORDINANCE REVISING REGULATIONS OF WATER USE DURING DROUGHT OR EMERGENCY CONDITIONS

6. Consideration was given to an ordinance revising regulations of water use during drought or emergency conditions.

The City Manager read the ordinance stating that this amendment would change the process for phasing in requirements during drought conditions to placing one or more rate increases into effect as the lake level drops, prior to implementing a percent cut back in water consumption on all customers. This ordinance replaces an ordinance adopted October 15, 1981 that called for voluntary conservation measures until the reservoirs reached a combined measure of 40 feet below spillway level. At that point all water users would have been ordered to reduce their consumption by 40 percent.

Ralph Bishop spoke in opposition to any water rate increases.

A spokesman for Memorial Mission Hospital and St. Joseph's Hospital requested that their facilities be exempt from the increase proposed in the ordinance, stating that water is vital to health care services.

Vice-Mayor Morris said he would prefer the proposed ordinance rather than the existing ordinance for drastic reductions in water consumption.

Councilman Wilkes spoke in opposition to the proposed ordinance stating that the City would have greater conservation on a voluntary basis. He questioned the need to raise residential rates and he wanted to see special consideration given to "exceptional cases" such as hospitals and health care facilities as well as residential users.

Councilwoman Price expressed concern relative to the minimum residential users. She said she felt the Water Authority should study the issue more and come up with additional suggestions, particularly for the residential users.

Councilman Brownlee spoke in opposition to the proposed ordinance stating that voluntary conservation efforts would prove successful.

Vice-Mayor Morris noted that the proposed ordinance would not go into effect until the water system's two reservoirs reach a combined measure of 45 feet below spillway level and the rate increases would remain in effect until June 30, 1982 or until the combined reservoir level climbs to 20 feet below spillway. He also noted that it costs more to supply water when the water levels drop.

The City Manager compared the proposed rate increases with present rates.

Mr. Kenneth Michalove
City Manager
City Hall
Asheville, North Carolina 28807

Dear Ken:

In accordance with my conversation with you I wish to state to you and City Council the Grove Park Sunset Citizens Association's primary objections to the recently enacted Ordinance No. 1251 amending the zoning code to provide for an Architectural Conservation District. Please be advised that these objections are also the individual objections of a number of our members residing in the Grove Park area.

First and foremost we object to the fact that the Ordinance was enacted without any input from those residents, or any residents, potentially affected by the operation of the Ordinance - particularly after we were assured publicly of the opportunity for such input in the zoning matter giving rise to the issue, and particularly in light of the former controversy involving the execution of the Consent Decree relative to the Manor - all of which you and the Council members are well aware. I can't begin to verbalize the feelings of distrust and lack of confidence which are being vented by the residents in our Association's area. You and I both know how hard we worked to repair the ill-will which resulted from the Consent Decree - all of which helped to restore confidence in both the parties involved and the process itself. Needless to say that good will is again questioned and for reasons which admittedly are hard to deny or reject.

There was no publicity given to the consideration of the Ordinance by either the Planning and Zoning Commission or the Council - no hearings with citizen input - and no reporting of action taken by either body. Further the Association was advised of the Ordinance for the first time a couple of days before the second hearing - really too late for any input and hardly sufficient time to agree on, or orchestrate any coordinated response

COUNCIL MEETING - NOVEMBER 26, 1981 - NO MEETING

Councilman Cole moved that there be no Council meeting on Thursday, November 26, 1981 as this would be Thanksgiving Day. This motion was seconded by Councilman Wilkes and carried unanimously.

PROCLAMATION - BIBLE WEEK - NOVEMBER 22 - 29, 1981

Mayor Trantham proclaimed the week of November 22-29, 1981 as Bible Week.

CLAIMS - MARY SMITH - HAROLD TALBERT - J. H. McMINN

The City Manager presented claims received from Mary Smith, Harold Talbert, and J. H. McMinn.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

CORRESPONDENCE - RE: ORDINANCE NO. 1251 - CREATING ARCHITECTURAL CONSERVATION DISTRICT

The City Manager read the following correspondence:

MEMORANDUM

TO: Kenneth Michalove, City Manager
FROM: Verl R. Emrick, Jr., Planning Director
SUBJECT: Architectural Conservation District -
Attached Correspondence dated 11/19/81
DATE: November 19, 1981

First, I recognize that I have made a major mistake in advising Council and yourself that in my assessment there was not concern about the ordinance captioned. This mistake is the source of considerable embarrassment to City Council and yourself. An embarrassment which is/was unnecessary and for this I accept total responsibility and sincerely apologize.

Secondly, the attachment while accurate in the main proper legal notification was done both for the Planning Commission's and for City Council's hearing. However, given the concerns expressed, the City may wish to modify the ordinance in some way or as the correspondence suggests repeal it altogether.

Finally and again, the responsibility for the error is clearly mine, even though made with no malice, and I apologize to both the Council and the Community.

Please advise of the wishes of City Council in this matter.

Enclosure

The City Manager said an error was made in misleading Council relative to citizen input relative to the ordinance and perhaps Council would like to schedule a public hearing relative to Ordinance No. 1251.

Councilwoman Price moved to schedule a special meeting and a public hearing for 2:00 p. m., December 3, 1981 for the sole purpose of conducting a public hearing to consider rescinding Ordinance No. 1251. This motion was seconded by Councilman Cole and carried unanimously.

COMMENTS BY NEWLY ELECTED COUNCILMAN LARRY McDEVITT

Newly-elected Councilman, Larry McDevitt, extended his appreciation to the members of Council for the courtesies shown him since the election and thanked them for serving the City of Asheville.

RALPH BISHOP - COMMENTS: APPOINTMENT OF CITY MANAGER, CORPORATION COUNSEL, CITY CLERK
OBTAINING CITY RECORDS - LOTTERY SALES

Ralph Bishop made comments relative to the appointments of the City Manager, Corporation Counsel and City Clerk, as well as his difficulty in obtaining city records. He also commented on the lottery sales in the City of Asheville.

prior to the hearing. There was of course no separate third hearing. Of more importance, however, was that the limited notice came at the end of the process, not at the initial drafting and formulation stage where input was not only promised, but crucial in order to avoid future controversy about an Ordinance which has the potential for affecting every zoning classification of the city. In addition the Historic Resources Commission - a key element in the Ordinance also received notice at the end of the process. It simply is neither fair nor right, and our members, as I suspect other Citizen Associations will be, are justifiably angry.

Second, and of equal concern with the manner in which it was enacted, is the arguable circuitry of the language within the Ordinance itself. The Ordinance has the potential of affecting the character of any area. A property may be given a use totally alien to surrounding uses regardless of the zoning district in which it lies. The defense to such statement is that such use may be restricted and conditioned to limit the use to protect the predominant character of the area. However by the same language itself as adopted - the right to restrict or condition is only granted so long as such limitations are consistent with the intent of the provisions giving relief i.e. the language gives a crucial qualification to the expanded power and then through the circuitry of the language takes it away. [See Provision 2 E (2 and 3)]. If the restriction had been meant to stand, then logically a period would have been placed after "appropriate" in provision 2 E (3) - all of which should have been pointed out, discussed and argued with the drafting entity.

Obviously our Association is more currently affected by this Ordinance than others. Nevertheless it is a powerful Ordinance with tremendous potential for controversy from others. Why then must the controversy always come after the fact? Why can't the appropriate parties learn from past mistakes and handle these matters in a fair and sensible manner. We ask you to forward this letter to Council members, and we urge the Council to repeal its ill-advised action and reconsider the matter with the appropriate citizen input at Planning and Zoning where it belongs. This is an important issue - What is there to hide!

Very truly yours

The ordinance is very loosely worded and open to several interpretations. Every effort seems to be bent toward keeping the owner of a historic building happy no matter what price may be paid by the neighborhood. Conceivably, people would be tempted to buy old historic buildings knowing that they could set up businesses which would in no way be tolerated in a more modern building in a residential area. While this would probably give older buildings a different value, the surrounding homes would be devalued as a result.

We believe the ordinance should be repealed. We would like to see a new ordinance drafter with several safeguards included for the entire neighborhood.

We ask the City Council to give serious consideration to this problem. The ill effects of a hasty decision could be felt in Kenilworth and many other areas of our city.

Sincerely yours,

/s/ Augusta W. Young

Doug Swain, Historic Preservationist with the North Carolina Department of Archives and History said he felt the ordinance is a valuable tool and the ordinance should be brought back to Council for consideration in the near future and receive citizen input in the ordinance.

Grace Pless, Chairman of the Historic Resources Commission, spoke in support of Ordinance No. 1251. She read the following resolution adopted by the Executive Committee of the Historic Resources Commission on December 2, 1981:

RESOLUTION

WHEREAS, the Asheville City Council on November 5, 1981 adopted Ordinance No. 1251 which amended the Asheville Zoning Ordinance No. 322 L, adding the Architectural Conservation District.

NOW, THEREFORE, BE IT RESOLVED BY THE EXECUTIVE COMMITTEE OF THE HISTORIC RESOURCES COMMISSION OF ASHEVILLE AND BUNCOMBE COUNTY:

That it recognizes the usefulness of the Architectural Conservation District as a method to achieve the economic redevelopment of several isolated historic properties throughout the zoning jurisdiction of Asheville and therefore recommend that it be retained.

This the second day of December, 1981.

PUBLIC HEARING - RESCINDING ORDINANCE NO. 1251, AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE,"
AS AMENDED, CREATING THE ARCHITECTURAL CONSERVATION DISTRICT

ORDINANCE NO. 1255 - AN ORDINANCE REPEALING ORDINANCE NO. 1251, (REGARDING THE AC ARCHITECTURAL CONSERVATION DISTRICT OF ZONING ORDINANCE NO. 322)

1. A public hearing was held relative to consideration of rescinding Ordinance No. 1251, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended, creating the Architectural Conservation District.

Mayor Trantham opened the public hearing at 2:03 p. m.

The City Manager presented the notice to the public setting the time and day of the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said he had received a copy of a letter sent to Mayor Trantham from Mr. Mac Day relative to the adoption of Ordinance No. 1251. He said in view of the concerns expressed relative to the ordinance he would recommend that, for the present time, the ordinance be rescinded rather than trying to amend the ordinance. He said the ordinance can be brought back at a later date for readoption.

Dr. Kruger, read the following letter from the Kenilworth Residents Association:

360 Kenilworth Road
Asheville, N.C. 28805
December 2, 1981

Mayor Roy M. Trantham
City Hall Building
Asheville, NC 28807

Dear Mayor Trantham:

The Kenilworth Residents Association wishes to express to the entire Asheville City Council their concern about Ordinance No. 1251 dealing with an Architectural Conservation District. We are in complete agreement with the Grove Park Sunset Citizens Association in this matter.

She said the Historic Resources Commission has recommended that the ordinance be retained.

Vice-Mayor Morris commented that he would like the new Council to consider another ordinance similiar to Ordinance No. 1251 using the same context.

Mayor Trantham closed the public hearing at 2:08 p. m.

Vice-Mayor Morris moved for the adoption of Ordinance No. 1255. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1255 passed on first reading.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 19, 1981 meeting.

Upon motion of Councilman Wilkes, seconded by Vice-Mayor Price, the minutes of the November 19, 1981 meeting were approved as submitted.

BIDS - 100 FIRE HYDRANTS FOR WATER AND SEWER DEPARTMENT

2. Consideration was given to bids received November 18, 1981, to furnish the City of Asheville Water and Sewer Department with 100 fire hydrants.

The City Manager presented the bids and the recommendation of the Purchasing Director stating that six (6) bids were received and a recommendation has been received to accept the low bid submitted by Pump and Light Company in the amount of \$35,366.55. He said sufficient funds are available in Water and Sewer Department appropriation.

Councilman Myers moved to accept the recommendation of the Purchasing Director and award the bid to Pump and Light Company in the amount of \$35,366.55. This motion was seconded by Councilwoman Frank and carried unanimously.

BIDS - COMPUTER MEMORY AND DISK DRIVE STORAGE - DATA PROCESSING DIVISION

3. Consideration was given to bids received November 30, 1981 to furnish the City of Asheville with computer memory and disk drive storage.

The City Manager presented the bids stating that one bid was received from the Burroughs Corporation. The equipment requested is to expand the computer system known as the Criminal Justice Information System (CJIS). This equipment will be installed into equipment already owned by the City and manufactured by the Burroughs Corporation. Tom Stranberg, Director of Data Processing has reviewed the bid and has determined that the proposal meets our specifications. The cost is under the original estimate and appears competitive with the market for equipment of this type. Recommendation to award a contract to the Burroughs Corporation to furnish computer memory and disk drive in the total amount of \$30,462.00. Sufficient funds for this purchase are available from CJIS- Phase III grant, account code 67-913-074.

Councilwoman Frank moved to accept the bid of Burroughs Corporation in the amount of \$30,462. This motion was seconded by Vice-Mayor Price and carried unanimously.

Technical Consulting Services
Asheville-Buncombe Water Authority

Dear Mr. Michalove:

Pursuant to the Asheville-Buncombe Water Authority's actions of December 1, 1981, we propose to serve as its consultant in the evaluation of proposals for development of water resources and treatment facilities.

Our services will consist of review of each of the proposals received to date and assisting the staff with presenting the Authority with a comparison of the proposals, identifying the common and dissimilar features of each.

Our review of the proposals will not entail verification of technical or economic features therein.

Our fee, as compensation for our services, shall be computed at the hourly personnel rates stated on the enclosed schedule dated April 15, 1981. However, the total amount of fee to be paid us shall not exceed \$2,000 unless otherwise authorized by you.

We expect to proceed with our services promptly and welcome this opportunity to assist the Authority.

Sincerely,

RESOLUTION NO. 81-264 - RESOLUTION IN SUPPORT OF THE SOAP BOX DERBY

4. Consideration was given to a resolution in support of the Soap Box Derby.

The City Manager read the resolution stating that the West Asheville Rotary Club desires to establish the All American Soap Box Derby as an activity for youth, their families, and the community which enhances the quality of life and promotes the City of Asheville as the site for this event. The Asheville Revitalization and Economic Development Commission at its November 17, 1981, meeting endorsed and pledged its cooperation and urged the support of the City Council.

Upon motion of Councilman Wilkes, seconded by Councilman McDevitt, Resolution No. 81-264 was unanimously adopted.

Complete text of Resolution No. 81-264 will be found in Resolution Book No. 13 at page 116.

ASHEVILLE-BUNCOMBE WATER AUTHORITY - REQUEST FOR EXPENDITURE OF FUNDS - ROBERT E. TURNER AS CONSULTANT

The City Manager read the following letter from the Asheville-Buncombe Water Authority:

William DeBruhl - Director
WATER AND SEWER SERVICES

December 1, 1981

Mr. Kenneth M. Michalove
City Manager
P.O. Box 7148
Asheville, North Carolina 28807

Dear Ken,

As you know, the Asheville/Buncombe Water Authority met this morning and heard presentations by engineering firms on their individual proposals for further utilization of the Bee Tree/North Fork water source. Due to the different alternative solutions offered by the various engineers, the Authority felt it was in our mutual best interest to engage a technical consultant to evaluate these proposals.

As I understand the terms of the Water Agreement, the Asheville/Buncombe Water Authority cannot legally engage a technical consultant until January 1, 1982. Therefore, a motion was passed unanimously by the Authority to ask the City Council to approve an expenditure of funds not to exceed \$10,000 from water revenues to hire Mr. Bob Turner as this technical consultant. I would appreciate it if you would submit this request to the City Council on December 3, 1981, for their consideration.

Sincerely,

Floyd Brock, Chairman

JOHN HARRISON - HARRISON PEST CONTROL - PEST CONTROL BID FOR CITY OF ASHEVILLE

Mr. John Harrison, with Harrison Pest Control Company, said he recently submitted a bid, along with six (6) other bidders, for pest control services for the City of Asheville. He said the high bid was \$6,276 and his bid, which was the low bid, was \$3,144. He said the company who was awarded the bid submitted a bid of \$3,691. He said he received an explanation as to why he was not awarded the bid. He said he was told that he had not been in business long enough in the City of Asheville. He asked who is responsible for selecting the bidders and who determines the qualifications of the bidder. He said he has worked in pest control for a number of years and holds a state license.

The City Manager responded that these types of contracts are awarded on a departmental basis but he would look into the complaint and give Mr. Harrison, as well as Council, a report on the complaint.

Councilman Pless said he is aware of Mr. Harrison's work and he has a reliable business. He said in his opinion the City should save wherever possible by accepting low bids.

RALPH BISHOP - COMMENTS RELATIVE TO SELECTION OF THE MAYOR

Ralph Bishop said he was dissatisfied with the Council's selection of the Mayor. He also made comments relative to the Council members taking their oaths of office.

The City Manager said the City Council had appropriated \$10,000 for the Asheville-Buncombe Water Authority and it is his understanding that the Water Authority would like authority to use \$2,000 of the \$10,000 for the consultant services of Mr. Robert E. Turner.

Councilwoman Frank moved to approve an expenditure of \$2,000 for the Water Authority to use for consultant services of Mr. Robert E. Turner. This motion was seconded by Councilman Wilkes and carried unanimously.

The Assistant City Manager read the resolution.

Upon motion of Councilman Wilkes, seconded by Councilman Myers, Resolution No. 81-265 was unanimously adopted.

SCHEDULING A PUBLIC HEARING RELATIVE TO AMENDING ORDINANCE NO. 322, TO DECREASE THE REGULAR MEMBERSHIP OF THE BOARD OF ADJUSTMENT AND TO PROVIDE FOR ALTERNATE MEMBERS FOR JANUARY 7, 1982

4. Consideration was given to a motion scheduling a public hearing relative to amending Ordinance No. 322, to decrease the regular membership of the Board of Adjustment and to provide for alternate members for January 7, 1982.

NOTE: This public hearing will be held to consider a proposed ordinance decreasing the regular membership of the Board of Adjustment and providing for alternate members. The proposed ordinance would provide for the Board of Adjustments to consist of four members appointed by the City Council for the term three (3) years and one member who is a resident of the extraterritorial area appointed by the County Commissioners for a term of three (3) years. There shall also be appointed seven (7) alternates, five who are City residents appointed by the City Council and two (2) appointed by the County Commissioners who are residents of the extraterritorial area. The present ordinance provides that the Board consist of nine or more members appointed by the City for a term of three years and two or more members not to exceed four members who are residents of the extraterritorial area appointed by the County Commissioners for a term of three years.

Vice-Mayor Price moved to schedule a public hearing relative to amending Ordinance No. 322 to decrease and to provide for alternate members for January 7, 1982. This motion was seconded by Councilman Pless and carried unanimously.

RESOLUTION NO. 81-266 - RESOLUTION ACCEPTING A SEVENTEEN (17) ACRE TRACT OF LAND ADJOINING THE "MEADOWS APARTMENTS" OFF LEICESTER HIGHWAY

5. Consideration was given to a resolution accepting a seventeen (17) acre tract of land adjoining the "Meadows Apartments" off Leicester Highway.

The Assistant City Manager read the resolution.

Vice-Mayor Price moved for the adoption of Resolution No. 81-266 instructing that the City Attorney not finalize the deed until a letter from Mr. Phil Carson is received stating that the property could be sold at the appraised value or greater within a three year period; said letter to be on file in the City Clerk's Office prior to the recording of the said deed. This motion was seconded by Councilwoman Frank and carried unanimously.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the special, organizational, and regular meeting of December 3, 1981, meeting.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the special, organizational and regular meeting of December 3, 1981, were approved as submitted.

BUDGET AMENDMENT - CITY OF ASHEVILLE OPERATING BUDGET - GENERAL FUND - COUNTY CONTRIBUTION - CIVIC ARTS

2. Consideration was given to a motion approving a budget amendment amending the City of Asheville Operating Budget as follows:

- A. General Fund - County Contribution - Civic Arts - This budget amendment in the amount of \$80,400 is to reflect budget affects of the Water Agreement.

Bob Wurst, Director of Budget and Audit, presented the budget amendment stating that this budget amendment reflects budget affects of the Water Agreement relative to Outside Agencies, Board of Tax Supervision, and Civic Arts. He reviewed, in detail, the adjustments to the outside agency's budgets by the city and county and the tax ratio agreed upon for the Board of Tax Supervision and contribution for Civic Arts for Fiscal 1981-82.

Councilman McDevitt moved to approve the budget amendment as presented by Mr. Wurst. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 81-265 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO SEEK GRANT FUNDING FROM THE NORTH CAROLINA YOUTH ADVISORY COUNCIL FOR THE CONVENTION II PROJECT OF THE ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL

CLAIMS - LAWSUITS - ASHEVILLE HEATING/COOLING - FRANCIS CAMPBELL - BRUCE DEWEESE - LOUISE LINDSEY - JOHN SHERLIN - DANIEL KORNHOUSER - FBH AND COMPANY - DELRIO, INC. - ASHEVILLE HOUSING AUTHORITY

The Assistant City Manager presented claims received from Asheville Heating/Cooling, Francis Campbell, Bruce DeWeese, Louise Lindsey, John Sherlin, Daniel Kornhouse, and lawsuits in which the City is either a defendant or a respondent from the following: FBH and Company, Delrio, Inc., Asheville Housing Authority.

Mayor Trantham referred the claims and lawsuits to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - INTERNATIONAL YEAR OF DISABLED PERSONS - 1981 - CONTINUE PROGRAMS

Mayor Trantham called upon all the citizens of the City of Asheville to continue in 1982 to back the programs of and for disabled persons in connection with the International Year of Disabled Persons which was held in 1981.

RESOLUTION NO. 81-267 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN CONSENT JUDGEMENT ON BEHALF OF THE CITY

Consideration was given to a resolution authorizing the Mayor to sign a consent judgement on behalf of the City of Asheville.

The Assistant City Manager read the resolution which stated that the North Carolina Department of Transportation filed an action in the Superior Court of Buncombe County entitled Department of Transportation, plaintiff, vs. A. C. Mitchell and wife Willie Mae Mitchell; City of Asheville; County of Buncombe and the only interest which the City of Asheville has in said action is the payment of any tax due and owing to said city on the property which is the subject of said suit. The Department of Transportation has made assurances that said taxes will be paid to the tax collector for the benefit of the City and it is necessary for the Mayor of the City of Asheville to execute a consent judgement on behalf of the City.

Upon motion of Councilman Wilkes, seconded by Councilwoman Frank, Resolution No. 81-267 was unanimously adopted.

Complete text of Resolution No. 81-267 will be found in Resolution Book No. 13 at page 119.

"Ken, in reference to your Memo dated August 26, 1981, concerning a request for a Traffic Signal at the Intersection of Flint Street and Magnolia Avenue, I have made a study of the Intersection and have found that it does not meet minimum warrants for a Signal Installation.

Minimum warrants are as follows:

Major Street - 500 Vehicles per Hour for an 8-hour period
Minor Street - 150 Vehicles per Hour for an 8-hour period

Flint Street Average per Hour for an 8-hour period: 44.25 Vehicles

Magnolia Avenue Average per Hour for an 8 Hour period: 31.75 Vehicles

Highest Hourly Volume on Flint Street: 69 Vehicles, Two-way Flow
Highest Hourly Volume on Magnolia Ave: 42 Vehicles, One-way Approach

Accident Records reveal that there were two accidents at this Intersection in the past two years, one occurring on 5/7/81 and the other on 7/5/80.

There were two sideswiping accidents in the area in the past two years, one as a result of Police pursuit and the other caused by a vehicle parked illegally.

The closing of the Chestnut Street Bridge has had very little effect on traffic volumes in this area.

Traffic Counts made on this section of Flint Street in July, 1978, showed 24-hour traffic volume of 508 Vehicles.

Traffic Counts made on 9/1/81 showed a 24-hour traffic volume of 605 vehicles. Since the subject Intersection does not meet minimum warrants for a traffic signal installation, I do not recommend that a signal be installed, but I do recommend that the section of Flint Street between Chestnut Street and Magnolia Avenue be widened as shown on the attached drawing. This recommendation is made because of the possibility of the permanent closing of the Chestnut Street Bridge."

The City Manager said that he had informed Mrs. Knuckles that the City is considering widening Flint Street between Chestnut Street and Magnolia Avenue when funds can be made available and that "no parking" signs were installed on the west side of Flint Street when the bridge was closed to alleviate any problems of increased traffic.

After discussion, the City Manager said he would take another look at the problem on Flint Street and give Council another report, which would also be given to Mrs. Knuckles.

Mrs. Knuckles said she felt this was an urgent matter and that Council should do something to eliminate future wrecks in the area before the widening of Flint Street.

INVOCATION

The invocation was given by Councilman Larry McDevitt.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 10, 1981, meeting.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the meeting of December 17, 1981, were approved as submitted.

RECOGNITION OF JOHN HAYES AND LESLIE ANDERSON - PARKS AND RECREATION

2. Ray Kisiah, Director of Parks and Recreation, recognized Leslie Anderson, Superintendent of Recreation, and John Hayes, Recreation Center Director for the Hillcrest Center, for receiving an award from Governor Hunt for the Hillcrest Enrichment Program and the highest designation of appreciation for the center director.

Mr. Kisiah invited members of Council to the tree lighting ceremony at the Hillcrest Center on December 23, 1981, at 3:30 P.M.

Councilman Wilkes requested that a resolution/award be presented to Mr. Hayes from the Asheville City Council for his receiving the Governor's highest award for the center director.

PRESENTATION - PETITION RELATIVE TO INCREASED TRAFFIC ON FLINT STREET

3. Mrs. Nola Knuckles presented a petition to Council relative to the increased traffic on Flint Street due to the closing of the Chestnut Street Bridge. The petition requested that a traffic light be installed at the corner of Magnolia and Flint Streets.

The City Manager said that he had been in contact with Mrs. Knuckles relative to the problems of increased traffic on Flint Street. He read the following memorandum from Mr. Paul Dutcher, Traffic Engineer, relative to the traffic signal request at Flint Street and Magnolia Avenue.

ditional bid and is subject to prior sale. Recommend award to Apple Tree Chevrolet for one (1) Chevrolet CS10603 based on lowest energy efficient cost at \$7,408.38 total.

Section V-(A) 3 ½ Ton Pickup Trucks (for Water & Sewer)
and (B) 1 ½ Ton Pickup Truck (for Fire Department)

Bids for this section were invited in two parts due to minor variations in equipment options. In section V-A, Apple Tree Chevrolet submitted the low base bid and lowest energy efficient cost for three trucks for Water & Sewer Department.

In Section V-B, Dorato Motors/Dodge submitted the lowest base bid. This unit was bid with unapproved exceptions and does not meet specifications for gross vehicle weight and axle weights. Apple Tree Chevrolet's bid in Section V-B for a Chevrolet truck with EPA mileage of 22 MPG has a \$981.28 lower energy efficient cost than the Dodge truck with an EPA mileage of 17 MPG. Based on considerations of standardization considerations, compliance with specifications and energy cost, recommend award to Apple Tree Chevrolet for three ½ ton Chevrolet pickup trucks at \$7,554.89 each and one ½ Chevrolet pickup at \$7,422.29, total \$30,086.96.

Section VI - (A & B) Six Sub-compact Automobiles (Water & Sewer)

Bids in this section were invited in two parts due to minor differences in specifications. In both parts Apple Tree Chevrolet submitted the base low bid and lowest energy efficient cost. Recommend award to Apple Tree Chevrolet for (A) five Chevette sub-compact automobiles at \$5,370.00 and (B) one Chevette sub-compact automobile at \$5,945.45, total \$32,795.45.

Recommendation Summary by Bidder:

Dorato Chrysler-Plymouth	Section I and III	Total \$126,381.20
Apple Tree Chevrolet	Sections IV, V, VI	Total \$ 70,290.79.

Powell Ball, Fire Chief; Fred Hensley, Police Chief; William DeBruhl, Director of Water & Sewer Services; David Pruett, Superintendent of Motor Transport have reviewed the bids appropriate to each activity and all concur with these recommendations.

Sufficient funds for these purchases are available in Revenue Sharing Funds, Police Department and Fire Department activities and Water Fund, Water and Sewer activities.

Councilman Pless recommended that the awarding of these bids be tabled until the January 7, 1982, meeting because he was not familiar with the need or the funds for this purchase and he felt he needed additional time to study the matter before voting on the issue.

After discussion, it was the consensus of Council, that Council members be given two weeks notice before any bid items were placed on the agenda unless the bid items were on an emergency basis.

Councilman McDevitt said it concerned him that the City must go into their fund balance for such purposes. He said he would be reluctant to approve any expenditure with the present unsound fiscal conditions. He said

Councilman McDevitt said he did not think a traffic count is the only issue relevant to the problem of installing a traffic light at Flint Street and Magnolia Avenue. He said if the intersection is dangerous because of visibility, a traffic light might be cheaper to install than the widening of Flint Street.

Councilman Wilkes requested that the Traffic Engineer look at the situation again and bring photographs to Council of the location for them to review.

BIDS - THREE DIESEL POWERED DUMP TRUCKS

4. Consideration was given to bids received November 17, 1981, for three diesel powered dump trucks.

The City Manager presented the bids stating that four bids were received. Recommendation of acceptance of the low bid submitted by Apple Tree Chevrolet, Incorporated in the amount \$76,712.68. Sufficient funds for this purchase are available in the Revenue Sharing Funds, Public Works activity and Water and Sewer Department appropriations.

Councilman Wilkes moved to accept the low bid submitted by Apple Tree Chevrolet for the three diesel powered dump trucks. This motion was seconded by Councilwoman Frank, which motion carried with Councilman McDevitt abstaining due to his being an attorney and representing the low bidder.

BIDS - AUTOMOBILES AND LIGHT TRUCKS

5. Consideration was given to bids received November 20, 1981, for automobiles and light trucks.

The City Manager presented the bids stating that five bids were received.

The following award recommendations are submitted for consideration:

Section I - 12 each Police Type Automobiles

Dorato Chrysler-Plymouth submitted both the low bid and lowest energy efficient cost. Recommend to award to Dorato Chrysler-Plymouth to furnish 12 Plymouth Gran Fury at \$9,173.75 each, total \$110,085.00.

Section II - Deleted from original bid request.

Section III - 2 each Mid-sized Automobiles (for Police)

Dorato Chrysler-Plymouth submitted both the low base bid and lowest energy efficient cost. Recommend to award to Dorato Chrysler-Plymouth to furnish 2 Plymouth Gran Fury at \$8,148.00, total \$16,296.20.

Section IV - 1 each Sub-Compact Pick-up Truck (for Police)

The low base bid was submitted by Matthews Motors for Ford Courier with EPA mileage of 20 MPG. Lowest energy efficient cost is, however, for Chevrolet (S-10) CS10603, bid by Apple Tree Chevrolet with EPA mileage of 25 MPG. During life of vehicle Chevrolet unit is expected to cost \$227.48 less than Ford unit. Matthews Motors bid is also a con-

Councilman Myers moved to table Item No. 5 relative to approving a budget amendment until January 7, 1982. This motion was seconded by Councilman McDevitt and carried unanimously.

RESOLUTION NO. 81-269 - RESOLUTION DECLARING CERTAIN HOLIDAYS AS FREE PARKING DAYS FOR DOWNTOWN ASHEVILLE

8. Consideration was given to a resolution declaring certain holidays as free parking days for downtown Asheville.

The City Manager read the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilman Myers, Resolution No. 81-269 was unanimously adopted.

Complete text of Resolution No. 81-269 will be found in Resolution Book No. 13 at page 121.

RESOLUTION NO. 81-270 - RESOLUTION ACCEPTING KENILWORTH KNOLL DRIVE AS A CITY-SYSTEM STREET

9. Consideration was given to a resolution accepting Kenilworth Knoll Drive as a City-system street.

The City Manager read the resolution which stated that the developers and owners of property along Kenilworth Knoll Drive have requested that the City of Asheville accept Kenilworth Knoll Drive as a city-system street. Kenilworth Knoll Drive has been constructed in accordance with the street standards of the City of Asheville. The Director of Public Works has inspected the street and recommends it for acceptance for a city-system street.

Upon inquiry of Councilman McDevitt, the City Manager said this was a new street developed by the developers in the area and the City did not fund any of the improvements in the area. He said the street was constructed at the City's specifications and it had previously been agreed that the City would take over the street.

Upon inquiry of Councilman McDevitt, the City Manager said it is not necessarily a standard City policy to take over streets that are constructed under City specifications. He said all factors are considered and the decision to take over the streets vary.

Upon inquiry of Councilman McDevitt, the City Manager said the City would benefit by taking over the street through Powell Bill funds and developments in the area.

A discussion was held, upon inquiry of Councilman Pless, relative to a sewer problem along Kenilworth Knoll Drive. Mr. Pless said that he had heard of some problems relative to the sanitary sewer in that area.

The City Manager advised Councilman Pless that he would check into this problem.

he would like to be able to work on the City's budget to eliminate using the fund balance. He said he personally would be very slow on approving any capital expenditures.

The City Manager suggested that he be given some direction by Council relative to budget items. He suggested that he prepare and propose an amended budget without using the fund balance to be considered on January 7, 1982. However, he said some things are needed to continue to operate the City.

Councilmen McDevitt and Myers made comments relative to their approval of the City Manager presenting proposals for a balanced budget without using the fund balance for consideration on January 7, 1982.

Councilman Pless moved to table consideration of the bids for the automobiles and light trucks until January 7, 1982. This motion was seconded by Councilman Myers and carried on a voice vote of 5-2 with Councilwoman Frank and Vice-Mayor Price voting "no."

Councilman Wilkes moved to instruct the City Manager to prepare a proposal for an amended balanced budget without using the fund balance for consideration on January 7, 1982. This motion was seconded by Councilman McDevitt and carried unanimously.

BIDS - EIGHT SNOW PLOW BLADES, FRAME AND HOIST UNITS - STREET DIVISION

6. Consideration was given to bids received December 4, 1981, to furnish the Street Division with eight snow plow blades, frame and hoist units.

The City Manager presented the bids stating that five bids were received. Recommendation of acceptance of the low bid submitted by the North Carolina Equipment Company in the amount \$10,936. Sufficient funds for this purchase are available in the Revenue Sharing Fund - Street Division Activity Account 50-427-074.

Councilwoman Frank moved to accept the low bid submitted by North Carolina Equipment Company for the eight snow plow blades, frame and hoist units. This motion was seconded by Councilman Wilkes and carried on a voice vote of 6-1, with Councilman McDevitt voting no.

Councilman Pless questioned why the City is bidding on snow plows in the middle of December. He said he felt that the bids should be awarded in the summer instead of waiting until the middle of winter.

BUDGET AMENDMENT - AMENDING OPERATING BUDGET REAPPROPRIATING FUNDS TO FISCAL YEAR 1981-82

7. Consideration was given to a motion approving a budget amendment amending the City of Asheville Operating Budget as follows:

The City Manager, in light of the motion previously adopted to submit an amended budget, recommended that this item be tabled.

General Statutes which provides that a municipality may dispose of personal property valued at less than \$5,000 for any one item or group of similar items through private negotiation and sale.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 81-272 was unanimously adopted.

Complete text of Resolution No. 81-272 will be found in Resolution Book No. 13 at page 124.

COUNCIL MEETING FOR DECEMBER 24 AND DECEMBER 31, 1981 - CANCELLED

Councilman Wilkes moved that there be no council meeting on December 24 and December 31, 1981, and the next regular council meeting be scheduled for January 7, 1982. This motion was seconded by Councilman Myers and carried unanimously.

CLAIMS - MELVIN LUTHER - FARAN PORSHIA - ROGER HERR - MEDITERRANEAN RESTAURANT - MRS. G. H. BAUGH

The City Manager presented claims from Melvin Luther, Faran Porshia, Roger Herr, and Mediterranean Restaurant.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 81-273 - RESOLUTION APPOINTING COUNCILWOMAN MARY LLOYD FRANK TO THE BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND

Consideration was given to a resolution appointing Councilwoman Mary Lloyd Frank to the Board of Trustees of the Asheville Policemen's Pension and Disability Fund.

The City Manager read the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 81-273 was unanimously adopted.

Complete text of Resolution No. 81-273 will be found in Resolution Book No. 13 at page 125.

SCHEDULING OF A PUBLIC HEARING - FERNWOOD APARTMENTS

Vice-Mayor Price moved to schedule a public hearing relative to the group development of the Fernwood Apartments for January 14, 1982. This motion was seconded by Councilman McDevitt and carried unanimously.

SCHEDULING OF A PUBLIC HEARING - SUNRISE MANOR - GROUP DEVELOPMENT

Vice-Mayor Price moved to schedule a public hearing relative to the group development plan for the Sunrise Manor for January 14, 1982. This motion was seconded by Councilman McDevitt and carried unanimously.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 81-270 was unanimously adopted.

Complete text of Resolution No. 81-270 will be found in Resolution Book No. 13 at page 122.

RESOLUTION NO. 81-271 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO ENTER INTO AN AGREEMENT WITH THE ASHEVILLE AREA CHAMBER OF COMMERCE FOR PARTICIPATION IN THE 1982 WESTERN NORTH CAROLINA GOLF CLUB

10. Consideration was given to a resolution authorizing the Director of Parks and Recreation to enter into an agreement with the Asheville Area Chamber of Commerce for participation in the 1982 Western North Carolina Golf Club.

The City Manager read the resolution stating that the Western North Carolina Golf Association is a non-profit organization under the sponsorship of the Asheville Area Chamber of Commerce. The purpose of which is the promotion of golf in the Western North Carolina area. The Western North Carolina Golf Association each year offers for sale a Western North Carolina Golf Club card which allows the purchaser to play one round of weekend golf or two rounds of weekday golf at each participating course. The proceeds from the sale of the golf club cards are channeled directly into advertising and promoting golf courses in the Western North Carolina area through golf magazines and a mountain golf brochure. The Asheville Municipal Golf Course participated in the 1981 club card and would benefit from the promotion of play through the 1982 golf club card. The City of Asheville recognizes the Asheville Municipal Golf Course as an asset in the promotion of golf, recreation, and tourism to the Asheville and Western North Carolina area. This resolution will authorize the Director of Parks and Recreation to sign an agreement with the Chamber of Commerce and Western North Carolina Golf Association for the inclusion of the Asheville Municipal Golf Course in the 1982 golf club card.

Upon motion of Councilman Wilkes, seconded by Councilwoman Frank, Resolution No. 81-271 was unanimously adopted.

Complete text of Resolution No. 81-271 will be found in Resolution Book No. 13 at page 123.

RESOLUTION NO. 81-272 - RESOLUTION AUTHORIZING THE MOTOR TRANSPORT SUPERINTENDENT TO DISPOSE OF PROPERTY BY PRIVATE SALE AT A NEGOTIATED PRICE

11. Consideration was given to a resolution authorizing the Motor Transport Superintendent to dispose of property by private sale at a negotiated price.

The City Manager read the resolution stating that the Motor Transport Division of the City of Asheville has approximately 100 used tires for which the city has no use. The Motor Transport Superintendent is hereby authorized to dispose of the property herein identified by private sale at a negotiated price, pursuant to Article 12 of Chapter 160-A of North Carolina

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilmen Joe Pless, Larry McDevitt, and Gordon Myers, Corporation Counsel William C. Moore, City Manager Ken Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman H. C. Wilkes

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 17, 1981, meeting.

Mayor Trantham requested that the minutes on page 335 be amended by changing the voice vote on the motion to table consideration of the bids for the automobiles and light trucks until January 7, 1982, from a vote of 5-2 to a 4-3 vote, Mayor Trantham voting "no."

Vice-Mayor Price moved that the minutes be approved with the noted change by Mayor Trantham. This motion was seconded by Councilman McDevitt and carried unanimously.

PUBLIC HEARING - AMENDING ORDINANCE NO. 322 - BOARD OF ADJUSTMENT

ORDINANCE NO. 1256 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS, "AN ORDINANCE PROVIDING FOR THE ZONING FOR THE CITY OF ASHEVILLE" AS AMENDED, TO DECREASE THE REGULAR MEMBERSHIP OF THE BOARD OF ADJUSTMENT AND TO PROVIDE FOR ALTERNATE MEMBERS

2. A public hearing was held relative to amending Ordinance No. 322, to decrease the regular membership of the Board of Adjustment and to provide for alternate members.

Mayor Trantham opened the public hearing at 4:20 P.M.

The City Manager presented the notice to the public setting the date and time for the public hearing and the affidavit of publication.

Verl Emrick said the proposed amendment would provide for the Board of Adjustment to consist of four members appointed by the City Council for a term of three (3) years and one member who is a resident of the extraterritorial area appointed by the County Commissioners for a term of three (3) years. There shall also be appointed seven (7) alternates, five who are City residents appointed by the City Council and two (2) appointed by the County Commissioners who are residents of the extraterritorial area. The present ordinance provides that the Board consist of nine or more members

efforts of three of the seven current council members. Council members Wilkes, Price, and I spent two years in directing City policy to the point of budgeting the decisions made in June of 1981. And, Council members Price and I spent two years before that in applying the same conscious efforts. Our purpose in making the budget decisions of the past were to maintain city growth; to maintain good working conditions for employees by providing good equipment, training, uniforms, and salaries and fringe benefits competitive with local industry and cities of like size; to make orderly change through such things as the City/County Water Agreement, the Airport Authority, Pack Square Improvements, the Economic Development Program, and so on; to maintain our role as the leading city west of Charlotte; to maintain our role as a tourist/convention center; and finally, to provide services citywide on an equal basis in a productive and efficient manner.

A budget is an annual plan based on actions of previous councils and managers, plans of the current council and staff, and as best as possible, anticipation of future events. All of the elements of the budget, purposes, goals, and objectives of the Council must be considered. And, while the prior budgeting of amounts in excess of one million dollars in fund balance has been budgeted and is a factor, it is not the only factor to consider. I felt our judgement was right in June, and I feel it is right now. And, just to point this out personally - in all of my 15 years in public office, I never voted or supported an ad valorem tax increase until this year.

The individual opinions of each council member are important. However, our main goal should be to work together in a unified way for the future of the City of Asheville.

We need to turn our attention to deciding on a program of work and stick to it and we need to turn our attention to matters that can effect improved services without layoffs and principally through the method of attrition for personnel reductions. We need to increase our sources of revenues, maintain a strong economic development program and continue programs for good working conditions and fringe benefits.

We are in a major transition period in terms of the effects of the Water Agreement, recommendations of the Asheville-Buncombe Charter Commission, changes in federal and state grant programs, court actions dealing with annexation, and other major policy. Now is not the time to cause additional uncertainty on the part of residents and personnel.

My recommendation to the Council is to learn as much as you can over the next few months before the budget for 1982-83 decisions are made, and then for the 1982-83 budget, let us together make the majority decisions about the future policy of the City with regard to budget and services.

If it had not been necessary, we would not have budgeted fund balance, increased ad valorem taxes by 10¢ per \$100 valuation, or many of the other things we had to do in order to balance the budget for this year in order to maintain growth and positive direction of City activities. My recommendation is that we live within the budget currently set by the former council and that we give appropriate direction to the City Manager for what the majority of the Council wants for the 1982-83 budget. We need to take this action for stability, resident/staff moral, and continuity of service. Therefore, I will relinquish my seat as Mayor and turn the presiding responsibility over to

appointed by the City for a term of three years and two or more members not to exceed four members who are residents of the extraterritorial area appointed by the County Commissioners for a term of three years.

Mr. Emrick said this amendment is being proposed due to the fact that the Board of Adjustment has numerous meetings and there is a problem obtaining a quorum for the meetings. He said the Planning and Zoning Commission had reviewed the suggested amendment and had recommended that the ordinance be amended.

J. E. Johnson, Director of Inspections Division, said the amendment would allow the Board of Adjustment to provide better service by being able to obtain quorums for their meetings.

Mayor Trantham closed the public hearing at 4:25 P.M.

Mr. Emrick read the proposed ordinance.

Vice-Mayor Price moved for the adoption of Ordinance No. 1256. This motion was seconded by Councilwoman Frank.

Councilman McDevitt offered an amendment to the Ordinance in the last sentence of Section 1 adding the words "and vote" making the sentence read "the alternate members shall serve and vote only in the absence of a regular member." Vice-Mayor Price and Councilwoman Frank accepted Councilman McDevitt's amendment to the ordinance.

On a roll call vote of 6-0, Ordinance No. 1256, passed on first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1256. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1256, passed on second reading.

CONSIDERATION OF THE 1981-82 BUDGET

3. Consideration was given to the 1981-82 Budget.

Mayor Trantham read the following memorandum:

MEMORANDUM TO: Members of the Asheville City Council
FROM: Roy M. Trantham, Mayor
DATE: January 7, 1982
SUBJECT: The 1981-82 Budget

At the December 17, 1981, Council Meeting it was voted on by the Council for the City Manager to prepare an amended balanced budget for our consideration on January 7, 1982, without using fund balance. After giving some very serious thought to the action of the Council on December 17th, I personally find the action taken as a "lack of confidence vote" against the

Councilman Pless said he would also like to hear the report from the City Manager as requested at the December 17, 1981, meeting.

In a discussion it was apparent that if motions were brought to a vote they would result in a 3-3 tie and Councilman McDevitt requested that before calling the question the City Manager give his report on how he could balance the budget without using the fund balance.

The City Manager said his recommendation would be to make an initial payment to the General Fund from the Water Fund in the amount of \$447,467. This \$447,467 was the amount of General Fund, fund balance appropriated as of November 30, 1981, and would represent a payment to the City on an \$800,000 debt owed to the General Fund which was not taken into consideration at budget time, but was pointed out in the audit report. He said that this would cover all of the General Fund - Fund balance appropriated as of November 30, 1981, and there would be an additional million in the fund balance account that the City used for cash flow. He reminded Council that back in June when Council passed the budget the City department heads and the City Manager committed themselves to reducing budgeted expenses by \$422,000 or 2.5% of the Fiscal Year 1981-82 budget, an amount of \$422,000 below that which was appropriated by the Council and that which was recommended by the city auditor. He said that if the staff sticks to what they committed themselves to back in June and the City does not exceed the use of fund balance by \$447,467 the City will only use about \$25,000 of the fund balance. He said the items of budget cuts were not specifically identified but each department would be on their own to make the cuts. He said that the staff can affect other budget changes when the Council decides on a program of work for the future and the staff knows which services are to be increased or decreased and they know the level of funding the City Council will authorize. He said a great deal of time had been spent in establishing foundation of good government through personnel programs and modern management techniques and the City is meeting a variety of special conditions for which they have no control over. He said five or six years ago the City of Asheville had a personnel turnover rate of 30 to 40% and now the turnover is about 13%. He said his recommendation is that Council not make any major policy or budget changes at this time but that the City work toward these changes for the 1982-83 budget. He said the staff would be starting the 1982-83 budget at the departmental level in about one week.

Councilwoman Frank said she was more interested in the economics in the 1982-83 budget rather than adjusting the 1981-82 budget.

Councilman Myers said the motions made at the December 17, 1981, meeting relative to requesting proposed recommendations by the City Manager was a reaction from a budget session held with the new council members. He said the City Manager had made a strong point about the fund balance being very low. He said during that budget session the members of Council were told that the fund balance should carry one month's operation for the City or 2½ million dollars. He said the members of Council were reacting to the information given to them by the City Manager.

After a lengthy discussion relative to the budget recommendations by the City Manager, Mayor Trantham requested a roll call vote on his motion.

Vice Mayor Price in order to make the following motions and stabilize the continuity of service planned for the City of Asheville:

1. That the Council will follow the budget plan approved by Ordinance No. 1224 on June 25, 1981, Unless by majority vote of the Council one or more particular items are changed or amended by formal council action.
2. That the City Manager, Ken Michalove; City Clerk/Associate City Manager, Bill Wolcott; and Corporation Counsel, Bill Moore directly appointed by the City Council hereby receive a vote of reappointment by resolution by the Council, and that they will continue in their positions through the term of this City Council unless some separate action is taken with regard to anyone or all of these individuals by a majority of the Council.
3. That we not ask the City Manager to make a revised budget recommendation as previously requested.

I will submit these motions and/or resolutions separately and ask the City Clerk to call for a roll call vote on each item.

Mayor Trantham said that he had visited Councilman H. C. Wilkes at the hospital and Councilman Wilkes had requested that the following statement be read into the minutes:

"I strongly urge the Council to pass the resolution confirming Ken Michalove, City Manager; Bill Wolcott, City Clerk; and Bill Moore, Corporation Counsel; and further that we accept the Mayor's other recommendations."

This statement was signed by Councilman H. C. Wilkes.

Mayor Trantham then turned the meeting over to Vice-Mayor Price to preside and made the following motion. "That the Council will follow the budget plan approved by Ordinance No. 1224 on June 25, 1981, Unless by majority vote of the Council one or more particular items are changed or amended by formal council action." This motion was seconded by Councilwoman Frank.

Councilman Myers asked if this action was a result of information requested from the December 17, 1981, meeting for the City Manager to prepare a proposal for an amended balanced budget without using the fund balance.

Councilman McDevitt said he had only requested information on the 1981-82 budget and recommendations for a balanced budget without using the fund balance. He said he would like to hear the City Manager's recommendations relative to a balanced budget without using the fund balance before voting on any motions made by Mayor Trantham.

Councilman Myers said that he felt the information requested at the December 17, 1981, meeting was needed, and that he would like to hear the report from the City Manager.

BIDS - AUTOMOBILES AND LIGHT TRUCKS

5. Consideration was given to bids received November 20, 1981, for automobiles and light trucks.

The City Manager presented the bids and the recommendations.

Vice-Mayor Price moved to award section (1)-12 each police type automobiles and section (3)-2 each mid-sized automobiles for the police department to Dorato-Chrysler Plymouth. This motion was seconded by Councilwoman Frank and carried unanimously.

Vice-Mayor Price moved to award section (4)-1 each sub-compact pick up truck for the Police Department and section (5)-3 ½ ton pick up trucks for the Water and Sewer Department and 1-½ ton pick up truck for the Fire Department and section (6)-6 sub-compact automobiles for the Water and Sewer Department to Apple Tree Chevrolet. This motion was seconded by Councilwoman Frank and carried on a 5-0 vote. Councilman McDevitt requested that the minutes reflect that he did not vote on sections 4, 5, and 6 due to a conflict of interest.

RESOLUTION 82-1 - RESOLUTION OF APPRECIATION AND COMMENDATION TO LUTHER B. ANDERSON, SR.

6. Consideration was given to a resolution of appreciation and commendation to Luther B. Anderson, Sr.

The City Manager read the resolution.

Upon motion of Councilman Myers, seconded by Councilwoman Frank, Resolution No. 82-1 was unanimously adopted.

Complete text of Resolution No. 82-1 will be found in Resolution Book No. 13 at page 126.

REPORT TO COUNCIL - FLINT STREET TRAFFIC CONTROLS

7. In response to a complaint made by Mrs. Nola Knuckles at the December 17, 1981, meeting, Paul Dutcher, Traffic Engineer, reviewed his memorandum relative to this issue which was presented at the December 17, 1981, meeting. He said he had, at the request of Council, made a further investigation of this intersection and the only recommendation he would have would be to restrict parking on both sides of Flint Street from Chestnut Street to Magnolia.

After discussion, Council instructed the Traffic Engineer to install "No Parking Here to Corner" Signs at this intersection and to yellow line the curbs, indicating no parking at the intersection. The City Manager said he would also have the Police Department watch for parked vehicles at this intersection.

PRE-COUNCIL MEETINGS TO BE HELD IN COUNCIL CHAMBERS

Councilman Pless moved that the pre-council meetings be held in the Council Chambers instead of the Council conference room and the Executive Sessions of Council be held in the Council conference room. This motion was seconded by Councilman Myers and carried unanimously.

Councilman McDevitt asked Mayor Trantham to reconsider his motion in view of the discussion held relative to the budget.

Mayor Trantham said that he would like the roll call vote on the motion recorded in the minutes.

On a roll call vote of 3-3, Mayor Trantham's motion failed with Councilman Pless, Councilman McDevitt, and Councilman Myers voting "no" and Mayor Trantham, Vice-Mayor Price, and Councilwoman Frank voting "yes."

It was the consensus of Councilman Pless, Councilman McDevitt, and Councilman Myers that the 1981-82 budget has been adopted and no further action is necessary at this point in time.

The City Manager said that in the absence of a specific vote by the Council he would advise the department heads to proceed with their budget as approved in June, 1981.

Mayor Trantham then read a resolution reappointing Kenneth M. Michalove as City Manager, William F. Wolcott, Jr., as City Clerk, and William C. Moore as Corporation Counsel and moved that the resolution be adopted. This motion was seconded by Councilwoman Frank.

A discussion followed which indicated that it was the consensus of Councilman Myers, Councilman McDevitt, and Councilman Pless that the resolution is not appropriate for discussion due to the fact that the three individuals in their present positions serve at the pleasure of Council and no action is needed.

After discussion Mayor Trantham offered a substitute motion postponing action on the resolution until all seven members of Council were present. This motion was seconded by Councilwoman Frank and on a voice vote carried with 4 "aye" votes and 2 "abstentions."

BUDGET AMENDMENT - CITY OF ASHEVILLE OPERATING BUDGET - GENERAL FUND

4. Consideration was given to a motion approving a budget amendment amending the City of Asheville Operating Budget as follows:

- A. General Fund - This budget amendment is to reappropriate funds to Fiscal Year 1981-82 which were encumbered, but not spent, in Fiscal Year 1980-81. A total of \$257,224 was committed by purchase order to be spent in 1980-81. However, the goods ordered were not received and funds were not spent until the current fiscal year. The \$257,224 will come from fund balance left over in the General and Water and Sewer Funds at the end of Fiscal Year 1980-81.

The City Manager presented the budget amendment.

Vice-Mayor Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman McDevitt and carried unanimously.

needed for specifications on a new roof for the Reid Recreation Center, formally the Livingston Street School. He said a resolution relative to the professional services contract would be on the agenda for City Council consideration on January 14, 1982.

DISCUSSION - RESOLUTION REGARDING FEDERAL GRANTS

The Council requested that that City Manager prepare a resolution for Council's consideration regarding support of continuation of federal grants.

REPORT ON PEST CONTROL CONTRACT

At the request of the City Manager the Corporation Counsel, responding to a complaint relative to bids awarded for pest control services for the City Building, said since the bids had already been awarded it was his opinion that the City would be liable for a lawsuit if this contract was rescinded.

The City Manager said the Council, if they so desired, could change the procedure that the City staff follows in awarding such bids.

COUNCIL COMMITTEE ASSIGNMENTS

The City Manager presented Council with a memorandum relative to City Council Committee assignments and stated that further discussion on this matter would be held at the January 12, 1982, work session.

SCHEDULING OF PUBLIC HEARING - KENILWORTH MORATORIUM

The City Manager advised that the present ordinance imposing a moratorium on development in the Kenilworth area expires on February 3, 1982. He said if Council wanted to extend the moratorium a public hearing would have to be held relative to this matter.

Vice-Mayor Price moved to schedule a public hearing relative to imposing a moratorium on development in the Kenilworth area for January 28, 1982. This motion was seconded by Councilman McDevitt and carried unanimously.

ADJOURNMENT

Mayor Trantahm adjourned the meeting at 6:45 P.M.

Joseph M. Trantahm
MAYOR

William J. Macaulay
CITY CLERK

ORDINANCE NO. 1256 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS, "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED, TO DECREASE THE REGULAR MEMBERSHIP OF THE BOARD OF ADJUSTMENTS AND TO PROVIDE FOR ALTERNATE MEMBERS

5. Consideration was given to the third reading of Ordinance No. 1256, an ordinance amending Ordinance No. 322 known as, "an ordinance providing for the zoning of the City of Asheville" as amended, to decrease the regular membership of the Board of Adjustment and to provide for alternate members.

Mayor Trantham said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1256 passed on third and final reading.

Complete text of Ordinance 1256 will be found in Ordinance Book No. 9 at page 299.

RESOLUTION NO. 82-2 - RESOLUTION AUTHORIZING THE CITY MANAGER TO RENEW THE AGREEMENT WITH JOHN J. SHORT, SR., FOR THE OPERATION OF A SNACK SHOP IN THE CITY BUILDING

6. Consideration was given to a resolution authorizing the City Manager to renew the agreement with John J. Short, Sr., for the operation of a snack shop in the City Building.

The City Manager read the resolution stating that the City of Asheville has leased an area of the City Building on the first floor to John J. Short, Sr., for the operation of a snack shop since May 26, 1977, and the operation of this snack shop has been satisfactory. This resolution will authorize the City Manager to extend the lease agreement with John Short for the operation of said snack shop.

Upon motion of Vice-Mayor Price, seconded by Councilman Pless, Resolution No. 82-2 was unanimously adopted.

Complete text of Resolution No. 82-2 will be found in Resolution Book No. 13 at page 127.

BUDGET AMENDMENT - CITY OF ASHEVILLE OPERATING BUDGET

7. Consideration was given to a motion approving a budget amendment amending the City of Asheville Operating Budget as follows:

- A. Community Development - This budget amendment in the amount of \$240,000 represents the disposition proceeds from the sale of certain right-of-way parcels in the East Riverside Redevelopment area to the North Carolina Department of Transportation. \$120,000 of these proceeds will be transferred to the Community Development account for the Ashland/McDowell Street Improvements and the remainder will be designated for development in the Depot Street area.

Mayor Trantham opened the public hearing at 4:23 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carl Ownbey from the Planning Department said the Asheville Planning and Zoning Commission at its June 3, 1981, meeting reviewed the site plan for the proposed "Sunrise Manor" Townhouses to be located off Melrose Avenue and Central Avenue. After discussion the Commission recommended approval of the project subject to the following conditions: 1) compliance with the Erosion Control Ordinance; 2) submission of a landscaping and buffering plan; 3) approval of plan by the North Carolina Department of Human Resources and; 4) agreement with adjacent property owners concerning access to the site and maintenance of the road.

Mr. Ownbey said this project would be in two phases with the first phase consisting of five townhouses and the second consisting of seven townhouses. He said the entrance way would be through Wildwood Street which also has the Foxfire Apartments on this particular street. He said it was his understanding that right-of-way agreements had been worked out for the use of Wildwood Street with the owners of the Foxfire Apartments.

By the use of a map, Mr. Ownbey showed the location of the proposed site plan.

He said parking would be sufficient and the developer would comply with the buffering requirements in the zoning ordinance.

Mr. William F. Wolcott, III, representing Mrs. Barfield, the owner of Foxfire Apartments on Wildwood Street, said his client has signed an agreement for common maintenance of the road but had not actually signed an easement for the road. He said Mrs. Barfield was concerned relative to the density of the use of the property and wanted to be assured that a good buffer zone would be required.

Mark Carlson, the developer, showed the proposed design of the townhouse to members of Council.

He said the townhouses is an alternative to condominiums in the City of Asheville. He said the values of the homes would exceed the average home value and would bring about three-quarters of a million dollar tax base to the City of Asheville. He said deed restrictions would be placed upon the property owners. He said he was just as concerned about the buffer requirements as Mrs. Barfield and would comply with all zoning regulations relative to buffering.

Mayor Trantham closed the public hearing at 4:38 P.M.

Councilman McDevitt moved to approve the site plan of the proposed "Sunrise Manor" Townhouses subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilwoman Frank and carried unanimously.

Mr. Ownbey said this project has been delayed pending the installation of the Reed Creek sewer line which the developer would have to tie into.

After discussion relative to the developer using the Reed Creek sewer line Councilman McDevitt moved to approve the final subdivision plat for "Shangri-La." This motion was seconded by Councilwoman Frank and carried unanimously.

Councilman McDevitt said he made his motion with the understanding that the City have simple safeguards relative to the developer being required to tie into the Reed Creek sewer line.

APPROVAL OF THE CONSENT AGENDA

10. The City Manager said the following items are of routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 82-4 - Resolution authorizing the Mayor to enter into an agreement with the West Asheville Merchants Association for the installation of bus stop pads and benches at Patton Avenue and Louisiana Avenue and Patton Avenue and Florida Avenue.

HIGHLIGHTS: The West Asheville Merchants Association has requested the City of Asheville to install bus stop pads and benches at the intersection of Patton Avenue and Louisiana Avenue and Patton Avenue and Florida Avenue. The City of Asheville is willing to perform the work with the understanding that the West Asheville Merchants Association will agree to assume responsibilities to include the cost of installation and maintenance. This resolution will authorize the Mayor to execute an agreement between the City of Asheville and the West Asheville Merchants Association for the installation and maintenance of the bus stop pads and benches.

Resolution Book No. 13 at page 129.

- B. Resolution No. 82-5 - Resolution authorizing the Mayor to execute an encroachment agreement with the North Carolina Department of Transportation for the installation of bus stop pads and benches with the right-of-way of US 19-23.

- 250
- B. **General Fund** - This budget amendment in the amount of \$2,250 is to provide funding for revisions to the Asheville City Charter and City of Asheville Code of Ordinances by the Municipal Code Corporation to bring the Charter and Code up-to-date with N. C. General Statutes.

The City Manager presented the budget amendments.

Councilwoman Frank moved to approve the budget amendments as presented by the City Manager. This motion was seconded by Councilman McDevitt and carried unanimously.

RESOLUTION NO. 82-3 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO SECURE CONSULTANT ASSISTANCE FOR MEMORIAL STADIUM AND REID MEMORIAL RECREATION CENTER

8. Consideration was given to a resolution authorizing the Director of Parks and Recreation to secure consultant assistance for Memorial Stadium and Reid Memorial Recreation Center.

The City Manager read the resolution stating that there are serious structural problems at Memorial Stadium and a need for a new roof and other assistance at the Reid Memorial Recreation Center. This will permit the Director of Parks and Recreation to secure professional assistance to solve these problems.

Upon inquiry of Councilman McDevitt, Mr. Kisiah, Director of Parks and Recreation said these services were only for professional assistance and recommending what needed to be done for these facilities. He said any contract let for the work would be approved by Council.

Councilwoman Frank suggested that Mr. Kisiah contact Mr. Michael Crane with the Buncombe County Energy Coordinator relative to the roof for the Reid Memorial Recreation Center.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 82-3 was unanimously adopted.

Complete text of Resolution No. 82-3 will be found in Resolution Book No. 13 at page 128.

SUBDIVISION PLAT - "SHANGRI-LA"

9. Consideration was given to a motion to approve final subdivision plat for "Shangri-La."

Carl Ownbey of the Planning Department said that final plat was prepared by Ray E. Anders, R.L.S., for J. V. Corbin, Developer. The plat in preliminary form was approved by the Asheville Planning & Zoning on April 2, 1980, subject to the manhole on Lot #5 and #6 and being cast iron to allow construction of this lot. The final plat incorporates this change, and is now in compliance with the Subdivision Regulations.

study. At a meeting held on December 2, 1981, the Asheville Planning and Zoning Commission unanimously voted to report to City Council that it reaffirms its earlier recommendation that Ward 6, Sheet 17, Lots 70, 70 3/4, 84, and 86 be rezoned from R-3 Residential District to CH Commercial Highway District, and that no further rezoning toward Hazel Mill Road is warranted at this time.

- F. Motion to continue the public hearing relative to the group development plan of "Sugartree" Apartment Complex to be located in Kenilworth for February 4, 1982, without further advertisement.

HIGHLIGHTS: This public hearing was continued at the November 19, 1981, City Council meeting.

- G. Motion to remove from the table for further discussion the ordinance rezoning property in the Kenilworth area to be scheduled on February 4, 1982.

HIGHLIGHTS: This public hearing was continued at the November 19, 1981, City Council meeting.

- H. Resolution No. 82-6 - Resolution authorizing the Motor Transport Superintendent to dispose of property by private sale at a negotiated price.

HIGHLIGHTS: The Motor Transport Division of the City of Asheville has approximately 100 used tires for which the City has no use. Article 12 of Chapter 160A of North Carolina General Statutes provides that a municipality may dispose of personal property valued at less than \$5,000 for any one item or group of similar items through private negotiation and sale. This resolution will authorize the Motor Transport Superintendent to dispose of the property by private sale at a negotiated price.

Resolution Book No. 13 at page 131.

Vice-Mayor Price moved to approve the consent agenda. This motion was seconded by Councilwoman Frank and carried unanimously.

SCHEDULING OF PUBLIC HEARING - ZONING OF BINGHAM HEIGHT ANNEXATION AREA - FEBRUARY 11, 1982

11. Consideration was given to a motion scheduling a public hearing relative to zoning the Bingham Heights annexation area for February 11, 1982.

The City Manager said pursuant to G. S. 160A-360 the Asheville Planning and Zoning Commission has studied the Bingham Heights area which was annexed into the City limits in July, 1981. At its meeting on January 6,

HIGHLIGHTS: The West Asheville Merchants Association has requested the City of Asheville to install waiting pads and benches at the southeast corner of Louisiana Avenue and Patton Avenue and the southwest corner of Florida Avenue and Patton Avenue. The West Asheville Merchants Association has agreed to bear the cost of installation and maintenance of the pads and benches. The pads and benches are to be located on the right-of-way of US 19-23 (Patton Avenue) which is a State of North Carolina system street and right-of-way. This resolution will authorize the Mayor to execute an encroachment agreement with the North Carolina Department of Transportation for the purpose of installing the bus stop pads and benches.

Resolution Book No. 13 at page 130.

- C. Scheduling of a public hearing relative to rezoning property located at 235-237 East Chestnut Street for February 11, 1982.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held January 6, 1982, considered the petition of Mr. Kostas Rantzios that Ward 2, Sheet 16, Lot 148 be rezoned from R-4 High Density Residential District to CG Commercial General District. After review and discussion the Commission voted to recommend to City Council that the petition to rezone the property be approved.

- D. Scheduling of a public hearing relative to zoning the Bingham Heights annexation area for February 11, 1982, to be considered separately at the request of Ralph Bishop.
- E. Scheduling of a public hearing relative to rezoning property located on Louisiana Avenue at the request of Harold Talbert, Agent for Property Owners, from R-3 Medium Density Residential District to CH Commercial Highway District for February 11, 1982.

HIGHLIGHTS: The Planning and Zoning Commission, at its meeting held on September 9, 1981, reviewed a request of Harold Talbert, Agent for Property Owners, that Ward 6, Sheet 17, Lots 84, 70 3/4, 70, and 86 (property located on Louisiana Avenue) be rezoned from R-3 Medium Density Residential District to CH Commercial Highway District. The Commission recommended that the request be approved by the City Council. At the October 15, 1981, meeting of the Asheville City Council this request was remanded to the Planning and Zoning Commission for further

ANNOUNCEMENT - MEETING RELATIVE TO DOWNTOWN DEVELOPMENT -
JANUARY 25, 1982, - CIVIC CENTER BANQUET ROOM

The City Manager announced that due to the overwhelming interest in the meeting to be held on January 25, 1982, at 4:00 P.M. relative to the downtown development the meeting location has been changed from the Council Chamber to the Civic Center Banquet Room.

APPROPRIATION APPROVED FOR CRIMINAL INVESTIGATION - ASHE COUNTY

The City Manager said that he had a request from the County Manager from Ashe County relative to the high cost of a crane to assist someone to go in the mine shaft relative to a criminal investigation which began in the City of Asheville. He said the estimated cost for the crane was fifteen to eighteen hundred dollars and since the City is directly involved he had committed to the County Manager of Ashe County that the City would commit to \$800 of this amount. He also suggested that the organization and civic clubs help raise the \$1,800 needed. It was the consensus of Council that this investigation need to be continued for backup evidence for court convictions.

Councilman Pless said that he had approached the Asheville Optimist Club and they were positive and strong about committing part of the funds. He said however, the Board of Directors would need to be polled relative to the amount the Asheville Optimist Club would commit to. He said perhaps this would be a challenge to other civic organizations to help with these efforts to break up a drug ring or mob in the City of Asheville.

After discussion Councilman Pless moved to commit the City of Asheville in the amount of \$1,800 to help with the investigation in Ashe County and urge civic clubs and organizations to help with financing this investigation. This motion was seconded by Vice-Mayor Price and carried on a voice vote of 4-1 with Councilman McDevitt voting "no."

REQUEST BY WESLEY F. TALMAN, JR., ATTORNEY FOR LOTTIE JEAN
FLETCHER - 22 NORMANDY ROAD

Wesley F. Talman, Jr., attorney for Lottie Jean Fletcher owner of 22 Normandy Road requested that Council delay demolition of 22 Normandy Road for one week. He said Council has enacted an ordinance to demolish 22 Normandy Road and he was aware that Council had granted several request for extensions for the demolition. He said he was in the process of obtaining a contract and performance bond to restore this house however, he had been unable to complete the contracts up until now. He said the contracts and performance bond would be completed by next Thursday if Council would grant a one week extension. He said John Reed an architect and John Stewart contractor was also working on the restoration of 22 Normandy Road.

After discussion Councilman Pless moved to grant the request of Wesley F. Talman, Jr., stating that 22 Normandy Road not be demolish giving Mr. Talman until 4:00 Thursday, January 28, 1982, to present a contract with a performance bond to Council for restoration of 22 Normandy Road. He said if the contract and performance bond was not in the City Manager's office by

1982, the Commission voted unanimously to recommend the following zoning for the property (also know as Pearson Bridge Road area):

- 1) rezone from LI Light Industrial District to R-5 Residential District:

Ward 6, Sheet 31, Lot 77, 78, 79, 80, 81, 82, 132, and a portion of the Lot 133.

- 2) Zone the lots now inside the City limits to R-5 Residential District:

Ward 6, Sheet 31, Lots 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 114, 127, 128, 129, 130, 131, and the remaining portion of Lot 133.

- 3) Zone one lot now inside the City limits to LI Light Industrial District:

Ward 6, Sheet 31, Lot 126.

Ralph Bishop spoke to Council relative to lottery operations in this area.

Vice-Mayor Price moved to schedule a public hearing for the Bingham Heights zoning for February 11, 1982. This motion was seconded by Councilman McDevitt and carried unanimously.

1. Approval of the minutes of the January 21, 1982, meeting.

Councilwoman Frank asked that the minutes be amended on page 353 under Resolution No. 82-3. The amended paragraph to read as follows:

"Councilwoman Frank suggested that Mr. Kisiah contact Mr. Michael McCrain, with the Buncombe County Energy Coordinator, relative to the roof installation for the Reid Memorial Recreation Center."

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, the minutes of the meeting on January 21, 1982, were approved as amended.

PUBLIC HEARING - ADOPTION OF AN ORDINANCE IMPOSING A MORATORIUM ON CONSIDERATION OF ANY REZONING REQUEST AND ISSUANCE OF ZONING PERMITS FOR MULTI-FAMILY RESIDENTIAL USES IN THE KENILWORTH AREA

ORDINANCE NO. 1257 - AN ORDINANCE IMPOSING A LIMITED MORATORIUM ON DEVELOPMENT IN THE KENILWORTH AREA

2. A public hearing was held relative to the adoption of an ordinance imposing a moratorium on consideration of any rezoning request and issuance of zoning permits for multi-family residential uses in the Kenilworth area.

Mayor Trantham opened the public hearing at 4:10 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick, Planning Director, said the present moratorium on development in the Kenilworth area will expire on February 3, 1982. He said the proposed ordinance will allow for the extension of the moratorium on development in the Kenilworth area for 90 days.

Mr. Wesley F. Talman, Jr., attorney for Lottie Jean Fletcher, owner of 22 Normandy Road, asked if the moratorium would affect construction on 22 Normandy Road.

4:00 P.M. on Thursday, January 28, 1982, the demolition crew should move to demolish the house on Friday, January 29, 1982. This motion was seconded by Vice-Mayor Price and carried unanimously.

ADJOURNMENT

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price the meeting adjourned at 5:40 P.M.

MAYOR

William F. Holcomb

CITY CLERK

- 3) Provision of adequate buffering;
- 4) Dedication of the private road within the development; and
- 5) Changing compaction of stone on the private road from 6" to 8" to meet City standards.

Mr. Emrick said that the Council would need to grant a variance in the minimum lot size (8,000 sq. ft. is required in R-3 when property is owned in fee, as proposed here, and the average variance requested is 3,000 to 5,000 sq. ft.). He also said that the Council would need to grant a variance in the side yard setback (10 feet is required and 0 feet is requested).

Mr. Emrick said that, in his opinion, the only grounds Council has for denial of the site plan would be not granting the variances of the lot sizes and the Planning and Zoning Commission had recommended that Council approve the variances.

Mr. Emrick said that the private road dedication issue had been resolved because it was written into the deed.

Mr. James Bily, 30 Lookout Drive, spoke in opposition of the proposed group development. He said that there would be a density problem, a depreciation of property values, traffic and parking problems and low water pressure (which is evident even now).

Mr. Mark Carlson, Developer, said that each unit would have its own parking area and there would be only one entrance to each unit, thereby minimizing additional traffic problems in the area. Mr. Carlson said even with the delays he has experienced and the fact that he had not been able to take advantage of federal funding, he is still ready to move ahead with the project. He requested that Council approve the site plan.

Mr. Karsten, President of the Neighborhood Association, suggested that perhaps 5 units would be better than 6 units and that a recreation area might be included in the plans.

Upon inquiry of Vice-Mayor Price, Bill DeBruhl, Director of Water and Sewer Services, said water pressure is available and adequate before any projects are approved, regardless of whether it is a 4 or a 6-inch line (Fenner Avenue is served by a 6-inch line) and that he was not aware of any specific water problems in the area. However, he said, when a break occurs in the area, Fenner Avenue and the next street up are the first streets to go out of water.

In response to Mayor Trantham's question concerning water problems at new homes in the area, Mr. DeBruhl said some of these could be caused by problems in the service lines and these were the City's responsibility. It was noted that the residents at 22, 26, 32 and 34 Fenner Avenue are all experiencing water problems.

Mayor Trantham said the City staff would investigate the problems and if the City was responsible, the necessary repairs would be made.

Mr. Bily stated he brought a written protest to the City Clerk's office three days ago and inquired whether or not the 20% protest rule applied.

After some discussion, it was the consensus of Council to add the following sentence in item (4) of the ordinance:

- (4) That said moratorium shall not extend to individuals . . .
... prior to July 1, 1981, or for the issuance of
permits for repair or rebuilding of existing structures.

Mayor Trantham closed the public hearing at 4:23 p.m.

Mr. Emrick read the ordinance, as amended.

Vice-Mayor Price moved for the adoption of Ordinance No. 1257 as amended. This motion was seconded by Councilwoman Frank.

On a roll call vote of 6-0, Ordinance No. 1257 passed on its first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1257. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1257 passed on its second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1257. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1257 passed on its third and final reading.

Complete text of Ordinance No. 1257 will be found in Ordinance Book No. 9 on page 302.

PUBLIC HEARING - SITE PLAN - "FENNERWOOD" APARTMENTS

3. A public hearing was held relative to the site plan of the proposed "Fennerwood" Apartments.

Mayor Trantham opened the public hearing at 4:28 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick said that the Planning and Zoning Commission reviewed this proposal at its regular meeting of December 2, 1981, and at a special meeting on December 16, 1981. He said that after some discussion on this proposal and hearing from the developer and residents of the neighborhood, the Commission voted to recommend denial of the project. He said that the developer, Mark Carlson, modified this site plan and the modified version was reviewed by the Planning and Zoning Commission at its meeting on January 6, 1982. After review and discussion of the modified plan, the Commission voted to recommend approval to the City Council subject to the following conditions:

- 1) Compliance with Erosion Control Ordinance;
- 2) Approval by the N. C. Department of Human Resources;

6. Consideration was given to a resolution authorizing the Mayor to sign a grant modification agreement for the Airport Terminal Building Addition Project.

The City Manager read the resolution.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 82-7 was unanimously adopted.

Complete text of Resolution No. 82-7 will be found in Resolution Book No. 13 page 132.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT

7. Consideration was given to a motion approving a budget amendment amending the City of Asheville Operating Budget as follows:

Community Development - This budget amendment in the amount of \$6,339.00 is to close out the balances of completed projects and provide for needed funds for completion of projects.

The City Manager presented the budget amendment.

Vice-Mayor Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman McDevitt and carried unanimously.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council, may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. The City Manager stated that the resolution to be considered under this item had been deleted from the consent agenda.
- B. Resolution No. 82-8 - Resolution appointing members to the Asheville-Buncombe Community Relations Council.

HIGHLIGHTS: Mrs. Gladys B. Forney and Mr. Jesse Ray, Jr.'s terms expired on December 31, 1981, on the Asheville-Buncombe Community Relations Council. This resolution will reappoint Mrs. Forney and Mr. Ray to serve for a term of three years each, terms expiring December 31, 1984.

Resolution Book No. 13 on page 133.

- C. Resolution No. 82-9 - Resolution appointing a member to the Board of Trustees of the Firemen's Relief Fund.

Mr. Enrick read the section of the Code relative to protest petitions and said this rule would not apply in this instance.

Mayor Trantham closed the public hearing at 5:15 p.m.

Vice-Mayor Price moved to approve the site plan based on the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Myers and carried with a 5-1 vote, with Councilwoman Frank voting "no."

STATUS REPORT ON 22 NORMANDY ROAD - WESLEY F. TALMAN, JR.

4. Mr. Talman, attorney for Lottie Jean Fletcher, owner of 22 Normandy Road, said a contract had been obtained for the reconstruction of the dwelling at 22 Normandy Road. He said the contract was with Stewart Construction Company and requested that Council rescind the ordinance to demolish the property. Mr. Talman said a hold harmless provision would be included in a separate document to protect the City in the event, for any reason, the project could not be completed and that financing needed for the project had been obtained by mortgaging property other than the property at 22 Normandy Road. Mr. Talman further stated that these documents had been approved by the City Attorney.

Upon inquiry of Vice-Mayor Price, Bill Moore, City Attorney, said he had reviewed all the documents presented today and everything is in order. However, he said the agreement between the City and the property owner is yet to be worked out between him and Mr. Talman.

Upon inquiry of Councilman McDevitt, Mr. J. E. Johnson, Director of Inspections, said the house in its present condition does constitute a safety hazard to the neighborhood.

Councilman McDevitt asked if any provisions had been included in the plans to temporarily fence the property until work began to help keep kids and others off the property.

Mr. Talman said no provisions had been included in the plans to fence the property and that by the time it took to get the fence up, it would just have to be taken down to permit the construction. However, he said the back of the property had been fenced, but they had not been able to police the area satisfactorily to keep people from cutting through the fence and going onto the property.

Upon recommendation of the City Manager, Vice-Mayor Price moved to consider repeal of the ordinance to demolish the dwelling at 22 Normandy Road on February 4, 1982, and that no action be taken until that time. This motion was seconded by Councilwoman Frank and carried unanimously.

ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1981-82

5. The City Manager said the Council had agreed in the work session to postpone consideration of this ordinance for another week and that this item be included in the Council's Work Session on Tuesday, February 2, 1982.

RESOLUTION NO. 82-7 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A GRANT AGREEMENT FOR THE AIRPORT TERMINAL BUILDING ADDITION PROJECT

CITY MANAGER - REPORT OF CONTRIBUTIONS RECEIVED - ASHE COUNTY INVESTIGATION

The City Manager said to date the following contributions had been received for the Ashe County Investigation:

Jack and Glenda Roberts Candler, N.C.	\$ 25.00
Gedwin Roberson Asheville, NC	\$100.00
Anonymous	\$ 50.00

Mayor Trantham requested that the City's appreciation be expressed to these individuals for their contribution to such a worthy cause.

Vice-Mayor Price said the City owes a debt of gratitude to the citizens who were willing to be lowered into the mine shaft to recover the bodies and requested the police officers be commended for service above and beyond the call of duty.

RESOLUTION NO. 82-11 - RESOLUTION INCREASING INTERMENT FEES AT RIVERSIDE CEMETERY

Consideration was given to a resolution increasing interment fees at Riverside Cemetery.

The City Manager read the resolution.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-11 was unanimously adopted.

Complete text of Resolution No. 82-11 will be found in Resolution Book No. 13 at page 137.

PROCLAMATION - FEBRUARY, 1982 - HISTORY MONTH

Mayor Trantham proclaimed the month of February, 1982, as "History Month."

ANNOUNCEMENT - LEO FERGUSON

Mayor Trantham recognized Mr. Leo Ferguson. Mr. Ferguson said Councilman Wilkes is progressing and wants the other members of Council to know he is here in spirit and heart, and if all continues to go well, Councilman Wilkes may be able to return to the meetings in approximately two weeks. He said Councilman Wilkes also appreciates the information that is being sent to him.

RESOLUTION NO. 82-12 - RESOLUTION REAPPOINTING KENNETH M. MICHALOVE AS CITY MANAGER, WILLIAM F. WOLCOTT, JR., AS CITY CLERK, AND WILLIAM C. MOORE AS CORPORATION COUNSEL

Consideration was given to a resolution reappointing Kenneth M. Michalove as City Manager, William F. Wolcott, Jr. as City Clerk, and William C. Moore as Corporation Council.

HIGHLIGHTS: Mr. T. Cecil Tallent's term as a member of the Board of Trustees of the Firemen's Relief Fund expired on January 1, 1982. This resolution will reappoint Mr. Tallent to the Board to serve for a term of two years, term expiring January 1, 1984.

Resolution Book No. 13 at page 134.

- D. Resolution No. 82-10 - Resolution authorizing Bell's Traditionals, Ltd. to encroach upon the sidewalk in front of 3 Kitchen Place.

HIGHLIGHTS: J. W. Bell, Jr., President of Bell's Traditionals, Ltd., has requested premission to encroach upon the sidewalk in front of 3 Kitchen Place for a distance of 4 feet, for the purpose of installation of an entrance step and planter. The Director of Public Works has investigated this request and in his opinion, the encroachment would not hinder the safe flow of pedestrian movement along this sidewalk.

Resolution Book No. 13 at page 135.

- E. Motion setting a public hearing on the nomination of the "Old S & W Cafeteria," the "Old Pack Memorial Library," and the "Kress Building" as local historic properties for February 11, 1982.

HIGHLIGHTS: The Asheville-Buncombe Historic Resources Commission and the North Carolina Division of Archives and History have recommended that the above buildings be designated as Local Historic Properties. A combination of tax incentives and regulation of changes to the buildings encourage the owners of Local Historic Properties to maintain the buildings in good condition and to invest substantial capital into their rehabilitation.

- F. Motion setting a public hearing relative to the approval by Council of the 1981-82 Federal Operating Assistance Grant for March 4, 1982.

HIGHLIGHTS: The grant application is for \$986,192 of which \$493,096 is federal share and \$493,096 is local share.

The public hearing held on November 19, 1981, was not advertised thirty (30) days prior to the meeting. The Urban Mass Transportation Administration is requiring us to hold another public hearing.

Councilwoman Frank moved to approve the consent agenda. This motion was seconded by Vice-Mayor Price and carried unanimously.

Upon inquiry of Councilman McDevitt, the City Manager said he would obtain information from staff concerning Item "F" relative to the local funds committed and the procedure followed in requesting this particular grant.

Thursday - February 4, 1982 - 4:00 P.M.

The City Manager read the resolution stating that Azalee Rustin, an employee of the City of Asheville since January 26, 1968, retired on December 31, 1981, as janitor.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 82-14 was unanimously adopted.

Complete text of Resolution No. 82-14 will be found in Resolution Book No. 13 at page 140.

227

Councilman Pless said in order to put everybody's mind at rest, he would like to introduce a resolution to reappoint the City Manager, City Clerk and City Attorney. Councilman Pless then read the resolution reappointing the City Manager, City Clerk and City Attorney.

Upon motion of Councilman Pless, seconded by Councilwoman Frank, Resolution No. 82-12 was adopted on a 5-1 vote, with Councilman McDevitt voting "no."

Complete text of Resolution No. 82-12 will be found in Resolution Book No. 13 on page 138.

CLAIMS - WILLIAM INGLE - DOUG TIPTON - THURMAN BAIRD - YVONNE HABEL

The City Manager presented claims received from William Ingle, Doug Tipton, Thurman Baird and Yvonne Habel.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP

Mr. Ralph Bishop again addressed the Council on his difficulty in obtaining City records relative to regulation of thermostats and the City's contract with the federal government for the inspection of same.

ADJOURNMENT

Upon motion of Councilman Myers, seconded by Councilwoman Frank, the meeting adjourned at 6:00 p.m.

MAYOR

CITY CLERK

Vice-Mayor Price moved to amend Ordinance No. 1258 to eliminate property on the western side of the ridge, amending a portion of the description to read as follows: thence following the northern property line of Lot 34 of Ward 8, Sheet 34, in a westerly direction to the point of intersection with the ridge line near Windswept Drive; thence following the ridge line approximately 2,420 feet in a southerly direction to its point of intersection with Windswept Drive at elevation 2546 feet; thence following the western side of Windswept Drive, etc. This amendment was accepted by Councilman McDevitt.

On a voice vote of 3-3, Vice-Mayor Price's motion failed with Mayor Trantham, Councilman Pless, and Councilman Myers voting "no" and Councilwoman Frank, Vice-Mayor Price, and Councilman McDevitt voting "yes."

A discussion was held relative to Lot 6, Ward 8, being included in the exceptions. After discussion it was determined that the rezoning of Lot 6 would not affect the Sugartree project in any way, and Lot 6 would not be included in the exceptions but would be zoned R-2.

Marvin Chambers made a point of order as to whether or not the floor was open for discussion during voting procedures. He was advised that the discussion by the attorneys pertained only to clarification of the motion.

Councilman Frank moved to amend Ordinance No. 1258 rezoning the property to R-2 Low Density Residential District except the undeveloped property, amending a portion of the description as follows: thence following the northern property line of Lot 34 of Ward 8, Sheet 34, to a point of intersection with Lot 89 of Ward 1, Sheet 4; thence following the eastern property line of Lot 89 of Ward 1, Sheet 4, in a southerly direction to a point of intersection with Lot 33 of Ward 8, Sheet 34, to a point of intersection with South Delano Road; thence following the eastern side of Lot 33 of Ward 8, Sheet 34 in a southerly direction to a point of intersection with Lot 15 of Ward 8, Sheet 8; thence following the northern and eastern property lines of Lot 15 of Ward 8, Sheet 8, in a southerly direction to a point of intersection with Lot 2 of Ward 8, Sheet 5; thence following the eastern property line of Lot 2 of Ward 8, Sheet 5, in a southerly direction to its intersection with Dalton Street; thence following the western side of Dalton Street in a southerly direction to Lot 180 of Ward 8, Sheet 5; thence following the entire southern property line of Lot 2 of Ward 8, Sheet 5, to a point of intersection with Lot 204 of Ward 1, Sheet 6; thence following the intersection with Lot 204 of Ward 1, Sheet 6, to a point of intersection with Buchanan Road; thence following Buchanan Road, etc. This motion was seconded by Councilman Pless.

On a voice vote of 5-1, Councilwoman Frank's motion to amend Ordinance No. 1258 carried with Vice-Mayor Price voting "no."

On a roll call vote of 6-0, Ordinance No. 1258 as amended passed on first reading.

CONTINUATION OF A PUBLIC HEARING - SITE PLAN - PROPOSED SUGARTREE APARTMENT COMPLEX

5. Mayor Trantham advised that this public hearing was continued from the November 5, 1981, meeting.

Dr. Jesse P. Chapman, Jr., 276 Kenilworth Road encouraged Council to rezone the entire area to R-2 Residential District. He said the main reason the Kenilworth Residents Association had requested the rezoning was due to the proposed development of the Sugartree project. He said that it is his understanding that other developers are interested in developments in the Kenilworth area. He said the property owners in the area must be protected from all the developments being proposed.

Harold Bennett, attorney for Alexander Investment Corporation said he was authorized to sign the protest petition for Perry M. Alexander who owns 100% of the corporation.

Mr. Bennett, in citing another similar rezoning case of the Carmelite Sisters in Beverly Hills, said a decision of the court was reached whereby an ordinance rezoning that property had been repealed because the City can not rezone property of someone who protest the rezoning. He also pointed out that the zoning ordinance only allows for rezoning amendments by: (1) Planning and Zoning Commission's initiative (2) City Council's initiative or (3) property owners' initiative. He said in this particular case the property owners presented a petition to rezone the area to R-1 Residential District. He took issue with Planning and Zoning Commission's recommendation, stating that the Commission did not have the authority to recommend rezoning to R-2 Residential District when the original petition requested R-1 Residential District.

Bob Long, attorney representing Dr. Nailing and Grover Redmon, spoke in opposition to the rezoning stating that the rezoning petition is invalid due to the fact that the petition was not originated by all the property owners. He said in his opinion the rezoning petition did not meet the criteria of the zoning ordinance and therefore was invalid.

Mr. Long stated that the rezoning brought on by the Kenilworth Residents Association was due to the proposed Sugartree project. He said the project had struggled along for more than 18 months. He requested that the property not be rezoned. He said the property owners of the proposed Sugartree property purchased the property as it is presently zoned and Council should not change the rules during the middle of the game. He said Council has the authority and the power over group developments such as Sugartree and to approve the plans for such group developments. He said multi-family dwellings are becoming more prevalent in the City of Asheville.

Augusta Young, with the Kenilworth Residents Association spoke in support of the rezoning. She said the area contains over 100 acres of undeveloped land and if left zoned R-3, 16 units per acre could be developed. She said there was no way the Kenilworth area could carry an additional 1600 units.

Verl Emrick read the proposed ordinance rezoning everything in the area from R-3 Medium Density Residential to R-2 Low Density Residential District.

Vice-Mayor Price moved for the adoption of Ordinance No. 1258. This motion was seconded by Councilman McDevitt.

4. Rezone the study area R-2 as recommended by the Planning and Zoning Commission.
5. Zone developed area R-2 and exclude the Sugartree property.
6. Zone the developed area R-2 and include the Sugartree property.
7. Zone study area R-2 and exclude all of the undeveloped property.

Mayor Trantham said during the discussion of the rezoning all those wishing to speak for an organization or group would be allowed ten minutes and all those speaking as individuals would be allowed three minutes.

Hunter B. Watson, 135 Lakewood Drive, spoke in favor of the rezoning. By the use of a map, Mr. Watson showed what property owners had petitioned to be rezoned and those who were in opposition. He said 500 petitioners or 80 to 90% of the property owners in the Kenilworth area wanted the property rezoned in order to protect their neighborhood.

Mr. James W. Williams, attorney representing the Kenilworth Residents Association, questioned the validity of the "20% protest rule" requiring a "three-fourths" affirmative vote of Council to pass the rezoning ordinance. He said the Zoning Ordinance states that in case protest petitions are received protesting a change in zoning, signed by the owners of twenty (20%) percent or more either of the area of the lots included in such proposed change or of those immediately adjacent thereto either in the rear thereof or either side thereof extending one hundred (100) feet therefrom, or of those directly opposite thereto extending one hundred (100) feet from the street frontage of such opposite lots, such amendment shall not become effective except by favorable vote of three-fourths (3/4) of all members of the City Council. He said in calculating the number of acres involved in the rezoning either way stated in the zoning ordinance, in his opinion there would be less than 20% protest. He presented a letter from Mr. Brewer, one of the protestors, withdrawing his petition. He said Mrs. Reisig's protest petition was not signed by the property owner but by her sister. He said if the City would examine all factors and the concepts of the ordinance they would find the "20% protest rule" does not apply.

Mr. Williams also pointed out that the protest petition presented by the Alexander Investment Corporation did not actually bear the signature of the property owners but was signed by Harold Bennett as attorney for the Alexander Investment Corporation. He said under Section 30-11-3(b) of the zoning ordinance there is a requirement that the protest petition bear the actual signatures of the property owners. He said in his opinion the protest petition of the Alexander Investment Corporation is invalid.

Mr. Emrick explained the process the City staff took in determining the 20% rule and said in his opinion the 20% protest rule did apply and met all requirements of the zoning ordinance. Mr. Emrick also said that a ruling had been obtained stating that attorneys can act for petitioners and the signature of Harold Bennett for the Alexander Investment Corporation was acceptable.

ORDINANCE NO. 1258 - AN ORDINANCE AMENDING ORDINANCE NO. 322,
KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF
ASHEVILLE," AS AMENDED (PROPERTY LOCATED IN KENILWORTH)

4. Consideration was given to an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended. (property located in Kenilworth)

Verl Emrick, Director of Planning, reviewing the background of the rezoning of Kenilworth stated that on June 29, 1981, the City Council was presented a petition by the residents of Kenilworth on the matter of rezoning their property from R-3 Medium Density Residential District to R-1 Single Family Residential District. The petition was referred to the Planning and Zoning Commission for review and recommendation. The Asheville Planning and Zoning Commission, at a meeting held on October 7, 1981, took the following action: 1) The Commission voted unanimously that the original petition be recommended to City Council for rezoning from R-3 Medium Density Residential District to R-2 Low Density Residential District at the density level permitted in the ordinance (10 dwelling units per acre); 2) Requested the staff to provide a report to the Commission by the November meeting on the effect of decreasing the density level (dwelling units per acre) to the recommended 6-8 units/acre for the R-2 district; 3) By consensus of the Commission, a request to consider an additional petition containing approximately 37 acres of contiguous property was delayed until the November meeting. Of the area in consideration for rezoning two large property owners, Perry Alexander and Grover Redmon, are in opposition to the rezoning of their property to R-1. A public hearing was held on this matter on November 5, 1981. On November 19, 1981, a motion was made to table this ordinance. On January 21, 1982, a motion was made to bring this ordinance before the Council again on February 4, 1982.

By the use of a map, Mr. Emrick reviewed the location of the property proposed to be rezoned.

Mr. Emrick advised that due to valid protest petitions being received from several large property owners in the area, being Dr. Richard Nailing and Grover Redmon, Alexander Investment Company, and several other smaller owners, the Council must have a "three-fourths" affirmative vote to pass the ordinance as proposed.

Mr. Emrick advised Council that several alternatives were available to Council being:

1. Take no action and retain the R-3 designation for the entire neighborhood.
2. Rezone the area to R-1 as requested in the petition asking for the study as submitted by the neighborhood.
3. Rezone the developed portion of the Kenilworth area to R-1 and remove from consideration that land included in the study which is undeveloped.

property. He requested that Council approve the site plan for the Sugartree Apartment Complex.

Charles R. Craig of Joseph Griggs Associates, architects for the Sugartree project spoke in support of the Sugartree project. He said he had previously presented Council with a narrative of the project as well as the proposed phasing of the project. By the use of a model, Mr. Craig showed members of Council how the project would be when completed. He showed what would be natural buffering as well as buffering.

Mr. Craig said the Mark Companies is not new in the field of such projects but are involved in over 11 other projects of this nature.

Roger Lyda, engineer, said he had reviewed the Sugartree project plans and agreed that the variance for parking spaces was needed. He said the requirement of two parking spaces per unit is excessive in some circumstances. He said requiring more space for parking would be detrimental to the project.

Mr. Lyda also addressed the concerns of sewer and storm drainage overflow.

Marvin Chambers with the Kenilworth Residents Association said his concern was for the cemetery property and what would happen when the detention ponds proposed by the developer do not work. He said they were concerned about the runoff onto the cemetery property. He said Council should consider this as information.

Upon inquiry of Councilwoman Frank, Mr. Emrick said that he had talked with officials in Lynchburg and Roanoke, Virginia about the Mark Companies. He said the officials in Lynchburg said the Mark Companies is a "good developer to work with." He said the Mark Companies developed "Bear Run" in Lynchburg containing 150 units on a terrain with a slope in excess of 25%. He said officials in Roanoke said they did not have any major problems with the Mark Companies.

Mr. Kenneth Pankow, Registered Engineer, said he had been retained by the Ad Hoc Committee of the Kenilworth Residents Association, to review the Sugartree project plans. He presented Council with a "hand-out" detailing problems he foresees in the development of the Sugartree project.

Mr. Charles Dent, a resident of Kenilworth and an engineer, spoke to Council relative to the 50 year old sewer system in Kenilworth and the problems he foresees in adding 152 units to the system. He said if Council should approve the plans of the Sugartree development project, it should also carry a condition that the developers of Sugartree install a new sewer line to carry future developments. He said the developer should also be required to extend a new line to the existing sewer line flow. Mr. Dent also went into detailed calculation about sewer and storm drainage problems.

Mrs. Billy Tingle also spoke relative to the problems the Sugartree development would have on the present sewer system.

250

Verl Emrick, Director of Planning, in reviewing the background of the proposed Sugartree Apartment Complex said the Asheville Planning and Zoning Commission, at a meeting held on September 9, 1981, reviewed the site plan of the proposed "Sugartree" Apartment Complex to be located west of Kenilworth and south of Digges Road. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following conditions: 1) That the grave sites as located on discovered on the property will at all times during construction be adequately protected and at the initial phase of construction a suitable fence 6' in height be constructed along the boundary of the historical easement as shown on the revised plat and submitted to the Commission. That further the maintenance of the fence be and remain with the owner of the property at all times and suitable provision made for its continued maintenance and that any removal of graves within the property itself be at the developer's expense or the owner's expense and that any removal be done pursuant to N. C. G. S. 65-13 or any other applicable ordinance or law; 2) Obtaining a maintenance easement for the small stream under the access road; and 3) Compliance with the City's Erosion Control Ordinance. This public hearing was continued from the November 5, 1981, meeting. On January 21, 1982, a motion was made to continue this public hearing on February 4, 1982.

Mr. Emrick said there had been some questions about the sewers in the Kenilworth area overflowing. He said he and Mr. Tarrant with the Engineering Department of the City inspected three of the sewer manholes on February 3, 1982, and found no major problems with the sewers overflowing.

Mr. Emrick in reviewing the conditions placed on the Sugartree Apartment Complex by the Planning and Zoning Commission said condition number one relative to the grave sites had been taken care of and a permanent easement had been executed to the cemetery association. He said a six foot fence has been agreed to by the developers to be along the boundary of the historical easement. He said condition number two relative to the erosion control plan has been approved by the Building Inspection Department and is functional as designed. He said the developers of the Sugartree project are also requesting that Council grant a variance of parking requirements from the required two spaces to 1.64 spaces. He said the regular requirement for a parking space is 9' x 20'.

Upon inquiry of Councilman Pless relative to backflow values for sewer lines, Mr. Emrick said there seems to be a difference of opinions. He said according to City staff the Water and Sewer Department has not received a substantial number of complaints but the property owners in the area complain of regular occurrences of sewer overflows.

Mr. DeBruhl, Director of Water & Sewer Department, said in the last two years his office has received one complaint of sewer overflows.

Jim Erwin, speaking on behalf of the Mark Companies developer of the Sugartree project, spoke in support of the Sugartree Apartment Complex. He said the developers had been in consultations with the Planning and Zoning Commission and various City departments for over a year where all information requested had been presented and received. He said as far as the conditions placed by the Planning and Zoning Commission relative to easements, etc., all such easements would be carried to all owners of the

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1259. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1259 passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1259. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1259 passed on third and final reading.

Complete text of Ordinance No. 1259 will be found in Ordinance Book No. 9 at page 307.

RESOLUTION NO. 82-15 - RESOLUTION RELATIVE TO ORDINANCE NO. 1183 KNOWN AS "AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 22 NORMANDY ROAD"

7. Consideration was given to the resolution relative to Ordinance No. 1183 known as "an ordinance directing the Housing Officer to demolish the dwelling house known as 22 Normandy Road.

The City Manager read the resolution stating that Council has received necessary documents to restore the house known as 22 Normandy Road and an agreement had been reached between the City of Asheville and the property owners relative to the restoration. The City Manager summarized the agreement between the City of Asheville and the property owners.

Upon inquiry of the City Manager, the Corporation Counsel said that this action does not in any way rescind Ordinance No. 1183 and the City can take action on Ordinance No. 1183 if progress is not being made to restore 22 Normandy Road.

Mr. Wesley F. Talman, attorney for the property owners of 22 Normandy Road, said he agreed with Mr. Moore however, the property owners would have an opportunity to be heard before Council before any action is taken on Ordinance No. 1183.

Upon inquiry of Councilman McDevitt, Mr. Talman said the contract for the rehabilitation of 22 Normandy Road is \$100,000. He said monies would be escrowed as needed, but \$20,000 would always remain in the escrow.

Upon motion of Vice-Mayor Price, seconded by Councilman Pless. Resolution No. 82-15 was unanimously adopted.

Complete text of Resolution No. 82-15 will be found in Resolution Book No. 13 at page 141.

RECESS OF COUNCIL - FEBRUARY 5, 1982 - 4:00 P.M.

At 8:30 P.M., Councilman Pless moved to recess the Council meeting

Dr. Paul Young spoke to Council relative to his concerns of surface water runoff from the project. He requested that if Council approves the project that it be approved at six units per acre.

A resident of Kenilworth spoke relative to the increased traffic that would be generated from the proposed Sugartree development. She said the health, safety, and general welfare of the neighborhood should be considered as well as the congestion in the streets as required by the zoning ordinance.

Peter Winslow of 288 Kenilworth Road spoke to Council relative to the tax base that the property owners now living in Kenilworth now provide and the tax base that the Sugartree Apartment Complex would provide. He said if all engineering studies, etc., fails the City would have to put in a new sewer system and maybe some new roads, which burden would be put on the taxpayers in Kenilworth to pay for. He said if the City has to put in a new sewer, new roads, etc., it will take over twenty years of Sugartree taxes to pay for this expenditure. He said the property owners in Kenilworth have a larger investment in Kenilworth than the Mark Companies.

Mayor Trantham closed the public hearing at 7:43 P.M.

Mr. Emrick took issue with the statement Mr. Pankow made relative to recreational areas not being provided as required by the ordinance by the Sugartree developers. He said the recreational areas are being provided by the developers and was approved by the Planning and Zoning Commission as presented.

After discussion, Vice-Mayor Price moved that the developer resubmit the plans with 127 units rather than 152 units. This motion received no second.

After further discussion, Councilman Myers moved to approve the site plan of the Sugartree Apartment Complex contingent upon the conditions recommended by the Planning and Zoning Commission and moved to grant a variance of the parking requirements from 2 spaces per unit to 1.64 units per acre. This motion was seconded by Councilman McDevitt and carried on a voice vote of 4-2, with Vice-Mayor Price and Councilman Pless voting "no."

ORDINANCE NO. 1259 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1981-82

6. Consideration was given to an ordinance amending the operating and capital budget for the City of Asheville for Fiscal Year 1981-82.

The City Manager read the ordinance explaining that this ordinance summarizes and ratifies all budget amendments made by Council from July 1, 1981, through December 31, 1981.

Vice-Mayor Price moved for the adoption of Ordinance No. 1259. This motion was seconded by Councilwoman Frank.

On a roll call vote of 6-0, Ordinance No. 1259 passed on first reading.

RESOLUTION NO. 82-17 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE RIGHT-OF-WAY DOCUMENTS NECESSARY FOR REPLACEMENT OF THE FAIRVIEW ROAD BRIDGE

9. Consideration was given to a resolution authorizing the Mayor to execute right-of-way documents necessary for replacement of the Fairview Road Bridge.

The City Manager read the resolution stating that the Fairview Road Bridge has become unsafe for carrying two-way traffic. The Fairview Road Bridge is of major importance to the flow of traffic to heavy developed and established areas of the City. It is the desire of the City to maintain this flow of traffic during the period required to remove and replace the Fairview Road Bridge. This resolution will authorize the Mayor to execute right-of-way documents necessary for replacement of the Fairview Road Bridge.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 82-17 was unanimously adopted.

Complete text of Resolution No. 82-17 will be found in Resolution Book No. 13 at page 143.

BIDS - TWO-YEAR CONTRACT FOR UNIFORM SERVICE AND RENTAL

10. Consideration was given to bids received on December 30, 1981, for a two-year contract for uniform service and rental.

The City Manager presented the bids and recommendation stating that five bids were received; two of which were tie bids from Carolina Uniform Rental Company and National Linen Service Company in the amount of \$84,084. This will provide uniforms to 275 employees for 104 weeks at a weekly rate of \$2.94 per week per employee.

Council may award the bid to either Carolina Uniform Rental Company or National Linen Service Company. However, staff recommends that the bid be awarded to National Linen Service Company based on review of both of the companies past performance and the service provided by National Linen Service Company for the past two years.

Councilman Myers moved to award the bid for a two-year contract uniform service and rental to National Linen Service Company in the amount of \$84,084. This motion was seconded by Councilwoman Frank and carried unanimously.

REQUEST OF COUNCILMAN PLESS - CONSIDERATION BY GIVEN TO CHURCHES SPONSORING EASTER SUNRISE SERVICE

Councilman Pless asked if any special consideration could be given to the churches in the community sponsoring the Easter sunrise service at the Civic Center.

After discussion, Councilman Pless moved to ask the Civic Center Commission to review the Easter sunrise service event and to give the churches in the community every consideration in respect to rental rates

until February 5, 1982, at 4:00 P.M. This motion was seconded by Councilman McDevitt and carried unanimously.

RECESSED MEETING - FEBRUARY 5, 1982 - 4:00 P.M.

Mayor Trantham said this meeting was a continuation of the February 4, 1982, meeting.

Councilwoman Frank moved that Council go in to execution session to discuss legal matters. This motion was seconded by Councilman McDevitt and carried unanimously.

At 5:20 P.M. Council went in to open session.

Mayor Trantham said during the executive session Council discussed Judge Jolly's ruling relative to the three annexation cases.

Vice-Mayor Price moved to proceed with the appeal of Judge Jolly's decision relative to the three annexation cases. This motion was seconded by Councilman McDevitt and carried unanimously.

Councilman McDevitt commented that he felt an appeal would be appropriate in that the courts were wrong in their rulings. He said that Council and the Council's attorneys feel the descriptions in the annexation ordinances are valid. He said it was his hope that the appellant courts would remand the ordinances to Council to be amended relative to their descriptions rather than invalidating the ordinances. He said during the executive session the City Council's attorneys, representing the annexation cases, were instructed to proceed as expeditiously as possible.

RESOLUTION NO. 82-16 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO MAKE APPLICATION FOR AN ENRICHMENT GRANT FOR REID MEMORIAL, HILLCREST, MONTFORD, AND STEPHENS-LEE RECREATION CENTERS

8. Consideration was given to a resolution authorizing the Director of Parks and Recreation to make application for an enrichment grant for Reid Memorial, Hillcrest, Montford, and Stephens-Lee Recreation Centers.

The City Manager read the resolution stating that the State of North Carolina has established a grant program known as "Community-Based Alternative" through the North Carolina Department of Human Resources, for enrichment programs aimed at deterring juvenile delinquence. This grant will authorize the Director of Parks and Recreation to submit an application in the amount of \$11,426 to the North Carolina Department of Human Resources for an enrichment program for the above community centers and will also authorize the Mayor to execute the necessary contract documents. The City will provide local match funding for this grant by in-kind services.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-16 was unanimously adopted.

Complete text of Resolution No. 82-16 will be found in Resolution Book No. 13 at page 142.

Mayor Trantham closed the public hearing at 4:16 P.M.

Vice-Mayor Price moved to remand the rezoning request to rezone property located at 235-237 East Chestnut Street to Planning and Zoning Commission with the suggestion that they study the possibility of allowing tailoring shops in the R-4 High Residential District. This motion was seconded by Councilman Myers and carried unanimously.

PUBLIC HEARING - ZONING BINGHAM HEIGHTS ANNEXATION AREA

3. A public hearing was held relative to zoning the Bingham Heights annexation area.

Mayor Trantham opened the public hearing at 4:18 P.M.

The Assistant City Manager said a notice to the public was published on January 27th and February 3rd, however, the Citizen Times inadvertently left out part of the notice, therefore, the notice should be readvertised. He said the public hearing should be rescheduled for March 4, 1982.

Mayor Trantham closed the public hearing at 4:19 P.M.

Vice-Mayor Price moved to reschedule the public hearing relative to zoning the Bingham Heights annexation area for March 4, 1982. This motion was seconded by Councilman McDevitt and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY ON LOUISIANA AVENUE - REQUEST OF HAROLD TALBERT, AGENT FOR PROPERTY OWNERS

4. A public hearing was held relative to rezoning property located on Louisiana Avenue at the request of Harold Talbert, Agent for Property Owners, from R-3 Medium Density Residential District to CH Commercial Highway District.

Mayor Trantham opened the public hearing at 4:20 P.M.

The Assistant City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission, at its meeting held on September 9, 1981, reviewed a request of Harold Talbert, Agent for Property Owners, that Ward 6, Sheet 17, Lots 84, 70 3/4, 70, and 86 (property located on Louisiana Avenue) be rezoned from R-3 Medium Density Residential District to CH Commercial Highway District. The Commission recommended that the request be approved by the City Council. At the October 15, 1981, meeting of the Asheville City Council this request was remanded to the Planning and Zoning Commission for further study. At a meeting held on December 2, 1981, the Asheville Planning and Zoning Commission unanimously voted to report to City Council that it reaffirms its earlier recommendation that Ward 6, Sheet 17, Lots 70, 70 3/4, 84, and 86 be rezoned from R-3 Residential District to CH Commercial Highway District, and that no further rezoning toward Hazel Mill Road is warranted at this time.

Thursday - February 11, 1982 - 4:00 P.M.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilmen Joe Pless, Larry McDevitt, and Gordon Myers, Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr., Deputy City Clerk, Carol Hensley.

Absent: Councilman H. C. Wilkes
City Manager, K. M. Michalove

INVOCATION

The invocation was given by Councilman Joe Pless.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 4, 1982, meeting.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the February 4, 1982, meeting were unanimously approved as submitted.

PUBLIC HEARING - REZONING PROPERTY - 235-237 EAST CHESTNUT STREET

2. A public hearing was held relative to rezoning property located at 235-237 East Chestnut Street.

Mayor Trantham opened the public hearing at 4:14 P.M.

The Assistant City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held January 6, 1982, considered the petition of Mr. Kostas Rantzios that Ward 2, Sheet 16, Lot 148 be rezoned from R-4 High Density Residential District to CG Commercial General District. After review and discussion the Commission voted to recommend to City Council that the petition to rezone the property be approved.

Mr. Emrick said during the pre-council meeting a discussion was held relative to remanding the rezoning request to Planning and Zoning Commission requesting that the Planning and Zoning Commission study the possibility of allowing tailoring shops in the R-4 High Density Residential District rather than rezoning the property. He said the owner of the property is requesting rezoning of the lot from R-4 High Density Residential District to CG Commercial General District for the purpose of relocating his tailor shop from the corner of East Chestnut Street and Charlotte Street.

Mr. Emrick said a protest petition had been filed opposing the rezoning of the lot. He said the opposition would require, according to the zoning ordinance, a three-fourths affirmative vote of Council to pass the ordinance.

encourage the owners of Local Historic Properties to maintain the buildings in good condition and to invest substantial capital into their rehabilitation.

Mayor Trantham closed the public hearing at 4:36 P.M.

ORDINANCE NO. 1260 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS THE OLD S & W CAFETERIA LOCATED AT 54 PATTON AVENUE IN ASHEVILLE, NORTH CAROLINA AS HISTORIC PROPERTY

Richard Thornton with the Planning Department, read the ordinance.

Vice-Mayor Price moved for the adoption of Ordinance No. 1260. This motion was seconded by Councilman McDevitt.

On a roll call vote of 6-0, Ordinance No. 1260 passed on first reading.

Councilwoman Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1260. This motion was seconded by Vice-Mayor Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1260 passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1260. This motion was seconded by Councilman Myers and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1260 passed on third and final reading.

Complete text of Ordinance No. 1260 will be found in Ordinance Book No. 9 at page 308-310.

ORDINANCE NO. 1261 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS THE OLD PACK MEMORIAL LIBRARY ON PACK SQUARE IN ASHEVILLE, NORTH CAROLINA AS HISTORIC PROPERTY

Richard Thornton, with the Planning Department, read the ordinance.

Councilwoman Frank moved for the adoption of Ordinance No. 1261. This motion was seconded by Councilman Myers.

On a roll call vote of 6-0, Ordinance No. 1261 passed on first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1261. This motion was seconded by Councilman Myers and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1261 passed on second reading.

Mr. Emrick said the Planning and Zoning Commission ask property owners for opinions relative to rezoning the entire area and considerable opposition was received in rezoning the entire area.

Mr. Emrick said Council denied a rezoning petition on July 24, 1980, of Mrs. Woody at the corner of Louisiana Avenue and Hazel Mill Road.

Mr. Emrick said the entire area should be left zoned as it is until significant changes occur in the area such as the Louisiana Avenue widening. He said the present zoning is appropriate for the area.

Vice-Mayor Price said it is her understanding that Louisiana Avenue is scheduled to be widened in 1988.

Harold Talbert, agent for the property owners, spoke in favor of the rezoning. He said the proposed area to be rezoned contains about 4½ acres. He said no immediate plans or proposed businesses are being planned.

Mayor Trantham closed the public hearing at 4:26 P.M.

Verl Emrick, Director of Planning, read the ordinance rezoning the property as requested by the petitioner.

Councilman McDevitt asked to be excused from voting on the Louisiana Avenue rezoning issue due to his active representation of Harold Talbert.

Vice-Mayor Price moved to grant the request of Councilman McDevitt to be excused from voting on the rezoning issue on Louisiana Avenue. This motion was seconded by Councilman Pless and carried unanimously.

There being no motion for adoption of the ordinance, the ordinance died for the lack of a motion.

PUBLIC HEARING - NOMINATION OF THE "OLD S & W CAFETERIA," THE "OLD PACK MEMORIAL LIBRARY," AND THE "KRESS BUILDING" AS LOCAL HISTORIC PROPERTIES

5. A public hearing was held relative to nomination of the "Old S & W Cafeteria," the "Old Pack Memorial Library," and the "Kress Building" as local historic properties.

Mayor Trantham opened the public hearing at 4:29 P.M.

The Assistant City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, introduced Mrs. Grace Pless, Chairman of the Asheville Buncombe Historic Resources Commission.

Mrs. Pless said the Asheville-Buncombe Historic Resources Commission and the North Carolina Division of Archives and History have recommended that the above buildings be designated as Local Historic Properties. A combination of tax incentives and regulation of changes to the buildings

On a roll call vote of 6-0, Ordinance No. 1258 passed on second reading.

Bob Long, attorney, requested that Council pass the ordinance on its third and final reading at this meeting.

There being no motion to suspend the rules and proceed to the third reading, Mayor Trantham advised that the third and final reading of Ordinance No. 1258 would be held on February 18, 1982.

ORDINANCE NO. 1263 - AN ORDINANCE AMENDING SECTION 28.81.2 OF ARTICLE IV (SPEED REGULATIONS) OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

7. Consideration was given to an ordinance amending Section 28.81.2 of Article IV (Speed Regulations) of Chapter 28 of the Code of Ordinances of the City of Asheville.

The Assistant City Manager read the ordinance stating that this ordinance will delete the present 20 miles per hour speed regulation on Southside Avenue (U.S. 25) from Coxe Avenue to Biltmore Avenue (U.S. 25). The speed limit will revert to 35 miles per hour as authorized by N. C. General Statutes.

Vice-Mayor Price moved for the adoption of Ordinance No. 1263. This motion was seconded by Councilwoman Frank.

On a roll call vote of 6-0, Ordinance No. 1263 passed on first reading.

Councilwoman Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1263. This motion was seconded by Vice-Mayor Price and carried unanimously.

Richard Thornton, with the Planning Department, read the ordinance.

Councilwoman Frank moved for the adoption of Ordinance No. 1262. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 6-0, Ordinance No. 1262 passed on first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1262. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1262 passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1262. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1262 passed on third and final reading.

Complete text of Ordinance No. 1262 will be found in Ordinance Book No. 9 at page 314-315.

ORDINANCE NO. 1258 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (PROPERTY LOCATED IN KENILWORTH)

6. Consideration was given to the second reading of Ordinance No. 1258, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended. (property located in Kenilworth)

Mayor Trantham stated that this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

The Assistant City Manager read the resolution stating that Paving Enterprises, Inc., P. O. Box 647, Arden, North Carolina, is low bidder for the construction of the Kenilworth Park Parking Lot paving and Walton Street Park Parking Lot paving. This resolution will authorize the Mayor to execute a contract for the work.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 82-20 was unanimously adopted.

Complete text of Resolution No. 82-20 will be found in Resolution Book No. 13 at page 148.

REQUEST FOR AMENDMENT TO THE ZONING ORDINANCE - BED AND BREAKFAST OF ASHEVILLE

The Assistant City Manager read the following letter from Bed and Breakfast of Asheville:

February 5, 1982

Mr. Kenneth Michalove
City Manager
City of Asheville
P. O. Box 7148
Asheville, N. C. 28807

Dear Mr. Michalove:

As you are aware, there will be approximately one million additional visitors in our city this summer for the World's Fair. Overnight accommodations will be taxed and hundreds of people will be without lodging.

I have set up a business that will serve as a clearing house for the visitors who will need overnight lodging in private homes. Since there are zoning restrictions that prohibit homeowners from renting rooms for profit, I am requesting that an ordinance be drawn waiving the existing ordinances on single-family homes and dwellings to allow property owners to accommodate overnight visitors for up to three (3) nights during the World's Fair. The effective dates for the ordinance to run will be March 15, 1982 through November 15, 1982.

I would further request of council that the privilege license be waived for the individual homeowners and a business license be issued to Bed & Breakfast of Asheville, the promoter.

Sincerely,

BED & BREAKFAST OF ASHEVILLE

Kenneth R. Lawson
President

portation relative to Project 9.8130263 (U.S. 25 Ramp - Woodfin Street and Market Street).

The Assistant City Manager read the ordinance stating that the North Carolina Department of Transportation has proposed to make certain traffic control improvements within the City, consisting of upgrading the existing traffic signal at the intersection of U.S. 25 Ramp - Woodfin Street and Market Street. Under the proposed Municipal Agreement the City agrees to install metal poles and mast arms in lieu of wooden poles and span wire; subject, however, to a lump sum payment of nine hundred dollars (\$900.00) to be made by said Department towards the cost of the metal poles and mast arms. This resolution will authorize the Mayor to sign said Municipal Agreement.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 82-18 was unanimously adopted.

Complete text of Resolution No. 82-18 will be found in Resolution Book No. 13 at page 146.

SCHEDULING OF A PUBLIC HEARING - AMENDING THE ZONING ORDINANCE TO ALLOW FOR REPOSITORIES FOR ASHES OF HUMAN REMAINS - ANCILLARY USE TO CHURCHES

Councilwoman Frank moved to schedule a public hearing relative to amending the zoning ordinance to allow for repositories for ashes of human remains as an ancillary use to churches for March 4, 1982. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 82-19 - RESOLUTION OF APPRECIATION TO ARTHUR E. EVE, JR., AS CHAIRMAN OF THE ASHEVILLE TRANSIT AUTHORITY

Consideration was given to a resolution of appreciation to Arthur E. Eve, Jr., as Chairman of the Asheville Transit Authority.

Vice-Mayor Price read the resolution.

Vice-Mayor Price moved for the adoption of Resolution No. 82-19. This motion was seconded by Councilwoman Frank and carried unanimously.

Complete text of Resolution No. 82-19 will be found in Resolution Book No. 13 at page 147.

RESOLUTION NO. 82-20 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PAVING ENTERPRISES, INC. FOR THE PROJECT KNOWN AS KENILWORTH PARK PARKING LOT PAVING AND WALTON STREET PARK PARKING LOT PAVING

Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Paving Enterprises, Inc., for the project known as Kenilworth Park Parking Lot Paving and Walton Street Park Parking Lot Paving.

Thursday, February 18, 1982 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Mary Lloyd Frank; Councilmen Larry McDevitt, Gordon Myers, Joe Pless, and H. C. Wilkes; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott.

Absent: Vice-Mayor Norma I. Price

INVOCATION

The invocation was given by Councilman Larry McDevitt.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 11, 1982, meeting.

Councilwoman Frank asked that the minutes be amended to include her statement requesting Mr. Lawson furnish Council with guidelines for the people participating in the Bed & Breakfast of Asheville program.

Upon motion of Councilwoman Frank, seconded by Councilman Wilkes, the minutes of the February 11, 1982, meeting were approved as amended.

ORDINANCE NO. 1258 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (property located in Kenilworth)

2. Consideration was given to the third and final reading of Ordinance No. 1258, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended - property located in Kenilworth.

Mayor Trantham stated that this ordinance was previously read on its first reading and would not be reread in its entirety unless there was a specific request to do so.

Mr. Peter Winslow, 288 Kenilworth Road, reminded the Council of the approximate 120 acres of R-3 land still in Kenilworth and the number of apartments that could be built at some future date on that land. He also wanted the Council to know that the Kenilworth residents were very much concerned with quality construction and that they did not want quantity construction.

Councilman Myers said that it was not Council's intent to place 1,200 apartments in the R-3 District and that the Council was going to look at an initial draft of a mountainside acreage ordinance at next week's worksession in order to avoid this type of quantity construction.

Councilman McDevitt said that he wanted to make sure that the Kenilworth residents were in agreement with this ordinance. He said that once the mountainside acreage ordinance was developed the Kenilworth residents would have the opportunity to control the R-3 land development.

Kenneth R. Lawson, President of Bed & Breakfast of Asheville, requested that Council amend the zoning ordinance restrictions that prohibit homeowners from renting rooms for profit during the time of March 15, 1982, through November 15, 1982. He said his company would not be promoting tourist homes but would be a clearing house for the visitors who will need overnight lodging in private homes. He said his company would be advertising with the Chamber of Commerce.

Councilman McDevitt said that he felt the hotel and motel owners in the City of Asheville should be aware of Council's consideration to allow Mr. Lawson's request.

Councilman Myers moved to schedule a public hearing relative to waiving the provisions of the Asheville Zoning Ordinance for the period of March 15, 1982, through November 15, 1982, which prohibits or restricts the use of private dwellings. This motion was seconded by Councilwoman Frank and carried unanimously.

Mayor Trantham commented that during the pre-council meeting a discussion was held relative to the hotels and motels possibly tripling their rates during the World's Fair season. He said it was Council's intent to set up a meeting with the Chamber of Commerce and the hotel/motel owners to request that they keep reasonable rates during this period of time.

PROCLAMATION - NATIONAL MUSIC WEEK - MAY 2-9, 1982

Mayor Trantham proclaimed May 2-9, 1982, as National Music Week.

CLAIMS - LAWSUITS REPORT - J. SWEENEY AUTO LEASING - VIRGINIA BLAKELY - ANTHONY SWEPSON - ERVIN HUNTER - ROBERT OSBORNE - DEWEY CASEY - ETHEL TOLLEY - W. W. CARTER - JOHN BEST - JOE TRULOVE

The Assistant City Manager presented claims received from J. Sweeney Auto Leasing, Virginia Blakely, Anthony Swepson, Ervin Hunter, Robert Osborne, Dewey Casey, and Ethel Tolley and was served with summonses from W. W. Carter, John Best and Joe Trulove.

Mayor Trantham referred the claims and lawsuits to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO FORMER POLICE CHIEF J. C. HALL

Ralph Bishop spoke to Council relative to his inquiry in obtaining records of former Police Chief J. C. Hall's pension.

ADJOURNMENT

Upon motion of Councilman Myers, seconded by Vice-Mayor Price, the meeting adjourned at 5:15 P.M.

MAYOR

CITY CLERK

300

The City Manager read the resolution and explained that this was unimproved property for the widening of an intersection relative to the Cinnamon Ridge Apartment Complex.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-22 was unanimously adopted.

Complete text of Resolution No. 82-22 will be found in Resolution Book No. 13 at page 150.

RESOLUTION NO. 82-23 - RESOLUTION AUTHORIZING THE MAYOR TO APPLY TO THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A DRIVEWAY PERMIT ON BEHALF OF THE ASHEVILLE REGIONAL AIRPORT AUTHORITY

6. Consideration was given to a resolution authorizing the Mayor to apply to the North Carolina Department of Transportation for a driveway permit on behalf of the Asheville Regional Airport Authority.

The City Manager read the resolution. He explained that this driveway will provide an entrance way to the U-Drive-It parking area off Airport Road.

Upon motion of Councilman Wilkes, seconded by Councilwoman Frank, Resolution No. 82-23 was unanimously adopted.

Complete text of Resolution No. 82-23 will be found in Resolution Book No. 13 at page 151.

CLAIMS - CHARLES DUICK, NANCY LARKIN

The City Manager presented claims received from Mr. Charles Duick and Ms. Nancy Larkin.

Mayor Trantham referred the claims to the Corporate Counsel for investigation and recommendation.

RESOLUTION NO. 82-24 - RESOLUTION FOR CITY OF ASHEVILLE MEMBERSHIP IN THE ASHEVILLE-BUNCOMBE DEVELOPMENT CORPORATION

Consideration was given to a resolution for City of Asheville membership in the Asheville-Buncombe Development Corporation.

The City Manager read the resolution. He explained that the Mayor and he attended the organizational meeting of the Asheville-Buncombe Development Corporation. He said the members are principally executives of major banks in the City and other private interested individuals that wanted to take part as charter members. He said that the program is designed to help businesses obtain long-term financing for capital improvements and fixed assets.

In response to Councilman McDevitt's inquiry relative to the founding of this Corporation, the City Manager explained that it was a staff effort of Dennie Martin and Becky Williams along with the efforts of the Revitalization Commission which started several months ago. He said that the program has been in existence for approximately 1½ years and has worked successfully in Wilmington, N. C.

201

Councilwoman Frank said that all of Council felt a responsibility for protecting the neighbors and that was why they have suggested the rezoning in Kenilworth from R-3 to R-2. She also noted that all the Council members are committed to working on the mountainside acreage ordinance.

Mayor Trantham noted that everytime a good project is being considered, there is always people who want the area rezoned to keep the development from being built and soon there will be no available land to build on.

On a roll call vote of 6-0, Ordinance No. 1258 passed on its third and final reading.

Complete text of Ordinance No. 1258 will be found in Ordinance Book No. 9 at page 304.

RESOLUTION NO. 82-21 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE GREAT SMOKIES HOTEL ASSOCIATION FOR THE CONSTRUCTION OF A SEWER LINE AND APPURTENANCES ON THE PROPERTY OF THE GREAT SMOKIES HOTEL ASSOCIATION

3. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the Great Smokies Hotel Association for the construction of a sewer line and appurtenances on the property of the Great Smokies Hotel Association.

The City Manager read the resolution.

Upon motion of Councilman Wilkes, seconded by Councilwoman Frank, Resolution No. 82-21 was unanimously adopted.

Complete text of Resolution No. 82-21 will be found in Resolution Book No. 13 at page 149.

BUDGET AMENDMENT - CITY OF ASHEVILLE ANNUAL OPERATING OR CAPITAL PROJECTS BUDGET FOR 1981-82 (FEDERAL GRANTS PROGRAM FUND)

4. Consideration was given to a motion approving a budget amendment amending the City of Asheville Annual Operating or Capital Projects Budget for 1981-82 as follows:

- A) Federal Grants Program Fund - This budget amendment in the amount of \$680 is to reflect additional funding received to allow the continuation of the music enrichment program at Reid Center.

The City Manager presented the budget amendment.

Councilman McDevitt moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 82-22 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE HAW CREEK ROAD IMPROVEMENT PROJECT

5. Consideration was given to a resolution authorizing condemnation of property in the Haw Creek Road Improvement Project.

RALPH BISHOP

Mr. Ralph Bishop spoke to Council relative to the problem in obtaining police pension records.

ADJOURNMENT

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, the meeting adjourned at 5:10 p.m.

MAYOR

CITY CLERK

In reply to Councilman McDevitt's inquiry as to how the money is made available, Councilman Wilkes said that the banks and savings and loan institutions provide up to 50% of a loan, the Small Business Association will provide up to 40% and the small businessman at least 10%.

The City Manager said that the only commitment that the City would be required to make is a \$100 a year membership fee and that for the time being we are willing to have either Dennie Martin or Becky Williams work with the Board of Directors to help them with their paperwork. He said the City does not have any responsibility such as financing, making of loans or approval of loans.

Councilman Myers was interested in what incentives the banks have to loan money at a rate well below the current market. He said that if the City is going to have redevelopment of the downtown the way we want it, there will have to be a major effort on the part of the City to work towards this goal and feels that if this program meets that need, he welcomes it, if not, the City should look for alternatives.

Councilwoman Frank stated that she was on the sub-committee of this program and that one of the purposes of the Small Business Association is to provide money for small businesses. She said that the SBA guarantees the banks against any loss up to 90%.

Councilman McDevitt expressed the concern of the City possibly being financially committed to this program; thereby, restricting our ability to undertake an even broader program on behalf of the City in the future. The City Manager assured Councilman McDevitt that the City is only committed to the \$100 a year membership fee and the staff time.

Councilman McDevitt requested a copy of the corporate charter by-laws.

Upon motion of Councilman Wilkes, seconded by Councilwoman Frank, Resolution No. 82-24 was unanimously adopted.

Complete text of Resolution No. 82-24 will be found in Resolution Book No. 13 at page 152.

PROCLAMATION - MARCH 14-20, 1982 - AMERICAN ASSOCIATION OF UNIVERSITY WOMEN WEEK

Councilwoman Frank proclaimed the week of March 14-20, 1982 as "American Association of University Women Week."

RESOLUTION NO. 82-25 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A CONSENT JUDGEMENT ON BEHALF OF THE CITY OF ASHEVILLE IN CONJUNCTION WITH THE MILDRED WHITENER CLAIM

Consideration was given to a resolution authorizing the Mayor to execute a consent judgement on behalf of the City of Asheville in conjunction with the Mildred Whitener claim.

The City Manager read the resolution.

Upon motion of Councilwoman Frank, seconded by Councilman Pless, Resolution No. 82-25 was unanimously adopted.

The following conditions shall be met by each dwelling used for said overnight accommodation and/or lodging:

- 1) Provision of off-street parking for private autos and campers or trailers adequate to meet the needs of the property owner and guest - minimum of three spaces available.
- 2) Proof of inspection and approval by the Buncombe County Health Department.
- 3) Signage for said lodging shall be prohibited.

He said that when an individual property owner provides overnight accommodations in concert with or being sponsored by a commercial corporation, and/or a nonprofit organization, such as a church organization, only the sponsoring corporation or nonprofit organization will be required to procure a privilege license as provided for in Section 15 of Ordinance No. 1027, regarding Tourist Homes. If however, an individual property owner offers his dwelling as an independent lodging, then said individual property owner shall be required to procure the appropriate privilege license.

In response to Councilman Wilkes inquiry about the overload of work of the Buncombe County Health Department in inspecting and approving all dwellings, Mr. Emrick said that we are only responsible for the dwellings within the jurisdiction of the ordinance, not throughout the County.

Mr. Emrick said that, per Council's previous request, the Planning Department had notified approximately 25 motel and hotel owners in this area of this public hearing in case they would like to participate in said hearing.

Mr. Ken Lawson, President of Bed & Breakfast of Asheville, said that there would be approximately 100 to 105 rooms involved. He said that with the approximately 1 million people coming to Asheville during the six-month period, their primary goal is to provide comfortable, clean accommodations in private homes for the overflow of people. He said that he sees his program as a supplement to the hotel/motel industry, not a threat. He said that there are no time limits as far as people wanting to participate and signing up in his program.

In response to Vice-Mayor Price's inquiry, Mr. Lawson said that each guest has to appear in his office to fill out a registration form which includes a preference of what type of room or family that he would like to stay with. Mr. Lawson said that he would try to make sure that the family and guests are compatible.

In response to Councilman Pless' inquiry relative to room rates and advertising, Mr. Lawson said that their standard rate is \$35.00 for 2 people and he is advertising. He feels that the people will go to the commercial establishments first, then look for alternatives such as Bed & Breakfast of Asheville.

Mr. Maurice Neighbors, President of Asheville Area Tourism Association, said that he felt that if the City of Asheville is going to invite and urge people to come to Asheville and return to Asheville, then we must provide them a place to stay. He feels that Bed & Breakfast of Asheville is not competitive to the hotel/motel membership within the Asheville Area Tourism Association and he feels that the basis and foundation of this program is good.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwoman Mary Lloyd Frank; Councilmen Larry McDevitt, Gordon Myers, Joe Pless, and H. C. Wilkes; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 18, 1982, meeting.

Upon motion of Councilwoman Frank, seconded by Councilman Wilkes, the minutes of the February 18, 1982, meeting were approved as submitted.

PRESENTATION OF LETTER TO MR. JOHN HAYES RELATIVE TO PROGRAM IN THE HILLCREST RECREATION CENTER DISTRICT

2. The Asheville City Council expressed their pride and appreciation for the excellent enrichment program that Mr. John Hayes coordinated in the Hillcrest Recreation Center District.

Councilman Wilkes read the letter of appreciation.

PUBLIC HEARING - WAIVING PROVISIONS OF THE ASHEVILLE ZONING ORDINANCE DURING THE WORLD'S FAIR

ORDINANCE NO. 1264 - AN ORDINANCE PROVIDING FOR OVERNIGHT ACCOMMODATIONS IN ALL RESIDENTIAL ZONES DURING THE WORLD'S FAIR

3. A public hearing was held relative to waiving provisions of the Asheville Zoning Ordinance during the time of the World's Fair in order to insure that the widest range of overnight accommodations may be made available in the community.

Mayor Trantham opened the public hearing at 4:13 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick, Planning Director, said that several months ago Mr. Ken Lawson requested that consideration be given to amend the Zoning Ordinance waiving certain provisions to provide for the conduct of his business, which is Bed and Breakfast of Asheville. The proposed ordinance would allow the overnight lodging on an individual basis or being sponsored by a commercial activity or a non-profit organization. He said that for all the residential zones for the period of May 1, 1982 to November 1, 1982, the provisions of Ordinance No. 322 which prohibit or restrict the use of private dwellings as commercial tourist homes would be held in abeyance. He said that all other provisions of Ordinance No. 322 shall be complied with except as follows:

The City Manager read the resolution.

Reverend Wiltshire commented on the excellent support that the City has given in this program and that this is a significant step forward.

Upon motion of Councilman Wilkes, seconded by Councilwoman Frank Resolution No. 82-27 was unanimously adopted.

Complete text of Resolution No. 82-27 will be found in Resolution Book No. 13 at page 155.

BIDS - CAST IRON METER BOX COVERS - RIMS AND LIDS

6. Consideration was given to bids received January 29, 1982, to furnish the Water and Sewer Department with 500 cast iron meter box covers.

The City Manager presented the bids stating that five bids were received. He said that Silverman Company submitted the low bid in the amount of \$10,466.20. The Director of Water and Sewer Services has reviewed the bids and concurs in the recommendation to award the bid to Silverman Company. He said that sufficient funds for this purchase are available in the Water and Sewer Services Department, Water Maintenance and Construction appropriations.

Vice-Mayor Price moved to accept the low bid submitted by Silverman Company in the amount of \$10,466.20. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 82-28 - RESOLUTION SUPPORTING THE VOTERS RIGHTS ACT OF 1965

Consideration was given to a resolution supporting the Voters Rights Act of 1965.

Councilwoman Frank read the resolution.

Upon motion of Councilman Wilkes, seconded by Councilwoman Frank, Resolution No. 82-28 carried on a 6-1 vote, with Councilman McDevitt voting "no."

Complete text of Resolution No. 82-28 will be found in Resolution Book No. 13 at page 156.

RESOLUTION NO. 82-29 - RESOLUTION ENCOURAGING VISITORS AND GUESTS, ESPECIALLY THOSE ATTENDING THE WORLD'S FAIR, TO STOP IN ASHEVILLE AND RETURN AFTER TO ENJOY OUR PEOPLE, OUR SCENERY, OUR STORES, AND THE HOSPITALITY OF OUR LODGING

Consideration of a resolution encouraging visitors and guests, especially those attending the World's Fair in Knoxville, Tennessee, to stop in Asheville and return after to enjoy our people, our scenery, our stores, and the hospitality of our lodgings.

Councilman McDevitt read the resolution which called upon the business community of this City to continue those pricing policies which would encourage travelers to visit Asheville and to return often.

Upon motion of Councilman McDevitt, seconded by Councilwoman Frank, Resolution No. 82-29 was unanimously adopted.

Mr. Lloyd Kirk, Owner and Operator of the Forest Manor Motor Lodge on Hendersonville Road, spoke in length about the room rates during the World's Fair. He said that he researched this item and found out that the rate range of \$36-84 for a double room is a very fair rate in a resort area like Asheville with or without the World's Fair. He said that the rates would no doubt be slightly increased, but nowhere near the 100% increase noted in the article in the newspaper on February 13, 1982.

Vice-Mayor Price and Councilman Pless cited figures they heard relative to the room rates increasing drastically.

Mayor Trantham said he hoped that with all the publicity on room gauging, it would discourage hotels and motels in Asheville from doing same.

Mr. Chris Moutos, Mountaineer Inn on Tunnel Road, spoke against the drastic increase in room rates.

Mayor Trantham closed the public hearing at 4:55 p.m.

Mr. Emrick read the ordinance.

Vice-Mayor Price said she realized that there should be adequate off-street parking available, but felt that Mr. Johnson, Director of Inspections, should have the final determination that adequate off-street parking is available, not the minimum of three spaces stated in the proposed ordinance.

Vice-Mayor Price moved for the adoption of Ordinance No. 1264, with the elimination of the words "minimum of three spaces available." This motion was seconded by Councilman Pless.

On a roll call vote of 7-0, Ordinance No. 1264 passed on its first reading.

RESOLUTION NO. 82-26 - RESOLUTION AUTHORIZING THE MAYOR TO AUTHORIZE THE EXECUTION OF EASEMENT DOCUMENTS BETWEEN CAROLINA POWER AND LIGHT COMPANY AND THE RHOADES ESTATE

4. Consideration was given to a resolution authorizing the Mayor to authorize the execution of easement documents between Carolina Power and Light Company and the Rhoades Estate.

The City Manager read the resolution stating that the City of Asheville leases the Rhoades Estate as a landfill site and this easement will in no way affect the City's use of the leased premises.

Upon motion of Councilwoman Frank, seconded by Councilman Wilkes, Resolution No. 82-26 was unanimously adopted.

Complete text of Resolution No. 82-26 will be found in Resolution Book No. 13 at page 154.

RESOLUTION NO. 82-27 - RESOLUTION AUTHORIZING AN AMENDMENT TO THE ASHEVILLE HUD - UDAG PROGRAM TO PROVIDE FUNDING IN SUPPORT OF THE YMI CULTURAL CENTER PROJECT

- 3) Zone one lot now inside the City limits to LI Light Industrial District:

Ward 6, Sheet 31, Lot 126.

Mayor Trantham closed the public hearing at 4:18 p.m.

Mr. Emrick read the ordinance.

Vice-Mayor Price moved for the adoption of Ordinance No. 1265. This motion was seconded by Councilman McDevitt.

On a roll call vote of 10-0, Ordinance No. 1265 was passed on its first reading.

PUBLIC HEARING - AMENDING THE ASHEVILLE ZONING ORDINANCE TO ALLOW FOR REPOSITORIES FOR ASHES OF HUMAN REMAINS AS AN ANCILLARY USE TO CHURCHES

ORDINANCE NO. 1266 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing was held to allow for repositories for ashes of human remains as an ancillary use to churches.

Mayor Trantham opened the public hearing at 4:20 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Emrick said that the Asheville Planning and Zoning Commission at its meeting on February 3, 1982, considered a request from Chairman William Frue on behalf of St. Mary's Episcopal Church that the Asheville Zoning Ordinance be amended to permit repositories for human ashes. He said that after some discussion the Commission voted to recommend to Council that repositories for ashes for human remains as an ancillary use to churches be permitted as a conditional use in the R-1, R-2, R-3, R-4, and R-5 Residential Districts.

Mayor Trantham closed the public hearing at 4:24 p.m.

Councilman Wilkes moved for the adoption of Ordinance No. 1266. This motion was seconded by Councilman Myers.

Thursday, March 4, 1982 - 4:00 p.m.

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 25, 1982, meeting.

Upon motion of Councilman McDevitt, seconded by Councilwoman Frank, the minutes of the February 25, 1982, meeting were approved as submitted.

PUBLIC HEARING - GRANT APPLICATION WITH THE URBAN MASS TRANSPORTATION ADMINISTRATION - OPERATING ASSISTANCE FUNDS FOR ASHEVILLE TRANSIT AUTHORITY

2. A public hearing was held relative to an annual grant for operating assistance funds for the Asheville Transit Authority. The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication. Mayor Trantham opened the public hearing at 4:12 p.m.

Mr. Verl Emrick, Director of Planning, said that this annual grant is for operating assistance funds for the Asheville Transit Authority. The total amount of the application will be \$986,192 of which local share will be \$493,096 and federal share will be \$493,096. He explained that the public hearing held on November 19, 1981, was not advertised thirty days prior to the meeting, therefore, the Urban Mass Transportation Administration required the City of Asheville to hold another hearing.

Mayor Trantham closed the public hearing at 4:15 p.m.

PUBLIC HEARING - ZONING OF THE BINGHAM HEIGHTS ANNEXATION AREA

ORDINANCE NO. 1265 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. A public hearing was held relative to zoning property in the Bingham Heights area (also known as Pearson Bridge Road area).

Mayor Trantham opened the public hearing at 4:16 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Emrick said that when the area was annexed in July 1, 1981, there was a portion of the upper area that was not zoned at the time. He said that the City Code and State Statutes require all parts of the City be zoned if the City has a zoning ordinance; therefore, the Planning and Zoning Commission voted unanimously to recommend the following zoning for the property:

of two of the three bodies, in determining the location of a new water source."

Upon motion of Councilman Wilkes, seconded by Vice-Mayor Price, Resolution No. 82-31 was unanimously adopted.

Complete text of Resolution No. 82-31 will be found in Resolution Book No. 13 at page 159.

7. Consideration was given to a resolution authorizing application for Asheville Area Foundation funds in support of the Asheville-Buncombe Development Corporation for Economic Development incentives.

The Associate City Manager read the resolution stating that this resolution is authorizing the Mayor to sign a request to the Asheville Community Foundation in the amount of \$5,000 for seed money to assist in establishing the Asheville-Buncombe Development Corporation. The said that the purpose of the Asheville-Buncombe Development Corporation is to provide financial incentives for economic development activities such as the Small Business Administration 503 Program.

Upon motion of Councilwoman Frank, seconded by Councilman Wilkes, Resolution No. 82-32 was unanimously adopted.

Complete text of Resolution No. 82-32 will be found in Resolution Book No. 13 at page 162.

RESOLUTION NO. 82-33 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH THE STATE OF NORTH CAROLINA FOR AN OFFER OF STATE GRANT FUNDS, MADE AVAILABLE BY THE NORTH CAROLINA CLEAN WATER BOND ACT OF 1977

8. Consideration was given to a resolution authorizing the Mayor to execute an agreement with the State of North Carolina for an offer of State grant funds, made available by the North Carolina Clean Water Bond Act of 1977.

The Associate City Manager read the resolution and said that by Resolution No. 81-216, the Mayor was authorized to file an application with the State of North Carolina for State Water Bond Funds relative to the Reed Creek Sewer Line. He said that this resolution would authorize the Mayor to execute the necessary documents for this grant which is in the amount of \$98,000.

Upon motion of Vice-Mayor Price, seconded by Councilman Pless, Resolution No. 82-33 was unanimously adopted.

Complete text of Resolution No. 82-33 will be found in Resolution Book No. 13 at page 163.

BUDGET AMENDMENT - ASHEVILLE-BUNCOMBE REVITALIZATION FUND

9. Consideration was given to a budget amendment amending the Asheville-Buncombe Revitalization Fund.

On a roll call vote of 7-0, Ordinance No. 1266 was passed on its first reading.

ORDINANCE NO. 1264 - AN ORDINANCE PROVIDING FOR OVERNIGHT ACCOMMODATIONS IN ALL RESIDENTIAL ZONES DURING THE WORLD'S FAIR

5. Consideration was given to the second reading of Ordinance No. 1264, an ordinance providing for overnight accommodations in all residential zones during the World's Fair.

The City Manager said that due to the number of suggested wording changes, he would re-read the ordinance incorporating the changes.

Vice-Mayor Price moved to amend Ordinance No. 1264 as read by the City Manager. This motion was seconded by Councilman Pless and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1264 as amended passed on its second reading.

The City Manager said that Council's decision on the issuance of the license is that if a household is working with an organization, such as Bed & Breakfast of Asheville, there is a \$5 privilege license for the business and a \$5 annual privilege license for each household. He said that if they are renting more than one bedroom in the household, it will be an additional \$1 for each room. He said that if anyone as an individual wants to rent out a room, it will be \$5 for the initial fee and \$1 for each additional room.

Councilman Wilkes moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1264, as amended. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1264 as amended passed on its third and final reading.

Complete text of Ordinance No. 1264 as amended will be found in Ordinance Book No. 9 at page 317.

RESOLUTION NO. 82-31 - RESOLUTION APPROVING THE PLANS OF THE ASHEVILLE/BUNCOMBE WATER AUTHORITY FOR AN ADDITIONAL RESOURCE DEVELOPMENT PLAN

6. Consideration was given to a resolution approving the plans of the Asheville/Buncombe Water Authority for an additional resource development plan.

The City Manager read the resolution stating that the Asheville/Buncombe Water Authority has recommended to the City and County a plan for the development of an additional water supply. He said that this resolution would approve the proposal of the Asheville/Buncombe Water Authority as described in the Asheville/Buncombe Water Authority Resolution No. 82-01 and detailed in feasible options 1, 2, and 3.

After some discussion relative to the wording of the resolution, it was the consensus of Council to add the following sentence in the resolution:

" . . . and subject to the provisions of the Water Agreement, Article IV, Section (a) which requires the affirmative vote

Therefore, by unanimous vote to approve these items, the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

- A. Resolution No. 82-34 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with M.B. Haynes Electric Corporation for the project known as "Murphy Oakley Park Entrance Road and Parking Lot Lighting."

HIGHLIGHTS: On Tuesday, February 16, 1982, five bids were received. M.B. Haynes Electric Corporation submitted the low bid in the amount of \$11,686.00. The Civil Engineer has reviewed the bids and concurs in recommending the award to M.B. Haynes Electric Corporation.

Resolution Book No. 13 at page 164.

- B. Resolution No. 82-35 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Lanford Brothers Company, Inc., for the project known as "Pack Square Project Milling."

HIGHLIGHTS: On Tuesday, February 9, 1982, two bids were received. This was the second time bids were received on this particular project - at the first bid opening on December 7, 1981, only one bid was received. That bid was returned to the bidder and the project was readvertised. Bridgeneck Protection and Sealing Co., Inc. the apparent low bidder in the amount of \$39,889.40, has no North Carolina General Contractor's License, as required by the contract. Lanford Brothers has this license and they are qualified to do this work (in the amount of \$40,136.64). The Civil Engineer has reviewed the bids and recommends Lanford Brothers Co., Inc. as the lowest qualified bidder in the amount of \$40,136.64.

RESOLUTION NO. 82-39 - RESOLUTION APPOINTING MEMBERS AND ALTERNATE MEMBERS TO THE BOARD OF ADJUSTMENT UNDER ORDINANCE NO. 322 AS AMENDED BY ORDINANCE NO. 1265

Consideration was given to a resolution appointment members and alternate members to the Board of Adjustment under Ordinance No. 322 as amended by Ordinance No. 1265.

The City Manager read the resolution explaining that in order to comply with Ordinance No. 1265, it is necessary to realign the membership of the Board of Adjustment by decreasing the number of regular members and providing for alternate members. He said that Mr. John Acee, Mr. Jack Baber, Mr. W. T. Duckworth and Mr. John Abbott are hereby appointed to serve as regular members for a period of three years or until their successors are duly appointed and qualified. He said that Mr. Richard Webster, Mr. Harold Talbert, Mr. Tom McCurry and Mr. Graham Price are hereby appointed to serve as alternate members for a period of three years or until their successors are duly appointed and qualified.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 82-39 was unanimously adopted.

Joint City/County Meeting
March 5, 1982
Page Two

NOW, THEREFORE, BE IT RESOLVED BY THE ASHEVILLE CITY COUNCIL AND THE BOARD OF COMMISSIONERS FOR THE COUNTY OF BUNCOMBE AS FOLLOWS:

1. That they affirm their support and endorsement of House Bill Number 839.
2. That the Senators of the 26th Senatorial District, Honorable Robert Swain and Honorable James McClure Clarke, be presented with copies of this resolution and that each be urged to vote for and seek approval of House Bill Number 839.
3. That alternatively, the 26th Senatorial District and the House Members representing Buncombe County sponsor special legislation to authorize the Buncombe County Board of Commissioners by resolution to adopt and levy an additional one cent sales tax for Buncombe County which would be distributed to the municipalities in the County in accordance with the schedule heretofore followed for distribution.
4. That this resolution shall become effective upon its adoption.

Upon motion of Mr. Riddle, seconded by Mr. Ratcliff, the resolution presented by Mr. Riddle was unanimously adopted.

It was suggested that this resolution be brought to the attention of the Land-of-Sky Regional Council's Executive Committee at its next meeting, which would be Monday, March 8, 1982, with the request that they also lend their support and endorse House Bill 839.

Mrs. Price said she felt it would be a good idea to send supportive information along with the resolution to the legislative delegates.

It was the consensus of those attending that the next joint meeting of the City Council/County Commissioners would be held on Tuesday, March 30, 1982, at 4:00 p.m. at the County Courthouse.

The meeting was adjourned at 9:15 a.m.

MINUTES
CITY/COUNTY JOINT MEETING
MARCH 5, 1982

A joint meeting of the Asheville City Council and Buncombe County Commissioners was held on Friday, March 5, 1982, at 8:30 a.m. in the City Council Chambers.

The following individuals were present: Mayor Roy M. Trantham; Vice-Mayor Norma T. Price; Councilmembers Mary Lloyd Frank, Gordon Myers, Joe Pless and H. C. Wilkes; Chairman R. Curtis Ratcliff; Commissioners Doris Giezentanner, J. D. Jackson, Jesse Ledbetter and Robert Riddle; William F. Wolcott, Jr., City Clerk; City staff Charlotte Hutchison; news media Merrill Gregory.

The merits of both House Bill 1128 and House Bill 839 were discussed and it was determined that both the City and County were in agreement that they would support House Bill 839.

Mr. Ledbetter suggested that the County Commissioners meet with the School Board and decide the priorities relative to which new school would be built, Enka, North Buncombe or Vance Elementary.

Mr. Riddle read the following resolution:

RESOLUTION REQUESTING SENATE APPROVAL AND RATIFICATION OF HOUSE BILL #839

WHEREAS, the Asheville City Council and the Buncombe County Board of Commissioners at their March, 1982, joint meeting acknowledged that each of the two municipalities are presently in need of additional funds or revenues with which to continue funding of necessary services and programs; and

WHEREAS, House Bill Number 839, which would authorize the respective counties within the State to submit to the voters of each county a referendum on whether or not to levy an additional one cent sales tax, has been approved by the North Carolina House of Representatives and is presently pending in the Senate; and

WHEREAS, special legislation could be enacted in the event of the failure or passage of House Bill Number 839 to authorize Buncombe County to levy an additional one cent sales tax for distribution in accordance with the existing formula among the various municipalities in Buncombe County; and

WHEREAS, the Asheville City Council and the Buncombe County Board of Commissioners believe that it would be in the best interest of all citizens of Buncombe County if House Bill Number 839 were approved and adopted by the North Carolina Senate or alternatively that the House and Senate enact special legislation to authorize Buncombe County through resolution of the Buncombe County Board of Commissioners to levy an additional one cent sales tax for Buncombe County for distribution in accordance with the existing schedule to the various municipalities in Buncombe County.

CLAIMS - E. R. LAMY, SHERMAN LOGAN, MARTHA SPURRIER, DEBORAH SHEFFARD, DAVID COFFEY

The City Manager presented the claims received by E. R. Lamy, Sherman Logan, Martha Spurrier, Deborah Sheffard and David Coffey. He stated that these claims have been referred to the appropriate insurers for investigation.

RESOLUTION AUTHORIZING THE CITY MANAGER OF THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACTUAL AGREEMENT WITH WESTERN CAROLINA EMERGENCY MEDICINE, P.A., TO PROVIDE ATTENDING PHYSICIAN SERVICES TO THE CITY INFIRMARY

Consideration was given to a resolution authorizing the City Manager of the City of Asheville to enter into a contractual agreement with Western Carolina Emergency Medicine, P.A., to provide attending physician services to the City Infirmary.

The City Manager read the resolution.

Upon inquiry of Councilman McDevitt, Mr. John Miall said that the primary purpose of the attending physician services in the City is to treat injuries that are sustained while on the job. He said that the attending physician provides the infirmary with standing orders for the treatment of sick and injured employees, along with an approved list of simple medications that can be dispensed. He stressed that the physician would not personally treat sick employees for general sicknesses, such as colds and flu.

Councilman McDevitt questioned the section dealing with fees. Mr. Miall said that the three specific services set out in the agreement are the services that the City uses often in the treatment of employees.

Councilman McDevitt requested that the phrase "Except for the charges specified below, . . ." be inserted at the beginning of the first paragraph under the "Fees and Payment for Services" section on Page 3.

Councilman McDevitt questioned the payments after termination.

Due to the several inquiries from the members of Council, the City Manager suggested that Council delay action on this resolution, review the contract further and place it on next week's agenda.

LEASING OF CITY EQUIPMENT

The City Manager presented an idea to Council relative to the leasing of City equipment acquisitions versus cash purchases. He said that there is a mechanism in today's rising interest rates and investment options for the City to actually take funds that it has set aside for capital outlay, invest those funds with a banking institution and then through a lease arrangement and the combining of interest, actually purchase the capital outlay for less money in the long run than the City would actually have paid out in cash.

He said that after investigating this financing technique, the Finance Director and the Purchasing Agent solicited proposals from 6 leasing firms on vehicles whose purchase was already authorized and the bid award made by Council. He said the solicitation letter indicated that proposals would be received until 4:00 p.m. on March 10 and that the City would notify the successful proposer of

Vice-Mayor Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Frank and carried unanimously.

BIDS - ONE DIESEL POWERED TRACTOR WITH HYDRAULIC ARM MOWER SYSTEM

6. Consideration was given to bids received February 17, 1982, for one diesel powered tractor with hydraulic arm mower system.

The City Manager presented the bids and the recommendation of the Purchasing Director and the Director of Public Works stating that three bids were received. He said that all three of the bidders submitted proposals which were fully responsive to our specification. He said that in addition, two of the bidders submitted unsolicited alternate proposals for units not meeting specifications, in that the tractors do not include the specified full cab. He said that the Director of Public Works has reviewed the bids and recommends that an award be made to Farm Equipment Company of Asheville in the amount of \$29,666.00 as the lowest bid fully meeting the specifications. He said sufficient funds are available in the Revenue Sharing Fund, Public Works Department, Street Division appropriations.

Councilwoman Frank moved to accept the recommendation of the Purchasing Director and award the bid to Farm Equipment Company of Asheville in the amount of \$29,666.00. This motion was seconded by Councilman Myers and carried on a voice vote of 6-1, with Councilman McDevitt voting "no."

CONTRACT CHANGE ORDER - TEN TRANSIT COACHES

7. Consideration was given to approve a contract change order for ten transit coaches.

The City Manager presented the request for approval of a contract change order. He said that when the City awarded the contract on July 30, 1981, for ten transit coaches to Blue Bird Body Company of Fort Valley, Georgia, the contract bid of \$15,900 was included for an engine and transmission package. He said that Blue Bird Body Company offers a complete engine transmission cradle assembly to use for quick engine changeout. He said that Blue Bird Body Company will furnish the parts and assemblies to upgrade this to a complete slide-in/slide-out package for an additional \$6,447, bringing the total power package cost to \$22,347.00. He said that the additional funds for this purchase are available from the project budget UMTA NC-05-0019.

Councilwoman Frank moved to approve the contract change order for ten transit coaches as presented by the City Manager. This motion was seconded by Vice-Mayor Price and carried on a voice vote of 6-1, with Councilman McDevitt voting "no."

PUBLIC HEARING SCHEDULED - AMEND SIZE OF PARKING BAYS TO 8.5' x 18'

8. Vice-Mayor Price moved to schedule a public hearing relative to a proposed wording amendment to the Asheville Zoning Ordinance Section 30-3-11 (f) Off-Street Parking - Dimensional Requirements for April 1, 1982. This motion was seconded by Councilwoman Frank and carried unanimously.

PUBLIC HEARING SCHEDULED - PERMIT TAILOR AND SEAMSTRESS SHOPS IN THE R-4 RESIDENTIAL DISTRICT

9. Councilwoman Frank moved to schedule a public hearing relative to permitting tailor and seamstress shops in the R-4 Residential District for April 1, 1982. This motion was seconded by Vice-Mayor Price and carried unanimously.

Thursday, March 18, 1982 - 4:00 p. m.

The invocation was given by Councilman H. C. Wilkes.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 11, 1982 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the March 11, 1982 meeting were approved as submitted.

PRESENTATIONS - W. R. BUCKNER AND R. R. ROBINSON - ASHEVILLE POLICE DEPARTMENT - PARTICIPATION IN THE SEARCH OF AN ABANDONED MINE SHAFT IN ASHE COUNTY

2. The City Manager read letters of appreciation to W. R. Buckner and R. R. Robinson for their participation in the search of an abandoned mine shaft in Ashe County, North Carolina, on January 25, 1982.

Mayor Trantham presented Officers Buckner and Robinson with the letters of appreciation.

RESOLUTION NO. 82-41 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH BLUE RIDGE STRUCTURE COMPANY FOR THE PROJECT KNOWN AS REPLACEMENT OF FAIRVIEW ROAD BRIDGE

3. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Blue Ridge Structure Company for the project known as replacement of Fairview Road Bridge.

The City Manager read the resolution stating that nine bids were received. Blue Ridge Structure Company is the apparent low bidder in the amount of \$72,040.18. The City Engineering Coordinator has reviewed the bids and recommends that the award be made to Blue Ridge Structure Company in the amount of \$72,040.18.

Upon motion of Councilwoman Frank, seconded by Councilman Pless, Resolution No. 82-41 was unanimously adopted.

Complete text of Resolution No. 82-41 will be found in Resolution Book No. 13 at page 171.

RESOLUTION NO. 82-42 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH APAC-CAROLINA, INC. FOR THE PROJECT KNOWN AS PACK SQUARE PROJECT

4. Consideration of a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with APAC - Carolina, Inc. for the project known as Pack Square Project.

it's intent to accept by 10:00 a.m. on March 12. He said that 3 proposals were received. He said that we estimate a potential savings to the City of \$3,030 for lease/purchase of 12 police cruisers for 24 months and an additional savings of \$1,380 for the lease/purchase of 7 other general purpose vehicles for 36 months over the cash purchase of these vehicles.

Mr. Larry Fisher, Director of Finance, said that this technique is being used with increasing frequency by local governments, including such cities as Greensboro, Winston-Salem, Charlotte and Buncombe and Orange Counties.

Upon inquiry of Councilman Myers relative to what rates the banks have offered on this lease/purchase arrangement, Mr. Fisher said that the lowest rate received was 11.92, the others being 12.40 and 18.02.

Councilman Myers said that he was glad that the City was exploring other methods of financing and felt that this was a good program.

Mrs. Price moved that Council approve the lease/purchase concept of financing with periodic progress reports made on the transactions taken. This motion was seconded by Councilwoman Frank and carried unanimously.

RALPH BISHOP

Mr. Ralph Bishop spoke to Council relative to the ways the Council could increase its revenue.

ADJOURNMENT

Upon motion of Vice-Mayor Price, seconded by Councilman Myers, the meeting adjourned at 5:15 p.m.

MAYOR

CITY CLERK

RESOLUTION NO. 82-44 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO A LEASE AGREEMENT FOR THE CITY FOR USE OF THE ASHEVILLE CATHOLIC COMMUNITY SCHOOL ATHLETIC FIELD AND PLAYGROUND

7. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into a lease agreement for the City for use of the Asheville Catholic Community School Athletic Field and Playground.

The City Manager read the resolution stating that the City of Asheville Parks and Recreation Department has for several years used the Asheville Catholic Community School athletic field during evening hours throughout the spring and summer in order to conduct a Little League program in the North Asheville area. The City of Asheville desires to continue to lease the Asheville Catholic Community School athletic field and playground for the period of April 1, 1982, through August 15, 1982, at a rent of One (\$1.00) Dollar. This resolution will authorize the execution of said lease.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-44 was unanimously adopted.

Complete text of Resolution No. 82-44 will be found in Resolution Book No. 13 at page 174.

RESOLUTION REQUESTING SENATE APPROVAL AND RATIFICATION OF HOUSE BILL NUMBER 839

8. Consideration was given to a resolution requesting Senate approval and ratification of House Bill Number 839.

The City Manager read the resolution stating that the Asheville City Council and the Buncombe County Board of Commissioners at their March, 1982, joint meeting acknowledged that each of the two municipalities are presently in need of additional funds or revenues with which to continue funding of necessary services and programs. House Bill Number 839 would authorize the respective counties within the State to submit to the voters of each county a referendum on whether or not to levy an additional one cent sales tax. This resolution will request Senate approval and ratification of said House Bill.

Several Councilmembers, including Councilman Wilkes, Councilman McDevitt and Councilman Myers expressed concern about the wording of the resolution referring to the House and Senate enacting special legislation to authorize Buncombe County Board of Commissioners to levy an additional one cent sales tax for Buncombe County without a referendum.

Councilman Wilkes moved to table action on the resolution. This motion was seconded by Councilman Myers and carried unanimously.

CLAIMS - SUSAN MOSELEY - JACK WILSON - J. D. JACKSON ASSOCIATES - C. M. CAMERON - ANGELA DAVIS - SHANNON SHYTLE

The City Manager presented claims received from Susan Moseley, Jack Wilson, J. D. Jackson Associates, C. M. Cameron, Angela Davis, and Shannon Shytle.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

The City Manager read the resolution stating that four bids were received. APAC-Carolina, Inc., is the low bidder in the amount of \$70,115. The City Engineering Coordinator has reviewed the bids and recommends that the award be made to APAC-Carolina, Inc., in the amount of \$70,115.

Tom Tarrant, Civil Engineer for the City of Asheville, explained the scope of the project.

Upon motion of Councilman Wilkes, seconded by Councilman Myers, Resolution No. 82-42 was unanimously adopted.

Complete text of Resolution No. 82-42 will be found in Resolution Book No. 13 at page 172.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 18, 1982, meeting.

Upon motion of Councilwoman Frank, seconded by Councilman Wilkes, the minutes of the March 18, 1982, meeting were unanimously approved as submitted.

ORDINANCE NO. 1267 - ORDINANCE AMENDING SECTION 28-81.3 AND SECTION 28-81.6 OF ARTICLE IV (SPEED REGULATIONS) OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

2. Consideration was given to an ordinance amending Section 28-81.3 and Section 28-81.6 of Article IV (Speed Regulations) of Chapter 28 of the Code of Ordinances of the City of Asheville.

The City Manager read the ordinance stating that the North Carolina Department of Transportation has requested that the City of Asheville enact concurring ordinances regarding school speed zones in the City of Asheville. In the past, concurring ordinances were not required to effect such speed zones, however that policy is no longer in effect and for those zones now posted and presently in place documentation must be made. Therefore, this action is not one of enactment of a zone but merely one of legalizing what is now in being.

Councilman Wilkes moved for the adoption of Ordinance No. 1267. This motion was seconded by Councilman Myers.

On a roll call vote of 6-0, Ordinance No. 1267 passed on first reading.

Councilwoman Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1267. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1267 passed on second reading.

PROCLAMATION - YOUTH-IN-GOVERNMENT DAY - MARCH 24, 1982

Mayor Trantham proclaimed March 24, 1982 as Youth-in-Government Day.

CATHERINE HILZ - AMENDMENT TO NOISE ORDINANCE - DISCUSSION

Catherine Hilz, a resident of the City of Asheville, appeared before Council requesting that Ordinance No. 688, an ordinance to control noise in the City, be amended. She said the ordinance, as written, permits the operation of a chain saw at any time including Sundays and holidays. She said the Police Department told her nothing could be done about the chain saw operation until the ordinance was amended. She said one Captain at the Police Department told her the City did not have a noise ordinance. She quoted sections of a recent article whereby Bloomington, Minn. established an effective noise program using a decible machine.

After discussion, Councilwoman Frank requested that the City Manager obtain a copy of the Bloomington, Minn. noise ordinance as well as the cost of noise program in Bloomington, Minn.

Vice-Mayor Price also requested that the City Manager respond to the present enforcement of the existing noise ordinance and determine how decibels are presently measured.

Mayor Trantham advised Mrs. Hilz that Council would review the noise ordinance and respond to her request.

**RESOLUTION NO. 82-45 - RESOLUTION AUTHORIZING THE CITY MANAGER
TO SIGN A CONTRACT FOR CLAIMS ADMINISTRATION SERVICE TO THE
WORKER'S COMPENSATION PROGRAM OF THE CITY OF ASHEVILLE**

5. Consideration was given to a resolution authorizing the City Manager to sign a contract for claims administration service to the Worker's Compensation Program of the City of Asheville.

The City Manager read the resolution stating that on March 27, 1981, the City of Asheville entered into an agreement with Gallagher/Bassett Insurance Service of Greenville, South Carolina for the purpose of providing professional safety and management consultation to the City in administering its self-insured Worker's Compensation Program. This resolution will authorize the City Manager to enter into an agreement with Gallagher/Bassett Insurance Service for continuation of this service beginning March 27, 1982, for a period of one year.

The City Manager said the Fringe Benefits Committee reviewed the agreement and recommended its approval.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 82-45 was unanimously adopted.

Complete text of Resolution No. 82-45 will be found in Resolution Book No. 13 at page 175.

REPORT - CIVIC CENTER COMMISSION - EASTER SUNRISE SERVICE

The City Manager said on February 4, 1982, a motion was adopted by Council to ask the Civic Center Commission to review the Easter Sunrise

3. A hearing was held relative to the appeal of Walter D. Gilchrist of the Asheville Police Department, appealing a decision of the Board of Examiners of the Asheville Policemen's Pension and Disability Fund.

Mr. T. E. L. Lipsey, III, attorney representing Mr. Walter D. Gilchrist, said his client is appealing the decision of the Board of Examiners and Board of Trustees of the Asheville Policemen's Pension and Disability Fund in denying service connected disability retirement. He said the Board did grant non-line-of-duty disability retirement. He said Mr. Gilchrist applied for in-line-of-duty disability retirement after discovering in February, 1979, that he had diabetes.

He said the Board of Examiners on August 20, 1979, considered the request of Mr. Gilchrist for in-line-of-duty disability retirement due to a diabetes problem. He said at the same time the Board considered requests for in-line-of-duty disability retirement for Mr. Jack W. Higgins and Harold E. Newsome. He said the Board had some question as to whether the requests should be considered under the "old law" (Chapter 188 of 1977 Session Laws of North Carolina General Assembly, or the "new law" (Chapter 429 of 1979 Session Laws of North Carolina General Assembly). He said an opinion was received from the Attorney General's Office which stated that applications for disability retirement based on alleged disabilities occurring before April 20, 1979, should be considered under the statutory provisions of the "old law." He said in his opinion the "old law" provided that it would not be necessary for the injury or sickness to be in-line-of-duty for disability retirement. He said being that Mr. Gilchrist diabetes problem arose in February, 1979, his application for disability retirement should be considered under the "old law." He said the Board of Examiners and Board of Trustees approved in-line-of-duty disability retirement benefits for Harold E. Newsome, under the old law, for a heart condition and also approved in-line-of-duty disability retirement benefits, under the old law, for Jack W. Higgins for a diabetes problem. However, Mr. Gilchrist's request was not considered under the old law.

Mr. Gilchrist appeared before Council outlining the events leading up to his appeal of the decision of the Board of Examiners and Board of Trustees.

Attorney Robert J. Robinson, acting on behalf of the Board of Examiners and Board of Trustees of the Asheville Policemen's Pension and Disability Fund said that it was the Board's decision that an individual would not be disabled to work with diabetes. Further that diabetes is not related to in-line-of-duty retirement benefits. He said in his opinion an individual has to be disabled with a job-related injury or sickness to receive in-line-of-duty retirement benefits. He said it was his opinion references to other cases should not be brought before the City Council.

A discussion was held between Council members as to whether or not a precedent was set when in-line-of-duty benefits were granted to Officers Higgins and Newsome and whether Mr. Gilchrist was treated fairly by the Board of Trustees and Board of Examiners.

After further discussion and upon recommendation of Attorney Robert J. Robinson, Councilman Myers moved that Council retain jurisdiction of the Gilchrist appeal and receive additional information from the Secretary of the Board of Examiners relevant to the issues brought before Council. This motion was seconded by Councilman Pless and carried unanimously.

The City Manager said it was his understanding that the only church sponsoring the Easter Sunrise event is the Merrimon Avenue Baptist Church. He said Council should decide what rate should be charged to the Merrimon Avenue Baptist Church. He said the church paid the Civic Center the base rate of \$600 for the auditorium space in 1981 plus other related cost.

Councilman Wilkes said he would consider reducing the rate if it was an interfaith or inter-denominational service with many churches involved, but he would not be in favor of reducing the rate for a single church.

After discussion, Councilman Wilkes moved that the Civic Center Manager charge the present rate for the Easter Sunrise Service event. This motion was seconded by Vice-Mayor Price and carried on a voice vote of 6-1 with Councilman Pless voting "no."

REQUEST FOR SIGN PERMIT - 29 MONTFORD AVENUE - ART

The City Manager said a request had been received from the Community Arts Council for the approval of a sign permit for a mural painting on the Country Estates Building facing I-240 at 29 Montford Avenue. He said this was in conjunction with the Community Arts activities to take place during April. He said it was difficult for the staff to interpret the wording of the Zoning Ordinance as to whether this would be considered an advertising sign. He said the sign is to be situated closer than 600 feet from a limited access highway requiring the approval of Council.

Ann Dunn, of the Board of Directors of the Arts Council spoke in support of the sign permit. She said Mr. David West, owner of the building agreed to permit the Arts Council use his building and Danny Fisher an artist has agreed to paint the mural.

She said she felt the building would be prettier with the mural than it is now. She said the mural would be a country landscape scene. The Country Estate Realty is already advertised on that side of the building.

Councilman Pless said that he had no problems approving a mural for the building but did have problems if it was considered an advertising sign.

Vice-Mayor Price noted that this building is in the Montford Historic District and the sign permit would require approval of the Historic Resources Commission.

After discussion, Mr. Emrick, Director of Planning, suggested that Council approve the sign permit for the mural if it would be separated from the present advertising sign on the building and pending a Certificate of Appropriateness from the Historic Resources Commission.

Vice-Mayor Price moved to approve the mural painting for the Country Estates building at 29 Montford Avenue contingent upon approval by the Historic Resources Commission with the issuance of a Certificate of Appropriateness and that the mural in no way encompass the present advertising sign. This motion was seconded by Councilman Pless and carried unanimously.

Services and to give the churches in the community every consideration with respect to rental rates noting that the Easter Sunrise Service is held at 5:30 A.M. He said a letter was forwarded to the Civic Center Commission outlining Council's motion. The City Manager read the following letter from Richard D. Trammell, Chairman of the Civic Center Commission relative to that motion.

March 8, 1982

Mr. William F. Wolcott, Jr.
Associate City Manager/City Clerk
City of Asheville
Asheville, NC 28807

Dear Billy:

Thank you for your letter regarding City Council's motion concerning the rental rate for churches using the Civic Center for Easter Sunrise Service. Though the commission does not meet again until March 16, I have reviewed the request with Bill Murphy.

The Civic Center Manager has rate negotiation authority. However, this is a special request by Council, and I have asked Bill to negotiate whatever rate is agreeable with you and the city manager. I think there are a couple of things you should be aware of though. I do suggest you keep some of our past experiences in mind.

Last year, the auditorium was reserved by Mike Smith, Merrimon Avenue Baptist Church. Mr. Smith was charged the base rent of \$600 for the auditorium, \$113.85 for union labor required during the event and \$194.68 for advertising placed through the Civic Center. The event was attended by approximately 600-800 people. As you can see, the only negotiable charge would be in the actual base rental of the facility.

It has been the policy of the commission to establish rates at a level to cover actual operation expenses, i.e., utilities, clean-up, and labor cost over and above that actually required by the union of events. Our intent has been to keep Asheville tax payers from having to underwrite civic center deficits any more than absolutely necessary.

Our policy has been to limit "free" use of the building to City of Asheville functions only, i.e., Civil Service testing, city auction, etc. Considering the critical review of previous Civic Center budgets by the Council, we felt our rental policy was in keeping with Council's wishes.

We look forward to working with Council on this request.

Best personal regards,

Richard D. Trammell
Chairman
Civic Center Commission

Other damage noted was to street name markers, traffic control signs, street lights and blockage of drainage ditches serving the area.

These alone were not enough to warrant closing the road. However, as we visited further down on Caledonia Road nearer N.C. 81 at the large drainage culvert under Caledonia Road, we noted, while standing on the culvert, considerable movement in the structure as a city owned pickup crossed it. Further investigation revealed that somewhat attempts had been made to shore the structure (as indicated in photo). This, along with apparent damage to the structure at street level caused me to make the decision to close the portion of Caledonia Road crossing the structure for the safety of those using this street.

Mr. Dutcher contacted Mr. Tarrants, of Appalachian Hall, regarding our concerns. I followed with a certified letter to Mr. Tarrants. Our concerns and Mr. Tarrants' responses are contained in the file.

Although neither the street or the culvert were in the best of condition, the damage from the timber harvesting operation have, in my opinion, accelerated their deterioration.

Because I feel the city should not be totally saddled with the cost of correcting this situation, I have requested an opinion from the City Attorney as to our recourse before we unilaterally undertake corrections without assurance of at least partial reimbursement.

cc: Ken Michalove
City Manager

William C. Moore
Corporate Counsel

The City Manager said it had been estimated that the road repairs would cost about \$4,000 to \$5,000 thousand dollars.

Corporation Counsel Moore said if damage was done to City property, the City could take anyone liable for the damage to court for damages.

Upon inquiry of the City Manager, the Corporation Counsel said the City could make repairs and open the road for traffic and then take anyone liable for the damages to court. He said full documentation of the existing conditions will leave open the City's legal option in case the issue was not resolved to the City's satisfaction.

After discussion Vice-Mayor Price moved to authorize the City Manager to make the necessary road repairs to open Caledonia Road and to keep records of existing conditions for consideration of further legal action. This motion was seconded by Councilwoman Frank and carried unanimously.

REQUEST OF MARTIN L. NESBITT - RESIDENTIAL MOBILE HOME IN COMMERCIAL SERVICE DISTRICT

The City Manager said the Mayor had received a letter from Martin L. Nesbitt requesting a review be taken to determine if it is feasible to allow a residential mobile home as a permanent residence in a commercial service district. He said Mr. Nesbitt was referring to a lot on Old County Home Road, known as Ward 12, Sheet 13, Lot 42. He said it was Mr. Emrick's recommendation for City Council to refer the request to the Asheville Planning and Zoning Commission for action and recommendation.

Councilman Myers moved that Mr. Nesbitt's request be referred to the Asheville Planning and Zoning Commission for action and recommendation. This motion was seconded by Councilman Wilkes and carried unanimously.

CLAIMS - TINA CLARK - DAN HENSLEY - RICHARD KNAPP - WILLIAM HARRIS

The City Manager presented claims received from Tina Clark, Dan Hensley, Richard Knapp, and William Harris.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

REPORT RELATIVE TO CALEDONIA ROAD CLOSING

The City Manager read the following memorandum relative to the Caledonia Road closing:

MEMORANDUM TO: Ken Michalove
City Manager

FROM: T. Clark Brown
Director of Public Works

DATE: March 25, 1982

SUBJECT: Draft Report - Caledonia Road Closing

Ken, on February 25, 1982, in response to a call from Parks and Recreation Department personnel, I sent Paul Dutcher to investigate damage to streets in the area of Appalachian Hall, in the Kenilworth area.

Mr. Dutcher investigated, and on his return to the office, suggested that I also visit the location. Mr. Dutcher, Mike Evans, Street Superintendent, and I then visited the area.

On my visit it was apparent that Caledonia Road had been damaged by the timber harvesting operation on Appalachian Hall property. Apparent damage at this time appeared to be where large trees had been fallen onto the street, striking the street surface with such force as to damage it, logs skidded or dragged over the street surface for long distances and logs skidded or dragged up the roadway slope across the shoulders and onto the street surface.

ORDINANCE NO. 1268 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

3. A public hearing was held relative to a proposed wording amendment to the Asheville Zoning Ordinance Section 30-3-11 (F) Off-Street Parking - Dimensional Requirements (amend size of parking bays to 8.5' x 18').

195

Councilwoman Frank said the documentation should involve a series of photographs of street damages, and damages which the City feels is not their responsibility.

Vice-Mayor Price suggested that a research be done to determine the feasibility of an ordinance being drawn or a permit being required for tree harvesting on City streets and over culverts.

COUNCILMAN WILKES - REQUEST FOR EXECUTIVE SESSION - UNRESOLVED PERSONNEL MATTER

Councilman Wilkes requested that after the Council meeting, Council meet in executive session relative to an unresolved personnel matter.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES

Ralph Bishop again spoke to Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion Mayor Trantham adjourned the meeting at 6:00 P.M.

MAYOR

CITY CLERK

Mayor Trantham closed the public hearing at 4:43 P.M.

Verl Emrick read the ordinance.

Councilwoman Frank moved for the adoption of Ordinance No. 1269. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 7-0, Ordinance No. 1269 passed on first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1269. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1269 passed on second reading.

Councilwoman Frank moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1269. This motion was seconded by Vice-Mayor Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1269 passed on third and final reading.

Complete text of Ordinance No. 1269 will be found in Ordinance Book No. 9 at 326.

**CONTINUATION OF PUBLIC HEARING - APPEAL OF WALTER D GILCHRIST
-DECISION OF THE BOARD OF EXAMINERS OF THE ASHEVILLE POLICEMEN'S
PENSION AND DISABILITY FUND**

5. Continuation of a hearing relative to the appeal of Walter D. Gilchrist of the Asheville Police Department, appealing a decision of the Board of Examiners of the Asheville Policemen's Pension and Disability Fund.

Councilman Myers made the following motion:

**"MOTION TO REMAND WALTER D. GILCHRIST APPEAL TO THE BOARD OF
EXAMINERS OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY
FUND**

The Asheville City Council at its March 25, 1982, regular Council meeting and subsequent meeting of March 30, 1982, discussed and reviewed the appeal of Walter D. Gilchrist for a change in retirement status from not in the line of duty disability to in the line of duty disability. In order for the Council to make a decision on the appeal, it will be necessary to remand the matter to the Board of Examiners for the following reasons and/or information:

1. The names of individuals the Board of Examiners approved for in-line of duty disability retirement due to diabetes.
2. The names of individuals the Board of Examiners approved for in-line of duty disability retirement who became disabled for non-service connected reasons.

Mayor Trantham opened the public hearing at 4:28 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and affidavit of publication.

Verl Emrick, Director of Planning, said Memorial Mission Hospital has requested that the Asheville Zoning Ordinance Section 30-3-11 (F) be amended relative to the size of parking bays. At present the dimensional requirements for off-street parking spaces are 9' x 20'. The Planning and Zoning Commission recommends to City Council to amend Section 30-3-11 (F) by amending the size of the parking bay to 8.5' x 18' which can provide a break on development cost as well as allowing more bays in the same space.

Mr. Emrick said this amendment would still accommodate large and small cars and provide an opportunity for more cars to be parked in smaller spaces allowing for more green areas. He said it would also help to control ingress and egress.

Upon inquiry of Council, Mr. Emrick said Council would still have authority under the group development section of the Zoning Ordinance to make changes in parking requirements. He said double stripes could be required in parking garages to eliminate cars parking too closely.

Mayor Trantham closed the public hearing at 4:33 P.M.

Mr. Emrick read the ordinance.

Councilman McDevitt moved for the adoption of Ordinance No. 1268. This motion was seconded by Councilman Myers.

On a roll call vote of 7-0, Ordinance No. 1268 passed on first reading.

PUBLIC HEARING - WORDING AMENDMENT TO ZONING ORDINANCE - R-4
RESIDENTIAL - TO PERMIT TAILOR SEAMSTRESS SHOPS

ORDINANCE NO. 1269 - AN ORDINANCE AMENDING ORDINANCE NO. 322,
KNOWN "AN ORDINANCE PROVIDING FOR THE CITY OF ASHEVILLE" AS
AMENDED

4. A public hearing was held relative to a proposed wording amendment to the Asheville Zoning Ordinance Section 30-5-5. R-4 Residential District - Uses Permitted (to permit tailor and seamstress shops).

Mayor Trantham opened the public hearing at 4:40 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said on February 11, 1982, the City Council discussed the petition of Mr. Kostas Rantzios to rezone his lot on Chestnut Street in order to allow him to move his tailor shop. It was the consensus of the Council to remand the request to the Planning and Zoning Commission to consider allowing tailor and seamstress shops in the R-4 Residential District. The Planning and Zoning Commission recommends to City Council to amend the verbage of the ordinance to accommodate the uses.

RESOLUTION NO. 82-48 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE RIGHT-OF-WAY DOCUMENTS NECESSARY FOR CONSTRUCTION OF TWO BOX CULVERTS ON NORTH BEAR CREEK ROAD

8. Consideration was given to a resolution authorizing the Mayor to execute right-of-way documents necessary for construction of two box culverts on North Bear Creek Road.

The City Manager read the resolution stating that the North Bear Creek Road bridges have deteriorated to the point that repairs are no longer feasible. The North Bear Creek Road bridges are of major importance to the flow of traffic to heavy developed and established areas of the City. It is the desire of the City to maintain safe and efficient flow of traffic along North Bear Creek Road by replacing the deteriorated bridges with concrete box culverts. This resolution will authorize the Mayor to execute and record on behalf of the City the necessary documents required to secure temporary construction easements and perpetual right-of-way easement across private property for the purpose of removing the deteriorated bridges and constructing new concrete box culverts.

Upon inquiry of Council, Larry Ward of the Department of Public Works said funds had been budgeted for this project under the Bridge Replacement Program.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 82-48 was unanimously adopted.

Complete text of Resolution No. 82-48 will be found in Resolution Book No. 13 at page 178.

RESOLUTION NO. 82-49 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN EXTENSION OF THE CONTRACT WITH THE JOINT VENTURE OF BILL ASHE AND MIKE COX, AIA, TO PROVIDE ARCHITECTURAL SERVICES FOR THE RESTORATION OF THE YMI BUILDING

9. Consideration was given to a resolution authorizing the Mayor to execute an extension of the contract with the joint venture of Bill Ashe and Mike Cox, AIA, to provide architectural services for the restoration of the YMI Building.

The City Manager read the resolution stating that the City of Asheville has been awarded a grant from the North Carolina Division of Archives and History to provide professional design services for the restoration of the YMI Building. The City of Asheville did on September 4, 1980, enter into a joint venture contract with Bill Ashe and Mike Cox, AIA, to perform professional services for the sum of \$2,500. It is desirable and necessary that additional architectural services be performed to insure the restoration of the YMI Building. Funds for said services are available and budgeted. This resolution will authorize the Mayor to execute an extension of the contract to perform the services for a fee not to exceed \$2,500.

Verl Emrick, Director of Planning, outlined the contents of the contract with Bill Ashe and Mike Cox.

3. Reasons and/or explanation for the Board of Examiners approving non-line of duty disability retirement rather than in-line of duty disability retirement for Walter D. Gilchrist.
4. That the information requested be furnished to Council by May 1, 1982."

This motion was seconded by Councilwoman Frank and carried unanimously.

ORDINANCE NO. 1267 - ORDINANCE AMENDING SECTION 28.81.3 AND SECTION 28.81.6 OF ARTICLE IV (SPEED REGULATIONS) OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to the third reading of Ordinance No. 1267, ordinance amending Section 28-81.3 and Section 28-81.6 of Article IV (Speed Regulations) of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor Trantham said this ordinance was previously read on first and second reading and would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1267 passed on third and final reading.

Complete text of Ordinance No. 1267 will be found in Ordinance Book No. 9 at page 323-324.

RESOLUTION NO. 82-47 - RESOLUTION AUTHORIZING THE PURCHASE OF MASS TRANSIT VEHICLES FROM THE UNITED STATES DEPARTMENT OF TRANSPORTATION

7. Consideration was given to a resolution authorizing the purchase of mass transit vehicles from the United States Department of Transportation.

The City Manager read the resolution stating that the Asheville Transit Authority has, since 1968, provided certain transportation services for school students within the City of Asheville. A solution to Asheville's compliance with current Federal Requirements for school bus services is the purchase by the City of Asheville of the Federal Government's interest in the fifteen (15) buses to be used exclusively for school bus service. The total cost to the City of Asheville for said purchase is approximately \$61,644 based upon an independent appraisal of existing buses and consultation with the Urban Mass Transportation Administration Regional Staff. In order to continue the current level of transportation services, the City School Board Administrative Staff is in agreement with an increase of 10¢ per student ticket (each way) to be used to amortize said transit vehicle purchase over an approximate three year period. This resolution will authorize the Mayor to enter into an agreement with the United States Department of Transportation for the purchase of said buses.

Upon motion of Councilman Pless, seconded by Councilman Wilkes, Resolution No. 82-47 was unanimously adopted.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 82-51 was unanimously adopted.

Complete text of Resolution No. 82-51 will be found in Resolution Book No. 13 at page 182-183.

BUDGET AMENDMENT - GENERAL REVENUE SHARING - ASHEVILLE TRANSIT AUTHORITY - PURCHASE OF SCHOOL BUSES

Bob Wurst, Budget Director, presented a budget amendment in the amount of \$61,644 to provide funding for school bus acquisition, balance to be refunded over three year period.

Vice-Mayor Price moved to approve the budget amendment as presented by Mr. Wurst relative to the funding for school bus acquisition. This motion was seconded by Councilwoman Frank and carried unanimously.

BUDGET APPROPRIATION - 503 COMMITTEE - PROGRAM OF THE ASHEVILLE-BUNCOMBE DEVELOPMENT CORPORATION

Councilman Wilkes, being a member of the 503 Committee, a program of the Asheville-Buncombe Development Corporation, said the Committee had requested that the City and County appropriate \$5,000 each for the 503 Committee for the operation and overhead expenses. He said it was felt that these funds would be recuperated in an amount more than \$5,000. He said this Committee would make small loans for small business. He said the County had appropriated their \$5,000 and he was requesting and encouraging Council to appropriate \$5,000 for this Committee.

Councilman Wilkes moved to appropriate \$5,000 from the Downtown Revitalization Fund for the continuation and operation of the 503 Committee, a program of the Asheville-Buncombe Development Corporation. This motion was seconded by Councilwoman Frank and carried unanimously.

DISCUSSION/ACTION RELATIVE TO THE EASTER SUNRISE SERVICE - ASHEVILLE CIVIC CENTER - APRIL 11, 1982

Councilman Myers said he had received additional information relative to the issue of the Easter Sunrise Service at the Asheville Civic Center. He said he had received information, during the past week stating that the service is not solely sponsored by the Merrimon Avenue Baptist Church but sponsored by the Asheville Easter Sunrise Service. He said due to the new facts that had been presented the service is inter-denominational and he would be in favor of waiving the base rent for this event.

After discussion, Councilman Myers moved to ask the Asheville Civic Center Commission to waive the \$600 base rent for the Easter Sunrise Service to be held at the Asheville Civic Center on April 11, 1982. This motion was seconded by Councilman Pless and carried on a voice vote of 5-2 with Vice-Mayor Price and Councilman McDevitt voting "no."

RESOLUTION NO. 82-52 - RESOLUTION APPOINTING MEMBER TO THE METROPOLITAN SEWERAGE DISTRICT BOARD (MS. DIANE McDONALD SCIARA))

Consideration was given to a resolution appointing Ms Diane McDonald Sciara to the Metropolitan Sewerage District Board.

Upon motion of Councilman Wilkes, seconded by Councilwoman Frank, Resolution No. 82-49 was unanimously adopted.

Complete text of Resolution No. 82-49 will be found in Resolution Book No. 13 at page 179.

RESOLUTION NO. 82-50 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MUNICIPAL AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR IMPROVEMENTS OF THE INTERSECTION OF BILTMORE AVENUE AND CALEDONIA ROAD

10. Consideration was given to a resolution authorizing the Mayor to execute a municipal agreement between the City of Asheville and the North Carolina Department of Transportation for improvements of the intersection of Biltmore Avenue and Caledonia Road.

The City Manager read the resolution stating that the North Carolina Department of Transportation has prepared and adopted plans to make certain street and highway improvements under Project 8.7384016 consisting of the construction and improvement of the intersection of Biltmore Avenue and Caledonia Road. The Department of Transportation and the City of Asheville propose to enter into an agreement for the project whereby the City of Asheville agrees: (1) to effect the necessary adjustment of any utilities under franchise without cost to the Department of Transportation, and (2) to provide for the adjustment of any municipally owned utilities without cost to the Department of Transportation except that said department will reimburse the City of Asheville in accordance with said departments municipally owned utility policy. The Department of Transportation agrees to acquire the right-of-way and construct the project in accordance with the approved project plans and the agreement will further provide for the establishment, maintenance, and enforcement of traffic operating controls for the regulation and movement of traffic on the project upon its completion. This resolution will authorize the Mayor to execute said municipal agreement.

Upon motion of Councilwoman Frank, seconded by Councilman Wilkes, Resolution No. 82-50 was unanimously adopted.

Complete text of Resolution No. 82-50 will be found in Resolution Book No. 13 at page 180-181.

RESOLUTION NO. 82-51 - RESOLUTION AUTHORIZING JARED'S, INC., TO ENCROACH UPON THE SIDEWALK IN FRONT OF 60 HAYWOOD STREET

11. Consideration was given to a resolution authorizing Jared's, Inc., to encroach upon the sidewalk in front of 60 Haywood Street.

The City Manager read the resolution stating that Jared Sutz of Jared's, Inc., has requested permission to encroach upon the sidewalk in front of 60 Haywood Street for the purpose of placing planters. The request for encroachment has been investigated by the Department of Public Works and, in its opinion would not hinder the safe flow of pedestrian movement along the above mentioned sidewalk.

Upon inquiry of Councilman Pless, the Corporation Counsel said Jared's, Inc., will be responsible for any claims, injuries or accidents or other occurrences which may be occasioned by the planters.

- A. To study and evaluate the existing policies, practices, and procedures of the City regarding City personnel, including, but not limited to Civil Service, grievance procedures, and working conditions;
 - B. To make recommendations to the Council regarding said study and evaluation;
 - C. To submit formal or informal reports at least quarterly to the Council regarding Commission activities and plans.
4. That said study shall be coordinated through the City Manager or his designees; and,
5. That the activities of said Commission shall be subject to direction from the Council."

Upon motion of Councilman Myers, seconded by Councilman Wilkes, Resolution No. 82-54 was unanimously adopted.

Complete text of Resolution No. 82-54 will be found in Resolution Book No. 13 at page 186.

Mayor Trantham, commenting on Resolution No. 82-54, said the Committee should interview employees to receive their input and recommendations.

It was the consensus that all members of Council would submit names for recommendation on the City Personnel Advisory Commission on Thursday, April 8, 1982.

DISCUSSION - RESOLUTION REQUESTING SENATE APPROVAL AND RATIFICATION OF HOUSE BILL NO. 839 - ADDITIONAL ONE-CENT SALES TAX

Vice-Mayor Price moved that Mayor Trantham send a letter to the legislators stating that a majority of the Council members supports the resolution relative to House Bill No. 839, authorizing a referendum on whether or not to levy an additional one-cent sales tax, forwarded to the legislators by the Buncombe County Board of Commissioners. This motion was seconded by Councilwoman Frank, and carried on voice vote of 6-1 with Councilman Wilkes voting "no."

PROCLAMATION - "CART WEEK" - APRIL 1-6, 1982

Mayor Trantham the week of April 1-6, 1982, as "Cart Week" - Community Artist Residency Training.

CLAIMS - BUNCOMBE COUNTY AND FIRST UNION - MAXINE McCULLOM - ERVIN MOODY

The City Manager presented claims received from Buncombe County and First Union, Maxine McCullom and Ervin Moody.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

100

Councilwoman Frank read the resolution.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-52 carried on a voice vote of 6-1 with Councilman McDevitt voting "no."

Vice-Mayor Price requested that a letter of appreciation be sent to Mr. Frank Hyatt, past member of the Metropolitan Sewerage District Board for his services on the Board. She requested that the letter of appreciation explain that Council is attempting to have a turnover on boards and commissions for broader community involvement. She said it was Council's desire that a member serve no more than two full terms. She also advised Council that Mr. Hyatt is agreeable to continue to work on present projects of the Metropolitan Sewerage District Board.

Complete text of Resolution No. 82-52 will be found in Resolution Book No. 13 at page 184.

RESOLUTION NO. 82-53 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A LEASE AGREEMENT WITH HENDERSON COUNTY FOR PROPERTY AT THE ASHEVILLE AIRPORT FOR USE AS A LITTLE LEAGUE BASEBALL PRACTICE FIELD

Consideration was given to a resolution authorizing the Mayor to enter into a lease agreement with Henderson County for property at the Asheville Airport for use as a Little League Baseball practice field.

The City Manager read the resolution stating that Henderson County desires to lease property owned by the City of Asheville, located on Fanning Bridge Road for use as a Little League Baseball practice field. This resolution will authorize the Mayor to execute the lease agreement, leasing property on Fanning Bridge Road to Henderson County.

Upon motion of Councilwoman Frank, seconded by Councilman Wilkes, Resolution No. 82-53 was unanimously adopted.

Complete text of Resolution No. 82-53 will be found in Resolution Book No. 13 at page 185.

RESOLUTION NO. 82-54 - RESOLUTION ESTABLISHING THE CITY PERSONNEL ADVISORY COMMISSION

Councilman Myers read the following resolution:

- "1. That the City Council establish the City Personnel Advisory Commission;
2. That the Commission consist of five (5) members appointed by, and to serve at the pleasure of the Council, provided that all members of the Council shall be ex officio members of said Commission;
3. That the duties of said Commission shall be as follows:

Thursday - April 8, 1982 - 4:00 p. m.

Regular Meeting

Present: Vice-Mayor Norma T. Price, Presiding; Councilwoman Mary Lloyd Frank, Councilmen Joe Pless, Larry McDevitt, H. C. Wilkes and Gordon Myers, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham (sick)

INVOCATION

The invocation was given by Councilman Joe Pless.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 1, 1982 meeting.

Upon motion of Councilwoman Frank, seconded by Councilman Wilkes, the minutes of the April 1, 1982 meeting were approved as submitted.

ORDINANCE NO. 1270 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1981-82

2. Consideration was given to an ordinance amending the Operating and Capital Budget for the City of Asheville for Fiscal Year 1981-82.

The City Manager read the ordinance stating that this ordinance will summarize and ratify all budget amendments adopted by Council from January 1, 1982 through March 1, 1982.

Councilman Wilkes moved for the adoption of Ordinance No. 1270. This motion was seconded by Councilwoman Frank.

On a roll call vote of 6-0, Ordinance No. 1270 passed on first reading.

Councilman Wilkes moved to suspend the rules and proceed to the second reading of Ordinance No. 1270. This motion was seconded by Councilman Pless and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1270 passed on second reading.

Councilman Wilkes moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1270. This motion was seconded by Councilman Pless and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1270 passed on third and final reading.

RALPH BISHOP - COMMENTS RELATIVE TO MAYOR TRANTHAM

Ralph Bishop made comments to Council criticizing Mayor Trantham.

ADJOURNMENT

Mayor Trantham adjourned the meeting at 5:35 P.M.

MAYOR

CITY CLERK

Department of Transportation shall reimburse the City of Asheville for the cost of said work in accordance with the unit price of twenty-seven dollars and fifty cents (\$27.50) per ton for approximately three hundred tons (300) of resurfacing materials, a maximum cost of \$8,250. This resolution will authorize the Mayor to execute said municipal agreement.

Upon motion of Councilwoman Frank, seconded by Councilman Pless, Resolution No. 82-55 was unanimously adopted.

Complete text of Resolution No. 82-55 will be found in Resolution Book No. 13 at page 187.

BIDS - INDUSTRIAL TYPE RUBBER-TIRED TRACTOR - SANITATION DIVISION

6. Consideration was given to bids received March 19, 1982, for Industrial Type Rubber-tired Tractor with 4 in 1 bucket to be used in Sanitation Division.

The City Manager presented the bids stating that two bids were received. Recommendation of acceptance of the low bid submitted by Arden Equipment Company in the amount of \$20,580. Sufficient funds for this purchase are budgeted in the Revenue Sharing Fund, Sanitation Division Appropriations.

Councilman McDevitt moved to award the bid for the Industrial Type Rubber-tired tractor to the low bidder, Arden Equipment Company in the amount of \$20,580. This motion was seconded by Councilman Wilkes and carried unanimously.

REQUEST FOR RATE INCREASE - THOMS BROADCASTING COMPANIES, INC. - CABLEVISION

The City Manager presented a letter from Max O. Cogburn, Sr., representing Thoms Broadcasting Companies, Inc., requesting that Council consider a rate increase for cablevision service in the City of Asheville.

After discussion, Councilman Wilkes moved to schedule a public hearing relative to the request for a rate increase for April 29, 1982. This motion was seconded by Councilman Pless.

Councilman McDevitt requested that he be excused from voting or participating in the motion due to the fact that he represents one of the principal owners of the company and he felt there would be a conflict of interest.

Councilwoman Frank moved that Councilman McDevitt be excused from voting on the motion relative to scheduling a public hearing relative to the request of Thoms Broadcasting Companies, Inc. for a rate increase. This motion was seconded by Councilman Myers and carried unanimously.

Councilman Wilkes' motion to schedule the public hearing was unanimously adopted.

PROCLAMATION - NATIONAL BOYS CLUB WEEK - APRIL 11-17, 1982

Vice-Mayor Price proclaimed the week of April 11-17, 1982 as "National Boys Club Week."

BUDGET AMENDMENT - REED CREEK SEWER LINE IMPROVEMENTS -

4. Consideration was given to a budget amendment amending the City of Asheville Annual Operating or Capital Projects Budget for 1981-82 as follows:

- A. This budget amendment in the amount of \$515,000 is to provide funding for Reed Creek Sewer Line Improvements. Funding includes County participation and State Water Bond Grant.

The City Manager presented the budget amendment.

Councilman McDewitt moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 82-55 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MUNICIPAL AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR IMPROVING AND RESURFACING BILTMORE AVENUE

5. Consideration was given to a resolution authorizing the Mayor to execute a municipal agreement between the City of Asheville and the North Carolina Department of Transportation for improving and resurfacing Biltmore Avenue.

The City Manager read the resolution stating that the City of Asheville proposes to improve and resurface Biltmore Avenue from College Street to the Plaza Theatre under Project 7.8470208. The City of Asheville proposes to enter into an agreement with the Department of Transportation whereby the City, under a contract with a contractor employed by the City of Asheville, shall accomplish the milling and resurfacing work at several locations. Under the terms of the agreement the

RESOLUTION NO. 82-56 - RESOLUTION FOR PARTICIPATION IN THE NORTH CAROLINA HOUSING FINANCE AGENCY HOME IMPROVEMENT LOAN PROGRAM

Consideration was given to a resolution for participation in the North Carolina Housing Finance Agency Home Improvement Loan Program.

The City Manager read the resolution.

Larry Holt, Deputy Executive Director of the Housing Authority of the City of Asheville said the North Carolina Housing Finance Agency Home Improvement Loan Program had been discussed and reviewed before the Housing Authority/Community Development Liaison Committee and the concept of the program was approved. He said this pilot program will enable more citizens from former Community Development Neighborhoods to rehabilitate their residences. He said financial participation by the City of Asheville will contribute to the success of the Housing Finance Agency Program and allow the City to increase its Community Development Block Grant Funds by combining or leveraging said funds with private funds borrowed at tax exempt rates by the Housing Finance Agency.

Mr. Holt explained the financing package stating that the City's financial commitment would come from the Community Development Home Improvement Loan Program.

After discussion, Councilman McDevitt moved for the adoption of Resolution No. 82-56. This motion was seconded by Councilwoman Frank and carried unanimously.

Complete text of Resolution No. 82-56 will be found in Resolution Book No. 13 at page 188.

PRESENTATION OF PROPOSAL BY ART MUSEUM - RE: RELOCATION OF ART MUSEUM

Mr. Mack Day presented the following proposal for the relocation of the Asheville Art Museum.

"We submit the following proposal as an alternative proposal for the relocation of the Asheville Art Museum:

1. That the City allocate in its 1982/83 budget an amount ranging from \$50,000 to \$60,000 to be used to buy down the interest rate on a loan to rehabilitate the Old Pack Library for use as the Art Museum. Said amount would reduce the interest rate on the loan approximately 6% for a period of 5 years;
2. That the City continue to receive the \$160,000 from the County under the Water Agreement, of which approximately \$112,500 is allocated toward the Art Museum's use of space in the Civic Center;
3. That the County continue to pay rent for the vacated Art Museum space in the Civic Center in accordance with the existing Water Agreement, but the County would have the right to sublet that space in accordance with normal commercial practice and receive all rentals therefrom;
4. That the Art Museum would then petition the County to pledge an amount for 5 years equal to the rental payments and utilities on the new building pending purchase of the same by the Art Museum within 5 years. "

CLAIMS - CECIL HOLT - GEORGE THUM

The City Manager presented claims received from Cecil Holt and George Thum.

Vice-Mayor Price referred the claims to the Corporation Counsel for investigation and recommendation.

LETTER FROM ASHEVILLE CIVIC CENTER COMMISSION - RE: WRESTLING MATCHES

As a matter of reporting the City Manager presented the following letter:

March 31, 1982

Mr. Roy M. Trantham, Mayor
City of Asheville
P O Box 7148
Asheville, N. C. 28807

Dear Roy:

Several weeks ago you sent me a letter of Council's concern over violence at wrestling matches held in the Asheville Civic Center Complex. The issue had been brought to Council's attention by an Asheville citizen, Mr. Bob Brown.

Since that time, I have personally attended three wrestling matches, and the issue has been discussed at length at our Civic Center Commission meeting. After reviewing the situation and taking into account a letter written by Mr. Brown to Mr. Sandy Scott, the local promoter of wrestling, it is the feeling of the commission that no action should be taken concerning this issue.

Professional wrestling is a form of entertainment to some the same as symphonies, rock concerts, country and western shows, and Broadway plays are to others. Wrestling is a profitable event for our building. In excess of twenty wrestling matches annually contribute substantially to our rental and concession revenues.

It might be of interest that a number of wrestling fans have held permanently reserved seats for as long as wrestling has been held in Asheville. In Mr. Brown's letter to Mr. Scott, he indicates he has been a wrestling fan since the 1930's. Attendees usually range in age from infants to senior citizens.

Though many attendees get emotionally involved in the matches, acts of violence are rare. To insure control and safety, the number of security and crowd control offices are jointly established by Civic Center Management and Sergeant Miles Webb of the Asheville Police Department. With Sergeant Webb responsible for security at all Civic Center events, every precaution related to public safety is considered.

In conclusion wrestling is another form of entertainment provided to citizens of Asheville and Western North Carolina through the Asheville Civic Center Complex. Attendance proves there are many wrestling fans in our area. Until we experience other problems or an increase in the incidents of violence, I feel wrestling should be accorded the same courtesies as other Civic Center events.

Best personal regards,

Richard D. Trammel
Chairman
Civic Center Commission

440 In the particular instance of the Asheville Easter Sunrise Service scheduled for April 11th, the following facts are apparent:

MAINTENANCE

Because the Thomas Wolfe Auditorium is leased for a Saturday, April 10th function, Sunday morning use will require a clean-up of the stage, backstage, seating, and lobby areas before the 6AM Sunrise Service. The estimated 16 manhours required for the Easter morning cleaning will cost about \$195.00 in overtime and premium pay for the laborers involved. The Civic Center's Building Engineer will be required to arrive at 3AM to prepare the necessary lighting and climate control equipment but at no cost to the City. Parenthetically, he will have worked from Friday AM to Sunday AM to facilitate the needs of other rental obligations. A less extensive clean-up after the event will be required prior to the auditorium's next use on Wednesday, April 14.

SEPARATION OF CHURCH AND STATE

The Commission is concerned about a potential violation of the constitutional guarantee of separation of church and state. No one wishes to infringe upon the religious observance of anyone in the community and the Civic Center is available by lease for any denomination or inter-denominational group who wishes to use the facilities. However, in this circumstance, the taxpayers of the City of Asheville are being asked to assume the burden of all costs related to the maintenance of the Civic Center (heat, light, air, custodial duties) during a religious ceremony espoused by several denominations and attended by 600-800 individuals.

PRECEDENT

The members of the Civic Center Commission are concerned about the precedent which this establishes. Does the Council wish to waive rent for future years' Easter Sunrise services and to which collective group should the waiver be offered? Should the same terms be extended to other inter-denominational groups for other religious holidays or events?

Other event sponsors (currently paying rent) which have a claim to be candidates for waiver of rent on the basis of attendance by a community cross section of audience might include: the Asheville Jaycees' Miss Asheville Pageant, the Boy Scouts' Annual Jamboree, the Chamber of Commerce's Mountain Dance & Folk Festival, the Asheville-Buncombe County Youth Council's Annual Talent & Awards Show, the Buncombe County School's Teachers Seminars and High School graduations, the N. C. State Electrical Exams, the Jaycee's Mountain Youth Festival, the N. C. Symphony's Annual School Childrens Performances, the United Way Kick-Off Luncheon, assorted class reunions and sorority events, and the Evangelistic Crusades presented by the Reverend E. C. Cannon or Reverend Richard Roberts.

The Commission does not wish to assume a counter productive position in relation to Council's wishes. We have approved the request to waive the base rental rate for the Civic Center Auditorium on Sunday, April 11, 1982. In the future, we propose that all requests for consideration of rental rates be directed to the attention of the Commission as outlined in Ordinance 933. Issues of this kind can be best handled by the Civic Center Commission, with its detailed knowledge and historical perspective of the complexity of the Civic Center operation; thus leaving Council time for community issues of greater significance.

In light of financial trends, budgetary constraints, and ever-changing public expectations, the Civic Center Commission avows to work with City Council to approach our current and future financial status more vigorously than ever.

I thank you for your time and consideration of this matter.

Mr. Day said the proposal has not been presented to the Buncombe County Board of Commissioners, however time is of essence in reaching a decision on the relocation of the Art Museum.

After discussion, Councilman Wilkes moved to receive the proposal from the Art Museum as information and to discuss the proposal during budget work sessions giving the Art Museum a decision on the proposal as quickly as possible. This motion was seconded by Councilman McDevitt and carried unanimously.

REPORT FROM ASHEVILLE AREA CIVIC CENTER COMMISSION- RE: REQUEST TO WAIVE RENTAL RATES FOR EASTER SUNRISE SERVICE EVENT

Ms. Carolyn Thompson, Vice-Chairman of the Asheville Area Civic Center Commission read the following memorandum to members of Council:

FROM: Asheville Area Civic Center Commission
Carolyn Thompson, Vice-Chairman

TO: Asheville City Council

DATE: April 8, 1982

As Vice-Chairman of the Asheville Area Civic Center Commission, acting in lieu of absent Chairman, Dick Trammell, I feel it imperative to report to Council the unanimous opinion of the Commission.

As empowered by Ordinance 933 and as directed by Section (2), Item (a,ii) which states "the Commission shall:...Determine and fix the rates and fees to be charged in connection with the operation of the Civic Center;", the Commission has endeavored to make all of the Civic Center's users "pay their own way" based on historical costs.

The establishment of what is an equitable rental fee is very difficult to establish and lengthy considerations must be given to properly compensate the City for labor costs, janitorial supplies, administrative overhead, utilities, depreciation of equipment, and the list goes on.

In March, 1981, the Civic Center Commission met in a joint session with City Council to discuss the operating philosophy of the Civic Center, particularly with regard to rental rates and community based activity. Specifically, we asked the Council if the Civic Center should be operated with tax subsidies from the City of Asheville and low rental fees or should it be operated on a breakeven level. After a detailed discussion, the consensus of opinion was that the Commission should strive to achieve self-sufficiency in the operation of the Civic Center.

This philosophy, adopted by the Civic Center Commission was addressed in an Editorial by Mort Cohn on WLOS-TV for viewer consumption. Endorsing the position, the editorial acknowledged that although many small worthy organizations in the community may no longer be able to rent the Center, it should no longer be necessary for the broad spectrum of taxpayers to support the events of a small group of individuals.

The Commission established a rental structure for 1982 with the encouragement of Council, the acknowledgment of local media, and the knowledge of the general public.

Upon inquiry of Councilman Myers, the City Manager said the current operating deficit of the Asheville Civic Center is \$700,000 to \$800,000 per year.

Councilman Myers commented that the Easter Sunrise Service is a non-profit event and is an opportunity to promote the spiritual well being of the community. He said in view of the current deficit of the Civic Center he felt the waiving of the \$600 base rental is a small price to pay for the overall good of the community.

ADJOURNMENT

Upon motion, Vice-Mayor Price adjourned the meeting at 5:30 p. m.

Per. Not Cons.

Vol. 49

1982-1983

Pgs. Not Cons.

Dear Mayor Trantham and Council Members:

The Asheville Parks and Recreation Advisory Board is extremely concerned about the reports by various news media concerning proposed reductions in the Parks and Recreation Department. We understand the difficulties you face in attempting to provide needed city services in these times of spiraling inflation. However, we know that recreation is a necessity in the lives of the residents of this community and that this service must be provided. No other area of city service more personally touches the lives of our entire population, from the little leagues to our senior citizens, than does recreation.

Some of us have served on this Board for many years and have worked diligently to improve the park areas and recreation services in this community. We remember that years of negligence and inadequate funding caused such a deterioration in our park areas that it has been necessary to practically rebuild almost the entire park system. This rebuilding was done within the past ten years at a tremendous cost, financed almost entirely through federal programs.

During the past three years, we have cut the budget in Parks and Recreation in many ways, including a reduction in personnel. In the budget we submitted to the City Manager this year, realizing the budget constraints for the City, we have already recommended deleting five more full-time positions.

We have submitted what we feel is an absolute minimum budget for the continued operation of the Parks and Recreation Department. We urge you to consider the recreation needs of our citizens, which we believe are as essential as any other city services. We also urge you to continue essential funding of Parks and Recreation, not only because of the present community needs, but also to prevent deterioration of our fine park system.

Sincerely yours,

Bill Pfeiffer, Chairman
Asheville Parks and Recreation Advisory Board

Upon inquiry of Vice-Mayor Price, Mr. Pfeiffer said the Parks and Recreation Advisory Board reviewed the budget submitted by the Director of Parks and Recreation and he did not feel there was any "fat" in the budget. He also commented that the salaries in the Parks and Recreation Department are not out of line, but are based on a salary scale of all government employees. He also commended Ray Kisiah, Director of Parks and Recreation Department for his outstanding work in the Parks and Recreation Department.

Councilman Pless spoke of what he called "fat" in the budget due to the fact that he knew of a collection of unused recreation equipment ("five or six basketball goals") rusting in a pile of weeds during a recent visit to a City park site.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilmen Joe Pless, and H. C. Wilkes, Corporation Counsel William C. Moore, City Manager Ken Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Larry McDevitt
Councilman Gordon Myers

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price.

DISCUSSION OF PARKS AND RECREATION 1982-83 BUDGET

Mayor Trantham said it was his understanding there were a number of people in the audience concerned about the closing of Harvest House and the Senior Opportunity Center. He said members of Council, during their pre-council work session, decided not to close the Harvest House or the Senior Opportunity Center because of budget cuts recommended in the 1982-83 Parks and Recreation Budget. He said Council would be meeting with the Director of Parks and Recreation on Tuesday, April 20, 1982, to review the recommended Parks and Recreation budget.

Councilwoman Frank stated that Council has no plans to close any center that is serving a lot of people. She said in fact Council has no plans to close any center if it can be helped but certainly not any that serves a lot of people.

Councilman Pless commented that he did not know how the word got out that Council intended to close any center. He said Council is only reviewing the \$2.4 million submitted by the Parks and Recreation Department.

Bill Pfeiffer, Chairman of the Parks and Recreation Advisory Board, said he was delighted with Council's action at today's meeting in stating that they would not close any centers. He said many people, as well as the members of the Parks and Recreation Advisory Board, were appalled at statements in the newspaper that facilities would be closed. He reminded Council members that all recreation centers have senior citizen programs. He said the Parks and Recreation budget had been cut for the last three years and the Department's requested budget was an absolute minimum budget and the Department is at "rock bottom."

Mr. Pfeiffer read the following letter.

April 13, 1982

Mayor Roy M. Trantham and Members of City Council
City Hall, P. O. Box 7148

3. Consideration was given to a motion scheduling a public hearing relative to rezoning property located on Beaverdam Road for Milofran Farm, Inc., and the YMCA for May 6, 1982.

Councilman Wilkes moved to schedule a public hearing relative to rezoning property located on Beaverdam Road for Milofran Farm, Inc., and YMCA for May 6, 1982. This motion was seconded by Councilwoman Frank and carried unanimously.

SCHEDULING PUBLIC HEARING - REZONING PROPERTY ON HAYWOOD
ROAD - MR. PARNELL CARTER

4. Consideration was given to a motion scheduling a public hearing relative to rezoning property on Haywood Road from R-3 Medium Residential to CS Commercial Service District - Mr. Parnell Carter for May 6, 1982.

Councilwoman Frank moved to schedule a public hearing relative to rezoning property located on Haywood Road from R-3 Medium Residential District to CS Commercial Service District for Mr. Parnell Carter for May 6, 1982. This motion was seconded by Vice-Mayor Price and carried unanimously.

PROCLAMATION - "GROUND ZERO WEEK" - APRIL 18-25, 1982 - APPROVAL
OF SIGN PERMIT

Mayor Trantham proclaimed the week of April 18-25, 1982, as "Ground Zero Week" in the City of Asheville.

Ms. Kitty Boneski, representing a group supporting "Ground Zero Week" requested that Council waive the sign ordinance allowing their organization to place a large plastic sign on Pack Square for one week. She said the sign would be a 3 x 5 sign.

After discussion Vice-Mayor Price moved to approve the sign permit for "Ground Zero" for one week, in recognition of Ground Zero Week, provided the Inspections Division approves the height and safety of the sign. This motion was seconded by Councilman Wilkes and carried unanimously.

PROCLAMATION - APRIL 19-25, 1982 "NATIONAL SECRETARIES WEEK"

Mayor Trantham proclaimed the week of April 19-25, 1982, as "National Secretaries Week" in the City of Asheville.

PROCLAMATION - APRIL 20, 1982 "DAY OF REMEMBRANCE OF THE VICTIMS
OF THE HOLOCAUST"

Mayor Trantham proclaimed April 20, 1982, as "Day of Remembrance of the Victims of the Holocaust."

spoke in support of the recommended Parks & Recreation Budget for 1982-83. She also commended Ray Kisiah, Director of Parks and Recreation for the great job that he has done for the City of Asheville. She said in her opinion the crime rate in the City of Asheville would soar without recreation facilities. She also reminded Council that the Parks and Recreation budget not only provides funding for recreation centers, but also for the Riverside Cemetery, trees, etc.

Bill Rocamora, member of the Parks and Recreation Advisory Board also spoke in support of the Parks and Recreation Department's recommended budget. He presented pamphlets to members of Council showing the benefits derived from recreation as well as the number of recreation facilities available through the Parks and Recreation Department.

Carl Johnson spoke in support of the Parks and Recreation budget stating that the funding for the Hillcrest Program has helped put Asheville on the map. He said the Hillcrest Program deals with pre-teens and teenagers and he had heard a rumor that the Hillcrest Program would be combined with the Montford Center, which he felt would be a mistake. He said he felt like the Hillcrest Program needed more attention than it was getting from the City of Asheville.

Councilman Wilkes and Councilman Pless told Mr. Johnson that there were no plans at all to consolidate the Hillcrest Program with the Montford Recreation Center.

James Turner, representing the East End Valley area requested that the City furnish a recreation area for children in their area.

Mr. Dean Beck, a juvenile court counselor presented statistics which proved that recreational programs helped to decrease crime rates particularly with juveniles.

Mr. Walter Hutchison, read a statement in support of the recommended Parks and Recreation Department budget for 1982-83.

Councilman Wilkes requested that all members of the Asheville Parks and Recreation Advisory Board receive a copy of the statement presented by Mr. Hutchison.

Mr. Marvin Chambers, representing the Kenilworth Residents Association spoke in support of the Parks and Recreation Department's recommended budget. He also read a letter supporting the budget.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 8, 1982, meeting.

Upon motion of Vice-Mayor Price, seconded by Councilman Pless, the minutes of the April 8, 1982, meeting were unanimously approved as submitted.

DISTINGUISHED ALUMNI AWARD

2. The City Manager recognized Ray Kisiah, Director of Parks and Recreation, stating that on April 15, 1982, Mr. Kisiah was presented the Harold D. Meyer Distinguished Alumni Award by the faculty and students of the University of North Carolina at Chapel Hill. This award was presented to Mr. Kisiah in recognition of his contributions to the profession of recreation administration and to the citizens of North Carolina. He was chosen to receive this award as the most distinguished alumnus to graduate from the Parks and Recreation curriculum at the University of North Carolina at Chapel Hill. This is the first such award to be presented by the University and they will make this an annual award.

RECOGNITION - FRED W. HENSLEY - CHIEF OF POLICE - CERTIFICATE OF
APPRECIATION

3. The City Manager recognized Fred W. Hensley, Chief of Police, stating that on April 15, 1982, Chief Hensley was presented a Certificate of Appreciation by the State of North Carolina Crime Watch, Crime Prevention Division of the North Carolina Department of Crime Control and Public Safety. This certificate was presented in recognition of Chief Hensley's outstanding service to the people of North Carolina and his personal commitment to crime prevention for the year of 1981. This certificate was presented by L. D. Hyde, Director of the Crime Prevention Division and was signed by Burley B. Mitchell, Jr., Secretary of the Department of Crime Control and Public Safety and Governor Hunt.

Cumberland Avenue is unfit for human habitation, unsafe and dangerous to life. A public hearing is necessary to direct the Housing Officer to demolish said dwelling.

The City Manager also read the following letter which was forwarded to the Montford Community Club, Historic Resources Commission, Preservation Society, Historic Montford Inc., and Richard Thornton of the Planning Department:

Dear Mr. Richards:

This letter is to inform you and your organization of a case which the City Inspections Division is referring to the City Council for appropriate action, with the thought that you might be interested.

For several years, this Division has responded to numerous complaints concerning the property at 230 Cumberland Avenue. Short-term partial compliances have been achieved through code enforcement. However, we have been unable to achieve any significant long-term compliance.

In recent months, a hearing was held, at which time, the owner was ordered to clean up the premises and to make immediate repairs to bring the structure up to the minimum standards required by the Asheville Housing Code. The property owner has failed to comply with this order, and we are, therefore, referring this matter to the City Council with a request that they order the structure demolished or that they take whatever other action they deem appropriate.

The City Council, at their April 22, 1982, meeting will consider a resolution to schedule a public hearing on this matter. You and members of your organization are certainly welcome to attend this meeting if you desire.

We in the Inspections Division hate to see an old house demolished. We would much rather see it restored and utilized properly. However, to accomplish this, it is necessary for the City Council to make the final determination of action to be taken to obtain repairs or demolition when all other legal recourse has failed.

Sincerely yours,

L. F. Moore, Jr.
Assistant Director of Inspections

sign on behalf of the City of Asheville a contract with Hobson Construction Co., Inc., for the project known as Emma Road 8" Sewer Line.

The City Manager read the resolution stating that readvertisement for bids was set for April 2, 1982, on the Emma Road 8" Sewer Line Project. Hobson Construction Co., Inc., was the only bid received in the amount of \$50,108.50. This bid is within the estimated cost prepared by the Department of Water & Sewer Services. It has been recommended that Council accept the bids of Hobson Construction Co., Inc. This project is funded under 33-838.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution 82-60 was unanimously adopted.

Complete text of Resolution No. 82-60 will be found in Resolution Book No. 13 at page 192.

SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT - EAST
END/VALLEY STREET IMPROVEMENT PROGRAM

8. Consideration was given to a motion relative to the sale of disposal parcels in the East Riverside Renewal Project and East End/Valley Street Improvement Program.

The City Manager presented the recommendation of the Housing Authority stating that the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project and East End/Valley Improvement Program:

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
39	Residential	\$2,800	\$2,901	Jerry Dean Lynch
48	Residential/Public	\$10,000	\$10,001	Triedstone Baptist Church

Larry Holt, Deputy Executive Director of the Housing Authority, said Parcel 39 is located in the East Riverside Renewal Project on South Grove Street and Parcel 48 is located in the East End/Valley Street Improvement area at the corner of New Pine, Curve and Miller Streets.

Vice-Mayor Price moved to approve the sale of the disposal parcels as recommended by the Housing Authority of the City of Asheville. This motion was seconded by Councilman McDevitt and carried unanimously.

RESOLUTION NO. 82-61 - RESOLUTION CALLING FOR A PUBLIC HEARING
FOR THE ADOPTION OF AN ORDINANCE DIRECTING THE HOUSING OFFICER

RESOLUTION NO. 82-63 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THOMPSON-GORDON-SHOOK ENGINEERS, INCORPORATED

12. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with Thompson-Gordon-Shook Engineers, Incorporated.

The City Manager read the resolution stating that the City Engineering Division has requested and received a proposal from Thompson-Gordon-Shook Engineers, Incorporated, to provide professional engineering services necessary for the replacement of the Depot Street-Nasty Branch drainage structure. The City Engineering Division has reviewed and evaluated said proposal and the qualifications of said engineers, and recommend that said proposal be accepted.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 82-63 was unanimously adopted.

Complete text of Resolution No. 82-63 will be found in Resolution Book No. 13 at page 197.

YMCA PRESENTATION - JUVENILE JUSTICE PROGRAM - REQUEST FOR FUNDS

Bill Fesperman, with the YMCA outlined for members of Council the YMCA Program entitled Nypum - National Youth Project Using Mini Bikes and PYOR-G Project Youth Outreach for girls. He said this program began in November, 1975, with the City of Asheville participating for three years. He presented statistics showing that youngsters involved in these programs are court referred youngsters and stay clear of the law after being involved in the program. He said they are now working with 64 to 71 youngsters.

Mr. Fesperman's final request was that Council fund the program in the amount of \$2,000 for 1982-83. He said they would also be asking the County for \$2,000.

HISTORIC RESOURCES COMMISSION PRESENTATION OF FILM

Mrs. Grace Pless, Chairman of the Historic Resources Commission presented members of Council with a film relative to the Historic Resources Commission.

Mrs. Pless said the film would be shown on May 10, 1982, in the Pack Memorial Library at 5:00 P.M. for anyone interested in viewing the film.

DOCTOR LENORA ROOTS - CONSUMER COUNCIL OF WESTERN NORTH CAROLINA

Dr. Lenora Roots appeared before Council, on behalf of the Consumer Council of Western North Carolina, stating that she wanted Council members to know of her organization. She said their goal is to keep the people properly informed of what is going on and not the "pap" that is heard over and over again by the news media. She said they keep abreast of all House and Senate bills that are passed.

The City Manager stated that the Historic Resources Ordinance may have to be amended due to this action. However, this matter will be investigated before the public hearing.

Mike Coxe, with the Historic Resources Commission and the Montford Community Club said his organization will be looking for a buyer for 230 Cumberland Avenue before the public hearing. He said it would be better to restore the house rather than demolish, due to the fact that restoration of the dwelling would add tax base to the City of Asheville.

Upon motion of Councilman McDevitt, seconded by Vice-Mayor Price, Resolution No. 82-61 was unanimously adopted.

Complete text of Resolution No. 82-61 will be found in Resolution Book No. 13 at page 193-194.

SCHEDULING PUBLIC HEARING - PUBLIC COMMENT ON FINAL STATEMENT OF COMMUNITY DEVELOPMENT OBJECTIVES AND PROJECTED USE OF FUNDS - JULY 1, 1982, THROUGH JUNE 30, 1983

10. Consideration was given to a motion scheduling a public hearing to receive public comments on the final statement of Community Development objectives and projected use of funds for July 1, 1982 through June 30, 1983, for April 29, 1982.

Councilwoman Frank moved to schedule a public hearing to receive public comments on the final statement of Community Development objectives and projected use of funds for July 1, 1982 through June 30, 1983, for April 29, 1982. This motion was seconded by Councilman Myers and carried unanimously.

11. Consideration was given to a resolution of intent to close a street and calling a public hearing on the question for May 27, 1982.

The City Manager read the resolution stating that a petition has been filed by Dave Steel Company, Inc., E. Yates Hemphill and wife Hazel Hemphill and Bertha A. Keener requesting that the street known as East Haywood Street lying between Clingman Avenue and Park Avenue in the City of Asheville be permanently closed to public use.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 82-62 was unanimously adopted.

Complete text of Resolution No. 82-62 will be found in Resolution Book No. 13 at page 195-196.

made at 22 Normandy Road and no appreciable work had been done to the dwelling as required by Resolution No. 82-15 adopted by City Council on February 4, 1982.

After discussion Councilman McDevitt moved to schedule a public hearing on May 6, 1982, concerning proceeding with enforcement of Ordinance No. 1183 to demolish the dwelling house known as 22 Normandy Road. This motion was seconded by Councilwoman Frank and carried unanimously.

REQUEST OF SUSAN ARNETTE - LEASE OF PAVILION AT RECREATION PARK

Susan Arnette with the Arnette School of Arts requested that the City lease the pavilion at the Recreation Park to her for the summer. She said she would like to have a Country/Western Revue for children four years of age and up. She said that she had been told by the manager at the Recreation Park that the charge for the pavilion is \$100 per day. She requested that Council lease the pavilion to the Arnette School of Arts for \$100 per month for the summer.

After discussion the City Manager requested that Ms. Arnette present a written proposal for his consideration.

PUBLIC HEARING - "ALBEMARLE INN" AT 86 EDMONT ROAD AS HISTORIC PROPERTY

At the request of the City Manager, Councilman Myers moved to schedule a public hearing for May 13, 1982, to consider an ordinance designating a building and property known as the "Albemarle Inn" at 86 Edgemont Road as historic property. This motion was seconded by Vice-Mayor Price and carried unanimously.

SCHEDULING PUBLIC HEARING - WORDING AMENDMENT TO ZONING ORDINANCE TO ALLOW MOBILE HOMES IN ALL COMMERCIAL SERVICE DISTRICTS

The City Manager advised Council that the Planning and Zoning Commission at its April 7, 1982, meeting considered a request of Mr. Martin Nesbitt for a wording amendment to the zoning ordinance to allow single mobile homes in all commercial service districts. After discussion the Planning and Zoning Commission voted to recommend the wording amendment not be adopted.

Mr. Martin Nesbitt was notified by registered of the Planning and Zoning Commission's recommendation and his right to appeal the decision. Mr. Nesbitt has by letter dated April 20, 1982, appealed the decision of the Planning and Zoning Commission and has requested a public hearing before the City Council.

Councilman Myers moved to schedule a public hearing relative to amending the zoning ordinance to include single mobile homes in all commercial service districts for May 13, 1982. This motion was seconded by Vice-Mayor Price and carried unanimously.

APPROVAL OF ASHEVILLE-BUNCOMBE WATER AUTHORITY BY-LAWS

The City Manager said members of Council were given copies of the Water Authority By-Laws adopted on April 20, 1982, by the Authority. He said pursuant to the Water Agreement the Authority is now requesting that Council consider and approve the by-laws.

Councilman Pless moved to approve the Water Authority By-Laws as approved by the Water Authority on April 20, 1982. This motion was seconded by Councilwoman Frank and carried unanimously.

INVITATION BY SALLY RHOADES - TO HEAR ARTS PLANNING CONSULTANT RALPH BURGARD

4. Sally Rhoades with the Mayor's Downtown Task Force appeared before Council stating that the Mayor's Downtown Task Force is sponsoring a two day workshop with Ralph Burgard who is one of the best known arts planning and facility consultants. She invited members of Council to a luncheon at the Arts Museum on Wednesday, May 5, 1982, to hear comments by Mr. Burgard.

RESOLUTION NO. 82-66 - RESOLUTION ESTABLISHING UTILITY POLICY FOR ACCOMMODATION OF STREET IMPROVEMENTS AND PROVIDING SAFETY TO THE GENERAL PUBLIC

5. Consideration was given to a resolution establishing utility policy for accommodation of street improvements and providing safety to the general public.

The City Manager read the resolution stating that the rights-of-way for City system streets are allowed to be used for locating utilities and the primary purpose of City street rights-of-way is to accommodate the safe and efficient movement of people and goods throughout the City. The City of Asheville is responsible for maintaining and improving the City system streets in order to accommodate the transportation needs of the citizens of Asheville in a safe and efficient manner. This resolution will establish a utility policy for accommodation of street improvements.

The City Manager said the utility policy was reviewed and approved by the Utilities Committee. He said this is basically formalizing a policy that has been practiced over the years.

Continuation of the East End/Valley Street	\$1,200,000
Continued funding for the Depot Street Project	\$ 150,000
Administration	\$ 104,000

Mayor Trantham closed the public hearing at 4:17 P.M.

Mr. Emrick read the resolution.

Councilman Wilkes read the following letter:

45 Grail Street
Asheville, NC 28801
April 27, 1982

The Honorable Mayor and Members of Council
City of Asheville
P. O. Box 7148
Asheville, NC 28807

Dear Mayor and Members of Council:

As Chairman of the East End Community Organization, I would like to express the appreciation of the community for your support of the East End/Valley Street Community Improvement Program developed by our community and funded by the City using Community Development Block Grant Funds. The improvements to the streets are quite visible and are a source of pride to us and should be for you. The improved storm drainage, water and sanitary sewer systems although not as visible are having a positive impact on our community and are a source of pride. The Home Rehabilitation Loan and Grant Programs have been most successful and have resulted to date in the rehabilitation of fifty-three (53) homes with nine (9) currently in progress.

We appreciate your interest and support given in the past and request your favorable consideration of the proposed 1982-1983 Community Development Program which will allow us to continue the improvements set forth in the overall development plan for our community located in the shadow of City Hall.

Very truly yours,

W. B. Burton

Upon inquiry of Councilman McDavitt the City Manager said Council would have the freedom of changing the application and/or budget recommendations within HUD guidelines. He said in certain circumstances a formal application amendment would have to be made.

Upon motion of Vice-Mayor Price, seconded by Councilman Wilkes, Resolution No. 82-64 was unanimously adopted.

Complete text of Resolution No. 82-64 will be found in Resolution Book 13 at page 198-199.

RESOLUTION NO. 82-67 - RESOLUTION AUTHORIZING THE MAYOR AND THE CITY CLERK TO EXECUTE CONTRACT WITH THE ASHEVILLE-BUNCOMBE DEVELOPMENT CORPORATION REGARDING ECONOMIC DEVELOPMENT SERVICES

7. Consideration was given to a resolution authorizing the Mayor and the City Clerk to execute contract with the Asheville-Buncombe Development Corporation regarding economic development services.

The City Manager read the resolution stating that the Asheville-Buncombe Development Corporation provides a number of services that encourage and promote economic development for Asheville and the City of Asheville wishes to support the Asheville-Buncombe Development Corporation and these economic development activities. This resolution will authorize the Mayor to enter into an agreement with the Asheville-Buncombe Development Corporation.

The City Manager said that funds in the amount of \$5,000 were approved by Council several weeks ago to be paid to the Asheville-Buncombe Development Corporation pursuant to this agreement.

Upon motion of Councilman Myers, seconded by Councilman Wilkes, Resolution No. 82-67 was unanimously adopted.

Complete text of Resolution No. 82-67 will be found in Resolution Book No. 13 at page 203.

RECOGNITION OF SWANNANOA CLEANERS CLEAN SWEEP PARTICIPANTS - PRESENTATIONS MADE BY GOVERNOR HUNT

8. Mayor Trantham welcomed and introduced Governor James Hunt to make presentations to participants in the Swannanoa Cleaners Clean Sweep Program.

Governor Hunt made several comments relative to the 29 civic groups who participated in the Swannanoa Cleaners Clean Sweep Program.

Governor Hunt and Bretney Smith, President of Swannanoa Cleaners who instigated the Swannanoa Cleaners Clean Sweep Program, made presentations of certificates and checks to participants of the program.

Mayor Trantham thanked Mr. Bretney Smith for spearheading the Swannanoa Cleaners Clean Sweep Program.

Mr. Bill Prescott, Chairman of Quality Forward thanked the Governor for presenting the certificates and the participants of the program.

Councilman Wilkes was excused at 5:28 P.M.

Mayor Trantham turned the meeting over to Vice-Mayor Price.

PUBLIC HEARING - APPLICATION FOR AN INCREASE IN RATES BY THOMS BROADCASTING CO., INC., FOR CABLEVISION SERVICE

9. Vice-Mayor Price opened the public hearing at 5:20 P.M.

Councilman McDevitt suggested that the City receive, in writing from all the utility companies, an agreement relative to this utility policy.

Upon motion of Councilman McDevitt, seconded by Councilman Myers, Resolution No. 82-66 was unanimously adopted.

Complete text of Resolution No. 82-66 will be found in Resolution Book No. 13 at page 201-202.

BIDS - TURBO/TURBINE AND COMPOUND WATER METERS FOR THE WATER AND SEWER DEPARTMENT

6. Consideration was given to bids received April 15, 1982, for turbo/turbine and compound water meters for the Water and Sewer Department.

The City Manager presented the bids stating that five bids were received. These bids have been reviewed by Bill DeBruhl, Director of Water and Sewer Services and Ruel Austin, Superintendent of Water Customer Services. All recommendations are to the low bidders as follows:

Neptune Water Meter Co.	Bid Sections I, II, III	\$ 6,012.49
	(SECTION I - 7 ea. 4 inch Bronze Meters, Strainer and Accessories Turbo/Turbine)	
	(SECTION II - 1 ea. 6 inch Bronze Meter, Strainer and Accessories Turbo/Turbine)	
	(SECTION III - 1 ea. 3 inch Bronze Meter, Strainer and Accessories Turbo/Turbine)	
Pump & Lighting Co.	Bid Sections IV and V	<u>4,559.36</u>
	(SECTION IV - 2 ea. 4 inch Brass/Bronze Meters, Strainer and Accessories Compound)	
	(SECTION V - 2 ea. 3 inch Brass/Bronze Meters, Strainer and Accessories Compound)	
TOTAL AWARD		\$10,571.85

Sufficient funds for this purchase are available in the Water and Sewer Department appropriations.

Vice-Mayor Price moved to approve the bids as presented by the City Manager. This motion was seconded by Councilman Wilkes and carried unanimously.

Mr. R. B. Watson of 135 Lakewood Drive, spoke in opposition to Thoms Broadcasting Company, Inc., receiving an increase in rates. He cited examples of poor signalization, reception and cable being off for several days and receiving no adjustment in rates. He said he felt Thoms Broadcasting Company, Inc., should improve their services before requesting an increase in rates.

Mr. Jerose said the 8.4% requested increase would increase cable-vision rates by 75¢ and he was hoping for an effective date of June 1, 1982.

Vice-Mayor Price closed the public hearing at 5:43 P.M.

Councilman McDevitt reiterated that he had previously been excused from participating in the action on Thoms Broadcasting Company due to his representation of a principal owner of the company.

Mayor Trantham advised Mr. Cogburn and Mr. Jerose that Council would take the rate increase request under consideration and review it during the next Council work session.

RESOLUTION NO. 82-68 - RESOLUTION OF INTENT TO CLOSE A PORTION OF SHOENBERGER PLACE AND CALLING A PUBLIC HEARING FOR JUNE 3, 1982

10. Consideration was given to a resolution of intent to close a portion of Shoenberger Place and calling a public hearing for June 3, 1982.

The City Manager read the resolution stating that a petition has been received from Richard T. Whittington requesting that the City of Asheville close a portion of Shoenberger Place located off Ravenscroft Drive in downtown Asheville.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-68 was unanimously adopted.

Complete text of Resolution No. 82-68 will be found in Resolution Book No. 13 at page 204.

SCHEDULING PUBLIC HEARING - AMENDING ORDINANCE NO. 1109, KNOWN AS "AN ORDINANCE CREATING THE HISTORIC RESOURCES COMMISSION OF THE CITY OF ASHEVILLE AND BUNCOMBE COUNTY FOR MAY 20, 1982"

11. Consideration was given to a motion scheduling a public hearing to consider amending Ordinance No. 1109, known as "an ordinance creating the Historic Resources Commission of Asheville and Buncombe County" for May 20, 1982.

The City Manager said the Historic Resources Commission has requested that the City Council amend the Historic Resources Commission Ordinance to be compatible with current North Carolina General Statutes.

Councilman Myers moved to schedule a public hearing to consider amending Ordinance No. 1109 for May 20, 1982. This motion was seconded by Councilwoman Frank and carried unanimously.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Max Cogburn, attorney representing Thoms Broadcasting Co., Inc., said Thoms Broadcasting Co., Inc., is requesting Council's approval of a rate increase for cablevision services indicating there has been no increase in the rates permitted to be charged since 1979, but expenses in operation and maintenance have continued to grow. He said it now becomes necessary for Thoms Cablevision to ask for a rate increase in accordance with the percentage with the National Consumer Price Index as published by the Bureau of Labor Statistics has increased in the twelve months preceding that date. He said that increase has been in the amount of 8.4%. He said according to the franchise ordinance Thoms Cablevision may request an increase each eighteen months and the last increase was granted in December 1979.

Mr. Cogburn questioned whether a public hearing before the Asheville City Council is necessary. He said Thoms Broadcasting Company, Inc., is not objecting to a public hearing. He said each subscriber has been notified that an increase in cablevision services is being requested.

Upon inquiry of Councilwoman Frank, Mr. Cogburn said the franchise ordinance with the City provides that Thoms Broadcasting Company shall pay the City of Asheville 6% of gross revenues. He said in 1967 the FCC placed a lid on the amount a franchising authority (City of Asheville) may charge in the amount of 3%. However, Thoms Broadcasting Company, Inc., agreed, by the franchising ordinance, to pay the City of Asheville 6% of gross revenues and Thoms Broadcasting Company, Inc., will continue to pay the City of Asheville a 6% franchise fee, pursuant to the franchise ordinance, during the duration of the franchise which was for a 35 year period.

Upon inquiry of Councilman Myers, Mr. Cogburn said the City of Asheville receives 6% of gross revenues of basic subscriber fees but not on additional services such as HBO and extended services.

Acting Corporation Counsel Robinson questioned whether or not the City of Asheville should receive 6% on the second tier rates such as CBS, NBC and ABC, stating that in his opinion that is not pay TV and the City of Asheville should receive 6% of that gross revenue.

Mr. John Jerosé of Thoms Broadcasting Company, Inc., responding to Corporation Counsel Robinson, said his company has the privilege of selecting certain services for their subscribers. He said the second tier stations are optional channels and are not basic subscriber services. He said his company does not have to carry the optional channels and they are additional pay TV services.

Upon inquiry of Mayor Trantham, Mr. Jerosé said his company intends to cover 100% of the City within the near future.

Upon inquiry of Councilman Myers relative to promptness of service calls, Mr. Jerosé said their policy is to try to answer any service call within 24 hours. He said his company had experienced problems with converter services during the month of March and several service calls were delayed.

The City Manager read the following letter:

April 27, 1982

The Honorable Mayor and Members of City Council
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mayor and Members of City Council:

The 36th Asheville Antiques Fair will be held August 5-7, 1982, at the Asheville Civic Center. In conjunction with the Fair, I would like to respectfully request permission to place two (2) banners in the downtown area to attract people to the Fair. Specifically, I would like to place a banner across the street on Haywood Street across from the Banner House and on Broadway in front of Asheville Showcase. The banners would be three-feet wide and 20 feet in length and would read "36th Antiques Fair, August 5-7, Civic Center. I would like for the banners to fly three weeks prior to the closing day of the Fair - July 19, 1982, through August 7, 1982.

I would greatly appreciate your consideration of this request and your waiving the appropriate section of the sign ordinance to permit this activity.

Very truly yours,

Mrs. Shirley Turner
72 Windsor Road
Asheville, NC 28804
254-5400

The City Manager advised Council that the City staff would investigate Mrs. Turner's request and report back to Council.

PUBLIC HEARING - REZONING PROPERTY LOCATED ON BEAVERDAM ROAD FOR COLONEL MITCHEL WOLFSON AND THE YMCA

ORDINANCE NO. 1271 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. A public hearing was held relative to rezoning property located on Beaverdam Road for Colonel Mitchel Wolfson and the YMCA.

Mayor Trantham opened the public hearing at 4:17 p.m.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Mr. Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at its meeting on April 7, 1982, considered the following petitions for rezoning their property from R-1 Residential District to R-2 Residential District:

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES

Ralph Bishop again appeared before Council making comments relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion the meeting adjourned at 6:00 P.M.

Raymond J. Harrison
MAYOR

William S. Holcomb
CITY CLERK

Mr. Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at its meeting on April 7, 1982, considered the petition of Mr. Parnell Carter that Ward 6, Sheet 9, Lot 103-3/4, be rezoned from R-3 Medium Residential District to CS Commercial Service District. He said the property is located on Haywood Road in West Asheville. He said that the Commission voted to recommend to City Council that this request be approved.

Mr. Parnell Carter said that Southern Bell would like to put a small prefab equipment building on this lot. He said that there would be no personnel in it, only equipment.

Mayor Trantham closed the public hearing at 4:43 p.m.

Mr. Emrick read the ordinance.

Councilwoman Frank moved for the adoption of Ordinance No. 1272. This motion was seconded by Councilman McDevitt.

On a roll call vote of 6-0, Ordinance No. 1272 passed on its first reading.

PUBLIC HEARING - 22 NORMANDY ROAD

5. A public hearing was held relative to dissolving a stay of execution, pursuant to Resolution No. 82-15, known as "Resolution Relative to Ordinance No. 1183, known as 'An Ordinance Directing the Housing Office to Demolish the Dwelling House known as 22 Normandy Road.'"

Mayor Trantham opened the public hearing at 4:46 p.m.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Mr. J. E. Johnson, Director of Inspections, said that on April 22, 1982, the City Manager received notice that Shelby Insurance Company, carrying insurance for work being done at 22 Normandy Road for Lottie Jean Fletcher and Elizabeth Gage, had been cancelled. At that time, the City Manager instructed Mr. Johnson to make an inspection of the dwelling and he found no appreciable work had been done. As a result of these findings, the public hearing was set for today. Mr. Johnson said that he had inspected the dwelling today and has found that satisfactory progress is being made. He said that the general contractor assured him that the work can be finished in approximately four months.

Corporate Counsel Bill Moore stated that he has spoken with Mr. Wesley F. Talman, attorney for the property owners, and has found out that the insurance was not cancelled and that the insurance policy is in fact, in full force and effect.

Mayor Trantham closed the public hearing at 4:48 p.m.

REPORT FROM THE BOARD OF EXAMINERS OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND RELATIVE TO THE APPEAL OF WALTER D. GILCHRIST OF THE ASHEVILLE POLICE DEPARTMENT

Mr. Robert Ford, Agent for Col. Mitchel Wolfson -
Lot 12, Sheet 24, Ward 9. (Beaverdam Road)

Mr. William B. Fesperman, Director, YMCA of
Asheville-Buncombe County - Lot 11, Sheet 24,
Ward 9. (Beaverdam Road)

Mr. Emrick said that the Commission voted to recommend to City Council that Lots 11, 12 and 13 be rezoned from R-1 Residential District to R-2 Residential District. He said that the Commission recommended Lot 13 to be included in this rezoning to allow for uniform contiguity in this rezoning.

Mr. Charles Worley, representing Millofram Farm, said that they feel this zoning change would be in the best interest and best use of the property. He said that Millofram Farm does not have any development plans but negotiations are underway with a potential developer which would develop it along the uses permitted in a R-2 zone.

Mr. Bill Fesperman, Director of the YMCA, said that the YMCA presently has no plans for developing or selling the property. He said that they feel that if the property is rezoned to R-2 there will be a substantial increase in property values.

Mr. Joe Kater, 659 Kimberly Avenue, spoke in opposition of the rezoning stating that if a condominium is built on one of the lots, the traffic flow on Kimberly Avenue would significantly increase.

Mr. William Campbell, 651 Kimberly Avenue, also spoke against the rezoning. He felt that the rezoning would be a move against the better interest of the neighborhood.

Mayor Trantham closed the public hearing at 4:35 p.m.

Mr. Emrick read the ordinance.

Vice-Mayor Price moved for the adoption of Ordinance No. 1271. This motion was seconded by Councilwoman Frank.

On a roll call vote of 6-0, Ordinance No. 1271 passed on its first reading.

PUBLIC HEARING - REZONING PROPERTY ON HAYWOOD ROAD

ORDINANCE NO. 1272 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing was held relative to rezoning property on Haywood Road from R-3 Medium Residential to CS Commercial Service District for Mr. Parnell Carter.

Mayor Trantham opened the public hearing at 4:38 p.m.

The City Manager presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

6. The City Manager read the following letter:

"April 27, 1982

Mr. William F. Wolcott, Jr.
Associate City Manager/City Clerk
City of Asheville
P.O. Box 7148
Asheville, North Carolina 28807

Dear Mr. Wolcott:

This letter is in response to the request from Asheville City Council in the matter of appeal of Walter D. Gilchrist. On April 19, 1982, the Board of Examiners of the Asheville Policemen's Pension and Disability Fund met in regular session and the following is the result of consideration of such request.

1. The names of individuals the Board of Examiners approved for in-line of duty disability retirement due to diabetes.

ANSWER: The records of the Board of Examiners reveal no case where in-line of duty disability retirement was granted for diabetes.

2. The names of individuals the Board of Examiners approved for in-line of duty disability retirement who became disabled for non-service connected reasons.

ANSWER: None

3. Reasons and/or explanation for the Board of Examiners approving non-line of duty disability retirement rather than in-line of duty disability retirement for Walter D. Gilchrist.

ANSWER: Individual's (Gilchrist) diabetes has no connection with his service as a policeman.

In addition, the Board of Examiners, upon motion by Mr. Michalove, second by Dr. Henderson, unanimously approved a reaffirmation to approve and to continue disability retirement not in the line of duty for Walter D. Gilchrist.

Very truly yours,

Roy M. Trantham
Chairman
Board of Examiners
Asheville Policemen's Pension
and Disability Fund

RMT:llh
Attachment"

Mayor Trantham requested that each Councilmember receive a copy of the letter the City Manager read.

The City Manager said that during the Pre-Council meeting, it was the consensus of Council to delay making a decision relative to Mr. Gilchrist's retirement until the full Council was present, which would be June 3, 1982.

Councilwoman Frank moved to continue the public hearing relative to the appeal of Walter D. Gilchrist of the Asheville Police Department until June 3, 1982. This motion was seconded by Councilman Myers and carried unanimously.

BUDGET AMENDMENTS - CITY OF ASHEVILLE OPERATING BUDGET

7. Consideration was given to a budget amendment amending the General Fund.

The City Manager said that this budget amendment in the amount of \$1,100 is to appropriate funding for appraisal of surplus land at the Asheville Regional Airport.

Vice-Mayor Price moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Frank and carried unanimously.

Consideration was given to a budget amendment amending the Grants Program Fund.

The City Manager said that this budget amendment in the amount of \$2,313 is to increase the Juvenile Justice Delinquency Provision grant for the Hillcrest Parenting Program.

Councilwoman Frank moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 82-73 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HUNTLEY CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS WAYNESVILLE AVENUE 8-INCH SEWER LINE

8. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Huntley Construction Company for the project known as Waynesville Avenue 8-Inch Sewer Line.

The City Manager read the resolution stating that three bids were received and that Huntley Construction Company was the apparent low bidder in the amount of \$22,978.00.

In response to Councilman McDevitt's inquiry as to the Water Authority's right to approve or disapprove the plans and specifications relative to the City's operation of the sewer system, the City Manager suggested to amend the resolution by changing the sentence "... according to plans and specifications issued by Asheville/Buncombe Water Authority; and ..." to read "... according to plans and specifications issued by the City of Asheville; and ..."

Mayor Trantham was excused from the meeting at 5:15 p.m. due to an engagement he was scheduled to speak at.

BIDS - SOLID WASTE COLLECTION SYSTEM VEHICLE

11. Consideration was given to bids received March 11, 1982, for a Solid Waste Collection System Vehicle.

Upon request of Councilman McDevitt, Councilwoman Frank moved to excuse Councilman McDevitt from consideration in this matter due to a conflict of interest as he represents Apple Tree Chevrolet, which are the low bidders. This motion was seconded by Councilman Myers and carried unanimously.

The City Manager reviewed the bid request stating that four bidders submitted proposals. He said that after reviewing the bids, the City staff's opinion is to recommend awarding the bid to Apple Tree Chevrolet as the lowest fully responsive bid in the amount of \$20,842.42. He said that sufficient funding for this purchase is available in the Revenue Sharing Fund, Public Works Department, Sanitation Division appropriations.

Mr. Clark Brown, Director of Public Works, said that this purchase would give complete coverage of the City during the approximate three month leaf and brush collection. He said that there is a 10 day waiting period from when the call first comes in to when the brush or leaves are picked up.

Councilman Pless moved to postpone this approval until next week in order to give the Council ample time to review this bid request. This motion was seconded by Councilman Myers and carried unanimously.

Mr. Brown stated that Council did approve one-half of the total system two weeks ago which was the tractor.

Upon realization of the purchase two weeks ago, Councilman Pless withdrew his motion for postponement and Councilman Myers withdrew his second.

Councilwoman Frank moved to accept the bids as presented by the City Manager. This motion was seconded by Councilman Myers and carried on a 4-1 vote, with Councilman McDevitt being excused from voting.

Councilman Pless requested that the City Manager try to schedule all related bid requests at the same meeting in the future.

RESOLUTION NO. 82-76 - RESOLUTION APPOINTING THE MEMBERS OF THE CITY PERSONNEL ADVISORY COMMISSION

Consideration was given to a resolution appointing the members of the City Personnel Advisory Commission.

The City Manager read the resolution which appointed Mr. Harry Clarke, Mr. Jim Pressley, Mr. Ed Garner, Mrs. Jean Boyd and Mrs. Thelma Caldwell as the members of the City Personnel Advisory Committee.

Councilman Pless moved for the adoption of Resolution No. 82-76. This motion was seconded by Councilwoman Frank and carried unanimously.

Councilman McDevitt moved to adopt the resolution as suggested by the City Manager. This motion was seconded by Councilwoman Frank and carried unanimously.

After some discussion relative to the Water Authority's responsibility other than the funding of sewer maintenance activities, Vice-Mayor Price moved to instruct the Corporate Counsel to examine the Water Agreement in terms of the City Council's role in the operation of the policy of the sewer system in the City under the Water Agreement. This motion was seconded by Councilwoman Frank and carried unanimously.

Complete text of Resolution No. 82-73 will be found in Resolution Book No. 13 at page 211.

RESOLUTION NO. 82-74 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH JENNINGS GLASS COMPANY, INC., FOR THE PROJECT KNOWN AS REID RECREATION CENTER AND SHILOH RECREATION CENTER VESTIBULES

9. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Jennings Glass Company, Inc., for the project known as Reid Recreation Center and Shiloh Recreation Center Vestibules.

The City Manager read the resolution stating that two bids were received on April 13, 1982, and they were returned unopened and the bid date was reset for April 20, 1982. On April 20, 1982, once again two bids were received and that Jennings Glass Co., Inc., was the apparent total low bidder in the amount of \$12,187.26.

Mr. Ray Kisiah, Director of Parks and Recreation, stated that this expense is an energy conservation measure.

Vice-Mayor Price moved for the adoption of Resolution No. 82-74. This motion was seconded by Councilwoman Frank and carried on a 5-1 vote, with Councilman McDevitt voting "no."

Complete text of Resolution No. 82-74 will be found in Resolution Book No. 13 at page 212.

RESOLUTION NO. 82-75 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH STROUP SHEET METAL WORKS, INC., FOR THE PROJECT KNOWN AS REID RECREATION CENTER RE-ROOFING AND RELATED REPAIRS

10. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Stroup Sheet Metal Works, Inc., for the project known as Reid Recreation Center Re-Roofing and Related Repairs.

The City Manager read the resolution stating that two bids were received on April 5, 1982, and they were returned unopened and the bid date was reset for April 15, 1982. On April 15, 1982, once again two bids were received and that Stroup Sheet Metal Works, Inc., was the apparent low bidder in the amount of \$45,973.00.

Councilwoman Frank moved for the adoption of Resolution No. 82-75. This motion was seconded by Councilman McDevitt and carried unanimously.

The City Manager stated that he would have a report for Councilman McDevitt in the near future.

PROJECTED SCHEDULE REQUESTED OF MAJOR WORK TO BE DONE

Councilman Myers and Councilman McDevitt stated that several businesses in the downtown area have expressed their concerns about their businesses being blocked off during the summer months due to work being done on the streets.

The City Manager stated that he would supply Council with a projected schedule of the specific areas in which work will be done.

In response to Councilman McDevitt's statement that the Bootery management had not been contacted relative to the work done in front of their store, the City Manager said that he had personally spoke with the manager and would get back in touch with him.

COUNCIL WORKSESSION - MAY 11, 1982

It was the consensus of Council to hold their Council Worksession on May 11, 1982, from 5:00 p.m. to 10:00 p.m.

APPOINTMENT OF ACTING CHAIRMAN OF THE CITY PERSONNEL ADVISORY COMMISSION

Councilman Myers moved to appoint Mr. Jim Pressley as Acting Chairman of the City Personnel Advisory Commission since he received the largest number of votes. This motion was seconded by Councilman Pless and carried unanimously.

Councilwoman Frank moved to ask the members of the Commission to meet with the Council on June 3, 1982, to review the work program the Council would like the Commission to work on. This motion was seconded by Councilman McDevitt and carried unanimously.

VIRGINA YORK - 15 SUNSET TRAIL

Ms. Virginia York addressed the Council relative to the condition of Sunset Trail.

The City Manager said that he would look into the situation.

REQUEST OF COUNCILMAN McDEVITT - PUBLIC UTILITY POLICY

Councilman McDevitt asked the City Manager if he had an opportunity to check into the status of whether or not the public utility companies, currently in agreements with the City, would be willing to adhere to the recently adopted utility policy.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Grace Pless, Chairman of the Historic Resources Commission, requested Council's approval of designating the "Albemarle Inn" at 86 Edgemont Road as historic property. She said this would be the eleventh such designation.

Mr. John Mellin, owner of the "Albemarle Inn" spoke in support of the historic designation. He said the property would be used as it has been in the past. He said the property would be upgraded.

Mr. Richard Thorton, staff of the Historic Resources Commission, said the "Albemarle Inn" is a large frame Neoclassical structure built by Dr. Carl V. Reynolds in 1906 and subsequently occupied by the Grove Park School, the Plonk School for the Arts and the Albemarle Inn. He said the "Albemarle Inn" has been listed on the National Register of Historic Places and the Historic Commission of Asheville and Buncombe County has demonstrated the historic significance of the building and property known as the "Albemarle Inn." He said tax credits would be available to the owner by this designation.

Mayor Trantham closed the public hearing at 4:14 p. m.

Since members of Council were previously furnished copies of the ordinance it was not read in its entirety.

Vice-Mayor Price moved for the adoption of Ordinance No. 1273. This motion was seconded by Councilman Pless.

On a roll call vote of 6-0, Ordinance No. 1273 passed on first reading.

Absent: Councilman H. C. Wilkes

INVOCATION

The invocation was given by Councilman Joe Pless.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 6, 1982 meeting.

Upon motion of Councilman McDevitt, seconded by Vice-Mayor Price, the minutes of the May 6, 1982 meeting were unanimously approved as submitted.

RECOGNITION OF "THE SCRAPBOOK GANG"

2. The City Manager said Mrs. C. G. Pickard, Mrs. Helen Allison, Mrs. R. C. Collins, Mrs. Rosa Low, and Mrs. Frances Elliott are members of the "Scrapbook Gang." He said these individuals have been dedicating their time and efforts in making the yearly scrapbook of the City of Asheville and are celebrating their 6th anniversary of providing this volunteer service to the City. He showed members of Council an example of the yearly scrapbook.

In recognition of the volunteers work the City Manager presented each member with a corsage. He said Mrs. Mary Blackstock was a member of the "Scrapbook Gang" but had to quit and is now in the Aston Park Convalescent Center. He said a flower arrangement was sent to Mrs. Blackstock for her efforts in the yearly scrapbook.

PUBLIC HEARING - DESIGNATION OF "ALBEMARLE INN" - 86 EDMONT ROAD AS HISTORIC PROPERTY

ORDINANCE NO. 1273 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS THE "ALBEMARLE INN" AT 86 EDMONT ROAD AS HISTORIC PROPERTY. THE "ALBEMARLE INN" IS CURRENTLY OWNED BY JOHN A. AND ROSINA MELLIN

3. A public hearing was held relative to an ordinance designating a building and property known as the "Albemarle Inn" at 86 Edgemont Road as Historic property.

Mayor Trantham opened the public hearing at 4:08 p. m.

J. E. Johnson, Director of Inspections Division, said it has been determined that 230 Cumberland Avenue is unfit for human habitation, unsafe and dangerous to life. He said due process of law has been followed leading up to consideration of an ordinance directing the Housing Officer to demolish the dwelling house. He said an inspection was made of the property on May 13, 1982 at 10:30 a. m. and four (4) junk cars were remaining on the property, the grass had been mowed, some debris removed, some painting had been done and one window replaced. He suggested that Council pass the demolition on first reading.

William McCanless, owner of 230 Cumberland Avenue, spoke in opposition to the ordinance. He made a lengthy presentation showing his interest in rehabilitating and restoring the dwelling. He said the entire roof had been replaced, all but one junk car had been removed, and the house is being painted. He said the house had been vacant since 1977 and taxes have been paid up to 1979. He said he plans to restore the dwelling for an Arts School.

Upon inquiry of Mayor Trantham, Mr. Johnson said in his opinion it would cost \$50,000 to restore the dwelling. Mr. McCanless replied that he had the money to restore the dwelling.

Mr. Ralph Bishop spoke in opposition to directing the Housing Officer to demolish the dwelling.

Mayor Trantham closed the public hearing at 5:16 p. m.

Vice-Mayor Price moved to allow Mr. McCanless sixty (60) days to remove the junk and debris from around the dwelling and thirty (30) additional days to bring the house into compliance with the Housing Code of the City of Asheville. She further directed that Mr. Johnson, Director of Inspections, report to Council every 30 days what progress is being made to restore the dwelling at 230 Cumberland Avenue. This motion was seconded by Councilwoman Frank and carried unanimously.

ORDINANCE NO. 1271 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Beaverdam Road)

6. Consideration was given to the second reading of Ordinance No. 1271, an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville," as amended, rezoning property on Beaverdam Road.

At the request of Councilman McDevitt, the City Manager read the following letter:

659 Kimberly Avenue
Asheville, N. C. 28804

City Council
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Planning and Zoning Commission voted to recommend that the wording change not be adopted since it was not advisable to permit single mobile homes in the CS District since it does not currently permit any residences. Mr. Nesbitt was notified by registered mail of the Planning and Zoning Commission's recommendation and his right to appeal. On April 20, 1982, a letter was received from Mr. Nesbitt appealing Planning and Zoning Commission's recommendation.

By the use of a map, Mr. Ownbey reviewed the location of the property in question.

Mr. Martin Nesbitt, Attorney representing Mrs. Martin Nesbitt, owner of the property, spoke in support of the wording amendment allowing a mobile home to be placed on this property. He said this particular property does not have anything to do with Commercial Service.

A discussion was held relative to the mobile homes that are presently in the location. Mr. Ownbey said the mobile homes that are in the area are under the "grandfather clause" and were placed there prior to the adoption of the ordinance.

Council members expressed concern about amending the zoning ordinance to allow mobile homes in all Commercial Service Districts.

Vice-Mayor Price said she could not support an amendment to the Zoning Ordinance but could consider rezoning this particular area R-5 Residential District which would permit mobile homes.

Marvin Pope, attorney representing prospective owners of the lot, spoke in support of either amending the zoning ordinance to allow the placement of the mobile home or the rezoning of the lot to R-5 Residential District.

Mayor Trantham closed the public hearing at 4:38 p.m.

Councilman Myers moved to remand the request of Mr. Martin Nesbitt to allow a mobile home to be placed on Ward 12, Sheet 13, Lot 42 to the Planning and Zoning Commission to investigate the feasibility of rezoning the lot to R-5 Residential District. This motion was seconded by Vice-Mayor Price and carried unanimously.

PUBLIC HEARING - DEMOLITION OF DWELLING HOUSE KNOWN AS 230 CUMBERLAND AVENUE

5. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to demolish the dwelling house known as 230 Cumberland Avenue.

Mayor Trantham opened the public hearing at 4:43 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Councilman McDevitt said he had some concerns about rezoning the YMCA property without the YMCA having some plans for the property. He said he was concerned that Council should not rezone property just to make it more valuable.

On a roll call vote of 6-0, Ordinance No. 1271 passed on second reading.

ORDINANCE NO. 1272 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Property on Haywood Road)

7. Consideration was given to the second reading of Ordinance No. 1272, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended rezoning property on Haywood Road.

On a roll call vote of 6-0, Ordinance No. 1272 passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1272. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1272 passed on third and final reading.

Complete text of Ordinance No. 1272 will be found in Ordinance Book No. 9 at page 329.

BUDGET AMENDMENT - GENERAL CAPITAL PROJECT (Rear Entrance Ramp Project)
REVENUE SHARING FUND (funding for 7th floor window replacement project)

8. Consideration was given to a motion approving a budget amending amending the City of Asheville General Capital Project Budget and Revenue Sharing Budget as follows:

- A. General Capital Project - This amendment in the amount of \$4,500 is to increase the Capital Project budget for the Rear Entrance Ramp Project to add installation of fuel tank, advertising of bids for project and testing of work as completed which were not included in the original budget.
- B. Revenue Sharing Fund - This budget amendment is transferring \$5,000 from Capital Outlay Buildings - Data Processing to Capital Outlay Buildings - Facility Services to provide additional funding for the 7th floor window replacement project.

*The City Manager noted that these funds would cover plastering work to be done around the windows which was anticipated being done by City forces. He said the contractor was moving too fast for city forces. He said as requested by Council he contacted the Asheville City Schools to see if they could do the plastering and found that the students were not skilled in this type work.

Dear Councilmembers:

We wish to formally protest the rezoning of Lots 11, 12, and 13, Sheet 24, Ward 9, from R-1 Residential to R-2 Residential. Rezoning merely to satisfy the desires of certain individuals or small groups seems unjust.

The current traffic on Kimberly Avenue is already jeopardizing the character of one of the city's finest streets and neighborhoods. The increased traffic that could be caused by multiple-family housing at the head of Kimberly would further aggravate this problem.

Please advise if we can provide additional information or comment.

Sincerely,

Joseph J. Kater

Mary H. Kater

Vice-Mayor Price commented that a condominium complex would cause less traffic on Kimberly than a recreation area. She said if a large development is planned for the property it would be required to go through the group development process where all these concerns could be addressed.

Upon inquiry of Mayor Trantham, the City Manager said two other protests have been filed.

Richard Wood, Attorney representing Colonel Wolfson, said negotiations are taking place for the acquisition of a portion of the Wolfson property for condominium construction. He said it was his understanding that the "20% protest rule" is in effect due to a protest of Mr. Nichols, whose property adjoins Colonel Wolfson. He pointed out that Mr. Nichols has not appeared before Council to express a protest. He said a mountain separates the Wolfson and Nichols property, therefore any construction on the Wolfson property should not interfere with the Nichols property. He said the Wolfson property fronts only a short distance on Kimberly and any access to the site would probably be from Beaverdam Road which would have no impact on the traffic on Kimberly Avenue. He said the proposed condominium complex would enhance the tax base of the City of Asheville by \$5 million.

John Abbott, with the Properties Committee of the YMCA spoke in support of the rezoning. He said, at present, the YMCA does not have any plans for their property. He said the rezoning would make the property more valuable.

The City Manager read the resolution.

Ray Kisiah, Director of Parks and Recreation, said this resolution will authorize him to employ Sutton-Kennerly and Associates, a structural engineering firm, as consultants for the Recreation Park Pool on an hourly basis with the total cost not to exceed \$1,000. He said there is a need to replace a portion of the bottom of the Recreation Park Pool in order to make the pool operable for the 1982 season and there is evidence of possible structural problems in the pool.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 82-78 was unanimously adopted.

Complete text of Resolution No. 82-78 will be found in Resolution Book No. 13 at page 216.

RESOLUTION NO. 82-79 - RESOLUTION APPOINTING MEMBER TO THE ADULT ADVISORY BOARD OF THE ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL (Reappointment of Mrs. Pat Williams)

Consideration was given to a resolution appointing member to the Adult Advisory Board of the Asheville-Buncombe County Youth Council.

The City Manager read the resolution which reappointed Mrs. Pat Williams.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-79 was unanimously adopted.

Complete text of Resolution No. 82-79 will be found in Resolution Book No. 13 at page 217.

RESOLUTION NO. 82-80 - RESOLUTION APPOINTING MEMBER TO THE ADULT ADVISORY BOARD OF THE ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL (Reappointment of Rev. W. A. Easom)

Consideration was given to a resolution appointing member to the Adult Advisory Board of the Asheville-Buncombe County Youth Council.

The City Manager read the resolution which reappointed Rev. W. A. Easom.

Upon motion of Councilman McDevitt, seconded by Councilwoman Frank, Resolution No. 82-80 was unanimously adopted.

Complete text of Resolution No. 82-80 will be found in Resolution Book No. 13 at page 218.

The City Manager presented the budget amendments.

Vice-Mayor Price moved to approve the budget amendments as presented by the City Manager. This motion was seconded by Councilman Pless and carried unanimously.

COMMENTS BY MAYOR TRANTHAM- TAX RATE FOR 1982-83

Mayor Trantham said Council is anticipating a 66¢ tax rate for the 1982-83 City of Asheville budget. He said that amount would come within 12-1/2¢ of cutting the present tax rate of \$1.07 in half. He said this year 1¢ on the tax rate will bring \$126,214, with last year being \$73,872.

Councilman Myers said even at a 66¢ tax rate there would still be a 30% increase in taxes and he was concerned with those figures. He said he personally would like to see the 66¢ tax rate come down further.

PROCLAMATION - MAY 23-29, 1982 - PUBLIC WORKS WEEK

Mayor Trantham proclaimed the week of May 23-29, 1982 as Public Works Week.

MAYOR

CITY CLERK

PUBLIC HEARING - AMENDMENT TO ORDINANCE NO. 1109, KNOWN AS "AN ORDINANCE CREATING THE HISTORIC RESOURCES COMMISSION OF ASHEVILLE AND BUNCOMBE COUNTY"

ORDINANCE NO. 1274 - AN ORDINANCE AMENDING ORDINANCE NO. 1109, KNOWN AS "AN ORDINANCE CREATING THE HISTORIC RESOURCES COMMISSION OF ASHEVILLE AND BUNCOMBE COUNTY"

4. A public hearing was held relative to amending Ordinance No. 1109, known as "An Ordinance Creating the Historic Resources Commission of Asheville and Buncombe County."

Mayor Trantham opened the public hearing at 4:10 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said Council established a Historic Resources Commission by Ordinance No. 1109. He said since the adoption of the ordinance the North Carolina General Assembly has made several changes. He said the proposed changes will be consistent with current North Carolina General Statutes. He summarized the proposed changes to amend Ordinance No. 1109.

Councilman Wilkes expressed concern about the 180 day waiting period before demolition of a dwelling in the historic districts. He said he felt there should be reasonable justification to leave a dwelling standing for 180 days.

Councilman McDevitt questioned language in the proposed ordinance dealing with doors and windows. He said that could be construed as being a part of the interior of a dwelling which the Historic Resources Commission has no control over.

After discussion Mr. Emrick told members of Council that he would look into the concerns of Councilman McDevitt relative to doors and windows being included in the ordinance.

Mayor Trantham closed the public hearing at 4:20 P.M.

Verl Emrick read the proposed ordinance.

Councilman McDevitt moved for the adoption of Ordinance No. 1274. This motion was seconded by Councilwoman Frank.

On a roll call vote of 6-0, Ordinance No. 1274 passed on first reading.

ORDINANCE NO. 1273 - AN ORDINANCE DESIGNATING A BUILDING AND PROPERTY KNOWN AS THE "ALBEMARLE INN" AT 86 EDMONT ROAD AS HISTORIC PROPERTY - THE "ALBEMARLE INN" IS CURRENTLY OWNED BY JOHN A. AND ROSINA MELLIN

5. Consideration was given to the second reading of Ordinance No.

MEMORANDUM TO: Ken Michalove, City Manager

FROM: John P. Miall, Jr., Administrative Supervisor
Employee Development/Safety Division

DATE: May 27, 1982

SUBJECT: Investigation - Possible Death of Asheville Firefighter
Raymond Joseph Flowers

At approximately 10:16 p.m., on Wednesday, May 26, 1982, Asheville Fire Department responded to an alarm at the West Asheville Baptist Church on Haywood Road in West Asheville. At approximately 10:30 p.m., six firefighters entered the church building to determine the extent of the fire and to locate any persons within the building. Finding none in the building, they began to leave at approximately 11:00 p.m. at which time the ceiling and roof structure in the foyer in the front of the church began to collapse.

Five of the six firefighters who originally entered the building were able to exit despite of the cave in, leaving one firefighter unaccounted for.

Rescue efforts commenced immediately and continue at the present time in an effort to locate Firefighter Flowers. At the present time, a crane with a special clam bucket has been requested from Perry Alexander Construction Company and is in route to the church site from Morganton, North Carolina. Said crane should arrive at approximately 12:00 Noon today.

I will advise you of any additional facts or information as they become available.

PUBLIC HEARING - CLOSING OF A PORTION OF EAST HAYWOOD STREET

RESOLUTION NO. 82-87 - RESOLUTION CLOSING A PORTION OF EAST HAYWOOD STREET (ALSO KNOWN AS OLD HAYWOOD ROAD) BETWEEN CLINGMAN AVENUE AND PARK AVENUE

3. A public hearing was held relative to the closing of a portion of East Haywood Street (also known as Old Haywood Road) between Clingman Avenue and Park Avenue.

Mayor Trantham opened the public hearing at 4:08 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication. He also presented an affidavit signed by Douglas O. Thigpen stating he posted a copy of the resolution of intent to close said street in two places along East Haywood Street and copies of the resolution of intent were mailed to adjoining property owners pursuant to North Carolina General Statutes.

Attorney Richard Wood spoke in support of the closing of a portion of East Haywood Street. He said all of the property owners facing on the portion proposed to be closed has joined in a petition to close said street. He said the construction of the new West Asheville bridge caused East Haywood Street to be abandoned. He also presented correspondence from the North Carolina Department of Transportation stating that they had also abandoned this portion of East Haywood Street.

Thursday - May 27, 1982 - 4:00 P.M.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilmen Joe Pless, Larry McDevitt, H. C. Wilkes, and Gordon Myers, Corporation Counsel William C. Moore, City Manager Ken Michalove, City Clerk/Associate City Manager William F. Wolcott, Jr.

Absent: Councilwoman Mary Lloyd Frank

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 20, 1982, meeting.

Upon motion of Councilman Wilkes, seconded by Councilman Pless, the minutes of the May 20, 1982, meeting were unanimously approved as submitted.

RESOLUTION NO. 82-88 - RESOLUTION OF APPRECIATION AND COMMENDATION OF JOHN C. GARDNER

2. Consideration was given to a resolution of appreciation and commendation of John C. Gardner.

Councilman Larry McDevitt read the resolution which stated that John C. Gardner has served the City of Asheville Water Department through his tenure with the City since April 5, 1963. On May 1, 1982, Mr. Gardner retired from the City of Asheville as Water Section Supervisor, Maintenance Division of the Water and Sewer Services Department.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 82-88 was unanimously adopted.

Complete text of Resolution No. 82-88 will be found in Resolution Book No. 13 at page 227.

STATUS REPORT - FIRE AT WEST ASHEVILLE BAPTIST CHURCH ON MAY 26, 1982

The City Manager read the following status report relative to the fire at West Asheville Baptist Church on May 26, 1982:

Vice-Mayor Price moved for the adoption of Ordinance No. 1275. This motion was seconded by Councilman Wilkes.

On a roll call vote of 6-0, Ordinance No. 1275 passed on first reading.

Councilman Wilkes moved to suspend the rules and proceed to the second reading of Ordinance No. 1275. This motion was seconded by Vice-Mayor Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1275 passed on second reading.

PRESENTATION OF THE 1982-83 BUDGET - PUBLIC HEARING SCHEDULED FOR JUNE 10, 1982

5. Mr. Bob Wurst, Budget Director, presented members of Council with the proposed budget and a detailed line item budget for 1982-83.

The City Manager read the following budget message:

May 27, 1982

The Honorable Mayor and
Members of City Council
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mayor and Members of Council:

Submitted herewith are the budget estimates for Fiscal Year 1982-83, which begins July 1, 1982. The budget was prepared according to the provisions of the Local Government Budget and Fiscal Control Act, as amended.

In accordance with this act, a copy of the budget will be filed in the office of the City Clerk, "where it shall remain available for public inspection until the budget ordinance is adopted." The act also requires that the City Clerk publish a statement that the budget has been submitted to the governing board and is available for public inspection in his office. The statement shall also give notice of the time and place of a required public hearing. As a matter of local practice, the budget ordinance is read three times before adoption. The law requires that it be adopted "not earlier than ten days after the budget is presented to the board and not later than July 1." Changes may be made in the budget at any of the three readings, and with the exception of the tax rate any other budget item may be changed by ordinance amendment anytime during the fiscal year.

THE CITY ORGANIZATIONAL AND SERVICE DELIVERY SYSTEM

In order to give you and the public a mental image of the size and complexity of our operations, the following is a brief summary.

He said the petitioners propose to install a fence on this portion of the street to be closed to keep unwanted vehicles out of their businesses.

Mayor Trantham closed the public hearing at 4:18 P.M.

The Corporation Counsel read the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 82-87 was unanimously adopted.

Complete text of Resolution No. 82-87 will be found in Resolution Book No. 13 at page 225-226.

PUBLIC HEARING - INCLUDING PROPERTY KNOWN AS THE "WILLIAMS-McQUEEN HOUSE" AT 105 GUDGER STREET IN THE MONTFORD LOCAL HISTORIC DISTRICT

ORDINANCE NO. 1275 - AN ORDINANCE AMENDING AN ORDINANCE KNOWN AS THE "MONTFORD HISTORIC DISTRICT" (NO. 1195) TO INCLUDE PROPERTY KNOWN AS "THE WILLIAMS-McQUEEN HOUSE AT 105 GUDGER STREET IN THE MONTFORD LOCAL HISTORIC DISTRICT. THE PROPERTY IS CURRENTLY OWNED BY MR. AND MRS. H. C. McQUEEN

4. A public hearing was held relative to the adoption of an ordinance to include property known as the "Williams-McQueen House" at 105 Gudger Street in the Montford Local Historic District.

Mayor Trantham opened the public hearing at 4:22 P.M.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Richard Thornton, of the Planning Department, said when originally designated, the boundaries of the Montford Local Historic District were made to conform to the boundaries of the Montford National Historic District and for undetermined reasons the Williams-McQueen House at 105 Gudger Street was not included within the original boundaries of either the Montford National or Local Historic Districts. The Historic Resources Commission of Asheville and Buncombe County has determined that the "Williams-McQueen House" is significant in the history of Asheville's black community and was an original parcel in the Arborvale Subdivision; the majority of which is now within the Montford Local Historic District.

Mr. Thornton said this designation was being made at the request of the property owners. He said they will receive a 25% tax break on any rehabilitation done to the house and any rehabilitation would be subject to review by the Historic Resources Commission and the issuance of a Certificate of Appropriateness.

Mayor Trantham closed the public hearing at 4:25 P.M.

The City Manager noted that Council members had previously been furnished copies of the ordinance and therefore it would not be read in its entirety.

4. We have 706 full time employees excluding the Water and Sewer Services Department and a large number of part time employees. (Part-time employees generally are hired as needed for special functions such as Civic Center ushers, summer workers in parks, laborers for leaf and brush services and summer street and right-of-way cleaning in the Street Division).
5. We maintain over 660 acres in 37 different parks.
6. It costs \$892,979 annually just for street lights.
7. We answer over 2,800 Fire Department calls per year.
8. We answer over 65,000 Police Department calls per year.
9. We pick up over 40,000 tons of garbage per year.
10. We serve over 30,000 water customers and supply 20,000,000 gallons of water per day.
11. We serve over 600,000 annual recreation participants per year.
12. We serve at least 435,000 annual participants at the Civic Center per year.

SOME MAJOR EXAMPLES OF BUDGETARY MATTERS AFFECTED BY PREVIOUS MANAGEMENT/COUNCIL DECISIONS

There are certain realities over which we have no control. The budget process for Fiscal Year 1982-83 really began years ago with the decisions made then. Our status at this point in time reflects the policy and administrative decisions of this and previous city councils, city managers, federal and state law and the attitudes and desires of the general public. This simply means that there are numerous activities in which we are now involved which we had no say in establishing, but which we now have an obligation to continue. To dwell on whether those past decisions were good or bad would not be fruitful, but we should be aware of these decisions and their impact when making future fiscal and management plans. Remember, this budget generally reflects a time span of twelve months, but the final decisions we make this year will again perpetuate policy and administrative direction far into the future. Some examples of major budgetary matters affected by previous management/council decisions are as follows:

1. 1939 Police/Fire Pension Plans - In Fiscal Year 1976-77 the City Council took a giant step forward by freezing these plans to current membership and beginning actuarial funding of the Police/Fire Pension Plans started in 1939. Up to that time, the funding had been on a "pay-as-you-go" basis, which did not materially affect the budget while employees were young and able. However, we were arriving at a point when the employees were reaching retirement age and disabilities were increasing, and the "pay-as-you-go" system would soon have put the city into a position of using very large amounts of

The Asheville City Government is a large diversified enterprise that provides services not only to residents of the City of Asheville, but to all of Western North Carolina.

We are a council/manager form of government with seven council members elected at large by the public every two years. The mayor is elected by the council and the council selects the city manager, the city clerk and the city attorney. The general division of responsibilities is that the council sets the policies for the city and the manager carries out the policies through day to day operations.

These day to day operations are carried out in a decentralized manner through the city departments, boards, commissions and committees. The departmental organizational structure is divided into two basic functions. 1) Those departments that provide direct operating services to the public - such as Police, Fire, Water/Sewer, Public Works, Civic Center, and Parks and Recreation. 2) Those departments that provide direct support service to operating departments and to the city council, boards, commissions and committees to assure compliance with local, state and federal laws and sound management practice - these include Finance, Employee Services, Administration, Planning, Community Development and Economic Development.

Through the establishment of the Asheville Airport Authority and signing of the Asheville-Buncombe Water Agreement, the city council and the operating functions of the city staff are moving away from the city's former role of providing services beyond the corporate limits of the city and more to providing direct services within the corporate limits. However, there are several functions that still remain that are broader in scope than just the corporate limits and which, to some extent, serve beyond the city limits. Some of these services include zoning, leisure time/recreation, water, staff assistance to other municipalities and counties, mass transit, community relations, Rescue Squad, Data Processing, Civic Center, Planning, Economic Development, Police, and Fire.

There are five enterprise and/or intergovernmental service functions that operate from charges for services to city departments and/or the public. These are the Water Department, the Motor Transport Division, the Print Shop Division, the Engineering Division and the Data Processing Division.

The following are some basic statistics about the city which are important to budgetary considerations:

1. Our municipal service area is approximately 25 square miles; (this will increase 2.3 square miles when the annexation for Chunn's Cove, Patton Avenue, and Sweeten Creek Road are approved.)
2. We have over 400 miles of streets.
3. We serve over 54,000 people in over 28,000 dwellings and businesses, 24 hours a day, 7 days a week.

For the past two years the status of federal grant programs has been changing or has been eliminated. The city has used federal funds for a variety of improvements thus eliminating the need for bond issues and numerous ad valorem tax increases for these needed improvements. If the trend for funding federal grant programs continues, the burden will shift to the city to provide funds for these purposes. The average city resident does not realize the millions of dollars in federal funds that have gone to make basic improvements to streets, sidewalks, water, sewer, fire, recreation and other basic services which were not funded by ad valorem taxes.

3. Asheville Transit Authority - The City of Asheville assumed the operation of the bus system in 1967. Through federal grants and a bond issue, we acquired a new building and new buses. From 1967 to 1970 our losses were zero. In 1982-83 our gross loss is estimated to be \$913,636. However, to help offset this loss, operational subsidies are available through a federal grant program to subsidize one-half of our operating loss. In fiscal 1982-83 this subsidy is estimated to be \$480,861. In 1978 the City Council increased the fee for city stickers

from \$1.00 to \$5.00 which will generate \$165,000; thus we will still have a net loss of \$267,775.

In addition, we submitted an application to the federal and state governments to replace 10 buses in 1974. The price per bus was \$41,233 at that time.

We finally received the buses in 1982 at an average cost of \$83,518 each.

The 1982-83 proposed budget is a 5% reduction from the 1981-82 budget and we can expect that the Transit Authority will have to consider a fare increase. It should also be noted that the federal government is planning to phase out the operating assistance program and that there is currently no provision for replacement of other buses, equipment and facilities.

4. Governmental and Non-profit Organizations - Many governmental and non-profit organizations have chosen to locate inside the Asheville city limits because of the services the city provides at no expense to those agencies since they are tax exempt. On the other hand, tax paying residential and business development is primarily taking place outside the city limits. The loss in ad valorem tax from tax exempt properties is over \$600,000/year.
5. Annexation Moratorium and Proposed Annexation - For more than four years, the City was under a local annexation moratorium imposed by the General Assembly. This moratorium denied the city the opportunity to annex urbanized unincorporated areas of the county which were developed and have prospered due in large

operating money to fund the retirement benefits. It was a courageous and fiscally responsible action that City Council took in recognizing the need to provide actuarial funding for these retirement programs, to assure the employees of their benefits, and to save future administrations the disproportionate costs inherent in "pay-as-you-go" funding.

The status of these plans at this time is:

- a) Effective January 1, 1979, the employees and beneficiaries of the Fire Plan voted to change their retirement program to the North Carolina Local Governmental Employees Retirement System (LGERS).
 - b) The definitions of "disability" and "retirement age" in the 1939 Police Plan were changed by the 1979 General Assembly.
 - c) The active and retired members of the 1939 Police Pension Plan voted in 1978 not to transfer their membership to LGERS or the Law Enforcement Officers Benefit and Retirement Fund (LEOBRF).
 - d) The Fiscal 1982-83 actuarial funding requirement of the 1939 Plan is approximately \$687,483 for about 93 active employees, which works out to a cost per employee of \$7,392, while the pension cost for all other city employees is \$922,076, which works out to approximately \$1,514 per employee.
 - e) Had the 1939 Police Pension been funded since inception with employer contributions according to the original provisions of the plan, the current costs would not be so disproportionate with other plans.
2. Use of Federal Funds - (Model Cities, Community Development, Bureau of Outdoor Recreation, Urban Renewal, ARC, EDA, LEAA, etc.) These funds have improved materially the quality of life in our city and slowed considerably the physical decay in numerous blighted areas that we would probably never have been able to improve otherwise.

In the area of recreation projects alone, while we were able to upgrade many existing parks which had not been adequately maintained, we also added new facilities which have added at least \$500,000 in continuing annual operational expense to support the facilities constructed with these funds. Examples are the Senior Opportunity Center, Shiloh Recreation Center, Montford Recreation Center, and Livingston Street Recreation Center. These improvements brought about an important change in our recreational services philosophy. Now, in addition to our seasonal outdoor recreation programs, we have a new emphasis on large and expensive indoor recreation centers.

Water Fund, Community Development Fund, Revenue Sharing Fund, the Capital Projects funds and the Economic Development Trust Fund.

A. General Fund

1. We will retain a \$1 million cash flow (unappropriated fund balance) - an amount equal to about two weeks operations.
2. The 1939 Police Pension obligation is funded out of the Police Department and is budgeted in the General Fund.
3. Significant facts pertaining to ad valorem tax (See Attachment A)
 - A. We have a total General Funds annual budget of approximately \$21.4 million of which only \$8.3 million comes from ad valorem tax; based on a tax base of approximately \$1.342 billion (the estimated tax base is adjusted for the octennial revaluation for 1982-83).
 - B. The budgeted ad valorem property tax of \$8,330,094 million for 1982-83 does not cover the budgeted cost of \$9,167,492 for police protection, fire protection and garbage collection for 1982-83.
 - C. The budget anticipates a reduction in the ad valorem tax rate from \$1.07 per \$100 valuation to 66¢ per \$100 valuation.
 1. The projected tax base, based on the octennial revaluation, has increased our estimated tax base from \$794,321,661 to \$1,342,697,288.
 2. Preliminary decisions of the council/manager are not to provide for an across the board pay raise. (A 5% across the board pay increase July 1 would cost \$508,258 - the equivalent of 4¢ on the tax rate).
 - D. A penny added to the tax rate for 1981-82 would yield \$74,485 and a penny on the tax rate in 1982-83 is expected to yield \$126,214.
 - E. The \$8,330,094 that the ad valorem tax will yield is equivalent to the ad valorem tax produced in 1981-82 plus our normal growth factor of 3½%. Thus we have attempted to set the tax rate as close as possible to the equivalent 1981-82 tax rate.
 - F. The collection rate for ad valorem taxes for Fiscal 1982-83 is estimated to be 94%. This is increased

part to their proximity to the City of Asheville and their access to needed city services.

This artificial restriction of Asheville's natural growth affects not only ad valorem tax receipts but also many state and federal shared revenues, since the allocation of such revenues is based on population growth, local tax effort, and the relative size and growth of our city compared to other cities and to the county. The annexation moratorium ended July 1, 1979.

6. Civic Center - The Civic Center has been and continues to be an excellent entertainment, cultural, and convention resource for all of Western North Carolina. However, the net operational cost and debt service cost to be borne directly by the city for Fiscal 1982-83 is projected to be \$788,498. This cost is net after the \$160,800 for civic arts assumed by the county as a result of the Water Agreement.
7. The lack of definite policies of previous councils and administrations regarding capital needs have led to many of our current major problems. Street paving, sidewalk construction, bridge repair and storm drainage are examples of major problems which must be financed.

FISCAL 1982-83 BUDGET CONCERNS

This has been a particularly difficult budget year. Some of the "unknowns" are as follows:

- a) Annexation status is uncertain.
- b) Revaluation and setting the tax rate is a concern.
- c) The Water Agreement has had an impact on many city activities.
- d) Economic conditions are having an affect on many city revenues and expenditures.
- e) The Cauble Suit is pending.
- f) The Charter Commission recommendations and potential merger of governmental functions is pending.

The only funds available to cover these concerns are the \$1,000,000 unappropriated fund balance in the General Fund and \$819,825 in capital reserve funds. The potential costs of items a) and e) alone could exceed the \$1,000,000 unappropriated fund balance.

BUDGET SUMMARY

This section of the budget message will provide the following information on the major components of various budgets including the General Fund,

13. We are still planning to use approximately \$1,365,000 in fund balance that will not be available next year. The effect of dropping the tax rate to 66¢ this year and using fund balance will require a 10.8¢ tax increase in 1983-84 to maintain services at the 1982-83 level.
14. The budget is still too dependent on federal funds, principally revenue sharing, for routine equipment replacement, street paving and maintenance of facilities.
15. Because of limited capital reserves we cannot do an adequate job of maintenance to streets, sidewalks, buildings, etc. In fact, at this point in the budget we are short over \$2.4 million in our projected capital needs. (See attachment D)
16. The budget plan does not adequately fund a number of known contingencies such as:
 - a) providing services to the proposed annexed areas of Chunns Cove, Sweeten Creek and Patton Avenue once the court declares the annexation valid.
 - b) the settlement of the Cauble suit.
17. Some of the unknown contingencies could be:
 - a) major tax appeals such as public utilities appeals which held up tax payments in 1978-79;
 - b) the economy - particularly if fuel and utility prices go beyond our estimates, or revenue projections fall short.
 - c) severe weather conditions.
18. Our General Fund contingency is only \$100,000.
19. Additional federal budget decisions may affect the bus system, roads, etc.
20. State budget decisions may affect roads, public works, etc.
21. In a time when revenue projections should be under estimated and operating expenses over estimated, we have tended to lean in the opposite direction.
22. We absorbed \$176,513 this year in cost and 9 staff members for engineering services formerly provided through the Water Fund.
23. We are continuing a 3-year program started in 1981-82 to reduce the Inspection Division staff from 28 to 23 and to cross train inspectors.

from previous years but is still far below the state average for large cities and counties. Each 1% increase in collection rate will yield \$88,618 in additional ad valorem revenue.

- G. The proposed 66¢/\$100 tax rate for 1982-83 is a reduction of 39% from the present rate of \$1.07/\$100. This reduction does not offset the shift in tax burden from personal to real property caused by revaluation. Many taxpayers, particularly businesses, will see a reduction in their tax burden. The typical residential homeowner that experiences an increase in real property from \$30,000 to \$69,300 because of revaluation, will experience an annual tax increase of approximately \$116.
4. There is a continuation of current fringe benefits for employees, however, there is no salary scale adjustment planned for Fiscal 1982-83.
5. We plan to prepare for the annexation of the areas of Ascension Drive, Johnston School Road and Riceville Road to be effective June 30, 1983. However, there are no revenue projections in Fiscal 1982-83.
6. In the event the county commissioners do not assume the cost of animal control we have to appropriate an additional \$45,453 for that program in the Police Department budget. This is currently not budgeted.
7. The Service and Information office will be closed on the 1st floor and the functions divided between the Water Department, the Public Works Department and the City Manager's Office.
8. We will proceed with the study of telephone service to reduce costs.
9. The primary activity that has suffered as a result of cutting departmental requests is in the area of travel and training. This on a year-to-year basis is an easy item to cut but because of the types of programs which the city employees have taken advantage of, such cuts turn out to be false economy.
10. We will proceed with implementation of changes in radio communications as recommended in the MICA study.
11. The budget continues the use of the 7th and 8th floor of the City Building by the city schools. This service has an estimated value of \$82,000 annually at no cost to the schools, except utility costs.
12. The council is continuing the provision of school crossing guards for schools in the city. This will cost \$24,084 annually.

C. Community Development Fund

1. The majority of these funds will be used to continue the East End/Valley Street project.
2. Some funds are designated for downtown development.
3. The Economic Development Department and some of the consultant services for the Economic Development Trust Fund will be funded through Community Development sources.
4. Depot Street improvements will proceed.
5. Historic Resources activities will be funded solely from Community Development in the amount of \$7,500. This funding will be transferred to and administered in the Planning Department budget.

D. Revenue Sharing Fund

The Revenue Sharing Trust Funds available for 1982-83 are estimated to be \$2,173,152. Of this amount \$1,370,000 will be appropriated for street paving and bridge work and almost \$500,000 for routine equipment replacement. The Revenue Sharing Trust Fund budget appears on page 45.

E. Economic Development Trust Fund

It has been preliminarily agreed that an Economic Development Trust Fund will be established to provide funding for various development programs as established by city council. This fund will be established by special ordinance by which council will establish the policies and procedures under which this fund will operate. Funding will be provided principally by sale of surplus city property and payment of the debt from the Water Fund. These sources should generate over \$3,000,000. The type of programs include loan subsidies to encourage private investment, and participation in the proposed move of the Art Museum.

F. Capital Improvements Fund

It is planned to increase bonded debt under the "2/3 rule" to generate approximately \$887,000 for improvements to be determined by Council. Examples would be energy conservation investments and efficiency improvements.

A new motor transport facility is planned to be financed by a long-term lease purchase and payments will be funded from savings generated by closing two older facilities and phased staff reductions. Costs not recovered through savings would be charged to user departments through increased fees.

An estimated fund balance of \$819,825 in sinking fund reserves will remain unappropriated as a contingency.

24. In several divisions, we are budgeting vacancies that we assume will occur for the length of time it takes to fill those jobs.
 25. The city will settle a majority of outstanding worker's compensation claims.
 26. Labor needs continue to be shifted to hiring for peak demands, eliminating full-time positions when vacancies occur and using part-time employees when possible.
 27. Chestnut Street Bridge will remain closed.
 28. Organization and reorganization will continue to be key elements particularly when vacancies occur. We will evaluate each position to determine if we can fill it by transferring the work to an existing, a lower, or a part-time position.
 29. We expect to complete the reorganization of the Fire Department by July 1, 1982.
 30. Two operations are on a 4-day work week in order to save energy during daylight savings time.
 31. The Police Department continues an expeditor approach to cut down on unnecessary travel.
 32. The effort in Parks and Recreation to reduce the number of full-time employees has continued and the number of such positions has been reduced for 1982-83.
 33. During 1982-83 the city will undertake a change in the accounting for the Parks and Recreation Department to separate and more clearly identify the cost of recreation as opposed to other activities which are not recreation. This will enable the council and the public to better understand the scope of activities funded through Parks and Recreation.
- B. Water Fund - While the City Council has yet to review the Water Fund budget it is assumed that the budget will contain the following:
1. Continued management through the terms of the Water Agreement.
 2. Sufficient funds to meet the obligations of annexation for Chunns Cove, Sweeten Creek Road and Patton Avenue once the court case is settled.
 3. Beginning payments toward an \$841,186 debt owed to the General Fund. Funds to be used for the Economic Development Trust Fund.
 4. Payment in lieu of tax of approximately \$862,000 or 10% of water revenues, to the General Fund.

The City of Asheville, like other segments of our society, has been adversely affected by the financial conditions and economic trends of the times. Increased cost in energy, supplies, equipment, salaries and wages and fringe benefits have occurred during a period of diminishing financial resources, and while a predominantly "hold-the-line" concept in development of the city budget was in place. Some examples of typical cost increases are as follows:

Comparison of Costs
Fiscal 1976 to 1982

	1976	1982	%
<u>C.P.I.</u>	170.5	281.5	65%
<u>Total Positions</u>	936	706	
<u>Fringe Benefits</u>			
FICA	\$278,000	\$462,446	
Pensions	360,000	1,609,563	
Group Insurance	200,000	580,445	
Cost/Employee	<u>\$ 895</u>	<u>\$ 3,757</u>	319%
<u>Operating Costs</u>

Garbage Truck	35,000	71,000	103%
Street Sweeper	49,500	85,000	72%

For the past several years, various methods have been used to reduce costs and maintain an effective level of municipal services. The successes that the city has achieved are demonstrated by the city's ability to hold the increase in total cost of city government well below the C.P.I., even while adding additional services, and the fact that the ad valorem tax burden on the typical residential tax payer in the city has been reduced from 5.9% of per capita income in 1975 to only 3.3% of per capita income in 1981 (Attachment C). This has occurred while the state and federal tax burden has risen dramatically (Attachment C). Therefore, in view of the cost reductions that have already taken place over the past few years, the city is faced with limited alternatives now for further reducing expenses. Arbitrary cuts will require varying degrees of reorganization of city activities and will effect not only direct city services, but also administrative service functions as well. The reasons for this are:

1. Our organizational approach is to maximize service to the public by decentralizing service delivery through the departments of Police, Fire, Water and Sewer, Public Works, Civic

CONCLUSION

There is a general impression of government employees and government in general that there is a lot of "fat" to be cut and a lot of people that do not do any work. Well, that is not the case with the City of Asheville. We have dedicated employees throughout the ranks and I am proud of the job they are doing. And, if you examined closely where we have come from in the past five years, the list of improvements in service, productivity, and efficiency would astound you. It is primarily through the efforts of the department heads and administrative staff that we have been able to accomplish this. These people give of their own time for the betterment of the City - rarely to be thanked or congratulated for their efforts, but usually chewed on, chewed out, told to be more efficient, more productive, cut the budget and provide the same level of service. It is through the efforts of these people that we did cut \$900,000 from expenses this past year, but no one asks at what sacrifice. Their weekly hours range from 50 to 80, they lose earned annual leave, and come to work when they ought to be taking sick leave.

Sometimes they are referred to as the over-paid administrative staff, when in fact, they are borderline or underpaid for the type work for which they are responsible.

They are well known regionally, statewide, and nationally through their service on boards, committees, and commissions, and, they spurred an effort to raise over \$18,000 for United Way this past year through contributions of fellow employees, and they participate in many community activities.

I believe we have gone forward in the past five years, and we can continue to do so with reasonable approaches to budget, management, and policy.

My Philosophy is:

1. Changes should be by evolution rather than revolution.
2. Direct services to the city residents should be provided in the most efficient and effective manner possible.
3. Since we are a labor-intensive service organization, we should expect high employee performance standards and our pay and benefits should be competitive with those of local private industry and comparably-sized cities in North Carolina where the scope of the position and organization are similar to ours - so that we can attract and retain the best qualified employees.
4. Asheville is the county seat of Buncombe County, the seventh largest city in North Carolina, known worldwide as a tourist/ convention center, the largest North Carolina city west of Charlotte, a leader in the growth of Western North Carolina, and a progressive city. We should maintain that image and role.
5. In the event personnel reductions are necessary, to the extent practical, it should be done by attrition and reduction in working hours rather than through terminations.

Division, Accounting Division, the Finance Department, Print Shop personnel, and to the City Council for their long hours of deliberation over this budget.

Respectfully submitted,

K. M. Michalove
City Manager

KMM:prw

Mr. Bob Wurst summarized the budget including revenues and expenditures for all funds. He also summarized a supplementary worksheet showing line item details of revenues and expenditures.

After a brief discussion, Councilman McDevitt moved to schedule a public hearing on the 1982-83 City of Asheville Budget for June 10, 1982. This motion was seconded by Councilman Wilkes and carried unanimously.

BUDGET AMENDMENT - CITY OF ASHEVILLE GENERAL FUND - SETTLEMENT OF CLAIM - SANITATION DIVISION

6. Consideration was given to a motion approving a budget amendment amending the City of Asheville General Fund and the General Capital Projects and Community Development Fund as follows:

- A. General Fund - This budget amendment will transfer \$54,800 from the City's General Fund Contingency to the Sanitation Division - Worker's Compensation line item to provide for settlement of a claim.

The City Manager presented the budget amendment.

Councilman Wilkes moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Vice-Mayor Price and carried unanimously.

ORDINANCE NO. 1274 - ORDINANCE AMENDING ORDINANCE NO. 1109 KNOWN AS, "AN ORDINANCE CREATING THE HISTORIC RESOURCES COMMISSION OF ASHEVILLE AND BUNCOMBE COUNTY"

7. Consideration was given to the second reading of Ordinance No. 1274, an ordinance amending Ordinance No. 1109, known as, "An Ordinance Creating the Historic Resources Commission of Asheville and Buncombe County."

Mayor Trantham stated that this ordinance was previously read on first reading and would not be reread in its entirety unless there was a specific request to do so.

Verl Emrick, Director of Planning, said Council had several

Center, and Parks and Recreation, and by centralizing such activities as recordkeeping, legal, policy functions, vehicle maintenance, and printing through the departments of Finance, Administration, Employee Services, Planning, Community Development, and Economic Development.

2. This organizational approach has checks and balances to continuously monitor compliance with state, federal, and local laws and efficiency and effectiveness of operations. The need for compliance with these laws and efficient/effective operations and administration will not go away just because we cut the budget.

This Council has inherited the decisions made by former councils and managers, as well as the attitudes and desires of the general public. This simply means that there are numerous activities in which we are now involved which we had no say in establishing, but which there is an obligation to continue or specifically delete.

Therefore, cuts below this recommended budget need to be weighed in terms of good fiscal management, public service needs, and the effects the cut will have on operations and administration. Some of the effects of further cuts are:

1. It will reduce the levels of service. Complaints will increase and we will spend an excessive amount of time responding to those complaints rather than providing service on an equal non-partisan basis.
2. Asheville will fall from rank as a participant in national, state, and regional affairs.
3. Overall appearance of city facilities will deteriorate - the signs of which are already prevalent in streets, sidewalks, and some buildings.
4. Long term effect is that those highly motivated individuals having the credentials for sustained or upward mobility will be seeking jobs elsewhere and the general quality level of city employees will be reduced.

No budget is easy, and no budget should be final. It should be viewed as the general plan of activity for the year indicated, capable of being adjusted to the unexpected.

Our department and division heads deserve particular recognition for their efforts and cooperation in preparing their respective elements of this budget. I firmly believe that this and greater overall efficiency in delivering municipal services are positive results of my emphasis on decentralized management accountability and responsibility. Special recognition for direct assistance in preparation and production of the budget is given to the Administrative Services activity, Employee Services Department, Data Processing

The City Manager read the resolution which stated that on Monday, May 17, 1982, bids were opened on the North Bear Creek Road Box Culverts. Miller Engineering of Mount Airy, North Carolina is the apparent low bidder for this contract in the amount of \$58,674.01. Recommendation of acceptance of the low bidders.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 82-89 was unanimously.

Complete text of Resolution No. 82-89 will be found in Resolution Book No. 13 at page 228.

RESOLUTION NO. 82-90 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH APAC-CAROLINA ASHEVILLE DIVISION FOR THE PROJECT KNOWN AS EAGLE STREET PARKING LOTS IMPROVEMENTS

9. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Apac-Carolina, Inc., Asheville division for the project known as Eagle Street Parking Lots Improvements.

The City Manager read the resolution which stated on Monday, May 17, 1982, bids were opened on the Eagle Steet Parking Lots Improvements Apac-Carolina, Inc., Asheville division, Asheville, North Carolina is the apparent low bidder for this contract in the amount of \$27,717.96. Recommendation of acceptance of the low bidder.

Upon motion of Councilman Wilkes, seconded by Councilman Myers, Resolution No. 82-90 was unanimously adopted.

Complete text of Resolution No. 82-90 will be found in Resolution Book No. 13 at page 229.

MAYOR'S ANNOUNCEMENT OF ADDITIONAL MEMBERS OF THE MAYOR'S DOWNTOWN TASK FORCE

Mayor Trantham announced that the Steering Committee for the Mayor's Downtown Task Force had agreed to increase their membership by two members. He said that he had appointed Mr. J. D. Jackson and Mr. Tyson Betty as members of the Steering Committee for the Mayor's Downtown Task Force.

RESOLUTION NO. 82-91 - RESOLUTION AUTHORIZING THE CLOSING OF MELROSE AVENUE ON SUNDAY, MAY 30, 1982, FROM 4:30 P.M. TO 8:00 P.M.

Consideration was given to a resolution authorizing the closing of Melrose Avenue on Sunday, May 30, 1982, from 4:30 P.M. to 8:00 P.M.

The City Manager read the resolution stating that the residents of Melrose Avenue requested, through their spokesman Wood Pace, that Melrose Avenue be closed on Sunday, May 30, 1982, from 4:30 P.M. to 8:00 P.M. for the purpose of holding a "neighborhood block party" on Melrose Avenue between Gracelyn Road and Lynmar Avenue.

questions relative to the ordinance during its first reading. He read the following proposed amendments to Ordinance No. 1274:

From and after the designation of a Local Historic Property, no exterior portion of the Local Historic Property (including stone walls, fences, exterior light fixtures, steps, pavement, doors and windows) nor any type of outdoor advertising sign shall be erected, altered, restored, removed or demolished without issuance of a Certificate of Appropriateness indicating approval of said action or change. The governing body shall require such a certificate to be issued by the Commission prior to the issuance of a building permit or any other permit granted for purposes of construction or altering structures. A Certificate of Appropriateness shall be required whether or not a building permit is required.

Prior to issuance or denial of a Certificate of Appropriateness the Commission shall take such steps as may be reasonably required in the ordinance and/or rules of procedure to inform the owners of any property likely to be materially affected by the application, and shall give the applicant and such owners an opportunity to be heard. In cases where the commission deems it necessary, it may hold a public hearing concerning the application. Notification of said public hearing shall be given to all parties having interest no later than 10 days prior to the date of the hearing. All meetings of the Commission shall be open to the public in accordance with the N. C. Open Meetings Law.

An appeal may be taken to the Board of Adjustment from the Commission's action in granting or denying the Certificate in the same manner as any other appeal to such board. Any appeal from the Board of Adjustment's decision in any such case shall be heard by the Superior Court of Buncombe County.

Upon inquiry of Councilman McDevitt, Mr. Emrick said he felt it would be necessary to include doors and windows in the ordinance because of the North Carolina General Statutes. He said this would also help maintain the character of the Historic Districts.

Vice-Mayor Price moved to amend Ordinance No. 1274 as proposed by Mr. Emrick. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1274 passed on second reading as amended.

RESOLUTION NO. 82-89 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH MILLER ENGINEERING COMPANY, FOR THE PROJECT KNOWN AS NORTH BEAR CREEK ROAD BOX CULVERTS

8. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Miller Engineering Company, for the project known as North Bear Creek Road Box Culverts.

After a brief discussion, Vice-Mayor Price requested that Mrs. Porter's request be sent to the Community Development/Housing Authority Liaison Committee for their consideration.

RALPH BISHOP - REQUESTING RECORDS OF J. C. HALL'S DISABILITY PENSION

Mr. Bishop again requested information as to his obtaining a copy of the law, ordinance, or anything else which states that the Board of Trustees has control of the records relative to J. C. Hall's disability pension.

ADJOURNMENT

Upon motion the meeting adjourned at 5:40 P.M.

Dwight L. ...
MAYOR

William F. Hackett
CITY CLERK

Upon motion of Councilman McDevitt, seconded by Vice-Mayor Price, Resolution No. 82-91 was unanimously adopted.

CLAIMS - J. DONALD WILLIAMS (WATER & SEWER) - JOHN JARRETT (PUBLIC WORKS) - DAVID GUTHRIE (WATER & SEWER)

The City Manager presented claims received from J. Donald Williams, John Jarrett, and David Guthrie.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - THURSDAY, JUNE 3, 1982, - "504 AWARENESS DAY"

Mayor Trantham proclaimed Thursday, June 3, 1982, as "504 Awareness Day" dealing with regulations to the 504 Act of 1973 relative to handicapped individuals.

MOMENT OF SILENCE FOR FIREFIGHTER RAYMOND JOSEPH FLOWERS

The City Manager announced that the body of Firefighter Raymond Joseph Flowers had been recovered from the West Asheville Baptist Church at approximately 4:30 P.M. He requested that Council have a moment of silence.

REQUEST BY MRS. THELMA PORTER - NAMING OF STREETS IN EAST END AREA

Mrs. Thelma Porter of 142 Mount Clare read the following statement: "this is a request to City Council, on behalf of James Conner Porter, Sr., who was born in East End on May 24, 1917, - attended Mountain Street School, at that time located on Clemmons Street. He finished Stephens Lee High and attended Johnson C. Smith College in Charlotte, North Carolina and volunteered for the armed services in combat. He returned home during peace time, married me, Thelma Washington Porter, bought out the family grocery business, which his father started before James was born at the corner of Mountain Pine and Clemmons Street. James served his community well, not just East End but his home city Asheville as well. He was a boy scout leader, a shriner, a mason, a volunteer sheriff under Sheriff Morrissey, an adult sunday school teacher at Berry Temple Church under Reverend P. T. James, worked with Mr. Michalove in Model Cities at Lucy Herring, operated Porter's Grocery until 1973 when he passed away of cardiac arrest in the Aston Park Hospital. He helped raise two children who are now gainfully employed. James, Jr., works in nursing at Oteen. James was born into a family where all of his three sisters taught in the city schools. From this information of service and etc. about James Porter I respectfully request that in East End you would name one of the following after him: 1) James Porter Circle; 2) James Porter Park; 3) James Porter Bridge; 4) James Porter Lane for James was born there, lived there, served there and died loving East End."

The City Manager also stated that he received a letter from Richard A. Wood, Jr., attorney for Colonel Mitchell Wolfson (Milofran Frams, Inc.) requesting the Council give favorable consideration to the rezoning proposed.

A letter from Mr. Jan M. Weigman was received on June 1, 1981, urging the Council to approve the rezoning request proposed.

Councilman Wilkes spoke in support of the total rezoning in the R-2 zone, making it contiguous to the adjacent land.

Councilman McDevitt said that since the zoning ordinance is a great protection in our City, the Council should not rezone lightly. He feels that the only fair thing to do is reconsider a new definition of R-1 that permits exactly this type of use and then let developers and property owners that live in this area know that the definition of R-1 has changed and that this type of use is now permitted in their district. He said that this should be done especially if Council is encouraging multi-family housing in R-1 districts.

Councilwoman Frank feels that the City needs to establish a policy on multi-family dwellings in the R-1 districts. She feels it is not fair for a person to make a large investment in their home in the R-1 district and then have the zoning adjacent to their property rezoned differently.

On a roll call vote of 5-2, Ordinance No. 1271 passed on its third and final reading. Councilman McDevitt and Councilwoman Frank voted no.

Complete text of Ordinance No. 1271 will be found in Ordinance Book No. 9 at page 328.

RESOLUTION NO. 82-93 - RESOLUTION AND ORDER TO CLOSE A PORTION OF SHOENBERGER PLACE

PUBLIC HEARING RELATIVE TO CLOSING A PORTION OF SHOENBERGER PLACE

4. A public hearing was held relative to closing a portion of Shoenberger Place.

Mayor Trantham opened the public hearing at 4:23 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Attorney Stephen L. Barden III, representing Richard T. Wittington, owner of the property on both sides of the southern 112.58 feet of Shoenberger Place, said that Shoenberger Place formerly ran from Ravenscroft Road in a south-eastern direction to an unnamed alley an approximate distance of 250 feet. He said that Shoenberger Place became blocked and became a dead end at its southern terminus when a large amount of earth was graded out and removed at the point where Shoenberger Place intersected said unnamed alley. He said that

this portion of Shoenberger Place is no longer used by property owners for ingress and egress to their properties and no one will be deprived of access to or from his property. He said that the purpose of this closing would be for Grove Printing Company to eventually extend their building.

Mayor Trantham closed the public hearing at 4:32 p.m.

The Corporate Counsel read the resolution.

Thursday - June 4, 1982 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwoman Mary Lloyd Frank; Councilmen Joe Pless, Larry McDevitt, H. C. Wilkes, and Gordon Myers; Corporate Counsel William C. Moore; City Manager K. M. Michalove; City Clerk/Associate City Manager William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Reverend Wendell O. E. Christopher, Sr., Pastor of St. James AME Church.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 27, 1982, meeting.

Upon motion of Councilwoman Frank, seconded by Councilman Wilkes, the minutes of the May 27, 1982, meeting were unanimously approved as submitted.

RESOLUTION NO. 82-92 - RESOLUTION COMMEMORATING FIREFIGHTER RAYMOND JOSEPH FLOWERS

2. Consideration of a resolution commemorating Firefighter Raymond Joseph Flowers.

The City Manager read the resolution stating that the City of Asheville experienced a great community loss in the death of Firefighter Raymond Joseph Flowers when he fought a fire on May 26, 1982, at the West Asheville Baptist Church.

Upon motion of Councilman Wilkes, seconded by Councilman Pless, Resolution No. 82-92 was unanimously adopted.

Complete text of Resolution No. 82-92 will be found in Resolution Book No. 9 at page 231.

ORDINANCE NO. 1271 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (PROPERTY ON BEAVERDAM ROAD)

3. Consideration was given to the third and final reading of Ordinance No. 1271, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (property on Beaverdam Road).

Mayor Trantham stated that this ordinance was previously read on its first reading and would not be re-read in its entirety unless there was a specific request to do so.

The City Manager gave an update report to the Council stating that Mr. Verl Emrick, Planning Director, had received a letter from Mr. Herman G. Nichols stating that he is withdrawing his formal protest to the rezoning proposed. He said that Mr. Nichols' withdrawal has the effect of nullifying "3/4 rule" or the 20% protest rule which requires 6 votes of Council to pass the rezoning request.

RE: Application of The Thoms Broadcasting Companies,
Inc. for approval of increase in rates

Dear Mayor Trantham and Members of the City Council:

I understand that the request of The Thoms Broadcasting Companies, Inc. for approval of an increase in its rates is on your agenda for Thursday, June 3, 1982. It may be that further information will be available for your consideration in passing upon this application. Therefore, as Attorney for The Thoms Broadcasting Companies, Inc., I am writing you to request that you remove this matter from your agenda for Thursday, June 3, and place the matter upon your agenda for Thursday, July 8.

Sincerely yours,

ROBERTS, COGBURN, MCCLURE AND WILLIAMS

Max O. Cogburn"

Councilman Pless moved to continue the public hearing on this matter until July 8, 1982. This motion was seconded by Vice-Mayor Price and carried on a 6-1 vote, with Councilman McDevitt excused from voting due to conflict of interest.

ORDINANCE NO. 1275 - AN ORDINANCE AMENDING AN ORDINANCE KNOWN AS THE "MONTFORD HISTORIC DISTRICT" (NO. 1195) TO INCLUDE PROPERTY KNOWN AS THE "WILLIAMS-MCQUEEN HOUSE" AT 105 GUDGER STREET IN THE MONTFORD LOCAL HISTORIC DISTRICT. THE PROPERTY IS CURRENTLY OWNED BY MR. AND MRS. H. C. MCQUEEN

7. Consideration was given to the third and final reading of Ordinance No. 1275, an ordinance amending an ordinance known as the "Montford Historic District" (No. 1195) to include property known as the "Williams-McQueen House" at 105 Gudger Street in the Montford Local Historic District. The property is currently owned by Mr. and Mrs. H. C. McQueen.

Mayor Trantham stated that this ordinance was previously read on its first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1275 passed on its third and final reading.

Complete text of Ordinance No. 1275 will be found in Ordinance Book No. 9 at page 335.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 82-92 was unanimously adopted.

Complete text of Resolution No. 82-92 will be found in Resolution Book No. 13 at page 232.

CONTINUATION OF PUBLIC HEARING - APPEAL OF WALTER D. GILCHRIST OF THE ASHEVILLE POLICE DEPARTMENT - DECISION OF THE ASHEVILLE BOARD OF EXAMINERS OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND

5. Continuation of a public hearing relative to the appeal of Walter D. Gilchrist of the Asheville Police Department, appealing a decision of the Board of Examiners of the Asheville Policemen's Pension and Disability Fund.

Mr. T. E. Lipsey III, attorney representing Walter D. Gilchrist, reviewed all the information that was presented at the beginning of this public hearing on March 25, 1982, relative to his client's appeal. He said that it is his opinion that Mr. Gilchrist's request for in-line-of-duty retirement benefits should be considered under the "old law" since his diabetes problem arose in February, 1979, and the "new law" went into effect April 20, 1979. He said that Walter Gilchrist is currently drawing not-in-line-of-duty disability retirement.

Attorney Robert J. Robinson, acting on behalf of the Board of Examiners and Board of Trustees of the Asheville Policemen's Pension and Disability Fund, said that it was the Board's decision that an individual would not be disabled to work with diabetes and that diabetes is not related to in-line-of-duty retirement benefits. He then reviewed the letter from the Chairman of the Board of Examiners of the Asheville Policemen's Pension and Disability Fund entered into the minutes of the Asheville City Council on May 7, 1982.

In response to Councilman Pless' inquiry into the nature of the 22 men currently drawing in-line-of-duty disability retirement, Mr. Sam Graves, Director of Employee Services, stated that he would have to look into the medical records in order to determine the reasons they were drawing this type of disability retirement.

After some discussion of information previously covered in the earlier public hearing, Councilman McDevitt moved to continue this public hearing until he had an opportunity to review the file of information Mr. Lipsey presented at this meeting. This motion was seconded by Councilman Myers.

Councilman Wilkes asked Councilman McDevitt if he would accept an amendment to his motion by putting the date of June 10, 1982, as the continuation date of the hearing because this particular hearing has been going on for some time. Councilman McDevitt accepted this amendment into his motion. Councilman Myers also accepted this amendment. Councilman McDevitt's motion, with amendment, carried unanimously.

The City Manager stated that the files will be available for the Council's review in the Personnel Office.

CONTINUATION OF A PUBLIC HEARING - APPLICATION FOR AN INCREASE IN RATES BY THOMAS BROADCASTING COMPANY, INC., FOR CABLEVISION SERVICE

6. The City Manager read the following letter:

The City Manager explained the budget amendment stating that this budget amendment will transfer funds from Continuation of Park Improvements to Murphy/Oakley (\$1,400) and Shiloh Park (\$1,500).

Councilman McDevitt moved to approve the budget amendment as presented by the City Manager. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 82-94 - RESOLUTION TO BLOCK CHURCH STREET ON JULY 17, 1982

10. Consideration was given to a resolution to block Church Street on July 17, 1982.

The City Manager read the resolution stating that the Asheville-Buncombe Community Christian Ministry is sponsoring "A Sharing Affair" on Saturday, July 17, 1982, from 9:00 a.m. to 3:00 p.m. which will bring over 35 churches together in order to benefit the disadvantaged in our community.

Upon motion of Councilman Wilkes, seconded by Councilwoman Frank, Resolution No. 82-94 was unanimously adopted.

Complete text of Resolution No. 82-94 will be found in Resolution Book No. 9 at page 234.

RESOLUTION NO. 82-95 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE PERPETUAL AND TEMPORARY EASEMENTS IN FAVOR OF THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION

11. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute perpetual and temporary easements in favor of the North Carolina Department of Transportation.

The City Manager read the resolution stating that the N.C. Department of Transportation has requested the City of Asheville to execute perpetual and temporary right-of-way easements on property belonging to the City of Asheville for the purpose of widening and improving Valley Street in connection with State Highway Project 8.2017501. He said the N.C. Department of Transportation has agreed to pay the City of Asheville \$625.00 for said easements.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 82-95 was unanimously adopted.

Complete text of Resolution No. 82-95 will be found in Resolution Book No. 9 at page 235.

CLAIMS - BARBARA REDMON (PUBLIC WORKS), ELIZABETH MAPP (WATER & SEWER), ELBERTA MERRELL (WATER & SEWER), RICHARD GOSSELIN (PUBLIC WORKS), PEARL PATTON (PUBLIC WORKS)

The City Manager presented claims received from Barbara Redmon, Elizabeth Mapp, Elberta Merrell, Richard Gosselin and Pearl Patton.

Mayor Trantham referred the claims to the Corporate Counsel for investigation and recommendation.

ORDINANCE NO. 1274 - AN ORDINANCE AMENDING ORDINANCE NO. 1109, KNOWN AS "AN ORDINANCE CREATING THE HISTORIC RESOURCES COMMISSION OF ASHEVILLE AND BUNCOMBE COUNTY"

8. Consideration was given to the third and final reading of Ordinance No. 1274, an ordinance amending Ordinance No. 1109, known as "An Ordinance Creating the Historic Resources Commission of Asheville and Buncombe County."

Mayor Trantham stated that this ordinance was previously read on its first reading and would not be read in its entirety unless there was a specific request to do so.

Mrs. Grace Pless of the Historic Resources Commission, said that the deletion of the words "nor interior" taken out of the Ordinance on its second reading would not make the ordinance compatible with State Statutes. She said the Commission felt the Statute left this particular area purposely vague so that if someone considered demolishing the interior of a historic property, that the Commission involved would have the power to review it if they chose.

Mr. Doug Swaim asked the Council to consider the following amendment in- to Ordinance No. 1274. It would be inserted in Section 1, Item F, subsection (g) as the first two sentences (deleting the first sentence in the ordinance as it now reads):

"(g) From and after designation, no Local Historic Property, nor any associated advertising sign, shall be materially altered, restored, moved, or demolished without issuance of a Certificate of Appropriateness indicating approval of said action or change. This provision applies to stone walls, fences, exterior light fixtures, steps, pavement, doors, and windows and any other features of the property specifically designated as significant to its historic or architectural character."

Vice-Mayor Price moved to amend Ordinance No. 1274 as requested by Mr. Swaim. This motion was seconded by Councilman Pless and carried on a 6-1 vote, with Councilman Wilkes voting no.

Mr. J. E. Johnson, Director of Inspections, questioned the procedure he would now operate under.

Councilman Wilkes felt that the insertion of the amendment would restrict the property owners of the freedom to do whatever they want to do with the interior of their home.

On a roll call vote of 6-1, Ordinance No. 1274, as amended, passed on its third and final reading. Councilman Wilkes voted no.

Complete text of Ordinance No. 1274 will be found in Ordinance Book No. 9 at page 332.

BUDGET AMENDMENT - COMMUNITY DEVELOPMENT FUND BUDGET

9. Consideration was given to a motion to approve a budget amendment amending the Community Development Fund budget.

MRS. JEAN McCLURE - WAYSIDE

Mrs. Jean McClure explained to Council the problems she has been having since 1977 with drainage problems and the problem she has encountered with the paving of Wayside.

RALPH BISHOP

Mr. Ralph Bishop thanked Vice-Mayor Price for the information she obtained for him. He spoke relative to the records of the Board of Trustees of the Asheville Policemen's Pension and Disability Fund.

ADJOURNMENT

The meeting adjourned at 6:35 p.m.

CITY CLERK

PROCLAMATION - SUNDAY, JUNE 6, 1982 - PRIEST APPRECIATION DAY

Mayor Trantham proclaimed Sunday, June 6, 1982, as "Priest Appreciation Day" in the City of Asheville.

SCHEDULING OF A PUBLIC HEARING - REZONING REQUEST OF MARTIN NESBITT TO REZONE WARD 12, SHEET 13, LOT 42 FROM CS COMMERCIAL DISTRICT TO R-5 RESIDENTIAL DISTRICT

Consideration was given to a motion scheduling a public hearing relative to rezoning property on both sides of Old County Home Road from the City Limits to Johnston School Road from R-5 Residential District.

Vice-Mayor Price moved to schedule a public hearing relative to rezoning property on both sides of Old County Home Road from the City Limits to Johnston School Road from CS Commercial Service District to R-5 Residential District for June 24, 1982. This motion was seconded by Councilman Pless and carried unanimously.

SCHEDULING OF MEETINGS

The City Manager said that the Asheville City Council work session scheduled from 5:00 p.m. to 7:00 p.m. on June 8, 1982, has been rescheduled from 1:00 p.m. to 3:00 p.m. on June 8, 1982, in the City Council Conference Room. He said that following this work session, at 3:00 p.m., the City Council will meet in a joint session with the Buncombe County Commissioners in the City Council Chambers for the purpose of discussing the Asheville-Buncombe Water Authority Budget.

He stated that on Thursday, June 10, 1982, the Asheville City Council will meet from 9:00 a.m. to 4:00 p.m. in the City Council Conference Room for a budget work session and from 4:00 p.m. - 5:30 p.m. the City Council will meet for their regular City Council Meeting in the Council Chambers. He said that following this meeting, at 5:30 p.m., the City Council will meet with the City Personnel Advisory Commission in the City Council Conference Room.

DON ROBERTS PRESENTS PETITION

Mr. Don Roberts presented a petition with approximately 2,800 names on it. The petition read as follows:

"TO: Buncombe County Board of Commissioners: Local City Councils:

FROM: Property Owners of Buncombe County

SUBJECT: Tax Rate

This petition is a request from us to you, asking you to reduce the present Tax Rate, to a rate which would hold property taxes to the same dollar level of 1981. We feel you should operate government under the same financial conditions most of us have to live with!!!! Thank you."

Mayor Trantham stated that the Council would do the best they could to hold the line on the tax rate.

Water Authority, the only difference in what they did approve was the delaying of any action on the construction of the 24" distribution line from Bee Tree to North Fork until the future of the French Broad River treatment plant was known.

Chairman Brock called for a united front from both the Commissioners and Council as they proceed with the development plan and Councilman Wilkes stated that he felt that the Council should support the Water Authority.

Vice-Mayor Norma Price then moved to approve the Water Authority's recommended budget, the 20% rate increase and the authorization to proceed with the recommended Option 1 for the water resource development plan. That the Council be given the opportunity to review the manner in which the 20% rate increase is distributed and after all the information is in, that the date for a bond referendum be set by the County Commissioners and City Council. This motion was seconded by Councilman Joe Pless.

Councilman McDevitt stated that a 20% rate increase and a 100% ad valorem tax increase in one year was pretty steep and he wanted to wait until the City and County tax rates were finalized before he could support a 20% water rate increase.

Mayor Trantham said the Council had been putting off making a decision on the matter and he thought they should support the Authority. He called for the vote and Vice-Mayor Price's motion passed 6-1, with Councilman McDevitt voting "no."

Chairman Brock advised the joint group that he had been authorized by the Water Authority to negotiate with the engineering firm of Furmeister and Wright Associates, P. A., to design the Bee Tree treatment plant. He said these negotiations had been completed and he asked Council to approve this action.

Councilwoman Frank moved for this approval which was seconded by Vice-Mayor Price and carried unanimously.

There being no further business, the meeting was adjourned.

MINUTES
CITY/COUNTY JOINT MEETING
JUNE 8, 1982

A joint meeting of the Asheville City Council and the Buncombe County Commissioners was held on Tuesday, June 8, 1982, at 3:00 p.m. in the City Council Chambers.

The following individuals were present: Mayor Roy M. Trantham; Vice-Mayor Norma T. Price; Councilmembers Mary Lloyd Frank, Gordon Myers, Joe Pless, H. C. Wilkes and Larry McDevitt; Chairman R. Curtis Ratcliff; Commissioners Doris Giezentanner, J. D. Jackson, Jesse Ledbetter and Robert Riddle.

The following members of the Asheville-Buncombe County Water Authority were also present: Chairman Floyd D. Brock; Vice Chairman Richard A. Wood, Jr.; and Wilhelmina B. Bratton.

The following staff members were also present: Ken Michalove, City Manager; William F. Wolcott, Jr., Associate City Manager; William DeBruhl, Director of Water & Sewer Services; Charles Rector, Assistant Director of Water & Sewer Services; Charles Tessier, Buncombe County Planning Staff; and Charles Alexander, Woodfin Water Department.

The following news media were present: John Campbell, Asheville Citizen; Dick Cullum, WISE; and Ken McDonald, WUNC.

Mayor Trantham opened the meeting and introduced Floyd Brock, Chairman of the Asheville-Buncombe Water Authority, who presented each member with a copy of the 1982-83 budget for the Water and Sewer Department, which he said has been approved by the Authority and he was now submitting it to the City Council and County Commissioners for their approval.

He pointed out that this budget anticipated the implementation of Option #1 for the water resource development program and that the budget did include an overall 20% rate increase effective September 1, 1982. He then offered to field any questions that the Council or Commissioners might have.

The question of which governing body would issue the bonds for the capital improvements was brought up and it was agreed that this responsibility would fall to the City, along with calling the referendum. As to the timing for the referendum, it was pointed out that the State Statutes governing elections restricts the scheduling of referendums before and after other elections and that the state primary and general elections, to be held this year, could complicate the scheduling. It was further noted that obtaining the approval of the Local Government Commission could also take an undetermined amount of time and until the entire package is put together it would be impossible to set a date for the referendum.

A discussion followed on the proposed budget, the merits of Option #1 of the development plan and the 20% rate increase to facilitate financing. Chairman Ratcliff said that even though the County Commissioners did not unanimously approve the implementation of Option as recommended by the

Councilman Wilkes said he hoped that this issue could be dispensed with at today's meeting since the matter has been pending for a long period of time.

There being no further comments, Vice-Mayor Price closed the public hearing at 4:17 p. m.

Councilman Wilkes moved that the request of Mr. Walter Gilchrist for in-line-of-duty 70% disability retirement benefits be approved. This motion was seconded by Councilman Pless.

Upon the request of Councilman Wilkes, a roll call was taken on his motion to approve Mr. Gilchrist's request, which motion failed on a tie vote of 3-3 with Councilmen Pless, Wilkes, and Myers voting "yes" and Vice-Mayor Price, Councilwoman Frank, and Councilman McDevitt voting "no."

BUDGET AMENDMENTS - GRANT PROGRAMS FUND - COMMUNITY DEVELOPMENT FUND
 (Replace amplifier for Hillcrest Center - closeout completed Contribution to
 Downtown Revitalization (Walnut Streetscape) - Economic Development operating costs)

4. Consideration was given to a motion approving a budget amendment amending the City of Asheville Grant Programs Fund and the Community Development Fund as follows:

- A. Grant Programs Fund - This budget amendment in the amount of \$500 is to increase funding for the "Yes Indeed Music at Reid-II" project. This \$500 is from the Community Based Alternatives discretionary funds for an amplifier which was stolen at Hillcrest Center.
- B. Community Development Fund - This budget amendment in the amount of \$632 is to closeout the completed Contribution to Downtown Revitalization (Walnut Streetscape) project and transfer the funds to Community Development Administration project.
- C. Community Development Fund - This budget amendment is to provide that the Economic Development operating costs funding be transferred from the General Fund to the Asheville Business Office Project in the Community Development Fund effective May 1, 1982, for the remaining of Fiscal 1981/82.

The City Manager presented the budget amendment outlined in (A).

Councilwoman Frank moved to approve Budget Amendment (A) as outlined by the City Manager. This motion was seconded by Councilman McDevitt and carried unanimously.

RE: N. C. Project 8.7384001; W-7
(I-240, Merrimon Avenue, Broadway Redesign)

Dear Mr. Wells:

The purpose of this correspondence is to relate to you some concerns that we have with regard to the above referenced project.

First, the closing of the exit ramp leading from I-240 to Woodfin Street could, in our opinion, create several problems for traffic desiring to enter downtown from this area. Traffic which now has direct access to Woodfin Street via the existing ramp would be forced to exit and turn left onto Broadway and then turn left again onto Woodfin Street under the new proposal. Although these movements are probably no more hazardous than what presently exists, they are somewhat more confusing and time consuming and would probably create a higher level of congestion along this portion of Broadway.

Secondly, the elimination of direct access onto the westbound I-240 ramp from Broadway is another area of concern. By eliminating this movement, as shown in the new proposal, Broadway traffic desiring to enter I-240 Westbound would be routed to Merrimon Avenue first by way of the local street system, then from Merrimon to the I-240 Westbound ramp. It is our feeling that the local streets in the area, especially Chestnut Street, may not accommodate these additional volumes. The same holds true for Broadway traffic desiring to come downtown. This traffic would also have to utilize the local street system from Broadway to Merrimon for any downtown destination.

After reviewing the letter, Vice-Mayor Price moved that the Mayor be authorized to forward the letter to Mr. George E. Wells of the North Carolina Department of Transportation. This motion was seconded by Councilwoman Frank and carried unanimously.

RALPH BISHOP - COMMENTS RELATIVE TO OBTAINING RECORDS RELATIVE TO FORMER POLICE CHIEF J. C. HALL FROM THE BOARD OF TRUSTEES OF THE ASHEVILLE POLICEMEN'S PENSION AND DISABILITY FUND

Ralph Bishop again made comments to Council relative to his difficulty in obtaining records from the Board of Trustees of the Asheville Policemen's Pension and Disability Fund. He said he was told by a member of the Board to write a letter requesting the information he desired from the Board. He said he felt he should be able to obtain the information without writing a letter.

ADJOURNMENT

Upon motion, the meeting adjourned at 4:35 p. m.

 MAYOR  CITY CLERK

SITE NO. 1
W-7
ENCLOSURE NO. 2

Councilman Wilkes moved to continue the public hearing for one week, without further advertisement. This motion died for the lack of a second and the hearing continued.

Verl Emrick, Director of Planning, said at the April 7, 1982 Planning and Zoning Commission meeting Mr. Nesbitt's request to place a mobile home on his property which is zoned CS Commercial Service District was considered. He said this would have involved a wording amendment to the Zoning Ordinance to permit single mobile homes in all CS Districts. He said the Planning and Zoning Commission voted to recommend that the wording change not be adopted since it was not advisable to permit single mobile homes in the CS District since it does not currently permit any residences. He said Council, at their regular meeting of May 13, 1982, remanded the matter to the Planning and Zoning Commission to investigate the feasibility of rezoning the lot to R-5 Residential District. He said at the Planning and Zoning Commission held on June 2, 1982 the request was considered. He said after review and discussion, the Commission voted to recommend to City Council that both sides of Old County Home Road from the City Limits to Johnston School Road be rezoned to the R-5 Residential District.

By the use of a map, Mr. Emrick reviewed the location of the property in question.

Mayor Trantham closed the public hearing at 4:50 p. m.

Verl Emrick read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilman Myers moved for the adoption of Ordinance No. 1276. This motion was seconded by Councilman McDevitt.

On a roll call vote of 7-0, Ordinance No. 1276 passed on first reading.

CONTINUATION OF PUBLIC HEARING - CITY OF ASHEVILLE BUDGET 1982-83

ORDINANCE NO. 1277 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1982-83

4. A public hearing was continued relative to the 1982-83 City of Asheville Budget.

Mayor Trantham stated that this public hearing was continued from the June 17, 1982 meeting.

Councilman Wilkes said effective July 1, 1982 the City Council will enter into an agreement with the North Carolina Local Governmental Employees Retirement System allowing city employees who are members of the North Carolina Retirement System to receive a tax credit for their contributions into the plan. He said this action should result in an average increase in take home pay of approximately 2-4% for city employees.

Thursday - June 24, 1982 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilmen Larry McDevitt, Joe Pless, H. C. Wilkes and Gordon Myers; Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Gordon Myers.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 17, 1982 meeting.

Upon motion of Councilman Wilkes, seconded by Councilwoman Frank, the minutes of the June 17, 1982 meeting were unanimously approved as submitted.

RESOLUTION NO. 82-101 - RESOLUTION IN MEMORY OF CAPTAIN JIMMIE L. SLOOP

2. Consideration was given to a resolution in memory of Captain Jimmie L. Sloop.

Councilman McDevitt read the resolution.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 82-101 was unanimously adopted.

Complete text of Resolution No. 82-101 will be found in Resolution Book No. 13 at page 241.

PUBLIC HEARING - REZONING PROPERTY OWNED BY MRS. MARTIN NESBITT - OLD COUNTY HOME ROAD

3. A public hearing was held relative to rezoning property owned by Mrs. Martin Nesbitt from Commercial Service District to R-5 Residential District.

Mayor Trantham opened the public hearing at 4:43 p. m.

Upon inquiry of Councilman Wilkes, Mr. Emrick, Director of Planning, said it was his understanding that, since he had been out of town a few days, some nineteen (19) property owners in the area have voiced opposition to this rezoning. He said, at the present time, he did not know their concerns. He said if Council desired the public hearing could be continued for one week giving him an opportunity to find out the concerns of the property owners.

Five leading banks volunteered to put up \$1 million each for a loan pool. They are still waiting for the City and County to let them know about matching these funds with \$1 million - with this crippling tax rate proposal, how are we going to help business and a industry development. We only have a small contingency fund and small amount of capital reserves.

We have dropped in population from 60,000 to 53,000 - 3,000 more and we will become a township like our neighboring communities -- but not as well off financially.

We have the finest employees in the nation and I will put them up against any city. So I cannot sit back and see our employees treated this way!

First of all since some of you decided not to meet with department heads - although that offer was made by me and the City Manager for months, I want you to hear from each one of them now -- starting with the City Manager -- I will ask them to hold their comments to 3 minutes each.

In addition, several employees have called me about appearing before the Council -- after the department heads speak, I will call on those people that speak for a group, then individuals."

At this time, Mayor Trantham called on the City Manager who made the following statement:

"Mayor and members of Council, I would like to mention that in the pre-Council meeting - work session - the majority of the Council members voted to increase the tax rate from 55¢ which was the proposed rate discussed Monday to 58¢ - that 3¢ that is proposed is to be used for the pay plan - not including the longevity pay - but the performance pay plan. The difference in what that plan would pay for would go into the contingency fund. I have met with the Council for a number of weeks. I feel it is my responsibility as City Manager to continue an effort to convince the Council that a 66¢ tax rate is a good tax rate. I have four or five remarks to make - one which just by coincidence last night - I was looking at U. S. News and World Report - June 28 - page 12. 'America is crumbling at the edges, a house study shows public works are not working well - water pipes are rusting - sewers are bursting - roads are cracking - bridges are collapsing - public buildings are falling apart...' It goes on to list New York City needs to spend 40 billion this decade to repair or rebuild a thousand bridges, 4500 buses, 6200 miles of street, 6000 miles of water line. Cleveland will have to repair its bridges, replace or renovate its water and flood control systems - estimated cost \$1 billion. Dallas needs to allocate 700 million for water and sewerage system and 109 million for street repairs. The Council allocated a million dollars out of revenue sharing this year for street work, that we have not been able to do in the past but as Council recalls we only put that money into major roads and the City has over 400 miles of street to deal with. I think I do have the advantage of the crystal ball that the Council doesn't have or all the employees collectively or all the citizens because I deal with all the problems of all the groups. I know more about the operations

Vice-Mayor Price said Council discussed the tax credit benefits during today's work session and Council, later during the meeting, would consider a resolution relative to this agreement with the N. C. Local Governmental Employees Retirement System. She said, however, that this tax credit would not affect the Asheville Police Department as they are not members of the Local Governmental Employees Retirement System. She said it would benefit the employees who are members.

Councilman McDevitt noted that the tax credit benefit would be optional for employees. He said employees could elect whether or not to receive the tax credits.

Mayor Trantham made the following statements relative to the 1982-83 Budget:

"I have been working on budgets - City and County for 17 years and I have been through three revaluations. In 1965, the County tax rate was \$2.10. In the revaluation year of 1974, the County rate was reduced from \$1.14 to 73¢. This year, the County is talking of cutting from 87¢ hoping they can hold at 60¢ - this is a 31% reduction. The City Manager recommended a City rate reduction from \$1.07 to 66¢ which was a 38% reduction and the majority of the Council wants to cut this to 55¢ which would be a 48-1/2% reduction. It also seems that a majority of the Council are not sensitive to the needs of the City and the future of the City. They are only interested in the Regan approach in Washington which is "Cut regardless of consequence - help the rich get richer and the poor get poorer." I'll guarantee you that a 55¢ rate will end up affecting the poor, the elderly and the moderate income individuals. The Asheville budget is not the same as the federal budget - we have cut for five years, we have a balanced budget and we have improved service, and we have improved working conditions, pay and benefits because five years ago we were far behind.

In all fairness and for the welfare of the majority, I cannot vote on a tax rate this low, for it will work a hardship on us for years to come. To put in a tax rate of 55¢ will go down as another Council decision that will be knocked for years in the future like the unfunded 1939 Police/Fire Pension.

For the first time in my entire history of 17 years in doing budgets, I voted for a tax increase last year of 10¢. This brought in \$739,000 in additional revenues. City department heads also cut \$900,000 from expenses. Imagine where we would be now if this had not been done - well, we would not have had \$1.3 million to put in expenses for 1982-83 from fund balance.

The City of Asheville has worked for years on downtown revitalization because the town has decayed and deteriorated - we have just finished a major 6-month Mayor's Task Force study to implement a plan - the Revitalization Commission worked tirelessly to bring something into action. When are we going to take some positive action?

Mayor Trantham then called on each Councilmember who made the following comments:

Councilman Pless - "I appreciate all the comments of all the individuals out there that have spoken on behalf of themselves or a group. But, I resent the department heads being directed to be here today to give us this sermon - by the Mayor or the City Manager or whoever it is."

Mayor Trantham - "I'll take responsibility for that."

Councilman Pless - "Quite a few of you people - when I ran for office - talked to me quite a bit about things that were wrong in the City - that you wanted to change when I got elected to this office - I'm trying my best to do that."

We have sat in budget meetings for many, many hours and, in fact, this morning in the budget meeting where we changed the tax rate from 55¢ to 58¢ to try to help the City employees - there were some of us that were not there - who were out writing political speeches.

I tried to get for the City employees - as far as bonuses or benefits - something installed that would help the low man on the totem pole get extra money and not necessarily to give a raise to department heads and things like that. I was told that this was impossible - we could not do this.

We ask concerning - and as most of you know - I have often made the statement - publicly - that I think there is quite a bit of fat in the City administration - and I still believe so. I was asked if there was any type of policy where some jobs could be eliminated and I was not talking about the man out on the street doing the work. I was talking about the manager end of it - the City Hall end of it. We have no layoff policy in the City of Asheville. There are some jobs here where we have retired people that are getting paid pretty hefty salaries - this in effect - as far as I'm concerned is double-dipping and I don't go along with it.

The City Manager made the statement a few minutes ago that service is by who you know - I'm not aware of how that kind of management could be operated - I do know this - and you people sitting out there - a few months ago that a proposal was made to the City Council to buy new cruisers for the City of Asheville and I objected to it on the day it was proposed because I didn't have any knowledge of it - of what was going on as far as the cruisers you needed. The Police Department - I got word back - was told - at least some of you told me and some of you that are sitting there now told me - that you were told because of Joe Pless you were not going to get new cruisers. The following week I supported the fact of buying cruisers if those cruisers were given to the men to be put on the line as patrol - we bought 12 cruisers - how many is on the line as patrol? - We wasted money on 2 cruisers, gentlemen. Money that could have gone to your benefit. The Fire Department has made requests on top of requests by the men to make changes - and if you'll get March 3rd paper - you'll see what the comment the City Manager made to the men trying to make the changes - "If you don't go along with City policy, we are not interested in what you have to say." If you get your March paper and read that.

of the City than anyone else and I do feel that the 66¢ tax rate budget is in the best interest of the City. We have made too many cuts in previous years to consider the proposed severe cut in ad valorem tax. All we really projected was the same tax income as 81-82 with the usual 3-1/2% growth factor. The problem is revaluation. A major cut below 66¢ that I recommended is too broad and too deep. It's really short-sighted. In the long run it will affect the very people that a lower tax rate is proposed to help. Our projections now indicate a tax rate increase of somewhere around 17¢ next year that the Council would be looking at. I think this - in the long run -- will do a disservice to the residential taxpayer in that we will see a significant loss of state shared revenues and a loss in federal revenues in terms of revenue sharing. Also in a year of considering major cut backs in materials, and trying to reallocate job responsibilities whenever there are vacancies in budget attrition, I recommend that we retain the pay plan and the longevity pay due to these major work load levels.

We have --- levels of supervisory personnel and our supervisors are working supervisors. A decision for a low tax rate is leading the City to a service direction of management by crisis; service by complaint, and I'm afraid service based on who you know not because of where you live and because you deserve it and that is what we tried to generate in every city department that every level of citizen - every geographical area of the city -- deserves the same level of service. I'm afraid also that in a major cut that we are considering in terms of tax rate that we are postponing a major decision which will be facing us within a few months and that would be a major personnel cut back next year or a major tax increase - those are the only alternatives that I see at this point."

Mayor Trantham then called on each director of a city department who made remarks in support of the proposed 66¢ tax rate and defended the performance pay and longevity plan for the city employees. Those department heads speaking were: William F. Wolcott, Jr., Chief Fred Hensley, Chief P. N. Ball, Ray L. Kisiah, Clark Brown, Larry Fisher, Bill Murphy, Logan Delany, Sam Graves, Verl Emrick, and Becky Williams.

The following city employees made statements requesting Council to retain the pay plan and the longevity pay for city employees:

"Chick" Dillingham, Asheville Police Department
 Bill Wilmer, Street Division
 Dave Daniels, Asheville Fire Department
 John Miall, Employee Services Department
 Alvin Kincaid, Street Division

Mr. William Phiffer, Chairman of the Parks and Recreation Board, spoke in support of the proposed 66¢ tax rate.

Ms. Jean Webb, with Quality Forward, also spoke relative to the 1982-83 Budget.

I stay booked two and three months at a time to make talks, welcomes, and what have you. I have commitments when people have me on their program, I have to do. The fact is today, I was in and out three or four times. I had three calls from Raleigh. As Mayor of this City, it is my duty to carry out the duties that are imposed upon me and that is what I am going to do. I certainly appreciate the employees coming up today. I expressed my feelings and there is no use going back into that again. As long as I'm Mayor of this City I'm going to look out for the interest of the employees, regardless of who they are."

Councilwoman Frank - "I would like to say that I think all of us are very uneasy because of the economy right now. We feel that it is our responsibility as City Councilmen to be looking out for the city taxpayer.

I want all of you to understand that we have gone down from a proposed 82¢ tax rate today to a 58¢ tax rate. I also want you to understand that we are not talking about freezing this longevity pay in perpetuity. We are talking about it for this year and we are hoping that the economy is going to improve.

I'd like to say one other thing, one of the gentlemen referred to what would be good politics for us to do as far as the tax rate we set right now. If we wanted to be completely political about this, we would set a very high tax rate today and then all of us could coast from now on. But we feel that it is our responsibility to look at the line item budgets and look at the comments that all the department heads made after we sent in our proposals to cut this and we feel that we could get along with less. I'd like for you to understand this."

Councilman Wilkes - "Mr. Mayor and members of Council and to all of our people who have come to voice their opinion, I'm most appreciative of seeing all of you.

I'm in a very precarious situation because I represent two entities. First, I try to represent Almighty God and then I try to represent you. So, therefore, I have some certain mandates on me that other persons don't have. The mandates I have on me is that I am obligated to feed the hungry. I'm obligated to clothe the naked. I am obligated to set at liberty those that are in prison and that's my obligation and I can not deter from that. I have been talking about - ever since we have been here - in our budget deliberations - I have been talking about, please give me the pay package back for the employees - and what we have allowed ourselves to do is - is to come into an area of which I think we have limited experience in and one of the things in particular I'd like to point out - we have asked the Police Department to provide walking patrolmen in the downtown area and the patrolling officers would come to us to the tune of \$72,000 per year, without additional revenue. Now, how we are going to do that, I don't know. Then we say to cut the transportation budget which would erode the bus service, then we will have a safe city with nobody downtown.

I hope that you people don't think that the four new Councilmen, that were elected, are up here trying to take anything at all away from you. We are trying to change the direction that the City is moving and increase the benefits to everybody.

Now, following this discussion today, gentlemen, I'm going to tell you now, because those of you that have talked to me have known that I'm very outspoken - and I'll say what I think - I'm going to introduce a resolution that will request the Civil Service Board to give the City Council a layoff policy. Now, that doesn't mean that you gentlemen out there on the streets - whether you are working on the streets, whether you are policing the street, whether you are a fireman - that doesn't mean that you are going to get laid off - but we have to have this because there is "fat" in the management end of it and we got to have it in order to make the reduction.

If I have misled anyone - or if anyone has lost confidence in me - because of my approach and what I've done for the City, I will beg your forgiveness. But, when I stand up here and I talked to department heads and they tell me that - Joe, you know we can cut \$2,000-3,000 or we can take \$10,000 out of our budget then don't tell me there is not fat in that budget. Thank you."

Councilman McDevitt - "I'd like to thank all of you for coming. I appreciate hearing from everyone who spoke and I'm glad to hear from the department heads. I want to assure you that I read - the rather voluminous report - rather detailed reports - that each of you submitted about your budgets and about the activities of your departments. I have some further comments that I'll probably make during the course of our discussion and deliberations on the budget ordinance itself."

Vice-Mayor Price - "There was a statement that I did in a welcome this week that said "Why they're saints, saints" and it went on to say one aspect is that they kept silent when they would like to speak. I'm glad that you all are not saints and that you did speak out when you wanted to speak.

Although I think you are terrific - as you already have assumed by what you have heard and I'll say by what you have read - there is a difference and I think that difference in philosophy has come out, perhaps more than before as Councilman Pless spoke on his opinion of city administration. I support Ken Michalove and I support our department heads. I know we can make changes and I know we can tighten up because it is necessary - it should not be done at the expense of the employee whatever they are paid. I think the 66¢ tax rate is reasonable - and I hope to get the opportunity to support it later. Thank you."

Mayor Trantham - "Councilman Pless made a remark about one of the members being out writing a political speech - of course, he didn't call any names - I'm sure he didn't mean me, but at the same time I wrote my speech night before last - the fact is I was back up here at 5 o'clock the next morning to finalize it.

accumulated over a period of time from income derived and has not been spent. The efforts on the part of the City Council in relation to line item budget cuts related to just this point. Let's don't budget funds we are not going to spend.

I think we as City Council persons serve a dual purpose. We serve not only the citizens of Asheville but - also we have a responsibility for the employees of the City of Asheville. We have concern for you. There has been a lot of talk - that's true - over the last two to three weeks concerning the possibility of cuts but it was just that - it was talk - it has been reported in the newspaper but in Council work sessions many avenues are explored before we get to what we finally get to what we consider to be a consensus on the part of Council members for budget figures. We are not cutting one employee in the City of Asheville in the coming year. We have retained the merit pay increases as proposed in an on-going city budget. The only item that has been cut has been longevity pay and I understand this is a serious problem for many employees but I don't think it will prove fatal. This is a freeze for one year only and I would certainly expect that over the next year that the City Council could find ways, if it was necessary to cut in other areas, that would enable us to put the longevity pay back into effect next fiscal year.

So when you look at the effects of the budget that we are now discussing the only real dollar loss is in longevity pay. The freeze on unfunded positions is not going to affect people who are not working. The line item budget cuts is not made on actual expenditures. It was based on budget representations that have not been realized in the past.

In our dual purpose as City Council persons we not only serve the employees of the City of Asheville but we also serve the taxpayers of the City of Asheville. We serve those taxpayers who would be adversely affected by a 38% increase in their property taxes. This would affect you as well as them and that is what the City Manager's 66¢ budget represented.

So, it is a fine line that we walk as members of City Council. I think we try to do our best - it is not easy for any of us - but I think we have worked long and hard to come up with the proposals that we have today. Thank you."

Mayor Trantham closed the public hearing at 6:47 p. m.

Vice-Mayor Price moved that the 66¢ budget proposed by the City Manager be read for Council consideration with the exception that the line items suggested by Council, \$448,000, be placed in Contingency Fund. This motion was seconded by Councilman Wilkes.

On a roll call vote, Vice-Mayor Price's motion failed with Mayor Trantham, Councilman Wilkes and Vice-Mayor Price voting "aye" and Councilwoman Frank, Councilmen Pless, McDevitt, and Myers voting "no."

People must - the people that this budget is hurting is the average working person. Look at what a tax rate would do - that we have proposed at this time - it cuts the budget for the business person downtown or any other place, his taxes are lower. There is no way to get equity there. But, there is some way we can keep from eroding our tax structure.

The other thing we talked about is a freeze on employment which will greatly affect - which I am most concerned about - our Affirmative Action Program. We have just begun to hire blacks and females - by freezing that program - that freezes us out of the entry level. I want that loudly understood. We just started hiring minorities and women and then we suddenly cut it off - and then I'm reminded every time somebody says something about stopping something this year and beginning it next year. They told me that about eight years ago when they said they were going to put a tax on food and next year they are going to take it off and we are still paying the tax on food. Once government begins to legislate things it is hard to retract things. I'm concerned about your welfare. I'm concerned about the pay package and longevity. I've asked for it - I've begged for it and I've come to this point. But, I was willing to get some part of it to settle with a 58¢ tax rate to give you your pay package, without longevity, but it was better than what I had to start off with. That has been my argument the whole time. I empathize with you and I sympathize with you. I agree with the young man back there. If you don't like what is going on now get rid of it next time. I agree with that - that's your right to vote and we hope you get out and do that. But in the meantime, we have to look at the effect of our budget that is going to have on us in years to come and next year the proposed tax rate that we have now will give us a deficit of somewhere over 2 million. I don't know how we are going to overcome that. I'm concerned - so concerned that I have a letter prepared - laying right in front of me - that if things go like they are going I'm going to present that letter. I appreciate your comments. Thank you so very much."

Gordon Myers - "Mayor, thank you. Referring back to some of your earlier comments I'm sure that we all are concerned with the decay, as you put it, with the inner-city in Asheville and the decrease in population over the last several years, but I submit to you that these circumstances have not come about under the administration of the present City Council.

I would like to address the concern on the part of many department heads concerning line item cuts in the budget. The budget cuts that we proposed by the City Council were based on actual expenditures - money expenditures by city departments over the last two years. So, while the current cuts is an adequate representation in relation to budget, I don't think it is realistic in relation to what has actually been spent by the City. I think the posture that the City Council has tried to maintain across the board is the fact that there may have been costs projected built in to the line item budgets that would not be actually realized or spent. When you look at the City's current fund balance - and Bob, what is that now? - (Bob Wurst - "estimated to be about 2.365 as of June 30") - This fund balance is derived primarily from the unexpended funds from prior years budgets. In other words the City currently has 2.3 million that it has

I find myself questioning some of my own actions and I must say that I am deeply troubled with myself.

Rather than not feel good about myself or my role as a councilperson, I must request that Council receive and accept my resignation effective June 30, 1982.

I will serve in any way that I can to benefit my fellowman as well as all citizens of Asheville. Therefore, I humbly submit my resignation so that I might get busy about my Father's work.

Your humble servant,

/s/ H. C. Wilkes

H. C. Wilkes
Councilman

HCW:msb

Mayor Trantham said he would not accept Councilman Wilkes' resignation and ask him to reconsider his decision.

Bob Wurst read the budget ordinance levying a 58¢ tax rate.

After discussion and after a ten (10) minute recess of Council, Councilman Pless moved that the budget ordinance be amended to reinstate the pay plan in its entirety, allowing the City Manager to find the funds within the 58¢ budget to fund the pay plan, with instructions to the City Manager to commence with a 30 percent reduction in the salaries of Council members. This motion was seconded by Councilman Myers.

On a roll call vote, Councilman Pless' motion passed with Mayor Trantham voting "no" and Vice-Mayor Price, Councilwoman Frank, Councilman Pless, Councilman McDevitt, and Councilman Myers voting "aye", and Councilman Wilkes "abstaining."

Councilwoman Frank moved for the adoption of Ordinance No. 1277 as amended. This motion was seconded by Councilman Pless.

On a roll call vote of 4-3, Ordinance No. 1277 passed on first and final reading, with Mayor Trantham, Vice-Mayor Price, and Councilman Wilkes voting "no" and Councilwoman Frank, Councilman Pless, Councilman McDevitt and Councilman Myers voting "aye."

Complete text of Ordinance No. 1277 will be found in Ordinance Book No. 9 at page 338, 339, and 340.

The City Manager said he felt it was important to note that the pay package approved by Council does not include an across the board pay increase as this was not proposed in the 66¢ tax rate budget. He said the pay package does include the performance pay and longevity pay.

Councilman Wilkes moved that the 60¢ tax rate budget ordinance be read for Council consideration, allowing the longevity pay plan to be allocated. This motion was seconded by Vice-Mayor Price.

On a roll call vote, Councilman Wilkes' motion failed with Vice-Mayor Price and Councilman Wilkes voting "aye" and Mayor Trantham, Councilwoman Frank, Councilmen Pless, McDevitt, and Myers voting "no." (Mayor Trantham commented that he would not vote "aye" on any proposal except the 66¢ proposed tax rate)

Councilwoman Frank moved that the 58¢ tax rate budget ordinance be read for Council consideration. This motion was seconded by Councilman Pless.

On a roll call vote, Councilwoman Frank's motion passed with Councilwoman Frank, Councilmen Pless, McDevitt, and Myers voting "aye" and Mayor Trantham, Vice-Mayor Price and Councilman Wilkes voting "no."

At this time Councilman Wilkes read the following letter:

June 17, 1982

The Honorable Roy M. Trantham
Mayor, City of Asheville
PO Box 7148
Asheville, North Carolina 28807

Dear Mayor Trantham:

It appears as if we are confronted with some hard economic decisions that will effect jobs, programs and services that I feel are essential to this community. Because of our economic situation there are some things that must be cut or eliminated, and many of these things are contrary to my professed faith. I am having a very difficult time within myself confronting such decisions that actually cut at the very heart of my beliefs.

I am mandated by God to feed the hungry, clothe the naked and set at liberty those that are captives. It is my nature to show compassion, but in this process I must be pragmatic rather than compassionate and I have some trouble within myself when it comes to dealing with my fellowman without compassion, I cannot deal with what is equitable or fair. I must confront that which is right. It is right in my opinion that councilmembers should respond to the needs of this community, and that all of its citizens should benefit from government and its decisions.

There is more to government than lowering the budget at the expense of those who pay the budget.

I have wrestled with these decisions that appear to require no compassion, hard nose cuts to reach a certain tax rate or majority.

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilmen Larry McDevitt, Joe Pless, H. C. Wilkes and Gordon Myers; Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Joe Pless.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the June 24, 1982 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the June 24, 1982 meeting were unanimously approved as submitted.

**PUBLIC HEARING - REZONING PROPERTY ON CRAYTON ROAD -
PROPERTY OWNED BY MR. E. F. WOLFE - REQUESTED BY CITY'S ECONOMIC
DEVELOPMENT DEPARTMENT**

2. A public hearing was held relative to rezoning property on Crayton Road from R-3 Medium Density Residential District to LI Light Industrial District.

Mayor Trantham opened the public hearing at 4:10 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission at its meeting held June 2, 1982 considered the request of the City's Economic Development to study the possible rezoning of Ward 7, Sheet 15, Lots 85, 85-1/4, and 229 from R-3 Medium Density Residential District to LI Light Industrial District. Mr. E. F. Wolfe, Administrator of the Crayton Estates, concurs in the request. The Chamber of Commerce also had input into the request. After review and discussion, the Commission voted to recommend to City Council that Lots 85 and 229, Ward 7, Sheet 15, be rezoned to LI Light Industrial District with the stipulation that a satisfactory buffer strip of 20' be established on the east line of Lot 85 in either natural woodland or planted woodland.

Mr. Emrick said since the June Board meeting, conversations were held with Council members and neighborhood residents. He said since the committee and staff members are unaware of a developer for the property and due to the concerns of the property owners, the staff is requesting that Council allow the staff to withdraw their rezoning request until a developer is interested in the property in question.

PUBLIC HEARING - REZONING PROPERTY ON CARIBOU AND SWEETEN CREEK ROAD - PROPERTY OWNED BY MR. PETER FEISTMANN -REQUESTED BY CITY'S ECONOMIC DEVELOPMENT DEPARTMENT

9. A public hearing was held relative to rezoning property on Caribou and Sweeten Creek Road from R-3 Medium Density Residential District and HI Heavy Industrial District to LI Light Industrial District.

Mayor Trantham opened the public hearing at 4:17 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at its meeting held June 2, 1982 considered the request of the City's Economic Development Department to study the possible rezoning of Ward 7, Sheet 15, Lot 233, and Ward 7, Sheet 18, Lot 556, from R-3 Medium Density Residential District and HI Heavy Industrial District to LI Light Industrial District. Mr. Peter Feistmann, owner of the property, concurs in the request. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 233, Sheet 15, Ward 7, and Lot 556, Sheet 18, Ward 7, be rezoned from R-3 Residential District and HI Heavy Industrial District to LI Light Industrial District; and that Lots 632 and 633, Sheet 18, Ward 7, be rezoned from HI Heavy Industrial District to LI Light Industrial District.

By the use of a map, Mr. Emrick reviewed the location of the property in question.

Mr. Peter Feistmann, of Vale, Colorado, said he is a former resident of Asheville and the owner of a substantial portion of the property in question. He said he also represents the remaining owners in a partnership known as "Doctors Office Building Associates." He said at this point in time there are no plans for the property, however, it is felt that the best use of the property is for a hotel/motel facility. He said the owners intend to use Sweeten Creek Road as a primary access which should put to rest some of the objections of the neighborhood.

Mr. Feistmann, by the use of a map, reviewed areas whereby the Planning and Zoning Commission recommended buffering requirements. He said the owners have no objections to buffering requirements and in fact encourage buffering strips on both sides.

Virgil McConnell, Chairman of the Shiloh Advisory Council, said he represents the community in Shiloh. He said the majority of the residents in the area do not want the property rezoned. However, being that a development would be in the best interest of the City, they would voice less objections if they could get some concessions from Council that when the property is sold and developed that no access entrance would be through Robinson Avenue or off Caribou Road; that no junk yard be placed on the property and that no pollution, excessive noise or odor would be on the property.

RESOLUTION NO. 82-112 - RESOLUTION OF APPRECIATION TO FIRE DRIVER
CECIL R. TREXLER

6. Consideration was given to a resolution of appreciation to Fire Driver Cecil R. Trexler.

The City Manager read the resolution stating that Fire Driver Trexler has been an employee of the City of Asheville Fire Department since 1964 and announced his retirement effective May 1, 1982.

Upon motion of Councilman Wilkes, seconded by Councilman Myers, Resolution No. 82-112 was unanimously adopted.

Complete text of Resolution No. 82-112 will be found in Resolution Book No. 13 at page 252.

RESOLUTION NO. 82-113 - RESOLUTION OF APPRECIATION TO FIRE DRIVER
KARL A. CARTER

7. Consideration was given to a resolution of appreciation to Fire Driver Karl A. Carter.

The City Manager read the resolution stating that Fire Driver Carter has been an employee of the City of Asheville Fire Department since 1960 and announced his retirement effective June 1, 1982.

Upon motion of Councilman Wilkes, seconded by Councilman Myers, Resolution No. 82-113 was unanimously adopted.

HAROLD L. TRANTHAM

8. Consideration was given to a resolution of appreciation to Fire Driver Harold L. Trantham.

The City Manager read the resolution stating that Fire Driver Harold L. Trantham has been an employee of the City of Asheville Fire Department since 1953 and announced his retirement effective June 1, 1982.

Upon motion of Councilman Wilkes, seconded by Councilman Myers, Resolution No. 82-114 was unanimously adopted.

Complete text of Resolution No. 82-114 will be found in Resolution Book No. 13 at page 254.

**ORDINANCE NO. 1280 - AN ORDINANCE ESTABLISHING THE GRANBY STREET
WIDENING PROJECT AS A PROJECT OF THE GENERAL CAPITAL PROJECTS FUND**

11. Consideration was given to an ordinance establishing the Granby Street widening project as a project of the General Capital Projects Fund.

The City Manager read the ordinance explaining that the ordinance would require only one reading since it is a budget ordinance. He said it has been determined that the widening of Granby Street will contribute to the economic development of the street as a medical service area. The property owners of Granby Street have agreed to contribute fifty percent of the cost of the project. This budget ordinance will appropriate \$14,615 for the purpose of widening Granby Street.

Councilwoman Frank moved for the adoption of Ordinance No. 1280. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 7-0, Ordinance No. 1280 passed on first and final reading.

Complete text of Ordinance No. 1280 will be found in Ordinance Book No. 9 at page 345.

**ORDINANCE NO. 1281 - AN ORDINANCE AMENDING THE OPERATING AND CAPITAL
BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1981-82**

12. Consideration was given to an ordinance amending the operating and capital budget for the City of Asheville for fiscal year 1981-82.

The City Manager read the ordinance explaining that this budget ordinance summarizes and ratifies all budget amendments approved by Council through June 30, 1982. He said this ordinance would require only one reading since it is a budget ordinance.

Councilman Wilkes moved for the adoption of Ordinance No. 1281. This motion was seconded by Councilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1281 passed on first and final reading.

Complete text of Ordinance No. 1281 will be found in Ordinance Book No. 9 at page 346.

**RESOLUTION NO. 82-115 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE
ADOPTION OF AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE
DWELLING HOUSE KNOWN AS 78 CONGRESS STREET**

13. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish the dwelling house known as 78 Congress Street.

Mr. McConnell also requested that when the property is developed that the community be informed of anticipated plans in order for the residents to have input into the development.

Vice-Mayor Price noted that these concerns could be addressed in approval of a group development plan for the property.

Councilman Wilkes assured Mr. McConnell that Council would do everything possible to protect the residents of the area. He said he was very appreciative of Mr. McConnell's attitude toward development of the City.

Mayor Trantham closed the public hearing at 4:35 p. m.

Verl Emrick read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Vice-Mayor Price moved for the adoption of Ordinance No. 1279. This motion was seconded by Councilman Wilkes. - Following the adoption of the ordinance Council directed staff to be cognizant of access problems from Robinson Avenue and Caribou Road; further that a notice be placed in the Office of Economic Development requiring that when the property is considered for development that the developers share with the Shiloh residents anticipated plans in order for the residents to have input into the development.

On a roll call vote of 7-0, Ordinance No. 1279 passed on first reading.

Councilman Wilkes moved to suspend the rules and proceed to the second reading of Ordinance No. 1279. This motion was seconded by Vice-Mayor Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1279 passed on second reading.

ORDINANCE NO. 1276 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Old County Home Road)

10. Consideration was given to the second reading of Ordinance No. 1276, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, property located on Old County Home Road.

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1276 passed on second reading.

Councilman Myers moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1276. This motion was seconded by Councilman Wilkes and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1276 passed on third reading.

Complete text of Ordinance No. 1276 will be found in Ordinance Book No. 9 at page 339.

RECONSIDERATION OF ORDINANCE NO. 1277 AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1982-83

16. Councilwoman Frank moved to reconsider Ordinance No. 1277 adopted on June 24, 1982 fixing the tax rate for Fiscal Year 1982-83 at 58¢. This motion was seconded by Councilman Wilkes, which motion carried on a roll call vote of 4-3, with Mayor Trantham, Vice-Mayor Price, Councilwoman Frank, and Councilman Wilkes voting "aye" and Councilman McDevitt, Councilman Pless and Councilman Myers voting "no."

Upon inquiry of Councilman McDevitt, Corporation Counsel Moore said the staff had checked with David Lawrence at the Institute of Government and was informed that action could be taken on the 1982-83 budget on or before July 1. He said Section 12 of the Rules and Procedures of Council allows Council to reconsider actions.

Councilwoman Frank commented that during an all day work session today the City Manager pointed out that longevity pay and funding for downtown foot patrol would have to come from allocated contingency funds. She said she felt Council should increase the tax rate from 58¢ to 59¢ to put these funds back into the contingency fund.

Councilman Myers commented that he did not feel the City Manager has had ample time to look into the budget with a tax rate of 58¢ to see if the longevity pay and downtown foot patrol could be funded within that budget.

Councilman Pless expressed dissatisfaction with adopting a budget with a tax rate of 59¢. He said he felt action had been taken with complete disregard for Council's wishes.

ORDINANCE NO. 1282 - AN ORDINANCE RESCINDING ORDINANCE NO. 1277

17. Bob Wurst, Budget and Audit Director, read an ordinance rescinding Ordinance No. 1277.

Councilwoman Frank moved for the adoption of Ordinance No. 1282. This motion was seconded by Councilman Wilkes.

On a roll call vote of 4-3, Ordinance No. 1282 passed with Mayor Trantham, Vice-Mayor Price, Councilwoman Frank, and Councilman Wilkes voting "aye" and Councilman McDevitt, Councilman Pless and Councilman Myers voting "no."

ORDINANCE NO. 1283 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1982-83 (setting tax rate at 59¢)

18. Bob Wurst, Budget and Audit Director, read an ordinance setting the tax rate at 59¢ for fiscal year 1982-83.

The City Manager read the resolution stating that it has been determined that the dwelling house known as 78 Congress Street has been found to be unfit for human habitation, unsafe, and dangerous to life. This resolution will schedule a public hearing for July 22, 1982 to consider an ordinance to demolish said structure.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 82-115 was unanimously adopted.

Complete text of Resolution No. 82-115 will be found in Resolution Book No. 13 at page 255 and 256.

RESOLUTION NO. 82-116 - RESOLUTION AUTHORIZING, ADOPTING, APPROVING, AND RATIFYING THE EXECUTION OF AMENDMENT NO. 1 TO GRANT AGREEMENT FOR PROJECT NO. 6-37-0005-07 BETWEEN THE UNITED STATES OF AMERICA AND THE CITY OF ASHEVILLE, NORTH CAROLINA

14. Consideration was given to a resolution authorizing, adopting, approving, and ratifying the execution of Amendment No. 1 to Grant Agreement for Project No. 6-37-0005-07 between the United States of America and the City of Asheville, North Carolina.

The City Manager read the resolution stating that this amendment will allow for the installation of a 7.5 kw regulator at the Asheville Regional Airport. The City of Asheville initiated the grant agreement and therefore they must approve all amendments.

Upon motion of Councilwoman Frank, seconded by Councilman Wilkes, Resolution No. 82-116 was unanimously adopted.

Complete text of Resolution No. 82-116 will be found in Resolution Book No. 13 at page 257.

RESOLUTION NO. 82-117 - RESOLUTION AUTHORIZING ASHEVILLE CIVIC CENTER DIRECTOR TO SUBMIT A GRANT APPLICATION TO THE COMMUNITY ARTS COUNCIL OF BUNCOMBE COUNTY

15. Consideration was given to a resolution authorizing Asheville Civic Center Director to submit a grant application to the Community Arts Council of Buncombe County.

The City Manager read the resolution stating that this will authorize the Civic Center Director to apply for a Community Arts Council grant in the amount of \$1,150 for the repair of a Steinway concert piano donated to the Asheville Civic Center.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 82-117 was unanimously adopted.

Complete text of Resolution No. 82-117 will be found in Resolution Book No. 13 at page 258.

RESOLUTION NO. 82-118 - RESOLUTION AUTHORIZING THE DIRECTOR OF
PARKS AND RECREATION TO MAKE APPLICATION FOR A COMMUNITY ARTS
GRANT FOR THE QUALITY FORWARD SCULPTURE PROJECT

21. Consideration was given to a resolution authorizing the Director of Parks and Recreation to make application for a Community Arts Grant for the Quality Forward Sculpture Project.

The City Manager read the resolution explaining that Quality Forward has established a project to develop a sculpture for installation on Pack Square, to become the property of the City of Asheville. Grant funds are available to non-profit tax exempt agencies through the Community Arts Council for furthering the arts in Buncombe County. The City of Asheville is eligible to apply for grant funds from the Community Arts Council on behalf of the Quality Forward Sculpture Project. This resolution will authorize the submission of an application for a Community Arts grant in the amount of \$1500 for the Sculpture Project, which grant will be matched by a cash contribution of \$2000 from Quality Forward.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-118 was unanimously adopted.

Complete text of Resolution No. 82-118 will be found in Resolution Book No. 13 at page 259.

BIDS - DIESEL POWERED HYDRAULIC WHEEL LOADER

22. Consideration was given to bids received February 5, 1982 for a Diesel Powered Hydraulic Wheel Loader.

The City Manager presented the bids stating that six (6) bids were received. Recommendation of acceptance of the lowest responsible bidder, Bruce Construction Machinery Company for a John Deere Model 310A at \$24,257.62. Sufficient funding for this project is available from the Water and Sewer Department appropriation.

Vice-Mayor Price moved to accept the recommendation of awarding the bid to the lowest responsible bidder, Bruce Construction Machinery Company in the amount of \$24,257.62 as presented by the City Manager. This motion was seconded by Councilman Wilkes, which motion carried with Councilman McDevitt voting "no."

COUNCILWOMAN FRANK - AUTHORIZE LETTER TO BUNCOMBE COUNTY TAX COLLECTOR

23. Councilwoman Frank moved that the Council authorize the Mayor to write a letter to the Buncombe County Tax Collector urging him to increase his rate of collection and in the letter point out to him that we, as City Council, are responsible for providing the best service to the citizens of Asheville at the lowest possible cost and we appreciate the fact that he increased his rate of collection by 1 percent last year but we would like to ask him to step up his efforts to increase the rate of collection. This motion was seconded by Vice-Mayor Price and carried unanimously.

Councilwoman Frank moved for the adoption of Ordinance No. 1283. This motion was seconded by Councilman Wilkes.

Councilman McDevitt said he was concerned with the future of the City of Asheville in imposing a tax rate of 59¢. He said he felt it was a short range concept and does not encourage development of the City of Asheville. He said he does not think it makes sense to impose a tax rate which will discourage development in the City of Asheville.

On a roll call vote of 4-3, Ordinance No. 1283 passed with Mayor Trantham, Vice-Mayor Price, Councilwoman Frank, and Councilman Wilkes voting "aye" and Councilman McDevitt, Councilman Pless and Councilman Myers voting "no."

Complete text of Ordinance No. 1283 will be found in Ordinance Book No. 9 at page 348, 349, 350.

ORDINANCE NO. 1284 - A BUDGET ORDINANCE AMENDMENT - SEVENTH FLOOR WINDOW PROJECT

19. Consideration was given to a budget ordinance amendment to transfer the Seventh Floor Window Project from General Revenue Sharing to the General Capital Project Fund. Funding remains unchanged at \$69,150.

The City Manager read the ordinance.

Vice-Mayor Price moved for the adoption of Ordinance No. 1284. This motion was seconded by Councilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1284 passed on first and final reading.

Complete text of Ordinance No. 1284 will be found in Ordinance Book No. 9 at page 351.

ORDINANCE NO. 1285 - A BUDGET ORDINANCE AMENDMENT - FUNDING FOR LONGEVITY PAY AND ASSOCIATED FRINGE BENEFITS

20. Consideration was given to a budget ordinance amendment to provide funding for Longevity Pay and associated fringe benefits.

The City Manager read the ordinance.

Councilman Wilkes moved for the adoption of Ordinance No. 1285. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 7-0, Ordinance No. 1285 passed on first and final reading.

Complete text of Ordinance No. 1285 will be found in Ordinance Book No. 9 at page 352.

Mr. Cheadle said this would save the City and the sign companies a lot of time. He said the sign company could mail in checks to cover permit fees. He said his proposed amendments would not be detrimental to the sign ordinance.

Mr. J. E. Johnson, Director of Inspections, said he agreed with Mr. Cheadle's recommendations. He said electrical and plumbing contractors have charge accounts with the City whereby they can call in for inspections. However, he recommended that a double fee be charged if work is started on the sign before a permit is issued.

Vice-Mayor Price suggested that Mr. Cheadle's recommendations be sent to the Planning Department for review and the Planning Department give Council their recommendation.

ADJOURNMENT

Upon motion, the meeting adjourned at 6:00 p. m.

Raymond H. Hartman
MAYOR

William A. Halsett
CITY CLERK

ORDINANCE NO. 1286 - A BUDGET ORDINANCE AMENDMENT ESTABLISHING FUNDING FOR USE BY THE CITY MANAGER FOR EMERGENCY PURPOSES

Consideration was given to an ordinance amendment establishing funding for use by the City Manager for emergency purposes.

The City Manager read the ordinance explaining that this action is a result of a decision made in today's Council work session. He said this would establish funding for use by the City Manager for emergency purposes. The City Manager would be authorized to use this funding when in his judgement an emergency exists regarding funds not appropriated elsewhere in the budget. Any use of this fund shall be reported to Council at the next scheduled Council meeting.

Councilman McDevitt moved for the adoption of Ordinance No. 1286. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 7-0, Ordinance No. 1286 passed on first and final reading.

Complete text of Ordinance No. 1286 will be found in Ordinance Book No. 9 at page 353.

SUMMONSES SERVED - DONNA JACKSON - CHRISTOPHER P. JACKSON - STEVEN T. JOYNER - DEBRA JOYNER - CRAIG U. JOYNER - WILLIAM CHAPMAN

The City Manager presented claims received from UPS, Bruce DeWeese, 7-Up, Pauline Gregg, John Cradle, Sallie Rustin, and Edith Kanupp. He also presented the following summonses which the city was served in connection with lawsuits in which the city is either a defendant or a respondent: Donna Jackson, Christopher P. Jackson, Steven T. Joyner, Debra Joyner, Craig U. Joyner, and William Chapman.

REQUEST OF DAVE CHEADLE - ART SIGN COMPANY - AMENDMENTS TO SIGN ORDINANCE

Mr. Dave Cheadle, with Art Sign Company, appeared before Council and requested that the following amendments be made to the Sign Ordinance: 1) Omit \$1.00 fee for signs under \$100 and allow sign company to call in for the permit; 2) Allow sign companies to call in for permits on signs under 50 sq. ft. and under \$500; 3) Clarify the definition of roof signs - not to include sign on facade of building.

PRESENTATION OF MAYOR'S DOWNTOWN TASK FORCE RECOMMENDATIONS

4. Maury Winger, Chairman of the Mayor's Downtown Task Force, made a presentation to members of Council relative to the Mayor's Downtown Task Force recommendations, which recommendations were unanimously approved by the Task Force members.

Mr. Winger outlined the recommendations of the Task Force which included that the city staff analyze and summarize all previous downtown studies; that the city study the feasibility of hiring a consultant to assist in implementing a detailed plan for downtown, offering a challenge to the City Council and County Commissioners to match a \$40,000 fund raised through private sources for the hiring of a consultant provided that the Council and County Commissioners allocate \$70,000 for this purpose; and that a final method of implementation of a downtown plan be endorsed by the City Council.

Following Mr. Winger's presentation, Mayor Trantham presented each member of the Downtown Task Force with a copy of the Mayor's Downtown Task Force Report and a letter of appreciation to each member for their work and efforts on the committee.

(A copy of the Mayor's Downtown Task Force Report is on file in the Office of the City Clerk)

The City Manager read the resolution stating that Mr. Plemmons has been employed by the City of Asheville for over sixteen years at Riverside Cemetery.

Upon motion of Councilman Myers, seconded by Councilman Wilkes, Resolution No. 82-120 was unanimously adopted.

Complete text of Resolution No. 82-120 will be found in Resolution Book No. 13 at page 261.

Mayor Trantham closed the public hearing at 5:33 p. m.

Councilman Pless moved to disapprove the group development plan of the proposed Oakley Mobile Home Park stating that the roads in the area are too narrow to carry additional developments, overcrowding of schools in the area, and safety of residents of the area. This motion was seconded by Councilwoman Frank and carried unanimously.

Vice-Mayor Price suggested that City staff send a letter to the North Carolina Department of Transportation requesting that the road conditions in the Oakley area be reviewed and that the Planning Board review the entire area to determine a good land use plan for the area.

CONTINUATION OF PUBLIC HEARING - REQUEST FOR INCREASE IN RATES BY THOMS BROADCASTING CO., INC.

7. Continuation of a public hearing to consider an application for an increase in rates by Thoms Broadcasting Co., Inc. for cablevision service.

Mayor Trantham stated that this public hearing was continued from the June 3, 1982 meeting.

Mayor Trantham said the attorney representing Thoms Broadcasting Companies, Inc. has requested that Council continue the public hearing until October 7, 1982.

Councilman Wilkes moved to continue the public hearing relative to an increase in rates by Thoms Broadcasting Co., Inc. until October 7, 1982. This motion was seconded by Vice-Mayor Price and carried unanimously.

ORDINANCE NO. 1279 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Caribou and Sweeten Creek Road)

8. Consideration was given to the third and final reading of Ordinance No. 1279, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended rezoning property on Caribou and Sweeten Creek Road.

Mayor Trantham said this ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1279 passed on third and final reading.

Complete text of Ordinance No. 1279 will be found in Ordinance Book No. 9 at page 342.

Verl Emrick, Planning Director, said the Asheville Planning and Zoning Commission at a meeting held June 2, 1982 reviewed the site plan of the "Oakley Mobile Home Park" to be located off School Road in Oakley. The site plan was prepared by Ray Anders, R.L.S. for Dale Stierwalt, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval to City Council, subject to the following requirements:

- 1) Approval of the Erosion Control Plan by the N. C. Department of Natural Resources and Community Development;
- 2) Adequate buffering as required by Section 30-3-14(A) of the Asheville Zoning Ordinance; and
- 3) Favorable review and response to a letter from Chairman Curtis Ratcliff to Mr. Joe Enderle dated June 1, 1982, directing a special study of the sewer in this area.

Mr. Emrick said this proposed development is in the extra-territorial jurisdiction of the City of Asheville and zoned R-5 Residential District which allows a mobile home park. By the use of a map, Mr. Emrick reviewed the location in question.

Mr. Emrick said there is a question about the existing sewer line capacity between the Department of Water and Sewer and the residents in the area. He said it was his understanding that the existing sewer line can handle up to 93 units, however the residents in the area disagree.

Bill J. Benfield, resident of the Oakley section, presented a petition in opposition to the group development, which petition contained 380 signatures.

Mayor Trantham and Councilman Pless, commenting on the proposed development, said they could not support the approval of the group development plan due to the fact that the roads in the area are too narrow to carry additional traffic, a new development would overcrowd the Oakley School and the safety of the residents in the area would be affected.

The following residents of the Oakley section spoke in opposition to the proposed development:

Mr. John Roberts
Mr. W. W. Graham
Mr. Jack Benfield
Mr. Harry Haynes
Mr. Bill Benfield

These individuals cited the same concerns expressed by Mayor Trantham and Councilman Pless.

Mr. Emrick said Council had the option of approving the group development plan as submitted, asking the developer to submit a redesign of the development, or denying the group development stating specific reasons for the denial.

Verl Emrick, Director of Planning, read the resolution. He said the North Carolina General Statutes require governing boards to adopt a resolution of notice of intent to annex adjacent territory.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 82-124 was unanimously adopted.

STATEMENT BY SOPHIA DIXON - ASHEVILLE CHAPTER N.A.A.C.P. -RELATIVE TO
COUNCILMAN WILKES

Ms. Sophia Dixon read the following statement:

TO THE HONORABLE ROY M. TRANTHAM, AND MEMBERS OF COUNCIL:

We, the Asheville Chapter of the N.A.A.C.P. in conjunction with the Black leadership and community at large, are respectively submitting the name of Rev. J. F. Wills as a replacement for City Council. On Tuesday, July 20, 1982, a wide cross section of the Asheville Black community unanimously selected Rev. J. F. Wills as the person to be recommended for Council, upon the acceptance of Rev. H. C. Wilkes' resignation.

At the community meeting, representation was present from the Interdenominational Ministerial Alliance, the Masonic Lodge, social organizations, the 11th Congressional District Black Leadership Caucus, and other Black leaders all of which rallied behind Rev. J. F. Wills. The consensus was that Rev. J. F. Wills could best represent the interest of all citizens of Asheville in the same manner as the Rev. H. C. Wilkes.

We thank the Council for your consideration of this recommendation.

/s/ S. Dixon
Respectfully submitted by
S. Dixon, President - Asheville
Chapter N.A.A.C.P.

The following individuals appeared before Council endorsing Rev. J. F. Wills as a replacement for Rev. H. C. Wilkes as a member of the Asheville City Council:

Rev. Wesley Grant, 97 Choctaw Street
Dr. Erby Oglesby, 60 Kimberly Avenue
Willie Vincent, 146 Wyoming Road
Marvin Chambers

Raymond Hilton, 9 Sourwood Lane East, said he felt Mr. Leo Ferguson should publically apologize for the statement he made in the newspaper that "anyone who disagreed with their suggestion was a racist." He said that statement offended some of the citizens of Asheville.

Vice-Mayor Price said Council would take the recommendation under consideration.

Councilman Pless noted that Council has not received, as of today, a resignation from Councilman H. C. Wilkes.

Thursday - August 5, 1982 - 4:00 p. m.

REPORT FROM J. E. JOHNSON - RELATIVE TO STATUS OF 22 NORMANDY ROAD

Mr. J.E. Johnson, Director of Inspections, reported that on February 4, 1982 the Asheville City Council entered into an agreement with Ms. Lottie Jean Fletcher to rehabilitate 22 Normandy Road. He said the agreement was for six (6) months, which ended on August 4, 1982. He said he made an inspection of the premises and found that the work has not been completed, however substantial work has been done to the dwelling house. He said the premises have not been cleaned. He noted that he would have made a report on this matter on July 29, 1982 but Council did not meet on that day. He invited members of Council to go by and look at what work has been done on the dwelling house. He said in his opinion twenty-five percent (25%) of the work has been done. He said no work has been done in the past two or three weeks.

After discussion, Councilman Pless moved to schedule a public hearing for August 19, 1982 to consider further action relative to 22 Normandy Road. This motion was seconded by Vice-Mayor Price and carried unanimously.

LETTER FROM RICHARD L. COLEMAN, JR. - INTERPRETATIONS OF SIGN ORDINANCE

REPORT FROM CITY MANAGER RELATIVE TO THE USE OF MEMORIAL STADIUM

The City Manager read the following letter from the Parks and Recreation Advisory Board:

August 11, 1982

Mayor Roy M. Trantham
City of Asheville
P. O. Box 7148
Asheville, N.C. 28807

Dear Mayor Trantham:

The Asheville Parks and Recreation Advisory Board, at their regular meeting on August 11, 1982, voted to recommend to City Council that a protective fence be installed around the West (home) stands at Memorial Stadium to ensure that ~~people would not enter~~ the area of these stands. With the installation of this fence the Advisory Board then recommends that the Memorial Stadium be open for use on a regular basis as planned and programmed by the Asheville Parks and Recreation Department. Specific uses to be permitted would be the North Asheville and West Asheville Youth Football Programs. Further, the Advisory Board recommends that this fencing be installed as soon as possible in order that the first home game by the Youth Football Program can be held at Memorial Stadium on August 28. The Board feels that this would be in the best interest of all residents of Asheville and would permit maximum use of Memorial Stadium facilities without endangering the users of this facility. Since the opening of the Youth Football season is so close, the Board respectfully requests action as soon as possible upon this recommendation.

Sincerely,

/s/ Bill Pfeiffer

Bill Pfeiffer, Chairman
Parks and Recreation Advisory
Board

The City Manager said the Director of Parks and Recreation can use old fencing from another area to fence the area and port-a-johns could be taken from the Bee Tree facility since they are not being used. He said since there are no cost associated and the recommendation is feasible he would recommend Council's approval.

A discussion was held relative to the liability in case of an accident at the stadium. The North Asheville and West Asheville representatives at the meeting said they would be responsible for the children at the Youth Football events and further that insurance is carried on the children.

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 5, 1982 meeting.

Upon motion of Councilman McDevitt, seconded by Councilwoman Frank, the minutes of the August 5, 1982 meeting were unanimously approved as submitted.

REPORT FROM CITY MANAGER RELATIVE TO BUDGET CUTS IN THE PARKS AND RECREATION DEPARTMENT

2. In response to an inquiry at the August 5, 1982 meeting the City Manager advised that Senior Opportunity Center, Parks and Recreation Department Budget, was cut by the elimination of an Activity Specialist, reduction in the hours of a Van Driver from 40 hours to 30 hours, a reduction in supplies and materials (crafts), and the elimination of several telephones. He said the elimination of telephones is a citywide budget cut. He said an Activity Specialist had also been eliminated at the Reid Center. He said there had been no cut backs in the hours of operation at the center. He said there have been budget cuts in supplies and materials (crafts) at other centers.

Ms. Clemantine Devvine, speaking on behalf of the Senior Opportunity Center, said the major affect on the budget cut backs so far is in the hours of operation for the van driver.

Several individuals who visit the Senior Opportunity Center spoke to Council relative to the budget cuts.

After discussion it was the consensus of Council to look into a volunteer supplement, perhaps from local churches, for the ten hours of operation cut from the van driver.

It was also decided that Council would meet with the Senior Opportunity Center group on Thursday, August 19, 1982 at 1:00 p. m. to discuss a supplemental service from local churches for a van driver.

Mayor Trantham opened the public hearing at 4:55 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, described the location of the proposed annexation and highlighted the service plan proposed for the Johnston School Road area which was approved and adopted by Council at the July 22, 1982 meeting. He said all statutory requirements have been met.

He said the plan approved at the July 22, 1982 meeting should be amended due to the inability to fund sewer services in one particular area. He said he will present a resolution amending the plan deleting this particular area after the public hearing. He said the area to be deleted includes six or seven houses and if the City were to annex the area it would cost in excess of \$58,000 to provide sewer services.

Mayor Trantham closed the public hearing at 5:08 p. m.

Mr. Emrick then read the resolution amending the plan.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 82-156 was unanimously adopted.

Complete text of Resolution No. 82-156 will be found in Resolution Book No. 13 at page 306-307.

SCHEDULING OF PUBLIC HEARING - AMENDING GROUP HOME AND FAMILY CARE HOME PROVISIONS IN ZONING ORDINANCE

20. Consideration was given to a motion scheduling a public hearing relative to repealing Ordinance No. 1175 and 1238 and amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended relative to group home and family care homes for September 2, 1982.

This amendment will bring the group home and family care home ordinance into compliance with the General Statutes of North Carolina.

Vice-Mayor Price moved to schedule a public hearing relative to amending group home and family care home provisions in the Zoning Ordinance for September 2, 1982. This motion was seconded by Councilman Myers and carried unanimously.

REPORT FROM DIRECTOR OF INSPECTIONS - RELATIVE TO 230 CUMBERLAND AVENUE

21. Mr. J. E. Johnson, Director of Inspections, said on May 13, 1982 a public hearing was held relative to the adoption of an ordinance directing the Housing Officer to demolish the dwelling house known as 230 Cumberland Avenue. After the public hearing, a motion was made and seconded to allow the owner sixty (60) days to remove the junk and debris from around the dwelling and thirty (30) additional days to bring the house into compliance with the Housing Code of the City of Asheville.

Mr. Johnson said he inspected the dwelling and found that some work has been done to the dwelling. He said the dwelling and premises is still in need of many repairs.

Mr. William McCanless, owner of 230 Cumberland Avenue, said he has been working on the rehabilitation of the dwelling and many repairs have been done. He requested additional time to complete the repairs stating that the house has to have complete wiring and some plumbing work.

It was noted that the property, for tax purposes, is appraised at \$112,100.

After discussion, it was the consensus of Council that Mr. Johnson report back to Council in two (2) weeks on the status of the repairs at 230 Cumberland Avenue.

RESOLUTION NO. 82-160 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH NATIONAL TESTING FOR INSPECTION AND TESTING OF A 1964, 100 FT. AERIAL LADDER COMPANY

22. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with National Testing for inspection and testing of a 1964, 100 ft. aerial ladder company.

The City Manager read the resolution stating that the professional inspection and testing is necessary for the major refurbishment of a 1964, 100 ft. Aerial Ladder Company.

Mr. Ronald Payne, attorney, representing the petitioners, Battery Park Associates, Ltd., requested that the public hearing be continued for two (2) weeks in order to clear up questions relative to easements before closing the alley.

Councilman McDevitt moved to continue the public hearing for two (2) weeks without further advertisement. This motion was seconded by Councilman Myers and carried unanimously.

PUBLIC HEARING - FURTHER ACTION ON ORDINANCE NO. 1183 - RELATIVE TO THE DEMOLITION OF 22 NORMANDY ROAD

4. A public hearing was held relative to further action on Ordinance No. 1183, an ordinance directing the Housing Officer to demolish the dwelling house known as 22 Normandy Road.

Vice-Mayor Price opened the public hearing at 4:10 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Mr. J. E. Johnson, Director of Inspections, said on February 4, 1982 Council entered into a six (6) month agreement with Ms. Lottie Jean Fletcher to rehabilitate 22 Normandy Road. He said the agreement expired on August 4, 1982 and the dwelling has not been rehabilitated to minimum code standards. He said no work has been done on the premises in the past two weeks.

Mr. Art Jacobsen, Attorney, said he had just been retained to assist Ms. Fletcher and Ms. Gage in rehabilitating 22 Normandy Road. He said he was aware that the owners were not in compliance with the agreement. He said he is now working with the owners for a loan with Cameron-Brown in the amount of \$35,000 to rehabilitate the dwelling. He requested that Council allow four to six weeks to get the loan approved, an escrow account set up, the yards cleaned, and work started at 22 Normandy Road to rehabilitate the dwelling.

A discussion was held relative to the provisions in the February 4, 1982 agreement relative to an escrow account being set up to cover the costs of repairing the dwelling.

Upon inquiry of Vice-Mayor Price, Mr. Jacobsen said the owners are in the process of obtaining two loans on other properties to repair 22 Normandy Road. He said he was aware that \$35,000 would not bring the dwelling up to code standards.

Upon recommendation of the City Manager, Councilman Pless moved to continue the public hearing for one (1) week instructing that the City Attorney, City Manager, the owners of 22 Normandy Road, and their attorney have a conference and have a written agreement prepared for Council's consideration for the rehabilitation of 22 Normandy Road and further that the outside premises be cleaned by August 26, 1982. This motion was seconded by Councilwoman Frank and carried unanimously.

Thursday - August 19, 1982 - 4:00 p. m.

The City Manager read the resolution.

Carl Owenby, of the Planning Department, said this contract would be the state's portion of financing the technical study grant to implement specific items of the 1982-83 Asheville Urban Area Unified Work Program. He said the state's portion is 10% of the total grant.

Upon motion of Councilman Pless, seconded by Councilwoman Frank, Resolution No. 82-164 was unanimously adopted.

Complete text of Resolution No. 82-164 will be found in Resolution Book No. 13 at page 316.

CLAIMS - HOWARD LYDA (WATER AND SEWER) - DON McMINN (WATER AND SEWER) - EDEL SEAY (WATER AND SEWER)

The City Manager presented claims received from Howard Lyda, Don McMinn, and Edel Seay.

Vice-Mayor Price referred the claims to the Corporation Counsel for investigation and recommendation.

Larry Holt, Deputy Executive Director of the Housing Authority, said Parcel 65 is located in the East End/Valley Street area on Pine Street opposite the intersection of Miller and Pine Street. He said the developers propose to construct an eight (8) unit apartment complex for the mildly, moderately, mentally retarded. He said there would be two structures, four units to each structure. He said the project is estimated to cost \$280,000.

Mr. Holt said Parcels 105F and 105G are located in the East Riverside Renewal Project at the corner of Ralph Street and Ora Street. He said the developers propose to construct a five (5) unit group home for autistic adults - one unit to consist of bedroom and bath. He said the project is estimated to cost \$175,000.

A letter was presented from W. B. Burton, Chairman of the East End Neighborhood Organization, showing community endorsement of the project.

Mr. Emrick, Director of Planning, said both projects would have to go through the group development review and Council would have to approve the projects through this review.

Mr. Larry Thompson, with the WNC Housing, Inc., spoke in support of the sale of the disposal parcels.

Councilman McDevitt moved to approve the sale of the disposal parcels as tentatively accepted by the Housing Authority. This motion was seconded by Councilman Pless and carried unanimously.

RESOLUTION NO. 82-162 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED.

The City Manager read the resolution.

Carl Owenby, of the Planning Department, said this is an annual grant with the U. S. Department of Transportation to aid in the financing of a technical study grant to implement specific items of the 1982-83 Asheville Urban Area Unified Work Program. He said the grant is funded 80% by the federal, 10% by the State, and 10%, or \$2,600 as local share.

Upon motion of Councilman Pless, seconded by Councilwoman Frank, Resolution No. 82-162 was unanimously adopted.

Complete text of Resolution No. 82-162 will be found in Resolution Book No. 13 at page 314.

DISCUSSION RELATIVE TO REQUEST OF WATER AUTHORITY FOR WATER FUNDS

The City Manager advised that the Water Authority acted on Council's request relative to the \$841,000 owed to the General Fund by the Water Fund. He said after discussion, the Water Authority voted to decline to honor the City's claim for the \$841,000 stating the these funds were needed for capital improvements to the water system which would economically benefit the City of Asheville. He said, in essence, the Water Authority is requesting that the City forgive the debt of \$841,000.

Councilman McDevitt said he would not be inclined to vote to forgive the debt and let the citizens of Asheville think that Council is just "writing off the debt" without some reservations.

It was the consensus of Council to discuss this issue further at a later date.

ANNOUNCEMENT OF JOINT CITY/COUNTY MEETING - AUGUST 24, 1982 - 3:00 P. M.

REPORT RELATIVE TO SEWER LINE AT AIRPORT

The Associate City Manager presented members of Council with a report relative to the Metropolitan Sewerage District constructing a 24" Interceptor Line at the Airport. He said the City would be requested to contribute to the construction of this sewer line.

REPORT RELATIVE TO TRAFFIC SIGNAL REQUESTS TO THE N.C. DOT

The City Manager said the N. C. Department of Transportation has advised the City that the traffic signalization requested on U. S. 25 at Busbee Road is on the statewide priority list. He said they also advised that the intersection of Sand Hill Road/Salola/Shelburne Road does not warrant signalization at this time.

REPORT PRESENTED ON LAWSUITS PENDING

The City Manager presented members of Council with a report received from the Corporation Counsel relative to all lawsuits pending involving the City of Asheville.

DISCUSSION RELATIVE TO CLOSING WOODFIN LANDFILL - CANCELLATION OF LEASE

The City Manager advised Council that he is proceeding with the closing of the Woodfin Landfill by notifying the Lessors of the termination of the lease agreement. He said the lease agreement has a provision for a twelve (12) month's notice before the termination. He said he would write the Lessor advising them of the closing of the Landfill and cancellation of the lease agreement effective midnight, June 30, 1983. He said he would request that the City be relieved of the lease agreement sooner than June 30, 1983.

RESOLUTION NO. 82-165 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL

Consideration was given to a resolution appointing members to the Asheville-Buncombe County Youth Council.

After discussion, Councilman McDevitt moved to approve the resolution reappointing Catheryn Kinser and Herb Watts as members of the Asheville-Buncombe County Youth Council and to appoint Ms. Yvette Forshaw and Mr. Ken McDaniels as members of the Asheville-Buncombe County Youth Council. This motion was seconded by Councilman Pless and carried unanimously.

Complete text of Resolution No. 82-165 will be found in Resolution Book No. 13 at page 317.

It was the consensus of Council that the term of Ms. Helen Parks as a member of the Asheville-Buncombe County Youth Council be declared vacant due to Ms. Parks inability to attend the meetings of the Council. Council requested that the Youth Council submit recommendations to fill the vacancy created by Ms. Parks.

RESOLUTION NO. 82-166 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE TREE COMMISSION

Consideration was given to a resolution appointing members to the Asheville Tree Commission.

After discussion, Councilman Pless moved to approve Resolution No. 82-166 reappointing Ms. Elrita Nesby and Anthony Lord as members of the Asheville Tree Commission and appointing Mr. John Broadbooks as a member of the Asheville Tree Commission. DISCUSSION RELATIVE TO VARIOUS APPOINTMENTS TO BOARDS AND COMMISSIONS (Asheville Revitalization Commission - Planning and Zoning Commission - City Personnel Advisory Commission)

It was the consensus of Council to hold off on reappointments to the Asheville Revitalization and Economic Development Commission.

Council requested that they be furnished a "Resource List" for appointments to the Planning and Zoning Commission and the City Personnel Advisory Commission. These appointments are necessary due to the resignation of Ms. Pauline Tennant from the Planning and Zoning Commission and Mr. Harry Clarke's resignation from the City Personnel Advisory Commission.

COUNCIL COMMITTEE ASSIGNMENT - METROPOLITAN SEWERAGE DISTRICT REPORT

Vice-Mayor Price said she would give Council a report relative to the Metropolitan Sewerage District taking over sewer responsibilities at next week's work session.

Thursday - August 26, 1982 - 4:00 p. m.

Regular Meeting

Present: Vice-Mayor Norma T. Price, Presiding; Councilmen Joe Pless, Gordon Myers, Larry McDevitt, and Councilwoman Mary Lloyd Frank; Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham (attending Conference on Community Development in Raleigh)

INVOCATION

The invocation was given by Councilman Larry McDevitt.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the August 19, 1982 meeting.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, the minutes of the August 19, 1982 meeting were unanimously approved as submitted.

ORDINANCE NO. 1305 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE INTO THE RICEVILLE ROAD AREA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A, OF THE GENERAL STATUTES OF NORTH CAROLINA

2. Consideration was given to an ordinance to extend the Corporate Limits of the City of Asheville into the Riceville Road Area under the authority granted by Part 3, Article 4A, Chapter 160A, of the General Statutes of North Carolina.

Verl Emrick, Director of Planning, said during the public hearing on August 12, 1982 it was requested that several lots be excluded from the annexation area. However, it is the staff's recommendation that no changes be made in the annexation area at this time.

The following individuals spoke in opposition to the annexation of the Riceville Road Area:

Mr. John Stone, Kanuth Road
Ms. Susanne Higgins, also presenting a petition in opposition.
Ms. Pearl Shelton, Maple Springs Road
Ms. Ruby Gibbs, Kanuth Road
Mr. Herman Medler, West Asheville
Mr. Bryan Robinson, Craig Circle

Mr. Verl Emrick read the ordinance.

Mr. Emrick noted that if the properties requested to be excluded, are in fact excluded, the parcel of land would be in the county, surrounded by the city, which could possibly cause problems with protected services such as fire and police. He said he would recommend that the properties not be excluded from the proposed annexation area.

175
The City Manager said an interest had been expressed by the County for a countywide recreational facility at the Woodfin Landfill.

ADJOURNMENT

Upon motion, the meeting adjourned at 6:15 p. m.

**CONTINUATION OF PUBLIC HEARING - FURTHER ACTION ON ORDINANCE NO. 1183 -
DEMOLITION OF 22 NORMANDY ROAD**

5. A public hearing was continued relative to further action on Ordinance No. 1183, an ordinance directing the Housing Officer to demolish the dwelling house known as 22 Normandy Road.

Note: On February 4, 1982 Council entered into a six (6) months agreement with Ms. Lottie Jean Fletcher to rehabilitate 22 Normandy Road. It has been determined that the work, as agreed to, has not been completed. This public hearing was continued from the August 19, 1982 meeting.

The City Manager said, as directed by Council, a meeting was held with Mrs. Gage, one of the property owners, and Attorney Art Jacobson to work out an agreement for the rehabilitation of 22 Normandy Road. He said Council had also directed that the yards at 22 Normandy Road be cleaned by today's meeting. He reported that the yards are not cleaned and it would take a minimum of two (2) more weeks to clean the debris from the yards.

Attorney Art Jacobson presented signed agreements and a power of attorney agreement in order for him to handle all construction matters dealing with the restoration of the dwelling. He said the loan funds, to be used for the restoration, have not been completed but should be finalized in about two (2) weeks. He said the owners of the dwelling have agreed, if necessary, to mortgage other property they own for the rehabilitation of the dwelling. He said the agreement with the City indicates that the grounds of 22 Normandy Road and the dwelling would be brought into compliance by January 1, 1983.

The City Manager highlighted all the facts outlined in the agreement. He said the Ordinance to demolish the dwelling would still be in effect during the state of repairs.

Several members of Council indicated that they felt it would be necessary for all the loans to be approved and the money in an escrow account prior to the City entering into an agreement for the restoration of the dwelling.

After discussion, Councilman Pless moved to continue the public hearing for four (4) weeks, without further advertisement, giving the Attorney time to get all loans associated with the repairs approved. This motion was seconded by Councilman Myers and carried unanimously. It was noted that if the attorney secured the loans prior to four (4) weeks he could ask that the matter be scheduled on Council's agenda.

**REPORT FROM DIRECTOR OF INSPECTIONS - DEMOLITION OF 230 CUMBERLAND
AVENUE**

6. Note: On May 13, 1982 a public hearing was held relative to the adoption of an ordinance directing the Housing Officer to demolish the dwelling house known as 230 Cumberland Avenue. After the public hearing, a motion was made and seconded to allow the owner sixty (60) days to remove the junk and debris from around the dwelling and thirty (30) additional days to bring the house into compliance with the Housing Code. At the August 12, 1982 meeting a report was made by the Director of Inspections and it was the consensus of Council to have the Director report back in two (2) weeks.

After discussion, Councilman McDevitt moved for the adoption of Ordinance No. 1305. This motion was seconded by Councilwoman Frank.

Councilman Pless said he could not support the ordinance since the city is involved in pending annexation suits.

A discussion was held relative to the affects of annexation and the proposed consolidated governments.

On a roll call vote of 4-1, Ordinance No. 1305 passed on first reading, with Vice-Mayor Price, Councilman Myers, Councilwoman Frank, and Councilman McDevitt voting "aye" and Councilman Pless voting "no."

ORDINANCE NO. 1306 - BUDGET ORDINANCE AMENDMENT RELATIVE TO FUNDING FOR THE DEMOLITION OF 78 CONGRESS STREET

3. Consideration was given to a budget ordinance amendment relative to funding for the demolition of 78 Congress Street.

The City Manager read the ordinance stating that this budget amendment in the amount of \$2,000 is to provide funding for demolition of 78 Congress Street. City costs to be reimbursed by placing a lien on the property. He said since the Board of Tax Supervision is the owner of this property he would encourage the Tax Board to sell the properties.

Councilman Pless moved for the adoption of Ordinance No. 1306. This motion was seconded by Councilwoman Frank.

On a roll call vote of 5-0, Ordinance No. 1306 passed on first and final reading.

Complete text of Ordinance No. 1306 will be found in Ordinance Book No. 9 at page 381.

ORDINANCE NO. 1307 - BUDGET ORDINANCE AMENDMENT RELATIVE TO FUNDING FOR CITY BARN RENOVATIONS REQUIRED BY VALLEY STREET WIDENING

4. Consideration was given to a budget ordinance amendment relative to funding for City Barn renovations required by Valley Street widening.

The City Manager read the ordinance stating that this budget amendment in the amount of \$117,125 is to appropriate funding for City Barn renovations required by Valley Street widening. The funds are from N. C. Department of Transportation for the City's property taken for right-of-way and have already been received.

Councilman McDevitt moved for the adoption of Ordinance No. 1307. This motion was seconded by Councilman Myers.

On a roll call vote of 5-0, Ordinance No. 1307 passed on first and final reading.

Complete text of Ordinance No. 1307 will be found in Ordinance Book No. 9 at page 382.

Mr. Lunsford said he knew of other people doing heating and air conditioning work in the City of Asheville who do not have state electrical licenses.

After discussion, it was the consensus of Council to request Councilman Pless, along with the Code Study Committee, to review Mr. Lunsford's concerns and to look into the possibility of the state allowing oral test instead of written test.

RALPH BISHOP COMMENTS - LOTTERY SALES IN THE CITY

10. Mr. Ralph Bishop again spoke to Council about the lottery operations in the City of Asheville.

ORDINANCE NO. 1308 - ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE INTO THE ASCENSION DRIVE AREA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA

11. Consideration was given to an ordinance to extend the Corporate Limits of the City of Asheville into the Ascension Drive Area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Verl Emrick, Director of Planning, read the ordinance.

Councilwoman Frank moved for the adoption of Ordinance No. 1308. This motion was seconded by Councilman Myers.

On a roll call vote of 4-1, Ordinance No. 1308 passed on first reading, with Vice-Mayor Price, Councilman Myers, Councilwoman Frank, and Councilman McDevitt voting "aye" and Councilman Pless voting "no."

ORDINANCE NO. 1309 - ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE INTO THE JOHNSTON SCHOOL ROAD AREA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA

12. Consideration was given to an ordinance to extend the Corporate Limits of the City of Asheville into the Johnston School Road area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Verl Emrick, Director of Planning, read the ordinance.

Councilman Myers moved for the adoption of Ordinance No. 1309. This motion was seconded by Councilman McDevitt.

On a roll call vote of 4-1, Ordinance No. 1309 passed on first reading, with Vice-Mayor Price, Councilman Myers, Councilwoman Frank, and Councilman McDevitt voting "aye" and Councilman Pless voting "no."

Mr. J. E. Johnson, Director of Inspections, said he made an inspection of 230 Cumberland Avenue today and found debris in the yards. He said part of the debris has been cleaned however, most of it was "moved around." He said some work has been done on the inside of the dwelling. He said no electrical work has been done in the past two weeks.

Mr. William McCanless, owner of 230 Cumberland Avenue, outlined what the Director of Inspections had informed him to have done and what repairs had been done on the dwelling. He said he needed additional time to have all the repairs completed.

After discussion, Councilman McDevitt moved to direct the City Manager and City Attorney to meet with Mr. McCanless and work out a written agreement for the dwelling to be brought into compliance within a certain time period. He requested that the written agreement be brought back to Council in two (2) weeks. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 82-167 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH APAC-CAROLINA, INC. FOR THE PROJECT KNOWN AS DEPOT STREET IMPROVEMENT PROJECT

7. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with APAC-Carolina, Inc. for the project known as Depot Street Improvement Project.

The City Manager read the resolution stating that bids were opened on August 16, 1982 on the Depot Street Improvement Project. Four (4) bids were received. APAC-Carolina, Inc. is the apparant low bidder in the amount of \$123,291.34. Recommendation of acceptance of low bidder.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-167 was unanimously adopted.

Complete text of Resolution No. 82-167 will be found in Resolution Book No. 13 at page 319.

ORDINANCE NO. 1312 - AN ORDINANCE REPEALING WATER RATES

9. Consideration was given to an ordinance repealing water rates.

The City Manager read the ordinance stating that an overall 20% rate increase by Water Authority Resolution No. 82-15 was adopted by the Water Authority, by authority given to them in Article IV(b)3 of the Water Agreement, and was further adopted by the City Council on 6/8/82 and the County Commissioners on 6/29/82. He said that Ordinance No. 1221 adopted 6/25/81, which established the pre-existing water rate structure needed to be repealed.

Councilman McDevitt requested the minutes to reflect that he voted against the raising of water rates but would vote for this ordinance since it is really a "house-keeping chore."

Vice-Mayor Price moved for the adoption of Ordinance No. 1312. This motion was seconded by Councilwoman Frank.

On a roll call vote of 5-0, Ordinance No. 1312 passed on its first reading.

Actually, he obtained this letter upon his return to Zirconia the day after your meeting at which his request was denied.

By copy of this letter I am requesting each member of our esteemed City Council please to give favorable consideration to the adoption of a resolution "to rescind or repeal" Council's action on 8 July 1982 as provided by Rule 13 of Rules and Procedures for Asheville City Council.

I have taken the liberty of forwarding with copies of this letter to others concerned a copy of Ray Anders' letter of 14 July 1982; because, I believe, it sets forth some of the salient contentions contained in Mr. Stierwalt's request for the City's authorization of a mobile home park in the Oakley section. Also, it has been brought to my attention that perhaps City Council did not have available to it on 8 July 1982 the most up-to-date information with regard to traffic count and plans for the construction of one or more new ways of ingress and egress in the area, particularly to be voluntarily imposed upon land owned by Mr. and Mrs. Stierwalt.

Frankly, I believe that Mr. and Mrs. Stierwalt's request for rescission or repeal has a tremendous amount of merit. Their proposed project would undoubtedly result in a substantial increase in the County tax base; and it would make available to young people and others who can afford no other housing at least a certain number of additional spaces upon which to locate homes already owned by them or contemplated by them.

Simply put, Mr. Mayor and Members of the Council, to reconsider an ultimate rescission of the previous denial will be greatly appreciated. And, if in the process you feel another hearing is in order, please be assured that Mr. and Mrs. Stierwalt and others in their behalf will be present when needed or requested.

Thank you for this and many past kindnesses.

Respectfully yours,

HORTON, HORTON & MOORE

s/ Shelby E. Horton"

Mr. Shelby E. Horton reviewed the letter and urged the Council to reconsider their action on July 8, 1982, and approve the Oakley Mobile Home Park.

Mrs. Dale Stierwalt, owner of the property, spoke to Council with a request for reconsideration of Council's decision to deny this development.

Mr. Ray Anders, engineer of the proposed project, spoke in favor of the project to Council.

Mayor Trantham advised the public that the Council will take this information under advisement.

Councilman Pless stated that both sides involved in this development should be given ample advance notice prior to Council's consideration of this request.

Vice-Mayor Price stated that this would be brought up at next week's Council worksession.

REQUEST FOR RECONSIDERATION OF OAKLEY MOBILE HOME PARK

The City Manager presented the following letter from Mr. Shelby Horton, dated August 23, 1982:

"RE: Council Reconsideration - Oakley Mobile Home Park

Dear Mayor Trantham:

Your letter to Mr. Dale Stierwalt dated 11 August 1982 has been referred to me for reply. Please be advised and so inform all other members of the Asheville City Council that Mr. Stierwalt, due to a death in the family, was in the state of Florida when the letter announcing consideration of his project was delivered to his home.

LETTER RELATIVE TO PROPOSED PUBLIC USE POLICY FOR SPEAKERS AT PRITCHARD PARK AND CITY COUNTY PLAZA

The City Manager read the following letter dated August 24, 1982:

"The Asheville Parks and Recreation Advisory Board at their regular meeting on Wednesday, August 11, voted unanimously to establish the attached public use policy for speakers at Pritchard Park and City County Plaza. As a part of this policy the board unanimously agreed to establish a \$1.00 fee per permit as an administrative charge for permits issued for public speaking at Pritchard Park. In accordance with previously established policy, the Advisory Board is recommending that this fee be approved by City Council, or if not disapproved by Council within thirty (30) days, the fee will be instituted.

"Please let me know if you do not wish for me to institute this fee effective October 1, 1982."

PUBLIC USE POLICY

PARKS AND RECREATION DEPARTMENT

1. Public speaking is permitted at Pritchard Park and City-County Plaza upon request to the Director of Parks and Recreation.
2. Application for facility use permits must be made in person at the Parks and Recreation office in City Hall.
3. Requests for permit will be received not more than ten days in advance of the requested date.
4. There may be no more than two street speakers per day at any one location.
5. There must be at least a one hour break between speakers.
6. No amplification equipment may be used at Pritchard Park.
7. A \$1.00 fee permit will be charged as an administrative charge.
8. No permit shall be issued on the same day that it is to be used.

Other activities in addition to street speaking may be scheduled in these public areas at the discretion of the Director of Parks and Recreation.

It was Council's consensus to delay action on this for one week in order to give the staff the opportunity to look into other policies or ordinances which might apply to this matter for public speakers.

HOSPITALIZATION GROUP COVERAGE

The City Manager stated that the Fringe Benefit Committee reviewed and approved the bid specifications for hospitalization group coverage.

Councilman McDevitt moved that the staff proceed on bidding the hospitalization group coverage specifications. This motion was seconded by Councilwoman Frank and carried unanimously.

PROCLAMATION - 29TH ANNIVERSARY OF THE NATIONAL ASSOCIATION OF WOMEN IN CONSTRUCTION

Mayor Trantham proclaimed the week of September 5-11, 1982, as the "29th Anniversary of the National Association of Women in Construction."

LETTER RELATIVE TO A TRAFFIC SIGNAL AT THE INTERSECTION OF LARCHMONT AND MERRIMON

The City Manager read the following letter dated August 26, 1982:

"Reference is made to our exchange of correspondence regarding a traffic signal at the Intersection of US 25 (Merrimon Avenue) and Larchmont Drive in the City of Asheville. First, our apology for not having responded to your request sooner. Through oversight, the original file became side-tracked and has now resurfaced. This being due to Paul Dutcher's just now reminder to me that your office had not received a reply.

"The criteria for installation of a traffic signal is predicated on the traffic volumes entering the intersection and an analysis of the accidents occurring thereat. Our accident analysis revealed that those preventable through use of a traffic signal (right angle collisions) were minimal during the past two to three years. Also, traffic counts of entering vehicles from the side street onto US 25 were found to be well below those required to justify a traffic signal at this location. Therefore, we do not consider this type traffic control device to be warranted at this time. However, we will keep this intersection under surveillance, and, if any changes occur in the above accident patterns or vehicle volumes, we will certainly reconsider the need for a signal or other improvement.

"We do sincerely appreciate the councils interest in highway safety and if we can be of any further assistance, please advise.

Very truly yours,

W. B. Cochran
Division Traffic Engineer
State of North Carolina
Department of Transportation"

19. The City Manager presented claims received from Carlton Oliver, Dale Christopher, James Finley, and Ronald Palyok. He said the city was served with a summons in connection with the lawsuit involving Barbara Bell Redmon.

Vice-Mayor Price referred the claims and lawsuits to the Corporation Counsel for investigation and recommendation.

Mayor Trantham said this public hearing was continued from the September 9, 1982 meeting.

The City Manager advised Council that the attorney for the petitioner was still working on easement problems with the closing of said alley and had requested that the public hearing be continued.

Vice-Mayor Price moved to continue the public hearing, without further advertisement, until such time as the attorney requests that the matter be heard by Council. This motion was seconded by Councilman Myers and carried unanimously.

PUBLIC HEARING CONTINUED - FURTHER ACTION RELATIVE TO ORDINANCE NO. 1183, AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 22 NORMANDY ROAD

4. A public hearing relative to further action on Ordinance No. 1183, an ordinance directing the Housing Officer to demolish the dwelling house known as 22 Normandy Road continued.

Mayor Trantham said this public hearing was continued from the August 26, 1982 meeting.

Wesley Talman, Attorney for the owners of 22 Normandy Road, said Cameron Brown Company has approved the loan package, necessary for making the repairs to 22 Normandy Road, with the exception of a termite inspection on the property mortgaged for the loan. He said the lot has been cleaned up and the contractors are ready to begin work as soon as the loan is closed.

Upon inquiry of Mayor Trantham, Mr. Talman said he could not estimate the time period needed to complete the repairs to the dwelling.

Upon inquiry of Councilman Myers, Mr. Talman said he is responsible for getting the loan package completed.

Mr. Art Jacobsen, previous attorney for the owners of 22 Normandy Road, said on August 26, 1982 he represented to Council that he had power of attorney for the owners of 22 Normandy Road. He said on August 30, 1982 he received a telephone call from the owners advising him not to file the power of attorney document and that they no longer wished for him to represent them in this matter. He said at their request he forwarded the loan package to Mr. Wesley Talman for completion.

Upon inquiry of Council, Mr. Jacobsen said the contractor had advised him that it would take approximately \$50,000 to repair the dwelling and that the loan amount is for \$32,000. Mr. Talman responded that it was his understanding that arrangements were made with the contractor to complete the repairs for \$32,000 and an exchange of property owned by the owners of 22 Normandy Road.

Mr. Johnson, Director of Inspections, said he inspected 22 Normandy Road at 12:00 Noon today and found that the premises had been fairly cleaned. However, the debris was moved across the street on two other lots owned by Mrs. Fletcher and Mrs. Gage, owner of 22 Normandy Road. He said he advised them to clean the debris from these two lots. He said it has been two months since any construction has been done on 22 Normandy Road.

Thursday, September 23, 1982 - 2:30 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilmen Larry McDevitt and Gordon Myers; Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Deputy City Clerk Carol Hensley.

PUBLIC HEARING CONTINUED - CLOSING OF A PORTION OF MELROSE AVENUE

2. A public hearing relative to the closing of a portion of Melrose Avenue continued.

Mayor Trantham stated that this public hearing was continued from the September 2, 1982 meeting.

Gwynn Radeker, attorney representing the petitioners, said all easement problems had been worked out and Mrs. Barfield, an adjoining property owner, who had raised questions at the public hearing, has now withdrawn her opposition.

Mr. Radeker also presented a petition from the residents in the Melrose Avenue approving the closing of the portion of Melrose Avenue as petitioned.

Mayor Trantham closed the public hearing at 2:42 p. m.

The City Manager read the resolution to close a portion of Melrose Avenue.

Upon motion of Councilman McDevitt, seconded by Vice-Mayor Price, Resolution No. 82-180 was unanimously adopted.

Complete text of Resolution No. 82-180 will be found in Resolution Book No. 13 at page 333-335.

PUBLIC HEARING CONTINUED - CLOSING OF AN UNNAMED ALLEY IN THE VICINITY OF "BATTERY PARK HOTEL"

3. A public hearing relative to the closing of an unnamed alley in the vicinity of "Battery Park Hotel" continued.

Upon inquiry of Councilman McDevitt, Mr. Kisiah, Director of Parks and Recreation, said there had been some confusion over the bidding process for the services of opening and closing graves at Riverside Cemetery. He said his office had first requested price quotes and some how the price quotes were given out. He then requested that the bid process start all over and requested sealed bids on the service agreement. He said a base bid was requested in the bid specifications. He said Mr. Bill Sword with, Asheville Vault Company submitted a base bid of \$110 and broke down prices for age groups. He said Mr. Capps, with American Vault Company submitted a base bid of \$100 and then later he was requested to break down the prices in age groups.

After discussion, Vice-Mayor Price moved for the adoption of Resolution No. 82-181. This motion was seconded by Councilman McDevitt and carried unanimously.

The City Manager read the resolution stating that this would be a contractual agreement as required by state statute.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-182 was unanimously adopted.

Complete text of Resolution No. 82-182 will be found in Resolution Book No. 13 at page 337.

RESOLUTION NO. _____ RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PERRY M. ALEXANDER CONSTRUCTION FOR THE PROJECT KNOWN AS MEMORIAL STADIUM DEMOLITION OF WEST STANDS

8. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Perry M. Alexander Construction for the project known as Memorial Stadium demolition of West Stands.

The City Manager read the following letter to Mayor Trantham from R. Curtis Ratcliff, Chairman of the Buncombe County Board of Commissioners:

September 23, 1982

Mr. Roy Trantham, Mayor
City of Asheville
City Building
Asheville, N. C. 28807
Dear Roy,

At the Joint City-County Meeting held on August 31, 1982, the Board of County Commissioners approved the following action:

Councilman McDevitt said he felt Council had been very patient with the owners of 22 Normandy Road to repair the dwelling. He said in his opinion Council had given the owners enough time to repair the dwelling.

After discussion, Vice-Mayor Price moved to continue the public hearing, without further advertisement, for two (2) weeks, October 7, 1982, instructing that the attorneys and the owners of 22 Normandy Road prepare an agreement with the City of Asheville outlining the completion date for the repairs to 22 Normandy Road; providing for a performance bond on the project; assurance that the funds are available to repair the dwelling; completed agreement with the contractor to make the repairs; and to have the two lots across from 22 Normandy Road, where the debris was moved, moved and placed in a proper location. She further instructed that the agreement contain any additional items necessary for the completion of the repairs at 22 Normandy Road. This motion was seconded by Councilwoman Frank and carried on a voice vote of 4-1, with Councilman McDevitt voting "no."

ORDINANCE NO. 1296 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 55 CRESCENT STREET

5. Consideration was given to the third reading of Ordinance No. 1296, an ordinance directing the Housing Officer to demolish the dwelling house known as 55 Crescent Street.

Mayor Trantham said this ordinance was previously read on first and second reading and would not be re-read in its entirety unless there was a specific request to do so. He said the third reading was postponed at the August 19, 1982 until today, giving Mr. Jordan, owner of 55 Crescent Street, an opportunity to repair the dwelling.

Mr. Johnson, Director of Inspections, said he inspected 55 Crescent Street today and found that the dwelling has been boarded and secured. He said the debris from around the dwelling has been cleaned up. He said Mr. Jordon, owner of 55 Crescent Street, obtained a permit to repair the house in the amount of \$500 on August 13, 1982; however, no work has been done and no contact has been made by Mr. Jordon since August 19, 1982.

After discussion, Councilwoman Frank moved to proceed with the third reading of Ordinance No. 1296, with instructions to the Director of Inspections to postpone demolition and to make contact with Mr. Jordon to determine his intentions of repairing 55 Crescent Street. She further instructed that the Director of Inspections report back on the status of 55 Crescent Street within two weeks. This motion was seconded by Vice-Mayor Price and carried unanimously.

RESOLUTION NO. 82-181 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO ENTER INTO A SERVICE AGREEMENT FOR OPENING AND CLOSING GRAVES AT THE RIVERSIDE CEMETERY

6. Consideration was given to a resolution authorizing the Director of Parks and Recreation to enter into a service agreement for opening and closing graves at the Riverside Cemetery.

The City Manager read the resolution.

RESOLUTION NO. 82-183 - RESOLUTION AUTHORIZING AN INCREASE IN BOND PAYING AGENT FEES

9. Consideration was given to a resolution authorizing an increase in bond paying agent fees.

The City Manager read the resolution stating that the City has an August, 1971 agreement with Wachovia Bank and Trust Company, N.A. and Manufacturers Hanover Trust Company which calls for these banks to provide paying agent services for several City bond issues. The City has received notification that the fees for these services have been increased. This resolution will authorize the Director of Finance to sign a letter agreement setting fees for these services at \$.07 per coupon paid and \$1.00 per bond paid.

Upon motion of Vice-Mayor Price, seconded by Councilman Myers, Resolution No. 82-183 was unanimously adopted.

Complete text of Resolution No. 82-183 will be found in Resolution Book No. 13 at page 338.

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH SIX ASSOCIATES FOR ARCHITECTURAL AND ENGINEERING SERVICES FOR THE CITY'S PROPOSED VEHICLE MAINTENANCE FACILITY

10. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Six Associates, Inc. for architectural and engineering services for the City's proposed Vehicle Maintenance Facility.

The City Manager read the resolution stating that this resolution will authorize the City Manager to enter into an agreement with Six Associates for architectural and engineering services for a Vehicle Maintenance Facility consisting of a 90' x 240' pre-engineered building with attached office structure of approximately 1400 square feet, and associated site development.

Upon inquiry of Councilman Myers, the City Manager said the Six Associates contract is not to exceed \$24,960, with a total estimated cost of \$600,000 for completion of the Facility.

After discussion, Councilman Myers moved to table the resolution for two weeks giving Council members an opportunity to visit both Motor Transport Facilities to determine the feasibility of a new building. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 82-184 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONTRACT WITH SIX ASSOCIATES, INC. FOR CONSULTING SERVICES TO THE CITY OF ASHEVILLE

11. Consideration was given to a resolution authorizing the City Manager to enter into a contract with Six Associates, Inc. for consultant services to the City of Asheville.

The City Manager read the resolution stating that this contract with Six Associates, Inc., primarily with Mr. Dennie Martin, is basically an extension of an existing contract for consultant services for the Asheville Revitalization and Economic Development Commission for a one year period in the amount of \$15,000.

"That the Commissioners take no position to oppose the City tearing down those bleachers which are unsafe at Memorial Stadium."

The Board of Commissioners met again yesterday, September 22, 1982, and rescinded the above-mentioned action.

The Commissioners discussed at length various options which might be available to resolve any future problems which might arise, such as:

1. Delaying the demolition of the west stands at Memorial Stadium until a Joint City-County Meeting can be held. (Tentatively scheduled for October 12, 1982).
2. That the County Commissioners and the City Council agree to amend the Water Agreement to delete Memorial Stadium from those listed facilities over which the County would assume jurisdiction on July 1, 1984.
3. Whether or not a suitable solution can be provided (since Memorial Stadium is now the only existing Memorial to veterans who lost their lives in World Wars I and II.
4. During the negotiations in regard to the final solution for Memorial Stadium, further discussion will be necessary in regard to your memorandum dated 9/20/82 (re: funding of proposed major capital improvements for Memorial Stadium, if any, should the need arise.)

Because of recent developments in regard to the Asheville High School Stadium completion, and the questionable status of Memorial Stadium, I am furnishing this information for your consideration during the City Council Meeting this afternoon.

Warm personal regards,

She also presented a petition requesting that these employees be reinstated full time.

Ms. Clemintine Devine invited members of Council to a play at the Reid Memorial Center on September 23, 1982 at 7:00 p. m. The play is entitled "Old Ship of Zion."

After discussion, Mayor Trantham said Council would discuss the Senior Opportunity Center requests at next week's work session.

DISCUSSION RELATIVE TO REPAIRS TO PIANO AT CIVIC CENTER - COUNCILMAN McDEVITT

Councilman McDevitt said he had been contacted by several groups relative to the repairs needed to the piano at the Civic Center. He said it was his understanding that the Asheville Symphony and the Mini-Concerts raised one-half of the funds necessary for the repairs. He said the repairs would cost \$2,300 and he would recommend that one-half of the funds to repair the piano be taken from the Contingency Fund.

After discussion, it was the consensus of Council, to have the City Manager give a report on the repairs to the piano at next week's meeting.

APPROVAL OF WIND BANNERS IN THE LEXINGTON PARK AREA

The City Manager presented a request from the Lexington Park merchants to display twelve (12) wind banners in the Lexington Park Area for a promotional event from September 29, 1982 through October 4, 1982.

Councilwoman Frank moved to approve the request from the Lexington Park merchants to display the wind banners in the Lexington Park Area. This motion was seconded by Councilman Myers and carried unanimously.

COMMENTS BY REV. JAMES F. WILLS - RE: FILLING OF VACANCY OF COUNCILMEMBER

Rev. James F. Wills, of 315 College Street, asked members of Council why they were delaying filling the seat vacated by Rev. Wilkes on Council.

Mayor Trantham informed Rev. Wills that Council members were in the process of interviewing several candidates for the vacancy.

ADJOURNMENT

Upon motion of Councilwoman Frank, seconded by Councilman Myers, the meeting adjourned at 4:50 p.m.

MAYOR

CITY CLERK

The City Manager presented the affidavit of publication, setting the time and date of the public hearing.

Mr. Verl Emrick, Director of Planning, stated that the Asheville Planning and Zoning Commission considered a request from the City's Inspection Division (at a request by Mr. Cheadle), that consideration be given to amending Article 9, Sign Regulations of the Asheville Zoning Ordinance No. 322 as follows:

1. That Section 30-9-1. GENERAL REGULATIONS, Subsection A.
5. Permit Fees be amended to read:

- a. For signs costing \$0.00 through \$100.00, the minimum fee shall be 5% of certified cost, but not less than \$5.00.

- b. Add new paragraphs:

"Double Fee. Work performed without a permit shall be subject to a late fee equal in amount to the fees specified for the work in the table in Subsection 5. Said late fee shall not be construed as a penalty, but as a charge for additional administrative expense."

"When Fees Payable. Inspection fees shall be paid by the tenth of the month following the approval of the work by the Inspections Division. No further permits shall be issued after the tenth of the month unless previous permit fees are paid in full."

Mr. Emrick said that the Inspections Division's administrative costs could be covered with this fee schedule.

Vice-Mayor Price suggested that Mr. Cheadle be notified of this proposed amendment to see if he is satisfied with the changes prior to the second reading of this ordinance.

Mayor Trantham closed the public hearing at 4:25 p.m.

Corporate Counsel Moore read the ordinance.

Vice-Mayor Price moved for the adoption of Ordinance No. 1314. This motion was seconded by Councilman McDevitt.

On a roll call vote of 6-0, Ordinance No. 1314 passed on its first reading.

PUBLIC HEARING - REZONING PROPERTY AT 41 OAK PARK ROAD

4. A public hearing was held relative to rezoning property at 41 Oak Park Road from R-1 Single Family Residential District to R-2 Low Density Residential District.

Mayor Trantham opened the public hearing at 4:30 p.m.

The City Manager presented the affidavit of publication, setting the time and date of the public hearing.

Thursday, September 30, 1982 - 4:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwoman Mary Lloyd Frank; Councilmen Larry McDevitt, Joe Pless and Gordon Myers; Corporate Council William C. Moore; City Manager K. M. Michalove; Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 23, 1982, meeting.

The City Manager stated that due to a typographical error in Resolution No. 82-181, which read "American Vault Company" instead of "Asheville Vault Company," the minutes of the September 23, 1982, meeting would have to be amended.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the September 23, 1982, meeting were approved with the recommended amendment presented by the City Manager. This motion was carried unanimously.

SENIOR OPPORTUNITY CENTER - BUDGET CUTS

2. Councilman Myers moved to keep the position of Activity Specialist at Senior Opportunity Center and instructed the City Manager to find the budget cuts elsewhere in the Parks and Recreation Department other than the Senior Opportunity Center. This motion was seconded by Councilman Pless and carried on a 5-1 vote, with Councilman McDevitt voting "no."

Councilwoman Frank asked the City Manager to work with the Council on Aging for help with transportation and activities.

Vice-Mayor Price suggested that the Activity Specialist work at the other centers, in particular Reid Center, as time permits.

Mr. Fitzgerald, 40 Hollywood Street, thanked the Council for retaining the Activity Specialist at the Senior Opportunity Center.

PUBLIC HEARING - AMENDING ARTICLE 9, SIGN REGULATIONS OF THE ASHEVILLE ZONING ORDINANCE

ORDINANCE NO. 1314 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. A public hearing was held relative to amending Article 9, Sign Regulations of the Asheville Zoning Ordinance No. 322.

Mayor Trantham opened the public hearing at 4:18 p.m.

Riceville Road area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Mayor Trantham said that this ordinance was previously read on its first reading and would not be re-read unless there was a specific request to do so.

At the request of Vice-Mayor Price, Mr. Emrick addressed the water line situation for fire protection on Craig Circle in the proposed annexation.

Vice-Mayor Price moved to have the water Department and the Fire Department review this area and to see if additional fire protection could be brought to the Kanuth Road area through an extension of the 6" line and to add an additional fire hydrant. And, if that seems feasible, that that be included in the plans for extended services. This motion was seconded by Councilman McDevitt and carried unanimously.

An unidentified woman addressed the Council stating that they already had adequate fire protection service in the area.

On a roll call vote of 4-2, Ordinance No. 1305 passed on its third and final reading, with Councilmen Pless and Myers voting "no."

Councilman Myers said that "I believe that the annexation issues before us today are primarily an intent by the City to increase income as a means of balancing the budget. I feel that the act of balancing the budget for the City can be accomplished not only by increases in income but also decreases in expenditures. I feel that at this time that more effort should be placed on the streamlining of the cost of government in the City of Asheville and operating on a basis that would be more cost effective. The City is still involved in lengthy and costly litigation concerning the annexation in other areas of the county with no apparent end in site. During this time, we are incurring ever-increasing costs that we cannot afford. I believe that these issues should be settled prior to any new attempts at annexation which would leave the City open to additional litigation. We are also facing the vote in November concerning the consolidation of governments in Asheville and Buncombe County and I feel that this vote will have a major impact on the future of annexation in this county. I think that this issue is coming before the people and prior to any future annexation attempts, we should let the people speak. I vote no."

ORDINANCE NO. 1308 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE INTO THE ASCENSION DRIVE AREA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA

6. Consideration was given to the third and final reading of Ordinance No. 1308, an ordinance to extend the corporate limits of the City of Asheville into the Ascension Drive area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Mayor Trantham said that this ordinance was previously read on its first reading and would not be read unless there was a specific request to do so.

On a roll call vote of 4-2, Ordinance No. 1308 passed on its third and final reading, with Councilmen Pless and Myers voting "no."

Complete text of Ordinance No. 1308 will be found in Ordinance Book No. 9 at page 383.

Mr. Verl Emrick said that the Planning and Zoning Commission considered the petition of Mr. William Moore and Mr. John Abbott that Lot 116, Sheet 17, Ward 2, be rezoned from R-1 Single Family Residential District to R-2 Low Density Residential District. He said that the property is located at 41 Oak Park Road. He said that after the Commission's review, the voted to recommend to City Council that Ward 2, Sheet 17, Lot 116 and Lots 117, 113, 140, 114, 29 and 172 be rezoned from R-1 Single Family Residential District to R-2 Low Density Residential District. He said that all the lots are vacant except for 41 Oak Park Road.

Mr. Emrick read a letter from Mr. Rick Harper, Administrative Assistant in the Water & Sewer Services Department, which stated that if 41 Oak Park Road should be converted into a duplex, the existing facilities would be adequate for this type facility. He said that as far as the records of the Water & Sewer Services Department showed, they have not had any chronic problems in this particular area with low water pressure or sewer back-ups.

Mr. Emrick then read a letter from Powell N. Ball, Fire Chief, which stated that there is adequate fire protection in the area and that there would be sufficient off-street parking adjacent to 41 Oak Park Road if it were to be converted to a duplex.

In response to the question about the petition protesting the rezoning which Councilman Pless brought into the City Manager on 9/29/82, Mr. Emrick stated that any written protest must be received at least 48 hours before the public hearing (9/28/82).

Councilman McDevitt questioned whether this rezoning would be spot zoning.

Mr. Emrick said that it was the Commission's feeling that R-1 and R-2 are all residential zones. He said that R-4 is more intrusive to the area so as an alternative the Commission introduced the R-2 zone as a buffer through there.

Mr. Bill Moore, petitioner, stated that it was his opinion that the rezoning is appropriate and that the whole area was miszoned. He said that the couple now renting the house would like an option to buy it if they could turn it into a duplex.

Councilman Pless asked Mr. Moore if he had any knowledge of a letter that he received stating that a R-2 rating was going to be requested now and at a later date an R-4 rating so that dog kennels could be built. Mr. Moore stated that he did not have any knowledge of this at all.

Mrs. Charles Baumann, 16 Oak Park Road, stated that they currently have low water pressure problems and that there is a condominium planned on Furman Avenue which will seriously affect the already inadequate water and sewer services. She felt that the water pressure in the area was not adequate for fire protection.

Councilman McDevitt moved to continue this public hearing for one week without further advertisement giving the Corporate Counsel ample time to decide if this was or was not spot zoning. This motion was seconded by Councilwoman Frank and carried unanimously.

ORDINANCE NO. 1305 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE INTO THE RICEVILLE ROAD AREA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA

5. Consideration was given to the third and final reading of Ordinance No. 1305, an ordinance to extend the corporate limits of the City of Asheville into the

CITY OF ASHEVILLE
ORGANIZATIONAL CHART

Effective October 1, 1982

ORDINANCE NO. 1309 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE INTO THE JOHNSTON SCHOOL ROAD AREA UNDER THE AUTHORITY GRANTED BY PART 3, ARTICLE 4A, CHAPTER 160A OF THE GENERAL STATUTES OF NORTH CAROLINA

7. Consideration was given to the third and final reading of Ordinance No. 1309, an ordinance to extend the corporate limits of the City of Asheville into the Johnston School Road area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Mayor Trantham said that this ordinance was read on its first reading and would not be re-read unless there was a specific request to do so.

Councilwoman Frank said that she appreciated the problems that all the people have that live outside the city, as far as their property being annexed is concerned, but she feels that the City of Asheville has been hurt during the past 40 years or more by the Sullivan Agreement and the past 10 years by the moratorium on annexation and therefore she feels obligated to vote for this annexation.

Councilman McDevitt said that "... partially in response to Councilman Myers comments, I would say the reasons that he ascribes to, at least as far as it relates to me and my vote, are incorrect and I would have to reject them. However, I do agree that issues of this type could probably be better addressed with a consolidated form of government that's before us. . . I vote aye."

Mayor Trantham stated that if the City of Asheville wouldn't have annexed several years ago, it would still be a small town about the size of Marshall, NC.

On a roll call vote of 4-2, Ordinance No. 1309 passed on its third and final reading.

Complete text of Ordinance No. 1309 will be found in Ordinance Book No. 9 at page 386.

REORGANIZATION OF CITY FUNCTIONS

8. The City Manager presented the new organization chart (shown on the following page). He said that as a result of the budget that was adopted on 7-1-82, he needed to make certain changes in the organizational structure of the City so that the City could operate more efficiently on a day-to-day basis. He said the major moves in the reorganization include dissolving the Department of Administration, splitting the Parks and Recreation Department into three divisions and adding duties to and changing the name of the Employee Services Department to Management Services. He said a new function in the City will be a Word Processing Center. He said it will be a major move toward reducing clerical help in the individual departments and start centralizing that function. He then reviewed with the Council all departments and their divisions.

RESOLUTION NO. 82-188 - RESOLUTION ESTABLISHING AND DESIGNATING DEPARTMENTS OF THE CITY AS REQUIRED BY THE CITY CHARTER

Consideration was given to a resolution establishing and designating departments of the City as required by the City Charter.

The City Manager read the resolution naming the departments shown on the organizational chart.

Vice-Mayor Price moved for the adoption of Resolution No. 82-188. This motion was seconded by Councilwoman Frank and carried unanimously.

Councilman McDevitt moved for the adoption of Ordinance No. 1316. This motion was seconded by Councilman Pless.

On a roll call vote of 6-0, Ordinance No. 1316 passed on its first and final reading.

Complete text of Ordinance No. 1316 will be found in Ordinance Book No. 9 at page 397.

BIDS - BULK SODIUM CHLORIDE FOR SNOW AND ICE CONTROL

9. Consideration was given to bids received September 17, 1982, for the City's 1983 winter requirements.

The City Manager presented the bids stating that two bids were received. Recommendation of acceptance of the low bid in the amount of \$24,300, International Salt Company. He said that this year's low bid is an increase of 15.7% over last year's contract price with Diamond Crystal. He said the increase has occurred because of Diamond Crystal's loss of a major mine in Louisiana last year and a recent loss by flooding of one of Cargill, Inc.'s Louisiana mines. He said sufficient funding for this purchase of materials is available in the Public Works Department - Street Division appropriations.

Councilman Myers moved to accept the recommendation of awarding the bid to International Salt Company in the amount of \$24,300 as presented by the City Manager. This motion was seconded by Councilwoman Frank and carried unanimously.

BIDS - CORRUGATED STEEL PIPE

10. Consideration was given to bids received September 24, 1982, for corrugated steel pipe.

The City Manager presented the bids stating four bids were received to furnish the Public Works Street Division with corrugated steel pipe. Recommendation of acceptance of the low bid, submitted by Republic Steel Corporation in the amount of \$21,093.75. He said sufficient funds for this purchase is available in the Public Works Department - Street Division materials appropriations.

Councilwoman Frank moved to accept the recommendation of awarding the bid to Republic Steel Corporation in the amount of \$21,093.75 as presented by the City Manager. This motion was seconded by Councilman Myers and carried unanimously.

PUBLIC HEARING SCHEDULED - REVISIONS TO THE URBAN MASS TRANSPORTATION ACT CAPITAL GRANT FOR THE PROCUREMENT OF BUSES TO INCUR MAINTENANCE FACILITY RENOVATIONS AND SHOP EQUIPMENT

11. ORDINANCE NO. 1315 - BUDGET ORDINANCE AMENDMENT RELATIVE TO CITY REORGANIZATION

Consideration was given to a budget ordinance amendment relative to appropriating funds for a city reorganization.

The City Manager read the ordinance stating that this budget amendment moves the funds of the individuals affected with the reorganization to correspond with the new departments.

Councilman McDevitt stated that he would like something created in order that he might relate the funds to the departments.

Councilwoman Frank moved for the adoption of Ordinance No. 1315. This motion was seconded by Councilman McDevitt.

On a roll call vote of 6-0, Ordinance No. 1315 passed on its first and final reading.

Complete text of Ordinance No. 1315 will be found in Ordinance Book No. 9 at page 396.

ORDINANCE NO. 1316 - BUDGET ORDINANCE AMENDMENT RELATIVE TO LINE ITEM CUTS TO APPROPRIATE DEPARTMENTS

Consideration was given to a budget ordinance amendment relative to allocating line item cuts to appropriate departments.

The City Manager read the ordinance and the following list of line item reductions:

Council/Manager	\$ 7,435

REMINDER OF PUBLIC HEARING ON PL 94 142 RELATIVE TO EDUCATIONAL HANDICAPPED FUNDS

The City Manager reminded the Council of a public hearing that was going to be held later this evening at 7:00 p.m. at the Humanities Lecture Hall at UNC-A on PL 94 142.

PROPOSED TRANSPORTATION CENTER

The City Manager read the following letter dated September 2, 1982:

"My Company has evaluated the proposal contained in your letter of August 11, 1982.

The outline in your letter does not appear to be acceptable for the development of the proposed Transportation Center. Our concept of this type project is that the Transportation Center would be developed, owned and managed by the city as a public facility.

Trailways will not donate corporate owned land as suggested in your letter. My company would be willing to sell the property at a fair market value.

Trailways supports the concept of Transportation Centers. We are interested in a Transportation Center in Asheville should the project be restructured so that it is a city project as outlined above.

I trust that the city will progress with its planning in transportation, including a Transportation Center.

If I may be of assistance, please contact me.

Paul J. Tennant
Vice President - Real Estate
Trailways"

Mass Transportation Act for Fiscal Year 1982-83 for November 4, 1982. This motion was seconded by Councilman Myers and carried unanimously.

UTILITY COMPANY OBLIGATIONS

Councilman McDevitt asked if the City was working on the agreement with utility companies obligating them to put the streets back in their original condition or higher standards than they were before they were cut. Corporate Counsel Moore stated that the Director of Public Works is working with the utility companies on this.

AGENDA AMOUNTS

Councilman McDevitt suggested putting a cost figure in the margin of the agendas that is associated with every item in the agenda. The City Manager said that he would look into the matter.

VACANT CITY COUNCIL SEAT

After some discussion, Councilman Pless moved to take action on the vacant City Council seat on Thursday, October 14, 1982. This motion was seconded by Councilman Myers and carried unanimously.

PROCLAMATION - BILL HANCOCK DAY

Mayor Trantham proclaimed October 5, 1982, as "Bill Hancock Day."

SCHEDULING PUBLIC HEARING - HARRY LERNER APARTMENTS OFF NEW HAW CREEK ROAD

Councilwoman Frank moved to schedule a public hearing on the site plan of the "Harry Lerner Apartments" to be located off New Haw Creek Road for October 14, 1982. This motion was seconded by Councilman Myers and carried unanimously.

PROCLAMATION - OCTOBER - FIRE PREVENTION MONTH

Mayor Trantham proclaimed the month of October, 1982, as "Fire Prevention Month."

CLAIMS - ALICE FULLER (POLICE DEPARTMENT), WILLARD JARRETT (PUBLIC WORKS DEPARTMENT), DONNA SMITH (WATER & SEWER SERVICES DEPARTMENT)

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwoman Mary Lloyd Frank; Councilmen Larry McDevitt, Joe Pless and Gordon Myers; Corporate Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Joe Pless.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 30, 1982, meeting.

Councilwoman Frank asked that her statement relative to the Senior Opportunity Center be amended to read as follows: "Councilwoman Frank asked the City Manager to work with the Council on Aging for help with transportation and activities."

Councilman Myers asked that his motion relative to the position of Activity Specialist at the Senior Opportunity Center be amended as follows: "Councilman Myers moved to keep the position of Activity Specialist at the Senior Opportunity Center . . ."

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the September 30, 1982, meeting were approved as amended. This motion was carried unanimously.

RESOLUTION NO. 82-189 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO MAKE APPLICATION FOR A NORTH CAROLINA ARTS GRANT FOR THE QUALITY FORWARD SCULPTURE PROJECT

2. Consideration was given to a resolution authorizing the Director of Parks and Recreation to make application for a North Carolina Arts Grant for the Quality Forward Sculpture Project.

The City Manager read the resolution stating that Quality Forward has established a project to develop a sculpture for installation in the vicinity of Park Square, to become the property of the City of Asheville. He said the City of Asheville has consented to be the recipient of private, tax-deductible contributions for the development of this sculpture project. He said that grant funds are available to non-profit tax exempt agencies through the N. C. Arts Council for furthering the arts in Buncombe County. He said application for a Creative Projects Grant in the amount of \$5,000 for the Sculpture Project has been prepared and will be matched by a cash contribution of \$7,200 in private contributions from the Quality Forward Sculpture Project Fund. He said that the Council has visited the proposed sculpture site and has decided to locate the sculpture across from the Police/Fire Departments in the location that has been marked.

Mrs. Jean Webb, Director of Quality Forward, stated that on behalf of the Quality Forward Sculpture Committee, she would like to thank the City of Asheville for its support in this effort of the first public sculpture.

It was the Council's consensus to table this proposal based on Trailways response and the City staff's evaluation.

POSSIBLE CITY COUNCIL MEETING DAYS

Councilman McDevitt suggested a different meeting day of the City Council meetings. He asked that each Council member look at their schedule to determine what day, other than Thursday, would be a good meeting day.

RALPH BISHOP

Ralph Bishop spoke about Governor Hunt's trip to Asheville and also about lottery peddlers in the City.

JOHN HAYES

Mr. John Hayes stated that it was urgent that the Council fill the vacant City Council seat. He felt the inter-city needed a representative to address the needs of their community.

ADJOURNMENT

Councilwoman Frank moved to adjourn the meeting at 6:30 p.m. This motion was seconded by Councilman McDevitt and carried unanimously.

MAYOR

CITY CLERK

would get an agreement from one of the contractors stating that they would be willing to tear the house down for the materials. He said that they needed relief from the performance bond to complete the project. He stressed the point that the financing is already approved, but the loan is not closed because he does not have the Certificate of Occupancy. He stated that as soon as the loan is closed, the contractor will immediately start on the house again bringing it up to code.

Councilman Pless moved to continue the public hearing relative to the demolition of 22 Normandy Road for two weeks and if by that time the agreements and necessary documents have not been received by the Council, the house be torn down. This motion was seconded by Vice-Mayor Price and carried on a 5-1 vote, with Councilman McDevitt voting "no."

RESOLUTION NO. 82-195 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE SCHOOL BOARD

5. Consideration was given to a resolution appointing a member to the Asheville School Board.

This resolution will appoint Mrs. Elizabeth Simon as a member of the Asheville School Board to fill the unexpired term of Mrs. Linda Winner, term expiring April 1, 1985.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 82-195 was unanimously adopted.

Complete text of Resolution No. 82-195 will be found in Resolution Book No. 13 at page 352.

Mayor Trantham excused himself and turned the chair over to Vice-Mayor Price. (Time 5:00 p. m.)

CONTINUATION OF PUBLIC HEARING - REZONING PROPERTY AT 41 OAK PARK ROAD

6. A public hearing was continued relative to rezoning property at 41 Oak Park Road from R-1 Single Family Residential District to R-2 Low Density Residential District.

Vice-Mayor Price advised that this public hearing was continued from the September 30, 1982 meeting.

The City Manager read a letter from William C. Moore, Corporate Counsel, stating that rezoning of 41 Oak Park Road from R-1 Single Family Residential District to R-2 Low Density Residential District would, in his opinion, be tantamount to spot zoning.

The City Manager also read a letter from Verl Emrick, Director of Planning, stating that Mr. Moore, petitioner for the rezoning, wishes to withdraw his rezoning petition given the Corporate Counsel's opinion on spot zoning.

It was noted that no action would be necessary on this issue.

Ms. Betty Holden, Coordinator of the Quality Forward Sculpture fund, thanked Council for their vote of confidence and support of this Sculpture Project.

Mr. Ralph Bishop spoke against the Sculpture Project.

The City Manager and Mr. Dirck Cruser answered some concerns Councilmembers had relative to the Sculpture Project.

Councilman McDevitt stated that he would not be able to support this resolution because of the location. He feels it would be better if it were placed on a sidewalk area as was the original concept.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 82-189 was adopted on a 5-1 vote, with Councilman McDevitt voting "no."

Complete text of Resolution No. 82-189 will be found in Resolution Book No. 13 at page 344.

CONTINUATION OF A PUBLIC HEARING TO CONSIDER AN APPLICATION FOR AN INCREASE IN RATES BY THOMS BROADCASTING COMPANY, INC. FOR CABLEVISION SERVICE

3. Vice-Mayor Price moved to continue this public hearing without further advertisement until at which time Thoms Broadcasting Company, Inc. wishes it to be put back on the agenda. This motion was seconded by Councilwoman Frank and carried unanimously.

Due to the numerous times this public hearing has been continued, Councilman Pless requested that the next public hearing date set by Thoms, the Council actually have the public hearing.

22 NORMANDY ROAD

4. On September 23, 1982, this hearing was continued instructing attorneys and the owners of the house to work out an agreement allowing for a completion date for repairs, assuring that funds are available for repairs, posting a performance bond, signed agreement with contractor for repairs, move the debris to be cleaned up to a proper location, and any additional items assuring completion of the repairs.

Mr. Wesley Talman reviewed the problems he has been having relative to the loan closing, stating that he needed a Certificate of Occupancy before the loan could be closed and agreements drawn. He said that the only repairs needed at 20 Normandy Road were electrical and Burleson Electric Company has been contracted to make the repairs. As soon as Burleson Electric completes these repairs, a Certificate of Occupancy can be issued, the loan closed and all necessary agreements drawn.

Mr. Talman said that as of today Mr. Fleming, son-in-law of Mrs. Gage and an executive of Sutt Construction Company in Greenville, S.C., has been given the power of attorney and he has given Mr. Talman the authority to do all paperwork involved. Mr. Talman then showed Council a copy of the power of attorney and stated that he was tying the continuation of the power of attorney in Mr. Fleming to the agreement with the City.

Mr. Talman asked for relief of the \$4,000 performance bond which would pay for tearing the house down if they don't get it finished. He said that Stewart Construction Company and Sutt Construction Company said the house is renovated to a point now where the materials in the house would more than pay to tear the house down. He said that he

ORDINANCE NO. 1314 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Sign Regulations)

9. Consideration was given to the second reading of Ordinance No. 1314, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville" as amended relative to sign regulations.

Vice-Mayor Price stated this ordinance was previously read on first reading on September 30, 1982 and would not be re-read in its entirety unless there was a specific request to do so.

Upon inquiry of Vice-Mayor Price, Mr. Emrick said he had been unable to contact Mr. Dave Cheadle to see if he was satisfied with the changes. Mr. Emrick said he would continue to try and contact Mr. Cheadle prior to the third reading.

On a roll call vote of 4-1, Ordinance No. 1314 passed on second reading.

RESOLUTION NO. 82-192 - RESOLUTION AUTHORIZING THE MOTOR TRANSPORT SUPERINTENDENT TO DISPOSE OF PROPERTY BY PRIVATE SALE AT A NEGOTIATED PRICE

10. Consideration was given to a resolution authorizing the Motor Transport Superintendent to dispose of property by private sale at a negotiated prices.

The City Manager read the resolution stating that the Motor Transport Division of the City has approximately 150 used tires for which the City has no use. This resolution will authorize the Superintendent to dispose of the tires by private sale at a negotiated price.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 82-192 was unanimously adopted.

Complete text of Resolution No. 82-192 will be found in Resolution Book No. 13 at page 349.

11. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Southworth Construction Company for the project known as Alterations to Valley Street Maintenance Facility.

The City Manager read the resolution stating that bids were received September 29, 1982 for the construction of the Alterations to Valley Street Maintenance Facility. Two bids were received. Southworth Construction Company submitted the low bid in the amount of \$56,980. Six Associates and City Engineering Coordinator recommend acceptance of the low bid.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 82-193 was unanimously adopted.

Complete text of Resolution No. 82-193 will be found in Resolution Book No. 13 at page 350.

CONTINUATION OF PUBLIC HEARING - CLOSING OF AN UNNAMED ALLEY IN THE VICINITY OF
"BATTERY PARK HOTEL."

RESOLUTION NO. 82-190 - RESOLUTION CLOSING AN UNNAMED ALLEY IN THE VICINITY OF
BATTERY PARK HOTEL

7. A public hearing relative to the closing of an unnamed alley in the vicinity of Battery Park Hotel continued.

Vice-Mayor Price said this public hearing was continued from the September 23, 1982 meeting.

David Matney, attorney representing the petitioner, requested that the alley be closed. He said there are no objections to the closing of the alley

Vice-Mayor Price closed the public hearing at 5:06 p.m.

The Corporation Counsel read the resolution.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 82-190 was unanimously adopted.

Complete text of Resolution No. 82-190 will be found in Resolution Book No. 13 at page 345.

PUBLIC HEARING - TEMPORARY CLOSING OF A PORTION OF VANCE GAP ROAD

AS SHOWN ON TAX SHEET 25 AND 26, WARD 8, BUNCOMBE COUNTY TAX MAPS

8. A public hearing was held relative to the temporary closing of a portion of Vance Gap Road.

Vice-Mayor Price opened the public hearing at 5:08 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

It was noted that a request has been received from Mr. Leonard Burke to temporarily close a portion of Vance Gap Road from his driveway to its dead-end at the North Carolina Department of Transportation right-of-way line for I-240. This will authorize the temporary closing of a portion of Vance Gap Road with certain stipulations.

Vice-Mayor Price closed the public hearing at 5:10 p. m.

The City Manager read the resolution.

Upon motion of Councilman Myers, seconded by Councilwoman Frank, Resolution No. 82-191 was unanimously adopted.

Complete text of Resolution No. 82-191 will be found in Resolution Book No. 13 at page 347.

DEMOLITION OF WEST MEMORIAL STADIUM STANDS

The City Manager presented bids received to demolish the west stands at Memorial Stadium. He said Perry Alexander Construction Company is the low bidder in the amount of \$14,150.00.

Councilman Pless moved to accept the bid of Perry Alexander Construction Company in the amount of \$14,150.00 to demolish the west stands at Memorial Stadium. This motion was seconded by Councilwoman Frank and carried unanimously.

REPORT FROM DIRECTOR OF INSPECTIONS RELATIVE TO THE STATUS OF 55 CRESCENT STREET

12. Mr. J. E. Johnson said on September 23, 1982 Council adopted an ordinance directing the Housing Officer to demolish that dwelling house known as 55 Crescent Street. However, Council instructed that the demolition process be postponed for two weeks giving the Director of Inspections an opportunity to contact the owner of 55 Crescent Street to determine his intentions of repairing the dwelling. The Director of Inspections was instructed to give a report on the status of 55 Crescent Street on October 7, 1982.

Mr. Johnson reported that he had received a letter from the owners of 55 Crescent Street stating that they intend to sell the property. He said it was his understanding that Mr. Garner, who lives next door to 55 Crescent Street, is interested in purchasing the house. He said he has not been successful in reaching Mr. Garner to determine his intentions since Mr. Garner is on six months active service duty.

After discussion, Councilman McDevitt moved to extend the stay of the order to demolish 55 Crescent Street for two weeks and instructed the City Manager to contact the prospective purchaser to see if he is interested in purchasing the house. This motion was seconded by Councilwoman Frank and carried unanimously.

PROCLAMATION - OCTOBER 10 - 16, 1982 - NATIONAL SCHOOL LUNCH WEEK

Vice-Mayor Price proclaimed October 10 - 16, 1982 as "National School Lunch Week"

SCHEDULING OF PUBLIC HEARING - SITE PLAN OF RENOVATIONS TO THE GROVE PARK INN AND COUNTRY CLUB

Councilman McDevitt moved to schedule a public hearing relative to the site plan of the proposed expansion and renovation of the Grove Park Inn and Country Club located on Macon Avenue for October 14, 1982. This motion was seconded by Councilman Myers and carried unanimously.

SCHEDULING OF PUBLIC HEARING - AMENDING SIGN ORDINANCE RELATIVE TO TEMPORARY SIGNS

Councilman Pless moved to schedule a public hearing relative to amendments to the Sign Ordinance dealing with temporary signs for October 28, 1982. This motion was seconded by Councilwoman Frank and carried unanimously.

CLAIMS - ERNESTINE OWENS (PUBLIC WORKS) - EUGENE WEITZEL (WATER & SEWER) - JOHN M. WISE (WATER & SEWER) - WILHELMINA ORR (WATER & SEWER) - KATHERINE AARDEMA (WATER & SEWER) - KENNETH SMATHERS (WATER & SEWER)

The City Manager presented claims received from Ernestine Owens, Eugene Weitzel, John M. Wise, Wilhelmina Orr, Katherine Aardema, and Kenneth Smathers.

Vice-Mayor Price referred the claims to the Corporation Counsel for investigation and recommendation.

SELECTION OF THE SEVENTH MEMBER OF CITY COUNCIL

3. Mayor Trantham opened the floor for nominations for the seventh member of City Council to replace Rev. H. C. Wilkes who resigned in August, 1982.

Vice-Mayor Price nominated Rev. James F. Wills.

Councilman Pless nominated Mrs. Wilhelmina Bratton.

Councilman McDevitt moved that the nominations be closed and that a roll call vote be taken in alphabetical order. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 5-1, Mrs. Wilhelmina Bratton was selected as the seventh member of Council, with Vice-Mayor Price voting "no."

At this time Vice-Mayor Price requested that her vote be changed to an "aye" vote as a symbol of council unity.

City Clerk William F. Wolcott administered the oath of office to Mrs. Wilhelmina Bratton.

PUBLIC HEARING - DEMOLITION AND REMOVAL OF 230 CUMBERLAND AVENUE

4. A public hearing relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 230 Cumberland Avenue was held.

Mayor Trantham opened the public hearing at 4:35 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager read the ordinance directing the Housing Officer to proceed with the demolition and removal of 230 Cumberland Avenue.

J. E. Johnson, Director of Inspections, said he inspected the premises today and would recommend that Council proceed with the adoption of the ordinance.

A discussion was held between Mr. Johnson and Mr. William McCanless, owner of 230 Cumberland Avenue, relative to what needs to be done to the dwelling to bring it up to code standards.

Mr. McCanless contested comments made by Mr. Johnson, stating that all that was necessary to bring the house up to code standards is electrical work. He said Fairview Electric Company has the contract to do the work.

Upon inquiry of Councilman McDevitt, Mr. Johnson said the only thing that is strictly unsafe about the dwelling is the wiring.

After discussion, Councilman Pless moved to continue the public hearing for two weeks, without further advertisement. He instructed Mr. McCanless to have the premises cleaned up within two weeks and to bring in the written contracts with the contractors to bring the house up to code standard. This motion was seconded by Vice-Mayor Price and carried unanimously.

Thursday - October 14, 1982 - 4:00 p. m.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 7, 1982 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilman Pless, the minutes of the October 7, 1982 meeting were unanimously approved as submitted.

PRESENTATION BY POSTMASTER WILLIAM HOOVER RELATIVE TO DOG CONTROL PROBLEMS

2. Postmaster William Hoover appeared before Council asking assistance in enforcing the present city ordinance dealing with dog control. He said the mail carriers face a daily threat by uncontrolled dogs in the City. He said the existing problem of uncontrolled animals, on public and private property, is a potential danger to mail carriers, the general public, as well as other service organizations.

Mr. Hoover said the postal service position is that carriers will not deliver mail where their safety is threatened by a dog. He said on private property they will identify potentially dangerous animals, contact animal owners to solicit cooperation and use warning labels on mail receptacles. He said a red tag will indicate a dangerous animal and a yellow tag will indicate an area where the carriers think there is a danger. He said on public property the carriers will solicit cooperation from the local law enforcement officials. He said the customer's alternatives will be, on private property, to relocate their mail receptacle to the street, redirect mail to a different address or receive mail through a post office box or general delivery. He said on public property the neighborhood residents will be asked to contact local authorities and/or dog owners when there is a problem. He said the postal services alternatives will be, if the dogs are not controlled, to temporary or permanently withdraw mail service on private property and to temporarily withdraw mail service on public property until the problems are corrected.

Mr. Hoover asked Council's assistance in arranging a procedure with the Police Department and the animal control officer for a mutual satisfactory communication system in dealing with dangerous dogs on public property.

The City Manager advised that a procedure has been set up for this type of communication system with the postal service.

Vice-Mayor Price moved to excuse Councilman Pless from voting on the site plan of the proposed "Harry Lerner Apartments." This motion was seconded by Councilwoman Frank and carried unanimously.

After discussion, Vice-Mayor Price moved to approve the site plan of the "Harry Lerner Apartments" to be located off New Haw Creek Road contingent upon the conditions of the Planning and Zoning Commission. This motion was seconded by Councilman Myers and carried unanimously.

Vice-Mayor Price moved that the city staff investigate the sewer problems addressed during the public hearing, particularly those addressed by Mrs. Walsh. She also instructed that the entire area be investigated relative to sewer and drainage problems and that a written report be given to members of Council on the investigation. This motion was seconded by Councilman Pless and carried unanimously.

Mayor Trantham was excused from the meeting at 6:25. Vice-Mayor Price presided over the meeting.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED EXPANSION AND RENOVATION OF GROVE PARK INN

6. A public hearing was held relative to the site plan of the proposed expansion and renovation of the Grove Park Inn.

Vice-Mayor Price opened the public hearing at 6:25 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said due to several problems relative to adequate water supply for the development, he would recommend that Council continue the public hearing until November 4, 1982.

Councilwoman Bratton moved to continue the public hearing until November 4, 1982 without further advertisement. This motion was seconded by Councilman McDevitt and carried unanimously.

ORDINANCE NO. 1317- BUDGET ORDINANCE AMENDMENT TO REPROGRAM COMMUNITY DEVELOPMENT COMPLETED PROJECT AND COMMUNITY DEVELOPMENT REVENUES

7. Consideration was given to a budget ordinance amendment to reprogram Community Development completed project and Community Development revenues.

The City Manager read the ordinance stating that this budget amendment in the amount of \$12,176 will reprogram Community Development completed project and Community Development revenues. These funds will be used for the completion of Community Development projects and the remainder into Eighth Year Contingency. He said the amendment was approved by the Housing Authority/Community Development Liaison Committee. He said funds would be used for Consumer Credit Counseling, Administration, and Contingency costs.

Councilman Pless moved for the adoption of Ordinance No. 1317. This motion was seconded by Councilwoman Bratton.

On a roll call vote of 6-0, Ordinance No. 1317 passed on first and final reading.

Complete text of Ordinance No. 1317 will be found in Ordinance Book No. 9 at page 398.

PUBLIC HEARING - SITE PLAN OF "HARRY LERNER APARTMENTS" TO BE LOCATED OFF NEW HAW CREEK ROAD

5. A public hearing was held relative to a site plan of the "Harry Lerner Apartments" to be located off New Haw Creek Road.

Mayor Trantham opened the public hearing at 4:49 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission has recommended to the Council that the site plan of the "Harry Lerner Apartments" to be located off New Haw Creek Road, plan prepared by Ashley Engineering Company, be approved, subject to approval of the driveway permit from the N. C. Department of Transportation and compliance with the Erosion Control Ordinance.

Mr. Emrick said opposition to the apartments have been expressed by the adjoining property owners.

Attorney Paul Smith, adjoining property owner, representing himself and three other adjoining property owners, appeared before Council in opposition to the apartment complex. Mr. Smith cited drainage and sewer problems in the area as reasons for opposition. He said the additional complex would add to these existing problems.

Mr. Hugh Creasman said a comprehensive study on the existing and proposed drainage should be conducted prior to approval of the apartment complex. He said a review of the capacity of the existing sewer lines is also needed.

Mrs. M. C. Walsh, 168 New Haw Creek Road, spoke in opposition to the apartment complex stating that the residents in the area already have problems with sewer lines. She said the city crews have to clear the sewer lines on many occasions. She also said the traffic in the area is heavy and any additional units would add to that problem.

Attorney Dennis Winner, appearing on behalf of Mr. Harry Lerner, spoke in support of the approval of the apartment complex. He said this community needs additional housing and this complex would significantly add to the city's tax base.

Upon inquiry of Councilman Myers, Mr. Emrick said the Department of Water and Sewer Services advised that the water and sewer capacity in the area is adequate for the additional complex.

Mr. Harry Lerner, upon inquiry of Councilman McDevitt, addressed the existing problem of drainage. He said if there is presently a problem with the drainage system in the area his complex would not create additional problems.

Mr. Don Greene of Haw Creek Road spoke in opposition to the complex.

Mayor Trantham closed the public hearing at 6:10 p. m.

Councilman Pless requested to be excused from voting on the site plan due to a conflict of interest, stating that he owns property in the adjacent area.

RESOLUTION NO. 82-197 - RESOLUTION ENDORSING TAX INCREMENT FINANCING TO ENCOURAGE AND ASSIST DOWNTOWN REVITALIZATION AND DEVELOPMENT

11. Consideration was given to a resolution endorsing tax increment financing to encourage and assist downtown revitalization and development.

The City Manager read the resolution.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 82-197 was unanimously adopted.

Complete text of Resolution No. 82-197 will be found in Resolution Book No. 13 at page ~~353~~ 354

RESOLUTION NO. 82-198 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO ENTER INTO AN AGREEMENT WITH THE BUNCOMBE COUNTY COUNCIL ON AGING FOR TRANSPORTATION SERVICES FOR THE ELDERLY

12. Consideration was given to a resolution authorizing the Director of Parks and Recreation to enter into an agreement with the Buncombe County Council on Aging for transportation services for the elderly.

The City Manager read the resolution stating that the City of Asheville is currently engaged in providing transportation services to elderly residents to William C. Reid Memorial Recreation Center and to the Senior Opportunity Center for purposes of a hot meal and recreation programs daily. The Buncombe County Council on Aging has provided direct assistance through the Older Americans Act to provide assistance with transportation programs for the elderly within Buncombe County to various meal sites during the past year. The Buncombe County Council on Aging and the City of Asheville Parks and Recreation Department can best serve these transportation and recreation needs with a cooperative program.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 82-198 was unanimously adopted.

Complete text of Resolution No. 82-198 will be found in Resolution Book No. 13 at page ~~354~~ 355

Councilwoman Frank moved for the adoption of Ordinance No. 1318. This motion was seconded by Councilman McDevitt.

On a roll call vote of 6-0, Ordinance No. 1318 passed on first and final reading.

Complete text of Ordinance No. 1318 will be found in Ordinance Book No. 9 at page 399.

ORDINANCE NO. 1314 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (SIGN REGULATIONS)

9. Consideration was given to the third and final reading of Ordinance No. 1314, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended relative to sign regulations.

Vice-Mayor Price said the ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Director of Planning, said as instructed by Council, he contacted Mr. Dave Cheadle to see if he was satisfied with the wording of the ordinance and Mr. Cheadle indicated that he would be at the Council meeting to discuss the issue.

Due to Mr. Cheadle's absence from the meeting, Councilman Pless moved to table the third reading of Ordinance No. 1314 for one week giving Mr. Cheadle an opportunity to appear before Council. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 82-196 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HOBSON CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS CRAVEN STREET DRAINAGE IMPROVEMENTS

10. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Hobson Construction Company for the project known as Craven Street Drainage Improvements.

The City Manager read the resolution stating that bids were opened on October 7, 1982. Three (3) bids were submitted. Hobson Construction Company is the apparent low bidder for this contract in the amount of \$17,777.00. Recommendation of acceptance of low bidder.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 82-196 was unanimously adopted.

Complete text of Resolution No. 82-196 will be found in Resolution Book No. 13 at page ~~352~~.

PRESENTATION BY MIKE STEVENSON - ASHEVILLE AREA ADVOCATES FOR A NUCLEAR ARMS FREEZE

18. Mr. Mike Stevenson, of Kenilworth Road, said he was a member of the Asheville Area Advocates for a Nuclear Arms Freeze. He presented a written statement supporting a "freeze" on nuclear weapons development and deployment. He requested Council to attend a rally scheduled at City-County Plaza on Sunday, October 17 from 4:00 - 6:00 p. m. in recognition of Nuclear Freeze Week and to participate by adopting a resolution supporting the freeze on nuclear weapons.

SALE OF DISPOSAL PARCELS 57 A,B,C -100 -142 -171 -208 - EAST RIVERSIDE RENEWAL PROJECT

2. Consideration was given to a motion relative to the sale of disposal parcels in the East Riverside Renewal Project.

Before discussion relative to the sale of the disposal parcels, Councilman McDewitt requested that he be excused from voting on the sale of Parcel 57 A,B,C due to a conflict of interest, stating that his law firm represents one of the proposed developers of the parcel.

Vice-Mayor Price moved that Councilman McDewitt be excused from voting on the sale of disposal parcel 57 A,B,C. This motion was seconded by Councilman Pless and carried unanimously.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, said parcel 57 A,B,C, is located at the intersection of Asheland, Southside, and McDowell Street. He said the minimum price for the land was \$241,000 and a bid was received in the amount of \$275,000 from Ashland Center, a joint venture by W. R. Martin, Corp./American Service Corp. of South Carolina. He said the redevelopers proposed to construct a medical office building at a cost of \$2,500,000. He said the building will consist of three main buildings with approximately 57,000 square feet. He presented a proposed model of the medical office building.

Vice-Mayor Price moved to approve the sale of disposal parcel 57 A,B,C, as recommended by the Housing Authority, to Ashland Center. This motion was seconded by Councilwoman Frank which carried unanimously, with Councilman McDewitt being excused from voting.

Mr. Holt said the Housing Authority tentatively accepted the following bids for disposals in the East Riverside Renewal Project:

<u>Parcel</u>	<u>Reuse</u>	<u>Price</u>	<u>Bid</u>	<u>Redeveloper</u>
100	Residential	800	800	John A. Dusenbury
This parcel is located on Vernell Street. The redeveloper proposes to use the additional land for an existing residence.				
142	Residential	2,000	2,300	Vera B. Crenshaw
This parcel is located on Old Asheland Avenue. The redeveloper proposes to construct a single family residence under the Dollar-A-Lot Program at an estimated cost of \$41,000.				
171	Residential	1,700	1,800	Joseph & Charlene Dixon
This parcel is located on Congress Street. The redeveloper proposes to construct a single family residence under the Dollar-A-Lot Program at an estimated cost of \$35,000.				
208	Residential	2,700	3,003	Milton & Betty Pearson

This parcel is located on Hibernia Road. The redeveloper proposes to construct a single family residence under the Dollar-A-Lot Program at an estimated cost of \$33,000.

Mr. Holt noted that those redevelopers whose bid is higher than the minimum price will only receive a subsidy on the minimum price and not the total amount bid.

Councilman Pless moved to approve the sale of Disposal Parcels 100, 142, 171 and 208 as recommended by the Housing Authority. This motion was seconded by Councilman McDevitt and carried unanimously.

RECOGNITION OF DON TRANTHAM - "EMPLOYEE OF THE YEAR AWARD" BY AMERICAN PUBLIC WORKS ASSOCIATION

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 21, 1982 meeting.

Upon motion of Councilman McDevitt, seconded by Councilwoman Frank, the minutes of the October 21, 1982 meeting were unanimously approved as submitted.

PUBLIC HEARING - AMENDMENT TO ZONING ORDINANCE - RELATIVE TO TEMPORARY SIGNS

ORDINANCE NO. 1322 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing was held relative to amending the Zoning Ordinance being Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville," as amended relative to temporary signs.

Vice-Mayor Price opened the public hearing at 4:17 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held October 6, 1982, considered a proposed wording amendment to Asheville Zoning Ordinance No. 322 regarding temporary signs. After discussion, the Commission voted unanimously to recommend to City Council that Section 30-9-2. Use Regulations H. Temporary Signs. be amended by deleting subparagraph #2 and adding a new subparagraph #2 to read as follows:

- "2. Such sign shall not remain in place for more than thirty (30) consecutive calendar days during any ninety (90) day period. Following the expiration of said ninety (90) day period beginning with the date specified on the appropriate sign permit, subsequent temporary sign permits may be applied for and issued. The maximum number of temporary signs for shopping centers having leasable space of 150,000 square feet or more are regulated in Section 30-9-3 contained herein. Temporary signs shall be limited to two (2) within a given permit period. (Note: Permits for different businesses may be issued a different time during a given ninety (90) day period.)"

Mr. Emrick said this amendment may eliminate existing problems with business advertising. He said at the present there are problems with interpretation of the regulations.

APPROVAL OF BUTLER ASSOCIATES ENGINEERS AS CONSULTANTS FOR THE 24" TRANSMISSION LINE FROM BEE TREE TO NORTH FORK

The City Manager said several weeks ago the Asheville-Buncombe Water Authority met and moved to approve a contract with Butler Associates Engineers for consultants for a 24" transmission line from Bee Tree to North Fork Reservoir. He said pursuant to the Water Agreement the Chairman of the Water Authority has requested that the City Council approve the action of the Water Authority.

After a brief discussion, Vice-Mayor Price moved to accept Butler Associates Engineers as consultants for the 24" transmission line from Bee Tree to North Fork not to exceed a contract price of \$50,000. This motion was seconded by Councilman McDevitt and carried unanimously.

MIKE STEVENSON - ASHEVILLE AREA ADVOCATES FOR A NUCLEAR ARMS FREEZE

Mr. Mike Stevenson of 30 Kenilworth Road said he appeared before Council at last week's meeting requesting that Council adopt a resolution supporting a freeze on nuclear weapons. He requested that Council adopt such a resolution.

After discussion, Vice-Mayor Price suggested that the issue be placed on the City Council work session agenda for October 28, 1982 for further discussion.

REPORT RELATIVE TO SEWER AND DRAINAGE PROBLEMS IN HAW CREEK REQUESTED BY PAUL SMITH

Upon inquiry of Paul Smith, the City Manager advised that a report relative to sewer and drainage problems in the Haw Creek area is being prepared by the Water and Sewer Services. He said the report is being prepared pursuant to a motion made by Council on October 14, 1982 during the public hearing relative to the site plan of the "Harry Lerner Apartments" to be located in Haw Creek.

PRESENTATION BY DON CATHEY - SUGGESTIONS FOR REDEVELOPMENTS IN THE DOWNTOWN AREA

Mr. Don Cathey presented members of Council with a written statement and a drawing giving suggestions for a redevelopment plan for the Asheville Downtown Area.

Vice-Mayor Price advised Mr. Cathey that at the present time several consultants are being considered to develop a plan for the downtown area and his suggestions would be considered.

RALPH BISHOP - LOTTERY SALES IN ASHEVILLE

Mr. Ralph Bishop again appeared before Council relative to the lottery sales in Asheville.

ADJOURNMENT

Upon motion, the meeting adjourned at 5:10 p. m.

CITY CLERK

ORDINANCE NO. 1323 - BUDGET ORDINANCE AMENDMENT RELATIVE TO REPROGRAMMING
COMMUNITY DEVELOPMENT FUNDS TO ALLOW CLOSE-OUT OF PARKS PROJECTS

4. Consideration was given to a budget ordinance amendment relative to reprogramming Community Development Funds to allow close-out of Parks Projects.

The City Manager read the ordinance.

Councilwoman Stratton moved for the adoption of Ordinance No. 1323. This motion was seconded by Councilwoman Frank.

On a roll call vote of 5-0, Ordinance No. 1323 passed on first and final reading.

Complete text of Ordinance No. 1323 will be found in Ordinance Book No. 9 at page ~~400~~ 405

RESOLUTION NO. 82-202 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE
CITY OF ASHEVILLE A CONTRACT WITH APPLE TUCK AND ASSOCIATES, INC. FOR THE PROJECT KNOWN
AS BAKER DRIVE BRIDGE REPLACEMENT

5. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Apple Tuck and Associates, Inc. for the project known as Baker Drive Bridge Replacement.

The City Manager read the resolution stating that on Monday, October 18, 1982 bids were opened on the Baker Drive Bridge Replacement. Apple Tuck and Associates, Inc., Rutherfordton, North Carolina is the apparent low bidder for the contract in the amount of \$35,794.04. Recommendation of acceptance of the low bidder.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 82-202 was unanimously adopted.

Complete text of Resolution No. 82-202 will be found in Resolution Book No. 13 at page ~~358~~ 359

RESOLUTION NO. 82-203 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION
TO SEEK GRANT FUNDING FROM THE NORTH CAROLINA YOUTH ADVISORY COUNCIL FOR THE CONVENTION II
PROJECT OF THE ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL

6. Consideration was given to a resolution authorizing the Director of Parks and Recreation to seek grant funding from the North Carolina Youth Advisory Council for the Convention II Project of the Asheville-Buncombe County Youth Council.

The City Manager read the resolution stating that the Convention II is a Constitutional Convention of high school students from throughout the Nation which convenes annually in the Halls of the United States Congress to consider Amendments to the Constitution which the delegates propose in response to the challenges confronting America. Funds for Mini-Grants are available from the North Carolina Youth Advisory Council through the local Youth Council's affiliation with the State Youth Council. The requested grant monies of \$610.00 require no local matching funds. This resolution will authorize the Director of Parks and Recreation to apply for the grant monies.

Upon inquiry of Councilman Pless, Mr. Emrick said one (1) sign would be permitted on one (1) lot at a given time period. He said two (2) signs would be allowed on a lot for shopping centers with leasable space of over 150,000 square feet.

Councilman Pless said the amendment as proposed would create problems with an individual having one (1) lot but having several businesses on the same lot. He said all businesses may want a temporary sign.

After discussion, Mr. Emrick suggested that Council pass the ordinance on first reading and he would prepare an amendment prior to second reading to address Councilman Pless' concerns.

Ralph Bishop spoke in opposition to the proposed amendment stating that Council should not restrict businesses from advertising their products.

Vice-Mayor Price closed the public hearing at 4:38 p. m.

Mr. Emrick read the proposed ordinance.

Councilman McDevitt moved for the adoption of Ordinance No. 1322. This motion was seconded by Councilwoman Frank.

On a roll call vote of 5-0, Ordinance No. 1322 passed on first reading.

CONTINUATION OF PUBLIC HEARING - DEMOLITION AND REMOVAL OF 230 CUMBERLAND AVENUE

3. A public hearing relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 230 Cumberland Avenue continued.

J. E. Johnson, Director of Inspections, said he inspected 230 Cumberland Avenue on October 27, 1982 and found the yards to be clean and some work being done on the dwelling.

Mr. William McCanless, owner of 230 Cumberland Avenue, contended that he is still working on the house to bring it up to code standards.

Upon inquiry of Councilman McDevitt, Mr. Johnson said the house could be unsafe to human life due to the faulty wiring in the house.

After discussion, Councilman McDevitt moved to continue the public hearing for sixty (60) days, without further advertisement; provided the owner of 230 Cumberland Avenue consents to the Inspections Division having the electrical service pulled from the dwelling and the owner putting in a temporary construction line; and provided further that the owner of 230 Cumberland Avenue completes all necessary electrical work within sixty (60) days. Said electrical service line to be pulled from the dwelling on October 29, 1982 in the standard routine manner conducted by the Inspections Division. This motion was seconded by Councilman Pless and carried unanimously.

Mr. McCanless agreed to all provisions of the motion made by Councilman McDevitt.

8. The approximate cost to the City for labor and concrete replacement is \$700.

Once the sleeves are installed, it will provide a means for other holiday and special occasion banners to be used in the Village.

Mr. Robert Griffin requested Council's participation in the project proposed by the Biltmore Merchants Association.

Councilman Pless moved that the City "approve the concept" of using freestanding banners for Christmas decorations in Biltmore Village and to participate with the Biltmore Merchants Association as outlined by the City Manager. This motion was seconded by Councilwoman Bratton and carried unanimously.

REPORTS RELATIVE TO WATER AND SEWER PROBLEMS IN HAW CREEK AREA

The City Manager advised members of Council that he received reports from the Water and Sewer Department and the Public Works Department relative to problems addressed during the public hearing on the "Harry Lerner Project" in the Haw Creek area. He said he would summarize the reports and give Council a memorandum relative to the problems.

REQUEST OF BILTMORE MERCHANTS ASSOCIATION - PARTICIPATION BY THE CITY FOR THE USE OF FREESTANDING BANNERS FOR DECORATIONS IN BILTMORE VILLAGE

8. The City Manager said the Biltmore Merchants Association has requested that Council "approve the concept" of using freestanding banners for Christmas decorations in Biltmore Village during the Christmas Season. It is the feeling of the merchants that this type of Christmas decoration lends itself to the Biltmore Village Historic District than the typical street light decorations. The Public Works staff have conferred with Mr. Robert Griffin of the Biltmore Merchants Association and have agreed to the following terms:

1. Design (sleeve in concrete at 18" depth) has been approved.
2. The Merchants Association will provide all materials - banners, standards, inserts in concrete sleeve covers.
3. The City will furnish the labor and the concrete portions of the sidewalk to be replaced.
4. The Merchants Association will pay for the replacement of bricks in locations where there are brick sidewalks (primarily in front of Wachovia Bank).
5. A protective cover will be slipped over the sleeve when it is not in use in order to reduce the possibility of pedestrian accidents.
6. The locations of the banners will be determined by Mr. Griffin and the Public Works Department.
7. Every effort will be made to meet the time frame requested by the merchants - however, the work schedules of the Public Works Department and weather will have to be considered in the installation process.

Upon motion of Councilwoman Frank, seconded by Councilman Pless, Resolution No. 82-207 was unanimously adopted.

Complete text of Resolution No. 82-207 will be found in Resolution Book No. 13 at page ~~363~~ 364

Vice-Mayor Price referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - OBTAINING CITY RECORDS

Mr. Ralph Bishop spoke to Council about obtaining city records.

COUNCIL RECONVENED IN THE COUNCIL CONFERENCE ROOM

At this time Council took a brief recess and reconvened the meeting in the Council Conference Room.

RESOLUTION NO. 82-207 - RESOLUTION AMENDING RESOLUTION NO. 82-54, ADOPTED APRIL 1, 1982 KNOWN AS A "RESOLUTION ESTABLISHING THE CITY PERSONNEL ADVISORY COMMISSION"

Consideration was given to a resolution amending Resolution No. 82-54, adopted April 1, 1982, known as "Resolution establishing the City Personnel Advisory Commission" increasing the membership on the commission from five (5) to seven(7) members.

The City Manager read the resolution.

Mr. Emrick said the project would consist of eight (8) condominiums. He said the only access to the project will be off of Riverview Drive. He read a memorandum dated October 20, 1982 from the Water and Sewer Department stating that the sewer system in the area is more than adequate. He also read a memorandum from the Water and Sewer Department stating that no sewer problems have been reported since the new sewer line was installed.

Kenneth Pankow, Engineer for the Project, spoke in support of the proposed project. He said the Erosion Control system could easily be taken care of and the sewer lines in the area are in good condition.

The following individuals spoke in opposition to the proposed project. The concerns of the individuals were inadequate sanitary sewer and storm sewer system, inadequate streets to handle increased traffic and a poor location for the project:

Clinton Shelton, 69 Riverview Drive
George L. Bishop, 167 Euclid Blvd.
Fred R. Sprinkle, corner of Avon and Euclid Blvd.
Mary Lee Brown, 53 Riverview Drive
George Sprinkle
Ernest Sullivan, 38 Euclid Blvd.
Wayne Michael, Riverview Drive
Juanita Sprinkle, corner of Avon and Euclid Blvd.
Sally Bailey, Euclid Blvd.
Frank Lawson, 165 Riverview Drive
Robert Sams
Selma Cunningham
Frances Johnson, 101 Riverview Drive

Upon inquiry of Councilwoman Frank, Mr. Rector of the Water and Sewer Department, said a chemical could be put into the water to see if sewerage is leaking into the water.

Mr. Charles Rector of the Water and Sewer Department answered general questions from members of Council relative to the sewer problems cited by the residents. He said the Water and Sewer Department would check into the problems cited by the residents.

After discussion, Vice-Mayor Price moved to continue the public hearing for two weeks (November 18, 1982), without further advertisement, to allow the Water and Sewer Department to fully investigate the problems. This motion was seconded by Councilman Pless and carried unanimously.

Councilman Myers said he felt the concerns of the residents were not primarily in opposition to the proposed development but with the inadequacy of the sewer system. He said the sewer problems should have been addressed before now and not during a public hearing on a site plan. He requested a report on the sewer system in the Riverview Road area.

Thursday - November 4, 1982 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless, Larry McDevitt and Gordon Myers, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilwoman Frank introduced Rhonda Harrison who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 28, 1982 meeting.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, the minutes of the October 28, 1982 meeting were unanimously approved as submitted.

PUBLIC HEARING - SITE PLAN OF PROPOSED EXPANSION AND RENOVATION OF GROVE PARK INN

2. A public hearing relative to the site plan of the proposed expansion and renovation of the Grove Park Inn continued.

Mayor Trantham said this public hearing was continued from the October 14, 1982 meeting.

Verl Emrick, Director of Planning, said the owners of Grove Park Inn have requested that Council continue the public hearing until November 18, 1982 until engineering details can be worked out.

Vice-Mayor Price moved to continue the public hearing relative to Grove Park Inn, without further advertisement, until November 18, 1982. This motion was seconded by Councilman Pless and carried unanimously.

PUBLIC HEARING - SITE PLAN OF THE "OAK RIDGE VILLAS" TO BE LOCATED ON RIVERVIEW DRIVE

3. A public hearing was held relative to the site plan of the "Oak Ridge Villas" to be located on Riverview Drive.

Mayor Trantham opened the public hearing at 4:30 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held October 13, 1982 reviewed the site plan of the proposed Oak Ridge Villas to be located on Riverview Road. After discussion, the Commission voted to recommend approval subject to: 1) Compliance with the City of Asheville's Erosion Control Ordinance; 2) Assurance of adequacy of sewer line from the project.

Mrs. Augusta Young, 360 Kenilworth Road, representing the Kenilworth Residents Association, said she was pleased with Mr. Emrick's approach in preparing the ordinance by receiving input from the community. She said she felt it was important that adjoining property owners have input into what is proposed for their neighborhood and for that reason she would favor leaving Sections E(3) and G(4) left in the ordinance in some way.

Vice-Mayor Price agreed with Mrs. Young's concept but said leaving the sections in might pose a legal problem because it would give the citizens veto power.

After discussion, Vice-Mayor Price moved to continue the public hearing until Mr. Moore and Mr. Emrick could work on the language of the ordinance and a meeting is held with the Steering Committee to recommend new language for Sections E(3) and G(4). This motion was seconded by Councilwoman Frank and carried unanimously.

DISCUSSION RELATIVE TO JOHN HAYES, EMPLOYEE OF THE PARKS AND RECREATION DEPARTMENT

5. Mr. Carl Johnson, representing the Hillcrest Community, appealed to Council to rescind the decision of the City Manager to place John Hayes, Recreation Center Director at Hillcrest Apartments, on suspension, with pay, until December 13, 1982.

The following individuals spoke in support of John Hayes and the program in which he directs at Hillcrest:

Mr. Carl Johnson
Mr. A. C. Mitchell, 123 Mountain Street
Ms. Bertha Williams, 6F Hillcrest
Marie Edgerton, Hillcrest Apartments
Eric Ray, 194 Flint Street

Upon inquiry of Councilman McDevitt, the City Manager said since this does involve a Personnel matter, Council should use caution in releasing information on the employee without receiving authorization from the employee to release the information.

Councilman McDevitt said since the matter deals with personnel and the Council has no jurisdiction in personnel matters the matter should be dealt with through the personnel system.

Councilman Pless commented that the concerns of the people are important to Council and if there is a problem with John Hayes, the problem should be worked out by the City Manager and have Mr. Hayes work with these children at Hillcrest. He said in his opinion Mr. Hayes has helped relieve crime in the City by working with these children. He said the City Manager should work out the problems to the satisfaction of the citizens. He requested that the City Manager meet with these individuals tomorrow or no later than Monday, November 8, 1982 to work out the problems.

Councilman Myers said in his opinion the children in Hillcrest have confidence in John Hayes and he is the program at Hillcrest.

Councilwoman Bratton spoke in support of the Hillcrest Program.

PUBLIC HEARING - ZONING ORDINANCE AMENDMENT - CREATION OF NEW DISTRICT TO BE KNOWN AS "CONSERVATION OVERLAY FOR HISTORIC PROPERTIES"

4. A public hearing was held relative to a proposed wording amendment to the Asheville Zoning Ordinance which would create a new district to be known as the "Conservation Overlay for Historic Properties."

Mayor Trantham opened the public hearing at 5:47 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the proposed amendment is an attempt to encourage the most appropriate use of historic buildings in a manner consistent with public health and safety. He said the ordinance was prepared by a Steering Committee consisting of eleven (11) representatives of citizens groups throughout the community. He said the groups included the Kenilworth Residents Association, Historic Resources Commission, Asheville Revitalization Commission, Department of Archives and History, Grove Park Residents Association, Montford Historic Association, and the Downtown Commission.

Mr. Emrick said the Planning and Zoning Commission at a meeting held October 6, 1982 considered a proposed wording amendment to the Asheville Zoning Ordinance to create the Conservation Overlay for Historic Properties. After discussion, the Commission voted to recommend the proposed amendment to City Council with the deletion of paragraphs E. (3) (page 2) and G. (4) (page 4).

He said Conservation Overlays for Historic Properties shall only be permitted as a Conditional Use. He said the requirements for the Conditional Use permit is outlined in the proposed ordinance. He said the sections requested to be omitted by the Planning and Zoning Commission read as follows:

"E(3) Conditional Use - Residential Zone. In the event a commercial use is requested by a petitioner within a residential zone, then said request shall be accompanied by a letter of assent dated within 90 days of review from seventy-five percent (75%) of residential or institutional property owners located within 150 yards, excluding intervening streets, of the exterior property lines of the property in question."

"G(4) City Council shall also have the authority to hold a public hearing upon receipt of a petition of seventy-five percent (75%) of the property owners located within 150 yards, excluding intervening streets, of the exterior property lines in question for the purpose of hearing arguments relative to revocation of the conditional use permit."

Mr. Emrick read the proposed ordinance answering questions from members of Council. He said the "20% rule or 3/4 affirmative vote" of Council would apply with Sections E(3) and G(4) left in the ordinance.

Mr. William C. Moore, Corporation Counsel, said in his opinion, Sections E(3) and G(4) as written would be illegal.

Corporation Counsel Moore read the proposed ordinance to demolish 413 Fairview Road.

Attorney Wesley Talman said a foreclosure has been instituted by Clifford and Frances Dillingham on a Deed of Trust and therefore, the ordinance will be illegal without stating all parties of interest.

Mr. Johnson advised the Corporation Counsel that Clifford and Frances Dillingham was named in all proceedings with the Housing Division including the Complaint and Notice of Hearing and Findings of Fact and Order on file in the Division of Inspections and Demolitions.

Corporation Counsel Moore suggested that Council amend the ordinance to include the names of Clifford and Frances Dillingham and the Northwestern Bank.

The City Manager supported the recommendation of Mr. Johnson.

Mayor Trantham closed the public hearing at 7:13 p. m.

Vice-Mayor Price moved for the adoption of Ordinance No. 1324 amending the ordinance to include the names of Clifford and Frances Dillingham and the Northwestern Bank. This motion was seconded by Councilman McDevitt.

On a roll call vote of 7-0, Ordinance No. 1324 passed on first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1324. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1324 passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1324. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1324 passed on third and final reading.

Complete text of Ordinance No. 1324 will be found in Ordinance Book No. 9 at page 405-406.

PUBLIC HEARING - REVISIONS TO THE URBAN MASS TRANSPORTATION ACT CAPITAL GRANT

RESOLUTION NO. 82-209 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A CAPITAL GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

7. A public hearing was held relative to revisions to the Urban Mass Transportation Act Capital Grant for the procurement of buses to incur Maintenance Facility Renovations and Shop Equipment.

Mayor Trantham opened the public hearing at 7:15 p. m.

Mr. Johnson requested that several members of Council attend the meeting to be held by the City Manager in order that they may know what is going on.

Upon inquiry of Mayor Trantham, Mr. Moore, Corporation Counsel said for Council members to attend the meeting would be "irregular" and perhaps against the City Charter.

Upon inquiry of Councilman Pless, Mr. Moore said members of Council could attend the meeting if Mr. John Hayes did not have any objections.

Upon inquiry of Councilman Pless, Mr. Hayes, who was in attendance at the Council meeting, said he would have no objections to members of Council attending the meeting with the City Manager.

Vice-Mayor Price suggested that the City Attorney attend the meeting to be held by the City Manager.

At this time, Councilman McDevitt said any further discussion in the regular Council meeting could be illegal and the discussion should be held in Executive Session.

Councilman Pless moved that Council go into executive session to discuss the personnel matter. This motion was seconded by Councilwoman Bratton.

Vice-Mayor Price moved to amend Councilman Pless' motion to go into executive session after the regular agenda to discuss the personnel matter. This motion was seconded by Councilman McDevitt and carried on a voice vote of 6-1, with Councilman Pless voting "no."

PUBLIC HEARING - DEMOLITION AND REMOVAL OF OAKLEY APARTMENTS AT 413 FAIRVIEW ROAD

ORDINANCE NO. 1324 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE APARTMENT HOUSE KNOWN AS THE OAKLEY APARTMENTS

6. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of the Oakley Apartments at 413 Fairview Road.

Mayor Trantham opened the public hearing at 7:00 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Director of Inspections, said the Oakley Apartments at 413 Fairview Road have been found to be unfit for human habitation, unsafe, and dangerous to life. He said on November 1, 1982 approximately ninety (90) percent of the structure was completely destroyed by fire and the remaining portions exists in a weakened and highly stressed condition, and is in danger of falling. He recommended that Council adopt the ordinance to demolish and pass the ordinance on three (3) readings at today's meeting due to the existing hazards.

CONTINUATION OF PUBLIC HEARING - DEMOLITION OF DWELLING HOUSE KNOWN AS 22 NORMANDY ROAD

9. A public hearing relative to further action on Ordinance No. 1183, an ordinance directing the Housing Officer to demolish the dwelling house known as 22 Normandy Road continued.

Mayor Trantham said the public hearing was continued from the October 21, 1982 meeting.

Corporation Counsel Moore said, Attorney Wesley Talman, representing the owners of 22 Normandy Road, has given the City all the necessary documents for the rehabilitation of 22 Normandy Road including the agreement between the City and the owners, power of attorney documents, liability release, escrow agreement, and a contract with a contractor to repair the dwelling.

Councilwoman Frank moved to continue the stay of Ordinance No. 1183 until February 1, 1983 and that the Director of Inspections give Council a status report after February 1, 1983. This motion was seconded by Vice-Mayor Price and carried unanimously.

ORDINANCE NO. 1322 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Temporary Signs)

10. Consideration was given to the second reading of Ordinance No. 1322, an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville" as amended relative to temporary signs.

Mayor Trantham said this ordinance was previously read on first reading and would not be reread unless there was a specific request to do so.

Verl Emrick, Director of Planning, requested that the second reading of Ordinance No. 1322 be tabled until November 11, 1982.

Vice-Mayor Price moved to table the second reading of Ordinance No. 1322 until November 11, 1982. This motion was seconded by Councilman McDevitt and carried unanimously.

RESOLUTION NO. 82-211 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PAVING ENTERPRISES, INC. FOR THE PROJECT KNOWN AS BILTMORE AVENUE/EAGLE STREET PARKING LOT IMPROVEMENTS

11. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Paving Enterprises, Inc. for the project known as Biltmore Avenue/Eagle Street Parking Lot Improvements.

The City Manager read the resolution stating that on October 27, 1982 bids were opened on the Biltmore Avenue/Eagle Street Parking Lot Improvements. Paving Enterprises, Inc. is the apparent low bidder for the contract in the amount of \$12,736.00. Recommendation of acceptance of low bidder.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Bratton, Resolution No. 82-211 was unanimously adopted.

Complete text of Resolution No. 82-211 will be found in Resolution Book No. 13 at page 369.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carl Owenby, of the Planning Department, said this capital grant included ten (10) buses, spare engine, spare transmission and bus stop signs. He said the buses were purchased well below the allocation and therefore there are funds remaining in the grant. He said the city's remaining share is \$7,700. He said these funds will be reallocated in the Transit Authority's budget.

After discussion, Mayor Trantham closed the public hearing at 7:20 p. m.

Verl Emrick, Director of Planning, read the resolution.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 82-209 was unanimously adopted.

Complete text of Resolution No. 82-209 will be found in Resolution Book No. 13 at page ~~365-366~~ **366-367**

APPOINTMENT OF ACTING CHAIRMAN TO THE CITY PERSONNEL ADVISORY COMMISSION

Councilman Myers moved that Gary Dodd be designated as Acting Chairman of the City Personnel Advisory Commission and that the Commission resume their activities as soon as possible. This motion was seconded by Vice-Mayor Price and carried unanimously.

PUBLIC HEARING SCHEDULED - SITE PLAN OF THE PROPOSED "TIMBERS" CONDOMINIUMS TO BE LOCATED ON BEAVERDAM ROAD

At the request of Verl Emrick, Planning Director, Vice-Mayor Price moved to schedule a public hearing relative to the site plan of the proposed "Timbers" Condominiums to be located on Beaverdam Road for November 11, 1982. This motion was seconded by Councilman Myers and carried unanimously.

CLAIMS - LEVON SMITH (WATER AND SEWER) - WM. J. MEYER (WATER AND SEWER) - BARNEY WOODSON (WATER AND SEWER)

LAWSUITS REPORT - CURTIS R. SCOTT (Trespass/Sewer Line)

The City Manager presented claims received from Levon Smith, Wm. J. Meyer, and Barney Woodson.

The city was served with a summon in connection with a lawsuit filed by Curtis R. Scott, nature of suit being trespass/sewer line.

Mayor Trantham referred the claims and lawsuit report to the Corporation Counsel for investigation and recommendation.

REPORT ON CONTRACT WITH DEPARTMENT OF ENERGY FOR INSPECTION OF THERMOSTATS

The City Manager, upon inquiry of Ralph Bishop during the October 28, 1982 meeting, presented documents whereby the City entered into a contract with the N. C. Department of Energy for inspection of thermostats during 1981. He said the City inspected 25 buildings and received \$20 per inspections. He said the check was received from the state and deposited in the general fund.

Verl Emrick, Planning Director, said the Developers have requested that the public hearing be continued until several design problems are worked out.

Councilman Myers moved to continue the public hearing, without further advertisement, until such time as the developers of the project wish to bring it back before Council. This motion was seconded by Councilwoman Bratton and carried unanimously.

ORDINANCE NO. 1322 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Temporary Signs)

4. Consideration was given to the second reading of Ordinance No. 1322, an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville," as amended relative to temporary signs.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Director of Planning, said as requested by Council during the first reading of the ordinance, the following amendment to the ordinance is suggested:

- "2. Such signs shall not remain in place for more than thirty (30) consecutive calendar days during any ninety (90) day period. Following the expiration of said ninety (90) day period beginning with the date specified on the appropriate sign permit, subsequent temporary sign permits may be applied for and issued.
 - a) The maximum number of temporary signs for a lot of record having more than one business or use located on said lot shall be limited to one sign per business, but shall not exceed three signs per lot within a given permit period.
 - b) The maximum number of temporary signs for shopping centers having leasable space of 150,000 square feet shall be limited to two (2) within a given permit period.
(Note: Permits for different businesses shall be issued in the name of the specific business wishing to conduct the advertising).
 - c) Permits for different businesses may be issued at different times during a given ninety (90) day period."

Mr. Emrick said this amendment basically would allow three (3) signs per lot instead of one (1) when a lot contains more than one business.

Vice-Mayor Price moved to amend Ordinance No. 1322 as suggested by Mr. Emrick. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1322, as amended, passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1322, as amended. This motion was seconded by Councilman Pless and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1322, as amended passed on third and final reading.

RESOLUTION NO. 82-214 - RESOLUTION AUTHORIZING THE ADVERTISEMENT FOR BIDS FOR REFUSE COLLECTION SERVICE

5. Consideration was given to a resolution authorizing the advertisement for bids for refuse collection service.

The City Manager read the resolution stating that the City Council of the City of Asheville is considering contracting for refuse collection service. Bid documents and specifications have been developed for contracting refuse collection service city wide as well as a pilot area of the City. This resolution will authorize the Director of Purchasing to advertise for sealed bids for the refuse collection service for the City on a city wide basis as well as for refuse collection service in Sanitation Area Number 2 as a pilot area.

It was noted that this resolution will only be seeking bids and does not necessarily mean that the City will be authorizing the bids, but only a method of seeing what such a service would cost the city.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 82-214 was unanimously adopted.

7. Consideration was given to a resolution proposing to make certain improvements under the Federal-Aid Highway Bridge Replacement and Rehabilitation Program consisting of the replacement or rehabilitation of the reinforced concrete structure on Gashes Creek Road over the Swannanoa River under Project 8.2840201 (B-827).

Councilman Pless said in his opinion the Glen Falls Road Bridge should be opened.

After a brief discussion, Councilman Myers moved that Council go into executive session, after the regular agenda, to discuss the Glen Falls Road bridge matter. This motion was seconded by Councilwoman Bratton and carried unanimously.

RESOLUTION NO. 82-218 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PAVING ENTERPRISES, INC. FOR THE PROJECT KNOWN AS GRANBY STREET IMPROVEMENT PROJECT

11. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Paving Enterprises, Inc. for the project known as Granby Street Improvement Project.

The City Manager read the resolution stating that bids were opened on November 8, 1982 for the Granby Street Improvement Project. Paving Enterprises, Inc. of Arden, North Carolina is the apparent low bidder for this contract in the amount of \$10,189.38. Recommendation of acceptance of low bidder.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 82-218 was unanimously adopted.

APPROVAL OF BANNER FOR "A CHILDREN'S CHRISTMAS CARD TO ASHEVILLE"

12. The City Manager presented a request for Council to approve the hanging of "A Children's Christmas Card to Asheville" on the Haywood Street and Battery Park Avenue exposures of the Ivey Building in downtown Asheville from December 1-28, 1982.

Councilman McDevitt moved to approve the banner to be placed on the Ivey Building from December 1-28, 1982. This motion was seconded by Vice-Mayor Price and carried unanimously.

CLAIMS - JOHN WARD, JR. (PARKS AND RECREATION) - DONALD MYLIN (WATER AND SEWER) - HATTIE MILLER (WATER AND SEWER) - JOHN SEWARD (POLICE) - BRIAN FARR (WATER AND SEWER) - JAMES WOODY (WATER AND SEWER) - THOMAS PATELIDAS (WATER AND SEWER)

LAWSUITS - DAVID C. HENSLEY ET AL - DEPRIVATION OF CIVIL RIGHTS

The City Manager presented claims received from John Ward, Jr., Donald Mylin, Hattie Miller, John Seward, Brian Farr, James Woody, and Thomas Patelidas. He said the city was served with a summons in connection with a lawsuit filed by David C. Hensley et al, nature of suit being deprivation of civil rights.

Mayor Trantham referred the claims and lawsuit to the Corporation Counsel for investigation and recommendation.

DISCUSSION RELATIVE TO THE RECENT CLOSING OF GLEN FALLS ROAD BRIDGE

A discussion was held relative to the recent closing of Glen Falls Road Bridge by the Lakeview Park Commission.

Upon inquiry of Councilman McDevitt, the City Manager said the City is attempting to get the state to review the Glen Falls Road Bridge to determine if funding is available to repair the bridge under the Bridge Program. He said a decision by the state should be received after December. He said the Lakeview Park Commission received a report stating that the bridge is in danger and due to a contention of ownership between the City and the Lakeview Park Commission, the Commission closed the bridge.

Several residents in the Glen Falls Road Bridge area voiced the following concerns relative to the closing of the bridge:

1. If the bridge is closed for any length of time some improvements should be made in the method of closing the bridge. The barricades presently being used are dangerous and larger signs are needed to notify traffic that the bridge is closed.
2. Pedestrians should be allowed to use the bridge.
3. City should conduct a comprehensive review of easements "vested" to the City of Asheville for the road.
4. Closing of bridge prohibits an easy access for residents into Merrimon Avenue. The use of Lakeshore Drive as an access is dangerous and the road is narrow.
5. Private bridges should not be located on a public thoroughfare.
6. It was felt the bridge is not in a deteriorated condition.
7. Lakeview Park Commission does not have funds to repair the bridge, therefore the City must repair it.
8. If ownership of the bridge was a question, how did the Lakeview Park Commission have the authority to close it.

At the request of Mayor Trantham, the residents present at the meeting presented to the City Clerk their names and addresses in order that they could be notified when City Council considers the bridge issue at another meeting.

Upon inquiry of Councilman Pless, Mr. Clark Brown, Director of Public Works, said Glen Falls Road is included on the State Powell Bill Report. Mr. Pless said if the city is reporting this road on the Powell Bill report then the City would be legally responsible for the road maintenance, being that the City can not report private roads on the report.

Councilman McDevitt said the City is investigating the problem, the bridge, its condition and the circumstances to see if the City can help solve the problem of Glen Falls Road Bridge.

Upon inquiry of Mayor Trantham, Victor Buchanan, Acting Corporation Counsel said the City is presently looking into the legality of the City opening the bridge even though the Lakeview Park Commission closed the bridge.

Vice-Mayor Price noted that the last report from the state indicated that the bridge was safe up to four tons.

Councilman McDevitt requested that the Corporation Counsel submit a legal report to Council relative to the Glen Falls Road Bridge matter as soon as possible but no later than November 17, 1982.

RESOLUTION NO. 82-221 - RESOLUTION APPOINTING MEMBER TO THE CITY OF ASHEVILLE BOARD OF ALCOHOLIC CONTROL (Mrs. Celeste L. Loftin)

Consideration was given to a resolution reappointing Mrs. Celeste L. Loftin a member of the City of Asheville Board of Alcoholic Control.

Upon motion of Councilman Pless, seconded by Vice-Mayor Price, Resolution No. 82-221 was unanimously adopted.

RESOLUTION NO. 82-219 - RESOLUTION REQUESTING AN AMENDMENT TO G. S. 105-380 (TAXES)

Consideration was given to a resolution requesting an amendment to G. S. 105-380 requiring that any collection of taxes after January 6, 1983 be subject to interest and penalty.

The City Manager read the resolution stating that the amendment would state that there shall be no interest or penalty charged to any taxpayer until 90 days after the mailing of the tax bill.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 82-219 was unanimously adopted.

Complete text of Resolution No. 82-219 will be found in Resolution Book No. 13 at page 377.

JOE CRAWFORD - DISCUSSION RELATIVE TO CLOSING OF CLAXTON AND WILLIAM RANDOLPH SCHOOLS

Mr. Joe Crawford, of 123 Charlotte Street asked Council members to do what ever they could to help keep Claxton and William Randolph Schools open. He said he had heard that the Asheville City Board of Education is considering closing the schools.

Councilwoman Bratton informed Mr. Crawford that the Council did not have jurisdiction over the Board's decision, however Council could express their opinion relative to the closing of the schools.

RALPH BISHOP - COMMENTS RELATIVE TO POLICE DEPARTMENT

Ralph Bishop commented to Council relative to "cleaning up" the Police Department, particularly referring to lottery sales in Asheville.

COUNCIL - EXECUTIVE SESSION

Council took a brief recess and went into Executive Session in the City Council Conference Room to discuss the recent closing of Glen Falls Road Bridge.

RESOLUTION NO. 82-220 - RESOLUTION APPOINTING MEMBER TO THE PLANNING AND ZONING COMMISSION FOR THE CITY OF ASHEVILLE (Sonya Friedrich)

Consideration was given to a resolution appointing Ms. Sonya Friedrich as a member of the Planning and Zoning Commission.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 82-220 was adopted on a voice vote of 5-2, with Councilman Pless and Councilman Myers voting "no."

Complete text of Resolution No. 82-220 will be found in Resolution Book No. 13 at page 379

139 gallons per minute, or 190,000 gallons per day. The new sewer will adequately carry a flow of 1,111 gallons per minutes, or 1,599,840 gallons per day. Estimated maximum discharge from the Oak Ridge Villa Project is 3.5 gallons per minute, or 50,400 gallons per day. This total, added to existing flow would give a total daily flow of 240,000 gallons. We feel that this maximum daily flow is well within the capacity of this eight inch sewer main.

- 2) Sewer Grade (Fall) - Ranges from 1% to 10% - with an average of 5%. Total fall of this new main is 74 feet over a total footage of 1,577 feet. We feel that this is more than adequate.
- 3) There are no apparent leaks from the new sewer, determined by sampling and testing of any surface water found along the course of the new sewer. Samples contained no chlorine residual, and less than .01 PPM fluoride. City water is maintained at a fluoride level of 1 PPM. Raw or natural ground water contains .01 PPM or less. It is our conclusion that any standing water in this area is surface, or runoff water.
- 4) By the use of laser beam and mirrors, we have determined that there are no obstructions between manholes, and the line runs straight and true between manholes.
- 5) From field survey, using survey instruments, we have determined that there is adequate fall between manholes.
- 6) From dye test, we have determined that all services are tied in to the new main.

Mr. Rector said that based on the above findings, the Water and Sewer Services Department would recommend that the sewer service in this area is adequate to provide services to the proposed project.

When questioned by Mayor Trantham about the probable cause of the problems in the area, Mr. Rector stated that there is a drainage problem in the area that is caused by a silt problem in the creek. He said that over the years, the creek has silted up and spread out over the hollow. He recommended digging the creek out a little, straightening the course and hopefully that would take care of the drainage problems.

In reply to the complaint relative to the banks caving off on Avon, Mr. Rector stated that the Maintenance Division is making arrangements to get dirt to take care of that problem.

In reply to the complaint relative to odor from manholes, Mr. Rector said that the odor is from a clean-out near the complainant's house. Mr. Rector said that in July, 1982, the Sewer Maintenance Division did move the clean-out out to the edge of the street, but the only solution to the problem would be to replace the service line and that would be at the property owner's expense.

Mr. Fred Sprinkle stated that he did a housing count of the number of plumbing units to be served by the sewer line versus the number allowed by the State Plumbing Code. He determined that the number of units exceed the State's

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price; Councilwomen Mary Lloyd Frank, Wilhelmina Bratton; Councilmen Joe Pless, Larry McDevitt; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gordon Myers

INVOCATION

The invocation was given by Councilwoman Wilhelmina Bratton.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 11, 1982, meeting.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, the minutes of the November 11, 1982, were unanimously approved as submitted.

CONTINUATION OF A PUBLIC HEARING - SITE PLAN OF THE PROPOSED EXPANSION AND RENOVATION OF GROVE PARK INN

2. Continuation of a public hearing relative to the site plan of the proposed expansion and renovation of the Grove Park Inn.

Vice-Mayor Price moved to continue the public hearing relative to the Grove Park Inn, without further advertisement, until December 2, 1982. This motion was seconded by Councilman Pless and carried unanimously.

CONTINUATION OF A PUBLIC HEARING - SITE PLAN OF THE "OAK RIDGE VILLAS" TO BE LOCATED ON RIVERVIEW DRIVE

3. Continuation of a public hearing relative to the site plan of the "Oak Ridge Villas" to be located on Riverview Drive.

Mrs. Sonya Luckadoo, Planning Technician, briefly summarized the public hearing on November 4, 1982, relative to this site plan. She stated that the public hearing was continued in order to give the Water & Sewer Services Department ample time to investigate the complaints and problems the Council heard at the November 4 meeting. She said that the report was recently given to Council.

Councilman Pless moved to continue this public hearing, without further advertisement, until December 2, 1982, in order to give Council ample time to review the report. This motion was seconded by Councilwoman Frank.

Mr. Charles Rector, Assistant Director of the Water & Sewer Services Department, summarized the report by stating that his department has done an extensive field survey of the sewer situation and has found the following:

- 1) Sewer Flow - We measured existing flow between 7:00 a.m. and 7:00 p.m. and found the sewer to be flowing at the rate of

Councilman Pless moved to instruct the Director of Inspections to proceed with the demolition order to demolish 55 Crescent Street. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 82-222 - RESOLUTION AUTHORIZING FILING OF AN APPLICATION WITH THE NORTH CAROLINA LOCAL GOVERNMENT COMMISSION RELATING TO A PROPOSED GENERAL OBLIGATION BOND ISSUE AND DESIGNATING THE AUTHORIZED REPRESENTATIVE OF THE CITY TO FILE THE APPLICATION AND TO EMPLOY BOND COUNSEL

5. Consideration was given to a resolution authorizing filing of an application with the North Carolina Local Government Commission relating to a proposed general obligation bond issue and designating the authorized representative of the City to file the application and to employ bond counsel.

The City Manager read the resolution stating that the City of Asheville intends to apply to the Local Government Commission for approval to sell Public Building Bonds in the amount of \$885,000 for the purpose of reworking the Heating and Air Conditioning Systems to the City Hall Building and Municipal Building, making roof repairs to the City Hall Building, Municipal Building and Civic Center, provide for automation of two City Hall elevators and provide partial funding for the purchase of ten new buses.

Councilwoman Frank moved for the adoption of Resolution No. 82-222. This motion was seconded by Councilwoman Bratton.

Councilman McDevitt said it was his feeling that the bond attorney's fees in New York are too high for the services rendered. He said that an agreement was secured so that North Carolina attorneys could serve as bond counsel for the issuance of industrial revenue bonds, which means that the money paid for these fees stay in state and the work is just as good at reduced cost. He said that he has been in touch with a well known North Carolina law firm that has the capability to perform these functions and based on his experience, he would like very much to see the City work with North Carolina attorneys to do this. Therefore, Councilman McDevitt suggested the following amendment to the resolution (amendment underlined):

"That Larry A. Fisher, . . . and to employ North Carolina bond counsel in connection therewith subject to approval of the City Council; and"

Councilman McDevitt then stated that he would work with the City Manager and Director of Finance to see what conditions the North Carolina attorneys would require in an attempt to employ same as bond counsel. He offered the above amendment with the understanding that if the City Manager, Director of Finance and he can come back and report to the Council on Wednesday, November 24, 1982, that they have been able to make arrangements with the North Carolina firm to handle our bonds, that the Council go ahead and approve that firm as bond counsel for this bond issue.

In response to Councilwoman Frank's inquiry relative to the amount of time the Local Government Commission takes to act on the filing of an application, Councilman McDevitt amended his motion to read as follows (amendment underlined):

"That Larry A. Fisher, . . . and to employ bond counsel in connection therewith subject to approval of the City Council and instruct Mr. Fisher to attempt to retain North Carolina counsel to serve as bond counsel; and"

code by approximately 520 units (State Code allows 2,300 units and on the new line there would be approximately 2,820 units). Mr. Rick Harper, Administrative Assistant in the Water & Sewer Services Department, explained that the lines put in by the developer are in fact governed by the State Plumbing Code but lines that the City maintains direct to collect from these private lines are subject to flow requirements put out by the Department of Human Resources and the Department of Natural Resources. Mr. Harper stated that the City lines do comply with the requirements which we are governed by even though they may not comply with the State Plumbing Code requirements.

Mr. Russell Knight, with Charles Harrell Associates, realtors for the proposed property, stated that they would like some direction from Council soon because with winter weather around the corner, construction would have to be started soon and the financing for the project is the best in years and can change radically anytime.

Councilman McDevitt stated that several residents have asked the Council to come out and look at the area.

Mr. Albert Crook, owner of the property across from the proposed project, was concerned about the amount of runoff water when the project is built. He said that he is currently having runoff problems because the land slants toward his property and there are no storm sewers. Mayor Trantham assured Mr. Crook that this aspect would be looked into.

In response to Councilwoman Frank's request that the creek be dug out to alleviate the drainage problems, the City Manager stated that he would give Council a report on what the conditions are, the cost involved and whether it's public or private.

In response to Councilman McDevitt's question relative to runoff water drainage, Charles Burnett, developer, stated that the runoff water from both parking areas and roof drains will be held in a holding area specifically designed and approved by the Erosion Control Board. Mr. Burnett stated that his engineers have assured him that there will be no additional runoff water off the property than there currently is.

Councilman Pless moved to amend his motion to continue this public hearing, without further advertisement, until Wednesday, November 24, 1982, at 10:00 a.m.. Councilwoman Frank accepted this amendment and seconded his motion. This motion carried unanimously.

Councilwoman Bratton moved to recess at 5:00 p.m. for 10 minutes. This motion was seconded by Councilman Pless and carried unanimously. The Council reconvened their meeting at 5:25 p.m.

REPORT FROM THE DIRECTOR OF INSPECTIONS RELATIVE TO THE STATUS OF 55 CRESCENT STREET

4. Mr. Lem Moore, Assistant Director of Inspections, stated that on September 23, 1982, Council adopted an ordinance directing the Housing Office to demolish the dwelling house known as 55 Crescent Street. However, Council instructed that the demolition process be postponed until the Director of Inspections could contact a prospective buyer of the property. The prospective buyer was contacted on Monday, November 15, 1982, and indicated that he was not going to be able to consummate a sale and he appreciated the Council's efforts in deferring action on his behalf. Mr. Moore recommended to the Council that they instruct the Director of Inspections to carry out the demolition order.

RESOLUTION NO. 82-223 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MUNICIPAL AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR IMPROVEMENTS TO VALLEY STREET FROM BILTMORE AVENUE TO POPLAR STREET, PROJECT NUMBER 8.2017501

6. Consideration of a resolution authorizing the Mayor to execute a municipal agreement between the City of Asheville and the North Carolina Department of Transportation for improvements to Valley Street from Biltmore Avenue to Poplar Street, project number 8.2017501.

The City Manager read the resolution.

Upon motion of Councilman Frank, seconded by Vice-Mayor Price, Resolution No. 82-223 was unanimously adopted.

RESOLUTION NO. 82-224 - RESOLUTION RELATIVE TO THE RE-OPENING OF GLEN FALLS ROAD BRIDGE

7. Consideration of a resolution relative to the re-opening of Glen Falls Road Bridge.

Mayor Trantham apologized for not notifying the residents that this item was coming up on this agenda, but the City wanted to get the bridge opened as soon as possible.

The City Manager read the resolution directing him to re-open the Glen Falls Road Bridge by noon, Tuesday, November 23, 1982, based upon the following conditions:

- 1) Within thirty days, the Lake View Park Commission ("Commission") and the City of Asheville acknowledge in writing that: the Commission is the sole owner of, and has the sole responsibility and liability for, the spillway and dam for Beaver Lake; and the City of Asheville has the sole responsibility and liability for the maintenance, repair and replacement of the Glen Falls Road Bridge.
- 2) Based upon the November 15, 1982, letter from Thompson-Gordon-Shook Engineers, Incorporated, and in reliance upon the letter's accuracy and the determinations and recommendations contained therein, and based upon other information and reports, the bridge will be re-opened by the City of Asheville for single lane travel, with a four ton posted limitation and with a prohibition against use by trucks and buses.
- 3) The Department of Public Works will observe the bridge on a monthly basis.
- 4) The City of Asheville reaffirms that, by re-opening this bridge, it does not assume any ownership, responsibility or liability of or for the spillway or dam for Beaver Lake.

Mr. Gary Rowe said that he would take this resolution back to the Lake View Park Commission and that they would discuss it but he sees no problem with it.

The City Manager read the following letter from Mr. Everett M. Chalk, Assistant Director of the State of North Carolina, Department of State Treasurer, dated October 15, 1982:

"RE: City of Asheville - Proposed \$885,000 Public Building Bonds

"This is a reply to your letter requesting a list of approved bond counsel firms located in North Carolina.

"Historically, bond counsel for all general obligation bonds issued in North Carolina has been one of several New York firms including Brown, Wood, Ivey, Mitchell and Petty. The primary reason why the State and its local units have followed this practice is to ensure marketability of our bonds. Therefore, we choose bond counsel firms based on experience, qualifications and recognition of their opinions by underwriters, banks, insurance companies and other bond purchasers.

"In the issuance of industrial revenue bonds, use of a nationally recognized bond counsel firm has not been required by purchasers since most of these bonds have been privately placed. Therefore, a number of North Carolina law firms have served as bond counsel in industrial financings within the last two years. We have chosen not to make a list of these firms in order to prevent any of them from using this as an endorsement of their qualifications. Enclosed is our publication titled "Guidelines And Procedures For The Employment of Bond Counsel In Industrial Development Bond Financings Under G. S. Chapter 159C" which will give you some background on the role of bond counsel.

"We are of the opinion that nationally recognized bond counsel continues to serve a local unit's best interests on general obligation bond financings. If further information or assistance is needed, please don't hesitate to call."

Councilwoman Frank and Councilwoman Bratton accepted the second amendment suggested by Councilman McDevitt to Resolution No. 82-222. This motion carried unanimously.

The City Manager asked Council to authorize a contract with Corporate Roofing Services in the amount of \$5,000 to prepare plans and specifications for a roof at the Civic Center. He said that they would bring the plans and specifications back to Council within the next 30-45 days.

The City Manager also asked the Council to place a resolution on the November 24, 1982, agenda of intent to authorize the filing of an application with the North Carolina Local Government Commission under the two-thirds rule authority based on debt retirement of the City of Asheville as of July 1, 1983.

Vice-Mayor Price moved to authorize a contract with Corporate Roofing Services in the amount of \$5,000 to prepare plans and specifications for a roof at the Civic Center. This motion was seconded by Councilwoman Bratton and carried unanimously.

Councilman McDevitt said to change Resolution No. 82-222 to read as follows correcting the typographical error:

"WHEREAS, the estimated cost of these projects is \$1,500,000 to \$2,000,000; and"

Vice-Mayor Price moved to schedule a public hearing relative to rezoning property on Patton Avenue from R-3 Residential District to CH Commercial Highway District for December 9, 1982. This motion was seconded by Councilman Pless and carried unanimously.

REGULAR COUNCIL MEETING CHANGED

Vice-Mayor Price moved to have the regular City Council meeting at 10:00 a.m. on Wednesday, November 24, 1982, instead of 4:00 p.m. on Thursday, November 25, 1982. This motion was seconded by Councilman Pless and carried unanimously.

PROCLAMATION - NATIONAL ALZHEIMERS AWARENESS WEEK

Mayor Trantham proclaimed the week of November 21-27, 1982, as "National Alzheimers Awareness Week" in the City of Asheville.

CLAIMS - HOBART RECTOR (WATER & SEWER SERVICES), WILLIE L. MCDANIEL (WATER & SEWER SERVICES) - LAWSUITS IN WHICH THE CITY IS EITHER A DEFENDENT OR A RESPONDENT: CLARA G. SMITH ETAL., RESTRAINING ORDER; ASHV. HOUSING AUTHORITY, CONDEMNATION OF E.L. SYMMS SR. PROPERTY (E. END/VALLEY STREET), CONDEMNATION OF RICHARD MATTISON PROPERTY, CONDEMNATION OF HATTIE RUSH PROPERTY AND CONDEMNATION OF ROBERT L. HAWTHORNE PROPERTY

The City Manager presented claims received from Mr. Hobart Rector (Water & Sewer Services Department) and Mr. Willie L. McDaniel (Water & Sewer Services Department). He also presented a list of summonses in which the City was served either as a defendant or a respondent: Clara G. Smith et al., Restraining Order; Asheville Housing Authority, Condemnation of E. L. Symms, Sr. property, Richard Mattison property, Hattie Rush property and Robert L. Hawthorne property (all in the E. End/Valley Street area).

Mayor Trantham presented the claims and lawsuits to the Corporate Counsel for investigation and recommendation.

CARROLL AVENUE LAND ACQUISITION SETTLEMENT

The City Manager read a letter from Mr. C. E. Vess, Jr., Coordinator of Field Services of the Housing Authority of the City of Asheville, dated November 15, 1982:

"Subject: Carroll Avenue Land Acquisition
Parcels 1 and 4, Dewitt Dowdle

"The owner of the above referenced property has agreed to sell both parcels to the City for a total sum of \$10,000.00. That represents a compromise between our offer of \$8,000.00 and his counter-offer of \$15,260.00.

"It appears that a settlement at \$10,000.00 is justified in this case because by avoiding a jury trial, court cost, attorney fees and administrative time would be saved and a risk of a higher award would be averted.

"The Housing Authority's Board of Commissioners has approved the settlement subject to the approval of City Council. I will await your further instructions."

Councilman Pless moved to accept the settlement in the amount of \$10,000.00 as described in the above letter. This motion was seconded by Vice-Mayor Price and carried unanimously.

He expressed his appreciation to the Council for addressing this issue and hopes that in the future the bridge could be replaced as quickly as possible.

Upon motion of Councilwoman Bratton, seconded by Councilman Pless, Resolution No. 82-224 was unanimously adopted.

RESOLUTION NO. 82-225 - RESOLUTION REQUESTING THE DEPARTMENT OF TRANSPORTATION TO PERFORM CERTAIN WORK UNDER THE FEDERAL-AID HIGHWAY BRIDGE REPLACEMENT AND REHABILITATION PROGRAM CONSISTING OF THE REINSPECTION AND ANALYSIS OF ALL PUBLIC BRIDGES ON THE MUNICIPAL STREET SYSTEM IN THE CITY OF ASHEVILLE

8. Consideration of a resolution requesting the Department of Transportation to perform certain work under the federal-aid highway bridge replacement and rehabilitation program consisting of the reinspection and analysis of all public bridges on the municipal street system in the City of Asheville.

The City Manager read the resolution stating that under this agreement the Department of Transportation will reinspect and prepare the necessary reports for all public bridges on the Municipal Street System in accordance with the National Bridge Inspection Standards. He said that under the agreement, the Federal Highway Administration shall reimburse the Department of Transportation for 80% of the cost of the work subject to compliance with all applicable federal policy and procedural rules and regulations. He said that the City of Asheville shall reimburse the Department of Transportation for all costs of the work incurred by the Department of Transportation not paid by the Federal Highway Administration.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 82-225 was unanimously adopted.

INVOCATION

The invocation was given by Councilman Joe Pless.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 18, 1982 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the November 18, 1982 meeting were unanimously approved as submitted.

CONTINUATION OF PUBLIC HEARING - SITE PLAN OF THE "OAK RIDGE VILLAS" - RIVERVIEW DRIVE

2. Continuation of a public hearing relative to the site plan of the "Oak Ridge Villas" to be located on Riverview Drive.

Mayor Trantham said this public hearing was continued from the November 18, 1982 meeting.

Verl Emrick, Director of Planning, said several concerns were expressed by members of Council during the public hearing on November 18, 1982. He said in answer to these concerns further study was done. He said a traffic count was conducted on Riverview Drive on October 20, 1982 which revealed 771 cars in a 48 hour period or 385 cars per day. He said according to the Traffic Engineering Department Riverview Drive has a capacity of 2400 vehicles per day or 100 vehicles per hour, therefore, the road is well within the capacity to absorb traffic generated by the new development.

Mr. Emrick said the Erosion Control plans of the development comply with all ordinances.

Mr. Charles Rector of the Water and Sewer Department said at the request of Council a study was made to determine the cost of dredging the creek in the area to alleviate an existing drainage problem. He said it would cost approximately \$800 to dredge the creek. He said the staff of the Water and Sewer Department are of the opinion that the drainage problems in the area are created by the creek overflowing. He said it was felt that dredging the creek would alleviate some of the drainage problems in the area.

Councilmen McDevitt and Pless said they had visited the area in question and found water standing in many areas. Councilman Pless said there was a foaming action in the creek similar to those created by sewer problems.

PROCLAMATION - NATIONAL BIBLE WEEK

Mayor Trantham proclaimed the week of November 21-28, 1982, as "National Bible Week" in the City of Asheville.

MARCH, 1983 - YOUTH INVOLVEMENT MONTH

Chris McGee, member of the Asheville Buncombe County Youth Council, asked for Council's support for youth projects in March, 1983, in connection with "Youth Involvement Month."

Vice-Mayor Price moved to support youth projects in March, 1983, in conjunction with "Youth Involvement Month." This motion was seconded by Councilwoman Frank and carried unanimously.

ADJOURNMENT

Councilman Pless moved to adjourn the meeting. This motion was seconded by Vice-Mayor Price and carried unanimously.

CITY CLERK

SELECTION OF BOND ATTORNEY FOR MATTERS RELATED TO BOND ISSUE DESCRIBED IN RESOLUTION NO. 82-222 (GENERAL OBLIGATION BOND ISSUE)

3. Councilman McDevitt said, as discussed during the adoption of Resolution No. 82-222 on November 18, 1982, he had conferred with the bond attorneys in New York, Mr. Aperans, and was told that their fee for authorization and issuance of the bonds would be \$2,520 plus expenses necessary to secure the passage of the bonds. He said he also contacted Doris Bray, partnership in the law firm of Smith, Moore, Smith, Shell and Hunter in Greensboro, North Carolina and was told their fee would be \$2,000 plus expenses. He said this firm is probably the best known firm in North Carolina. He said they have a proven track record and are capable of handling the bond issue. He said he was in favor of using North Carolina attorneys and felt sure they could give the City better service since they are closer than the New York attorneys. He said he would recommend that the City employ the law firm of Smith, Moore, Smith, Shell and Hunter in Greensboro, North Carolina as the City's bond counsel for this particular bond issue and that they be listed as bond counsel on the application to be submitted to the Local Government Commission. He said if any problems were incurred with the Local Government Commission approving the bond issue with this bond counsel the City could simply substitute the firm in New York as bond counsel.

Corporation Counsel William C. Moore agreed with the comments made by Councilman McDevitt.

After a brief discussion, Councilman McDevitt moved to employ the law firm of Smith, Moore, Smith, Shell and Hunter in Greensboro, North Carolina as the City's bond counsel for this particular bond issue and they be listed as bond counsel on the application to be submitted to the Local Government Commission. This motion was seconded by Councilman Myers and carried unanimously.

RESOLUTION NO. 82-227 - RESOLUTION OF INTENT TO AUTHORIZE THE FILING OF AN APPLICATION WITH THE NORTH CAROLINA LOCAL GOVERNMENT COMMISSION UNDER THE TWO-THIRDS RULE AUTHORITY AS PROVIDED IN NORTH CAROLINA GENERAL STATUTE 159-49

4. Consideration was given to a resolution of intent to authorize the filing of an application with the North Carolina Local Government Commission under the two-thirds rule authority as provided in North Carolina General Statute 159-49.

The City Manager read the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 82-227 was unanimously adopted.

Complete text of Resolution No. 82-227 will be found in Resolution Book No. 13 at page 389.

ENERGY SAVINGS PAMPHLET TO BE DISTRIBUTED TO CITY EMPLOYEES

Councilwoman Frank presented to members of Council a pamphlet from Carolina Power and Light Company showing ways to save on energy costs. She said the pamphlet would be distributed to City employees with their pay checks.

57

Councilman Pless said he did not have any problems approving the site plan however he did have problems with runoff water in the area, particularly on Euclid. He said he felt the project would cause additional drainage and would affect the residents on Euclid. He suggested that the City install a storm sewer down Avon back to the creek area to alleviate this problem.

Upon inquiry of Councilman Pless, Mr. Clark Brown said it would cost approximately \$3,500 - \$4,000 to install the storm sewer about 400 ft. Mr. Brown said he felt the creek in question should have extensive dredging.

Several members of Council said they felt the problems expressed by the residents in the area of sewer problems and drainage problems are not directly related to the new development. They said the problems are presently existing and those would be the responsibility of the City. However, the development of the project could cause these problems to worsen.

Councilman Pless suggested that the City and the developer of the project work together in installing a storm sewer down Avon to the creek since it would benefit the development as well as the residents in the area.

Corporation Counsel William C. Moore advised Council that the creek area is private property and the City would need permission to work on this property.

The City Manager said he felt Council was addressing two separate issues. He said Council is addressing the approval of the site plan for Oak Ridge Villas and existing problems with drainage and sewer. He suggested that Council approve the project contingent upon the City and the developer of the Oak Ridge Villas sharing the costs of improvements to the storm drainage system in the area.

Councilman Myers said he would like for Council to approve the project since the developer has complied with all code requirements and address the city problems separately.

The developer of the Oak Ridge Villas project said he would be agreeable to changing their erosion control plans to accommodate a new drainage system discussed by Council. He said they would also allow any necessary right-of-ways for service and maintenance.

After discussion, Vice-Mayor Price moved to approve the site plan of the "Oak Ridge Villas" project subject to the Erosion Control standards that would be necessary for the project and to tie into the city system to improve the drainage system in the area as well as for the project. This motion was seconded by Councilman Myers and carried unanimously.

During discussion of the above motion, a discussion was held relative to sewer and drainage problems in the area which have existed for some time. Council directed that the staff prepare an engineering report outlining the solutions to these existing problems and the cost involved in same.

In the discussion, Mayor Trantham recommended that the total project to improve the sewer and drainage in the area not exceed \$8,000.

COUNCILWOMAN FRANK - SUGGESTED THAT COUNCIL MEET WITH THE CHAIRMAN OF THE ASHEVILLE SCHOOL BOARD

Councilwoman Frank said she had received a number of telephone calls from parents who have children in the Asheville City School system as well as calls from several of the teachers relative to a reorganization of the school system. She suggested that Council consider meeting with the Chairman of the Asheville City School Board during a Council work session relative to this reorganization.

ADJOURNMENT

Upon motion, the meeting adjourned.

Ney M. Harrison
MAYOR

William S. Halesatt
CITY CLERK

REPORT ON TRANSIT COMMITTEE - COUNCILWOMAN FRANK

Councilwoman Frank said the Chairman of the Asheville Transit Authority, Mr. Richard Gallagher reported that the Department of Transportation is working on a "Fare Transportation Policy." She said there would be no change in funding for the authority until 1985. She said in February ATC, another Transit System, will be coming to Asheville for a workshop on how to handle a transit system. She said union negotiations will start in March or April.

The City Manager announced that the City Building would be closed on November 25, 1982 for Thanksgiving. He said there would not be a Council meeting on November 25, 1982.

It was the consensus of Council to meet at 12:30 p. m. on Thursday, December 2, 1982 for a work session.

GLEN FALLS BRIDGE OPEN - MONDAY, NOVEMBER 22, 1982

The City Manager announced that Glen Falls Bridge was opened on Monday, November 22, 1982 by the Street Division.

APPROVAL OF ADDENDUM NO. 1 TO BID SPECIFICATIONS FOR REFUSE COLLECTION SERVICE

Mr. Clark Brown, Director of Public Works, presented to Council for approval addendum no. 1 to bid specifications for refuse collection service in the City of Asheville. He said these changes were a result of recommendations made by Councilman McDevitt.

Councilman McDevitt moved to approve addendum no. 1 to bid specifications for refuse collection service for the City of Asheville. This motion was seconded by Councilwoman Frank and carried unanimously.

Mayor Trantham asked to go on record as opposing contracting refuse collection service for the City of Asheville to a private contractor unless there is a substantial savings.

Mayor Trantham said this public hearing was continued from the November 11, 1982 meeting.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission at a meeting held on November 3, 1982 reviewed the site plan of the proposed "Timbers" Condominiums to be located on Beaverdam Road. After review and discussion the Commission voted to recommend approval of the project subject to the following requirements:

- 1) Compliance with Erosion Control Ordinance;
- 2) Approval by NCDOT of curb cut permit to include assessment of sight distance; and
- 3) Receipt of flow study information on sanitary sewer.

Mr. Emrick said the project of approximately 29 acres will consist of 63 units which is well below the requirements for the R-3 Residential zone. He said all parking requirements have been complied with and the Water and Sewer Department has said that water is available for the project. He said fire hydrants would be placed throughout the project. He said the proposed roads are adequate for fire equipment. He said the erosion control plans state that all the water from the project would go into a creek across the road from the project. However, it would not be going onto anyone's property.

Mr. Emrick said following the Planning Board's meeting a flow study was made by the Water and Sewer Department on the sanitary sewer due to previous problems in the sewer line to supply the project. He said this project is under the jurisdiction of the North Carolina Department of Human Resources and Community Development which requires the issuance of a water and sewer permit to assure that waste can be treated, accepted by the system, and has the capacity to carry the load. He said the basic problems in the system has been siltation problems. He said the city has recently flushed the lines from Killian Road to Elk Mountain Scenic Highway several times. He said an agreement has been worked out with Roy Davis, representative of the North Carolina Department of Human Resources and Community Development, for the issuance of the permit, provided that the City again flushes the line from Killian Road to the golf course. He said some repairs will need to be made to several segments of the line, however the costs for those repairs could be negotiated with several developers in the area.

Larry Traber, Architect for the project, said it is proposed that four (4) units would begin immediately, with the project being constructed in phases depending upon the market for condominiums. He said it would take a minimum of two (2) years to complete 60 units.

Ralph Morris spoke in support of the proposed project.

Mayor Trantham closed the public hearing at 4:27 p. m.

Councilwoman Frank moved to approve the site plan for the "Timbers" Condominiums to be located on Beaverdam Road contingent upon compliance with the Erosion Control Ordinance; approval by N.C. DOT of curb cut permit to include assessment of sight distance; issuance of Water and Sewer permit from the North Carolina Department of Human Resources and Community Development; and that the first phase of the project be on the alternate sewer tap. This motion was seconded by Vice-Mayor Price and carried unanimously.

Thursday, December 2, 1982 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless, and Gordon Myers; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.
(Councilman Larry McDevitt took his seat in Council at 4:50 p. m.)

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 24, 1982 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the November 24, 1982 meeting were unanimously approved as submitted.

PROCLAMATION - "NATIONAL HOME HEALTH WEEK" - NOVEMBER 28 - DECEMBER 3, 1982

Pam Tidwell, with the Home Health Service Organization, read the proclamation and explained the services provided by Home Health Agencies.

Mayor Trantham proclaimed November 28 - December 3, 1982 as "National Home Health Week."

CONTINUATION OF PUBLIC HEARING - PROPOSED EXPANSION AND RENOVATION OF GROVE PARK INN

2. A public hearing relative to the site plan of the proposed expansion and renovation of the Grove Park Inn continued.

Mayor Trantham stated this public hearing was continued from the November 18, 1982 meeting.

Verl Emrick, Director of Planning, said the developers are in the process of working on an engineering solution to supplying water to the project, however they are not ready for Council consideration at this time.

Councilwoman Frank moved to continue the public hearing for the proposed expansion and renovation of Grove Park Inn until the developers are ready for consideration by Council. This motion was seconded by Vice-Mayor Price and carried unanimously.

CONTINUATION OF PUBLIC HEARING - PROPOSED "TIMBERS" CONDOMINIUMS TO BE LOCATED ON BEAVERDAM ROAD

3. A public hearing relative to the site plan of the proposed "Timbers" Condominiums to be located on Beaverdam Road continued.

RESOLUTION NO. 82-228 - RESOLUTION AMENDING AUDIT CONTRACT

7. Consideration was given to a resolution amending audit contract.

The City Manager read the resolution.

Bob Wurst, Budget/Audit Director, said on August 5, 1982 the City received notice from the Regional Inspector General of the Department of HUD that they had been named cognizant agency to monitor audits of all federally funded activities of the City in accordance with OMB Circular A-102 Attachment P. He said in the past each federal or state grant had to be audited separately either by the City's auditor by separate contract from our regular annual audit or by the particular federal agency's auditors. In the future we will have only one audit which will meet the compliance requirements of all federal and state grants as well as the requirements of our regular financial audit. This will result in cost savings to the City as well as the federal or state agencies from which we receive grants. The audit contract with Patton Hunter and Company for the Fiscal Year ended June 30, 1982 did not include provisions for this change, therefore we must do the additional work required to meet the requirements of OMB Circular A-102 Attachment P. The amendment to the contract will provide for the single compliance audit to be performed at an additional cost not to exceed \$11,000.

Upon motion of Councilman Myers, seconded by Vice-Mayor Price, Resolution No. 82-228 was unanimously adopted.

Complete text of Resolution No. 82-228 will be found in Resolution Book No. 13 at page 390.

RESOLUTION NO. 82-229 - RESOLUTION APPROVING THE ACCEPTANCE OF AN ENGINEERING SERVICES PROPOSAL FROM THOMPSON-GORDON-SHOCK ENGINEERS, INC. FOR THE REPLACEMENT/REHABILITATION OF THE GASHES CREEK ROAD BRIDGE, THE ARCO ROAD BRIDGE AND THE CHESTNUT STREET BRIDGE

8. Consideration was given to a resolution approving the acceptance of an engineering services proposal from Thompson-Gordon-Shook Engineers, Inc. for the Replacement/Rehabilitation of the Gashes Creek Road Bridge, the Arco Road Bridge, and the Chestnut Street Bridge.

The City Manager read the resolution stating that three (3) proposals for engineering services for the above referenced work were received. Recommendation of the approval of the proposal from Thompson-Gordon-Shook Engineers, Inc. in the amount of \$124,300.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 82-229 was unanimously adopted.

Complete text of Resolution No. 82-229 will be found in Resolution Book No. 13 page 391.

ORDINANCE NO. 1326 - BUDGET ORDINANCE AMENDMENT TO FUND TWO WORD PROCESSING TECHNICIANS

4. Consideration was given to a budget ordinance amendment to fund two word processing technicians.

The City Manager read the ordinance stating that this would provide funding for two Word Processing Technicians for the Word Processing Center for the remainder of the fiscal years and to appropriate money for equipment (file cabinets and terminal table) for the center.

Vice-Mayor Price moved for the adoption of Ordinance No. 1326. This motion was seconded by Councilwoman Bratton.

On a roll call vote of 6-0, Ordinance No. 1326 passed on first and final reading.

Complete text of Ordinance No. 1326 will be found in Ordinance Book No. 9 at page 409.

The City Manager said there would be a Fringe Benefit Committee meeting on December 9, 1982 at 10:30 a. m.

REQUEST FROM STATE DEPARTMENT OF TRANSPORTATION - RESPONSIBILITY OF STREET LIGHTS ON WEST ASHEVILLE BRIDGE

The City Manager said a request from the State Department of Transportation was received for the City to assume the responsibility of the street lights on the West Asheville Bridge at Haywood Road/Clingman Avenue. He said after investigation it was determined that it would cost \$2,300 per year for the City to assume the responsibility with the present system. He said it was determined that by reducing the wattage on the lighting system the maintenance cost per year would be \$984. The cost of changing the system would be \$1,100.

After discussion, it was the consensus of Council to have the city staff negotiate with the State Department of Transportation on the responsibility of the street lights. It was also the consensus of Council that the lighting system should be reduced to provide for a lower annual maintenance costs.

BID DATE FOR REFUSE COLLECTION SYSTEM FOR THE CITY OF ASHEVILLE CHANGED

At the request of the City Manager, Councilman Pless moved to change the bid date for the refuse collection system for the City of Asheville to January 18, 1982. This motion was seconded by Councilman Myers and carried unanimously.

LEGISLATIVE RECOMMENDATIONS DUE DECEMBER 6, 1982

The City Manager asked that any legislative recommendations be turned in by December 6, 1982.

INVOCATION

The invocation was given by Councilman Larry McDevitt.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 1186 PATTON AVENUE

1. A public hearing was held relative to rezoning property located at 1186 Patton Avenue.

Vice-Mayor Price opened the public hearing at 4:05 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held November 3, 1982, considered the petition of Mr. and Mrs. Robert Ledford, Owners, and Mr. William Orr and First Union National Bank, Trustees, that a portion of Lot 10, Sheet 11, Ward 6, be rezoned from R-3 Residential District to CH Commercial Highway District. After discussing the issues of the request the Commission voted to recommend denial of the petition to City Council. However, the petitioners are appealing the decision of the Planning and Zoning Commission and have requested a public hearing on the rezoning matter. He said in the petitioners letter of appeal dated November 15, 1982, the petitioners amended their original rezoning request to allow for a buffer between the Commercial Highway District and the Residential District. He said the Planning and Zoning Commission received a petition from the adjoining property owners protesting the rezoning due to the slope involved in the property as well as encroachment upon residential property. He said a valid protest petition was received by the City Clerk, however the petition does not qualify for the "3/4 affirmative vote" by Council.

Mr. George Weir, appearing on behalf of the petitioners, spoke in support of the rezoning stating that the rezoning would be in keeping with the present land use in the area. He said this is a commercial neighborhood and the petitioner proposes to expand a present business.

The following property owners spoke in opposition to the rezoning.

Mr. Sherrill Barber, 54 BelAir Street
Mrs. Marie Murray, BelAir Street
Mrs. Thelma McCurry, 38 Mace Avenue
Mrs. Judy Lylerly, 62 Bel Air Street

Councilman McDevitt took his seat on Council at 4:50 p. m.

RALPH BISHOP - COMMENTS RELATIVE TO OBTAINING CITY RECORDS

Ralph Bishop spoke relative to his difficulty in obtaining city records. He requested a copy of inspection reports done by the City on thermostat inspections for the State of North Carolina. He also requested a copy of the minutes of the Board of Examiners of the Police Pension Fund when former Chief of Police J. C. Hall received disability retirement benefits.

ADJOURNMENT

Upon motion of Councilwoman Bratton, seconded by Councilman Myers the meeting adjourned at 5:00 p. m.

Raymond Bratton
MAYOR

William F. Holcomb
CITY CLERK

Vice-Mayor Price referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO OBTAINING CITY RECORDS

Ralph Bishop spoke to Council relative to his difficulty in obtaining Police Pension Board records relative to former Police Chief J. C. Hall's disability benefits.

Vice-Mayor Price informed Mr. Bishop that he should appear before the Board of Examiners for the Policemen's Pension and Disability Fund and request the records he is wanting to obtain.

ADJOURNMENT

Upon motion, the meeting adjourned at 5:10 p. m.

Ray M. Shattuck
MAYOR

Melvin F. Shattuck
CITY CLERK

After discussion, Vice-Mayor Price closed the public hearing at 4:47 p. m.

Verl Emrick, Director of Planning, read the proposed ordinance rezoning the property as petitioned.

Due to the lack of a motion for adoption the ordinance did not pass.

APPROVAL OF THE MINUTES

2. Approval of the minutes of the December 2, 1982 meeting.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, the minutes of the December 2, 1982 meeting were unanimously approved as submitted.

RESOLUTION NO. 82-232 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE NORTH CAROLINA LOCAL GOVERNMENT COMMISSION RELATING TO A PROPOSED GENERAL OBLIGATION BOND ISSUE AND DESIGNATING THE AUTHORIZED REPRESENTATIVE OF THE CITY TO FILE THE APPLICATION AND TO EMPLOY BOND COUNSEL (Vehicle Maintenance Facility and major roof repairs to the Civic Center)

3. The City Manager said on November 18, 1982 Council adopted Resolution No. 82-222 authorizing the filing of an application to sell Public Building Bonds in the amount of \$885,000 for the purpose of reworking the Heating and Air Conditioning Systems to the City Hall Building and Municipal Building, making roof repairs to the City Hall Building, Municipal Building and Civic Center, providing for automation of two City Hall elevators and providing partial funding for the purchase of ten new buses. He said since that time the Director of Finance was told by the Bond Counsel that the purchase of the buses could not be included in the bond issue. He said in the meantime priorities have been rearranged and the staff is now recommending that Council rescind Resolution No. 82-222 and adopt a resolution to sell Public Building Bonds in the amount of \$885,000 for the purpose of providing funds for the construction of a Vehicle Maintenance Facility and making major roof repairs to the Civic Center. He said engineering studies on these two projects are farther along than the previous projects.

The City Manager read the resolution.

Councilman McDevitt moved to amend the resolution to include and reaffirm the employment of the law firm of Smith, Moore, Smith, Shell and Hunter in Greensboro, North Carolina as the City's bond counsel for this particular bond issue, relating to Resolution No. 82-232, and that they be listed as bond counsel on the application to be submitted to the Local Government Commission. This motion was seconded by Councilwoman Frank and carried unanimously.

Councilman McDevitt moved for the adoption of Resolution No. 82-232, as amended. This motion was seconded by Councilman Pless and carried unanimously.

Complete text of Resolution No. 82-232 will be found in Resolution Book No. 13 at page 394-395.

CLAIMS - NELLE THOMAS (POLICE DEPT.) - HORACE CUNNINGHAM (WATER & SEWER) - SOUTHERN BELL (WATER & SEWER) - MICHAEL MCELREATH (POLICE)

4. The City Manager presented claims received from Nelle Thomas, Horace Cunningham, Southern Bell and Michael McElreath.

- 1) Compliance with the City of Asheville's Erosion Control Ordinance;
- 2) That the developer, in cooperation with the Department of Water and Sewer Services, take necessary steps to obtain adequate domestic water supply and fire protection prior to City Council's review.

He said all stipulations of the Planning and Zoning Commission's approval have been met. He said the developer proposes to attach a tap to a 12" water line to provide for adequate water supply. He said the funding would be a three-way split for the water supply costs with the City of Asheville providing \$40,000, Buncombe County Commissioners providing \$40,000 and Grove Park Inn providing \$40,000.

Mr. Von Treskow, with Grove Park Inn, gave a brief overview of Grove Park Inn's proposed expansion and renovation project. He also reviewed a large rendering of the proposed project.

After discussion, Mayor Trantham closed the public hearing at 4:25 p. m.

Councilwoman Frank moved to approve the site plan of the proposed expansion and renovation of the Grove Park Inn, subject to the conditions of the Planning and Zoning Commission. This motion was seconded by Councilman Myers and carried unanimously.

ORDINANCE NO. 1330 - BUDGET ORDINANCE AMENDMENT RELATIVE TO STREET SIGN PROGRAM

4. Consideration was given to a budget ordinance amendment to establish a Capital Project for Street Sign Program.

The City Manager read the ordinance stating that this budget amendment in the amount of \$33,000 is to establish a Capital Project for Street Sign Program. Funding approved from General Revenue Sharing 1982/83 Operating Budget. He said hopefully, this will replace all street signs citywide.

Councilwoman Bratton moved for the adoption of Ordinance No. 1330. This motion was seconded by Councilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1330 passed on first and final reading.

Complete text of Ordinance No. 1330 will be found in Ordinance Book No. 9 at page 413.

ORDINANCE NO. 1331 - BUDGET ORDINANCE AMENDMENT TO SET UP PROJECT FOR PIANO REPAIR

5. Consideration was given to a budget ordinance amendment to set up a project for piano repair at the Civic Center.

The City Manager read the ordinance stating that this budget amendment will set up a project for piano repair - \$1,300 Contributions, \$800 City General Fund and \$200 from Civic Center Operating Budget.

Thursday - December 16, 1982 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless, Gordon Myers and Larry McDevitt; Corporation Counsel William C. Moore, City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Mayor Trantham introduced Rev. Avery who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 9, 1982 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the minutes of the December 9, 1982 meeting were unanimously approved as submitted.

APPROVAL OF SIGN PERMIT - U. S. 70 - K-MART

2. Consideration was given to approval of a sign permit for an addition to a freestanding sign located on U. S. 70 at K-Mart.

Virgil Bradley, with the Inspections Division, said Mr. Ed Greene, on behalf of K-Mart, has applied for a sign permit to erect an addition to a freestanding sign located on U. S. 70 at K-Mart. He said the addition would be 72 sq. ft. to the Radio Shack Sign now in existence. He said the sign will be situated closer than 600' from a limited access highway which requires the approval of Council pursuant to Zoning Ordinance No. 322.

After discussion, Councilman Myers moved for the approval of the sign permit for an addition to a freestanding sign located on U. S. 70 at K-Mart. This motion was seconded by Councilwoman Bratton and carried unanimously.

CONTINUATION OF PUBLIC HEARING - SITE PLAN FOR THE PROPOSED EXPANSION AND RENOVATION OF THE GROVE PARK INN

3. A public hearing relative to the site plan of the proposed expansion and renovation of the Grove Park Inn continued.

Mayor Trantham said this public hearing was continued from the December 2, 1982 meeting.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission at a meeting held October 6, 1982 reviewed the site plan of the proposed expansion and renovation of the Grove Park Inn. The plan was prepared by Daniel Construction Company, Greenville, South Carolina, for Sammons Enterprises, Dallas, Texas, Owner. After review and discussion of the plan, the Commission voted to recommend approval subject to the following requirements:

ORDINANCE NO. 1334 - BUDGET ORDINANCE AMENDMENT TO PROVIDE COMMUNITY DEVELOPMENT FUNDS FOR PISGAH VIEW APARTMENTS RENOVATION

8. Consideration was given to a budget ordinance amendment to provide Community Development funds in the amount of \$75,000 for Pisgah View Apartments renovations.

The City Manager read the ordinance.

David Jones, Executive Director of the Housing Authority of the City of Asheville, said these funds would be used to renovate the furnace system at the Pisgah View Apartments.

Councilman McDevitt moved for the adoption of Ordinance No. 1334. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 7-0, Ordinance No. 1334 passed on first and final reading.

APPOINTMENT TO ASHEVILLE AREA CIVIC CENTER COMMISSION

Due to a resignation on the Asheville Area Civic Center Commission, the Mayor asked for nominations for an appointment to the Asheville Area Civic Center Commission.

Councilwoman Frank nominated Sally Pearlman as a member of the Asheville Area Civic Center Commission.

Councilwoman Bratton nominated Elaine Currie as a member of the Asheville Area Civic Center Commission.

On a vote of 4-3, Sally Pearlman was appointed as a member of the Asheville Area Civic Center Commission, with Mayor Trantham, Vice-Mayor Price, Councilwoman Frank and Councilman McDevitt voting for Sally Pearlman and Councilwoman Bratton, Councilman Pless and Councilman Myers voting "no."

The City Clerk advised that a resolution would be prepared for Council's appointment on January 6, 1983.

APPOINTMENT TO THE ASHEVILLE-BUNCOMBE HISTORIC RESOURCES COMMISSION

Due to a resignation on the Asheville-Buncombe Historic Resources Commission, the Mayor asked for nominations for an appointment to the Asheville-Buncombe Historic Resources Commission.

Councilman McDevitt nominated Bretney Smith.

Councilwoman Bratton nominated Ken Richards.

On a vote of 4-3, Bretney Smith was appointed as a member of the Asheville-Buncombe Historic Resources Commission, with Mayor Trantham, Vice-Mayor Price, Councilman McDevitt and Councilwoman Frank voting for Bretney Smith and Councilwoman Bratton, Councilman Pless and Councilman Myers voting "no."

The City Clerk advised that a resolution would be prepared for Council's appointment on January 6, 1983.

APPOINTMENT TO THE ASHEVILLE-BUNCOMBE WATER AUTHORITY

Due to the term of Mr. Charles Mills expiring on the Asheville-Buncombe Water Authority, the Mayor asked for nominations for an appointment to the Asheville-Buncombe Water Authority.

Vice-Mayor Price nominated Charles Mills.

Councilman Myers nominated John Powell.

On a vote of 4-3, John Powell was appointed as a member of the Asheville-Buncombe Water Authority, with Councilman McDevitt, Councilman Pless, Councilman Myers and Councilwoman Bratton voting for John Powell, and Mayor Trantham, Vice-Mayor Price and Councilwoman Frank voting "no."

The City Clerk advised that a resolution would be prepared for Council's appointment on January 6, 1983.

Upon inquiry of Councilmembers, Mr. Ward said approximately 50 percent of the residents in the area are opposed to the closing of this portion of Logan Avenue.

Upon inquiry of Vice-Mayor Price, Mr. Ward said as an alternative, the road could be made one-way and heavy truck usage could be restricted.

The following individuals spoke in opposition to the closing of a portion of Logan Avenue:

J. L. Lawrence	- 124 Logan Avenue
A. I. Spell	- 144 Logan Avenue
Herman McDaniel	- 58 Logan Avenue
Rex Taylor	- 130 Logan Avenue
Weaver Taylor	- 130 Logan Avenue
Williard Coffee	- 149 Logan Avenue
Elmer Davis	- 12 Logan Avenue

Upon inquiry of Councilman Pless, Mr. Ward said to fix the bank properly and eliminate the problem of the bank caving in it would cost approximately \$100,000 and rights of way would have to be obtained.

Councilman Pless said since this was a progressive condition caused by neglect that the City should look into the possibility of repairing the street.

Vice-Mayor Price also suggested an effort to correct the situation and suggested that signing be used to call attention to the hazardous condition.

Councilman McDevitt suggested that a high curb be put in the immediate area to prevent further erosion of the bank.

After discussion, Councilman McDevitt moved to continue the public hearing for thirty (30) days, without further advertisement, instructing the staff to investigate possibilities of making permanent repairs on Logan Avenue and report back to Council with recommendations. This motion was seconded by Vice-Mayor Price and carried unanimously.

PUBLIC HEARING - DESIGNATING "ZEALANDIA" LOCATED ON VANCE GAP ROAD AS HISTORIC PROPERTY

PUBLIC HEARING - DESIGNATING "BEAUFORT LODGE" LOCATED AT 61 N. LIBERTY STREET AS HISTORIC PROPERTY

PUBLIC HEARING - DESIGNATING "THOMAS WOLFE CABIN" LOCATED AT 1200 OTEEN CHURCH ROAD AS HISTORIC PROPERTY

3. Public hearings were held relative to ordinances designating buildings and properties in Buncombe County as historic properties.

Mayor Trantham opened the public hearings at 4:47 p. m.

Verl Emrick, Director of Planning, said these properties have been reviewed pursuant to the North Carolina General Statutes to be designated as local historic sites. He said these designations would enable the property owners a deferment of fifty (50%) percent on their ad valorem taxes. He said these designations have been reviewed by the Department of Archives and History and the Historic Resources Commission.

Thursday - January 6, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless, Gordon Myers and Larry McDevitt; Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilwoman Frank introduced Rev. Robert Douglas from Mary's Episcopal Church, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the December 16, 1982 meeting.

Councilman Myers amended the minutes to reflect his voting "yes" on the appointment of Mr. Bretney Smith to the Asheville-Buncombe Historic Resources Commission.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, the minutes of the December 16, 1982 meeting were unanimously approved as amended.

RECOGNITION OF CHARLES EMRICK - BOY SCOUT EARNING CITIZENSHIP BADGE

Mayor Trantham recognized Charles Emrick, son of Mr. Verl Emrick. Charles was attending the Asheville City Council meeting as a requirement in earning his Boy Scout Citizenship Badge.

PUBLIC HEARING - CLOSING OF A PORTION OF LOGAN AVENUE

2. A public hearing was held relative to closing a portion of Logan Avenue.

Mayor Trantham opened the public hearing at 4:14 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Larry Ward, Planning, Research and Development Director of the Public Works Department, presented a report to members of Council showing the location of the portion of Logan Avenue requested to be closed. He said the purpose of the closing was due to a high bank on the north side of Logan Avenue showing signs of cracking which could cave over into houses below the bank. He said the closing of this portion of Logan Avenue would be the cheapest way to eliminate the problem of the bank caving in on these particular houses. He said the closing of the portion of Logan Avenue would not deprive anyone in the area of ingress or egress. He said the closing would cause a little inconvenience to the residents in the area. He said this is not a major traffic area and that less than 500 cars a day use this portion of Logan Avenue.

4. A public hearing was held relative to rezoning the property in the vicinity of Patton Avenue, Deaverview Road, and Bear Creek Road from Commercial Service District to Light Industrial District.

Mayor Trantham opened the public hearing at 4:59 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission met on January 6, 1983, to consider the rezoning request pending before City Council that property lying in the vicinity of Patton Avenue, Deaverview Road, and Bear Creek Road to be rezoned to Light Industrial District. After discussion the Commission voted to recommend to City Council that lots 4, 4½, 5-3/4, 6, 7, 7½, 9, 11, 12, 81, and 90, Sheet 19, Ward 6 be rezoned from R-3 Residential District and CS Commercial District to Light Industrial District. He said the reason for the rezoning is to accommodate a new industry in that area and to upgrade the existing zoning in the area. He said there was no opposition to this rezoning.

Mayor Trantham closed the public hearing at 5:05 p.m.

Verl Emrick, Director of Planning, read the ordinance.

Councilwoman Frank moved for the adoption of Ordinance No. 1340. This motion was seconded by Councilman Myers.

RESOLUTION NO. 83-2 - RESOLUTION AUTHORIZING FILING OF AN APPLICATION WITH THE NORTH CAROLINA LOCAL GOVERNMENT COMMISSION RELATING TO A PROPOSED GENERAL OBLIGATION BOND ISSUE AND DESIGNATING THE AUTHORIZED REPRESENTATIVE OF THE CITY TO FILE THE APPLICATION AND TO EMPLOY BOND COUNSEL

7. Consideration was given to a resolution authorizing the filing of an application with the North Carolina Local Government Commission relating to a proposed general obligation bond issue and designating the authorized representative of the City to file the application and to employ bond counsel.

Larry Fisher, Director of Finance, said the two (2) previously adopted resolutions were not allowed because the City can not use "2/3 general obligations bond money to purchase buses or to repair the Civic Center roof. Therefore, this resolution will be for the purpose of providing funds for the construction of the Vehicle Maintenance Facility and providing funds for the replacement or rehabilitation of bridges on the Asheville City Street system.

Councilman McDevitt moved for the adoption of Resolution No. 83-2. This motion was seconded by Councilman Pless and carried unanimously.

Complete text of Resolution No. 83-2 will be found in Resolution Book No. 13 at page 401.

ORDINANCE NO. 1341 - BUDGET ORDINANCE AMENDMENT TO PROVIDE AN APPROPRIATION FOR CBD TRAFFIC STUDY

8. Mr. Bob McDonald of the Planning Department said the Asheville Urban Area Technical Coordinating Committee and the Transportation Advisory Committee have recommended that a traffic signal study be conducted for the central business district. The unified work program for 1982-83 has been approved to include \$10,000 in Section 112 planning funds to carry out this study. The Technical Coordinating Committee has recommended that the firm of Robinson-Sanderlin Associates be selected to perform this traffic signal study. He said this budget amendment will provide funding for this project.

Mr. McDonald said the firm would be reviewing 45 intersections in the downtown area and would provide information on how much existing equipment can be used and how much new equipment would be needed to provide for a new traffic signalization in the downtown area.

Upon inquiry, Mr. McDonald said the funding to make the improvements in the downtown area would hopefully be funded by federal grants.

After discussion, Councilwoman Frank moved for the adoption of Ordinance No. 1341. This motion was seconded by Vice Mayor Price.

On a roll call vote of 7-0, Ordinance No. 1341 passed on first and final reading.

Complete text of Ordinance No. 1341 will be found in Book No. 9 at page 427.

RESOLUTION NO. 83-3 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT FOR TRANSPORTATION PLANNING SERVICES WITH ROBINSON-SANDERLIN ASSOCIATES

9. Consideration was given to a resolution authorizing the Mayor to enter into a contract for transportation planning services with Robinson-Sanderlin Associates.

RESOLUTION NO. 83-1 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO AN AGREEMENT WITH ZUCHELLI, HUNTER AND ASSOCIATES, INC.

5. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into an agreement with Zuchelli, Hunter and Associates, Inc.

The City Manager read the resolution stating that private citizens and the Buncombe County Commissioners are participating with the City Council of the City of Asheville to pay for action oriented development projects in downtown Asheville. This resolution will authorize the Mayor to sign an agreement with Zuchelli, Hunter and Associates, Inc. for services to be rendered in conjunction with the development projects agreement.

Wayne Caldwell, a member of the Asheville Downtown Commission, spoke in favor of the adoption of the resolution.

Mr. David Brown, President of the Lexington Park Association, questioned whether or not the private sector had already deposited their \$40,000 to be contributed to the project.

Mr. Lewis W. Green, Publisher of a monthly newspaper, also questioned the private sector putting up their \$40,000.

Ralph Bishop also spoke in opposition to the resolution.

After discussion, Councilwoman Frank moved for the adoption of Resolution No. 83-1. This motion was seconded by Vice Mayor Price and carried unanimously.

Complete text of Resolution No. 83-1 will be found in Resolution Book No. 13 at Page 400.

CONTINUATION OF A PUBLIC HEARING - DEMOLITION AND REMOVAL - 230 CUMBERLAND AVENUE

6. A public hearing was continued to relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 230 Cumberland Avenue.

Mayor Trantham stated that this public hearing was continued from the October 28, 1982 meeting at which time a motion was made to continue the public hearing for 60 days without further advertisement, provided the owner of 230 Cumberland Avenue consents to the Inspections Division having the electrical service pulled from the dwelling and the owner putting in a temporary construction line and provided further that the owner complete all necessary electrical work within the 60 days.

Mr. J. E. Johnson, Director of Inspections, said he had inspected 230 Cumberland Avenue today and found that the electrical power on the premises had been pulled. However, no temporary service had been provided for.

Mr. William McCannless, owner of 230 Cumberland Avenue, said he had a contract with Fairview Electric Company to restore the electrical service at 230 Cumberland Avenue. However, Fairview Electric Company has not provided this service as of this date. He requested a continuation of the public hearing.

After discussion, Councilman Pless moved to continue the public hearing for two weeks stating that he would make a personal inspection of 230 Cumberland Avenue to make sure a temporary electrical hook up is made. He said he would make the report to Council in two weeks. This motion was seconded by Councilwoman Bratton and carried unanimously.

13. Consideration was given to a resolution appointing a member to the Asheville-Buncombe Water Authority.

The City Manager read the resolution stating that this would appoint Mr. John A. Powell as a member of the Asheville-Buncombe Water Authority.

Councilman Larry McDevitt made the following statement relative to the appointment of Mr. John A. Powell on the Authority.

"Last spring the Water Authority recommended to the City Council that a new transmission line between North Fork and Bee Tree Reservoirs be built, and that this be funded partially by a twenty percent (20%) increase in water rates. I disagreed then, and now, with these policies on the following grounds: (1) I believe that we should proceed immediately to develop a new water source that addresses our long range water problems; and, (2) I believe that even if the transmission line is to be built, the rate increase was unfair in these economic times, was unnecessary since funds could be achieved through administrative economies, and would seriously jeopardize our chances of gaining the public support necessary for the bond issue still needed to solve our long range water problems. I was the only Member of City Council to vote against approval of these policies. Mr. Mills is a fine person and has served the Authority well. However, since he supported those policies, I concluded that having another point of view represented on the Authority would be in the public interest. For that reason and that reason alone, I voted for a change in the City's representation on the Authority.

"Despite these policy difference, I support the work and effort of the fine citizens which are serving, and have served, on the Authority, and I thank them for their efforts on behalf of our community."

Councilwoman Frank stated that she had voted for Charles Mills as a member of the Authority at the December 16, 1982 meeting; however, to follow Council majority she would vote for Mr. John Powell at today's meeting.

Mayor Trantham said that he partially agreed with Councilman McDevitt's statement. However, the complete Water Authority took action on the water rates and Council should not hold that against one member of the Authority.

Councilman Myers said before the controversy surrounding the Water Authority appointment was more imagined than real, that split votes were the epitome of what the democratic process was all about. He said close council votes should not be viewed as dissension or a split, but as representation for all the people of the City.

Councilman Pless moved for the adoption of Resolution No. 83-7. This motion was seconded by Councilwoman Bratton and carried on a voice vote of 5-2, with Mayor Trantham and Vice Mayor Price voting "No."

Complete text of Resolution No. 83-7 will be found in Resolution Book No. 13 at page 408.

SUPPORT REQUESTED FOR THE HILLCREST ENRICHMENT CENTER TO ATTEND CELEBRATION IN ATLANTA

Councilwoman Bratton told members of Council that the Hillcrest Enrichment Center has been invited to a celebration for the late Dr. Martin Luther King on January 9-15 in Atlanta. She said that the Hillcrest Team would be going at their own expense and they are requesting donations from the private sector to attend the celebration.

ORDINANCE NO. 1340 - AN ORDINANCE AMENDING ORDINANCE NO. 322 KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property in the vicinity of Patton Avenue, Deaverview Road, and Bear Creek Road from Commercial Service District to Light Industrial District)

2. Consideration was given to the second reading of Ordinance No. 1340, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended, rezoning property in the vicinity of Patton Avenue, Deaverview Road, and Bear Creek Road from Commercial Service District to Light Industrial District.

Vice-Mayor Price said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1340 passed on second reading.

Councilman McDevitt moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1340. This motion was seconded by Councilman Pless and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1340 passed on third and final reading.

Complete text of Ordinance No. 1340 will be found in Ordinance Book No. 9 at page 426.

Mayor Trantham arrived at the Council meeting at 4:10 p. m. However, Vice-Mayor Price continued to chair the meeting.

plant at 9 North Bear Creek Road. She said initial hiring for the new plant will be about 30 new jobs. She said Magnetics International has expanded into the Barnardsville area and has used Industrial Revenue Bonds to establish the plant. She said North Carolina law does not permit them to use Industrial Revenue Bonds for the next two years. Therefore, they are requesting the assistance from the City in applying for UDAG funds. She said a public hearing is necessary for the City to apply for the UDAG funds for the Magnetics International, Inc. company.

Vice Mayor Price moved to schedule public hearings on January 20, 1983 and January 27, 1983 relative to application for UDAG funding. This motion was seconded by Councilman McDevitt and carried unanimously.

RESOLUTION NO. 83-8 - RESOLUTION SUPPORTING THE UNIVERSITY OF NORTH CAROLINA AT ASHEVILLE'S SCHOOL OF ENGINEERING

Consideration was given to a resolution supporting the University of North Carolina at Asheville's School of Engineering.

The City Manager read the resolution.

Upon motion of Councilwoman Bratton, seconded by Councilman Myers, Resolution No. 83-8 was unanimously adopted.

Complete text of Resolution No. 83-8 will be found in Resolution Book No. 13 at page 409.

RESOLUTION NO. 83-10 - RESOLUTION AUTHORIZING MAYOR TO SIGN AGREEMENTS NECESSARY FOR THE CONSTRUCTION OF A SANITARY SEWER ON AIRPORT ROAD

8. Consideration was given to a resolution authorizing Mayor to sign agreements necessary for the construction of a sanitary sewer on Airport Road.

The City Manager read the resolution which stated that the City of Asheville, in cooperation with the Asheville Regional Airport, WNC Agricultural Center, proposed Holiday Inn, known as Airport Associates, Inc. and other commercial sites is in the planning process for the construction of a sanitary sewer on Airport Road in order to service these facilities. These facilities have agreed to participate in the financing of this sewer line and agreements for the specific funding for each individual party are being prepared. This resolution will authorize the Mayor to sign the agreements necessary for the construction of the sanitary sewer on Airport Road.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 83-10 was unanimously adopted.

Complete text of Resolution No. 83-10 will be found in Resolution Book No. 13 at page 411.

PRESENTATION BY GROUP OF RETIRED POLICE OFFICERS

3. Mr. Garland Wible appeared before Council on behalf of the retired police officers and widows of retired police officers. He again requested that Council consider a pension increase for these individuals due to the high cost of living.

Councilman Pless told the group of police officers that the Fringe Benefits Committee is presently working on something for the retired police officers.

Mr. Don Maney, retired police officer, asked that the request be clarified that the officers are requesting an annual cost of living increase rather than an increase in pension.

ORDINANCE NO. 1342 - BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR TRUCKWAY DRAINAGE IMPROVEMENT PROJECT

4. Consideration was given to a budget ordinance amendment to provide funding for Truckway Drainage Improvement Project.

The City Manager read the ordinance stating that the budget amendment in the amount of \$48,000 is to provide funding for the Truckway Drainage Improvement Project.

Councilwoman Frank moved for the adoption of Ordinance No. 1342. This motion was seconded by Councilman McDevitt.

remain for the future development of a recreational program. Mayor Trantham stated that he felt that there was a need for a definite understanding as to what should be included. Councilman Pless said if the City planned to run a recreational program, the scoreboard and lighting system should remain. This concluded the discussion without a final decision.

With reference to the proposed joint resolution, Councilman McDevitt suggested that since two members of the Council were not present; Council should defer action on the resolution until the other members had a chance to review it.

Chairman Ratcliff said that all the Commissioners were present and were prepared to vote on it at this time. He then asked for a motion for the approval of the resolution. Commissioner Giezentanner so moved, which motion was seconded by Commissioner Ledbetter and carried unanimously.

The second item on the agenda was a report on a proposed city/county telephone system. Richard Kendrick, City of Asheville Management Analyst, said the complete study would be complete in about thirty (30) days.

Upon inquiry of Councilman McDevitt, Mr. Jacklin, County Purchasing Agent, said inclusion of state offices had been considered in the study but it was determined that it would be very expensive. Councilman McDevitt said he felt, for the convenience of the public, some type of tie-in with state offices should be investigated.

Commissioner Riddle said consideration should also be given to an emergency system.

There being no further business to come before the joint city/county meeting, the meeting adjourned.

MINUTES OF THE JOINT MEETING BETWEEN THE ASHEVILLE CITY COUNCIL AND THE BUNCOMBE COUNTY BOARD OF COMMISSIONERS FOR THE COUNTY OF BUNCOMBE HELD TUESDAY, OCTOBER 12, 1982
AT 3:00 P. M.

A joint meeting between the Asheville City Council and the Board of Commissioners for Buncombe County was held on Tuesday, October 12, 1982 at 3:00 p. m. in the Council Chambers, Asheville City Hall, Asheville, North Carolina.

Those present were: Mayor Roy M. Trantham; City Council members Larry McDevitt, Mary Lloyd Frank, and Joe Pless; Ken Michalove, Asheville City Manager, William F. Wolcott, Jr., Asheville Associate City Manager/City Clerk; R. Curtis Ratcliff, Chairman, Buncombe County Board of Commissioners; Commissioners Doris Giezantanner, J. D. Jackson, Jesse Ledbetter and Robert Riddle; W. F. Taylor, County Director of Finance; Keith Snyder, County Attorney; C. W. Tessier; J. Richard Kendrick and Wayne Jacklin.

Mayor Trantham called the meeting to order and asked Chairman Ratcliff to comment on the first item on the agenda, the disposition of Memorial Stadium. Chairman Ratcliff said that the Commissioners had discussed the subject at length and were aware of the provisions of the Water Authority Agreement stipulating the future transfer of this property to the County. However, he said that since the Asheville High School was in the process of developing a stadium complex on their own campus, a project the County has agreed to fund, a majority of the Commissioners felt that there was very little use in maintaining another similar facility. Under the circumstances they were prepared to amend the Water Agreement to delete the transfer of Memorial Stadium. He said that Keith Snyder, County Attorney, had prepared a joint City/County resolution to this effect and he asked Mr. Snyder to present the resolution.

In the discussion that followed there was concern that the resolution did not reflect the exact limits of the property to be deleted. Further, it did not spell out the materials to be salvaged for use at the high school and those that would

Mayor Trantham acknowledged receipt of a letter from Chairman Ratcliff outlining the details of the proposed "tipping fees" as it pertains to the City of Asheville. (Copy of letter dated 12-23-82 attached)

Mike Hawks of the Buncombe County Planning Department and a member of the Landfill Advisory Committee, reviewed the "tipping fee" schedule and explained the accounting system for collection of the fees. He answered questions from members of the City Council relative to the charges proposed for the City of Asheville's use at the landfills.

A discussion, initiated by Mayor Trantham and City Attorney William C. Moore, was held relative to the legality of the County of Buncombe imposing a disposal fee upon the City of Asheville. City Attorney Moore said it was his understanding that according to the North Carolina General Statutes the County can not legally impose such a fee upon the City because ad valorem tax money was used to purchase the landfill property, construct the facility, and to operate the facility.

After several opinions were rendered it was the consensus of Council and the Commissioners that a legal opinion be obtained from the North Carolina Attorney General, the North Carolina League of Municipalities, and the Institute of Government.

Chuck Tessier, Buncombe County Planner, said the user fees are proposed to put the solid waste disposal operation on a "self-sufficient basis."

Councilwoman Frank, as a member of the Buncombe County Energy Committee, suggested that the City Council and Buncombe County Commissioners look into a reclamation plant or a workable resource recovery system for solid waste in the City and County.

Upon inquiry of Councilman McDevitt, the County Commissioners said they would be willing to review "supportable data" from the City on negotiating the "tipping fees" against city/county facilities that have assets for both.

The final decision of the governing boards was to instruct the City and County attorneys to obtain a legal opinion on the charging of "tipping fees" and to look at the future of solid waste in the City and County.

SCHEDULING OF REGULAR CITY COUNCIL/COUNTY COMMISSIONERS MEETINGS

A discussion was held relative to scheduling regular City Council/County Commissioners joint meetings.

DISCUSSION OF "TIPPING FEES" PROPOSED BY BUNCOMBE COUNTY COMMISSIONERS

Chairman Ratcliff said in adopting the Fiscal 1982-83 County Budget, the Commissioners announced their intention to adopt a user fee plan to finance solid waste disposal in Buncombe County in order to replace the use of ad valorem taxes to finance the program. He said on December 21, 1982, the Commissioners adopted a resolution implementing "tipping fees" for Solid Waste Disposal. (Copy of resolution attached)

RESOLUTION # _____

RESOLUTION IMPLEMENTING TIPPING FEES FOR SOLID WASTE DISPOSAL

WHEREAS, Pursuant to North Carolina General Statutes section 153a-292, a county may impose fees for the use of its disposal facilities; and

WHEREAS, this Board desires to discontinue using general revenues to finance its solid waste facilities; and

WHEREAS, this Board has developed a plan for financing its solid waste disposal facilities; and

WHEREAS, this Board desires to impose user fees at its landfill and transfer station sufficient to defray the cost of operating said facilities.

NOW, THEREFORE BE IT ORDAINED by the Board of Commissioners for the County of Buncombe as follows:

1. That user fees be charged for the disposal of solid waste at the county landfill and transfer station.
2. That the fee for disposal at said facilities shall be at the following rates:

Automobiles	\$.50 flat rate
Pickups & automobiles with trailers	\$1.50 flat rate

Joint meeting - Asheville City Council/Buncombe County Commissioners
Tuesday, January 11, 1983
Page Three

It was the consensus that a joint meeting of the City Council/County Commissioners would be held every other month on the second or fourth Tuesday of the month. However, if the need arises between regularly scheduled meetings a called meeting of the boards could be held.

Commissioner Riddle suggested that the City Council and County Commissioners compose a list of issues that cover both boundaries that need to be mutually discussed for long range plans for the City and County. He also suggested that these issues be prioritized.

Chairman Ratcliff announced that a Budget Advisory Committee meeting is scheduled for 3:00 p. m. today at the Court House. He said all towns within Buncombe County have been invited to attend.

There being no further business to come before the joint city/county meeting, the meeting adjourned.

Asheville, N.C. 28807

Dear Mayor Trantham:

During the past several years the cost of solid waste disposal has risen substantially. Accordingly, the Board of Commissioners in adopting the Fiscal Year 1982-1983 budget announced their intention to adopt a user fee plan to finance solid waste disposal in Buncombe County. The Board has now adopted a user fee plan to replace the use of ad valorem taxes to finance this program. The user fee plan which will become effective February 1, 1983 will cover both operating and capital costs for the solid waste disposal and landfill program. Enclosed herewith as attachment #1 you will find a copy of the fee schedule which has been approved by the Board of Commissioners.

In order to dispose of the city's waste at the landfill or transfer station after January 31, 1983, you must pay cash or establish a credit account. You can establish a credit account by filling in the forms provided in attachment #2 of this letter and returning them by January 10, 1983 to Mr. William F. Taylor, Director of Finance for Buncombe County. Mr. Taylor's address is on the bottom of the credit form. The County's billing process for credit customers will operate as follows:

1. All accounts will be totaled on the 26th of every month.
2. On the first of every month a billing statement will be mailed to you indicating the status of your account.
3. Payment of your account will be due before or on the 25th of the month.

To explain this program in more detail and answer questions, I have asked Michael Hawks of the Buncombe County Planning Department to schedule a meeting for Tuesday, January 11, 1983 at 3:00 P.M. in the Commissioners Chambers, 2nd floor of the County Courthouse. Should you have any more questions before this meeting concerning the tipping fee program, please call Mr. Hawks at 255-5777.

Sincerely,

R. Curtis Ratcliff

SALE OF DISPOSAL PARCEL 3 - CIVIC REDEVELOPMENT PROJECT

6. Consideration was given to a motion approving the sale of Disposal Parcel 3 in the Civic Redevelopment Project.

The City Manager said the Housing Authority has tentatively accepted a bid in the amount of \$75,100 for Disposal Parcel 3 in the Civic Redevelopment Project from Beverly-Grant, Inc. Beverly-Grant, Inc. proposes to construct a two story, 6,000 square foot office building at an estimated cost of \$360,000.

Larry Holt, Deputy Executive Director of the Housing Authority of the City of Asheville, said this property is located on College and Pine Street. He said the property was originally purchased by Western Carolina Bank and Trust Company. He said at the time of the sale of the property to Western Carolina Bank and Trust Company conditions were imposed on the Bank to construct an office building consisting of 5,000 square feet at a cost of \$750,000 by February, 1980. He said in April, 1980 First National Bank of Catawba purchased the property and assumed the restrictions. He said in November, 1981, First Union National Bank purchased the property and assumed the restrictions. However, it was determined that they could not meet the restrictions because they could not own investment property. Therefore, the Housing Authority purchased the parcel for the purchase price of \$40,500 paid by Western Carolina Bank and Trust Company. The property was then reappraised and put on the market and a bid was received in the amount of \$75,100. He said the proceeds from the sale of the lot would go to Community Development Block Grant Activities.

Upon inquiry of Councilman Myers, Mr. Holt said the purchase would be closed on or before January, 1984. The property was appraised in 1977 for \$35,000 and for \$75,000 in 1982.

Councilwoman Frank moved to approve the sale of Disposal Parcel 3 in the Civic Redevelopment Project to Beverly-Grant, Inc in the amount of \$75,100. This motion was seconded by Vice-Mayor Price and carried unanimously.

RESOLUTION NO. 83-12 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A SUPPLEMENTAL MUNICIPAL AGREEMENT FOR TRAFFIC CONTROL DEVICES UNDER PROJECT 8.2017501 KNOWN AS THE VALLEY STREET PROJECT

7. Consideration was given to a resolution authorizing the Mayor to execute a supplemental Municipal Agreement for traffic control devices under Project 8.2017501 known as the Valley Street Project.

The City Manager read the resolution which stated that the North Carolina Department of Transportation and the City of Asheville entered into a Municipal Agreement on December 2, 1982 for the construction on Valley Street from Biltmore Avenue to Poplar Street. The North Carolina Department of Transportation and the City of Asheville wish to amend the Agreement to delete the traffic signal at the intersection of Beaumont Street and Valley Street.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 83-12 was unanimously adopted.

Complete text of Resolution No. 83-12 will be found in Resolution Book No. 13 at page 413.

Don Whiteman, Executive Vice-President of Magnetics International, Inc., said his company manufactures industrial goods and opened a plant three (3) years ago in Barnardsville and they are interested in opening a plant in Asheville. He said within one (1) year they would have 90 employees and within three (3) years they propose to have 140 employees. He said they need help from the City of Asheville due to the competitive market at the present.

Becky Williams said a final public hearing on the UDAG application will be held at the Council meeting on January 27, 1983. She said she felt this action is in the best interest of the City of Asheville and the project applicant.

Mayor Trantham closed the public hearing at 4:15 p. m.

CONTINUATION OF PUBLIC HEARING - DEMOLITION AND REMOVAL OF 230 CUMBERLAND AVENUE

4. A public hearing relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 230 Cumberland Avenue continued.

Councilman Pless reported to Council that a temporary construction line was installed at 230 Cumberland Avenue today. He said Carolina Power and Light Company has been called to turn the power on to the temporary line.

Councilman Pless moved to continue the public hearing instructing that Mr. J. E. Johnson, Director of Inspections, give a progress report to Council, during a pre-Council meeting, every 6-8 weeks on the progress being made at 230 Cumberland Avenue. He said if Council felt no progress was being made, the continuation of the public hearing could be placed on the agenda at that time. This motion was seconded by Vice-Mayor Price and carried unanimously.

ORDINANCE NO. 1344 - BUDGET ORDINANCE AMENDMENT TO CLOSE-OUT COMPLETED COMMUNITY DEVELOPMENT PROJECTS AND PROVIDE FUNDS FOR COMMUNITY DEVELOPMENT CONTINUING PROJECTS

5. Consideration was given to a budget ordinance amendment to close-out completed CD projects and provide funds for CD continuing projects.

The City Manager read the ordinance stating that this budget amendment will close-out completed Community Development projects and reallocate funds for Community Development continuing projects.

Councilwoman Bratton moved for the adoption of Ordinance No. 1344. This motion was seconded by Councilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1344 passed on first and final reading.

Complete text of Ordinance No. 1344 will be found in Ordinance Book No. 9 at page 430.

PUBLIC RECOGNITION TO LOGAN DELANY, COMMUNITY DEVELOPMENT DEPARTMENT

Councilwoman Bratton publically commended Mr. Logan Delany and the Community Development Department for their efforts in obtaining the "National Certificate of Merit Award" from the U. S. Department of Housing and Urban Development for sponsoring the "Dollar-A-Lot Program."

RESOLUTION NO. 83-15 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH PIEDMONT PAPER COMPANY FOR DISPOSAL OF USED TIRES

10. Consideration was given to a resolution authorizing the Mayor to execute an agreement with Piedmont Paper Company for disposal of used tires.

The City Manager read the resolution which stated that Piedmont Paper Company has approximately 3,000 used tires stored at 85 Thompson Street which they have been unable to locate any private firm to dispose of the used tires. Piedmont Paper Company agrees to pay the City their cost for removing the tires and the Sanitation Division is equipped to carry out the work required to dispose of the used tires. This work will be scheduled in such a manner as not to interfere with the regular operations and duties of the Sanitation Division. This resolution will authorize the Mayor to execute an agreement with Piedmont Paper Company for removal and disposal of the used tires.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 83-15 was unanimously adopted.

Complete text of Resolution No. 83-15 will be found in Resolution Book No. 13 at page 416.

RESOLUTION NO. 83-16 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A PARKING AGREEMENT WITH MT. ZION CHURCH

11. Consideration was given to a resolution authorizing the Mayor to execute a parking agreement with Mt. Zion Church.

The City Manager read the resolution which stated that Mt. Zion Church has requested permission to use a portion of the Eagle Street Parking Lot as church parking on Sundays. The portion of lot requested to be used by Mt. Zion Church is not used by the City on Sunday. This resolution will authorize the Mayor to execute a Letter of Agreement with Mt. Zion Church allowing the use of a portion of the Eagle Street parking lots on Sundays.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-16 was unanimously adopted.

Complete text of Resolution No. 83-16 will be found in Resolution Book No. 13 at page 417.

RESOLUTION NO. 83-17 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ENTER INTO AN AGREEMENT FOR THE ADMINISTRATION OF A 501 (c)(9) TRUST

12. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to enter into an agreement for the administration of a 501(c)(9) Trust.

The City Manager read the resolution which stated the City of Asheville is required by law to establish a trust in connection with the City's self insured group health hospitalization and medical insurance program.

RESOLUTION NO. 83-13 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY AGREEMENT WITH COR ENTERPRISES II, A NORTH CAROLINA GENERAL PARTNERSHIP, CONCERNING THE RELOCATION OF AN EIGHT INCH SEWER PIPELINE

8. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way agreement with Cor Enterprises II, a North Carolina General Partnership, concerning the relocation of an eight inch sewer pipeline.

The City Manager read the resolution which stated that Cor Enterprises II is going to construct an office building on a parcel of land at the intersection of McDowell Street and Choctaw Street. The northern portion of this property has an existing eight (8) inch sewer line running east to west. It is necessary for the aforementioned company to move this existing sewer line to a new location in order for them to construct their proposed building. Cor Enterprises II is willing to relocate this existing sewer line, at their expense, and is willing to provide for this sewer line a ten (10) foot easement.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-13 was unanimously adopted.

Complete text of Resolution No. 83-13 will be found in Resolution Book No. 13 at page 414.

RESOLUTION NO. 83-14 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO ASSENT TO ASSIGNMENT OF THE LEASE FOR PROFESSIONAL BASEBALL AT McCORMICK FIELD

9. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to assent to assignment of the lease for professional baseball at McCormick Field.

The City Manager read the resolution stating that this resolution will authorize the Mayor to execute on behalf of the City of Asheville an agreement to assign the lease for professional baseball at McCormick Field. The current contract, between the City and Tourists Baseball, Inc., executed on March 1, 1979, will be transferred and assigned to Asheville Tourists Baseball Club, Inc. if this resolution is approved.

Upon inquiry of Councilman McDevitt, Ray Kisiah, Director of Parks and Recreation, said the current contract expires on September 30, 1984. He said the assignment does not have new terms. He said they are aware that under the Water Agreement the McCormick Field will be taken over by the County of Buncombe on July 1, 1984.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-14 was unanimously adopted.

Complete text of Resolution No. 83-14 will be found in Resolution Book No. 13 at page 415.

RALPH BISHOP - COMMENTS RELATIVE TO OBTAINING CITY PENSION RECORDS AND COMMENTS RELATIVE TO THE CITY MANAGER

Ralph Bishop handed the City Manager a letter which he said requested police pension records relative to former Police Chief J. C. Hall. He also made comments condemning the manner in which the City was managed.

ADJOURNMENT

Vice-Mayor Price moved to adjourn the meeting to meet again on January 27, 1983 at 4:00 p. m. in the Asheville Civic Center Banquet Room. This motion was seconded by Councilman McDevitt and carried unanimously.

Ray M. Lamm
MAYOR

William F. Mellett
CITY CLERK

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 83-17 was unanimously adopted.

Complete text of Resolution No. 83-17 will be found in Resolution Book No. 13 at page 418.

RESOLUTION NO. 83-18 - RESOLUTION APPROVING THE APPOINTMENT OF SMITH MOORE SMITH SCHELL & HUNTER, GREENSBORO, NORTH CAROLINA, AS BOND COUNSEL IN CONNECTION WITH GENERAL OBLIGATION BONDS OF THE CITY OF ASHEVILLE IN AN ESTIMATED AGGREGATE PRINCIPAL AMOUNT OF \$885,000

13. Consideration was given to a resolution approving the appointment of Smith Moore Smith Schell & Hunter, Greensboro, North Carolina, as bond counsel in connection with general obligation bonds of the City of Asheville in an estimated aggregate principal amount of \$885,000.

The City Manager read the resolution.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 83-18 was unanimously adopted.

Complete text of Resolution No. 83-18 will be found in Resolution Book No. 13 at page 419-420.

Councilman McDevitt said the City staff should notify the Buncombe County Commissioners and the Water Authority that the City of Asheville has retained this bond counsel for this bond issue. He said it was his hopes that, if everything works out well, that perhaps they could also use this bond counsel on future bond issues.

PROCLAMATION - INTERNATIONAL FORGIVENESS WEEK - JANUARY 23-29, 1983

Mayor Trantham proclaimed the week of January 23-29, 1983 as "International Forgiveness Week."

RESOLUTION NO. 83-19 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION CONCERNING A SIXTEEN INCH SEWER PIPELINE

Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation concerning a sixteen inch sewer pipeline.

The City Manager read the resolution which stated that the City of Asheville desires to encroach on the right-of-way of Elk Mountain Scenic Highway, N. C. 694, near its intersection with Beaverdam Road, with the construction of a sixteen inch sewer line and related appurtenances.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-19 was unanimously adopted.

FINAL PUBLIC HEARING - UDAG APPLICATION FOR MAGNETICS INTERNATIONAL, INC.

RESOLUTION NO. 83-21 - RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT THROUGH THE URBAN DEVELOPMENT ACTION GRANT PROGRAM

3. A final public hearing was held relative to a UDAG application for Magnetics International, Inc.

Vice Mayor Price opened the public hearing at 4:35 p.m.

The City Manager presented the affidavit of publication setting the time and the date of the public hearing.

Marvin Vierra of the Planning Department said this was the last public hearing required prior to submitting the application to HUD. He said of the 7.8 million dollars requested, the UDAG portion of 1.5 million dollars would go toward the acquisition of the property and equipment for the proposed plant at 9 North Bear Creek Road. He said the present 6-inch water line and 8-inch sewer line were adequate for serving the facility.

Mr. Vierra said the Magnetics International Plant would boost the economy of the area by providing 90 jobs initially and in a 3-year period, approximately 141 jobs.

Upon inquiry of Councilman McDevitt, Mr. Vierra said the City would not have to repay the 1.5 million dollars to HUD and that the City could use this money for other economic development projects.

In response to a question from Councilwoman Bratton, Mr. Vierra said all federal guidelines must be adhered to by Magnetics International for this project.

Councilman McDevitt asked if there would be any financial exposure to the City and Mr. Vierra said this project was 100 percent funded by the federal government and that no matching funds were required by the City.

Since there were no other public comments, Vice Mayor Price closed the public hearing at 4:50 p.m.

The Corporation Counsel read the resolution.

Councilwoman Bratton moved for the adoption of Resolution No. 83-21. This motion was seconded by Councilwoman Frank and carried unanimously.

In response to a question from Councilman McDevitt, Mr. Vierra said the only costs to be incurred by the City would be for legal fees in the amount of \$1,500. Councilman McDevitt said he would like to suggest that the City insist on the developer paying these fees.

The invocation was given by Reverend Christopher of St. James AME Church.

MINUTES

1. Approval of the minutes of the January 20, 1983, meeting.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, the minutes of the January 20, 1983, meeting were unanimously approved as submitted.

RESOLUTION NO. 83-20 - RESOLUTION PROCLAIMING THE MONTH OF FEBRUARY, 1983, AS "LUCY S. HERRING MONTH"

2. Consideration was given to a resolution proclaiming the months of February, 1983, as "Lucy S. Herring Month."

Councilwoman Bratton read the resolution and moved for its adoption. This motion was seconded by Councilman Pless and carried unanimously.

Vice Mayor Price asked Mrs. Herring to come forward for the presentation of the resolution by Councilwoman Bratton.

Mrs. Herring thanked Council for the honor bestowed upon her. Upon inquiry of Vice Mayor Price, Mrs. Herring said copies of her book "Strangers No More" were currently on sale at the bookstore on Haywood Street and after Saturday, the book would be on sale at the B. Dalton Book Store and the Y.M.I.

Reverend Grant thanked Council for honoring Mrs. Herring.

Councilman McDevitt read the synopsis on the back cover of "Strangers No More" and told Mrs. Herring she was an inspiration to the whole community.

Councilman Pless told Mrs. Herring that it is because of people in our community like her that Asheville has gained the distinction of being rated "one of the best places in America to live." He said he hopes this Council and future Councils will always take

Mayor Trantham arrived at the meeting at 5:05 p.m. and presided over the rest of the meeting.

The meeting was recessed at 5:10 p.m. and reconvened at 5:30 p.m.

PRESENTATION BY THE DOWNTOWN CONSULTANTS, ZUCHELLI, HUNTER AND ASSOCIATES

Mayor Trantham said almost a year ago, on January 25, 1982, a public hearing had been held in the Banquet Room of the Civic Center to give interested citizens an opportunity to make suggestions about the revitalization of downtown. He said he believed the City was at a crossroads to set goals and to plan the future of Downtown Asheville and as a result of that belief, the Mayor's Downtown Task Force had been established. The Task Force was made up of citizens of Asheville and members of the County Commissioners and the City Council. Since its creation, Mayor Trantham said many of the Task Force's recommendations and other activities in our City had been carried out.

Mayor Trantham introduced the members of the Mayor's Task Force and the Downtown Commission and asked each of them to stand when their names were called. Mayor Trantham then called on Becky Williams, Director of Economic Development, to report on the progress and accomplishments made over the past year.

Mrs. Williams said the major accomplishment over the past year had been the participation of citizens with varying opinions who had worked to plan for the future of the Downtown. She said over 250 people had attended the Mayor's Downtown Meeting last January and that approximately 45 people, including elected officials and citizens, had met on a formal basis during that time for at least 30 official meetings and numerous committee and sub-committee meetings. In addition, she said, 3,000 citizens submitted their ideas on downtown development through a questionnaire that was mailed out with the water bills.

Mrs. Williams said the response to this input from the City included the appointment of a Mayor's Downtown Task Force, whose purpose was to present recommended goals and key policies for downtown revitalization to City Council. She said this report was completed in June and the following recommendations had been carried out:

- Financial Incentives were established in the form of a \$5 million dollar Downtown Loan Pool with five (5) banks participating and the City and County government providing owner interest subsidies.
- The establishment of an SBA 503 Program to lower loan interest funds to existing business for expansion purposes and that the first loan under this program was made in December and that several more were in the process of being put together.

Section 3. That the City Clerk be and he is hereby directed to publish said order, together with the appended statement giving notice of said hearing as required by The Local Government Bond Act, as amended, once in The Asheville Times not later than the sixth day before the date of said public hearing.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 83-26 was unanimously adopted.

Complete text of Resolution No. 83-26 will be found in Resolution Book No. 13 at page 429.

PROCLAMATION - HISTORY MONTH

Vice Mayor Price proclaimed the month of February, 1983, as "History Month."

CLAIMS - BILL MOORE (PUBLIC WORKS), SADIE WOOTEN (WATER & SEWER), RUTH BECK (WATER & SEWER)

The City Manager presented claims received from Bill Moore (Public Works), Sadie Wooten (Water & Sewer) and Ruth Beck (Water & Sewer).

Vice Mayor Price referred the claims to the Corporation Counsel for investigation and recommendation.

ORDINANCE NO. 1347 - A BUDGET ORDINANCE AMENDMENT TO PROVIDE FUNDING FOR AIRPORT SEWER PROJECT

Consideration was given to a budget ordinance amendment to provide funds for the Airport Sewer Project.

The City Manager read the ordinance which stated that this budget amendment in the amount of \$20,150 is to provide the City's portion of funding for the Airport Sewer Project.

Councilwoman Frank moved for the adoption of Ordinance No. 1347. This motion was seconded by Councilman McDevitt.

On a roll call vote of 5-0, Ordinance No. 1347 passed on first and final reading.

Complete text of Ordinance No. 1347 will be found in Ordinance Book No. 9 at page 430.

ORDINANCE NO. 1348 - A BUDGET ORDINANCE AMENDMENT TO ESTABLISH A CAPITAL PROJECT FOR THE AIRPORT SEWER LINE GRANT

Consideration was given to a budget ordinance amendment to establish a capital project for the Airport Sewer Line Grant.

The City Manager read the ordinance which stated that this budget amendment is to establish a capital project for the Airport Sewer Line Grant in the amount of \$230,300.

Councilwoman Frank moved for the adoption of Ordinance No. 1348. This motion was seconded by Councilwoman Bratton.

Mayor Trantham thanked Mrs. Williams for her presentation and said that one of the major accomplishments of the group had been putting together public and private money to hire consultants to assist the City in putting together development projects for the downtown. Mayor Trantham then introduced Donald Zuchelli and Ralph Basile of Zuchelli, Hunter and Associates.

Donald Zuchelli, President of Zuchelli, Hunter and Associates, consultant firm, said keeping things relatively small and simple while winning public participation and support must be considered major goals in an attempt to revitalize Asheville's downtown area. He said his firm is proposing a three-phase, 20 point plan to be followed in the search for realistic development proposals for retail, housing and office space. He said community participation sessions are included in all three phases. He said the success of the project will depend upon public input, communication and community organization, involvement and support. He said Asheville has an "unsatisfied or latent market" particularly in the area of "eating, drinking and entertainment which encourages daytime and nighttime cultural activities." He said he also saw a "strong residential market." He said Phase I will begin with a marketing analysis and financial feasibility study. He said in-depth work would begin with Phase II and would include a decision as to which projects should be dropped and which projects should be pursued, as well as a preliminary selection of potential sites. He said Phases I and II could be completed as early as June.

Mr. Ralph Basile, Vice-President of Zuchelli, Hunter and Associates, said Phase III, the developer solicitation process, will involve the courtship of a private developer and finalization of financial strategies through the use of financial data compiled in Phase II. He said the financing arrangements for any redevelopment project should be kept simple to increase the project's chances of attracting a developer's interest and winning community support. He said any immediate project to be developed in downtown will certainly require a combination of private and public funds. He said possible sources of public money include Urban Development Action Grants, and he said the Zuchelli firm has a working relationship with developers across the nation. He said it is important to look for a blend of monetary sources. He said Phase III could be completed by August.

ADJOURNMENT

Upon motion, the meeting adjourned at 5:50 p.m.

Reynold Trantham Mayor Michael Z. Holcomb City Clerk

- These incentives are under the auspices of the Asheville -Buncombe Development Corporation, a non-profit organization whose goals are to promote business and industry in Buncombe County.
- The establishment of an Economic Development Trust Fund by the City to fund improvements such as water and sewer which encourage economic development.

Mrs. Williams said zoning and ordinance revisions had been evaluated or were in the process of being worked on which included zoning to include a wide variety of economic activities in the downtown that would be formalized in February; a minimum maintenance ordinance had been drawn up and is currently being studied by the Downtown Commission; and the 1981 Redevelopment Plan was rescinded.

Mrs. Williams said Task Force recommendations for implementation had been carried out by:

- The appointment of a Downtown Commission composed of citizens, county representatives, and the entire City Council to carry out the work of the Task Force.
- The hiring of a consultant firm to assist the City in obtaining developers for a variety of projects.

Other ideas and revitalization concepts were presented she said by Mr. Ralph Burgard, an arts consultant, who brought the City the vision of how cities become alive and vibrant through the arts; Mr. Philip Morris, the editor of Southern Living, who gave the City the concept of a "livable city"; and finally from the staff, citizens, and Mayor of Charlotte, who testified to the advantages of living in the downtown and the financial rewards to the city which has a viable downtown.

At the same time these activities were taking place, Mrs. Williams said private business initiatives were taking place by the renovation of the Old Butler Store on Patton Avenue, the renovation of the Army Store into corporate offices for Sky City, Inc., the construction of office condominiums at 11 N. Market Street by the H. M. Rice Company, the addition of new restaurants such as The Annex in the Flat Iron Building, Sony's in Lexington Park, and Liners in the Northwestern Bank Building, and the announcement of the Asheland Medical Office Condominiums at Asheland and Southside Avenues.

She said as the private development took place, the City instituted several improvements in the downtown area such as paving sidewalks, curbs and gutters on College Street, Patton Avenue, Eagle Street, and Market Street and the resurfacing of Market and Haywood Streets. In addition, she said Pine Street had been opened and the East End development project is nearing completion; that the Valley Street widening is underway, which would complete a major north-south traffic artery; that walking police patrols were added to the downtown; and that the Bele Chere Festival had been attended by 35,000 people in spite of the rain.

Mrs. Williams said that other major developments in the area which will affect the Central City area by tourism and population and economic growth are the \$20 million dollar expansion by Grove Park Inn; a new Holiday Inn in the south portion of the county; a new Ramada Inn in the western edge of the City; the development of the River Ridge Shopping Center on the southeast side of the City; improvements in the Depot Street area; the addition of two (2) new branch banks and three (3) fast food enterprises on Patton Avenue; and the construction of 50 new townhouse units and 80 new condominiums in the north end of town.

to City Council. Mr. Durward Johnson, by letter dated January 11, 1983, appealed the decision of the Planning and Zoning Commission to the City Council. Mr. Johnson has also agreed to the Planning and Zoning Commission staff's recommendation to rezone the property to CH Commercial Highway District instead of OI Office Institutional and to include in the rezoning Lot 52, Sheet 10, Ward 8.

Mr. David Matney, Attorney representing the petitioners, requested that the public hearing be continued for two (2) weeks, giving the petitioner time to decide what action he would like Council to take.

Councilman Pless requested that Council hear the residents attending the meeting relative to this rezoning. He said he received a petition from Mr. Rex Moseley with several signatures of residents in the area opposing the rezoning.

Mr. Rex Moseley, 28 White Pine Drive, President of the Kenilworth Forest Community Club, spoke in opposition to the rezoning. He said the petition presented to Councilman Pless contained ninety (90) signatures of residents in the area opposing the rezoning. He said this property has been petitioned to be rezoned four times and the Planning and Zoning Commission has recommended to Council the denial of the rezoning in all instances. He said the property in question is residential property and not commercial property. He said rezoning would create a traffic hazard in the neighborhood.

Mr. Fred Martin, 11 Spring Park Road, also spoke in opposition to the rezoning. He said it was his opinion that the residents in the area would be opposed to rezoning of anything other than residential property, opposing Commercial or Office Institutional.

Mr. Jerry Bradley, 37 White Pine Drive, also spoke in opposition to the rezoning, stating that there is presently a traffic problem in the area which poses a danger for children.

Upon inquiry of Council, Mr. Moseley said the residents in the area would oppose any zoning in the area other than residential.

Upon inquiry of Councilman Pless, Mr. Matney said his firm has been hired by the petitioner for a short period of time.

Councilman Pless requested that Council take action on the rezoning at today's meeting rather than continuing the public hearing.

Mr. Matney again requested that the public hearing be continued in order for Council to hear both sides of the issue. He said someone might want to speak in favor of the rezoning.

Vice-Mayor Price also requested that Council take action on the rezoning at today's meeting.

Mayor Trantham closed the public hearing at 4:46 p. m.

Verl Emrick, Director of Planning, read the ordinance rezoning the property as petitioned.

The ordinance died for the lack of a motion for adoption.

Thursday, February 3, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless, Gordon Myers, and Larry McDevitt; Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr., Deputy City Clerk Carol Hensley.

Absent: City Manager K. M. Michalove

INVOCATION

The invocation was given by Councilman Larry McDevitt.

PROCLAMATION - "SALUTE TO HOSPITALIZED VETERANS DAY" - MONDAY, FEBRUARY 14, 1983

1. Mayor Trantham read a proclamation proclaiming Monday, February 14, 1983 as "Salute to Hospitalized Veterans Day."

Mayor Trantham presented the proclamation to Mr. Arthur Landy, Medical Center Director from the VA Hospital.

APPROVAL OF THE MINUTES

2. Approval of the minutes of the January 27, 1983 meeting.

Councilman Pless noted that he seconded the resolution proclaiming the month of February, 1983 as "Lucy S. Herring Month" instead of Councilwoman Frank as indicated in the minutes. The City Clerk noted that the minutes would be amended to reflect Councilman Pless' notation.

Upon request of the Associate City Manager, Council postponed approval of the minutes of the January 27, 1983 meeting until February 10, 1983 in order for the format of the minutes to be changed as requested by the bond attorneys for the \$885,000 General Obligation Bond Issue.

PUBLIC HEARING - REZONING PROPERTY ON WHITE PINE DRIVE - REQUEST OF MR. DURWARD JOHNSON

3. A public hearing was held relative to rezoning property on White Pine Drive from R-3 Medium Density Residential District to CH Commercial Highway District.

Mayor Trantham opened the public hearing at 4:17 p. m.

The Associate City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Note: The Asheville Planning and Zoning Commission at a meeting held January 5, 1983, considered the request of Mr. Durward Johnson, Agent, that Ward 8, Sheet 10, Lot 57, be rezoned from R-3 Residential District to OI Office Institutional District. After discussion, the Commission voted to recommend denial of this petition

The Associate City Manager read the ordinance which stated that the budget amendment in the amount of \$855.00 is to close out Community Development Parks and Recreation projects.

Councilwoman Frank moved for the adoption of Ordinance No. 1350. This motion was seconded by Councilman Myers.

On a roll call vote of 7-0, Ordinance No. 1350 passed on first and final reading.

Complete text of Ordinance No. 1350 will be found in Ordinance Book No. 9 at page 433.

ORDINANCE NO. 1351 - BUDGET ORDINANCE AMENDMENT -ESTABLISHING PUBLIC FACILITIES BOND FUND

6. Consideration was given to a budget ordinance amendment to establish a Public Facilities Bond Fund and provide initial funding for the Vehicle Maintenance Facility and the Bridge Program.

The Associate City Manager read the ordinance which stated that this budget ordinance amendment will establish appropriations for a Vehicle Maintenance Facility in the amount of \$580,000 and for the Bridge Program in the amount of \$305,000. Funding will be provided from sale of General Obligation Bonds.

Councilman Myers questioned the next item on the agenda of awarding contracts for the construction of a Vehicle Maintenance Facility to be funded by these bond funds. He expressed concern about the awarding of the contracts prior to the bond money being "in hand."

Bob Wurst, Director of Budget and Audit, said any payments made toward this contract before the actual bond money is received will be made from "pool cash."

Upon inquiry of Council, the Associate City Manager said the bids for the project are valid until February 11, 1983. He said if the contracts are not awarded by that date, the City would have to re-bid the project. He said he felt the present bids are "good bids."

Larry Fisher, Director of Finance, upon questioning, said he does not anticipate any problems with the bonds being issued. He said in all probability the money would actually be received by the City of Asheville in about sixty (60) days.

Mr. Wurst told Council that he did not anticipate any problems with the bond issue, however, if there were problems the funds to construct the Vehicle Maintenance Facility would come from "capital reserves" and the city's priorities would have to change.

Councilwoman Frank moved for the adoption of Ordinance No. 1351. This motion was seconded by Councilwoman Bratton.

On a roll call vote of 7-0, Ordinance No. 1351 passed on first and final reading.

Complete text of Ordinance No. 1351 will be found in Ordinance Book No. 9 at page 434.

**PUBLIC HEARING - REZONING PROPERTY ON NEW PINE STREET - REQUEST OF HOUSING AUTHORITY
OF THE CITY OF ASHEVILLE**

**ORDINANCE NO. 1349 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE
PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED**

4. A public hearing was held relative to rezoning property located on New Pine Street in the East End/Valley Street Project from R-3 Residential District to CS Commercial Service District.

Mayor Trantham opened the public hearing at 4:50 p. m.

The Associate City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held January 5, 1983 considered the petition of the Housing Authority of the City of Asheville that Ward 1, Sheet 2, portions of Lots 61 and 62, be rezoned from R-3 Residential District to CS Commercial Service District. After review and discussion, the Commission voted to recommend to City Council that the property be rezoned as petitioned.

Mr. Emrick said the Housing Authority is requesting the rezoning in order to convey property to the owners to construct a legal office building consisting of approximately 4,000 square feet.

Mr. Emrick said the Housing Authority received approval from the Community Planning Organization in the East End area. He said no opposition was received in the rezoning request.

Vice-Mayor Price said she felt the entire area should be reviewed for rezoning.

Mr. Emrick said the rezoning of this particular parcel is in keeping with the proposed plan for the East End/Valley Street Project.

Mayor Trantham closed the public hearing at 4:55 p. m.

Verl Emrick, Director of Planning, read the ordinance rezoning the property as petitioned.

Councilman McDevitt moved for the adoption of Ordinance No. 1349. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 7-0, Ordinance No. 1349 passed on first reading.

**ORDINANCE NO. 1350 - BUDGET ORDINANCE AMENDMENT TO CLOSE OUT COMMUNITY DEVELOPMENT
PARKS AND RECREATION PROJECTS**

5. Consideration was given to a budget ordinance amendment to close out Community Development Parks and Recreation Projects.

STATUS REPORT - RESTORATION OF 22 NORMANDY ROAD

9. On November 4, 1982, a motion was made to continue the stay of Ordinance No. 1183, an ordinance to demolish 22 Normandy Road, until February 1, 1983 and that the Director of Inspections give Council a status report after February 1, 1983.

Mr. J. E. Johnson, Director of Inspections, said he inspected 22 Normandy Road on February 1, 1983 and found approximately 20% of the work being complete at 22 Normandy Road. He said there had been no wiring or plumbing work done at 22 Normandy Road.

Councilman McDevitt moved to continue the stay of Ordinance No. 1183 for sixty (60) days. This motion was seconded by Councilman Myers and carried unanimously.

PUBLIC HEARING SCHEDULED - SITE PLAN OF THE PROPOSED "BEAUCATCHER" COMPLEX TO BE LOCATED ON HAW CREEK LANE OFF U. S. 70

10. Vice-Mayor Price moved to schedule a public hearing relative to the site plan of the proposed "Beaucatcher" complex to be located on Haw Creek Lane off U. S. 70 for February 10, 1983. This motion was seconded by Councilman McDevitt and carried unanimously.

PUBLIC HEARING SCHEDULED - AMENDING ZONING ORDINANCE- SIGNAGE FOR SHOPPING CENTERS

11. Vice-Mayor Price moved to schedule a public hearing relative to amending the Zoning Ordinance pertaining to signage for shopping centers for February 24, 1983. This motion was seconded by Councilman McDevitt and carried unanimously.

12. Vice-Mayor Price moved to schedule a public hearing relative to amending the Zoning Ordinance to change CR Commercial Regional District to CBD Central Business District for February 24, 1983. This motion was seconded by Councilman McDevitt and carried unanimously.

PUBLIC HEARING SCHEDULED - AMENDING ORDINANCE NO. 1338 DESIGNATING "BEAUFORT LODGE" AS HISTORIC PROPERTY

13. Vice-Mayor Price moved to schedule a public hearing relative to amending Ordinance No. 1338, an ordinance designating a building and property known as "Beaufort Lodge" located at 61 N. Liberty Street in Buncombe County as historic property for February 24, 1983. This motion was seconded by Councilman McDevitt and carried unanimously.

PUBLIC HEARING SCHEDULED - AMENDING ORDINANCE NO. 1339 DESIGNATING "THOMAS WOLFE CABIN" AS HISTORIC PROPERTY

14. Vice-Mayor Price moved to schedule a public hearing relative to amending Ordinance No. 1339, an ordinance designating a building known as the "Thomas Wolfe Cabin" located at 1200 Oteen Church Road in Buncombe County as historic property for February 24, 1983. This motion was seconded by Councilman McDevitt and carried unanimously.

RESOLUTION NO. 83-27 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE CONTRACTS FOR THE CONSTRUCTION OF A VEHICLE MAINTENANCE FACILITY

7. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville contracts for the construction of a Vehicle Maintenance Facility.

The Associate City Manager read the resolution which stated that on January 11, 1983 bids were received for the construction of a City of Asheville Vehicle Maintenance Facility. Six Associates, Inc., architects, have reviewed the bids and by letter dated January 14, 1983, recommend that the low bids, including Alternates 1, 2, and 3, be accepted as follows:

General - Beverly-Grant, Inc.	--	\$369,528
Plumbing- Moser, Inc.	--	32,155
Mechanical- Pyatt Heating & Air Conditioning	--	35,208
Electrical- Elcon Corporation	--	52,190
Total		\$489,081

Upon motion of Vice-Mayor Price, seconded by Councilman Pless, Resolution No. 83-27 was unanimously adopted.

Complete text of Resolution No. 83-27 will be found in Resolution Book No. 13 at page 430.

ORDINANCE NO. 1352 - AN ORDINANCE AMENDING SECTION 28-154 OF THE ASHEVILLE CODE OF ORDINANCES TO EXTEND THE MOTOR VEHICLE REGISTRATION REQUIREMENT FOR 1983

8. Consideration was given to an ordinance amending Section 28-154 of the Asheville Code of Ordinances to extend the Motor Vehicle Registration Requirement for 1983.

The Associate City Manager read the ordinance stating that due to the delayed mailing of tax listing forms, including the motor vehicle sticker forms, it has been recommended that the time limit be extended for displaying the automobile stickers from February 15, until March 15 for 1983.

Councilwoman Frank moved for the adoption of Ordinance no. 1352. This motion was seconded by Councilman Myers.

On a roll call vote of 7-0, Ordinance No. 1352 passed on first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1352. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1352 passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1352. This motion was seconded by Councilman McDevitt and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1352 passed on third reading.

Complete text of Ordinance No. 1352 will be found in Ordinance Book No. 9 at page 435.

FIREMEN - PROTEST OF INVESTIGATIONS IN THE FIRE DEPARTMENT

David Warren, President of the Local Chapter of Firefighters International, appeared before Council, on behalf of several firefighters in attendance at the meeting, to protest the Civil Service Board's decision on February 2, 1983 to conduct another investigation into reports of civil service testing violations in the Asheville Fire Department. He said these investigations began on February 25, 1982, with two investigations being conducted during this time period. He asked Council's help in reducing some of the pressure being put on the Fire Department. He said the SBI conducted an investigation and found there was no evidence of criminal misconduct. He said then the Asheville Police Department conducted an investigation and their results were turned over to Chief Ball. He said Chief Ball was prepared to present his report to the Civil Service Board on Wednesday, February 2, 1983 but was stopped by Civil Service Board Chairman Osborne Hart. He said at the conclusion of the Civil Service Board meeting it was decided that the Board would conduct their own investigation.

Vic Buchanan, City Attorney for Personnel matters, in reviewing the background for the Fire Department investigations, said the initial investigation was ordered by the Civil Service Board last February as a civil matter to be handled by the Police Department. Allegations of criminal activity surfaced and the project was turned over to the State Bureau of Investigation. SBI officials reported their findings to the District Attorney last May through a confidential report, and the District Attorney said there was no evidence of criminal misconduct. The civil investigation was then renewed by the Police Department and the results were given to Chief Ball last month. Chief Ball was prepared to read his report on the situation at Wednesday's Civil Service Board Meeting, but was stopped by Board Chairman Osborne Hart. At the conclusion of the Civil Service Board Meeting, the Chairman announced that the Board would conduct its own investigation and that "no information will be released" until that investigation is over.

Mr. Buchanan said under the Civil Service Law, the Civil Service Board has the right to investigate a department of the City and by so doing, can have access to personnel records under the "Employee Privacy Act."

Upon inquiry of Councilman McDevitt, Mr. Buchanan said the City Council can not tell the Civil Service Board whether or not to investigate a department of the City.

Upon inquiry of Vice Mayor Price, Mr. Buchanan said the Civil Service Board can make additional information available to the District Attorney regarding criminal charges and/or declare the forfeiture of employment.

Mr. Buchanan, upon questioning of Councilman Pless, said it was not unusual for someone to take a lie detector examination in an investigation, particularly with the Police and Fire Departments.

Sam Graves, Director of Management Services, said that several times in the Fire Department employees were requested to take a lie detector examination. He said the City and the Civil Service Board face a delicate situation in determining what can and cannot be made public records due to federal, state, and local laws dealing with the confidentiality of employee records.

PUBLIC HEARING CONTINUED - CLOSING OF A PORTION OF LOGAN AVENUE

15. At the request of the Associate City Manager, Councilman Pless moved to continue the public hearing relative to closing a portion of Logan Avenue until February 24, 1983 without further advertisement. This motion was seconded by Vice-Mayor Price and carried unanimously.

CLAIMS - DOROTHY GREEN (PUBLIC WORKS) - D. C. RICE (WATER & SEWER) - JAMES A. CARRIER (WATER & SEWER) - LOIS STATON (PUBLIC WORKS) - BRYANT DURHAM (PARKS & REC.)
DEANE STIVARIUS (WATER & SEWER)

The Associate City Manager presented claims received from Dorothy Green, D. C. Rice, James A. Carrier, Lois Staton, Bryant Durham, and Deane Stivarius.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - VOCATIONAL EDUCATION WEEK - FEBRUARY 6-12, 1983

Mayor Trantham proclaimed the week of February 6 - 12, 1983 as "Vocational Education Week."

PROCLAMATION - CATHOLIC SCHOOLS WEEK - FEBRUARY 6 - 12, 1983

Mayor Trantham proclaimed the week of February 6 - 12, 1983 as "Catholic Schools Week."

REFUSE COLLECTION SERVICE BIDS - ANNOUNCEMENT

The Associate City Manager announced that the bid opening date for the refuse collection service for the City of Asheville is February 21, 1983.

Councilman McDevitt requested that Council schedule for discussion next week consideration of revisions to the refuse collection service bid specifications.

EXPANDED PROPERTY ACQUISITION IN THE EAST END/VALLEY STREET AREA

The Associate City Manager said the Housing Authority of the City of Asheville is investigating the feasibility of expanding property acquisition and development in the East End/Valley Street area between Eagle and Beaumont Streets. He said it would be helpful to the Authority if they had Council's support on this concept.

After discussion, it was the consensus of Council to support the expanded property acquisition and development of the East End/Valley Street area between Eagle and Beaumont Streets.

School facilities, Parks and Recreation personnel, and interns from nearby colleges and universities could function together in programs that would provide a wholesome use for that time that is at present totally unsupervised for hundreds of children whose parents don't get home until after work.

We do not need further promotion of delinquency -- since we can't legally prohibit the sale of lewd and sexually explicit trash that is available on most magazine racks in convenience stores and we can't legally prohibit the showing of degrading films, the least we can do is make some effort to offset the damage by promoting Positive Youth Development so that our future citizens will grow up to be decent, self-respecting young people who can benefit from the environment that we have provided for them.

It's not spelled out in your job description but one of the prime responsibilities of city government is to provide a wholesome environment for all citizens. I feel that this deserves your attention and urge you to give this matter serious consideration and determine what can be done about it."

Councilman Pless responded to Mr. Hutchison that, being in the theatre business, a tax was placed on "X" rated movies in the State of South Carolina and the result was that the State received a sizeable amount of income from the tax however, there were more "X" rated movies shown because of the tax. He said he does not support "X" rated movies but he was opposed to censorship. He said this is a complicated problem that has no easy answer.

FIREMEN - PROTEST OF INVESTIGATIONS IN THE FIRE DEPARTMENT

Mr. Graves, Director of Management Services, told members of Council that the Director of Civil Service could meet with Council at 10:00 a. m. on Friday, February 4, 1983.

Councilman Pless moved to continue this meeting until Friday, February 4, 1983 at 10:00 a. m. This motion was seconded by Councilman McDevitt and carried unanimously.

Friday- February 4, 1983 - 10:00 a. m.

FIREMEN - PROTEST OF INVESTIGATIONS IN THE FIRE DEPARTMENT - MEETING WITH DIRECTOR OF CIVIL SERVICE BOARD, OSBORNE HART

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Llody Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless and Gordon Myers; Corporation Counsel William C. Moore, Associate City Manager/ City Clerk William F. Wolcott, Jr., Deputy City Clerk Carol Hensley.

Absent: Councilman Larry McDevitt (Called to regret that he could not attend the meeting due to an unavoidable conflict)

Mayor Trantham called on the Director of the Civil Service Board, Osborne Hart to give a report to Council.

287

Councilwoman Bratton said she felt the investigation by the Civil Service Board was to set the wheels in motion for the Civil Service Board to receive additional information. She said she would like to meet the Director of the Civil Service Board to determine what action they plan on taking.

Councilman Pless said he had previously requested an investigation into the Police and Fire Department due to what he had heard was serious problems in these departments. He requested that the Mayor set up a committee to investigate these problems.

After further discussion, Councilwoman Bratton moved to call the Director of the Civil Service Board, at this time, to set up a meeting with the Director to meet with the City Council immediately. This motion was seconded by Councilwoman Frank and carried unanimously.

W. G. HUTCHISON - COMMENTS RELATIVE TO RATINGS OF MOVIES

Mr. W. G. Hutchison read the following statement to Council:

" I want you to consider taking steps to reduce delinquency and increase positive youth development.

Specifically I am addressing the affect that movies have on young people and their characters.

Movies are rated G, PG, R and X. If I used PG language in addressing you today your opinion of me would not be one of respect. But that's what our kids are led to believe is normal.

The fact the R rated movies have a tangible influence on teenagers -- their behavior and subsequent pregnancies is hardly debatable.

I am not saying that movies are the only contributing factor but I would state unequivocally that many of them make a direct contribution to the delinquency of our youth. They promote profanity, vulgarity, obscenity and sexual promiscuity and result in creating a norm for our young people to live by that is morally, socially, spiritually and physically degrading.

(One drive-in even entices young children to see R rated movies by letting them in free.)

If it is legally permissible for this City Council to establish a tax on admissions to movies or to assess theatre operators, I would recommend and urge that the following be established:

For G rated movies	no tax
PG	\$.50
R	1.00
X	1.50

The monies collected could be used to establish and maintain after school (holiday, and other non-school days) programs for children whose parents are working.

Upon inquiry of Attorney Hugenschmidt, Mr. Hart said any action to be taken by the firemen after the results of the investigation are complete would have to be taken in the courts. He said it was indicated that this matter should be handled by the Civil Service Board.

Vic Buchanan, city attorney for personnel matters, said the Director of the Civil Service Board has the responsibility of overseeing compliance with the Civil Service Law. He said this is a complicated procedure and according to Section 22 of the Civil Service Law the responsibility lies with the Director of the Civil Service Board to take action on "acts of wrongdoings."

Several of the firemen said they felt the Civil Service Board should also be investigated since they have the responsibility of securing tests and test results.

A discussion was held relative to the past and present testing procedures, particularly who was responsible for preparing tests, securing tests, and administering tests.

Mr. Hart indicated that all the answers to questions being asked at today's meeting would probably be in the final report to be given to the City Clerk on February 21, 1983.

Upon inquiry of Vice-Mayor Price, Mr. Buchanan said he would probably review the report of the Civil Service Board to determine what parts could be made public. He said certain documents can not be made public due to the Employee Privacy Rights.

Upon inquiry of Attorney Hugenschmidt, Mayor Trantham said he would advise as to whether firemen could be present at the meeting on February 21, 1983 when Council receives the Civil Service Board report.

ADJOURNMENT

Upon motion of Councilwoman Frank, seconded by Councilwoman Bratton, the meeting adjourned at 11:35. p. m.

Ray M. Trantham
MAYOR

Vic Buchanan
CITY CLERK

220

Mr. Hart said everyone is concerned about the action of the Civil Service Board on Wednesday, February 2, 1983. He said his reason for the action was to ensure that they are upholding the Civil Service Law and the state laws governing local operations of the Board. He said about one month ago the Civil Service Board reviewed preliminary information from the Police Department relative to an investigation concerning complaints and allegations of cheating on Civil Service test. He said this information was turned over to Chief Ball of the Fire Department to review and report back to the Civil Service Board on February 2, 1983. He said on February 2, 1983 Chief Ball was prepared to give his report to the Civil Service Board and he asked him to let him read the report before giving it. He said one paragraph indicated that there was misconduct of two or three members of the Fire Department and that this matter should be resolved by the Civil Service Board. He said copies of the report were made for each Civil Service Board member and they went into executive session to discuss the report. He said after the discussion in the executive session, it was the unanimous decision of the Board to continue the investigation. He said the Board plans to complete the investigation and review of the evidence received and give a report to the City Clerk, as required by Section 13 of the Civil Service Law. He said the complete report of the investigation will be given to the City Clerk on February 21, 1983. He said at that time it will be the responsibility of the City Manager and the Council to take any action they deem necessary.

Councilwoman Bratton requested that the report be turned over to the City Clerk in the presence of the City Council.

Mayor Trantham suggested that Council have a special meeting on February 21, 1983 to receive the report from the Civil Service Board.

Jim Hugenschmidt, Attorney representing several firefighters, ask Mr. Hart if the Civil Service Board would be conducting a new investigation or a review of the evidence already compiled by the SBI and the Police Department and if subpoena's would be issued.

Mr. Hart responded by stating that the Civil Service Board would be investigating the "misconduct on testing" and the paragraph in Chief Ball's report that the misconduct should be resolved by the Civil Service Board. He said no new investigation would be conducted but the Board is concerned about the complaints and allegations of testing. He said this would basically a review of evidence already received, however subpoena's would have to be issued to firemen who have been involved in the investigation.

Upon inquiry of Mr. Hugenschmidt, Mr. Hart said the firemen would have the right to have counsel present during the investigation.

The following fireman asked the Director of the Civil Service Board general questions relative to the investigation to be conducted by the Civil Service Board:

Mr. James Whitworth
Mr. Ken Bishop
Mr. Glen Moore
Mr. David Warren
Mr. John Young
Mr. Charles Parker

All of the firemen indicated that these investigations were putting "shadows of doubt" on the Asheville Fire Department.

Mr. Verl Emrick, Director of Planning, said the Planning and Zoning Commission at a meeting held February 2, 1983 reviewed the site plan of the proposed "Beaucatcher" complex (theatres, offices, and condominiums) to be located on Haw Creek Lane off U. S. 70. After review and discussion, the Commission voted to recommend approval to City Council, subject to the following conditions: 1) Compliance with the City of Asheville's Erosion Control Ordinance; and 2) In the event that additional development is planned for the site, such development shall be submitted to the Planning and Zoning Commission for review under Article 6. Group Developments of the Asheville Zoning Ordinance.

Mr. Emrick said the proposed project would be constructed at the old Haw Creek Elementary School site, consisting of 5.1 acres. He said the project is proposed to be built in two phases, phase one to include four theatres and a three story office building. He said the four theatres would consist of 1400 seats and the office building would contain 63,000 square feet. He said phase two would include four more theatres, consisting of 1100 seats and 24 units of condominiums. He said all parking requirements of the Zoning Ordinance have been complied with. He said the site plan was reviewed by the North Carolina Department of Transportation as it pertains to Haw Creek Lane. He said the North Carolina Department of Transportation is requiring a left turn lane into the project from Haw Creek Lane for the first phase of the development. He said the Planning Board also requested that the developer provide a right turn lane off Haw Creek Lane. He said the developers have agreed to provide for these two turning lanes.

Mr. Joe Hiller, Architect, for Litchfield Company, Developer of the "Beaucatcher" complex spoke in support of the proposed project. He said the project would entail a total of five stories with leased office space. He said the theatres would be medium sized theatres. He said the cost of the project would be approximately \$4 - \$5 million.

Responding to Mr. Bill Parker's request to have the public hearing continued, Mr. Hiller said further delays would damage the project. He said in his opinion Mr. Roth could only speak to Council as a competitor.

A discussion was held relative to the traffic problems in the immediate area. Councilman Myers expressed concern about the additional traffic problems to be created by the development. Mr. Hiller reminded Council that the N. C. Department of Transportation has reviewed the proposed plans and the traffic problems. He said in his opinion the N. C. Department of Transportation, at the present time, is not planning on additional traffic signals in this area.

Mr. Bill Parker renewed his request to have the public hearing continued for one week.

Mayor Trantham closed the public hearing at 4:50 p. m.

After discussion, Councilwoman Frank moved to approve the first phase of the "Beaucatcher" complex, being four theatres and three floors of office space, and instructed the Director of Planning to contact Mr. McIntire and Mr. John Daniels with the N. C. Department of Transportation to express Council's concern relative to the traffic problems in the area. This motion was seconded by Vice-Mayor Price and carried on a voice vote of 5-1, with Councilman Myers voting "no."

Councilman McDevitt requested that the City Manager or Mayor write a letter to Mr. McIntire, Mr. Billy Rose, and Mr. Jim Daniels with the North Carolina Department of Transportation to express Council's concern about the traffic problems in the area and to ask that special consideration and attention be given to this area.

Thursday - February 10, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless, Gordon Myers, and Larry McDevitt; Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr., Deputy City Clerk Carol Hensley.

Absent: City Manager K. M. Michalove

INVOCATION

The invocation was given by Vice-Mayor Norma Price.

APPROVAL OF THE MINUTES - JANUARY 27, 1983 - FEBRUARY 3, 1983

1. Approval of the minutes of the January 27, 1983 and February 3, 1983 meeting.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, the minutes of the January 27, 1983 meeting were unanimously approved as submitted.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, the minutes of the February 3, 1983 meeting were unanimously approved as submitted.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED "BEAUCATCHER" COMPLEX - HAW CREEK LANE

2. A public hearing was held relative to the site plan of the proposed "Beaucatcher" complex (theatres, offices, and condominiums) to be located on Haw Creek Lane off U. S. 70.

Mayor Trantham opened the public hearing at 4:03 p. m.

The Associate City Manager presented the notice to the public setting the time and date for the public hearing.

Councilman Pless requested permission to abstain from the discussion and vote on the site plan of the proposed "Beaucatcher" complex due to a conflict of interest being that he was in the theatre business.

Vice-Mayor Price moved that Councilman Pless' request be granted to abstain from the discussion and vote on this issue. This motion was seconded by Councilwoman Frank and carried unanimously.

Mr. Bill Parker, Attorney representing Mr. Paul A. Roth, with the Ervin-Fuller Theatres, requested that Council continue the public hearing until Mr. Roth could be present at the public hearing to discuss the proposed project. He said Mr. Roth was made aware of the public hearing date today and called from Silver Springs, Maryland to request that the public hearing be continued until he could be present. He said Mr. Roth has property interest in the City of Asheville and would like to be heard by Council before action is taken on the proposed project.

ORDINANCE NO. 1346 - AN ORDER AUTHORIZING \$305,000 BRIDGE BONDS

6. Thereupon, upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, and carried, the order introduced and passed on its first and second readings on January 27, 1983, entitled: "ORDER AUTHORIZING \$305,000 BRIDGE BONDS", was read in full a third time and placed upon its final passage. The vote upon the final passage of said order was:

Ayes: Mayor Irantham, Vice-Mayor Price, Councilwoman Bratton, Councilwoman Frank, Councilman Pless, Councilman McDevitt, and Councilman Myers.

Noes: None

The Mayor then announced that the order entitled: "ORDER AUTHORIZING \$305,000 BRIDGE BONDS" had been adopted.

The City Clerk was thereupon directed to publish said order once in the Asheville Times, together with the appended statement, as required by The Local Government Bond Act, as amended.

Ordinance Book No. 9 at page 432.

ORDINANCE NO. 1353 - BUDGET ORDINANCE AMENDMENT - REFUND TO N. C. DEPARTMENT OF TRANSPORTATION - FAA GRANT

7. Consideration was given to a budget ordinance amendment to refund North Carolina Department of Transportation for overpayment by State of FAA grant in the amount of \$14,877 at the Asheville Regional Airport.

The Associate City Manager read the ordinance.

Councilwoman Frank moved for the adoption of Ordinance No. 1353. This motion was seconded by Councilwoman Bratton.

On a roll call vote of 7-0, Ordinance No. 1353 passed on first and final reading.

Complete text of Ordinance No. 1353 will be found in Ordinance Book No. 9 at page 436.

RESOLUTION NO. 83-28 - RESOLUTION AUTHORIZING DIRECTOR OF PARKS, RECREATION, AND PUBLIC FACILITIES DEPARTMENT TO ENTER INTO AN AGREEMENT WITH THE BUNCOMBE COUNTY COUNCIL ON AGING FOR THE USE OF CERTAIN RECREATION CENTERS AS MEAL SITES FOR THE ELDERLY.

8. Consideration was given to a resolution authorizing Director of Parks, Recreation and Public Facilities Department to enter into an agreement with the Buncombe County Council on Aging for the use of certain recreation centers as meal sites for the elderly.

PUBLIC HEARING - "ORDER AUTHORIZING \$580,000 PUBLIC VEHICLE MAINTENANCE FACILITY BONDS"

3. The Mayor announced that this was the date and hour fixed by the Council for the public hearing upon the order entitled: "ORDER AUTHORIZING \$580,000 PUBLIC VEHICLE MAINTENANCE FACILITY BONDS" and that the Council would immediately hear anyone who might wish to be heard on the question of the validity of said order or the advisability of issuing said bonds.

Mayor Trantham opened the public hearing at 4:56 p. m.

No one appeared, either in person or by attorney, to be heard on the question of the validity of said order or the advisability of issuing said bonds and the City Clerk announced that no written statement relating to said question had been received.

Mayor Trantham closed the public hearing at 4:58 p. m.

ORDINANCE NO. 1345 - AN ORDER AUTHORIZING \$580,000 PUBLIC VEHICLE MAINTENANCE FACILITY BONDS

4. Thereupon, upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, and carried, the order introduced and passed on its first and second readings on January 27, 1983, entitled: "ORDER AUTHORIZING \$580,000 PUBLIC VEHICLE MAINTENANCE FACILITY BONDS", was read in full a third time and placed upon its final passage. The vote upon the final passage of said order was:

Ayes: Mayor Trantham, Vice-Mayor Price, Councilwoman Bratton, Councilwoman Frank, Councilman Pless, Councilman McDevitt, and Councilman Myers.

Noes: None

The Mayor then announced that the order entitled: "ORDER AUTHORIZING \$580,000 PUBLIC VEHICLE MAINTENANCE FACILITY BONDS" had been adopted.

The City Clerk was thereupon directed to publish said order once in the Asheville Times, together with the appended statement, as required by The Local Government Bond Act, as amended.

Ordinance Book No. 9 at page 431.

PUBLIC HEARING - ORDER AUTHORIZING \$305,000 BRIDGE BONDS

5. Thereupon the Mayor announced that this was the date and hour fixed by the Council for the public hearing upon the order entitled: "ORDER AUTHORIZING \$305,000 BRIDGE BONDS" AND THAT THE Council would immediately hear anyone who might wish to be heard on the question of the validity of said order or the advisability of issuing said bonds.

Mayor Trantham opened the public hearing at 5:00 p. m.

No one appeared, either in person or by attorney, to be heard on the question of the validity of said order or the advisability of issuing said bonds and the City Clerk announced that no written statement relating to said question had been received.

Mayor Trantham closed the public hearing at 5:01 p. m.

APPOINTMENT OF COUNCILWOMAN BRATTON TO THE ASHEVILLE BUNCOMBE COUNTY COMMUNITY RELATIONS COUNCIL TASK FORCE

Councilman Myers moved that Councilwoman Bratton be appointed to the Asheville-Buncombe County Community Relations Council Task Force Committee and that she act as Acting Chairman to set up the first meeting. This motion was seconded by Councilman McDewitt and carried unanimously.

Councilwoman Bratton said the County of Buncombe will be appointing a representative on Tuesday, February 15, 1983 and she will call the first meeting immediately after that appointment.

CLAIMS - VIRGINIA MUMPOWER (PUBLIC WORKS) - ED FRANKLIN (PUBLIC WORKS) - LORENE M. DOVER (PUBLIC WORKS) - COMMUNITY LUMBER COMPANY (WATER AND SEWER) - MARGERY BROWN (WATER AND SEWER) - HARLEY CHURCH (PUBLIC WORKS) - JOHN WALLEN (PUBLIC WORKS) - WILLIAM C. MAYS (PUBLIC WORKS) - FRANCES K. WALL (PUBLIC WORKS) - EDNA ALLISON (WATER & SEWER)

The Associate City Manager presented claims received from Virginia Mumpower, Ed Franklin, Lorene M. Dover, Community Lumber Company, Margery Brown, Harley Church, John Wallen, William C. Mays, Frances K. Wall, Edna Allison.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

DISCUSSION RELATIVE TO SPECIAL MEETING ON FEBRUARY 21, 1983 TO RECEIVE CIVIL SERVICE BOARD REPORT

During a discussion relative to holding a special meeting on February 21, 1983 to receive a Civil Service Board report, it was the consensus of Council to wait until the meeting of February 17, 1983 to decide on a special meeting.

ORDINANCE NO. 1349 -ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (New Pine Street)

Consideration was given to the second reading of Ordinance No. 1349, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended. (Rezoning property on New Pine Street).

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1349 passed on second reading.

ADJOURNMENT

Upon motion of Councilwoman Frank, seconded by Councilman McDewitt, the meeting adjourned.

MAYOR

CITY CLERK

215

The Associate City Manager read the resolution which stated that the Buncombe County Council on Aging has been designated as the coordinating agency for the Nutrition Program for the elderly for Buncombe County. The Buncombe County Council on Aging and the Asheville Parks, Recreation, and Public Facilities Department have been working cooperatively with this program at several recreation centers and this cooperation has resulted in improved services for the elderly in Asheville and Buncombe County. The Asheville Parks and Recreation Advisory Board has recommended that this program be continued during the fiscal year of July 1, 1983 - June 30, 1984.

Upon motion of Councilwoman Frank, seconded by Councilwoman Bratton, Resolution No. 83-28 was unanimously adopted.

Complete text of Resolution No. 83-28 will be found in Resolution Book No. 13 at page 431.

RESOLUTION NO. 83-29 - RESOLUTION APPOINTING MEMBER TO THE METROPOLITAN SEWERAGE DISTRICT BOARD (Reappointment of Walter Boggs)

9. Consideration was given to a resolution appointing member to the Metropolitan Sewerage District Board.

The Associate City Manager read the resolution which reappointed Mr. Walter Boggs as a member of the Board for a term of three(3) years, term expiring January 19, 1986, or until his successor is duly appointed and qualified.

Upon motion of Councilwoman Bratton, seconded by Councilman Myers, Resolution No. 83-29 was unanimously adopted.

Complete text of Resolution No. 83-29 will be found in Resolution Book No. 13 at page 432.

PUBLIC HEARING SCHEDULED - AMENDMENT TO ZONING ORDINANCE - PERMIT GREENHOUSES IN THE R-3 RESIDENTIAL DISTRICTS

10. Councilwoman Frank moved to schedule a public hearing relative to amending the Asheville Zoning Ordinance to permit commercial greenhouses as a conditional use in the R-3 Residential District for March 3, 1983. This motion was seconded by Councilman Myers and carried unanimously.

REVISIONS TO BID SPECIFICATIONS FOR REFUSE COLLECTION SERVICE FOR THE CITY OF ASHEVILLE

11. Councilman McDevitt said he had reviewed the bid specifications for the refuse collection service for the City of Asheville. He said in his opinion the bid specifications were too strict, unworkable, and non-standard. He said after reviewing the specifications he is suggesting that Council revise the specifications in order to make them workable. He then reviewed the suggested revisions.

After discussion, Councilman McDevitt moved to authorize an addendum to be sent to all prospective bidders that received the original specifications. This motion was seconded by Vice-Mayor Price and carried unanimously.

RESOLUTION NO. 83-30 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A LETTER OF UNDERSTANDING WITH THE BUNCOMBE COUNTY RESCUE SQUAD FOR MUTUAL AID TYPE SERVICES

4. Consideration was given to a resolution authorizing the Mayor to enter into a letter of understanding with the Buncombe County Rescue Squad for Mutual Aid type services.

The City Manager read the resolution stating that there is no city-operated rescue squad to assist the Asheville Police Department at automobile accidents, to provide back-up for the Asheville Fire Department at scenes of major fires and other disasters, to engage in water rescue and recovery operations, to provide mutual aid for the Asheville Regional Airport Fire Department, and to provide emergency rescue assistance for other city departments and divisions. The Buncombe County Rescue Squad, Inc. is willing and able to provide these services, in exchange for financial assistance from the City and the provision of certain city services.

Upon inquiry of Vice-Mayor Price, the City Manager said this contractual agreement is required according to the North Carolina General Statutes whereby the City finances an agency.

Vice-Mayor Price said provisions of the Water Agreement provided that the City would fund the Buncombe County Rescue Squad. She requested that the city staff make a request of the Buncombe County Rescue Squad to change their name to Asheville Rescue Squad or Asheville-Buncombe Rescue Squad.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-30 was unanimously adopted.

Complete text of Resolution No. 83-30 will be found in Resolution Book No. 13 at page 433.

RESOLUTION NO. 83-31 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN THE NECESSARY CONTRACTS FOR THE LEASE OF WORD PROCESSING MICRO-COMPUTER EQUIPMENT AND OPERATING SOFTWARE FOR THE CITY'S WORD PROCESSING CENTER

5. Consideration was given to a resolution authorizing the Mayor to sign the necessary contracts for the lease of word processing micro-computer equipment and operating software for the City's Word Processing Center.

The City Manager read the resolution stating that the City Council of the City has established a budget for the creation of a word processing center. The Data Processing Division and the Administrative Services Division have completed an informal evaluation of the equipment which is available for word processing. Burrough's Corporation offers word processing micro-computer equipment and operating software which will meet the needs of the word processing center as well as maintain an integrated, communicating data processing center. This resolution will authorize the Mayor to sign the contracts for the lease, installation, and maintenance of the word processing micro-computer equipment and operating software which is required.

Councilwoman Frank noted that the City Manager has assured members of Council that the City can save money by the creation of the Word Processing Center.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, Resolution No. 83-31 passed on a voice vote of 6-1, with Councilman Pless voting "no."

Complete text of Resolution No. 83-31 will be found in Resolution Book No. 13 at page 434.

The invocation was given by Mayor Roy M. Trantham.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 10, 1983 meeting.

Vice-Mayor Price moved to amend the minutes of the February 10, 1983 meeting to include the second reading of Ordinance No. 1349. This motion was seconded by Councilwoman Frank and carried unanimously.

Vice-Mayor Price moved to approve the minutes of the February 10, 1983 meeting as amended. This motion was seconded by Councilwoman Frank and carried unanimously.

PRESENTATION BY THE ASHEVILLE HISTORIC SITE PRESERVATION COMMITTEE (WOLFE ANGEL PROJECT)

2. Mrs. Helen Naomi, with the Asheville chapter of the United Daughters of the Confederacy, told members of Council that they wanted to place a 6-foot bronze statue of an angel on a 4-foot marble pedestal on a site between the old Pack Memorial Library and the Jackson Building to commemorate Thomas Wolfe. She said the statue would be similar to the angel that once stood in front of Thomas Wolfe's father's shop on Pack Square. She said her organization would be responsible for maintenance of the statue and would also look into liability concerning the statue.

Upon inquiry of Councilwoman Bratton, Mrs. Naomi said her organization would be in favor of any statue of Thomas Wolfe as an addition to their project but not as an alternative.

Councilwoman Bratton said since she has received calls from other groups proposing other ideas that she felt Council should allow these people to be heard.

After discussion, Councilman Pless moved to accept the angel statue, that the United Daughters of the Confederacy should proceed with its plans, that the city would find a suitable site for the statue and that anyone opposed to the project and/or its proposed location should voice their opinion before the Council within three weeks. This motion was seconded by Councilman Myers and carried unanimously.

ORDINANCE NO. 1349 - ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (New Pine Street)

Absent: Councilman Larry McDevitt

REPORT FROM CIVIL SERVICE DIRECTOR RELATIVE TO FIRE DEPARTMENT INVESTIGATIONS

Mayor Trantham called on Mr. Osborne Hart, Director of the Civil Service Board to present the Civil Service Board's report relative to Fire Department investigations.

Mr. Hart presented the original of the completed report to the City Clerk and gave each Council member a copy of the report.

Mayor Trantham suggested that Council take the report under observation, adjourn the meeting and decide if any action is needed by members of Council.

Councilman Pless requested that Council recess and review the report in order to tell the firemen in attendance of any action Council plans on taking relative to the report.

David Warren, with the Asheville Fire Department, also requested that members of Council review the report at this time and that members of the Fire Department be furnished a copy of the report to review.

After a brief discussion, Vice-Mayor Price moved that Council recess for thirty (30) minutes to review the report. This motion was seconded by Councilman Pless and carried unanimously. (Time 10:10 a. m.)

CLAIMS - LAUREN HOBEIN (WATER & SEWER) - GEORGIA NIXON (WATER & SEWER) -- BOA ENTERPRISES
(WATER & SEWER)

LAWSUITS - ASHEVILLE HOUSING AUTHORITY vs. HERMAN R. IVEY PROPERTY, THOMAS K. LATTA PROPERTY, MARGARET I. GARLAND PROPERTY, SIDNEY M. SCHOCHET PROPERTY (East End/Valley Street Area)

The City Manager presented claims received from Lauren Hobein, Georgia Nixon, and BOA Enterprises.

The City Manager also said the city was served with summonses in connection with the following lawsuits, in which the city is either a defendant or a respondent:

<u>Plaintiff/Petitioner</u>	<u>Nature of Suit</u>
Asheville Housing Authority	Condemnation of Herman R. Ivey property (East End/Valley Street)
Asheville Housing Authority	Condemnation of Thomas K. Latta property (East End/Valley Street)
Asheville Housing Authority	Condemnation of Margaret I. Garland property (East End/Valley Street)
Asheville Housing Authority	Condemnation of Sidney M. Schochet property (East End/Valley Street)

Mayor Trantham referred the claims and lawsuits to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - "NATIONAL BIG BROTHERS AND BIG SISTERS APPRECIATION WEEK"
FEBRUARY 13-19, 1983

Mayor Trantham proclaimed the week of February 13-19, 1983 as "National Big Brothers and Big Sisters Appreciation Week."

OUTSTANDING SERVICE AWARD PRESENTED TO ASHEVILLE CITY COUNCIL BY VETERANS ADMINISTRATION

The City Manager announced that the Asheville City Council received an Outstanding Service Award from the Veterans Administration in recognition of outstanding service to the Nation's Veterans through the Voluntary Service Program. He said the awarded was dated February 14, 1983 and signed by Arthur Landy, Medical Center Director of the Oteen VA Hospital.

COUNCILMAN MYERS - REQUEST FOR CITY MANAGER TO LOOK INTO PROVIDING PARKING FOR SHOPPERS IN THE DOWNTOWN AREA

Councilman Myers said he had received several complaints from merchants downtown relative to parking problems in the downtown area. He said the main concern was due to persons who work downtown using the parking spaces on the streets. He requested that the City Manager do whatever possible to provide parking for shoppers in the downtown area. He said "tight policies and police procedures" might help the problems. He said he had personally observed persons working downtown using parking spaces.

Councilman Pless said he had also received the same complaint from merchants downtown and had also personally observed the problem. He said better policing of parking spaces might help to alleviate the problem.

Thursday - February 24, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless, Gordon Myers, and Larry McDevitt; Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Note: Councilman Larry McDevitt arrived at the meeting at 5:25 p. m. (He was detained in Superior Court during the first part of the meeting)

Absent: None

INVOCATION

The invocation was given by Councilwoman Mary Lloyd Frank.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 17, 1983 meeting.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, the minutes of the February 17, 1983 meeting were unanimously approved as submitted.

PRESENTATION BY THE WEST ASHEVILLE YOUTH SPORTS GROUP - MEMORIAL STADIUM

2. Mr. Kenneth C. Edwards, Commissioner for the West Asheville Youth Sports Program, said his organization sponsors the West Asheville Youth football program. He said his organization along with the North Asheville youth football organization, requests that the Asheville City Council save Memorial Stadium and allow it to be used for youth sports activities throughout each year. He also requested that the City keep the present lights and scoreboard at the stadium. He said the West Asheville and North Asheville football organizations use Memorial Stadium as their homefields and attendance at home games is very important to these organizations. He said without the Memorial Stadium, the lights and scoreboard, these two youth programs would cease to exist. He presented a number of petitions signed by residents of the City of Asheville and participants in the youth programs, requesting that Council save Memorial Stadium.

The City Manager said it was his understanding that the lights and scoreboard would stay at Memorial Stadium. He said he did not see any conflict with the organization's request. He said a Council Advisory Committee, composed of Mayor Trantham, Councilwoman Frank and Councilman Pless had been working on these problems.

Members of Council said they supported both the West Asheville and North Asheville Youth football programs.

At 10:40 a. m. Council reconvened and Mayor Trantham said members of Council had reviewed the report of the Civil Service Board and now has some recommendations.

Councilman Pless said the Council decided to follow the recommendations set forth in Chief Ball's report. He said no charges were found in the report and no individual names were mentioned. He said Chief Ball's report was an internal matter and the Council felt the matter should be handled internally. He said the Council recently established the City Personnel Advisory Commission who is currently conducting interviews at the Police Department with various personnel. He said the Commission should complete interviews with the Police Department in about two or three weeks and they would be interviewing personnel at the Fire Department next. He asked the firemen to meet with the Commission and tell them the problems they are having at the Fire Department. He said the Commission would report back to the City Council. He said Council members would look into all the recommendations of the firemen.

Councilman Myers requested that the firemen review Chief Ball's report and if they have any questions to bring them back to Council at the regular meeting on Thursday, February 24, 1983. He said the Council is basically upholding the decision of the Department head of the Fire Department, that this is an administrative decision and should be handled this way. He said he felt this was the only fair way to handled the situation.

Mayor Trantham said he felt this was a decision of all the Council members.

ADJOURNMENT

Upon motion of Councilman Myers, seconded by Vice-Mayor Price, the meeting adjourned at 10:50 a. m.

Also, the presence of incorrect answers in textbooks which were studied is just as reasonable explanation for those test results as cheating would be. Finally, the absence of any corroborating evidence of cheating leads me to the conclusion that there is not any logical or certain means of showing that cheating or "advantages" were responsible for the test results of the top seven scorers in the Assistant Chief's examination.

It is my humble request that under the circumstances you consider my signature on the Asheville Civil Service Board report a grave mistake on my part, and in lieu thereof allow this letter to be considered as my dissent from the Board's report.

I can only add that this investigation has strengthened my respect for the Asheville Fire Department and the firefighters themselves. The citizens of Asheville are fortunate to have such hardworking, well-trained and dependable firefighters to protect them, their families and their property. In my opinion, the shroud of secrecy and suspicion which has surrounded the Fire Department for the past year has served only to unfairly damage the character and reputation of all of the Asheville firefighters.

Upon the completion of our investigation, I had hoped that this matter would be finally laid to rest. It is my fervent hope and recommendation that City Council will not follow the Asheville Civil Service Board's "Recommendations", which are inconclusive at best, and put this matter to rest once and for all.

Respectfully submitted,

Ray Stepp
Member, Asheville Civil Service Board

Attorney Jim Hugenschmidt, representing the firefighters, said he appreciated the opportunity to comment on the Civil Service Board's report. He said the Civil Service Board was insensitive in its investigation and report. He commented on various parts of the Civil Service Board's report stating that the report was only "statistical" and showed no evidence of cheating on tests by the firefighters. He said the whole affair has been a gross violation of the fundamental rights of these firefighters and at no time during these investigations did the firemen have an opportunity to speak for themselves. He said the Civil Service Board had no right to put in the report that they had found cheating on a test. He said the Civil Service Board has allowed tests to be given over and over again even after grievances were filed relative to tests being given over.

DISCUSSION RELATIVE TO CIVIL SERVICE BOARD REPORT RELATIVE TO FIRE DEPARTMENT
INVESTIGATIONS

3. Mayor Trantham opened the discussion stating that at the last Council meeting held on February 21, 1983, Council received a report from the Civil Service Board relative to investigations in the Fire Department. He said at that time the firemen were presented a copy of the report and were told they would be given an opportunity to comment on the report at today's meeting. He said at the February 21, 1983 meeting Council agreed to accept Chief Ball's recommendations relative to the investigation.

At this time, Mayor Trantham recognized Mr. Ray Stepp, a member of the Civil Service Board who read the following letter:

RE: Asheville Civil Service Board Report on
Promotion Testing in the Fire Department

Dear Mayor and City Council Members:

Upon my return Monday, February 21, 1983, from a trip to Greensboro, North Carolina, I was very disturbed to read banner headlines in the Asheville Times proclaiming:
FIRE TEST CHEATING CONFIRMED.

I was disturbed at this report because prior to attending a Legislative Conference in Raleigh last week, I had met with the other members of the Asheville Civil Service Board to discuss our report on promotional testing in the Asheville Fire Department. At this Board meeting we received a rough draft of our final report. It was my understanding that our report would attempt to only state facts as we were able to determine them and that no recommendations would be included in the final report. Based on the evidence that the Board had gathered, I certainly did not feel as though we were in a position to make any accusatory allegations in this report. After being assured that this report would, in fact, state no recommendations, I signed a sheet of paper to be affixed to the finished draft as I would not be present to sign later.

It is with much anguish that I now realize my mistake in signing the signature sheet as it indicates that I agree with the report which was submitted to City Council by the Asheville Civil Service Board. In fact, I am bitterly opposed to any report which would be open to the broad interpretation found in the Asheville newspapers. Personally, I am not satisfied to any degree that any cheating took place during the Assistant Chief's examination.

Having attended every Board meeting or hearing which I was aware of regarding the alleged charges of cheating, I would respectfully report my findings to City Council as follows:

The mere fact that the top seven scorers on the questioned test gave the same wrong answers on two questions is not nearly enough evidence for me to begin to believe that cheating was involved in this situation. Anyone who has taken a multiple choice test knows that these questions easily lend themselves to two answers, particularly depending upon how the question and answers have been framed.

CONTINUATION OF PUBLIC HEARING - CLOSING OF A PORTION OF LOGAN AVENUE

5. A public hearing relative to the closing of a portion of Logan Avenue continued.

Mayor Trantham said this public hearing was continued from the January 6, 1983 meeting.

Larry Ward, with the Public Works Department, said at the January 6, 1983 meeting Council had requested that the city start look at other alternatives other than closing a portion of Logan Avenue. He said the Public Works Department and Engineering Division reviewed the alternatives and recommend the relocation of Logan Avenue approximately 8'. He said the street could be moved away from the eroding bank and guard rails would be installed. He said additional right-of-way would have to be obtained to do this. He said the individual is willing to give the right-of-way. He said the projected cost for the relocation of the road is approximately \$16,000 excluding utility relocation costs.

The City Manager suggested that Council continue the public hearing, without further advertisement, instructing the staff to prepare the plans for the relocation of the road, obtain the additional right-of-way, and circulate the proposed plan around the community to get the residents input into the plan.

Mr. Tom Lawrence of 121 Logan Avenue spoke in favor of the proposed relocation of Logan Avenue.

Vice-Mayor Price moved to continue the public hearing, without further advertisement, until a later date. This motion was seconded by Councilman Pless and carried unanimously.

PUBLIC HEARING - WORDING AMENDMENT TO ZONING ORDINANCE - SIGNAGE REQUIREMENTS FOR SHOPPING CENTERS

6. A public hearing was held relative to proposed wording amendment to the Zoning Ordinance pertaining to signage requirements of shopping centers.

Mayor Trantham opened the public hearing at 5:24 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said at the request of Mr. R. L. Coleman, Jr., with the Asheville Mall, the Planning and Zoning Commission has been studying signage requirements of shopping centers. At a meeting held February 2, 1983, the Commission voted to recommend wording amendment to Section 30-9-3, Use Regulations - Shopping Centers to the Zoning Ordinance. He said this amendment would create a new section in the Zoning Ordinance which would address unique signage needs for shopping centers containing 100,000 square feet or more. He said Mr. Coleman is presently out of town and recommended that Council continue the public hearing until Mr. Coleman could be present to discuss the amendment.

Mr. Emrick reviewed the recommended changes to the Zoning Ordinance.

Attorney Hugenschmidt asked that the City Council issue a statement that the City Council finds no evidence of cheating on a test and that the firefighters and the Fire Department have been completely exonerated of any wrongdoings in connection with it. He said the firefighters who have been denied promotions because of the investigations should be promoted.

Ralph Bishop spoke in support of the firefighters.

At 4:45 p. m. Councilman Pless moved that Council take a five (5) minute recess. This motion was seconded by Vice-Mayor Price and carried unanimously.

Council reconvened at 5:00 p. m. and Councilman Myers said after looking at the Civil Service Board's report carefully it is evidenced that the Council did not concur with the recommendations of the Civil Service Board. He said it is the finding of this City Council that there is no evidence or proof of cheating on the part of any member of the Asheville Fire Department on the test in question. He said this is an administrative situation to be handled by Chief Ball, the Department Head of the Fire Department. He said, in addition, the City Council has set up a City Personnel Advisory Commission to look into city policies, including the Civil Service Board. He said this provides a method for city employees to use to air their thoughts and problems. He asked city employees to use the City Personnel Advisory Commission.

Mayor Trantham said the city employees should feel free to talk with the Personnel Advisory Commission members.

Councilman Myers said in his opinion the members of the Personnel Advisory Commission can be objective and can be very effective. However, the Commission can only be as effective as the employees make it.

Councilman Pless thanked Mr. Ray Stepp for appearing before Council to make his statement. He said, speaking only for himself, that the manner in which the investigation was handled was a disgrace on the City of Asheville and he "publicly apologized to each and every one of you for the way this things been handled."

David Warren, employee of the Asheville Fire Department, thanked members of Council for their support.

COMPLAINT BY BILL OGLESBY - PARKING TICKET RECEIVED IN DOWNTOWN ASHEVILLE

4. Bill Oglesby appeared before Council to voice a complaint of receiving a parking ticket which he received while parked on College Street before 9:30 a. m. to conduct his banking business. He said he felt if the banks are open then the public should be allowed to use the parking spaces to do their business.

The City Manager told Mr. Oglesby that the City of Asheville adopted recommendations of the downtown merchants relative to parking downtown. He said the main problem with allowing parking downtown before 9:30 a. m. is that the employees who work downtown park in these parking spaces.

Mr. Oglesby responded that most of the businesses on College Street are banks and parking should be allowed before 9:30 a. m.

Mayor Trantham said members of Council are currently working on this particular problem.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this amendment is to correct a typographical error made in the original ordinance.

Mayor Trantham closed the public hearing at 5:43 p. m.

Verl Emrick read the ordinance.

Vice-Mayor Price moved for the adoption of Ordinance No. 1355. This motion was seconded by Councilman McDevitt.

On a roll call vote of 7-0, Ordinance No. 1355 passed on first reading.

Vice-Mayor Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1355. This motion was seconded by Councilman Pless and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1355 passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1355. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1355 passed on third and final reading.

Complete text of Ordinance No. 1355 will be found in Ordinance Book No. 9 at page 443.

PUBLIC HEARING - AMENDMENT TO ORDINANCE NO. 1339 - DESIGNATING "THOMAS WOLFE CABIN" AS HISTORIC PROPERTY

ORDINANCE NO. 1356 - AN ORDINANCE AMENDING ORDINANCE NO. 1339, KNOWN AS "AN ORDINANCE DESIGNATING A BUILDING KNOWN AS THE "THOMAS WOLFE CABIN" LOCATED AT 1200 OTEEN CHURCH ROAD IN BUNCOMBE COUNTY AS HISTORIC PROPERTY

8. A public hearing was held relative to amending Ordinance No. 1339, known as "An Ordinance designating a building known as the "Thomas Wolfe Cabin" located at 1200 Oteen Church Road in Buncombe County as Historic property."

7. A public hearing was held relative to proposed wording amendment to the Zoning Ordinance pertaining to CR Commercial Regional District.

** Councilman McDevitt arrived at the Council meeting at 5:25 p. m.
Mayor Trantham opened the public hearing at 5:28 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said at a meeting held February 2, 1983, the Planning and Zoning Commission, acting on the request of the Downtown Commission, considered a wording amendment to the CR Commercial Regional District of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve an amendment to Section 30-5-7, Central Business District (CBD).

He said since the Planning and Zoning Commission meeting a request was received to delete the CR Commercial Regional District in its entirety and replace it with the CBD Central Business District. However, he recommended that the CR Commercial Regional District be left in tact and create a new zone to be entitled CBD, Central Business District for the downtown area.

Mr. Emrick reviewed the details of the new Central Business District.

After a brief discussion, Mayor Trantham closed the public hearing at 5:35 p. m.

Verl Emrick read the ordinance.

Councilwoman Frank moved for the adoption of Ordinance No. 1354. This motion was seconded by Vice-Mayor Price.

On a roll call vote of 7-0, Ordinance No. 1354 passed on first reading.

3. A public hearing was held relative to amending the Zoning Ordinance to include greenhouses as a conditional use in the R-3 Residential Districts.

Mayor Trantham opened the public hearing at 4:53 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission, at a meeting held February 2, 1983, considered the request of Mr. and Mrs. Ralph Freeman by Attorney Joe Connolly that commercial greenhouses be permitted as a conditional use in the R-3 Residential Districts. After discussion, the Commission voted to recommend approval of this request to City Council.

Mr. Emrick explained the provisions to be used as guidelines for approval of the conditional use.

Vice-Mayor Price suggested that adequate buffering also be added as a provision.

Mr. Emrick said buffering could be added as a provision as referred to in Section 30-3-14 of the Zoning Ordinance.

Attorney Joe Connolly, representing Mr. and Mrs. Ralph Freeman, spoke in support of the wording amendment.

Mayor Trantham closed the public hearing at 5:05 p. m.

Verl Emrick read the ordinance adding the provision for buffering.

Councilman McDevitt moved for the adoption of Ordinance No. 1357. This motion was seconded by Councilman Pless.

On a roll call vote of 6-0, Ordinance No. 1357 passed on first reading with Councilwoman Bratton voting "no."

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 24, 1983 meeting.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, the minutes of the February 24, 1983 meeting were unanimously approved as submitted.

PETITION TO ASSIGN FRANCHISE FOR THOMS BROADCASTING COMPANIES, INC. TO AMERICAN CABLE TV INVESTORS, A LIMITED PARTNERSHIP

2. John Jerosé, Executive Director, of Thoms Broadcasting Companies, Inc. presented a petition to City Council to approve the assignment of the franchise granted to Thoms Broadcasting Companies, Inc. for the maintenance and **operation** of a community antenna television system in Asheville to American Cable TV Investors, a limited partnership.

Mr. John Mason, with American Cable TV Investors, presented the Corporation Counsel with documents indicating the make up of the partnership. He also presented and gave a brief overview of the partnership's financial statements. He discussed the financial ability of the partnership to take over the franchise from Thoms Broadcasting Companies, Inc.

Upon inquiry of Vice-Mayor Price relative to re-negotiating the franchise, the Corporation Counsel advised that Council would be considering approval or disapproval of the assignment, however the approval can not be unreasonably withheld.

Attorney Max Cogburn, representing Thoms Broadcasting Companies, Inc., said in his opinion, the assignment of the franchise would be as the franchise is presently written.

A discussion was held relative to the method Council must use in considering the assignment of the franchise. Mr. Cogburn told members of Council that a tentative date of March 29, 1983 was scheduled for the closing of the transfer.

After telephoning Mr. David Lawrence at the Institute of Government, for an opinion, the Corporation Counsel advised that the assignment of the franchise must be done by ordinance.

After discussion, it was the consensus of Council to schedule consideration of the ordinance granting the assignment on the agenda for March 10, 1983.

9. Consideration was given to a resolution directing the City Clerk to investigate a petition received under G. S. 160A-58.1 relative to annexation of the Poseidon Restaurant on U. S. 70.

The City Manager read the resolution.

Upon motion of Councilman Pless, seconded by Councilman McDevitt, Resolution No. 83-38 was unanimously adopted.

Complete text of Resolution No. 83-38 will be found in Resolution Book No. 13 at page 441.

APPROVAL OF PLACEMENT OF BANNERS - MARCH OF DIMES BANNERS

10. Consideration was given to a request to place March of Dimes Banners at several locations in the City of Asheville.

The City Manager said Mr. George Kramer, with Walk American 1983 Committee, has requested permission to hang four (4) 22' x 4' high Banners promoting the March 26 Walk American program. The banners would be erected March 25, 1983 and removed March 28, 1983. The banners will be placed: 1) Downtown - College Street facing East stretching from NCNB to Court House - 2) South - Biltmore Avenue facing South stretching from Hardee's to First Union Bank - 3) North - Merrimon Avenue facing North at Rolling Pin Bakery site - 4) West - Patton Avenue facing West at Krispy Kreme Doughnut site.

Councilman McDevitt moved to approve the request to place the March of Dimes Banners as requested. This motion was seconded by Councilman Pless and carried unanimously.

SCHEDULING PUBLIC HEARING - SITE PLAN OF "PINE STREET APARTMENTS"

11. Councilman McDevitt moved to schedule a public hearing relative to the site plan of the "Pine Street Apartments" to be located on Lot 65 of the East End/ Valley Street Redevelopment Project for March 22, 1983. This motion was seconded by Councilman Pless and carried unanimously.

Thursday - March 22, 1983 - 4:00 p. m.

Regular Meeting

Present: Vice-Mayor Norma T. Price, Presiding; Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless, Gordon Myers, and Larry McDevitt; Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Roy M. Trantham (attending a N. C. League of Municipalities Board of Directors Meeting in Raleigh, North Carolina)

INVOCATION

The invocation was given by Councilman Joe Pless.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 10, 1983 meeting.

Upon motion of Councilwoman Frank, seconded by Councilman Pless, the minutes of the March 10, 1983 meeting were unanimously approved as submitted.

RESOLUTION NO. 83-40 - RESOLUTION OF APPRECIATION TO WILLIAM WILLINGHAM, RETIRING EMPLOYEE OF THE CITY OF ASHEVILLE

2. Consideration was given to a resolution of appreciation to William Willingham, retiring employee of the City of Asheville.

The City Manager read the resolution stating that Mr. Willingham has been employed by the City of Asheville for over seven years at Riverside Cemetery and retired from service on March 1, 1983.

Upon motion of Councilwoman Bratton, seconded by Councilman Pless, Resolution No. 83-40 was unanimously adopted.

Vice-Mayor Price presented a copy of the resolution to Mr. Willingham.

Complete text of Resolution No. 83-40 will be found in Resolution Book No. 13 at page 443.

PRESENTATION OF THE "TREE CITY USA AWARD"

3. Vice-Mayor Price said for the past three (3) years Asheville has received the award "Tree City USA" in recognition of the many trees planted in Asheville. The Asheville Tree Commission, Quality Forward, Asheville Parks and Recreation, and other city departments work together to make Asheville "Tree City, USA." She recognized members of the Tree Commission, Quality Forward and city staff in attendance at the meeting.

Mr. Tom Thompson, Regional Forester for Western North Carolina with the State Forest Service presented Vice-Mayor Price with the "Tree City USA Award."

DISCUSSION RELATIVE TO "ANGEL PROJECT"

Councilwoman Frank said about three (3) weeks ago Council invited anyone opposed to the proposed "Angel Project" or anyone with other proposals to voice their opinions to Council. She noted that no opposition or other proposals have been received by Council.

APPROVAL OF COST ALLOCATION PLAN PROPOSAL

The City Manager said as discussed in Pre-Council meeting, the City has received a proposal from David M. Griffith and Associates, Ltd. for the preparation of a cost allocation plan for the City based on audited FY '82 information. He said the firm proposes to examine all services provided by the City in order to increase the recovery of the City's administrative costs. He said the firm is well known and is recognized by federal and state agencies. He said their municipal clients in North Carolina include every city of Asheville's size and larger with the exception of Wilmington. He said they are presently helping Buncombe County to recover all of the CETA Program finding with in-kind administrative charges. He said the firm's fees are not payable until the City has actually recovered funds in an amount in excess of their fees which will not exceed \$7,500.

Councilman McDevitt moved to approve the acceptance of the proposal from David M. Griffith and Associates, Ltd for the cost allocation plan. This motion was seconded by Councilman Myers and carried unanimously.

COMMENTS BY HELEN NAOMI - RELATIVE TO "ANGEL PROJECT"

Ms. Helen Naomi thanked members of Council for their support for the "Angel Project."

ADJOURNMENT

Upon motion of Councilman Myers, seconded by Councilman McDevitt, the meeting adjourned at 4:55 p. m.

MAYOR

CITY CLERK

Councilman McDevitt questioned language in the proposed resolution authorizing the Mayor to sign all contract agreements with HUD and other designated agencies involved and to provide such additional information as may be required. He said he felt the Council should review all the contract agreements before the Mayor is authorized to sign the agreements.

After discussion, Council agreed to include language in the resolution that the Mayor would be authorized to sign all contract agreements, approved by the City Council, with HUD and other designated agencies involved and to provide such additional information as may be required.

The City Manager read the resolution.

Upon motion of Councilman McDevitt, seconded by Councilman Frank, Resolution No. 83-41 was unanimously adopted.

Complete text of Resolution No. 83-41 will be found in Resolution Book No. 13 at page 444.

ORDINANCE NO. 1359 - AN ORDINANCE APPROVING THE ASSIGNMENT OF THE FRANCHISE GRANTED TO THE THOMS BROADCASTING COMPANIES, INC. FOR THE MAINTENANCE AND OPERATION OF A COMMUNITY ANTENNA TELEVISION SYSTEM IN THE CITY OF ASHEVILLE TO AMERICAN CABLE TV INVESTORS, A LIMITED PARTNERSHIP

6. Consideration was given to the second reading of Ordinance No. 1359, an ordinance approving the assignment of the franchise granted to the Thoms Broadcasting Companies, Inc. for the maintenance and operation of a Community Antenna Television System in the City of Asheville to American Cable TV Investors, a limited partnership.

Vice-Mayor Price said this ordinance was read on first reading on March 22, 1983.

Mr. John Mason, Attorney representing Thoms Broadcasting Companies, Inc., presented members of Council with a proposed amendment to the ordinance approving the assignment of the franchise providing language creating a security interest (collateral assignment) in the franchise. This amendment would provide American Cable TV Investors a means of financing the system. He said the amount of financing would be 37.5 million dollars and that a portion of this amount, 6 million, would be used to acquire, maintain, and enhance the Asheville system. He said no specific capital improvements could be identified at this time.

Councilman Myers questioned the advisability of the proposed amendment placing a collateral assignment on the franchise.

A lengthy discussion followed relative to the proposed amendment concerning the financial, legal, and technicalities of the amendment.

Mr. Mason introduced Mr. Wallace Carpenter of Rutherfordton, North Carolina, who stated that the American Cable TV Investors took over the Rutherfordton system about 2 or 3 years ago and the service and programming has improved.

Mr. John Jerose, General Manager of Thoms Cablevision, strongly supported the adoption of the ordinance stating that Council should move on with the adoption of the ordinance. Upon questioning, Mr. Jerose said American Cable TV would be asking for a rate increase in the near future to increase the profitability of the company. He said Thoms Broadcasting Company has not received an increase in the past three years.

PUBLIC HEARING - SITE PLAN OF THE "PINE STREET APARTMENTS"

4. A public hearing was held relative to the site plan of the "Pine Street Apartments."

Vice-Mayor Price opened the public hearing at 4:15 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Mr. Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held March 2, 1983 reviewed the site plan of the "Pine Street Apartments" to be located on Lot 65 of the East End/Valley Street Redevelopment Project. After review and discussion of the plan, the Commission voted to recommend approval to City Council, subject to compliance with the City's Erosion Control Ordinance and a variance in the required parking spaces from two spaces per unit to one space per unit since most of the residents do not drive. He said the project will be an eight unit facility for mildly retarded adults. He said the project was presented to the Neighborhood Planning Group. He said no opposition was presented at the Planning and Zoning Commission. He said after Council approval, the final drawings must be approved by the Housing Authority Design Review Board.

Larry Thompson, Executive Director of the Blue Ridge Mental Health and a Board member of the WNC Housing, Inc., spoke in support of the proposed project. He said this type of group setting would provide a strong training program for mildly retarded adults. He said Section 202 HUD funding would be used to finance the project.

Vice-Mayor Price closed the public hearing at 4:22 p. m.

Councilman McDevitt moved to approve the site plan of the "Pine Street Apartments" to be located on Lot 65 of the East End/Valley Street Redevelopment Project subject to compliance with the City's Erosion Control Ordinance and permitting the variance in the required parking spaces to one space per unit. This motion was seconded by Councilman Pless and carried unanimously.

PUBLIC HEARING - FINAL STATEMENT OF COMMUNITY DEVELOPMENT OBJECTIVES AND PROJECTED USE OF FUNDS FOR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT FUNDS - 1983-84

RESOLUTION NO. 83-41 - RESOLUTION AUTHORIZING SUBMISSION OF A FINAL STATEMENT OF COMMUNITY DEVELOPMENT OBJECTIVES AND PROJECTED USE OF FUNDS TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT FUNDS - 1983-84

5. A public hearing was held relative to the final statement of Community Development Objectives and Projected Use of Funds for Community Development Block Grant Entitlement Funds for 1983-84.

Vice-Mayor Price opened the public hearing at 4:24 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Logan Delany, Director of Community Development, said Entitlement Funds are granted on a yearly basis to relieve blighted areas of the city and provide for low and moderate income families. He said for the past three (3) years the Community Development funds have focused on the Valley Street/East End project. He said funding this year will be in the amount of \$1,520,000 which will be used to continue the East End/Valley Street project, support for the Economic Development, Planning, and Historic Resources needs. He said there would be a small contingency fund for emergencies.

also think that American Cable TV needs to submit something in writing in terms of specific enhancements because all we will have in the record, when we are finished is some Council minutes."

John Mason, said he represents Thoms Broadcasting, however, American Cable TV is accepting all the terms and conditions of the existing ordinance, and under the terms and conditions they would be accepting the 6% revenue fee.

On a voice vote of 6-0 Councilman Pless' motion to proceed was adopted.

On a roll call vote of 6-0, Ordinance No. 1359 passed on third and final reading.

Complete text of Ordinance No. 1359 will be found in Ordinance Book No. 9 at page 451.

ORDINANCE NO. 1358 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Signage requirements of shopping centers)

7. Consideration was given to the third and final reading of Ordinance No. 1358, an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville," as amended relative to signage requirements of shopping centers.

Vice-Mayor Price said this ordinance was previously read on first and second readings and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1358 passed on third and final reading.

Complete text of Ordinance No. 1358 will be found in Ordinance Book No. 9 at page 448.

ORDINANCE NO. 1357 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, AS AMENDED (Greenhouses as conditional uses in the R-3 Residential Districts)

8. Consideration was given to the third and final reading of Ordinance No. 1357, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the Zoning of the City of Asheville, as amended relative to greenhouses as conditional uses in the R-3 Residential Districts.

Vice-Mayor Price said this ordinance was previously read on first and second readings and would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1357 passed on third and final reading.

Complete text of Ordinance No. 1357 will be found in Ordinance Book No. 9 at page 446.

Councilman Myers said he had no problem with the ordinance approving the assignment but he did not approve of adding language relative to a security interest being placed on the franchise.

Upon inquiry of Councilman McDevitt, the City Manager said Thoms Broadcasting Companies, Inc. is current with respect to franchise fees due to the City of Asheville in regard to the franchise.

At the request of Council, Mr. John Mason read the proposed amendments to Ordinance No. 1359.

Councilwoman Bratton moved to amend Ordinance No. 1359 as read by Mr. John Mason. This motion was seconded by Councilwoman Frank and carried on a voice vote of 5-1, with Councilman Myers voting "no."

On a roll call vote of 6-0, Ordinance No. 1359, as amended passed on second reading, with Councilman Myers again noting that he had no problem with the assignment but did not approve of the security interest being placed on the franchise.

Councilman Pless moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1359. This motion was seconded by Councilwoman Bratton.

Before the vote to proceed was taken the City Manager made the following statement:

"This has gotten to be an overly complicated discussion. Council hires me to look out for the best interest of the City. To reduce this to the simplest terms, in terms of Thoms Cablevision, they are concerned about some 11,000 - 12,000 customers, that are our customers as well and need to sell. City Council has a concern which is service under this referendum, rate decisions, and service to more than 50,000 people.

Thoms has provided good service, no complaints about that. We have forwarded complaints to them as we have received them. But it seems to me that the City has spent, just in the time I have been City Manager, thousands of dollars interpreting the existing ordinance, just in how complicated that is. It seems to me that the ordinance proposed here is unnecessarily complicated. It needs but to say two things. One whereas which is, whereas in Section 23 thou shalt assign, if you are satisfied with American Cable TV Investors and one now, therefore, which is, you agree to make that assignment and everything else is unnecessary. I think it overly legally complicates future decisions, by future City Councils and is really unnecessary. It opens up the kinds of concerns that we have about security and it is just unnecessary. Now, it may be necessary to consummate a sale but I don't know, and this is Council's decision, whether you want to enter that part of the concern or whether that is a concern between Thoms Cablevision and American Cable TV. Now, Daniels has been mentioned a number of times by all parties, it is not mentioned in the ordinance, as a company.

There is another matter that has been agreed to, in principle, by Thoms, there is a conflict between the existing ordinance and federal law which was passed, I think, about two years ago, that sets a limit on (1972) 3% and the ordinance deals with a 6% revenue consideration. John Jerosé in the past has agreed to, and the company has agreed to continue paying that. I think American Cable TV needs not only to speak to that but to submit something in writing. I

Upon motion of Councilman Pless, seconded by Councilman McDevitt, Resolution No. 83-44 was unanimously adopted.

Complete text of Resolution No. 83-44 will be found in Resolution Book No. 13 at page 449.

SCHEDULING OF PUBLIC HEARING - SITE PLAN OF THE PROPOSED "MONTFORD MEWS" TOWNHOUSES

13. Consideration was given to a motion scheduling a public hearing relative to the site plan of the proposed "Montford Mews" townhouses for April 5, 1983.

Councilman McDevitt moved to schedule a public hearing relative to the site plan of the proposed "Montford Mews" townhouses for April 5, 1983. This motion was seconded by Councilman Pless and carried unanimously.

Ms. Joyce Cantalakis read the following prepared statement on behalf of Ken Richards, President of the Montford Community Club:

PREPARED FOR PRESENTATION TO ASHEVILLE CITY COUNCIL ON 22 MARCH 1983
ON BEHALF OF THE MONTFORD COMMUNITY CLUB
SUBJECT: PROPOSED MONTFORD MEWS DEVELOPMENT

1. The Montford Community Club has taken serious issue with the activity involving the Proposed Montford Mews Development. The basic concerns are:

- a. Portions of the Development do not adhere to the Montford Developmental Guidelines.
- b. The Asheville-Buncombe Historical Resources Commission has violated these guidelines by granting the Certificate of Appropriateness.
- c. The Board of Adjustment has overstepped its authority in ordering the Historic Resources Commission to make a certain decision/take a specific action.

AFTER DISCUSSING THE MATTER WITH THE ATTORNEY GENERALS OFFICE FOR THE STATE OF NC, BEING ADVISED BY ROBERT PITTS LOCAL ATTORNEY AND BY THE CITY ATTORNEY, BILL MOORE, I REALIZE THAT THE ABOVE MATTER MUST FOLLOW DUE PROCESS AND THAT THE MONTFORD COMMUNITY CLUB MUST TAKE THE CASE TO SUPERIOR COURT FOR FURTHER ACTION.

I have been directed by the Montford Community to appoint a committee of Club members to begin a fund raising drive to support the court action.

I AM ASKING THAT THE CITY COUNCIL TAKE NOTE OF THE CLUBS POSITION.

2. You all have copies of the OBJECTION TO ISSUANCE OF CERTIFICATE OF APPROPRIATENESS reference the hearing held on 9 March 1983 by the Historic Resources Commission. I AM ASKING THAT THIS DOCUMENT BE ENTERED INTO THE RECORD OF TODAYS CITY COUNCIL MEETING.

3. We are asking for City Councils support in drawing approval for this project as it now stands when it is brought to you on 5 April 1983.

4. I AM ASKING THAT COUNCIL PLANNING COMMITTEE COMPOSED OF MS. PRICE, MR. McDEVITT AND MS. BRANTON AGREE TO MEET WITH THE EXECUTIVE BOARD OF THE MONTFORD COMMUNITY CLUB, AS SOON AS POSSIBLE BEFORE 5 APRIL, TO DISCUSS THE ORDINANCE THAT GOVERNS THE COMMUNITY, THE ENFORCEMENT OF IT, THE INTENT OF IT, THE BUSINESS OF IT.

REPORT FROM CITY CLERK - CERTIFICATE OF SUFFICIENCY ON ANNEXATION PETITION
SPECIFIED IN RESOLUTION NO. 83-38 (Poseidon Restaurant on U. S. 70)

9. The City Clerk presented the Certificate of Sufficiency relative to an annexation petition specified in Resolution No. 83-38, adopted March 10, 1983 relative to annexation of the Poseidon Restaurant on U. S. 70.

RESOLUTION NO. 83-42 - RESOLUTION FIXING DATE OF PUBLIC HEARING ON QUESTION OF
ANNEXATION PURSUANT TO G. S. 160A-58.2, AS AMENDED (Poseidon Restaurant on U. S. 70)

10. Consideration was given to a resolution fixing date of public hearing on question of annexation pursuant to G. S. 160A-58.2, as amended, for April 12, 1983.

The City Manager read the resolution.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 83-42 was unanimously adopted.

Complete text of Resolution No. 83-42 will be found in Resolution Book No. 13 at page 446.

RESOLUTION NO. 83-43 - RESOLUTION SUPPORTING GENERAL REVENUE SHARING PROGRAM

11. Consideration was given to a resolution supporting General Revenue Sharing Program.

The City Manager read the resolution.

Councilman McDevitt said he was opposed to the concept of Revenue Sharing nationally. He said he felt every one would be better off if they were not taxed for Revenue Sharing in the first place.

Councilwoman Frank spoke in support of the resolution stating that Revenue Sharing comes from federal income taxes and therefore at least the citizens are getting some of this back.

Upon motion of Councilwoman Frank, seconded by Councilwoman Bratton, Resolution No. 83-43 was adopted on a voice vote of 5-1, with Councilman McDevitt voting "no."

Complete text of Resolution No. 83-43 will be found in Resolution Book No. 13 at page 448.

RESOLUTION NO. 83-44 - RESOLUTION AUTHORIZING THE DELAY OF THE ACCRUAL OF INTEREST
ON CERTAIN UNPAID AD VALOREM PROPERTY TAXES

12. Consideration was given to a resolution authorizing the delay of the accrual of interest on certain unpaid ad valorem property taxes.

The City Manager read the resolution which stated that on March 11, 1983 the General Assembly of North Carolina adopted House Bill 249 authorizing the City of Asheville to pass a resolution relieving the tax collector of collecting interest on unpaid tax receipts for 1982 taxes unless the tax receipts remain unpaid after April 1, 1983.

Upon inquiry of Councilwoman Bratton, the Corporation Counsel said it is legally possible to appoint someone to the Asheville School Board who lives in the City Limits of Asheville but not necessarily in the Asheville City School District.

Rev. Wendell Christopher of St. James AME Church, said he was speaking on behalf of the Asheville chapter of the National Association for the Advancement of Colored People, the Baptist Ministerial Alliance and the Inter-Denominational Ministerial Alliance, and supported the appointment of Rev. Nilous M. Avery to the Asheville School Board. He also presented several petitions in support of the appointment of Rev. Avery.

After discussion, Councilman Myers moved to table the resolution until next week until full representation of the Council is present. This motion was seconded by Councilwoman Bratton, which motion was defeated on a voice vote of 4-2, with Councilman Myers and Councilwoman Bratton voting "yes."

Council then voted on Councilwoman Bratton's substitute motion to appoint Rev. Avery and Ms. Franklin, which motion was defeated on a vote of 4-2 with Councilwoman Bratton and Councilman Pless voting "yes."

Council then decided to vote on the appointment of the two individuals to the Asheville School Board separately.

Vice-Mayor Price then called for a vote to appoint Mr. John Quigley to the Asheville School Board, which vote carried on a voice vote of 4-2, with Councilwoman Bratton and Councilman Pless voting "no."

Vice-Mayor Price then called for a vote to appoint Ms. Eleanor Franklin to the Asheville School Board, which vote carried on a voice vote of 6-0.

Vice-Mayor Price then declared Mr. John Quigley and Ms. Eleanor Franklin as members of the Asheville School Board.

Complete text of Resolution No. 83-46 will be found in Resolution Book No. 13 at page 451.

Complete text of Resolution No. 83-47 will be found in Resolution Book No. 13 at page 452.

At this time Vice-Mayor Price turned the chair over the Councilwoman Frank to preside over the meeting since she had to leave the meeting to give a welcome.

CLAIMS - RICHARD MAYS (WATER & SEWER) - ELIZABETH K DAN (WATER & SEWER) - LEWIS MONGIOVI (WATER & SEWER) - FRANCIS MANLEY (WATER & SEWER) - RUTH P. TEETER (POLICE DEPARTMENT)

The City Manager presented claims received from Richard Mays, Elizabeth Kdan, Lewis Mongiovi, Francis Manley, and Ruth P. Teeter.

Councilwoman Frank referred the claims to the Corporation Counsel for investigation and recommendation.

227

The Planning Commission, consisting of Vice-Mayor Price, Councilwoman Bratton, and Councilman McDevitt agreed to meet with the Montford Community Club as requested.

Upon inquiry of Mr. David Matney, attorney representing the developer of the "Montford Mews" Vice-Mayor Price said she would ask Mr. Ken Richards if he would mind if Mr. Matney attended the meeting since Mr. Richards has asked for the meeting.

RESOLUTION NO. 83-45 - RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO DISPOSE OF PROPERTY BY PRIVATE SALE AT A NEGOTIATED PRICE (Used tires)

14. Consideration was given to a resolution authorizing the Purchasing Director to dispose of property by private sale at a negotiated price.

The City Manager read the resolution which stated that the Motor Transport Division has approximately 200 used tires for which the city has no use. The Motor Transport Superintendent has declared these tires surplus.

Upon motion of Councilman Myers, seconded by Councilman Pless, Resolution No. 83-45 was unanimously adopted.

Complete text of Resolution No. 83-45 will be found in Resolution Book No. 13 at page 450.

RESOLUTION NO. 83-46 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE SCHOOL BOARD (Mr. John Quigley)

RESOLUTION NO. 83-47 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE SCHOOL BOARD (Ms. Eleanor H. Franklin)

15. Consideration was given to resolutions appointing members to the Asheville School Board.

The City Manager read a resolution appointing Mr. John Quigley and Ms. Eleanor H. Franklin as members of the Asheville School Board.

Councilwoman Frank moved for the adoption of the resolution appointing Mr. Quigley and Ms. Franklin as members of the Asheville School Board. This motion was seconded by Councilman Pless.

Councilman Pless said he seconded the motion in order to get the resolution on the floor for discussion.

Councilwoman Bratton made a substitute motion to appoint Rev. Nilous M. Avery and Ms. Eleanor Franklin as members of the Asheville School Board. This motion was seconded by Councilman Pless.

Vice-Mayor Price commented that she felt Rev. Avery was a very capable person to appoint to the School Board, however, he did not live in the Asheville City School District. She said she felt members of the School Board should live in the City School District as the board members have taxing authority and could levy a tax without being taxed themselves.

Tuesday - March 29, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless, Gordon Myers, and Larry McDevitt; Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Larry McDevitt.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 22, 1983 meeting.

Upon motion of Councilwoman Frank, seconded by Councilman Pless, the minutes of the March 22, 1983 meeting were unanimously approved as submitted.

RESOLUTION NO. 83-48 - RESOLUTION COMMENDING ASHEVILLE HIGH SCHOOL ON THEIR PARTICIPATION IN THE INTERNATIONAL EXCHANGE PROGRAM AND RECOGNIZING THE FOREIGN EXCHANGE STUDENTS FROM JAPAN, HOLLAND, NORWAY, TURKEY, AND GERMANY THAT ARE PARTICIPATING IN THE PROGRAM

2. Consideration was given to a resolution commending Asheville High School on their participation in the International Exchange Program and recognizing the foreign exchange students from Japan, Holland, Norway, Turkey, and Germany that are participating in the programs.

The City Manager read the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilman Pless, Resolution No. 83-48 was unanimously adopted.

Complete text of Resolution No. 83-48 will be found in Resolution Book No. 13 at page 453.

Mayor Trantham recognized each of the students attending the meeting presenting them with a package containing a letter of welcome and thanks and a copy of the resolution.

RESOLUTION NO. 83-49 - RESOLUTION ENDORSING PASSAGE OF A ROOM TAX FOR PROMOTION OF THE TRAVEL AND TOURISM INDUSTRY FOR THE ASHEVILLE-BUNCOMBE COUNTY AREA

3. Consideration was given to a resolution endorsing passage of a room tax for promotion of the travel and tourism industry for the Asheville-Buncombe County area.

The City Manager read the resolution stating that room tax legislation is now being considered by the North Carolina General Assembly and the City of Asheville depends on the travel and tourist industry for economic health and growth and recognizes the need for adequate funding for promotion of the travel and tourist industry.

Mr. Dick Trammel, Director of the Chamber of Commerce's convention and visitors bureau, spoke in support of the resolution stating that at least 90 percent of the room tax revenues would be used for the promotion of the Asheville area as a tourist attraction. He said the legislation is expected to be introduced in the General Assembly before the end of this week.

203

REQUEST FROM RETIRED POLICE OFFICERS - INCREASE IN PENSION BENEFITS

Mr. John Best, a retired police officer, appeared before Council stating that approximately six weeks ago the retired officers appeared before Council requesting a cost of living increase in their pension benefits. He asked if any action had been taken on their request.

Councilman Pless said the Fringe Benefit Committee is presently working on a plan for increases in police pension benefits for the retired police officers and their widows. He said the Committee has not completed the project.

Mr. Garland Wible, a retired police officer, also spoke in favor of pension increases for the people on low pensions.

After a brief discussion, the retired police officers requested that Council members meet with them to come up with a plan.

The majority of Council members agreed to meet with the retired officers.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES IN ASHEVILLE

Ralph Bishop again spoke to Council relative to the lottery sales in Asheville.

ADJOURNMENT

Upon motion of Councilwoman Bratton, seconded by Councilman McDevitt, the meeting adjourned at 7:15 p. m.

Wayne Lanthorn
MAYOR

William E. McDevitt
CITY CLERK

ORDINANCE NO. 1361 - A BUDGET ORDINANCE AMENDMENT TO ELIMINATE THE "DUE FROM WATER AND SEWER FUND" ACCOUNT IN THE CITY'S GENERAL FUND

6. Consideration was given to a budget ordinance amendment to eliminate the "Due from Water and Sewer Fund" account in the City's General Fund.

The City Manager read the ordinance which stated that this budget amendment in the amount of \$841,186.00 is to eliminate the "Due from Water & Sewer Fund" Account in the City's General Fund. Said account was established in Fiscal 1970 and represents Water Operating Fund cash deficits accumulated through June 30, 1970. In the opinion of City Council, said amounts have been offset by non-accounted for benefits from the Water Fund to the General Fund since 1970. This entry does not affect the Fund balance available for appropriation in the General Fund.

Councilman Pless moved for the adoption of Ordinance No. 1361. This motion was seconded by Councilwoman Bratton.

On a roll call vote of 7-0, Ordinance No. 1361 passed on first and final reading.

Complete text of Ordinance No. 1361 will be found in Ordinance Book No. 9 at page 455.

BIDS - HERBICIDE FOR PUBLIC WORKS - STREET DIVISION

7. Consideration was given to bids received March 15, 1983 for Herbicide for Public Works - Street Division.

The City Manager presented the bids stating that sealed bids were received to furnish a term contract to supply the Street Division with an estimated herbicide requirement of 250 gallons during the 1983 weed control season. Seven bids were submitted. Recommendation to award this contract to the low bidder, Helena Chemical Company, Enfield, N. C. in the amount of \$17,620.00. Purchases will be made on an as needed basis at the unit price of \$70.48/gal. Funding will be from the Street Division appropriation, Account Code 10-427-038.

Councilman Pless moved to accept the bid of Helena Chemical Company in the amount of \$17,620.00 for herbicide requirement of 250 gallons during the 1983 weed control season on an as needed basis at the unit price of \$70.48/gal. This motion was seconded by Councilman McDevitt and carried unanimously.

RESOLUTION NO. 83-50 - RESOLUTION OF INTENT TO PARTICIPATE IN THE NCAEC'S LOCAL GOVERNMENT ENERGY OFFICER PROGRAM AS ADMINISTERED BY THE LAND-OF-SKY REGIONAL COUNCIL (LOSRC)

8. Consideration was given to a resolution of intent to participate in the NCAEC's Local Government Energy Officer Program as administered by the Land-of-Sky Regional Council (LOSRC).

225
Mr. Ralph Bishop spoke in opposition to the resolution.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Bratton, Resolution No. 83-49 was unanimously adopted.

PRESENTATION BY QUALITY FORWARD - CLEAN COMMUNITY PROGRAM OF THE "PERSONAL PICK-UP PROGRAM"

4. Mrs. Jean Webb, Director of the Quality Forward, presented the details of the Quality Forward - Clean Community Program of the "Personal Pick-up Program." She said this was a new litter awareness campaign and involves pledge cards which once signed, represents an individual's commitment to pick up at least one piece of litter each day.

Upon the request of Mrs. Webb, each member of Council signed pledge cards to start the campaign.

PUBLIC HEARING - REZONING PROPERTY LOCATED AT 25 DEAVERVIEW ROAD - REQUEST OF MR. AL RODGERS

ORDINANCE NO. 1360 -

5. A public hearing was held relative to rezoning property located at 25 Deaverview Road.

Mayor Trantham opened the public hearing at 4:43 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Sonya Luckadoo, with the Planning Department, said the Asheville Planning and Zoning Commission at a meeting held March 2, 1983, considered the petition of Mr. Al Rodges that Lot 16 and a portion of Lot 319, Sheet 19, Ward 5, be rezoned from R-3 Residential District to CH Commercial Highway District. After review and discussion, the Commission voted to recommend to City Council that the petition be approved subject to appropriate buffering being provided.

Ms. Luckadoo, by the use of a map, reviewed the location of the property in question. She said there was no opposition voiced at the Planning and Zoning Commission. She said Planning and Zoning Commission has recommended the rezoning subject to a 5' buffering zone being placed between the residential property and the commercial property.

Mayor Trantham closed the public hearing at 4:47 p. m.

The City Manager said members of Council were furnished copies of the proposed ordinance, therefore the ordinance would not be read in its entirety.

Councilman McDevitt moved for the adoption of Ordinance No. 1360. This motion was seconded by Councilman Pless.

On a roll call vote of 7-0, Ordinance No. 1360 passed on first reading.

Following these remarks, councilwoman Wilhemina Bratton asked the City Attorney, Mr. William Moore to read from a memorandum prepared by Charlotte Hutchison, a Research Analyst. Mr. Moore read from paragraph 5 page 1 which states in essence that since 1941, in chapter 260 of the Private Laws, the Private law of 1931 was amended to read, "and all members of said Board shall be residents of the City of Asheville". In spite of three further changes in 1947, 1951, and 1953, none of the changes affected this statement indicating that members of the Board, could be residents who lived in the City of Asheville, as opposed to being in the Asheville City School District.

This information being given, councilman Mayors then presented a motion to table the matter until Mayor Trantham was present, Vice-Mayor then related that there was no need to table as there was no indication of a tie vote on the proposed appointments. This tends to make one wonder about the true reason for the statement presented at the opening of this matter. One could suggest that the issue of where the person resided was a smoke screen to cover a lack of fairness on the part of some members of our City Council, because this same issue had been used in the past to subvert the will of the citizens of Asheville. Why had members of the City Council used this play for 42 years when they only had to check the City laws to find out it held no water. Why did not Councilman Larry McDivitt, who is a lawyer, not check the record, could it be that there was some thought that the truth would not be uncovered? These questions need answers if the minority citizens of Asheville are to believe the statements made prior to the appointments.

We feel that a great injustice has been done to the citizens of Asheville and personalized in Dr. Nilous Avery. We call upon the Asheville City Council to show fairness and a sense of justice to all its citizens and as a help to future appointments. We would recommend that the City Council consider the following:

1. The expansion of the number of persons who sit on the Asheville City School Board.
2. The number of years members of the Asheville City School Board serve.

May we close by saying that the responsibility of those who are privileged to serve, is to serve all the citizens of the City with fairness, Justice and truth. Further that the day is long past when we can afford to feeling of ill feeling between the majority and minority citizens of the fair City of Asheville.

Members of Council advised Rev. Christopher that they were aware of the fact that according to General Statutes school board members must live in the City but are not required to live within the city school district. They said they were aware of the the law when the matter was voted upon on March 22, 1983. Several members of Council said, however, they personally feel that school board members should live in the school district.

Councilman Myers advised Rev. Christopher that City Council is considering proposing legislation to expand the board from five to seven members and reducing the terms from six to four years.

The City Manager read the resolution stating that the City of Asheville desires to reduce its energy costs and consumption in government operations. The curtailment and reduction in energy use is heavily dependent on having a coordinator responsible for implementing the programs necessary to make such reductions. The Land-of-Sky Regional Council, through a contract with the North Carolina Alternative Energy Corporation, is guaranteeing through its Local Government Energy Officer Program that a portion of such an energy coordinator's salary and benefits will be recovered over a two-year period by the City of Asheville or the Land-of-Sky Regional Council will reimburse the City of Asheville any shortfall as described in the proposal for the Local Government Energy Officer Program dated March 3, 1983. This resolution will authorize the participation by the City of Asheville for a period of two years in the Local Government Energy Officer Program

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-50 was unanimously adopted.

Complete text of Resolution No. 83-50 will be found in Resolution Book No. 13 at page 455.

CLAIMS - MR. & MRS. JOHN E. SHACKELFORD (WATER & SEWER) - MRS. AUSTIN BELL (PUBLIC WORKS) - JACK AND JUNE CORDELL (WATER & SEWER) - PAUL LITRELL (CIVIC CENTER) - ROBERT HALL (WATER & SEWER)

9. The City Manager presented claims received from Mr. and Mrs. John E. Shackelford, Mrs. Austin Bell, Jack and June Cordell, Paul Littrell, and Robert Hall.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

DISCUSSION RELATIVE TO APPOINTMENTS TO THE ASHEVILLE SCHOOL BOARD

10. Rev. Wendall Christopher of the St. James AME Church speaking on behalf of the Inter-Denomination Ministerial Alliance read the following statement:

During the March 22nd meeting of the Asheville City Council, at which time the appointments to the Asheville City School Board were made, Vice-Mayor, Norma Price, prefaced the issue of the appointments with the statement, that Dr. Nilous M. Avery, was a fine outstanding man and an outstanding citizen of the City of Asheville, but due to the fact that he did not live in the City School District she was unable to vote for his appointment to the Asheville City School Board.

Councilman Larry McDivitt also spoke on the capabilities and the character of Dr. Avery, but could not support his appointment, as it would mean that he would be in a position to levy taxes, he would not have to pay himself as he was not in the Asheville City School District, however, these councilpersons failed to acknowledge that councilman Joe Pless does not live in the City School District, yet he can appoint persons to serve on the City School Board who will levy those taxes, that he will not have to pay.

REQUEST FOR SPECIAL REZONING STUDY - CHURCH STREET AND RAVENSCROFT DRIVE NEIGHBORHOOD

12. Attorney William F. Wolcott, III, representing Donny Luke with the Architectural Design Studio on Church Street, presented a petition requesting that Council initiate a special study by the Planning and Zoning Commission to determine if a change in zoning of the Church Street and Ravenscroft Drive is warranted. They requested that the Planning and Zoning Commission study a zoning change to an R-4 High Density Residential designation. They also requested that a moratorium be placed on building permits in this area until the study is completed and a decision can be reached.

After discussion, Councilwoman Frank moved to refer the petition to the Planning and Zoning Commission for study and recommendation and that a public hearing be scheduled relative to the consideration of an ordinance imposing a moratorium on building permits in the Ravenscroft Drive and Church Street area until the study is complete for April 12, 1983. This motion was seconded by Vice-Mayor Price and carried unanimously.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop again spoke to Council relative to the lottery sale operations in the City of Asheville.

ADJOURNMENT

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, the meeting adjourned at 5:55 p. m.

MAYOR

CITY CLERK

NOTICE OF CLAIM - BY CECIL C. JACKSON, JR., ATTORNEY FOR C. E. REVELL -
RELATIVE TO ISSUANCE OF BUILDING PERMIT NO. 14680

11. Attorney Cecil C. Jackson, Jr., attorney for C. E. Revell presented the following notice of claim against the City of Asheville:

NORTH CAROLINA

BUNCOMBE COUNTY

FILED

CITY OF ASHEVILLE

NOTICE OF CLAIM

FEB MAR 29 PM 3:44

CLERK OF SUPERIOR COURT, C.S.C.

TO: THE MAYOR AND CITY COUNCIL OF THE CITY OF ASHEVILLE

YOU ARE HEREBY PRESENTED AND GIVEN NOTICE of this claim pursuant to the Charter of the City of Asheville whereby C. E. Revell claims damages in the sum of Six Thousand Two Hundred (\$6,200.00) Dollars, arising from the issuance of Building Permit No. 14680 approved March 4, 1982 by this city for the installation of a 8' x 40' accessory building to be located at 67 Rash Road, Asheville, North Carolina; and the revocation of said permit by letter dated March 9, 1983 by Gary McDaniels, Zoning Enforcement Officer, Inspections Division, City of Asheville. That said letter was received by the property owner on or about March 11, 1983, at which time this cause of action arose.

It is specifically claimed that expenses for the purchase of this accessory building, moving, placement, repairs and foundation for same were incurred by this claimant by the reliance and approval of said permit prior to above notice of revocation. That additional damages for the removal of said building are also claimed although the amount is not ascertainable at this time.

Wherefore, the claimant makes demand for the sum of SIX THOUSAND TWO HUNDRED (\$6,200.00) DOLLARS, as actual or compensatory damages suffered because of the issuance and approval of said permit and of the revocation of same more than one year later.

This 29th day of March, 1983.

PUBLIC HEARING - SITE PLAN OF THE PROPOSED "MONTFORD MEWS" TOWNHOUSES

4. A public hearing was held relative to the site plan of the proposed "Montford Mews" townhouses.

Mayor Trantham opened the public hearing at 4:17 p. m.

The Associate City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a called meeting held November 17, 1982, reviewed the site plan of the proposed "Montford Mews" townhouses to be located on Montford Avenue. The plan was prepared by Richard L. Thornton, Architect, for Salfrende, Inc., Developer, c/o Mrs. Elizabeth Graham, Town and Country Realty, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted unanimously to recommend approval of the site plan to City Council subject to the following conditions:

- 1) Final approval of Erosion Control Plan;
- 2) Execution of necessary encroachment agreements for the proposed buffering on Pearson;
- 3) Execution of release of damage forms to provide for garbage and refuse pickup by the City;
- 4) Landscaping as shown on drawing for wall; and
- 5) Wall to be constructed off right-of-way. (Wall to be straight instead of a corner situation at Chestnut and Pearson and to be incorporated into buffering agreement.)

Mr. Emrick said all the conditions outlined by the Planning and Zoning Commission are in the process of compliance. He said water and sewer are available to the project with the lines being dedicated to the City of Asheville.

Mr. Emrick said the project was reviewed by the Historic Resources Commission and the Board of Adjustments as required. He said a Certificate of Appropriateness was issued by the Historic Resources Commission. He said any further action to be taken pursuant to the Board of Adjustment's decision would have to go to the courts, since Council does not have the authority to overrule decisions made by the Board of Adjustments. He said Council should consider the project based on it's own merits and not what action has been taken by the Historic Resources Commission or the Board of Adjustments. He said the Historic Resources Commission reserved the right to review specific individual units and approve each unit.

Upon inquiry of Vice-Mayor Price, Mr. Emrick said Council has the authority to deal with the proposed walls for the development.

Mr. Bill Underwood, 208 Pearson Drive read the following statement on behalf of the Montford Community Club in absence of the President of the Club, Mr. Ken Richards:

5 April 1983

TO: The Mayor and City Council of the City of Asheville

FROM: The Montford Community Club

Tuesday, April 5, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina Bratton, Councilmen Joe Pless and Gordon Myers; Corporation Counsel William C. Moore, Associate City Manager/ City Clerk William F. Wolcott, Jr., Deputy City Clerk Carol Hensley.

Absent: Councilman Larry McDevitt (due to illness)
City Manager K. M. Michalove (vacation)

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 29, 1983 meeting.

Upon motion of Councilman Pless, seconded by Vice-Mayor Price, the minutes of the March 29, 1983 meeting were unanimously approved as submitted.

PROCLAMATION - "LIFE OF THE ARTS FESTIVAL" - APRIL 15, 1983

2. Mayor Trantham proclaimed April 15, 1983 as "Life of the Arts Festival" in the City of Asheville.

RESOLUTION NO. 83-51 - RESOLUTION AUTHORIZING CERTAIN OFFICIAL ACTION RELATIVE TO THE "LIFE OF THE ARTS FESTIVAL"

3. Consideration was given to a resolution authorizing certain official action relative to the "Life of the Arts Festival."

The Associate City Manager read the resolution which stated that it is the expressed intent of the Asheville City Council to support and encourage special events in the downtown as one way of encouraging the revitalization of the same. The Community Arts Council of Western North Carolina and JMB Property Management Corporation have initiated a spring time festival known as "Life of the Arts Festival" to be held on April 15, 1983 from 11:30 a. m. to 2:30 p. m. This resolution will authorize the selling on the streets and sidewalks, waiving privilege licenses for same, and approval of two banners in connection with the festival.

Mayor Trantham presented the proclamation to Connie Collins who spoke in support of the resolution and outlined the details planned for the festival.

Mr. Bill Fesperman, Past President of the Arts Council, spoke in support of the resolution.

Upon motion of Councilman Pless, seconded by Councilwoman Bratton, Resolution No. 83-51 was unanimously adopted.

Complete text of Resolution No. 83-51 will be found in Resolution Book No. 14 at page 1.

Mr. Matney said buffering would be provided in front of the 6' proposed wall on Pearson Drive to soften the effects of the wall.

He said the project would answer several problems for Asheville. He said it would answer a need for additional housing, 23 owner-occupied residents, \$1 million in construction and additional taxes for the City of Asheville. He said the project is conveniently located to downtown and is good for the existing neighborhood. He said this would provide new people in the area on what is presently on an unsightly vacant lot.

Mr. Matney said he received signatures from several property owners in the area in favor of the project.

Upon inquiry of Councilman Myers, Mr. Matney said he felt the back units would be easier to sell if Council allowed the 6' proposed wall to remain.

Councilwoman Bratton said it was her feeling that fences and walls provide a feeling of isolation.

The following individuals spoke in opposition to the proposed project mainly objecting to the 6" proposed wall along Pearson Drive and the units nearest Pearson Drive facing away from the street:

Ms. Daphnie Hooker

Ms. Mary Jo Brezney (also presenting slides of existing walls in the Montford area. She also noted that a variance on lot size was granted by Planning and Zoning)

Ms. Terri Grooms - requested Council to appeal the decision of the Board of Adjustment to the courts enabling the community not to expend funds to correct a wrong decision)

Mr. Ernie Thurston

Mr. Cam Metcalf

Ms. Kathleen Garren, 56 Pearson Drive

The following individuals spoke in favor of the project:

Mr. Bob Smith (However, he favored a 4' wall on Pearson Drive and the back units to face Pearson Drive)

Mr. Chuck Curtis

Mr. Robert Griggs

Ms. Sherry Jones

Resident of 127 Montford Avenue

Councilman Pless said he would like to see a rendering of the townhouses that would be on Pearson Drive showing the proposed wall before he voted on the issue. He asked that the developers meet with the residents of the area and review the renderings.

Mayor Trantham said the City of Asheville needs more residents in the City and felt like the project would bring more people in the City.

Mayor Trantham closed the public hearing at 5:55 p. m.

"The Montford Community Club, responding to a vote of its members, wants the Asheville City Council to know that it seriously objects to the "Montford Mews" project, proposed as a housing development to front on Montford Avenue and back toward Pearson Drive. The Club does not object to development of the land involved so long as it is faithful in spirit to regulations written to protect and maintain the historic character and authenticity of one of the nation's outstanding historical districts. Because ours is an old neighborhood, it is especially sensitive to cavalier treatment, and because you are our elected representatives, we appeal to you for help.

Montford Mews Ltd. proposes a development in Montford which, by virtue of its design, would act as an introverted community, an island walled off and turned away from the large Montford community. This is entirely out of keeping with simple community, not to mention the character of the Montford Historic District. It is as if the Developers expect potential buyers to see Montford as a negative factor.

Two features in particular would surely damage the Montford District. They are 1) a wall, two feet higher than Montford Design Review Guidelines recommend, running approximately 200 feet, and 2) housing units - those nearest to Pearson Drive - which face away from the street, so that residents across the street would face the back of their neighbors' houses. The wall and the orientation of the Pearson Drive units would relegate Pearson Drive to the status of an alley.

This proposed rupture of our community is offensive. It would effectively stop development on Pearson Drive, whereas if the governing ordinance and guidelines were embraced by the Developers, it could serve them positively, and development would be protected. The tax base thus established would enrich not only the City of Asheville, but Montford itself.

Mr. Graves, president of the developing corporation and owner of the land in question, is quoted in The Asheville Times (28 March 1983) as saying, "We hoped that we were doing what the majority would be in agreement with..." He must not be aware that the majority disagree with the Montford Mews plan as it now stands. We are quite earnest when we say here that we would be pleased to sit down with him and discuss our common wish to meet the needs of the community.

If approval is given to Montford Mews as it is proposed, a precedent will be set for unregulated development, not only affecting Historic Montford, but also other historic districts.

We will very much appreciate your aid in a successful resolution of this crisis."

Mr. David Matney, attorney representing the developers, spoke in support of the project. He said there are approximately 600 houses in the Montford Area, and at the Montford Community Club meeting when a vote was taken relative to the proposed project only 25 votes were taken in total. He said the project entails 23 individual units consisting of 1200-1800 square feet in the cost range of \$45,000 - \$65,000. He said the project is a planned development with primarily custom built units. He said the owners would own the building and part of the wall around the unit. He said the project would have private streets and sidewalks. He said the lots would be very small with very little rear yards. He said the 6' wall would provide a feeling of privacy. He said the guidelines of the Historic Resources Commission state that walls and fences should not exceed 4 feet rather than "shall not" exceed 4 feet. He said this provides for flexibility.

RESOLUTION NO. 83-53 - RESOLUTION PROVIDING FOR THE ISSUANCE OF \$870,000 PUBLIC IMPROVEMENT BOND ANTICIPATION NOTES

8. Consideration was given to a resolution providing for the issuance of \$870,000 Public Improvement Bond Anticipation Notes.

The Associate City Manager read the resolution stating that this will provide for the issuance of \$580,000 Public Vehicle Maintenance Facility Bonds and \$305,000 Bridge Bonds.

Upon motion of Councilman Myers, seconded by Councilwoman Frank, Resolution No. 83-53 was unanimously adopted.

Complete text of Resolution No. 83-53 will be found in Resolution Book No. 14 at page 3, 4, and 5.

9. Consideration was given to a resolution appointing member to the Adult Advisory Board of the Asheville-Buncombe County Youth Council.

The Associate City Manager read the resolution which appointed Mr. Ken Kindley as a member of the Council.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-54 was unanimously adopted.

Complete text of Resolution No. 83-54 will be found in Resolution Book No. 14 at page 6.

RESOLUTION NO. 83-55 - RESOLUTION APPOINTING MEMBER TO THE ADULT ADVISORY BOARD OF THE ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL (Dr. Kenneth E. Hornowski)

10. Consideration was given to a resolution appointing member to the Adult Advisory Board of the Asheville-Buncombe County Youth Council.

The Associate City Manager read the resolution which appointed Dr. Kenneth E. Hornowski as a member of the Council.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-55 was unanimously adopted.

Complete text of Resolution No. 83-55 will be found in Resolution Book No. 14 at page 7.

RESOLUTION NO. 83-56 - RESOLUTION APPROVING THE ACCEPTANCE OF REVISED ENGINEERING SERVICE PROPOSALS FROM THOMPSON-GORDON-SHOCK ENGINEERS, INC. FOR THE REPLACEMENT/REHABILITATION OF THE GASHES CREEK ROAD BRIDGE, THE ARCO ROAD BRIDGE, AND THE CHESTNUT STREET BRIDGE

11. Consideration was given to a resolution approving the acceptance of revised engineering service proposals from Thompson-Gordon-Shock Engineers, Inc. for the replacement/rehabilitation of the Gashes Creek Road Bridge, the Arco Road Bridge, and the Chestnut Street Bridge.

225

After discussion, Councilwoman Frank moved to table consideration of the site plan for two weeks, April 19, 1983, asking that the developer's architect prepare a rendering of the townhouses to be placed on Pearson Drive showing the proposed 6' wall and that the developers meet with the residents in the area to review the renderings before April 19, 1983. This motion was seconded by Councilman Pless and carried unanimously.

ORDINANCE NO. 1360 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED (Property located at 25 Deaverview Road)

5. Consideration was given to the second reading of Ordinance No. 1360, an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville," as amended rezoning property located at 25 Deaverview Road.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1360 passed on second reading.

ORDINANCE NO. 1362 - AN ORDINANCE AMENDING SECTION 28.81.2 OF ARTICLE IV (SPEED REGULATIONS) OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to an ordinance amending Section 28.81.2 of Article IV (Speed Regulations) of Chapter 28 of the Code of Ordinances of the City of Asheville.

The Associate City Manager read the ordinance stating that now that Valley Street is under construction and will be widened to a four lane facility, it is recommended that part of the Asheville Code of Ordinances, Chapter 28, Section 28.81 pertaining to speed limits on Valley Street be rescinded and reverted to the State Statutory Speed Limit, or 35 mph.

Vice-Mayor Price moved for the adoption of Ordinance No. 1362. This motion was seconded by Councilwoman Frank.

On a roll call vote of 6-0, Ordinance No. 1362 passed on first reading.

RESOLUTION NO. 83-52- RESOLUTION REGARDING THE ASHEVILLE CITY COUNCIL RECOMMENDATIONS ON THE METROPOLITAN WASTEWATER MANAGEMENT PLAN

7. Consideration was given to a resolution regarding the Asheville City Council recommendations on the Metropolitan Wastewater Management Plan.

The Associate City Manager read the resolution stating that the Buncombe County Collector System Task Force has developed a plan entitled Metropolitan Wastewater Management Plan - Second Draft - December 15, 1982. The Asheville City Council has been requested to submit their position as to support of the plan in principle as well as a list of items of concern they have with the adoption of said plan. This resolution will authorize the submission of City Council's recommendations.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-52 was unanimously adopted.

Complete text of Resolution No. 83-52 will be found in Resolution Book
• No. 14 at page 2.

The Associate City Manager read the resolution which stated that the City desires to implement a strategy for revitalizing its Downtown/Central Business District. The City has retained the consultant firm of Zuchelli, Hunter and Associates, Inc. to perform certain professional services pertinent to such project to serve the City. The contract for such services was to be completed in three phases with an evaluation by the City due at the completion of Phase I. The evaluation would determine whether to continue the contract. This resolution will authorize the continuance of Phase II of the contract for the purpose of assistance with the revitalization in the Downtown.

Upon inquiry of Councilman Myers, Becky Williams, Director of Economic Development said no funds have been spent as of today's date. She said each phase will be paid for by the City, County, and the Chamber of Commerce equally. She said funds received to date is \$36,250 from the City and the Chamber of Commerce.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Frank, Resolution No. 83-57 was unanimously adopted.

Complete text of Resolution No. 83-57 will be found in Resolution Book No. 14 at page 9.

Mayor Trantham introduced Rabbi Paul Grob of Beth Israel Temple who gave the invocation.

PROCLAMATION - APRIL 10 - 17, 1983 - "DAYS OF REMEMBRANCE OF THE VICTIMS OF THE HOLOCAUST"

The City Manager read a proclamation proclaiming April 10 - 17, 1983 as "Days of Remembrance of the Victims of the Holocaust."

Mayor Trantham presented the proclamation to Rabbi Paul Grob.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 5, 1983 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilman Pless, the minutes of the April 5, 1983 meeting were unanimously approved as submitted.

RESOLUTION NO. 83-58 - RESOLUTION RECOGNIZING THE CONTRIBUTIONS OF ASHEVILLE POLICE DEPARTMENT OFFICER HAROLD DEAN CRISP, JR. IN HIS WORK WITH AREA YOUTH PROGRAMS

2. Consideration was given to a resolution recognizing the contributions of Asheville Police Department Officer Harold Dean Crisp, Jr., in his work with area youth programs.

The City Manager read the resolution which stated that Police Officer Harold Dean Crisp, Jr., received a National Jefferson Award for his volunteer community service in area youth programs.

Upon motion of Councilman Myers, seconded by Councilman Pless, Resolution No. 83-58 was unanimously adopted.

Complete text of Resolution No. 83-58 will be found in Resolution Book No. 14 at page 11.

RESOLUTION NO. 83-59 - RESOLUTION OF APPRECIATION AND COMMENDATION TO JOSEPH E. JOHNSON

3. Consideration was given to a resolution of appreciation and commendation to Joseph E. Johnson.

ORDINANCE NO. 1362 - AN ORDINANCE AMENDING SECTION 28.81.2 OF ARTICLE IV (SPEED REGULATIONS) OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

6. Consideration was given to the second reading of Ordinance No. 1362, an ordinance amending Section 28.81.2 of Article IV (Speed Regulations) of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1362 passed on second reading.

Councilman Myers moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1362. This motion was seconded by Vice-Mayor Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1362 passed on third and final reading.

Complete text of Ordinance No. 1362 will be found in Ordinance Book No. 10 at page 1.

ORDINANCE NO. 1360 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Property located at 25 Deaverview Road)

7. Consideration was given to the third reading of Ordinance No. 1360, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended rezoning property located at 25 Deaverview Road.

Mayor Trantham said this ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1360 passed on third and final reading.

Complete text of Ordinance No. 1360 will be found in Ordinance Book No. 9 at page 454.

RESOLUTION NO. 83-60 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A MUNICIPAL AGREEMENT BETWEEN THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION AND THE CITY OF ASHEVILLE FOR THE REPLACEMENT OF THE GLEN FALLS ROAD BRIDGE OVER BEAVERDAM CREEK, PROJECT NO. 8.2840801, B-842

8. Consideration was given to a resolution authorizing the Mayor to execute a municipal agreement between the North Carolina Department of Transportation and the City of Asheville for the replacement of the Glen Falls Road Bridge over Beaverdam Creek, Project No. 8.2840801, B-842.

The City Manager said this municipal agreement will provide for the replacement of the Glen Falls Road Bridge for which the City of Asheville will be responsible for costs to the extent of 20% and the Department of Transportation will reimburse the City of Asheville for 80% of the total project costs.

Verl Emrick, Director of Planning, said at the March 29, 1983 Council meeting a petition was presented by the property owners in the vicinity of Church Street and Ravenscroft Drive requesting that Council initiate a special zoning study of the area and to impose a moratorium on building and zoning permits until the study is complete and a decision is made on the rezoning study. He said the Planning and Zoning Commission will consider the rezoning issue during the May meeting and this public hearing deals strictly with the imposing of a moratorium on building and zoning permits. He said he had received no opposition relative to imposing a moratorium.

Mr. William F. Wolcott, III, attorney representing the petitioners, spoke in support of the ordinance imposing the moratorium and requested that Council pass the ordinance on three readings at today's meeting since the ordinance provides for a short moratorium period, with the moratorium effective only until June 15, 1983. He said he had heard there was some interest in developing a vacant lot in the area and the property owners are interested in preserving the area.

Upon inquiry of Councilman Pless as to whether or not any particular party opposes the moratorium, Mr. Wolcott said no action had been taken to develop the vacant lot that someone had only expressed an interest in developing the lot.

Corporation Counsel Moore, upon inquiry of Council, said Council could legally have all three readings of the ordinance at today's meeting. However, in the past Council has not had three readings on ordinances affecting zoning or property during one meeting.

Mayor Trantham closed the public hearing at 4:42 p. m.

Since members of Council were furnished copies of the proposed ordinance it was not read in its entirety.

Councilwoman Frank moved for the adoption of Ordinance No. 1364. This motion was seconded by Councilman Myers.

On a roll call vote of 6-0, Ordinance No. 1364 passed on first reading.

Councilman Pless moved to suspend the rules and proceed to the second reading of Ordinance No. 1364. This motion was seconded by Vice-Mayor Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1364 passed on second reading.

Councilman Pless moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1364. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1364 passed on third and final reading.

Complete text of Ordinance No. 1364 will be found in Ordinance Book No. 10 at page 5.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES

Ralph Bishop again spoke to Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Vice-Mayor Price, seconded by Councilman Myers, the meeting adjourned at 5:05 p. m.

Wayne H. Hamilton
MAYOR

William F. Holcomb
CITY CLERK

Upon motion of Councilman Myers, seconded by Councilwoman Bratton, Resolution No. 83-60 was unanimously adopted.

Complete text of Resolution No. 83-60 will be found in Resolution Book No. 14 at page 13.

CLAIMS - JULIUS H. PRAUSE, SR. (PUBLIC WORKS)

The City Manager presented a claim received from Julius H. Prause, Sr.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 83-61 - RESOLUTION AUTHORIZING THE CLOSING OF A PORTION OF LYNNDALE AVENUE FROM 4:00 P. M. - 6:00 P. M. ON SUNDAY, APRIL 17, 1983

Consideration was given to a resolution authorizing the closing of a portion of Lynndale Avenue from 4:00 p. m. - 6:00 p. m. on Sunday, April 17, 1983.

The City Manager read the resolution stating that the West Asheville Baptist Church, 926 Haywood Road, Asheville, North Carolina, is planning a ground breaking ceremony for April 17, 1983 from 4:00 p. m. - 6:00 p. m. and the Church has requested that about seventy-five yards of Lynndale Avenue, between the hours of 4:00 p. m. and 6:00 p. m. be blocked off for the ceremony.

Upon motion of Councilwoman Frank, seconded by Councilman Myers, Resolution No. 83-61 was unanimously adopted.

Complete text of Resolution No. 83-61 will be found in Resolution Book No. 14 at page 14.

RESOLUTION NO. 83-62 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE REED CREEK SEWER IMPROVEMENT PROJECT

Consideration was given to a resolution authorizing condemnation of property in the Reed Creek Sewer Improvement Project.

The City Manager read the resolution stating that the Asheville Housing Authority has caused the property of Clarence Williams in the Reed Creek Sewer Improvement Project to be appraised by a competent real estate appraiser and the Housing Authority has established a maximum acquisition value for this property. The Housing Authority has been unable to reach agreement to purchase at the approved value. This resolution will authorize the condemnation of the property in order to carry out the Reed Creek Sewer Improvement Project.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-62 was unanimously adopted.

Complete text of Resolution No. 83-62 will be found in Resolution Book No. 14 at page 15.

1. The Executive Board of the Montford Community Club and The Montford Defense Committee of the Montford Community Club met with the Developers and owners of the proposed Montford Mews Development on 18 April 1983.

The Montford Community Club has consistantly stated that:

The Historic Ordinance governing the Montford Historic District must be followed.

IN THE MEETING OF 18 APRIL 1983, Mr. Delaney and Mr. Graves, OWNERS, agreed to comply with the 4 foot wall requirement.

They have taken the revised plan as submitted by the Montford Defense Committee under advisement for the relocation of the units that now back onto Pearson Drive.

OUR REQUEST OF CITY COUNCIL: NOW THAT DIALOG HAS BEGUN BETWEEN THE OWNERS AND THE MONTFORD COMMUNITY CLUB, WE REQUEST THAT CITY COUNCIL DEFER ACTION ON THE PROJECT UNTIL SUCH TIME AS THE OWNER/DEVELOPERS HAVE REVIEWED THE REVISED SITE PLAN FOR THE UNITS BACKING ONTO PEARSON SO THAT THEY AND THE MONTFORD COMMUNITY CLUB CAN CONTINUE THEIR "GOOD FAITH" DIALOG. THIS NEXT MEETING COULD BE HELD AT THE REGULARLY SCHEDULED MEETING OF THE MONTFORD COMMUNITY CLUB WHICH WILL BE HELD AT THE MONTFORD COMMUNITY CENTER AT 7:30 on Monday evening, 9 May 1983. THE RESULTS OF THIS MEETING COULD THEN BE PRESENTED AT CITY COUNCIL MEETING HELD ON/ABOUT 30 DAYS FROM TODAYS MEETING.

2. Consistant with the position of the Montford Community Club, alleged violations have been conducted by the Board of Adjustment as outlined in the paper presented to City Council at the most recently held meeting of that body. The case is pending. Since it applies directly to the Ordinance governing the action of the Historic Resources Commission, we make the following request of Asheville City Council:

THAT YOU JOIN US IN HAVING THE ATTORNEY GENERAL FOR THE STATE OF NC REVIEW THE ACTIONS OF THE BOARD OF ADJUSTMENT IN THE RECENT REVIEW OF THE MONTFORD MEWS DEVELOPMENT AND THE IMPROPER ACTION OF disregard FOR THE SPIRIT AND LETTER OF THE LAW BY THE BOARD OF ADJUSTMENT.

THE CASE IS NOW PENDING IN SUPERIOR COURT."

Mary Jo Brezney, a member of the Montford Community Club, presented the revised plan of the "Montford Mews" townhouses to members of Council.

Ms. Stephanie Hooker, 30 Cumberland Avenue, spoke in opposition to the project stating that the developers should meet all the guidelines of the Montford Historic District ordinance.

Lawrence Gilliam spoke in support of the project and the developers of the project. He also commented that sometimes the historic ordinance is a burden on individuals with fixed incomes.

Carl Johnson spoke in favor of the project stating that you can not have historical preservation without restoration.

Councilwoman Bratton moved to approve the site plan of the "Montford Mews" townhouses to be located on Montford Avenue subject to the conditions outlined by the Planning and Zoning Commission and the lowering of the wall on Pearson Drive to 4' including the plantings in front of the wall on shown on the plans. This motion was seconded by Councilman Pless and carried unanimously.

Upon inquiry of Councilman McDevitt, Mr. Emrick said the violations of the developer of the historical ordinance deal with guidelines in the ordinance rather than laws.

Tuesday - April 19, 1983 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Mary Lloyd Frank, Councilwoman Wilhelmina B. Bratton, Councilmen Joe Pless, Gordon Myers and Larry McDevitt; Corporation Counsel William C. Moore, City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilwoman Mary Lloyd Frank.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 12, 1983 meeting.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, the minutes of the April 12, 1983 meeting were unanimously approved as submitted.

SITE PLAN OF THE PROPOSED "MONTFORD MEWS" TOWNHOUSES

2. Consideration was given to a motion relative to the site plan of the proposed "Montford Mews" townhouses.

Mayor Trantham stated that a public hearing was held relative to the site plan for the "Montford Mews" townhouses on April 5, 1983. At that time a motion was made to table consideration of the site plan for April 19, 1983.

Verl Emrick, Director of Planning, said at the April 5, 1983 public hearing Council requested that the developer's architect prepare a rendering of the townhouses to be placed on Pearson Drive showing the proposed 6' wall and that the developers meet with the residents prior to Council consideration. He said the architect prepared the rendering and a meeting was held with the Montford Community Club on Monday, April 18, 1983. He said the developers are now proposing a 4' wall on Pearson Drive rather than a 6' wall. He presented the rendering to members of Council.

David Matney, attorney for the developers, spoke in favor of the project stating that the developers compromised with the residents in the area by lowering the proposed wall on Pearson Drive to 4' rather than 6'. He said the residents are still opposed to the placement of the four units on Pearson Drive. He said the framework of the project is in keeping with the Montford Historical Guidelines. He said the wall to be constructed on Pearson Drive would have shrubbery planted in front of the wall and would enhance the neighborhood, particularly since the property is now vacant.

Ken Richards, President of the Montford Community Club, read the following statement:

MONTFORD COMMUNITY CLUB

"Subject: Presentation to Asheville City Council reference proposed Montford Mews Development.

Date: 19 April 1983

Councilman McDevitt requested that the wording in Section E(3)(b) be changed from 150 meters to 150 yards.

Mayor Trantham closed the public hearing at 4:15 p. m.

Verl Emrick, Director of Planning, said since members of Council were furnished copies of the ordinance it would not be read in its entirety.

Vice-Mayor Price moved for the adoption of Ordinance No. 1365. This motion was seconded by Councilwoman Frank.

On a roll call vote of 7-0, Ordinance No. 1365 passed on first reading.

ORDINANCE NO. 1363 - AN ORDINANCE TO EXTEND THE CORPORATE LIMITS OF THE CITY OF ASHEVILLE, NORTH CAROLINA (POSEIDON RESTAURANT ON U. S. 70)

5. Consideration was given to the second reading of Ordinance No. 1363, an ordinance to extend the corporate limits of the City of Asheville, North Carolina, being the Poseidon Restaurant on U. S. 70.

Mayor Trantham said this ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1363 passed on second reading.

Vice-Mayor Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1363. This motion was seconded by Councilwoman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1363 passed on third and final reading.

Complete text of Ordinance No. 1363 will be found in Ordinance Book No. 10 at page 2, 3, and 4.

RESOLUTION NO. 83-63 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE DIRECTING THE CODE ENFORCEMENT OFFICER TO DEMOLISH THE DWELLING HOUSE AT 19 BLAKE STREET

6. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Code Enforcement Officer to demolish the dwelling house at 19 Blake Street for May 10, 1983.

The City Manager read the resolution which stated that the dwelling house at 19 Blake Street has been found to be unfit for human habitation, unsafe, and dangerous to life. A public hearing is required to demolish said building.

Upon motion of Councilman Myers, seconded by Councilman McDevitt, Resolution No. 83-63 was unanimously adopted.

Complete text of Resolution No. 83-63 will be found in Resolution Book No. 14 at page 16 and 17.

STATUS REPORT - RESTORATION OF 22 NORMANDY ROAD

3. Status report relative to restoration of 22 Normandy Road.

Mr. Lem Moore, Director of Inspections, said in October, 1982 Council received agreements from the owners of 22 Normandy Road and Stewart Construction Company to restore 22 Normandy Road to meet all state and local building and housing codes. He said in February, 1983 Council continued the stay of the ordinance to demolish the dwelling until after April 7, 1983. He said an inspection was made of the dwelling at 22 Normandy Road and no significant progress has been made to restore the dwelling. He said no plumbing permits have been issued to a plumbing contractor. He said a rough-in inspection was made on the electrical work. He said work on the dwelling has been discontinued for at least two weeks. He said the Building Inspector inspecting the premises said about 20% of the work has been completed at 22 Normandy Road.

Upon inquiry of Council, Mr. Moore said the City has agreements from the owners of 22 Normandy Road and the construction company. He said the agreement states that in the event the dwelling is not brought into compliance with the appropriate building codes by February 1, 1983 the contractor, Stewart Construction Company, that demolition would be effected without cost or liability to the City of Asheville.

Councilman McDevitt said he felt the City should enforce the agreements since the owners are in breach of the agreements made in October, 1982.

After discussion, Councilman McDevitt moved to dissolve the stay of execution of Ordinance No. 1183 and to proceed with the enforcement of Ordinance No. 1183 directing the demolition of 22 Normandy Road. This motion was seconded by Councilwoman Frank and carried unanimously.

CONTINUATION OF PUBLIC HEARING - "CONSERVATION OVERLAY FOR HISTORIC PROPERTIES"

ORDINANCE NO. 1365 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing relative to a proposed wording amendment to the Asheville Zoning Ordinance which would create a new district to be known as the "Conservation Overlay for Historic Properties," continued.

Mayor Trantham stated this public hearing was continued from the November 4, 1982 meeting.

Verl Emrick, Director of Planning, said the public hearing was continued on November 4, 1982 in order for the City Attorney and Planning Director to provide new language for the ordinance in Sections E(3) and G(4).

Mr. Emrick read the new language proposed for Sections E(3) and G(4) of the ordinance.

He said this ordinance is aimed at locally designated historic properties to encourage the most appropriate use of the historic buildings. He explained the procedure to be followed in obtaining a conditional use permit for historic properties.

At this time an ordinance was read rescinding Ordinance No. 1364.

Councilman Pless moved for the adoption of Ordinance No. 1366. This motion was seconded by Councilman Myers.

On a roll call vote of 7-0, Ordinance No. 1366 passed on first reading.

Councilman Pless moved to suspend the rules and proceed to the second reading of Ordinance No. 1366. This motion was seconded by Councilwoman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1366 passed on second reading.

Councilwoman Frank moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1366. This motion was seconded by Councilwoman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1366 passed on third and final reading.

Complete text of Ordinance No. 1366 will be found in Ordinance Book No. 10 at page 10.

SCHEDULING PUBLIC HEARING - IMPOSING MORATORIUM ON BUILDING AND ZONING PERMITS IN THE CHURCH STREET AND RAVENSCROFT DRIVE AREA

Councilwoman Frank moved to schedule a public hearing relative to the adoption of an ordinance imposing a moratorium on any building and zoning permits in the Church Street and Ravenscroft Drive area, for May 3, 1983. This motion was seconded by Councilman Myers.

Upon inquiry of Councilman McDevitt, Corporation Counsel Moore again stated in his opinion Councilman McDevitt would not have a "conflict of interest" in voting on this issue because he owns property adjacent to the property in question.

Councilwoman Frank's motion carried unanimously.

PUBLIC HEARING SCHEDULED - REZONING PROPERTY AT 20 SAND HILL ROAD

Councilwoman Frank moved to schedule a public hearing relative to rezoning property at 20 Sand Hill Road from R-3 Residential District to CS Commercial Service District at the request of Wachovia Bank by Attorney Allan Tarleton for May 3, 1983. This motion was seconded by Councilman Myers.

Councilman McDevitt requested that he be excused from voting on this matter due to the fact that his law firm represents Wachovia Bank.

Councilwoman Bratton moved to excuse Councilman McDevitt from voting on this matter. This motion was seconded by Councilwoman Frank and carried unanimously.

Councilwoman Frank's motion carried unanimously.

409

REQUEST OF NEAGLE OUTDOOR ADVERTISING COMPANY FOR A SIGN PERMIT

7. Mr. Lem Moore, Director of Inspections, said he had received a request from Neagle Outdoor Advertising Company, for permits to place several billboards throughout the city in conjunction with Appalachian Hall Hospital and the DUI bill. He said the billboards would display a State Highway Patrol Car with an actual blue turning light on the sign. He said this is prohibited under the Sign Ordinance and Council would have to amend the Sign Ordinance in order to allow the signs to be erected.

After discussion it was the consensus of Council that the idea was good and worthwhile, however they could not grant the request by allowing the turning light on the billboards.

RECONSIDERATION OF ORDINANCE NO. 1364 - AN ORDINANCE IMPOSING A LIMITED MORATORIUM ON DEVELOPMENT IN THE CHURCH STREET AND RAVENSCROFT DRIVE AREA

ORDINANCE NO. 1366 - AN ORDINANCE RESCINDING ORDINANCE NO. 1364

8. Councilman Pless said at the Council meeting of April 12, 1983 an ordinance was adopted on three readings imposing a limited moratorium on development in the Church Street and Ravenscroft Drive Area. He said during the April 12, 1983 meeting he asked the petitioner of the moratorium if anyone was in opposition to the moratorium and was told "no." He said it was brought to his attention on April 13, 1983 that an individual was interested in developing a vacant lot in the area and had talked with the Inspections Division, on several occasions, about obtaining a building permit. He said the individual was refused a building permit on April 13, 1983 because the moratorium was in effect. He said he felt the moratorium ordinance should be rescinded because Council, including himself, acted hastily in adopting the moratorium ordinance on three readings at one meeting.

Mr. Jack Bane, proposed developer of a vacant lot in the area, told members of Council he was not aware that Council was considering the moratorium ordinance on April 12, 1983. He said the petitioner knew of his interest in developing the lot on April 12, 1983.

Mr. Ervin Ball, Attorney for Jack Bane, said it was his understanding that members of Council were told that it was a unanimous decision of all property owners in the area that a moratorium ordinance be adopted. He said that is not true. He said there are only a very few vacant lots left in the area in question.

Mr. Lem Moore, Director of Inspections, verified that Mr. Jack Bane did, in fact, talk to the Inspections Department on several occasions about obtaining a building permit and to his knowledge was in the process of bringing his plans up-to-date to bring in for his building permit. He said at the April 12, 1983 meeting he did not know Mr. Bane's lot was in question or he would have informed members of Council.

After discussion, Councilman Pless moved that Council reconsider Ordinance No. 1364. This motion was seconded by Councilman Myers.

Upon inquiry of Councilman McDevitt, Corporation Counsel Moore said in his opinion Councilman McDevitt would not have a "conflict of interest" in voting on this issue because he owns property adjoining the property in question.

Councilman Pless' motion carried unanimously.

MEETING SCHEDULED TO MEET WITH ASHEVILLE SCHOOL BOARD MEMBERS

It was the consensus of Council to meet with the members of the Asheville School Board on Tuesday, May 3, 1983 at 2:00 p. m. in the Council Conference Room.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 83-64 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE KILLIAN ROAD BRIDGE REPLACEMENT PROJECT

Consideration was given to a resolution authorizing condemnation of property in the Killian Road Bridge Replacement Project.

The City Manager read the resolution which stated that the City of Asheville has dealt with the property owners owning property along the Killian Road Bridge Project and one property owner will not dedicate or sell the portion of their property needed as temporary and perpetual right-of-way for the replacement of the Killian Road Bridge. This resolution will authorize the condemnation of Ward 9, Sheet 42, Lot 88-1/4, Owned by Harwood on Killian Road in order that the City of Asheville might carry out its approved plan of replacing the Killian Road Bridge.

Upon motion of Councilwoman Frank, seconded by Councilwoman Bratton, Resolution No. 83-64 was unanimously adopted.

Complete text of Resolution No. 83-64 will be found in Resolution Book No. 14 at page 18.

REPORT BY CORPORATION COUNSEL - RELATIVE TO CABLE TELEVISION FRANCHISE ORDINANCE NO. 789, AS AMENDED TO DATE

The City Manager presented a memorandum received from Corporation Counsel Moore stating that he reviewed the requirements of the cable television franchise ordinance and the procedures followed by American Cable TV Investors and in his opinion all provisions of the ordinance have been complied with.

Mayor Trantham proclaimed the week of April 24-30, 1983 at "YWCA Week."

PETITION - RESIDENTS OF OAKLEY NEIGHBORHOOD - CROSSING GUARD AT OAKLEY SCHOOL

The City Manager presented a petition received from residents of the Oakley neighborhood requesting that the Asheville Police Department station a crossing guard at the intersection of Liberty Street and Fairview Road to assist children walking to and from Oakley Elementary School.

The City Manager said this matter was scheduled on the last City/County meeting agenda. He said the County Commissioners were being requested to participate in the funding. However, the matter was not discussed and he instructed the Chief of Police to provide the crossing guard if it should prove necessary during the remainder of this school year.

The City Manager read the resolution stating that Brown A. McNeil has been employed by the City of Asheville for over six years in the Park Maintenance Division and will retire from service on May 1, 1983.

Upon motion of Councilman McDevitt, seconded by Councilwoman Bratton, Resolution No. 83-66 was unanimously adopted.

Complete text of Resolution No. 83-66 will be found in Resolution Book No. 14 at page 20.

PRESENTATION BY BETTY KDAN - ARTS COUNCIL - MURAL PAINTINGS IN THE PARKING GARAGE

4. Betty Kdan, with the UNC-Asheville Alumni Art Chapter, said last fall her chapter took on the endeavor of a project to redecorate the inside of the parking garage. She presented members of Council with a print out of the scope of the project. She said the project is supported by the Community Arts Council and the Economic Development Department. She said the Community Arts Council was successful in obtaining a \$500 grant for the project. She said a mural contest was started and the winner of the contest is Terry Shuford. She said Terry's design meets all the requirements of the contest which included visibility, simplicity, easily maintained, and not distracting to people using the garage. She said the design will be easy for the City to maintain in years to come. She said the grant funds will be used to purchase the paint and volunteers both private and from the UNC-A Arts class will be involved in the mural paintings. She requested that Council approve the general motif for the entire parking garage.

Councilman McDevitt moved to approve the general motif, as explained and presented by Betty Kdan, for mural paintings on the inside of the parking garage. This motion was seconded by Councilwoman Bratton and carried unanimously.

ORDINANCE NO. 1365 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (creating a new district entitled "Conservation Overlay for Historic Properties")

5. Consideration was given to the second reading of Ordinance No. 1365, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended creating a new district entitled "Conservation Overlay for Historic Properties."

Mayor Trantham said this ordinance passed on first reading on April 19, 1983 and said the ordinance would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1365 passed on second reading.

SALE OF DISPOSAL PARCELS - EAST RIVERSIDE RENEWAL PROJECT

6. Consideration was given to a motion approving the sale of disposal parcels in the East Riverside Renewal Project.

The City Manager said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Renewal Project:

Tuesday - April 26, 1983 - 4:00 p. m.

Upon motion of Councilwoman Bratton, seconded by Councilman Pless, Resolution No. 83-65 was unanimously adopted.

Complete text of Resolution No. 83-65 will be found in Resolution Book No. 14 at page 19.

RESOLUTION NO. 83-66 - RESOLUTION OF APPRECIATION TO BROWN A. MCNEIL, RETIRING EMPLOYEE OF THE CITY OF ASHEVILLE

3. Consideration was given to a resolution of appreciation to Brown A. McNeil, retiring employee of the City of Asheville.

CLAIMS - FRANCES STEVENS - RUCKMAN BROTHERS - JOE YANIK, JOSEPH W. GILSON, AND BETTY P. WINN

The City Manager presented claims received from Frances Stevens, Ruckman Brothers, Joe Yanik, Joseph W. Gilson, and Betty P. Winn.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - SUNDAY - MAY 1, 1983 - LAW DAY U.S.A.

Mayor Trantham proclaimed Sunday, May 1, 1983 as Law Day U.S.A.

DISCUSSION RELATIVE TO DEMOLITION OF 22 NORMANDY ROAD

John Stewart, Stewart Construction Company, appeared before Council and requested that Council rescind the motion made at the meeting of April 19, 1983 to dissolve the stay of execution of Ordinance No. 1183 ordering the demolition of 22 Normandy Road. He said work has been done on the dwelling to bring it up to code standards, however due to weather conditions the work process has been slow. He said approximately \$24,000 has been spent pursuing the project. He said once the house is completed and brought up to code standards it would have an approximate tax value of \$100,000 which would be an asset to the City of Asheville. He said his clients are in the process of selling property to rehabilitate 22 Normandy Road.

Upon inquiry of Councilman Myers, Mr. Stewart said approximately \$20,000 is still in escrow to repair the house.

After discussion, Councilman Myers moved to rescind the order to demolish the dwelling at 22 Normandy Road for ninety (90) days. This motion was seconded by Councilman McDevitt and carried unanimously.

STATEMENT BY DONNY LUKE - CHURCH STREET AND RAVENSCROFT DRIVE AREA

Mr. Donny Luke, a resident of Church Street, told members of Council he was displeased and distressed at the action taken by Council on April 19, 1983 rescinding the Ordinance imposing the moratorium on building and zoning permits in the Church Street and Ravenscroft Drive Area. He said when he appeared before Council on April 12, 1983 requesting the moratorium Council members were told of an interested developer in the area and the main purpose for requesting the moratorium was to prevent the development. He said it was not their intention to mislead Council members. He said Council members were influenced by a personal conflict of one individual and did not heed the request of the majority of the residents in the area. He requested that Council proceed with the process to rezone the Church Street and Ravenscroft Drive area and reverse the trend of deterioration of the area.

RALPH BISHOP - COMMENTS RELATIVE TO CITY MANAGER

Ralph Bishop again made comments to members of Council relative to the City Manager.

ADJOURNMENT

Upon motion, the meeting adjourned at 5:00 p. m.

Ray M. Trantham
MAYOR

William J. Holcomb
CITY CLERK

All of the above developers propose to construct single family structures under the Dollar-A-Lot Program. Cost of the structures to be in the \$30,000 range.

Councilwoman Bratton moved to approve the sale of the disposal parcels as tentatively accepted by the Housing Authority. This motion was seconded by Councilman McDevitt and carried unanimously.

RESOLUTION NO. 83-67 - RESOLUTION APPROVING THE ACCEPTANCE OF THE ENGINEERING SERVICE PROPOSAL OF THOMPSON-GORDON-SHOCK ENGINEERS, INC. FOR THE REPLACEMENT/REHABILITATION OF THE GLEN FALLS ROAD BRIDGE ACROSS BEAVERDAM CREEK

7. Consideration was given to a resolution approving the acceptance of the Engineering Services Proposal of Thompson-Gordon-Shook Engineers, Inc. for the replacement/rehabilitation of the Glen Falls Road Bridge across Beaverdam Creek.

The City Manager said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman McDevitt, seconded by Councilman Pless, Resolution No. 83-67 was unanimously adopted.

Complete text of Resolution No. 83-67 will be found in Resolution Book No. 14 at page 21.

PUBLIC HEARING SCHEDULED - REZONING PROPERTY LOCATED AT THE GROVE PARK INN COUNTRY CLUB

8. Councilman McDevitt moved to schedule a public hearing relative to rezoning property located at the Grove Park Inn Country Club, Ward 9, Sheet 46, Portion of Lot 1, for May 17, 1983. This motion was seconded by Councilman Pless and carried unanimously.

Councilman Myers commented that the Planning and Zoning Commission voted to deny the rezoning request because it would create "spot zoning" which was illegal.

Jack Westall, Attorney representing Grove Park Inn Country Club, said in his opinion the rezoning does not constitute "spot zoning."

SUGGESTION BY COUNCILMAN PLESS - RELATIVE TO BELE CHERE FESTIVAL

Councilman Pless requested that the City Manager look into the possibility of moving the Bele Chere Festival around to different locations within the City of Asheville such as the Biltmore Village, West Asheville, etc. since those locations are also a part of the City of Asheville.

oversight Council rescinded the ordinance imposing the moratorium on April 19, 1983. He said imposing a moratorium at this time is probably a "moot" question because Planning and Zoning Commission will review the rezoning request on May 4, 1983.

Mike Coxe, partner with Donny Luke at the Architectural Design Studio on Church Street, said they were instrumental in the original petition requesting the rezoning study and the moratorium. He said since Council rescinded the ordinance imposing the moratorium, the main purpose of requesting the moratorium was defeated. He said there is very little property left in that area to be developed. He requested that Council turn their full attention to the rezoning request.

Mayor Trantham closed the public hearing at 4:17 p. m.

The City Manager said since members of Council were furnished copies of the ordinance it would not be read in its entirety.

Due to the lack of a motion for adoption, the ordinance was defeated.

PUBLIC HEARING - REZONING PROPERTY - 20 SAND HILL ROAD

ORDINANCE NO. 1367 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (20 Sand Hill Road)

2. A public hearing was held relative to rezoning property located at 20 Sand Hill Road.

Mayor Trantham opened the public hearing at 4:18 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission at a meeting held April 13, 1983, considered the petition of Wachovia Bank that Lot 203, Sheet 12, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District. After review and discussion, the Commission voted unanimously to recommend that Lot 203, Sheet 12, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District.

Mr. Emrick said since concern was voiced at the Planning and Zoning Commission meeting relative to additional water run off due to the proposed plan of installing a parking lot on this property, he would suggest that Council adopt the rezoning ordinance contingent upon compliance with the Erosion Control Ordinance.

Several residents in the area expressed concern about additional water run-off problems if this parking lot is built by Wachovia Bank.

Corporation Counsel Moore suggested that Council adopt the ordinance subject to compliance with the Erosion Control Ordinance, Section 8-80 of the Code of the City of Asheville.

After discussion, Mayor Trantham closed the public hearing at 4:32 p.m.

Mayor Trantham proclaimed the week of May 7 - 14, 1983 as "Heritage Week" in the City of Asheville and presented the proclamation to Jim Canon.

PUBLIC HEARING - MORATORIUM ON BUILDING AND ZONING PERMITS IN THE CHURCH STREET AND RAVENSCROFT DRIVE AREA

2. A public hearing was held relative to consideration of an ordinance imposing a moratorium on building and zoning permits in the Church Street and Ravenscroft Drive Area.

Mayor Trantham opened the public hearing at 4:12 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said a petition was received from property owners in the vicinity of Church Street and Ravenscroft Drive area requesting that Council initiate a special zoning study of the Church Street and Ravenscroft Drive area and to impose a moratorium on building and zoning permits until the study is complete and a decision made on the rezoning study. He said Council instructed the Planning and Zoning Commission to study the area and imposed a moratorium on development in the area on April 12, 1983. However, due to an

ORDINANCE NO. - BUDGET ORDINANCE AMENDMENT RELATIVE TO BELE CHERE

5. Consideration was given to a budget ordinance amendment relative to Bele Chere.

The City Manager read the ordinance stating that this amendment in the amount of \$10,000 is to establish funding for the 1983 Bele Chere Festival. \$5,000 from the City and \$5,000 from the County.

Ralph Bishop told members of Council that he was not opposed to the Bele Chere Festival but he was opposed to spending \$5,000 of the citizens money without them telling Council to.

Elizabeth Kdan, Executive Director of High Country Crafters, Inc. from 29 Haywood Street presented the following statement and petition to members of Council relative to the 1983 Bele Chere Festival:

High Country Crafters, Inc.

Haywood Street Celebration of "Bele Chere"

Last week, in call to Patty Tallerdar for information about Bele Chere, was surprised to hear that Bele Chere would not be in the streets of downtown Asheville in 1983 due to:

1. Shortage of money.
2. Opposition by the merchants who feel their business is hurt by it.

Met with Verle Swick & Patty Tallerdar. Was assured that the merchants on Haywood St. could celebrate Bele Chere any way they wished to. Verle Swick recommended that if we wished we should approach City Council and request that Haywood St. be closed. He stated that:

1. Bele Chere Organization could put no money into Haywood St. celebration.
2. Bele Chere Organization could support Haywood St. through advertising.

High Country Crafters pledged what assistance we could to Bele Chere Organization:

1. Furnish names and addresses of skilled artisans.
2. Place announcement of Bele Chere in monthly newsletter.
3. Consider a High Country Booth in City/County Plaza area, the site of this year's Bele Chere celebration.

We took a survey of every merchant on Haywood Street to ascertain their feelings about Bele Chere.

1. No merchant realized that there would not be festivities on Haywood St.
2. No merchant had been consulted during the planning stages.
3. Every merchant felt that Bele Chere enhanced his present & future business.
4. Every merchant expressed desire to do something to have Bele Chere on street.
5. Every merchant wants Haywood St. closed for festivities.

The proposed plans include:

1. Juried art & craft booths- no commercial, no realtors, no imports.-all done by exhibitors.
2. Non-profit groups like "Humane Society" to have booths.
3. Non-profit food vendors-
4. Entertainment- parades- balloon races- children's face painting- etc- tie in with main Bele Chere where possible.

Therefore we entreat City Council to grant that Haywood Street be closed from the Civic Center to the Money Tree on July 29 & 30 (Friday & Saturday)

Respectfully yours,
Elizabeth Kdan
Elizabeth Kdan, Executive Director

The City Manager said since members of Council were furnished copies of the ordinance it would not be read in its entirety.

Councilwoman Frank moved for adoption of Ordinance No. 1367, subject to compliance with the Erosion Control Ordinance, Section 8-80 of the Code of Ordinances of the City of Asheville. This motion was seconded by Councilman Myers.

Councilman McDevitt requested that he be excused from voting on this issue since his law firm represents Wachovia Bank and Trust Company.

Councilwoman Frank moved to excuse Councilman McDevitt from voting on the rezoning issue. This motion was seconded by Councilman Myers and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1367 passed on first reading.

Councilwoman Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1367. This motion was seconded by Councilwoman Bratton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1367 passed on second reading.

Councilwoman Frank moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1367. This motion was seconded by Councilwoman Bratton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1367 passed on third and final reading.

Complete text of Ordinance No. 1367 will be found in Ordinance Book No. 10 at page 11.

ORDINANCE NO. 1365 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Conservation Overlay for Historic Properties)

3. Consideration was given to the third reading of Ordinance No. 1365, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended creating a new district entitled "Conservation Overlay for Historic Properties."

Mayor Trantham said this ordinance was previously read on first and second readings and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1365 passed on third and final reading.

Complete text of Ordinance No. 1365 will be found in Ordinance Book No. 10 at page 6, 7, 8, and 9.

Verl Emrick, Director of Planning, said due to opposition from the Mid-City Merchants Association, a decision was made to hold the Bele Chere Festival mainly in the City/County Plaza area. He said he did not think that the Mid-City Merchants Association have businesses on Haywood Street.

Councilman McDevitt said he had talked with a representative of the Mid-City Merchants Association and was told they were not opposed to the closing of Haywood Street from the Civic Center to the Money Tree. He said they were opposed to the entire closing off of Haywood Street. He said this association would not oppose the Bele Chere Festival if it was conducted in the manner it was first started. He said they were opposed to dealers selling on the street particularly for imports and "junk-type dealers." He said they felt it should include more art and craft booths.

After a lengthy discussion relative to the feelings of the merchants in the downtown area, Councilwoman Frank moved to instruct the City Manager to meet with all organizations and individuals involved and re-evaluate the decision relative to Bele Chere Festival and report his findings to members of Council at next week's meeting. This motion was seconded by Councilwoman Bratton and carried unanimously.

SCHEDULING OF CITY COUNCIL MEETING FOR MAY 10, 1983

Chief Police Fred Hensley said the Police Department staff has not been contacted relative to Mr. Patel's complaints. However, he said as far as the parking problem is concerned there is a North Carolina Law which prohibits the law enforcement officers to remove cars from private property. He suggested that the owner, pursuant to N. C. General Statutes post 24 x 24 very visible signs that no parking is allowed and then the owner would have the authority to remove the cars.

Chief Hensley said as far as the prostitution problem is concerned, the problem has been there for years. He said according to police department reports 195 arrests for prostitution were made since January, 1981. However, it is only a turn-a-around situation whereby the prostitute is taken to court, pays a minimum fine and is back on the streets.

Chief Hensley suggested that the Crime Prevention officers meet with Mr. Patel and other merchants in the area to see what can be done together to solve the problems mentioned by Mr. Patel.

REZONING STUDY IN THE CHURCH STREET/RAVENS CROFT DRIVE AREA

Several ladies who are residents of the Church Street area complained to Council relative to the new development taking place on Church Street and urged Council to proceed with the rezoning study in the area to make the property residential.

Mayor Trantham asked the ladies to attend the Planning and Zoning Commission meeting on May 4, 1983 at which time this rezoning would be reviewed.

STATUS REPORT - RESTORATION OF 230 CUMBERLAND AVENUE

Mr. Lem Moore, Director of Inspections, said an inspection was made at the dwelling of 230 Cumberland Avenue today at 12:00 noon. He said no evidence of work in several weeks. He said the yards and debris is regressing. He said the yards are full of litter and the banks on Soco Street are littered from debris coming from 230 Cumberland Avenue. He said electrical and plumbing permits were issued six (6) months ago, however no one has ever called in for an inspection.

RALPH BISHOP - COMMENTS RELATIVE TO POLICE DEPARTMENT AND SELLING OF LOTTERY TICKETS

Mr. Ralph Bishop again spoke to Council relative to the conduct of several police department employees, both current and former employees and about lottery sells in the City of Asheville.

RESOLUTION NO. 83-68 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY (Property on Valley Street)

Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

The City Manager read the resolution stating that Carolina Power and Light Company has requested the City of Asheville to execute right-of-way easement on property belonging to the City of Asheville bounded by South Beaumont Street on the North, Valley Street on the East and by Market Street on the West for the purpose of updating an existing electric power line as shown on a right-of-way drawing attached to the resolution.

Upon motion of Councilwoman Frank, seconded by Councilwoman Bratton, Resolution No. 83-68 was unanimously adopted.

Complete text of Resolution No. 83-68 will be found in Resolution Book No. 14 at page 22.

RECOGNITION OF JUDY EDMONDS WITH MAYOR'S EMPLOYMENT OF THE HANDICAPPED COMMITTEE

Mayor Trantham recognized Judy Edmonds with the Mayor's Employment of the Handicapped Committee for receiving an award from the Governor's Advocacy Council as "Outstanding Mayor's Committee of North Carolina." Ms. Edmonds, in turn, presented the Mayor with the Award thanking him for all his time and support for the Mayor's Employment of the Handicapped Committee.

MR. B. PATEL, OWNER OF DOWNTOWNER MOTOR INN - COMMENTS RELATIVE TO PARKING PROBLEMS AND PROSTITUTION PROBLEMS IN THE AREA

Mr. B. Patel, Owner and President of the Downtowner Motor Inn at 120 Patton Avenue spoke to Council relative to parking problems within his business. He said the patrons of the Cahoots Restaurant across the street on Grove Street insisting on parking in the Downtowner Motor Inn parking lot. He said efforts to thwart this problem has been taken up in earnest with the proprietor of the Cahoots Restaurant but to no avail. He said his parking lot is not large enough to accomodate patrons of the Cahoots Restaurant. He said recently they have been towing the cars away. He asked Council to help solve this problem.

Mr. Patel also spoke to Council concerning the image and morals involved in the questionable conduct of women and men who too often are seen cavorting on Asheland Avenue directly behind the Downtowner Motor Inn. He said the dress and actions of the "ladies of the evening" on the sidewalks and parking places on Asheland Avenue is revolting and a cause for concern, particularly for guests of the motel. He said the "ladies of the evening" tend to drive good guests away and hurt business. He ask Council for relief on this problem. Mr. Patel also presented letters from other businesses in the area complaining of the same problem.

PRESENTATION BY ALLEN WILCOX - ANNUAL REPORT - WESTERN ALLIANCE: A COALITION OF DISABLED AND CONCERNED CITIZENS

Mr. Allen Wilcox, Past Chairman on activities of the "Western Alliance: A Coalition of Disabled and Concerned Citizens." gave an annual report on the accomplishments of the committee relative to the International Year of Disabled Persons and the National Year of Disabled Persons. He said the United Nations has proclaimed the Decade of 1983-1992 as the "Decade of Disabled Persons." He said George Swift was appointed as liaison by the Mayor and Chairman of the County Commissioners until his unfortunate passing in April, 1982. He said the committee has been active in sponsoring events and legislation primarily dealing with the disabled persons. He said their future goals include the continuing of the Bele Chere displays, Fun Day at Lake Julian, Legislative Advocacy, and to expand the coalition. He said later this month there will be a memorial service in memory of George Swift.

Mr. Wilcox said the N. C. Alliance will be holding their second convention in June in Washington and since this program is sponsored by the city and county governments he requested that the city and county fund the trips to the convention. He said the cost would be approximately \$65.00 per person.

After discussion, Mayor Trantham said Council would take his request under advisement and let him know the action taken on the request by next week.

RESOLUTION PROCLAIMING MAY, 1983, AS OLDER AMERICANS' MONTH IN THE CITY OF ASHEVILLE AND BUNCOMBE COUNTY

Vice-Mayor Price read a resolution proclaiming the month of May, 1983 as Older Americans' Month in the City of Asheville and Buncombe County.

Upon motion of Commissioner Riddle, seconded by Councilwoman Frank, the resolution was unanimously adopted.

DISCUSSION RELATIVE TO CONSOLIDATION OF CITY/COUNTY RECREATION

Mr. Bill Phiffer, Chairman of the Parks and Recreation Advisory Board, presented a taped presentation of the plan and recommendations for the consolidation of the City and County Parks and Recreation Departments. He also presented members of Council and the Commissioners a copy of the attached memorandum dated March 31, 1983 to Members of City Council, Operating Budget 1982/83, Comparative Salaries, General Statement of Positive Benefits, and Budget Comparisons.

A discussion was held relative to asking the David Griffith firm to review the information and give a statement of their findings and asking the City and County auditors to review the information and report their findings.

Commissioner Ledbetter said he had problems with consolidating the two departments. He said he felt it should stay as it is presently. He said there is presently a difference between city and county recreation and he foresaw an increase in cost down the road due to demands for equal services.

During a discussion relative to personnel for the two departments Commissioner Riddle suggested that the intent of the Council and Commissioners be expressed pursuant to a plan of personnel reorganization being administered by the City Council and the County Commissioners.

Chairman Ratcliff said if the board operating the recreation departments are appointed with three by the city and three by the county it would reduce the representation of those living outside the city. He said the provisions of the Water Agreement takes care of the recreation needs for the city and county.

Mayor Trantham disagreed that the "three-three" board would be an unbalanced representation.

Commissioner Giezentanner said any action taken by the board today does not have to "be in concrete."

After discussion, Commissioner Jackson moved that the respective auditors of the city and county review the information developed and to ask them to give the governing bodies a statement of their findings and that a plan for personnel reorganization be developed. This motion was seconded by Councilwoman Frank and carried on a voice vote of 9-2, with Chairman Ratcliff and Commissioner Ledbetter voting "no."

Councilman Myers said the governing bodies should look at the total reorganization and the savings cost involved in consolidating the two departments.

Commissioner Riddle said as a advocate of consolidation, he felt this was a fragmentation of consolidation.

COMMENTS BY BILL ALGARY - APPRECIATION DAY FOR MORRIS MCGOUGH

Mr. Bill Algary invited all Council members and County Commissioners to attend the "Appreciation Day for Morris McGough" on May 7, 1983.

ADJOURNMENT

There being no further business to come before the joint city/county meeting, the meeting adjourned.

CITY CLERK, CITY OF ASHEVILLE

MAYOR, CITY OF ASHEVILLE

GENERAL STATEMENT OF POSITIVE BENEFITS OF CONSOLIDATION OF CITY/COUNTY RECREATION

Since this is not just a consolidation of what we are doing now, but an opportunity to bring even greater recreation services to the people of this County at no additional cost, here are some positive new benefits of consolidation:

1. Greater service can be provided to senior citizens in program and coordination at no additional cost through the use of existing personnel and through the use of volunteer services and facilities.
2. Support, coordination and assistance can be given to the establishment of programs for the adult physically and mentally handicapped and the current programs for the physically and mentally handicapped youth can be expanded.
3. Duplication of program efforts for youth and adult athletics can be eliminated. For example, there are now two separate and competing programs for adult softball, basketball, volleyball, and soccer.
4. Services to youth sports programs can be expanded, especially in such areas as youth coaches clinics, umpire training, reduced cost of insurance, and coordinated scheduling of programs.
5. In areas where there are youth activities lacking, programs can be started, either through use of existing staff or through greater utilization of the Asheville-Buncombe Youth Council.
6. New programs can be started such as the development of a comprehensive swim program, including learn to swim, water safety, and competitive swimming for all ages by using existing staff and community facilities.
7. The economic benefits of bringing in tourists for major events can be maximized by such events as volleyball tournaments, swimming meets, tennis tournaments, bicycle races, track and field events, and others. Many of these events can be during the normal off-season tourist times of the year.
8. Administrative costs can be reduced. For example, two directors are not needed, the staff for Recreation Park and the Nature Center can be combined, one superintendent of maintenance will be needed instead of two, planning and program duplication will be eliminated.
9. Currently available staff now working can pool talents in construction, use of specialized equipment, energy conservation, maintenance, federal funding, and programming. This will permit specialty development with greater efficiency resulting.
10. Park maintenance facilities and equipment could be pooled, thus eliminating the need for the construction of a County park maintenance facility.

MEMORANDUM TO: Members of City Council

Page 2

March 31, 1983

7. The City Council is satisfied that consolidation of recreation will save money and provide a better program for all; however, if there is still a question of whether or not it will save money, we recommend the following:

- A. Ask the City and County auditors to review the information developed and ask them to give us a statement of their findings.
- B. Ask the David Griffith firm to review the information and give us a statement of their findings.

Either of these alternatives can be used to determine the actual difference and significance of the problem, if any, as it pertains to current salaries and fringe benefits of City/County recreation employees.

March 31, 1983

MEMORANDUM TO: Members of City Council

FROM: Roy Trantham, Mayor
Mary Lloyd Frank, Councilwoman
Bill Pfeiffer, Chairman, Recreation Advisory Board

As members of the City Council/Recreation Advisory Board Committee, the following are our recommendations for the statement to present to the County Commissioners at our joint meeting:

1. We recommend that there be a board of seven members, three appointed by the City Council, three appointed by the County Commissioners, and one appointed by those six.
2. We recommend that this board of seven hire the director.
3. We recommend that the director hire all other employees under salary, fringe benefits, and personnel policies adopted by the board and approved by the City Council and the County Commissioners. These policies shall be adopted as soon as possible, but no later than one year from the date the board is named. Until such time as the policies are adopted, all current employees would stay under the systems they are now under and personnel matters will be dealt with on a case by case basis under those systems.
4. Funding of County Recreation will be that the County will fund the activities they are funding now, plus those activities under the water agreement as they come due. The County Commissioners' control over recreation shall basically be through the budget process in what they want to fund.
5. Funding of City Recreation will be that the City will fund the activities they are funding now, minus those activities under the water agreement as they come due. The City Council control over recreation shall basically be through the budget process in what they want to fund.
6. Since the method of administrative cost needs to be decided and the City currently has the firm of David M. Griffith & Associates, Ltd., under contract to do a "cost allocation study," and since the County Commissioners have used this firm for the CETA Audit, we recommend that this firm recommend an administrative cost formula to the Commissioners and Council.

ORDINANCE NO. 1368 - BUDGET ORDINANCE AMENDMENT RELATIVE TO BELE CHERE

3. Consideration was given to a budget ordinance amendment relative to Bele Chere.

The City Manager said this budget amendment in the amount of \$10,000 is to establish funding for the 1983 Bele Chere Festival. \$5,000 from the City and \$5,000 from the County. He said a meeting with the downtown merchants was held this morning and everything has been worked out to the satisfaction of the merchants as to the location of Bele Chere Festival and the closing of the streets in connection with the Festival. He said Haywood Street would be closed from the Civic Center to the Money Tree and in front of Wachovia Bank at Pritchard Park.

Ralph Bishop opposed the funding for the Bele Chere Festival.

Vice-Mayor Price moved for the adoption of Ordinance No. 1368. This motion was seconded by Councilman McDevitt.

On a roll call vote of 6-0, Ordinance No. 1368 passed on first and final reading.

Complete text of Ordinance No. 1368 will be found in Ordinance Book No. 10 at page 12.

ADJOURNMENT FOR DESIGN CONCEPT WORKSHOP FOR DOWNTOWN PROJECTS

Vice-Mayor Price moved to adjourn the regular Council meeting turning the meeting over to Mr. Maury Winger, Chairman for the Asheville Downtown Commission in order to conduct a design concept workshop for downtown projects. This motion was seconded by Councilman McDevitt and carried unanimously.

At this time Mayor Trantham turned the meeting over to Mr. Maury Winger, Chairman of the Asheville Downtown Commission.

PUBLIC HEARING - DEMOLITION AND REMOVAL OF 19 BLAKE STREET

2. A public hearing was held relative to the adoption of an ordinance directing the Code Enforcement Officer to proceed with the demolition and removal of 19 Blake Street.

Mayor Trantham opened the public hearing at 2:01 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Mr. Lem Moore, Director of Inspections, said the dwelling house at 19 Blake Street has been found to be unfit for human habitation, unsafe, and dangerous to life. He said he had talked with the owner of 19 Blake Street, Mr. Chaplain and was told that the house has not been repaired due to his financial status. He said Mr. Chaplain told him that he had just satisfied the mortgage on the house last month and was now in a position to repair the dwelling. He said repairs have been started on the dwelling but no permits have been obtained to do so. He said Mr. Chaplain has agreed to obtain the necessary repair permits and bring the house up to code standards. He said he would have no objections to continuing the public hearing for one (1) week giving Mr. Chaplain an opportunity to obtain the necessary permits and begin the repairs.

Councilman Myers moved to continue the public hearing for one (1) week. This motion was seconded by Councilwoman Frank and carried unanimously.

RECOGNITION OF STUDENTS WITH "UP WITH PEOPLE"

Mayor Trantham recognized Mr. Scott Ward and Moens Yepsten with the "Up With People" cast.

THEREFORE BE IT RESOLVED: That the members of the Lexington Park Association and the merchants on Lexington Avenue do commend Asheville Police Chief Fred Hensley and the members of the Asheville Police Department for the effective law enforcement they are providing and the cooperation they are giving to the merchants in the Lexington Avenue area.

PUBLIC HEARING - PROPOSED USE OF REVENUE SHARING EXPENDITURES FOR 1983/84

2. A public hearing was held relative to proposed use of Revenue Sharing expenditures for 1983/84.

Mayor Trantham opened the public hearing at 4:17 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing.

Mr. Bob Wurst, Audit and Budget Director, said the General Revenue Sharing guidelines require that a public hearing be held for suggested uses of Revenue Sharing expenditures for 1983/84. He said \$575,000 would be carried forward and the amount of general revenue sharing funds available for Fiscal 1983/84 is approximately \$673,000 plus interest and accruals, making a total of \$1,324,000. He said Revenue Sharing has been funded through September, 1983. He said if Revenue Sharing funding is continued the budget will be amended to reflect the additional funding. He said the use of revenue sharing funds will be for capital items of high priority.

Councilwoman Frank and Councilwoman Bratton said they supported Revenue Sharing funding.

Vice-Mayor Price said it is her understanding that Revenue Sharing funding will be continued.

Mayor Trantham closed the public hearing at 4:25 p. m.

PUBLIC HEARING - REZONING PROPERTY OF THE GROVE PARK INN COUNTRY CLUB

3. A public hearing was held relative to rezoning property of the Grove Park Inn Country Club from R-1 Residential District to OI-Office Institutional District.

T. Approval of the minutes of the May 10, 1983 meeting.

Upon motion of Vice-Mayor Price, seconded by Councilman McDevitt, the minutes of the May 10, 1983 meeting were unanimously approved as submitted.

RESOLUTION PRESENTED TO MEMBERS OF COUNCIL RELATIVE TO LEXINGTON AVENUE

Mr. Tom Muncy, spokesman for the Lexington Avenue Merchants and a member of the Lexington Park Association, presented the following resolution to members of Council:

R E S O L U T I O N

- WHEREAS: Lexington Avenue is located in downtown Asheville, North Carolina, and
- WHEREAS: The history, culture and tradition of the commercialization of Lexington Avenue has been of note for several decades, and
- WHEREAS: Part of this history and culture has been the open solicitation of illegal prostitution by a certain group of women, and
- WHEREAS: This seamy part of Lexington Avenue's history has been generally accepted by the public to such an extent that it is referred to in the song "Asheville, Land of the Sky", written by Billy Ed Wheeler in 1982, and
- WHEREAS: There has been a concentrated effort to change the image of the Lexington Avenue area by renovating buildings, sprucing up storefronts and landscaping sidewalks, and
- WHEREAS: These revitalization efforts have been marred by the continued existence of the open solicitation on the street by these prostitutes, and
- WHEREAS: The Asheville Police Department has instituted a foot patrol service to restore and reinforce legal business actions on Lexington Avenue, now

Mayor Trantham spoke in support of the rezoning request stating that he felt it would provide a convenience for the people using the facility to use the restaurant and add additional patronage for the restaurant. He also spoke in support of the management of the Grove Park Inn.

Upon inquiry of Council, Mr. Von Treskow said he could, without rezoning, lower the price of membership at the Club and have more members but he felt the traffic would increase as well as the clientele.

Attorney Jack Westall, speaking on behalf of the Grove Park Inn, spoke in support of the rezoning stating that no harm could come to the residents of the area if the restaurant was open to the public. He said no new concept would be instituted as a result of this action. He said he did not feel taxes in the area would decrease. He said the tax valuations are now high partly because of the existence of Grove Park Inn and the Country Club.

The following individuals spoke in support of the rezoning:

Freda Baker, employee of Grove Park Inn
Lucy Goforth, cashier at Grove Park Inn
Robert Chesnk, employee of Grove Park Inn

The following individuals spoke in opposition to the rezoning:

Max Haner, Kimberly Avenue
Clark Britt, 275 Kimberly Avenue
Gail Britt, 275 Kimberly Avenue
Walter Gaid, Club View Road
Lee Sterling, 200 Kimberly
Everett Burke, Club View Road
Ray Scoville, Kimberly Avenue

Mayor Trantham closed the public hearing at 5:41 p. m.

A discussion was held relative to an expanded area being requested to be rezoned, an area larger than was considered by the Planning and Zoning Commission.

The City Manager read the ordinance rezoning the area as petitioned.

After discussion, Vice-Mayor Price moved to table consideration of the rezoning for one (1) week instructing the Corporation Counsel to render an opinion on "spot zoning" as far as the expanded area is concerned and to determine whether this facility is a candidate for consideration under the Historic Overlay District ordinance. This motion was seconded by Councilwoman Frank and carried on a voice vote of 6-1, with Councilwoman Bratton voting "no."

Councilwoman Bratton said she felt a decision should be made at today's meeting on the rezoning.

100

Verl Emrick, Director of Planning, said he is a member of the Country Club and even though there is no statutory conflict he has removed himself from the discussion of the rezoning.

Sonya Luckadoo, from the Planning Department, reviewed the background of the rezoning petition and stated that the Asheville Planning and Zoning Commission at a meeting held April 13, 1983, considered the petition of the Jack Tar Grove Park Inn by Attorney Jack Westall that a portion of Lot 1, Sheet 46, Ward 9, be rezoned from R-1 Residential District to OI - Office Institutional District. After review and discussion, the Commission voted unanimously to recommend denial of this request to Council. However, the petition appealed the decision of the Planning and Zoning Commission to City Council. She said the Planning and Zoning Commission had received an opinion from the Corporation Counsel that the rezoning would be "spot zoning" an illegal action in which a single tract of land is rezoned in contrast to surrounding tracts of land.

Mr. Garrett AlDefer and Mr. Dick Trammel from the Asheville Area Chamber of Commerce spoke in support of the rezoning to allow the Grove Park Inn Country Club, now a private clubhouse and restaurant open to the general public. They spoke in support of the management of Mr. Herman Von Treskow stating that many positive changes have occurred since he took over the management.

Mr. Herman Von Treskow, General Manager of Grove Park Inn, spoke in support of the rezoning stating that the 80 seat restaurant is losing money as a members-only public. He said the requested rezoning would allow the restaurant to serve the public.

Ms. Patsy Smith, employee of Grove Park Inn, also spoke in support of the rezoning.

Mr. Lloyd Kirk, Owner of the Forest Manor Motor Lodge and an officer of the North Carolina Hotel/Motel Association, spoke in support of the rezoning.

Attorney Gary Rowe said he represented various homeowners in the Grove Park Area who are in opposition to the rezoning. He also said a protest petition was filed with the Office of the City Clerk which was sufficient to require the enforcement of the 20% rule or 6 affirmative votes of Council in order to rezone the property. He also requested that the Council consider the recommendation made by the Planning and Zoning Commission to deny the rezoning request. He said the rezoning to OI Office Institutional would be a less restrictive zone for the area residents. He said the property owners maintain that such a rezoning would increase traffic, noise, and parking and would bring down the value of their homes. In addition, they voiced concern over what could happen to the site in the future such as allowing more units per acre in the OI Office Institutional Zone or what use might be made of the site in the future. He said he also agreed with Corporation Counsel Moore that the rezoning would be considered "spot zoning," citing the "Blade vs. Raleigh" case.

Upon inquiry of Vice-Mayor Price, Mr. Rowe said he had not thoroughly reviewed the Historical Overlay District ordinance to see if this case would apply to that ordinance. He said however, he did feel there would be some problems with a Historical Overlay designation.

RESOLUTION NO. 83-71 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN APPLICATION FOR ECONOMIC DEVELOPMENT ADMINISTRATION FUNDS FOR THE BEE TREE TREATMENT PLANT PROJECT

7. Consideration was given to a resolution authorizing the Mayor to execute an application for Economic Development Administration funds for the Bee Tree Treatment Plant Project.

The City Manager read the resolution stating that the Economic Development Administration has invited the City of Asheville and the Asheville/Buncombe Water Authority to submit an application for grant funding assistance in the Bee Tree Water Treatment Plant project. Local match funds are appropriated in the Water Major Capital Improvements Fund. It is necessary for the City of Asheville to be a co-grantee along with the Asheville-Buncombe Water Authority due to grantor agency requirements.

Upon inquiry of Councilman McDevitt, the City Manager said this would have a budget impact of \$1,200,000 in grant funding.

Upon motion of Councilwoman Frank, seconded by Vice-Mayor Price, Resolution No. 83-71 was unanimously adopted.

Complete text of Resolution No. 83-71 will be found in Resolution Book No. 14 at page 25.

RESOLUTION NO. 83-72 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE RELATING TO AMENDMENTS OF CHAPTER 8, ARTICLE II, OF THE CODE OF ORDINANCES KNOWN AS THE HOUSING CODE

8. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance relating to amendments of Chapter 8, Article II, of the Code of Ordinances known as the Housing Code.

The City Manager read the resolution stating that this public hearing will deal with amending the Housing Code to implement changes recommended by the Code Study Committee for June 7, 1983.

Upon motion of Councilman McDevitt, seconded by Councilman Myers, Resolution No. 83-72 was unanimously adopted.

Complete text of Resolution No. 83-72 will be found in Resolution Book No. 14 at page 26.

SCHEDULING OF PUBLIC HEARING - REZONING PORTION OF CHURCH STREET AND RAVENSCROFT DRIVE

9. Councilman McDevitt moved to schedule a public hearing relative to rezoning a portion of Church Street and Ravenscroft Drive from CBD to R-4 Residential District for June 7, 1983. This motion was seconded by Councilman Myers and carried unanimously.

CONTINUATION OF PUBLIC HEARING -DEMOLITION AND REMOVAL OF 19 BLAKE STREET

4. A public hearing relative to the adoption of an ordinance directing the Code Enforcement Officer to proceed with the demolition and removal of 19 Blake Street continued.

Mayor Trantham said this public hearing was continued from the May 10, 1983 meeting.

Lem Moore, Director of Inspections, requested that the hearing be continued indefinitely as long as work on the dwelling continues to progress. He said the owner of 19 Blake Street has obtained the necessary permits to repair the dwelling and is currently working on the dwelling.

Councilman Myers moved to continue the public hearing indefinitely as long as work is continuing to progress at 19 Blake Street. This motion was seconded by Councilwoman Frank and carried unanimously.

RESOLUTION NO. 83-69 - RESOLUTION AUTHORIZING THE PURCHASING DIRECTOR TO DISPOSE OF PROPERTY BY PRIVATE SALE AT A NEGOTIATED PRICE (Tree at Riverside Cemetery)

5. Consideration was given to a resolution authorizing the Purchasing Director to dispose of property by private sale at a negotiated price.

The City Manager read the resolution which stated that the Department of Parks, Recreation and Public Facilities has recently felled a tree at Riverside Cemetery and this tree is white oak and of veneer grade, which the department estimates has a value of \$300.00. The Director of Parks, Recreation, and Public Facilities has declared this property surplus and would like to dispose of it as soon as possible. This resolution will authorize the disposition of this property by private sale at a negotiated price.

Upon motion of Councilman Myers, seconded by Councilman McDevitt, Resolution No. 83-69 was unanimously adopted.

Complete text of Resolution No. 83-69 will be found in Resolution Book No. 14 at page 23.

RESOLUTION NO. 83-70 - RESOLUTION AUTHORIZING THE CLOSING OF CAROLINA LANE ON FRIDAY, MAY 27, 1983 FROM 7:00 P. M. TO 12:30 A.M.

6. Consideration was given to a resolution authorizing the closing of Carolina Lane on Friday, May 27, 1983 from 7:00 p. m. to 12:30 a. m.

The City Manager read the resolution stating that the Lexington Park Association has requested that Carolina Lane be closed on Friday, May 27, 1983 from 7:00 p. m. to 12:30 a. m. for the purpose of a "TAMS" concert to be held in the Lexington Park Court Yard. The closing of this street would not create an undue hardship or inconvenience.

Upon motion of Councilwoman Frank, seconded by Councilman McDevitt, Resolution No. 83-70 was unanimously adopted.

Complete text of Resolution No. 83-70 will be found in Resolution Book No. 14 at page 24.

LAWSUITS - ASHEVILLE HOUSING AUTHORITY (CONDEMNATION OF FOREST PETTY PROPERTY)
(CONDEMNATION OF EMIL LICHTENFELS PROPERTY)

The City Manager advised that the City of Asheville was served with summonses in connection with the Asheville Housing Authority and the condemnation of Forest Petty property and condemnation of Emil Lichtenfels property.

Mayor Trantham referred the lawsuits to the Corporation Counsel for investigation and recommendation.

COMMENTS BY COUNCILMAN McDEVITT - STREET DEPARTMENT WORK ON MOUNT VERNON CIRCLE

Councilman McDevitt commended the Street Department for efficiently correcting a problem on Mount Vernon Circle in which he was involved.

GARY ROWE COMMENTS -THANKING COUNCILMEMBERS FOR WORK DONE IN NORTH ASHEVILLE

Gary Rowe thanked members of Council for the help the City has given to the residents in North Asheville on several occasions, such as the repaving work done at Ira B. Jones and the obstacle courses that were set up.

SCHEDULING PUBLIC HEARING - SITE PLAN OF A WELDING/POWER BUILDING AT ASHEVILLE-
BUNCOMBE TECHNICAL INSTITUTE

10. Councilman McDevitt moved to schedule a public hearing relative to the site plan of the proposed addition of a Welding/Power Building at Asheville-Buncombe Technical Institute for June 7, 1983. This motion was seconded by Councilman Myers and carried unanimously.

SCHEDULING PUBLIC HEARING - WORDING AMENDMENT TO SECTION 30-3-15, DRIVEWAY ENTRANCE
REQUIREMENTS OF ZONING ORDINANCE #322.

11. Councilman McDevitt moved to schedule a public hearing relative to a proposed wording amendment to Section 30-3-15, Driveway Entrance Requirements (c) (2) of the Asheville Zoning Ordinance #322 for June 21, 1983. This motion was seconded by Councilman Myers and carried unanimously.

SCHEDULING PUBLIC HEARING - WORDING AMENDMENT TO SECTION 30-6-1, GROUP DEVELOPMENTS/
PLANNED UNIT DEVELOPMENTS OF THE ASHEVILLE ZONING ORDINANCE #322

12. Councilman McDevitt moved to schedule a public hearing relative to a proposed wording amendment to Section 30-6-1, of the Asheville Zoning Ordinance No. 322 entitled Group Developments/Planned Unit Developments by adding a new paragraph (B.14) to set forth requirements for curb, gutter and sidewalk installation or replacement for June 21, 1983. This motion was seconded by Councilman Myers and carried unanimously.

SCHEDULING PUBLIC HEARING - WORDING AMENDMENT TO SECTION 30-11-4 - RESUBMITTAL
OF PLANS FOR BUILDING PERMIT

13. Councilman McDevitt moved to schedule a public hearing relative to a proposed wording amendment to Section 30-11-4 of the Asheville Zoning Ordinance No. 322 relative to resubmittal of plans if building permit is not issued within one year for June 21, 1983. This motion was seconded by Councilman Myers and carried unanimously.

SCHEDULING PUBLIC HEARING - SITE PLAN OF PROPOSED "HAWTHORNE" TOWNHOUSES

14. Councilman McDevitt moved to schedule a public hearing relative to the site plan of the proposed "Hawthorne" townhouses to be located on Old Haw Creek Road for June 7, 1983. This motion was seconded by Councilman Myers and carried unanimously.

PROCLAMATION - NATIONAL TRANSPORTATION WEEK - MAY 16 - 20, 1983

15. Mayor Trantham proclaimed the week of May 16- 20, 1983 as "National Transportation Week."

CLAIMS - GROVER WHITESIDE (PUBLIC WORKS) - KENNETH HOLT (PARKS AND RECREATION) -
STEVE ANDREWS (PUBLIC WORKS) - STELLA H. CRISP (PUBLIC WORKS) - THELMA GENISE (WATER
AND SEWER)

The City Manager presented claims received from Grover Whiteside, Kenneth Holt, Steve Andrews, Stella H. Crisp, and Thelma Genise.

Mayor Trantham referred the claims to the Corporation Counsel for investigation and recommendation.

Verl Emrick, Director of Planning, said under the provisions of an amendment adopted in April, 1978, Ordinance No. 1039, when a petitioner has received a recommendation of denial from the Planning and Zoning Commission and the appeal process is not carried through to City Council then the petitioner cannot be reheard in the same configuration before the Planning and Zoning Commission unless the petitioner brings a separate petition for an additional zoning study.

Since the appeal process was withdrawn Council took no action on the rezoning request.

PRESENTATION BY DR. JOHN CREECH - RELATIVE TO SISTER CITY KURUME, JAPAN

Mr. Morris McGough, Director of Western North Carolina Development Association, introduced Dr. John Creech of Hendersonville, who presented Mayor Trantham a gift of Japanese silk artwork on behalf of Toshiyuki Chikami, Mayor of the City of Kurume in southern Japan. The gift from the Japanese mayor was in response to a "key to the City of Asheville" recently sent by Mayor Trantham to the Mayor of the City of Kurume and delivered by Dr. Creech relative to the informal sister cities relationship.

PRESENTATION BY DAVID ANDERS - FIREFIGHTERS ASSOCIATION LOCAL 865

Mr. David Anders presented members of Council with the following prepared statement:

The wording of this study was prepared for the citizens of the City of Asheville. This will explain the wording of the contents.

Any wording of this study should not be viewed by anyone, as firefighters having any contempt or malice toward any department or city official. This is not our intent.

It is only out of sincere loyalty to the people we serve that we are responding to their needs, as we would to any call for help within the city.

Tuesday, May 24, 1983 - 4:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Norma T. Price, Councilwoman Wilhelmina B. Bratton, Councilmen Gordon Myers, Joe Pless and Larry McDevitt; Corporation Counsel William C. Moore; City Manager K. M. Michalove; Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman Mary Lloyd Frank (vacation)

INVOCATION

The invocation was given by Vice-Mayor Norma T. Price.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the May 17, 1983 meeting.

Upon motion of Councilman Pless, seconded by Vice-Mayor Price, the minutes of the May 17, 1983 meeting were unanimously approved as submitted.

RECONSIDERATION OF REZONING PROPERTY - GROVE PARK INN COUNTRY CLUB

2. Reconsideration was given to the rezoning of property of the Grove Park Inn Country Club from R-1 Residential District to OI- Office Institutional District.

Mayor Trantham stated that consideration of this rezoning was continued from a public hearing process on May 17, 1983 pending additional information.

The City Manager read the following letter addressed to the City Clerk:

May 24, 1983

Mr. William F. Wolcott, Jr.
City Clerk

Asheville, N. C. 28807

RE: Rezoning Petition -
Ward 9, Sheet 46, Portion of Lot #1

Dear Mr. Wolcott:

The Grove Park Inn hereby withdraws from consideration its request and petition previously filed wherein the Grove Park Inn sought rezoning of that portion of property designated in the original petition and as set out in the appeal to the City Council.

Very truly yours,

JACK M. WESTALL, JR., P.A.

DECLINE OF NORTH END FIRE PROTECTION

The beginning of this decline resulted from the closing of Fire Station No.4, located at 300 Merrimon Avenue beside Morris Funeral Home. At that point in time, this station housed one engine company and one ladder company, responding to virtually all regular alarms in the north section as well as the down town district. When a house or building fire occurred, the response time for all equipment to arrive was quite different than it is today. Numerous reasons were considered for the closing of the fire facility, but were these reasons justified by the obvious loss and decline in your fire protection? The Merrimon Avenue Station responded with 5 to 6 personnel on the two companies along with Engine No.7 (located next to the Naval Reserve Training Center on Larchmont Street) to virtually all areas in the north section. Pointing out that the ladder company with personnel did not respond on all residence fires, but was available each time a fire occurred. A backup engine from another area was dispatched to standby at the Larchmont Station in the event other emergency help was needed at the same time. You as citizens in the north section of the city no longer have this quality of fire protection. Firefighters believe this was a cost effective action resulting from ineffective, inefficient leadership in your city government.

NORTH END PROTECTION TODAY

The fire protection available in the north end today, in comparison to the fire protection in the past, is something you as tax paying citizens cannot be proud of. The Larchmont Station houses two engines, however, only one engine is mechanically sound and in service with three fire personnel. When the Merrimon Avenue Station was closed, Engine No.4 and personnel were

INTRODUCTION

At this critical point in time, firefighters of the Asheville Fire Department, who are members of Local 965, an affiliate of IAFF International Association of Firefighters, wish to express our views in a sincere effort to inform the citizens of Asheville of what we consider to be a serious decline in your fire protection. The main purpose of this advertisement, funded by the firefighters, is to carefully illustrate our position and to make you aware of administrative changes and events which have led to this obvious conclusion. As tax paying citizens, you have the moral and legal right to be made totally aware of the degree of efficiency of your Fire Department. It is our desire and intent to point out at this time through the following illustrations exactly how your Fire Department's efficiency has declined through what we consider poor ineffective leadership and higher administrative decisions.

For example, when a structure fire occurs in the north end, the Larchmont Station Engine and another from Headquarters responds. If the fire is serious the Fire Department is immediately faced with a difficult choice. CHOICE # 1 - If the only engine remaining in the down town area is dispatched to standby at the Larchmont Station, the down town area is subjected to no immediate fire protection coverage.

CHOICE # 2 - If no engine replacement is made at the Larchmont Station while Engine No.7 is on an emergency, the entire north section is without immediate coverage.

PREDISPATCHED EMERGENCIES

On many occasions Engine No.7 is dispatched to a brush, car or any number of other smaller fires. Again should a fire occur at your home or business, your nearest protection is 6 - 12 minutes away. Considering the low water pressure in many areas, response time of nearest engine companies and the first critical minutes of a fire, the closing of Station No.4 at 300 Merrimon Avenue was a tragic mistake for the north end as well as the down town merchants and residents. How can this be justified when the city continues to maintain this building? The tax payers from the Central Fire Station to the city limits north, have suffered through the loss of fire protection, while the city continues to use the structure for purposes other than which it was designed and built by your tax dollars. Where are the savings of your tax dollars, and where has your fire protection gone?

4-2

moved and reassigned to the Larchmont Station. The ladder company and personnel were permanently removed from the north section. Sometime later Engine No.4 was permanently removed from the north section and eventually from the Fire Department. At that point in time, a fire engine from the Headquarters Station was assigned to respond with the Larchmont Station. The following will illustrate the lack of concern for the citizen's safety and the obvious lack of insight and foresight for the quality of fire protection you are paying for.

ASSISTING ENGINE COMPANY RESPONSE TIME

The response time for the down town engine to assist the Larchmont Station's engine on a structure fire (in the Lakeshore Drive - Midland Drive - Stratford Road areas) could be as long as 6 - 12 minutes before arrival - referring to traffic and weather conditions and the possibility of Headquarters Companies being on other emergencies. In the event that the Larchmont Engine fails to start or is detained for any number of reasons, (predispatched alarm, engine accident on response) the north section is totally unprotected until a fire engine from the down town station could respond to your residence. After fire is discovered in your home or business, the first 3 - 5 minutes are the most critical.

STANDBY AVAILABILITY

In the past when the city had two engines in service in the north section and a fire occurred, one Headquarters Engine was dispatched immediately to standby at the Larchmont Station in the event a simultaneous emergency occurred, while leaving one engine and ladder company to protect the down town district. This quality of fire protection has been discontinued.

was found to be warped and distorted, apparently caused by some unknown pressure on the system. This memo also stated that until repairs are made and it is checked and certified by qualified personnel, the hydraulic system of Ladder No.2 which includes all movements of the aerial ladder should be used only in emergency rescue operations. If necessary to elevate and use this aerial ladder, it should be set at an angle not less than 70 degrees. This truck until further notice, must not be used for training practice or any other purpose, other than emergency life saving operations. -- This same ladder truck was put out of service, July 26, 1982, and has remained so ever since. In Chief Ball's statement in the Asheville Citizen of February of this year, perhaps he should of added -- "and the 100 foot aerial ladder will be ready for high-rise rescue as soon as City Hall channels adequate money to the Fire Department for repairs and hire enough firefighters to put it in service.

Chief Ball also failed to inform the citizens of the increased response time to down town high-rise fires. In recent years, the Fire Department had two engine companies, Snorkel No.1 and the 100 foot aerial responding from the Central Station. At that time, they were all capable of reaching the scene within 1 - 3 minutes. Today the Central Station is without the snorkel or ladder truck and reduced to two engine companies. It takes 5 - 8 minutes for the nearest backup equipment to assist the Headquarters Station Engine Companies. As a result of lack of firefighters and equipment at the Central Station, the chances of losing lives in down town high-rise fires today are increased by several hundred percent. The next high-rise fire (similar to those in the past) may very well prove we are right. Only with your help will we be able to avoid a future catastrophe.

DECLINE OF DOWN TOWN FIRE PROTECTION

31

In response to the Wilmington high-rise fire, Chief P. N. Ball was quoted by the Asheville Citizen on February 16, 1983. — The Fire Department has an 85 foot snorkel truck ^{which} ~~which~~ extends a bucket to about the eighth floor of buildings. He added the bucket can carry (9) nine people to safety. The department also has two aerial trucks with ladders. One can extend a ladder 100 feet, which is about the ninth floor of a building. The second truck has a 65 foot ladder. At least four pumpers and aerial trucks respond to an alarm involving a high-rise building.—We have quoted portions of Chief Ball's statements that seem to give the impression that the Asheville Fire Department had enough personnel and equipment in place for a major high-rise fire evacuation.

What Chief Ball did not say was, that due to the City Manager not funding enough money to reinforce Headquarters floor, the snorkel has been relocated 5 - 10 minutes from the most heavily occupied high-rise buildings without any significant decrease in response time to local hospitals. This piece of equipment is extremely heavy and is now stationed at Station No.2 (Livingston Street and South French Broad Avenue), which is the lowest elevation point in the city. The hydraulic boom operations are extremely slow, and this piece of equipment is also very slow in climbing sharply, elevated streets. The response time has been increased up to 12 - 15 minutes to Oteen Hospital, and the time to Tiara Apartments on Sunset Mountain is much longer.

In reference to the 100 foot aerial ladder, on February 12, 1982, a memorandum was issued by Chief P. N. Ball to fire personnel. -- This memo stated that the pulley frame on the bed section of Ladder Company No.2

WEST ASHEVILLE

In response to a recent inquiry in the Asheville paper about the closing of Station No. 3 on Oregon Avenue off Louisiana Avenue, Chief P. M. Ball of the Asheville Fire Department had the following to say -- His department has completed a study that shows that in most of West Asheville, Engine No. 6 (Haywood Road station) will almost always arrive at a fire scene before Engine No. 3. Even in the areas where Engine No. 3 would arrive first, Engine No. 6 would be less than two minutes behind. The two stations are approximately 3/4 mile apart. Chief Ball says that station No. 3 building could be used for administrative purposes letting the department vacate the current office space in the Municipal Building downtown. Our present offices are in poor condition and would cost as much or more to refurbish as the changes at Station No. 3 would cost.--Again we quoted portions of Chief Ball's statements that seem to indicate city officials are making wise decisions in the best interest of your fire protection.

Chief Ball failed to point out that the decision to place the new station at Oregon Avenue was his own with the approval of the City Manager. There were better strategic located sites near the old Station No. 3 at the time the present site was selected. Asheville firefighters verbally disapproved and a petition was passed by West Asheville citizens to keep the new station near its old location. Chief Ball is now admitting the response time study came several hundred thousand dollars and five years too late.

OTHER CONCERNS MUST BE CONSIDERED

West Asheville at the present is protected by two engine companies and one

413

Again in the down town area as well as the north end, the closing of Station No. 4 at 300 Merrimon Avenue has its devastating effects in the city's fire coverage decline. This station housed the backup and standby engine for the Headquarters engines when they were occupied on working fires.

For a more complete understanding of your down town fire protection, we urge you to carefully compare the overlapping effect on the north and west sections of the city with the down town area. The conclusion you will reach is a "rob Peter to pay Paul" policy to create an illusion that the city has adequate fire coverage, when in reality the unforeseen can and often does prove disastrous.

of Asheville residents, the better we feel. The Fire Chief and City Manager have made their cost effective proposal to the City Council. The fire coverage in West Asheville could very soon become critical as with the north end of the city.

Tell your elected officials that you oppose penny-wise pound-foolish gambling with your lives and property.

65 foot ladder. To close Station No.3 would eliminate one of these companies. In 1967, R. L. Smith, the Chief of the Asheville Fire Department at that time, recommended that a ladder company with additional men be placed in service at Station No.6 in West Asheville, in accordance with recommendations from the American Insurance Association. This was in addition to Engine No.3 and Engine No.6 which is the present level of fire protection. Additional areas have been annexed since that time and the need for all three companies are greater now than in 1967. To close Station No.3 on Oregon Avenue only compounds the mistakes already made. The present City Manager and Fire Department leaders have failed to understand fire protection needs as the Chief of years past. The key to quality fire protection is having enough personnel and equipment in place to respond quickly and efficiently.

OFFICE SPACE?

The Municipal Building is a historical building and the city is sure to make the necessary repairs and refurbish it. To reconstruct Station No.3 to accommodate office spaces is spending tax payers money twice. Judging by the patterns of the past, firefighters feel this is another plan to give some other department within the city the existing office space while reducing your fire coverage. If this plan continues to develop, firefighters feel that West Asheville will eventually end up with only one engine company. This was the final results after closing Station No.4, that was so vital for protection of the north end and down town areas of the city. It should be noted that the proposal to close the Oregon Avenue Station is being done at the time annexation of even further areas west are being considered.

The less gamble Asheville firefighters take with the lives and properties

trash cans setting under leaks in heavy downpours. -- The Snorkel has been moved to a disadvantageous location at the expense of a serious increase in response time to the most heavily populated buildings down town. Inadequate funds to reinforce truck room floors were responsible for this move. -- Training aids are almost nonexistent while the training officer's position has been deleted altogether. A convient area and facilities for training has been needed for over twelve years. -- In the past the department had a tanker to supply engine companies with needed water where hydrants were nonexistent and where water pressure has always been extremely low. We no longer have a tanker. -- There is no immediate rescue equipment of any significance available to fire personnel when needed. Any delay involved in waiting for the Buncombe County Rescue Squad to arrive could very well prove fatal to you or members of your family because of this neglect.

Within the city limits are 6 hospitals, 13 shopping malls, 30 motels and hotels, and 130 odd apartment buildings and complexes. There are also approximately 20 buildings that fit the high-rise category. The Asheville firefighters are responsible for the protection of the lives and properties of over 54,000 people in over 28,000 dwellings and businesses, 24 hours a day, 7 days a week. Low response time with adequate equipment to the people we are charged to protect is of the utmost importance. The present level of protection is critical and something must be done. The decline in your fire protection has been much like an unsuspected cancer within it's victim and by the time it is discovered it is too late to restore the health of years past. Good protection can be restored but not without your help!

We must point out that most fire personnel are city taxpayers themselves,

SUMMARY

The duty of the Asheville Fire Department is to preserve life and protect the property values and investments of the residents of the city from the loss of fire and other disasters. We, the Asheville firefighters, have proven in the past our urgency to serve our employers even to the loss of our own lives when it became necessary. It is with this same sense of loyalty that we wish to maintain adequate fire protection, for the citizens of the city. It has, however, become increasingly obvious from the past decline in your fire coverage and the planning for more decline in the future, that those who control the purse strings of your Fire Department do not share in the same vitality with which the firefighters themselves serve.

For example, the Fire Department reorganization has produced (6) six new mid-management positions with high salaries, when just a little over a year ago only three were needed. With minor changes in work schedule three positions would be sufficient today. In management it now takes four people with the highest salaries within the department, when (3) three years ago it took one to do the same work. With minor changes in department administrative policies, two positions would be more than adequate, with less confusion for the firefighters.

THE LIST GOES ON

It was concluded that the 100 foot aerial ladder was unsafe and bids were delayed for over a year with the Fire Chief returning unused department budget money to the city general fund while gambling that a high-rise disaster would not occur. This ladder remains unmanned and out of service today. -- Headquarters Station, in the Municipal Building, (Fire Department side only) has been declared unsafe in one area with

position the city has allocated an average of \$31,331.72 for each employee to work with. During the same year the Fire Department was allocated only \$22,383.01 for each authorized position. Since firefighters are faced with life threatening dangers in protecting lives and properties, does this sound like city officials have their priorities in order? Fire Department personnel are the first to recognize the need for recreational facilities for the well being of the citizens and growth of the city but other things must be considered as well. Since money from revenue sharing is no longer available for Parks and Recreation as it once was, and will not be forth coming, and since these park facilities are used by non-city residents as well as city taxpayers, isn't it obvious and imparitive at this time for the City Manager and Council to analize where their priorities lie.

Another comparison to show the neglect of your Fire Department is to compare the fire and police budget over the past three years. During the fiscal year 1980/81, the difference between the budgets of the departments was \$130,130 in the Police Department's favor. In the money approved for 1982/83 year, there was a difference of \$796,044, again the Police Department's favor. The Police Department has been able to increase their personnel this year while the Fire Department was forced by lack of funds and poor reorganization plans to decrease from 157 to 149 personnel. The Police Department has been able to buy new vehicles and crime protection equipment, while little consideration has been given to your fire protection. While we are in full agreement with officials that we need a well equipped Police Department, the comparison was illustrated only to show the lack of concern for your Fire Department.

City officials have already closed Fire Station No.4 at 300 Merrimon Avenue and removed an engine and ladder company charged with the protec-

D-310

and are of the opinion that the upgrading of your fire service need not come at the expense of higher taxes. We feel that the funds are already available within the city budget. We feel these funds have been channeled to fat within different departments and other less important activities. Example, -- In April of 1982, firefighters submitted an alternate reorganization plan to Chief P. N. Ball that would have saved the Fire Department budget in excess of \$125,000 per year with increases in savings every year after. On April 3, 1982, this plan was met with remarks from City Manager Ken Michalove in the Asheville paper. The remarks were quoted as follows: "There comes a time when the Chief has to run the Fire Department. Any ideas different from the city's plans are not welcome. The Chief is running the Fire Department, and other proposals are not being considered," Michalove said. "We are not running a popularity contest in the Fire Department to see who can come up with the best proposal." Mr. Michalove was also quoted as saying that the city's plan would increase fire protection while saving the city money.

We firefighters have seen no increase in your fire protection unless Mr. Michalove was referring to the new management positions. The only savings thus far has come from the neglect of buildings and equipment. The plans to take away Fire Station No. 3 and company may be the other savings he was referring to.

OTHER THINGS TO CONSIDER

Parks and Recreation is maintaining over 660 acres in 37 different parks within the city. The city has authorized 78 positions for the administrative and maintenance of all parks and recreation facilities and programs. This does not include the part-time summer help. For each authorized

Two years ago Headquarters Station in the Municipal Building housed two engine companies, one 85 foot snorkel and a 100 foot aerial ladder truck. The two engine companies and their crews are all that remain to give quick assistance to the more heavily populated area down town.

tion of the north end as well as the central area of the city. The same fire protection decline is being proposed for the West Asheville area. Any proposals to cut fire service manpower are false economy, especially when the changing of the Oregon Avenue Station will benefit only the few Chiefs of the Asheville Fire Department and deprive thousands of West Asheville Citizens of the professional fire protection their tax dollars are paying for. The only defense you have against disaster by fire is a first-class fire service. This means having enough personnel and equipment in place to respond quickly and efficiently when the alarm is given. This was the case before the Merrimon Avenue Station was closed. This is not the case today and there will be a further decline if the station in West Asheville is used for office space as has been proposed.

Weakening the fire service strength can mean increases in insurance rates, as well as posing the danger of inadequate response to alarms. Having fewer personnel on the scene enormously increases the possibility that a small fire can get out of control. Having fewer personnel available could lead to having fewer stations adequately manned, or keeping less equipment in the necessary state of readiness. This means slower, less effective response to your call of help.

We have given you the total budget allotted to each department for the fiscal year 1982/83. These include projected salaries, fringe benefits and total operation costs. Dividing the total budget by number of employees gives an idea of what each employee has to work with, thus a reflection of what city officials think of your Fire Department. The Fire Department at this time has only 149 personnel, not the authorized 157. Firefighters wonder how much of our unused budget is Chief Ball planning to turn back in this year. The money he returned to city funds from 1981/82 could have helped repair the 100 foot ladder or Headquarters Station. There is still no plans to repair either from this years budget.

North end fire protection is Station No.7 on Larchmont Street beside the Naval Reserve Training Center. Asheville Citizens see two engine companies and most are under the impression they have adequate coverage with quick response. The engine on the right is manned by (3) three personnel and the other is mechanically unsound and cannot be used.

This building, located at 300 Harrison Avenue, was built with tax payers money for the fire protection of north end residents. At one time it housed an engine and ladder company with personnel and was in a strategic location for down town response as well. Firefighter and equipment were removed, decreasing the fire coverage from down town to city limits north. This building is now used by the Water Department.

Compare Fire Department fringe benefits (average per employee) with the other departments. City Fathers are well aware that firefighting is statistically proven to be the most hazardous occupation in the nation, yet fringe benefits is just another way to discriminate against your fire protection. The final results is a lower quality of new personnel in the future.

RESOLUTION NO. 83-73 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT WITH BUNCOMBE COUNTY, TO ALLOW THE COUNTY TO LEASE TRANSMITTER SPACE ON CITY-OWNED RADIO TOWERS

4. Consideration was given to a resolution authorizing the City Manager to sign an agreement with Buncombe County, to allow the County to lease transmitter space on city-owned radio towers.

The City Manager read the resolution which stated that the Buncombe County Emergency Medical Service is in need of tower space on which to locate four (4) two-way FM radio transmitters. The City and County have agreed to terms for leasing said space.

Upon motion of Councilman McDevitt, seconded by Councilman Myers, Resolution No. 83-73 was unanimously adopted.

Complete text of Resolution No. 83-73 will be found in Resolution Book No. 14 at page 27.

RESOLUTION NO. 83-74 - RESOLUTION FOR PARTICIPATION IN THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT RENTAL REHABILITATION PROGRAM DEMONSTRATION, AND AUTHORIZATION FOR EXECUTION OF PARTICIPATION AGREEMENTS

5. Consideration was given to a resolution for participation in the Department of Housing and Urban Development Rental Rehabilitation Program Demonstration, and authorization for execution of participation agreements.

The City Manager read the resolution stating that the Department of Housing and Urban Development has designated the City of Asheville as a Rental Rehabilitation Program Demonstration City for designing and implementing a program to encourage investment in rental residential property, and provide rental assistance to low and moderate income residents of the City of Asheville and the Department of Housing and Urban Development has also designated the City of Gastonia as a Rental Rehabilitation Program Demonstration City. A financing arrangement by and between the City of Asheville, the City of Gastonia, NCNB National Bank of North Carolina, and the Federal National Mortgage Association would provide below market rate financing to participants in the Rental Rehabilitation Program Demonstration and aid in the success of the Demonstration.

Upon motion of Councilman Myers, seconded by Councilman Pless, Resolution No. 83-74 was unanimously adopted.

COMMENTS BY COUNCILWOMAN BRATTON - CIVIL SERVICE BOARD APPOINTMENTS

Upon request of Councilwoman Bratton, a discussion was held relative to the possibility of inserting a short survey questionnaire in the City employees paychecks to obtain their feelings as to the effectiveness of the Civil Service Board.

After discussion, it was the consensus of Council to discuss this matter at pre-council next week and determine what information Council would like to receive from the employees relative to the Civil Service Board.

After discussion, several members of Council assured Mr. David Anders that they would read and review the report presented.

Councilman Pless suggested that David Anders and other firemen interested to come to the Council meeting next week to discuss the report after Council members have had an opportunity to review the report.

Councilman McDevitt requested that the document presented by Mr. Anders be made a part of the minutes of the meeting.

PUBLIC HEARING - SITE PLAN "EVERGREEN RIDGE RETIREMENT CENTER" - RICEVILLE ROAD

3. A public hearing was held relative to the site plan of the "Evergreen Ridge Retirement Center" to be located on Riceville Road.

Mayor Trantham opened the public hearing at 4:51 p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Sonya Luckadoo, from the Planning Department, said the Planning and Zoning Commission at a meeting held April 27, 1983, reviewed the site plan of the "Evergreen Ridge Retirement Center" to be located on Riceville Road. The plan was prepared by Sherertz, Franklin, and Shaffner, Architects, for Mr. Joe Shadrack, Housing Management, Development and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion of the plan, the Commission voted to recommend approval to City Council subject to the following conditions:

- 1) Approval of sewer line agreement by Buncombe County and the Federal Government;
- and 2) Granting a variance in the parking requirements to permit 1.75 spaces per unit.

Ms. Luckadoo said the project would consist of 183 apartment units to be constructed from three (3) buildings on the VA Hospital property being renovated. She said all sewer has been approved for the project. She said the developer is requesting a variance in the parking requirements from 2 spaces to 1.75 spaces per unit.

Mr. Joe Shadrack, Developer, spoke in support of the project and said 32 of the units would be furnished and rented on a weekly basis to out patients at the Oteen VA Hospital. He said the remaining units would be for adults 45 years of age and older and would rent from \$280 to \$450 per month. He said he would like a variance on the parking requirements in order to construct a tennis court in the back of the apartments.

After discussion, Mayor Trantham closed the public hearing at 5:07 p. m.

Councilman McDevitt moved to approve the site plan of the "Evergreen Ridge Retirement Center" to be located on Riceville Road. This motion was seconded by Councilman Pless and carried unanimously.

RESOLUTION NO. 83-75 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS, RECREATION, AND PUBLIC FACILITIES TO MAKE APPLICATION FOR A GRANT FOR LANDSCAPING PUBLIC PARKS AND RECREATION AREAS

Consideration was given to a resolution authorizing the Director of Parks, Recreation, and Public Facilities to make application for a grant for landscaping public parks and recreation areas.

The City Manager read the resolution stating that this would authorize the Director of Parks, Recreation and Public Facilities to file an application for up to \$50,000 to the North Carolina Department of Natural Resources and Community Development for landscaping work in the Asheville parks and recreation areas. He said as much emphasis as possible would go to landscaping downtown.

Upon motion of Vice-Mayor Price, seconded by Councilwoman Bratton, Resolution No. 83-75 was unanimously adopted.

Complete text of Resolution No. 83-75 will be found in Resolution Book No. 14 at page 29.

COMMENTS BY COUNCILMAN MYERS - LAND ACROSS FROM FIRST COMMERCIAL BANK - REDEVELOPMENT AREA

Councilman Myers said he would like it in the records of City Council minutes that when the preliminary feasibility study was made by the Zuchelli, Hunter and Associates several weeks ago they outlined areas in the downtown area as redevelopment areas. He said one of the areas they proposed to put a parking garage on is across from First Commercial Bank, for whom he works, and that he had entered into a long term lease/purchase agreement with the option to buy the property some five (5) months ago. He said this was prior to the Zuchelli, Hunter and Associates proposal and the contract was negotiated in December, 1982.

COMMENTS BY COUNCILMAN PLESS - GLEN FALLS ROAD BRIDGE PROJECT

Upon inquiry of Councilman Pless, the City Manager said construction of the Glen Falls Road Bridge is about a year away. He said the engineering contracts and all documents are underway.
